(l) The Administrative Agent shall have received the documents set forth on Schedule 3 hereto duly executed and delivered by the relevant parties, in each case, in form and substance reasonably satisfactory to the Administrative Agent.

Section 6. *Fees Generally*. All fees payable hereunder, including, without limitation, the fees payable to the Revolving Lenders, shall be in all respects fully earned, due and payable on the Amendment No. 4 Effective Date and non-refundable and non-creditable thereafter.

Section 7. *Acknowledgments and Confirmations; Liens Unimpaired.*

(a) Each Credit Party and each Non-Credit Party Pledgor party hereto hereby expressly acknowledges and consents, as applicable, to the terms of this Amendment (and, for the avoidance of doubt, ratifies the terms of Amendment No. 1, Amendment No. 2 and Amendment No. 3) and reaffirms, as of the date hereof, (i) the covenants and agreements contained in each Credit Document (and each joinder to such Credit Documents) to which it is a party, including, in each case, such covenants and agreements as in effect immediately after giving effect to this Amendment and the transactions contemplated hereby, (ii) subject to any limitations set forth in the Guaranty Agreement, its guarantee of the Obligations, and (iii) its prior grant of Liens on the Collateral to secure the Obligations owed or otherwise guaranteed by it pursuant to the Security Documents with all such Liens continuing in full force and effect after giving effect to this Amendment. (c) After giving effect to this Amendment, each of the Credit Parties and the Non-Credit Party Pledgors party hereto acknowledged and agrees that neither the modification of the Credit Agreement effected pursuant to this Amendment nor the execution, delivery, performance or effectiveness of this Amendment:

(i) impairs the validity, effectiveness or priority of the Liens granted pursuant to any Credit Document, and such Liens continue unimpaired and undischarged with the same priority applicable to such Liens immediately prior to giving effect to this Amendment to secure repayment of all Obligations, whether heretofore or hereafter incurred; or

(ii) requires that any new filings or registrations required under any Credit Document (including filings or registrations which are necessary to perfect or maintain, or required under applicable law with respect to, the security interests created under the Security Documents) to be made (in each case within any statutory time limit under applicable law) or other action required to be taken under any Credit Document be taken to perfect or to maintain the perfection of such Liens, except for (A) filings and registrations in connection with the documents set forth in Schedule 3 hereto and (B) such filings and other actions as have otherwise been made or taken on or prior to the Amendment No. 4 Effective Date and which remain in full force and effect on the Amendment No. 4 Effective Date.

Section 8. *Amendment, Modification and Waiver.* After the effectiveness hereof, this Amendment may not be amended, modified or waived except in accordance with Section 13.12 of the Amended Credit Agreement.

Section 9. *Entire Agreement.* This Amendment, the Credit Agreement and the other Credit Documents constitute the entire agreement among the parties hereto with respect to the subject matter hereof and thereof and supersede all other prior agreements and understandings, both written and verbal, among the parties hereto with respect to the subject matter hereof. Except as expressly set forth herein, this Amendment (a) shall not by implication or otherwise limit, impair, constitute a waiver of, or otherwise affect the rights and remedies of any party under, the Credit Agreement or any other Credit Document and (b) shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other provision of either such agreement or any other Credit Document or be construed as a novation or rescission thereof, or serve to effect a novation or rescission of the obligations outstanding under the Credit Agreement or instruments guaranteeing or securing the same, which shall remain and continue in full force and effect and (c) is intended to result in the mere variation of the Credit Agreement or any other Credit Document, and not the creation of a new agreement.

SECTION 13.08 OF THE CREDIT AGREEMENT IS HEREBY INCORPORATED MUTATIS MUTANDIS AND SHALL APPLY HERETO.

If any provision of this Amendment is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Amendment shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 12. *Counterparts*. This Amendment may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. Delivery by facsimile or other electronic means of an executed counterpart of a signature page to this Amendment shall be effective as delivery of an original executed counterpart of this Amendment. For purposes of this paragraph, "Electronic Signature" means an electronic symbol or process attached to a contract or other record and adopted by a Person with the intent to sign, authenticate or accept such contract or record.

Section 13. *Miscellaneous Provisions.* The provisions of Sections 13.01, 13.08, 13.09, 13.11, 13.13, 13.21 and 13.22 of the Amended Credit Agreement shall apply with like effect as to this Amendment.

(ii) testing availability under baskets set forth in this Agreement (including baskets determined by reference to Consolidated EBITDA or Consolidated Total Assets, as applicable); or

(iii) determining other compliance with this Agreement (including the determination that representations and warranties are true and correct and that no Default or Event of Default (or any type of Default or Event of Default) has occurred, is continuing or would result therefrom);

in each case, at the option of the Lead Borrower (the Lead Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), the date of determination of whether any such action is permitted hereunder shall be made (1) in the case of any acquisition (including by way of merger or amalgamation) or similar Investment (including the assumption or incurrence of Indebtedness in connection therewith), at the time of (or, in the case of any calculation or any financial ratio or test, with respect to, or as of the last day of, the most recently ended Test Period at the time of) either (x) the execution of the definitive agreement with respect to such acquisition or Investment, (y) the public announcement of an intention to make an offer in respect of the target of such acquisition or Investment or (z) the consummation of such acquisition or Investment, (2) in the case of any Dividend, at the time of (or, in the case of any calculation or any financial ratio or test, with respect to, or as of the last day of, the most recently ended Test Period at the time of) (x) the irrevocable declaration of such Dividend or (y) the making of such Dividend and (3) in the case of any voluntary or optional payment or prepayment on or redemption or acquisition for value of any Indebtedness subject to Section 10.07, at the time of (or, in the case of any calculation or any financial ratio or test, with respect to, or as of the last day of, the most recently ended Test Period at the time of) (x) delivery of irrevocable (which may be conditional) notice with respect to such payment or prepayment or redemption or acquisition of such Indebtedness or (y) the making of such voluntary or optional payment or prepayment on or redemption or acquisition for value of any Indebtedness (the "LCT Test Date"), and if, for the Limited Condition Transaction (and the other transactions to be entered into in connection therewith), the Lead Borrower or any of its Restricted Subsidiaries would have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with. For purposes of determining compliance at any time with Sections 10.01, 10.02, 10.03, 10.04, 10.05, 10.06 and 10.07, in the event that any Lien, sale, lease or other disposition of assets, Dividend, Indebtedness, Investment, transaction with Affiliates or prepayment of Indebtedness meets the criteria of more than one of the categories of transactions or items permitted pursuant to any clause of such Sections 10.01, 10.02, 10.03, 10.04, 10.05, 10.06 and 10.07, the Lead Borrower, in its sole discretion, may, from time to time, classify or reclassify such transaction or item (or portion thereof) and will only be required to include the amount and type of such transaction (or portion thereof) in any one category.

The Lead Borrower shall report value and other Borrowing Base components to the Administrative Agent in the currency invoiced by the Lead Borrower or shown in the Lead Borrower's financial records, and unless expressly provided otherwise, shall deliver financial statements and calculate financial covenants in Dollars. Notwithstanding anything herein to the contrary, if any Obligation is funded and expressly denominated in a currency other than Dollars, the Borrowers shall repay such Obligation in such other currency.

(c) Any failure by a Lender or the applicable Issuing Bank, as the case may be, to respond to such request within the time period specified in the preceding sentence shall be deemed to be a refusal by such Lender or the applicable Issuing Bank, as the case may be, to permit Loans to be made or Letters of Credit to be issued in such requested currency. If the Administrative Agent and all the Lenders with Commitments in respect of the Subfacility under which such additional Alternative Currency is being requested consent to making Loans in such requested currency, the Administrative Agent shall so notify such Borrower and such currency shall thereupon be deemed for all purposes to be an Alternative Currency hereunder for purposes of any Borrowings of Loans; and if the Administrative Agent and the applicable Issuing Bank consent to the issuance of Letters of Credit in such requested currency, the Administrative Agent shall so notify such Borrower and such currency shall thereupon be deemed for all purposes to be an Alternative Currency hereunder for purposes of any Letter of Credit issuances. Upon the occurrence of a Benchmark Transition Event, Section 2.22 provides a mechanism for determining an alternative rate of interest. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission, performance or any other matter related to any interest rate used in this Agreement, or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the existing interest rate being replaced or have the same volume or liquidity as did any existing interest rate prior to its discontinuance or unavailability. The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative, successor or alternative rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Lead Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Lead Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

(c) Each Lender may, at its option, make any Term Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not (i) affect in any manner the obligation of the Lead Borrower to repay such Term Loan in accordance with the terms of this Agreement or (ii) excuse or relieve any Lender from its Commitment to make any such Term Loan to the extent not so made by such branch or Affiliate.

(d) Subject to the terms and conditions and relying upon the representations and warranties herein set forth, each Revolving Lender agrees, severally and not jointly, to make (i) U.S. Revolving Loans to the U.S. Borrowers in U.S. Dollars (or in one or more Alternative Currencies with respect to which Borrowings under the U.S. Subfacility have been approved pursuant to Section 1.06) at any time and from time to time on and after the Closing Date until the earlier of one Business Day prior to the Maturity Date and the termination of the U.S. Revolving Commitment of such Revolving Lender in accordance with the terms hereof, in an aggregate principal amount at any time outstanding that will not result in the Availability Conditions not being met; (ii) UK Revolving Loans to the UK Borrowers in U.S. Dollars, Pounds Sterling or Euros (or in one or more Alternative Currencies with respect to which Borrowings under the UK Subfacility have been approved pursuant to Section 1.06), at any time and from time to time on and after the Closing Date until the earlier of one Business Day prior to the Maturity Date and the termination of the UK Revolving Commitment of such Revolving Lender in accordance with the terms hereof, in an aggregate principal amount at any time outstanding that will not result in the Availability Conditions not being met; (iii) Canadian Revolving Loans to the Canadian Borrowers in U.S. Dollars or Canadian Dollars (or in one or more Alternative Currencies with respect to which Borrowings under the Canadian Subfacility have been approved pursuant to Section 1.06), at any time and from time to time on and after the Closing Date until the earlier of one Business Day prior to the Maturity Date and the termination of the Canadian Revolving Commitment of such Revolving Lender in accordance with the terms hereof, in an aggregate principal amount at any time outstanding that will not result in the Availability Conditions not being met; and (iv) APAC Revolving Loans to the Australian Borrowers in U.S. Dollars or Australian Dollars (or in one or more Alternative Currencies with respect to which Borrowings under the APAC Subfacility have been approved pursuant to Section 1.06), at any time and from time to time on and after the Closing Date until the earlier of one Business Day prior to the Maturity Date and the termination of the APAC Revolving Commitment of such Revolving Lender in accordance with the terms hereof, in an aggregate principal amount at any time outstanding that will not result in the Availability Conditions not being met. (f) [Reserved].

(g) Each (i) U.S. Revolving Loan (other than Swingline Loans) shall be made as part of a Revolving Borrowing consisting of U.S. Revolving Loans made by the relevant Revolving Lenders ratably in accordance with their applicable U.S. Revolving Commitments, (ii) UK Revolving Loan shall be made as part of a Revolving Borrowing consisting of UK Revolving Loans made by the relevant Revolving Lenders ratably in accordance with their applicable UK Revolving Commitments, (iii) Canadian Revolving Loan shall be made as part of a Revolving

Borrowing consisting of Canadian Revolving Loans made by the relevant Revolving Lenders ratably in accordance with their applicable Canadian Revolving Commitments and (iv) APAC Revolving Loans shall be made as part of a Revolving Borrowing consisting of APAC Revolving Loans made by the relevant Revolving Lenders ratably in accordance with their applicable APAC Revolving Commitments; provided that the failure of any Revolving Lender to make any Revolving Loan shall not in itself relieve any other Revolving Lender of its obligation to lend hereunder (it being understood, however, that no Revolving Lender shall be responsible for the failure of any other Revolving Lender to make any Revolving Loan required to be made by such other Revolving Lender).

(h) Subject to Section 2.22, (i) each Revolving Borrowing of U.S. Revolving Loans shall be comprised entirely of Base Rate Loans or Term SOFR Rate Loans, (ii) each Revolving Borrowing of Canadian Revolving Loans shall be comprised entirely of (1) in the case of Canadian Revolving Loans denominated in Dollars, Term SOFR Rate Loans or (2) in the case of Canadian Revolving Loans denominated in Canadian Dollars, Term CORRA Rate Loans or Canadian Prime Rate Loans, (iii) each Revolving Borrowing of UK Revolving Loans shall be comprised entirely of (1) in the case of UK Revolving Loans in Dollars, Term SOFR Rate Loans, (2) in the case of UK Revolving Loans denominated in Euros, EURIBOR Rate Loans or (3) in the case of UK Revolving Loans denominated in Pounds Sterling, RFR Loans and (iv) each Revolving Borrowing of APAC Revolving Loans shall be comprised entirely of (1) in the case of APAC Revolving Loans denominated in Dollars, Term SOFR Rate Loans or (2) in the case of APAC Revolving Loans denominated in Australian Dollars, BBSY Loans, in each case, as the applicable Borrower may request pursuant to Section 2.03. Each Lender may at its option make any Loan (including any Swingline Loan) by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not (i) limit or expand the obligation of the Borrowers to repay such Loan in accordance with the terms of this Agreement or cause the Borrowers to pay increased additional amounts pursuant to Section 2.16 at the time of such exercise or (ii) excuse or relieve any Lender from its Commitment to make any such Loan to the extent not so made by such branch or Affiliate. Revolving Borrowings of more than one Type may be outstanding at the same time; provided further that the Borrowers shall not be entitled to request any Revolving Borrowing that, if made, would result in more than 10 Borrowings in the U.S. Subfacility, 5 Borrowings in the UK Subfacility, 5 Borrowings in the Canadian Subfacility and 5 Borrowings in the APAC Subfacility, respectively, outstanding hereunder at any one time. For purposes of the foregoing, Revolving Borrowings having different Interest Periods and/or payment periods, regardless of whether they commence on the same date, shall be considered separate Borrowings.

(i) Except with respect to Revolving Loans made pursuant toSection 2.01(l), each Revolving Lender shall make each Revolving Loan (other than Swingline Loans) to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds to such account as the Administrative Agent may designate (i) in New York City, in the case of Revolving Loans to a U.S. Borrower, not later than the Applicable Time, (ii) in London, in the case of Revolving Loans to a UK Borrower not later than the Applicable Time, (iii) in Toronto, in the case of Revolving Loans to a Canadian Borrower, not later than the Applicable Time and (iv) in London, in the case of Revolving Loans to an Australian Borrower, not later than the Applicable Time, and the Administrative Agent shall promptly credit the amounts so received to the Designated Account (or such other deposit account of the Applicable Administrative Borrower specified in the applicable Notice of Borrowing) or, if a Revolving Borrowing shall not occur on such date because any condition precedent herein specified shall not have been met or waived, return the amounts so received to the respective Lenders.

(j) Unless the Administrative Agent shall have received notice from a Revolving Lender prior to the date of any Revolving Borrowing that such Revolving Lender will not make available to the Administrative Agent such Revolving Lender's portion of such Revolving Borrowing, the Administrative Agent may assume that such Revolving Lender has made such portion available to the Administrative Agent on the date of such Revolving Borrowing in accordance with paragraph (i) above, and the Administrative Agent may, in reliance upon such assumption, make available to the applicable Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available then, to the extent that such Revolving Lender shall not have made such portion available to the Administrative Agent, such Revolving Lender and the Applicable Administrative Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to such Borrower until the date such amount is repaid to the Administrative Agent at (i) in the case of the applicable Borrowers, the interest rate applicable at the time to the Revolving Loans comprising such Revolving Borrowing and (ii) in the case of such Revolving Lender, a rate determined by the Administrative Agent to represent its cost of overnight or short-term funds (which determination shall be conclusive absent manifest error). If such Revolving Lender shall repay to the Administrative Agent such corresponding amount, such amount shall constitute such Revolving Lender's Loan as part of such Revolving Borrowing for purposes of this Agreement.

(k) Notwithstanding any other provision of this Agreement, no Borrower shall be entitled to request, or to elect to convert or continue, any Revolving Borrowing if the Interest Period requested with respect thereto would end after the Revolving Maturity Date.

(l) If an Issuing Bank shall not have received from the applicable Borrowers the payment required to be made bySection 2.14(e) within the time specified in such Section, such Issuing Bank will promptly notify the Administrative Agent of the LC Disbursement and the Administrative Agent will promptly notify each applicable Lender of such LC Disbursement and its Pro Rata Percentage thereof. Each such Revolving Lender shall pay by wire transfer of immediately available funds to the Administrative Agent on such date (or, if such Lender shall have received such notice later than 12:00 (noon), New York City time, on any day, not later than 11:00 a.m., New York City time on the immediately following Business Day), an amount equal to such Revolving Lender's Pro Rata Percentage of such LC Disbursement (it being understood that such amount shall be deemed to constitute a Base Rate Loan (for LC Disbursements denominated in Dollars), a Canadian Prime Rate Loan (for LC Disbursements denominated in Canadian Dollars), a EURIBOR Rate Loan with an Interest Period of one month (for LC Disbursements denominated in Euros), a BBSY Loan with an Interest Period of one month (for LC Disbursements in Australian Dollars) or a RFR Loan (for LC Disbursements denominated Pounds Sterling) of such Revolving Lender, and such payment shall be deemed to have reduced the applicable LC Exposure), and the Administrative Agent will promptly pay to such Issuing Bank amounts so received by it from the applicable Revolving Lenders. The Administrative Agent will promptly pay to the applicable Issuing Bank any amounts received by it from the applicable Borrower pursuant to Section 2.14(e) prior to the time that any Revolving Lender makes any payment pursuant to this paragraph (l); any such amounts received by the Administrative Agent thereafter will be promptly remitted by the Administrative Agent to the Revolving Lenders that shall have made such payments and to the applicable Issuing Bank, as their interests may appear. If any Revolving Lender under the applicable Subfacility shall not have made its Pro Rata Percentage of such LC Disbursement available to the Administrative Agent as provided above, such Revolving Lender and the applicable Borrowers, severally agree to pay interest on such amount, for each day from and including the date such amount is required to be paid in accordance with this paragraph (l) to but excluding the date such amount is paid, to the Administrative Agent for the account of the applicable Issuing Bank at (i) in the case of the Lead Borrower, a rate per annum equal to the interest rate applicable to Revolving Loans pursuant to Section 2.08, and (ii) in the case of such Revolving Lender, at the Base Rate (for Dollars), the Canadian Prime Rate (for Canadian Dollars), the EURIBOR Rate with an Interest Period of one month (for Euros), the BBSY with an Interest Period of one month (for Australian Dollars) and the RFR Rate (for Pounds Sterling).

2.02 Minimum Amount of Each Borrowing.

(a) Term Borrowings. The aggregate principal amount of each Term Borrowing under any Tranche shall not be less than the Minimum Term Borrowing Amount. More than one Term Borrowing may occur on the same date, but at no time shall there be outstanding more than fifteen (15) Borrowings of Term SOFR Rate Term Loans in the aggregate for all Tranches of Term Loans.

(b) Revolving Borrowings. Except for Revolving Loans deemed made pursuant toSection 2.01(l), Revolving Loans (other than Swingline Loans) comprising any Revolving Borrowing shall be in an aggregate principal amount that is not less than the applicable Minimum Revolving Borrowing Amount.

Unless the Administrative Agent shall have been notified by any Term Lender prior to the date of any Term Borrowing that such Term Lender does not intend to make available to the Administrative Agent such Term Lender's portion of any Term Borrowing to be made on such date, the Administrative Agent may assume that such Term Lender has made such amount available to the Administrative Agent on such date of Term Borrowing and the Administrative Agent may (but shall not be obligated to), in reliance upon such assumption, make available to the Lead Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Term Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Term Lender. If such Term Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify the Lead Borrower and the Lead Borrower shall immediately pay such corresponding amount to the Administrative Agent. The Administrative Agent also shall be entitled to recover on demand from such Term Lender or the Lead Borrower interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Lead Borrower until the date such corresponding amount is recovered by the Administrative Agent, at a rate *per annum* equal to (i) if recovered from such Term Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking rules on interbank compensation and (ii) if recovered from the Lead Borrower, the rate of interest applicable to the relevant Term Borrowing, as determined pursuant to Section 2.08. Nothing in this Section 2.04 shall be deemed to relieve any Term Lender from its obligation to make Term Loans hereunder or to prejudice any rights which the Lead Borrower may have against any Term Lender as a result of any failure by such Term Lender to make Term Loans hereunder.

(b) [Reserved].

(c) If any Revolving Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Revolving Loans or participations in LC Disbursements or Swingline Loans resulting in such Revolving Lender receiving payment of a greater proportion of the aggregate amount of its Revolving Loans and participations in LC Disbursements and Swingline Loans and accrued interest thereon than the proportion received by any other Revolving Lender under such Subfacility, then the Revolving Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Revolving Loans and participations in LC Disbursements and Swingline Loans of other Revolving Lenders under such Subfacility to the

extent necessary so that the benefit of all such payments shall be shared by the Revolving Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Revolving Loans and participations in LC Disbursements and Swingline Loans; *provided* that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Lead Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Revolving Lender as consideration for the assignment of or sale of a participation in any of its Revolving Loans or participations in LC Disbursements to any assignee or participant, other than to the Lead Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law that any Revolving Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Credit Parties rights of set-off and counterclaim with respect to such participation as fully as if such Revolving Lender were a direct creditor of a Credit Party in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from a Borrower prior to the date on which any payment is due under the applicable Subfacility to the Administrative Agent for the account of the Revolving Lenders or applicable Issuing Bank hereunder that such Borrower will not make such payment, the Administrative Agent may assume that such Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Revolving Lenders or the Issuing Banks, as the case may be, the amount due. In such event, if such Borrower has not in fact made such payment, then each of the Revolving Lenders or the Issuing Banks under the applicable Subfacility, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Revolving Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Revolving Lender shall fail to make any payment required to be made by it pursuant to Section 2.01(g), 2.01(l), 2.04(d), 2.13(d) or 2.14(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Revolving Lender to satisfy such Revolving Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

(f) Each U.S. Borrower, jointly and severally, hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Revolving Lender under the U.S. Subfacility, the then unpaid principal amount of each U.S. Revolving Loan of such Revolving Lender and (ii) to the Swingline Lender, the then unpaid principal amount of each Swingline Loan, in each case with respect to clauses (i) and (ii), on the Revolving Maturity Date. Each UK Borrower, jointly and severally, hereby unconditionally promises to pay to the Administrative Agent for the account of each Revolving Lender under the UK Subfacility, the then unpaid principal amount of each UK Revolving Loan of such Revolving Lender on the Revolving Maturity Date. Each Canadian Borrower, jointly and severally, hereby unconditionally promises to pay to the Administrative Agent for the account of each Revolving Lender under the Canadian Subfacility, the then unpaid principal amount of each Canadian Revolving Loan of such Revolving Lender on the Revolving Maturity Date. Each Australian Borrower, jointly and severally, hereby unconditionally promises to pay to the Administrative Agent for the account of each Revolving Lender under the APAC Subfacility, the then unpaid principal amount of each APAC Revolving Loan of such Revolving Lender on the Revolving Maturity Date.

(g) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrowers to such Lender resulting from each Loan made by such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement. The Applicable Administrative Borrower shall be entitled to review records of such accounts with prior reasonable notice during normal business hours.

(h) The Administrative Agent shall maintain accounts in which it will record (i) the amount of each Loan made hereunder, the Class and Type thereof, the currency thereof and the Interest Period applicable thereto; (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrowers to each Lender hereunder; and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof. Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrowers to such Lender. The Applicable Administrative Borrower shall be entitled to review records of such accounts with prior reasonable notice during normal business hours.

(i) The entries made in the accounts maintained pursuant toparagraphs (g) and (h) above shall be *prima facie* evidence of the existence and amounts of the obligations therein recorded absent manifest error; *provided* that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligations of the Borrowers to repay the Loans in accordance with their terms.

(j) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied in the manner as provided in Section 5.02 or 11.11 hereof, as applicable, ratably among the parties entitled thereto.

2.05 Notes. The applicable Borrowers' obligation to pay the principal of, and interest on, the Loans made by each Lender shall be evidenced in the Register maintained by the Administrative Agent pursuant to Section 13.04 and shall, if requested by such Lender, be evidenced by a promissory note. In such event, the Applicable Administrative Borrower shall promptly prepare, execute and deliver to such Lender a promissory note payable to such Lender or its registered assigns substantially in the form of Exhibit B-1, Exhibit B-2 or Exhibit B-3, as applicable.

(b) Each Lender will note on its internal records the amount of each Loan made by it and each payment in respect thereof and prior to any transfer of any of its Notes will endorse on the reverse side thereof the outstanding principal amount of Loans evidenced thereby. Failure to make any such notation or any error in such notation shall not affect the applicable Borrower's obligations in respect of such Loans. For the avoidance of doubt, to the extent any conflict arises between the records maintained pursuant to this Section and the Register, the Register shall control.

(c) Notwithstanding anything to the contrary contained above in thisSection 2.05 or elsewhere in this Agreement, Notes shall only be delivered to Lenders that at any time specifically request the delivery of such Notes. No failure of any Lender to request or obtain a Note evidencing its Loans to any Borrower shall affect or in any manner impair the obligations of the applicable Borrower to pay the Loans (and all related Obligations) incurred by the applicable Borrower which would otherwise be evidenced thereby in accordance with the requirements of this Agreement, and shall not in any way affect the security or guarantees therefor provided pursuant to the various Credit Documents. Any Lender which does not have a Note evidencing its outstanding Loans shall in no event be required to make the notations otherwise described in the preceding clause (b). At any time when any Lender requests the delivery of a Note to evidence any of its Loans, the applicable Borrower shall promptly execute and deliver to the respective Lender the requested Note in the appropriate amount or amounts to evidence such Loans.

2.06 Interest Elections.

(a) Each Term Borrowing initially shall be of the Type specified in the applicable Notice of Borrowing and, in the case of a Borrowing of Term SOFR Rate Loans, shall have an initial Interest Period as specified in such Notice of Borrowing. The Lead Borrower shall have the option to convert, on any Business Day, all or a portion equal to at least the Minimum Term Borrowing Amount of the outstanding principal amount of Term Loans of a given Tranche made pursuant to one or more Borrowings of one or more Types of Term Loans, into a Borrowing (of the same Tranche) of another Type of Term Loan or to split any Borrowing of a single Type under a single Tranche into two or more Borrowings of different Types under such Tranche; *provided* that (i) except as otherwise provided in Section 2.16, Term SOFR Rate Term Loans may be converted into Base Rate Term Loans only on the last day of an Interest Period applicable to the Term Loans being converted and no such partial conversion of Term SOFR Rate Term Loans, as the case may be, shall reduce the outstanding principal amount of such Term SOFR Rate Term Loans, made pursuant to a single Borrowing to less than the Minimum Term Borrowing Amount, (ii) to the extent the Required Term Lenders have, or the Administrative Agent at the request of the Required Term Lenders has, so notified Borrower in writing, Base Rate Term Loans may not be converted into Term SOFR Rate Term Loans if any Event of Default is in existence on the date of the conversion, (iii) no conversion pursuant to this Section 2.06 shall result in a greater number of Borrowings of Term SOFR Rate Term Loans than is permitted under Section 2.02 and (iv) no splitting of a Borrowing of a single Type under a single Tranche into two or more Borrowings of different Types under

such Tranche shall result in any of the resulting Borrowings having a principal amount which is less than the applicable Minimum Term Borrowing Amount. Such conversion shall be effected by the Lead Borrower by giving the Administrative Agent at the Notice Office prior to 12:00 Noon (New York City time) at least three (3) Business Days' prior notice (in the case of any conversion to or continuation of Term SOFR Rate Term Loans) or same day notice (in the case of any conversion to Base Rate Term Loans) in the form of a Notice of Conversion/Continuation appropriately completed by a Responsible Officer of Borrower to specify the Term Loans of a given Tranche to be so converted, the Borrowing or Borrowings pursuant to which such Term Loans were incurred and, if to be converted into Term SOFR Rate Term Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall give each Lender prompt notice of any such proposed conversion affecting any of its Term Loans.

(b) Each Revolving Borrowing initially shall be of the Type specified in the applicable Notice of Borrowing and, in the case of a Borrowing of Term SOFR Rate Loans, EURIBOR Rate Loans, Term CORRA Rate Loans or BBSY Loans, shall have an initial Interest Period as specified in such Notice of Borrowing. Thereafter, the Applicable Administrative Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Borrowing of Term SOFR Rate Loans, EURIBOR Rate Loans, Term CORRA Rate Loans or BBSY Loans, may elect Interest Periods therefor, all as provided in this Section 2.06. The Applicable Administrative Borrower may elect different options with respect to different portions of the affected Revolving Borrowing, in which case each such portion shall be allocated ratably among the Revolving Lenders holding the Revolving Loans comprising such Borrowing, and the Revolving Loans comprising each such portion shall be considered a separate Borrowing. Notwithstanding anything to the contrary, the Borrowers shall not be entitled to request any conversion or continuation that, if made, would result in more than 10 Borrowings in the U.S. Subfacility, 5 Borrowings in the UK Subfacility, 5 Borrowings in the Canadian Subfacility, and 5 Borrowings in the APAC Subfacility outstanding hereunder at any one time. This Section 2.06 shall not apply to Swingline Loans, which may not be converted or continued. To make an election pursuant to this Section 2.06, the Applicable Administrative Borrower shall notify the Administrative Agent of such election in writing by the time that a Notice of Borrowing would be required under Section 2.03 if such Applicable Administrative Borrower was requesting a Revolving Borrowing of the Type resulting from such election to be made on the effective date of such election, subject to Section 2.22. Each such notice shall be in writing (including electronic form, to the extent provided in the definition of "Notice of Conversion/Continuation") in the form a Notice of Conversion/Continuation, unless otherwise agreed to by the Administrative Agent and the Applicable Administrative Borrower.

(c) Each Notice of Conversion/Continuation with respect to a Term Loan or Revolving Loan shall specify the following information in compliance with Section 2.01:

(i) the Borrowing to which such Notice of Conversion/Continuation applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Notice of Conversion/Continuation, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be a Borrowing of Base Rate Loans, a Borrowing of Term SOFR Rate Loans, a Borrowing of EURIBOR Rate Loans, a Borrowing of Term CORRA Rate Loans, a Borrowing of Canadian Prime Rate Loans, a Borrowing of BBSY Loans or a Borrowing of RFR Loans;

(iv) the currency of the resulting Borrowing;

(v) whether such Borrowing is a Revolving Borrowing or a Term Borrowing; and

(vi) if the resulting Borrowing is a Borrowing of Term SOFR Rate Loans, EURIBOR Rate Loans, Term CORRA Rate Loans or BBSY Loans, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Notice of Conversion/Continuation requests a Borrowing of Term SOFR Rate Loans, EURIBOR Rate Loans, Term CORRA Rate Loans or BBSY Loans but does not specify an Interest Period, then the applicable Administrative Borrower shall be deemed to have selected an Interest Period of one month's duration. No Borrowing may be converted into or continued as a Borrowing denominated in a different currency, but instead must be prepaid in the original currency of such Borrowing and reborrowed in the other currency.

(d) Promptly following receipt of a Notice of Conversion/Continuation, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If a Notice of Conversion/Continuation with respect to a Borrowing of Term SOFR Rate Loans denominated in Dollars under the U.S. Subfacility is not timely delivered prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to a Borrowing of Base Rate Loans. If a Notice of Conversion/Continuation with respect to a Borrowing of Term CORRA Rate Loans under the Canadian Subfacility is not timely delivered prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to a Borrowing of Canadian Prime Rate Loans. If a Notice of Conversion/Continuation with respect to any other Term Benchmark Borrowing is not timely delivered prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, the Applicable Administrative Borrower shall be deemed to have selected that such Borrowing shall automatically be continued with an Interest Period of one month at the end of such Interest Period. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Revolving Lenders, so notifies the Lead Borrower, then, so long as an Event of Default is continuing (i) other than as set forth in clause (ii) below, no outstanding Revolving Borrowing may be converted to or continued as a Term Benchmark Borrowing under the U.S. Subfacility in Dollars and (ii) unless repaid, (w) each Term SOFR Borrowing and each RFR Borrowing under the U.S. Subfacility denominated in Dollars shall be converted to Base Rate Borrowing at the end of the Interest Period applicable thereto, (x) each Term CORRA Rate Borrowing under the Canadian Subfacility shall be converted to a Canadian Prime Rate Borrowing at the end of the Interest Period applicable thereto, (y) each Term SOFR Borrowing (other than under the U.S. Subfacility) and BBSY Revolving Borrowing shall be converted to a Borrowing of Term SOFR Rate Loans and BBSY Loans with an Interest Period of one month, respectively, at the end of the Interest Period applicable thereto and (z) each EURIBOR Rate Borrowing shall bear interest at the Central Bank Rate for the applicable Agreed Currency plus the Applicable Margin; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Agreed Currency cannot be determined, any outstanding affected EURIBOR Rate or RFR Loans denominated in any applicable Agreed Currency shall be prepaid at the end of the applicable Interest Period or on the Interest Payment Date, as applicable, in full.

2.07 Pro Rata Term Borrowings. All Borrowings of Term Loans under this Agreement, subject to Section 2.16(d), shall be incurred from the Lenders pro rata on the basis of such Lenders' Commitments as the case may be. No Lender shall be responsible for any default by any other Lender of its obligation to make Term Loans hereunder, and each Lender shall be obligated to make the Term Loans provided to be made by it hereunder, regardless of the failure of any other Lender to make its Term Loans hereunder.

2.08 Interest.

(a) Subject to the provisions of Section 2.08(k), the Swingline Loans and each Revolving Borrowing of Base Rate Loans shall, in each case, bear interest at a rate per annum equal to the Base Rate *plus* the Applicable Margin in effect from time to time.

(b) Subject to the provisions of Section 2.08(k), the Loans comprising each Revolving Borrowing of Term SOFR Rate Loans shall bear interest at a rate per annum equal to the Adjusted Term SOFR Rate for the Interest Period in effect for such Borrowing *plus* the Applicable Margin in effect from time to time.

(c) Subject to the provisions of Section 2.08(k), the Loans comprising each Revolving Borrowing of EURIBOR Rate Loans shall bear interest at a rate per annum equal to the Adjusted EURIBOR Rate plus the Applicable Margin in effect from time to time.

(d) Subject to the provisions of Section 2.08(k), the Loans comprising each Revolving Borrowing of RFR Loans shall bear interest at a rate per annum equal to the RFR Rate plus the Applicable Margin in effect from time to time.

(e) Subject to the provisions of Section 2.08(k), the Loans comprising each Revolving Borrowing of Term CORRA Loans shall bear interest at a rate per annum equal to the Adjusted Term CORRA Rate plus the Applicable Margin in effect from time to time.

(f) Subject to the provisions of Section 2.08(k), the Loans comprising each Revolving Borrowing of Canadian Prime Rate Loans shall bear interest at a rate per annum equal to the Canadian Prime Rate plus the Applicable Margin in effect from time to time.

(g) Subject to the provisions of Section 2.08(k), the Loans comprising each Revolving Borrowing of BBSY Loans shall bear interest at a rate per annum equal to BBSY plus the Applicable Margin in effect from time to time.

(h) Accrued interest on each Revolving Loan shall be payable in arrears on each Interest Payment Date; *provided* that (x) interest accrued pursuant to paragraph (k) of this Section 2.08 shall be payable on demand and, absent demand, on each Adjustment Date, at the end of the current Interest Period and upon termination of the Revolving Commitments, as applicable, (y) in the event of any repayment or prepayment of any Revolving Loan (other than a prepayment of a Base Rate Loan or Canadian Prime Rate Loan prior to the end of the Revolving Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (z) in the event of any conversion of any Term SOFR Rate Loan, EURIBOR Rate Loan, Term CORRA Loan or BBSY Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(i) The Lead Borrower agrees to pay interest in respect of the unpaid principal amount of each Base Rate Term Loan (including with respect to any Term SOFR Rate Term Loan converted into a Base Rate Term Loan pursuant to Section 2.06) made to the Lead Borrower hereunder from the date of Borrowing thereof (or, in the circumstances described in the immediately preceding parenthetical, from the date of conversion of the respective Term SOFR Rate Term Loan into a Base Rate Term Loan) until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such Base Rate Term Loan to a Term SOFR Rate Term Loan pursuant to Section 2.06, as applicable, at a rate *per annum* which shall be equal to the sum of the Applicable Margin for Base Rate Term Loans *plus* the Base Rate, as in effect from time to time. The Lead Borrower agrees to pay interest in respect of the unpaid principal amount of each Term SOFR Rate Term Loan made to the Lead Borrower from the date of Borrowing thereof until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such Term SOFR Rate Term Loan to a Base Rate Term Loan pursuant to Section 2.06 or otherwise under this Agreement, as applicable, at a rate *per annum* which shall, during each Interest Period applicable thereto, be equal to the sum of the Applicable Margin for Term SOFR Rate Term Loans *plus* the applicable Adjusted Term SOFR Rate for such Interest Period. Accrued (and theretofore unpaid) interest with respect to any Term Loan shall be calculated daily and payable (i) on each Interest Payment Date and (ii) on (w) the date of any conversion of a Term SOFR Rate Term Loan to a Base Rate Term Loan (on the amount so converted) prior to the last day of the Interest Period applicable thereto, (x) the date of any prepayment or repayment thereof (on the amount prepaid or repaid), (y) at maturity (whether by acceleration or otherwise) and (z) after such maturity, on demand. Upon each Interest Determination Date, the Administrative Agent shall determine the Adjusted Term SOFR Rate for each Interest Period applicable to the respective Term SOFR Rate Term Loans and shall promptly notify Borrower and the Lenders thereof. Each such determination shall, absent manifest error, be final and conclusive and binding on all parties hereto.

(j) All interest hereunder and any Fees hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Base Rate, BBSY, Term CORRA, Canadian Prime Rate and RFR Rate with respect to Pounds Sterling shall be computed on the basis of a year of 365 days (or, with respect to the Base Rate when determined by reference to the Prime Rate, 366 days in a leap year) and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Base Rate, Adjusted Term SOFR Rate, Term SOFR, Adjusted EURIBOR Rate, EURIBOR Rate, BBSY, Adjusted Term CORRA Rate, Term CORRA, Canadian Prime Rate, Daily Simple RFR or RFR Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

(k) Upon the occurrence and during the continuance of any Event of Default under Section 11.01 or 11.05 (x) overdue principal and, to the extent permitted by law, overdue interest in respect of each Loan shall bear interest at a rate *per annum* equal to (i) for Base Rate Loans and associated interest, 2.00% *per annum* in excess of the Applicable Margin for Base Rate Loans *plus* the Base Rate, (ii) for Canadian Prime Rate Loans and associated interest, 2.00% *per annum* in excess of the Applicable Margin for Canadian Prime Rate Loans *plus* the Canadian Prime Rate and (iii) for any other Type of Loans and associated interest, 2.00% *per annum* in excess of the Applicable Margin for such Loans *plus* the Relevant Rate and (y) overdue amounts with respect to Fees shall bear interest at a rate *per annum* equal to 2.00% *per annum* in excess of the Applicable Margin for Base Rate Loans *plus* the Base Rate, each as in effect from time to time, in each case with such interest to be payable on demand.

(l) For purposes of the Interest Act (Canada), (i) whenever any interest or fee under this Agreement is calculated using a rate based on a year of 360 or 365 days or any other period of time that is less than a calendar year, the rate determined pursuant to such calculation, when expressed as an annual rate, is equivalent to (x) the applicable rate based on the number of days in the calendar year, (y) multiplied by the actual number of days in the calendar year in which the period for which such interest is payable (or compounded) ends, and (z) divided by 360, 365 or such other period of time that is less than the calendar year, as the case may be, (ii) the principle of deemed reinvestment of interest does not apply to any interest calculation under this Agreement, and (iii) the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields. Each Canadian Credit Party confirms that it fully understands and is able to calculate the rate of interest applicable to loans, advances, liabilities and obligations under this Agreement based on the methodology for calculating per annum rates provided for in this Agreement.

(m) If any provision of this Agreement or of any of the other Credit Documents would obligate any Canadian Credit Party to make any payment of interest or other amount payable to the Lenders in an amount or calculated at a rate which would be prohibited by law or would result in a receipt by the Lenders of interest at a criminal rate (as such terms are construed under the Criminal Code (Canada)) then, notwithstanding such provisions, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law or so result in a receipt by the Lenders of interest at a criminal rate, such adjustment to be effected, to the extent necessary, as follows: (1) firstly, by reducing the amount or rate of interest required to be paid to the Lenders under this Section 2.08, and (2) thereafter, by reducing any fees, commissions, premiums and other amounts required to be paid to the Lenders which would constitute "interest" for purposes of Section 347 of the Criminal Code (Canada). Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if the Lenders shall have received an amount in excess of the maximum permitted by that section of the Criminal Code (Canada), the Canadian Credit Parties shall be entitled, by notice in writing to the Administrative Agent, to obtain reimbursement from the Lenders in an amount equal to such excess and, pending such reimbursement, such amount shall be deemed to be an amount payable by the Lenders to the applicable Canadian Credit Parties. Any amount or rate of interest referred to in this Section shall be determined in accordance with generally accepted actuarial practices and principles as an effective annual rate of interest over the term that the applicable Loan remains outstanding on the assumption that any charges, fees or expenses that fall within the meaning of "interest" (as defined in the Criminal Code (Canada)) shall, if they relate to a specific period of time, be pro-rated over that period of time and otherwise be pro-rated over the period from the Closing Date to the Maturity Date and, in the event of a dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by the Administrative Agent shall be conclusive for the purposes of such determination.

2.09 [Reserved].

2.10 [Reserved].

2.11 [Reserved].

2.12 Defaulting Lenders.

(a) Reallocation of Pro Rata Share; Amendments. For purposes of determining the Revolving Lenders' obligations to fund or acquire participations in Loans or Letters of Credit, the Administrative Agent may exclude the Commitments and Loans of any Defaulting Lender(s) from the calculation of Pro Rata Shares. A Defaulting Lender shall have no right to vote on any amendment, waiver or other modification of a Credit Document, except as provided in Section 13.12; *provided* that when a Defaulting Lender shall exist any such Defaulting Lender's Revolving Commitment shall be disregarded in any of such calculations to the extent that disregarding the applicable Revolving Commitments would not cause the Revolving Exposure of any Lender under any Subfacility to exceed the amount of such Lender's Revolving Commitment under such Subfacility.

(b) Payments; Fees. The Administrative Agent may, in its discretion, receive and retain any amounts payable to a Defaulting Lender under the Credit Documents, and a Defaulting Lender shall be deemed to have assigned to the Administrative Agent such amounts until all Obligations owing to the Administrative Agent, Non-Defaulting Lenders and other Secured Creditors have been paid in full. The Administrative Agent may apply such amounts to the Defaulting Lender's defaulted obligations, use the funds to Cash Collateralize such Lender's Fronting Exposure, or readvance the amounts to the Borrowers hereunder. A Lender shall not be entitled to receive any fees accruing hereunder during the period in which it is a Defaulting Lender, and the unfunded portion of its Commitment shall be disregarded for purposes of calculating the Unused Line Fee under Section 4.01(b). To the extent any LC Obligations owing to a Defaulting Lender are reallocated to other Lenders, LC Participation Fees attributable to such LC Obligations under Section 2.04 shall be paid to such other Lenders. The Administrative Agent shall be paid all LC Participation Fees attributable to LC Obligations that are not so reallocated.

(c) Cure. The Lead Borrower, Administrative Agent and applicable Issuing Bank may agree in writing that a Lender is no longer a Defaulting Lender. At such time, Pro Rata Shares shall be reallocated without exclusion of such Lender's Commitments and Loans, and all outstanding Loans, LC Obligations and other exposures under the Commitments shall be reallocated among Lenders and settled by the Administrative Agent (with appropriate payments by the reinstated Lender) in accordance with the readjusted Pro Rata Shares. Unless expressly agreed by the Lead Borrower, Administrative Agent and applicable Issuing Bank, no reinstatement of a Defaulting Lender shall constitute a waiver or release of claims against such Lender. The failure of any Lender to fund a Loan, to make a payment in respect of LC Obligations or otherwise to perform its obligations hereunder shall not relieve any other Lender of its obligations, and no Lender shall be responsible for default by another Lender.

2.13 Swingline Loans.

(a) Swingline Commitment. Subject to the terms and conditions set forth herein, the Swingline Lender may, but shall not be obligated to, make Swingline Loans to the U.S. Borrowers from time to time during the Revolving Availability Period, in an aggregate principal amount at any time outstanding that will not result in (i) the aggregate principal amount of outstanding Swingline Loans exceeding $400,000,000 or (ii) the U.S. Revolving Exposures plus the aggregate principal amount of outstanding Term Loans exceeding the U.S. Line Cap; *provided* that no Swingline Lender shall be required to make a Swingline Loan to refinance an outstanding Swingline Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the applicable U.S. Borrowers may borrow, repay and reborrow Swingline Loans.

(b) Swingline Loans. To request a Swingline Loan, the Lead Borrower shall notify the Administrative Agent of such request by electronic mail service, not later than 2:00 p.m., New York City time, on the day of a proposed Swingline Loan. Each such notice shall be irrevocable and specify the requested date (which shall be a Business Day) and amount of the requested Swingline Loan. The Administrative Agent will promptly advise the Swingline Lender of any such notice received from a U.S. Borrower requesting a Swingline Loan. The Swingline Lender shall make each Swingline Loan available to the applicable U.S. Borrower by means of a credit to the general deposit account of such U.S. Borrower, with the Swingline Lender (or, in the case of a Swingline Loan made to finance the reimbursement of an LC Disbursement as provided in Section 2.14(e), by remittance to the applicable Issuing Banks) by 5:00 p.m., New York City time (in the case of Swingline Loans) on the requested date of such Swingline Loan. No U.S. Borrower shall request a Swingline Loan if at the time of and immediately after giving effect to such request a Default has occurred and is continuing. Swingline Loans shall be made in minimum amounts of $100,000.

(c) Prepayment. The applicable U.S. Borrower shall have the right at any time and from time to time to repay, without premium or penalty, any Swingline Loan, in whole or in part, upon giving written notice or notice via electronic mail service to the Swingline Lender and to the Administrative Agent before 4:00 p.m., New York City time on the date of repayment at the Swingline Lender's address for notices specified in such Swingline Lender's administrative questionnaire. All principal payments of Swingline Loans shall be accompanied by accrued interest on the principal amount being repaid to the date of payment.

(d) Participations. The Swingline Lender may by written notice given to the Administrative Agent not later than 4:00 p.m., New York City time, on any Business Day require the Revolving Lenders under the U.S. Subfacility to acquire participations on such Business Day in all or a portion of the Swingline Loans outstanding. Such notice shall specify the aggregate amount of Swingline Loans in which such Revolving Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to such Revolving Lender, specifying in such notice such Revolving Lender's Pro Rata Percentage of such Swingline Loan or Revolving Loans. Each Revolving Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above, severally but not jointly, to pay to the Administrative Agent, for the account of the Swingline Lender, such Revolving Lender's Pro Rata Percentage of such Swingline Loan or Revolving Loans. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of the Aggregate Revolving Commitments or whether an Overadvance exists or is created thereby, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever (*provided* that such payment shall not cause such Revolving Lender's Revolving Exposure to exceed such Revolving Lender's Revolving Commitment). Each Revolving Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.01(i) with respect to Revolving Loans made by such Revolving Lender (andSection 2.01 shall apply, *mutatis mutandis*, to the payment obligations of the Revolving Lenders), and the Administrative Agent shall promptly pay to the Swingline Lender the amounts so received by it from the Revolving Lenders. The Administrative Agent shall notify the Lead Borrower of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by any Swingline Lender from any U.S. Borrower in respect of a Swingline Loan after receipt by such Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the applicable Revolving Lenders that shall have made their payments pursuant to this paragraph and to such Swingline Lender, as their interests may appear. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve any U.S. Borrower of any default in the payment thereof.

(e) If the Revolving Maturity Date shall have occurred at a time when Extended Revolving Commitments are in effect, then on the Revolving Maturity Date all then outstanding Swingline Loans shall be repaid in full on such date (and there shall be no adjustment to the participations in such Swingline Loans as a result of the occurrence of such Revolving Maturity Date); *provided* that, if on the occurrence of the Revolving Maturity Date (after giving effect to any repayments of Revolving Loans and any reallocation of Letter of Credit participations as contemplated in Section 2.14(o)), there shall exist sufficient unutilized Extended Revolving Commitments so that the respective outstanding Swingline Loans could be incurred pursuant to the Extended Revolving Commitments which will remain in effect after the occurrence of the Revolving Maturity Date, then there shall be an automatic adjustment on such date of the participations in such Swingline Loans and same shall be deemed to have been incurred solely pursuant to the Extended Revolving Commitments and such Swingline Loans shall not be so required to be repaid in full on the Revolving Maturity Date.

2.14 Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein, the Lead Borrower may request the issuance of Letters of Credit in U.S. Dollars, Canadian Dollars, Euros, Pounds Sterling and Australian Dollars (or in one or more Alternative Currencies with respect to which issuance of Letters of Credit have been approved pursuant to Section 1.06) for any U.S. Borrower's account or the account of a Subsidiary of the Lead Borrower in a form reasonably acceptable to the Administrative Agent and the Issuing Bank, at any time and from time to time during the Revolving Availability Period (*provided* that a U.S. Borrower shall be a co-applicant with respect to each Letter of Credit issued for the account of or in favor of a Subsidiary). In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by a U.S. Borrower to, or entered into by any U.S. Borrower with, the applicable Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control. Notwithstanding anything to the contrary herein, the issuance of Letters of Credit by any Issuing Bank shall be subject to such Issuing Bank's customary procedures for issuing letters of credit.

(b) Request for Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit or the amendment, renewal or extension of an outstanding Letter of Credit, the Lead Borrower shall hand deliver (if arrangements for doing so been approved by the applicable Issuing Bank), telecopy or transmit by electronic communication (if arrangements for doing so have been approved by applicable Issuing Bank) a LC Request to the applicable Issuing Bank and the Administrative Agent not later than 1:00 p.m. on the third Business Day (or, in the case of any Letter of Credit denominated in an Alternative Currency, the fifth Business Day) preceding the requested date of issuance, amendment, renewal or extension (or such later date and time as is reasonably acceptable to the applicable Issuing Bank). A request for an initial issuance of a Letter of Credit shall specify in form and detail reasonably satisfactory to the applicable Issuing Bank: (i) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (ii) the amount and currency thereof; (iii) the expiry date thereof; (iv) the name and address of the beneficiary thereof; (v) the documents to be presented by such beneficiary in case of any drawing thereunder; (vi) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; and (vii) such other matters as the applicable Issuing Bank may reasonably require and shall attach the agreed form of the Letter of Credit. A request for an amendment, renewal or extension of any outstanding Letter of Credit shall specify in form and detail reasonably satisfactory to the applicable Issuing Bank, (w) the Letter of Credit to be amended, renewed or extended, (x) the proposed date of amendment, renewal or extension thereof (which shall be a Business Day), (y) the nature of the proposed amendment, renewal or extension and (z) such other matters as the applicable Issuing Bank may reasonably require. If requested by the applicable Issuing Bank, the applicable U.S. Borrower also shall submit a letter of credit application substantially on such Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if (A) the LC Exposure shall not exceed the LC Sublimit; *provided* that the LC Exposure solely with respect to documentary Letters of Credit shall not exceed the Documentary LC Sublimit, (B) the Availability Conditions are satisfied, (C) the LC Exposure of any Issuing Bank shall not exceed its LC Commitment **unless such Issuing Bank agrees in its sole discretion that its LC Exposure may exceed its LC Commitment**and (D) if a Defaulting Lender exists, either such Lender or the Lead Borrower has entered into arrangements reasonably satisfactory to the Administrative Agent and Issuing Bank to eliminate any Fronting Exposure associated with such Lender).

(c) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of the date which is one year after the date of the issuance of such Letter of Credit (or such other longer period of time as the Administrative Agent and the applicable Issuing Bank may agree and, in the case of any renewal or extension thereof, one (1) year after such renewal or extension) and, unless Cash Collateralized (in which case the expiry may extend no longer than twelve months after the Letter of Credit Expiration Date), the Letter of Credit Expiration Date. Each Letter of Credit may, upon the request of the Lead Borrower, include a provision whereby such Letter of Credit shall be renewed automatically for additional consecutive periods of twelve (12) months or less (but not beyond the date that is after the Letter of Credit Expiration Date, unless Cash Collateralized (in which case the expiry may extend no longer than twelve months after the Letter of Credit Expiration Date)) unless the applicable Issuing Bank notifies the beneficiary thereof at least thirty (30) days prior to the then-applicable expiration date that such Letter of Credit will not be renewed.

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the applicable Issuing Bank or the Revolving Lenders, the applicable Issuing Bank hereby grants to each Revolving Lender under the U.S. Subfacility, and each such Revolving Lender hereby acquires from such Issuing Bank, severally but not jointly, a participation in such Letter of Credit equal to such Revolving Lender's Pro Rata Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender under the U.S. Subfacility hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the applicable Issuing Bank, such Revolving Lender's Pro Rata Percentage of each LC Disbursement made by the applicable Issuing Bank and not reimbursed by the U.S. Borrowers on the date due as provided in paragraph (e) of this Section 2.14, or of any reimbursement payment required to be refunded to the U.S. Borrowers for any reason. Each applicable Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Aggregate Revolving Commitments or whether or not an Overadvance exists or is created thereby, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) Reimbursement. If any Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the U.S. Borrowers under the U.S. Subfacility shall reimburse such LC Disbursement by paying to the applicable Issuing Bank an amount equal to such LC Disbursement not later than (x) in the case of reimbursement in Dollars under the U.S. Subfacility, 2:00 p.m., New York City time, on the Business Day after receiving notice from such Issuing Bank of such LC Disbursement or (y) in the case of reimbursement in an Alternative Currency, the Applicable Time specified by the Administrative Agent on the Business Day after receiving notice from such Issuing Bank of such LC Disbursement; *provided* that, whether or not the Lead Borrower submits a Notice of Borrowing, the applicable U.S. Borrower shall be deemed to have requested (except to the extent such Borrower makes payment to reimburse such LC Disbursement when due) a Revolving Borrowing of Base Rate Loans (in the case of LC Disbursements denominated in Dollars), EURIBOR Rate Loans with an Interest Period of one month (in the case of LC Disbursements denominated in Euros), Canadian Prime Rate Loans (in the case of LC Disbursements denominated in Canadian Dollars), BBSY Loans with an Interest Period of one month (in the case of LC Disbursements denominated in Australian Dollars) and RFR Loans (in the case of LC Disbursements denominated in Pounds Sterling), in each case, in an amount necessary to reimburse such LC Disbursement. If such U.S. Borrower fails to make such payment when due, the applicable Issuing Bank shall notify the Administrative Agent and the Administrative Agent shall notify each Revolving Lender under the U.S. Subfacility of the applicable LC Disbursement, the payment then due from such U.S. Borrower in respect thereof and such Lender's Pro Rata Percentage thereof. Promptly following receipt of such notice, each such Revolving Lender shall, severally but not jointly, pay to the Administrative Agent its Pro Rata Percentage of the unreimbursed LC Disbursement (in Dollars, if the applicable Letter of Credit was denominated in Dollars, or in the applicable Alternative Currency, if the applicable Letter of Credit was denominated in an Alternative Currency) in the same manner as provided in Section 2.01(l) with respect to Revolving Loans made by such Revolving Lender, and the Administrative Agent shall promptly pay to the applicable Issuing Bank the amounts so received by it from such Revolving Lenders. In the case of a Letter of Credit denominated in an Alternative Currency, the applicable U.S. Borrower shall reimburse the applicable Issuing Bank in such Alternative Currency, unless (A) such Issuing Bank (at its option) shall have specified in such notice that it will require reimbursement in U.S. Dollars, or (B) in the absence of any such requirement for reimbursement in Dollars, the applicable U.S. Borrower shall have notified such Issuing Bank promptly following receipt of the notice of drawing that such U.S. Borrower will reimburse such Issuing Bank in U.S. Dollars. In the case of any such reimbursement in Dollars of a drawing under a Letter of Credit denominated in an Alternative Currency, the applicable Issuing Bank shall notify the applicable U.S. Borrower of the Dollar Equivalent amount of the drawing promptly following the determination thereof. Promptly following receipt by the Administrative Agent of any payment from the U.S. Borrowers pursuant to this paragraph, the Administrative Agent shall distribute such payment to the applicable Issuing Bank. Any payment made by a Revolving Lender pursuant to this paragraph to reimburse an Issuing Bank for any LC Disbursement (other than the funding of Revolving Loans as contemplated above) shall not constitute a Revolving Loan and shall not relieve any U.S. Borrower of its obligation to reimburse such LC Disbursement. In the event that (A) a drawing denominated in an Alternative Currency is to be reimbursed in U.S. Dollars pursuant to the third sentence in this Section 2.14(e) and (B) the Dollar amount paid by the U.S. Borrowers shall not be adequate on the date of that payment to purchase in accordance with normal banking procedures a sum denominated in the Alternative Currency equal to the drawing, the U.S. Borrowers under the U.S. Subfacility agree, as a separate and independent obligation, to indemnify the applicable Issuing Bank for the loss resulting from its inability on that date to purchase the Alternative Currency in the full amount of the drawing.

(f) Obligations Absolute.

(i) Subject to the limitations set forth below, the obligation of the applicable Borrowers to reimburse LC Disbursements as provided in paragraph (e) of this Section 2.14 shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by any Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not strictly comply with the terms of such Letter of Credit, (iv) the existence of any claim, setoff, defense or other right which any Borrower may have at any time against a beneficiary of any Letter of Credit, (v) any adverse change in the relevant exchange rates or in the availability of the relevant Alternative Currency to the Lead Borrower or any Subsidiary or in the relevant currency markets generally or (vi) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.14, constitute a legal or equitable discharge

of, or provide a right of setoff against, the obligations of the Borrowers hereunder; provided that the Borrowers shall have no obligation to reimburse any Issuing Bank to the extent that such payment was made in error due to the gross negligence, bad faith, or willful misconduct of such Issuing Bank (as determined by a court of competent jurisdiction or another independent tribunal having jurisdiction). Neither the Administrative Agent, the Lenders nor any Issuing Bank, nor any of their Affiliates, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of any Issuing Bank; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to the Borrowers to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by each Borrower to the extent permitted by applicable law) suffered by the Borrowers that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence, willful misconduct, or bad faith on the part of any Issuing Bank (as determined by a court of competent jurisdiction or another independent tribunal having jurisdiction), each Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, each Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(ii) No Issuing Bank assumes any responsibility for any failure or delay in performance or any breach by any Borrower or other Person of any obligations under any LC Document. No Issuing Bank makes to the Lenders any express or implied warranty, representation or guaranty with respect to the Collateral, such documents or any Credit Party. No Issuing Bank shall be responsible to any Lender for any recitals, statements, information, representations or warranties contained in, or for the execution, validity, genuineness, effectiveness or enforceability of any LC Document; the validity, genuineness, enforceability, collectability, value or sufficiency of any Collateral or the perfection of any Lien therein; or the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any Credit Party.

(iii) No Issuing Bank or any of its Affiliates, and their respective officers, directors, employees, agents and investment advisors shall be liable to any Lender or other Person for any action taken or omitted to be taken in connection with any LC Documents except as a result of its actual gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final nonappealable judgment. No Issuing Bank shall have any liability to any Lender if such Issuing Bank refrains from any action under any Letter of Credit or such LC Documents until it receives written instructions from the Required Revolving Lenders.

(g) Disbursement Procedures. Each Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Such Issuing Bank shall promptly notify the Administrative Agent and the Lead Borrower by telephone (confirmed by telecopy) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; *provided* that any failure to give or delay in giving such notice shall not relieve any Borrower of its obligation to reimburse such Issuing Bank and the Lenders with respect to any such LC Disbursement (other than with respect to the timing of such reimbursement obligation set forth in Section 2.14(e)).

(h) Interim Interest. If any Issuing Bank shall make any LC Disbursement, then, unless the applicable Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that such Borrower reimburses such LC Disbursement, at the rate per annum then applicable to Base Rate Loans; *provided* that, if such Borrower fails to reimburse such LC Disbursement when due pursuant to paragraph (e) of thisSection 2.14, then Section 2.08(h) shall apply. Interest accrued pursuant to this paragraph shall be for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Lender pursuant to paragraph (e) of this Section 2.14 to reimburse such Issuing Bank shall be for the account of such Lender to the extent of such payment.

(i) Resignation or Removal of any Issuing Bank. Any Issuing Bank may resign as Issuing Bank hereunder at any time upon at least 30 days' prior written notice to the Revolving Lenders, the Administrative Agent and the Lead Borrower. Any Issuing Bank may be replaced at any time by agreement between the Lead Borrower and the Administrative Agent; *provided* that so long as no Event of Default has occurred and is continuing under Section 11.01 or 11.05, such successor Issuing Bank shall be reasonably acceptable to Lead Borrower. One or more Revolving Lenders may be appointed as additional Issuing Banks in accordance with subsection (k) below. The Administrative Agent shall notify the Revolving Lenders of any such replacement of such Issuing Bank or any such additional Issuing Bank. At the time any such resignation or replacement shall become effective, the Lead Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 4.01(d). From and after the effective date of any such resignation or replacement or addition, as applicable, (i) the successor or additional Issuing Bank shall have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or such addition or to any previous Issuing Bank, or to such successor or such additional Issuing Bank and all previous Issuing Banks, as the context shall require. After the resignation or replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such resignation or replacement, but shall not be required to issue additional Letters of Credit. If at any time there is more than one Issuing Bank hereunder, the Lead Borrower may, in its discretion, select which Issuing Bank is to issue any particular Letter of Credit.

(j) Cash Collateralization.

(i) If any Specified Event of Default shall occur and be continuing, on the Business Day after Lead Borrower receives notice from the Administrative Agent (acting at the request of the Required Revolving Lenders) demanding the deposit of Cash Collateral pursuant to this paragraph, the Lead Borrower shall deposit in the LC Collateral Account, in the name of the Administrative Agent and for the benefit of the Secured Creditors, an amount in cash equal to 102.00% of the LC Exposure as of such date. Each such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Lead Borrower under this Agreement, but shall be immediately released and returned to the Lead Borrower (in no event later than two (2) Business Days) once all Specified Events of Default are cured or waived. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made only in Cash Equivalents and at the direction of the Lead Borrower and at the Lead Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse the Issuing Banks for LC Disbursements for which they have not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Lead Borrower for the LC Exposure at such time or, if the maturity of the Revolving Loans has been accelerated (but subject to the consent of Revolving Lenders with LC Exposure representing greater than 50% of the total LC Exposure), be applied to satisfy other Obligations of the Lead Borrower.

(ii) The Lead Borrower shall, on demand by an Issuing Bank or the Administrative Agent from time to time, Cash Collateralize the Fronting Exposure associated with any Defaulting Lender.

(k) Additional Issuing Banks. The Lead Borrower may, at any time and from time to time with the consent of the Administrative Agent (which consent shall not be unreasonably withheld, delayed or conditioned) and such Revolving Lender, designate one or more additional Revolving Lenders to act as an issuing bank under the terms of this Agreement. Any Revolving Lender designated as an issuing bank pursuant to this paragraph (k) shall be deemed (in addition to being a Revolving Lender) to be an Issuing Bank with respect to Letters of Credit issued or to be issued by such Revolving Lender, and all references herein and in the other Credit Documents to the term "Issuing Bank" shall, with respect to such Letters of Credit, be deemed to refer to such Revolving Lender in its capacity as Issuing Bank, as the context shall require.

(l) No Issuing Bank shall be under an obligation to issue any Letter of Credit if:

(i) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing such Letter of Credit, or any law applicable to such Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit, or request that such Issuing Bank refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Bank with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which such Issuing Bank in good faith deems material to it; or

(ii) the issuance of such Letter of Credit would violate one or more policies of such Issuing Bank.

(m) No Issuing Bank shall be under an obligation to amend any Letter of Credit if (i) such Issuing Bank would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or (ii) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(n) LC Collateral Account.

(i) The Administrative Agent is hereby authorized to establish and maintain at the Notice Office, in the name of the Administrative Agent and pursuant to a dominion and control agreement, a restricted deposit account designated the "Lead Borrower LC Collateral Account" (or such sub-accounts as the Administrative Agent may require for purposes of administration or collateral separation or otherwise). Each Credit Party shall deposit into the LC Collateral Account from time to time the Cash Collateral required to be deposited under clause (j) above.

(ii) The balance from time to time in such LC Collateral Account shall constitute part of the Collateral and shall not constitute payment of the Obligations until applied as hereinafter provided. Notwithstanding any other provision hereof to the contrary, all amounts held in the LC Collateral Account shall constitute collateral security first for the liabilities in respect of Letters of Credit outstanding from time to time and second for the other Obligations hereunder until such time as all Letters of Credit shall have been terminated and all of the liabilities in respect of Letters of Credit have been paid in full. All funds in the "Lead Borrower LC Collateral Account" may be invested in accordance with the provisions of clause (j) above.

(o) Extended Commitments. If the Maturity Date shall have occurred at a time when Extended Revolving Commitments are in effect, then (i) such Letters of Credit shall automatically be deemed to have been issued (including for purposes of the obligations of the Revolving Lenders to purchase participations therein and to make payments in respect thereof pursuant to Sections 2.14(d) and (e)) under (and ratably participated in by Revolving Lenders) the Extended Revolving Commitments under the applicable Subfacility, if any, up to an aggregate amount not to exceed the aggregate principal amount of the unutilized Extended Revolving Commitments under such Subfacility at such time (it being understood that no partial face amount of any Letter of Credit may be so reallocated) and (ii) to the extent not reallocated pursuant to the immediately preceding clause (i), the U.S. Borrowers shall Cash Collateralize any such Letter of Credit in accordance with Section 2.14(j). Except to the extent of reallocations of participations pursuant to the prior sentence, the occurrence of the Maturity Date with respect to Existing Revolving Loans shall have no effect upon (and shall not diminish) the percentage participations of the Revolving Lenders of Extended Revolving Loans in any Letter of Credit issued before the Maturity Date.

2.15 Settlement Amongst Lenders.

(a) Each Swingline Lender may, at any time (but the Swingline Lender, in any event, shall weekly), on behalf of the Lead Borrower (which hereby authorizes the Swingline Lender to act on its behalf in that regard) request the Administrative Agent to cause the relevant Lenders to make a Revolving Loan (which shall be a Base Rate Loan) in an amount equal to such Lender's Pro Rata Percentage of the Outstanding Amount of Swingline Loans under the U.S. Subfacility, which request may be made regardless of whether the conditions set forth in Section 7 have been satisfied; *provided* that, with respect to Swingline Loans, such Lender's Pro Rata Percentage shall be determined as a proportion of the U.S. Subfacility. Upon such request, each such Revolving Lender shall make available to the Administrative Agent the proceeds of such Revolving Loans for the account of the Swingline Lender. If such Swingline Lender requires such a Revolving Loan to be made by the Lenders and the request therefor is received prior to 12:00 Noon on a Business Day, such transfers shall be made in immediately available funds no later than 3:00 p.m. that day; and, if the request therefor is received after 12:00 Noon, then no later than 3:00 p.m. on the next Business Day. The obligation of each such Revolving Lender to transfer such funds is irrevocable, unconditional and without recourse to or warranty by the Administrative Agent or any Swingline Lender. If and to the extent any such Revolving Lender shall not have so made its transfer to the Administrative Agent, such Revolving Lender agrees to pay to the Administrative Agent, forthwith on demand, such amount, together with interest thereon, for each day from such date until the date such amount is paid to the Administrative Agent, at the Federal Funds Effective Rate.

(b) The amount of each Lender's Pro Rata Percentage of outstanding Revolving Loans (including outstanding Swingline Loans) under the relevant Subfacility shall be computed weekly (or more frequently in the Administrative Agent's discretion) and shall be adjusted upward or downward based on all Revolving Loans (including Swingline Loans) under such Subfacility and repayments of Revolving Loans (including Swingline Loans) under such Subfacility received by the Administrative Agent as of 3:00 p.m. on the first Business Day (such date, the "Settlement Date") following the end of the period specified by the Administrative Agent.

(c) The Administrative Agent shall deliver to each of the Revolving Lenders promptly after a Settlement Date a summary statement of the amount of outstanding Revolving Loans (including Swingline Loans) under the relevant Subfacility for the period and the amount of repayments received for the period. As reflected on the summary statement, (i) the Administrative Agent shall transfer to each applicable Revolving Lender its applicable Pro Rata Percentage of applicable repayments, and (ii) each Revolving Lender shall transfer to the Administrative Agent (as provided below) or the Administrative Agent shall transfer to each Revolving Lender, such amounts as are necessary to insure that, after giving effect to all such transfers, the amount of Revolving Loans made by each Revolving Lender under any applicable Subfacility with respect to Revolving Loans under such Subfacility to the Borrowers (including Swingline Loans) shall be equal to such Lender's applicable Pro Rata Percentage under such Subfacility of Revolving Loans (including Swingline Loans) outstanding as of such Settlement Date. If the summary statement requires transfers to be made to the Administrative Agent by the Revolving Lenders and is received prior to 12:00 Noon on a Business Day, such transfers shall be made in immediately available funds no later than 3:00 p.m. that day; and, if received after 12:00 Noon, then no later than 3:00 p.m. on the next Business Day. The obligation of each Revolving Lender to transfer such funds is irrevocable, unconditional and without recourse to or warranty by the Administrative Agent. If and to the extent any Revolving Lender shall not have so made its transfer to the Administrative Agent, such Revolving Lender agrees to pay to the Administrative Agent, forthwith on demand such amount, together with interest thereon, for each day from such date until the date such amount is paid to the Administrative Agent, at the Federal Funds Effective Rate.

2.16 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, any Lender or Issuing Bank (except any such reserve requirement reflected in the Adjusted EURIBOR Rate or any other interest rate benchmark);

(ii) impose on any Lender, Issuing Bank or the applicable offshore interbank market for the applicable Agreed Currency any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or Letters of Credit issued by such Issuing Bank; or

(iii) subject any Lender, Issuing Bank or the Administrative Agent to any Taxes (other than (A) Indemnified Taxes, (B) Excluded Taxes or (C) Other Taxes) with respect to its loans, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender, Issuing Bank or the Administrative Agent of making, continuing, converting or maintaining any Loan (or of maintaining its obligation to make any such Loan) or issuing or participating in any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender, Issuing Bank or the Administrative Agent hereunder (whether of principal, interest or otherwise), then the Borrowers in respect of the applicable Subfacility or Term Loans will pay to such Lender, Issuing Bank or the Administrative Agent, as the case may be, such additional amount or amounts as will compensate such Lender, Issuing Bank or the Administrative Agent, as the case may be, for such additional costs incurred or reduction suffered.

(b) If any Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity), then from time to time the Borrowers in respect of the applicable Subfacility or Term Loans will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender or the Administrative Agent setting forth the amount or amounts necessary to compensate such Lender or the Administrative Agent or its holding company, as the case may be, as specified in clause (b) or (c) of this Section 2.16, and certifying that it is the general practice and policy of such Lender to demand such compensation from similarly situated borrowers in similar circumstances at such time to the extent it is legally permitted to do so, shall be delivered to the Lead Borrower and shall be conclusive absent manifest error. The applicable Borrowers shall pay such Lender or the Administrative Agent, as the case may be, the amount shown as due on any such certificate within 10 Business Days after receipt thereof.

(d) Failure or delay on the part of any Lender, any Issuing Bank or the Administrative Agent to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's, Issuing Bank's or the Administrative Agent's right to demand such compensation; provided that the Borrowers shall not be required to compensate a Lender, an Issuing Bank or the Administrative Agent pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or Issuing Bank or the Administrative Agent, as the case may be, notifies the Lead Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or Issuing Bank's or the Administrative Agent's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

2.17 Compensation.

(a) The applicable Borrowers agree, jointly and severally, to compensate each Lender, upon its written request (which request shall set forth in reasonable detail the basis for requesting such compensation and the calculation of the amount of such compensation; it being understood that no Lender shall be required to disclose (i) any confidential or price sensitive information or (ii) any other information, to the extent prohibited by any Requirement of Law), for all losses, expenses and liabilities (including, without limitation, any loss, expense or liability incurred by reason of the liquidation or reemployment of deposits or other funds required by such Lender to fund its Term Benchmark Loans but excluding loss of anticipated profits (and without giving effect to the minimum "Term SOFR Rate" or similar minimum)) which such Lender may sustain: (i) if for any reason (other than a default by such Lender or the Administrative Agent) a Borrowing of, or conversion from or into, Term Benchmark Loans does not occur on a date specified therefor in a Notice of Borrowing or Notice of Conversion/Continuation; (ii) if any prepayment or repayment (including any prepayment or repayment or termination or reduction of Commitments made pursuant to Section 5.01, Section 5.02, Section 4.03 or as a result of an acceleration of the Loans pursuant to Section 11) or conversion of any of its Term Benchmark Loans occurs on a date which is not the last day of an Interest Period with respect thereto; (iii) if any prepayment of any Term Benchmark Loans is not made on any date specified in a Notice of Loan Prepayment given by the Lead Borrower; or (iv) as a consequence of any other default by any Borrower to repay its Term Benchmark Loans when required by the terms of this Agreement or any Note held by such Lender.

2.18 Change of Lending Office. Each Lender agrees that on the occurrence of any event giving rise to the operation of Section 2.16(a), (b) or (c) or Section 5.05 with respect to such Lender, it will, if requested by the Lead Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event; *provided* that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of such Section. Nothing in this Section 2.18 shall affect or postpone any of the obligations of Borrower or the right of any Lender provided in Sections 2.16 and 5.05.

2.19 Replacement of Lenders. (x) If any Lender becomes a Defaulting Lender, (y) upon the occurrence of an event giving rise to the operation of Section 2.16(a), (b) or (c) or Section 5.05 with respect to such Lender or (z) in the case of a refusal by a Lender to consent to proposed changes, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders, Required Revolving Lenders or Required Term Lenders, as applicable, as (and to the extent) provided in Section 13.12(b), the Lead Borrower shall have the right to replace such Lender (the "Replaced Lender") with one or more other Eligible Transferees, none of whom shall constitute a Defaulting Lender at the time of such replacement (collectively, the "Replacement Lender") and each of whom shall be required to be reasonably acceptable to the Administrative Agent and each Issuing Bank (to the extent the Administrative Agent's and such Issuing Bank's consent would be required for an assignment to such Replacement Lender pursuant to Section 13.04); *provided* that (i) at the time of any replacement pursuant to this Section 2.19, the Replacement Lender shall enter into one or more Assignment and Assumptions pursuant to Section 13.04(b) (and with all fees payable pursuant to said Section 13.04(b) to be paid by the Replacement Lender and/or the Replaced Lender (as may be agreed to at such time by and among the Lead Borrower, the Replacement Lender and the Replaced Lender)) pursuant to which the Replacement Lender shall acquire all of the Commitments and outstanding Loans of the Replaced Lender and, in connection therewith, shall pay to (x) the Replaced Lender in respect thereof an amount equal to the sum of (I) an amount equal to the principal of, and all accrued interest on, all outstanding Loans of the respective Replaced Lender under each Tranche or Class with respect to which such Replaced Lender is being replaced and (II) an amount equal to all accrued, but theretofore unpaid, Fees owing to the Replaced Lender pursuant to Section 4.01, (ii) all obligations of the Borrowers due and owing to the Replaced Lender at such time (other than those specifically described in clause (i) above in respect of which the assignment purchase price has been, or is concurrently being, paid) shall be paid in full to such Replaced Lender concurrently with such replacement. Upon receipt by the Replaced Lender of all amounts required to be paid to it pursuant to this Section 2.19, the Administrative Agent shall be entitled (but not obligated) and authorized to execute an Assignment and Assumption on behalf of such Replaced Lender, and any such Assignment and Assumption so executed by the Administrative Agent and the Replacement Lender shall be effective for purposes of this Section 2.19 and Section 13.04 and (iii) in the case of any assignment resulting from clause (y) above, such assignment will result in a reduction in such compensation or payments thereafter. Upon the execution of the respective Assignment and Assumption, the payment of amounts referred to in clauses (i) and (ii) above, recordation of the assignment on the Register pursuant to Section 13.04 and, if so requested by the Replacement Lender, delivery to the Replacement Lender of the appropriate Note or Notes executed by the applicable Borrower, the Replacement Lender shall become a Lender hereunder and the Replaced Lender shall cease to constitute a Lender hereunder, except with respect to indemnification provisions under this Agreement (including, without limitation, Sections 2.16, 2.17, 5.05, 12.07 and 13.01), which shall survive as to such Replaced Lender with respect to actions or occurrences prior to it ceasing to be a Lender hereunder.

2.20 Extended Term Loans and Extended Revolving Commitments.

(a) Notwithstanding anything to the contrary in this Agreement, subject to the terms of this Section 2.20, the Lead Borrower may at any time and from time to time request that all or a portion of any Tranche of Term Loans (each, an "Existing Term Loan Tranche") or any then-existing Revolving Commitments under any Subfacility (each, "Existing Revolving Commitments"), together with any related outstandings ("Existing Revolving Loans"), be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or any portion of such Existing Term Loan Tranche (any such Term Loans which have been so converted, "Extended Term Loans") or such Existing Revolving Commitments (and related Existing Revolving Loans) (any such Revolving Commitments which have been so converted, "Extended Revolving Commitments" and the related Revolving Loans, the "Extended Revolving Loans") and to provide for other terms consistent with this Section 2.20. In order to establish any Extended Term Loans or Extended Revolving Commitments, the Lead Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Term Lenders or each of the Revolving Lenders under the applicable Existing Term Loan Tranche or Existing Revolving Commitments, as applicable) (each, an "Extension Request") setting forth the proposed terms of the Extended Term Loans or Extended Revolving Commitments to be established, which shall (x) be identical as offered to each Term Lender under the relevant Existing Term Loan Tranche and/or be identical as offered to each Revolving Lender under the relevant Existing Revolving Commitments, as applicable (in each case, including as to the proposed interest rates and fees payable), and (y) have the same terms as the Existing Term Loan Tranche from which such Extended Term Loans are to be converted or the Revolving Loans under the relevant Existing Revolving Commitments from which the Extended Revolving Commitments are to be converted, as applicable, except that: (i) all or any of the scheduled amortization payments of principal of the Extended Term Loans may be delayed to later dates than the scheduled amortization payments of principal of the Term Loans of such Existing Term Loan Tranche to the extent provided in the applicable Extension Amendment; (ii) repayments of principal of any Revolving Loans under the Extended Revolving Commitments may be delayed to later dates than the Maturity Date applicable to the Existing Revolving Commitments; (iii) the Effective Yield with respect to the Extended Term Loans or the effective yield on the Extended Revolving Commitments (whether in the form of interest rate margin, upfront fees, original issue discount or otherwise) may be different than the Effective Yield for the Term Loans of such Existing Term Loan Tranche or the effective yield of such Existing Revolving Commitments, as applicable, to the extent provided in the applicable Extension Amendment; (iv) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the applicable Extension Amendment (immediately prior to the establishment of such Extended Term Loans or Extended Revolving Commitments) *provided*, *however*, that (A) in no event shall the final maturity date of any Revolving Loans incurred pursuant to the Extended Revolving Commitments at the time of establishment thereof be earlier than the then Latest Maturity Date of any other Revolving Loans hereunder that is in effect on the effective date of the Extension Amendment (immediately prior to the establishment of such Extended Revolving Commitments) and (B) the Weighted Average Life to Maturity of any Loans incurred pursuant to the Extended Revolving Commitments at the time of establishment thereof shall be no shorter than the remaining Weighted Average Life to Maturity of any other Revolving Loans then outstanding; (v) Extended Term Loans may have mandatory prepayment terms which provide for the application of proceeds from mandatory prepayment events to be made first to prepay the Term Loans under the Existing Term Loan Tranche from which such Extended Term Loans have been converted before applying any such proceeds to prepay such Extended Term Loans; (vi) Extended Term Loans may have optional prepayment terms (including call protection and terms which allow Term Loans under the relevant Existing Term Loan Tranche from which such Extended Term Loans have been converted to be optionally prepaid prior to the prepayment of such Extended Term Loans) as may be agreed by the Lead Borrower and the Lenders thereof; and (vii) such Extended Term Loans or Extended Revolving Commitments may have other terms (other than those described in the preceding clauses (i) through (vi)) that differ from those of the Existing Term Loan Tranche or Existing Revolving Commitments, in each case, taken as a whole, that are not materially more favorable to the Lenders providing such Extended Term Loans or Extended Revolving Commitments than the provisions applicable to the Existing Term Loan Tranche or Existing Revolving Commitments, as applicable, or as are otherwise reasonably satisfactory to the Administrative Agent. Any Extended Term Loans or Extended Revolving Commitments converted pursuant to any Extension Request shall be designated a series (each, an "Extension Series") of Extended Term Loans or Extended Revolving Commitments, as applicable, for all purposes of this Agreement; *provided* that, subject to the requirements set forth above, any Extended Term Loans converted from an Existing Term Loan Tranche or Extended Revolving Commitments converted from Existing Revolving Commitments may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Extension Series with respect to such Existing Term Loan Tranche or Existing Revolving Commitments, as applicable.

(b) With respect to any Extended Revolving Commitments, subject to the provisions of Sections 2.13(e) and 2.14(o), to the extent dealing with Swingline Loans and Letters of Credit which mature or expire after the Maturity Date applicable to the Existing Revolving Commitments, all Swingline Loans and Letters of Credit shall be participated in on a *pro rata* basis by all Lenders with Revolving Commitments and/or Extended Revolving Commitments in accordance with their Pro Rata Share of the Aggregate Revolving Commitments under each Extension Series of Extended Revolving Commitments of the applicable Subfacility (and, except as provided in Sections 2.13(e) and 2.14(o), without giving effect to changes thereto on such Maturity Date with respect to Swingline Loans and Letters of Credit theretofore incurred or issued) and all borrowings under the Aggregate Revolving Commitments and repayments thereunder shall be made on a *pro rata* basis (except for (x) payments of interest and fees at different rates on Extended Revolving Commitments (and related outstandings) and (y) repayments required upon any Maturity Date of any Revolving Commitments or Extended Revolving Commitments). Notwithstanding the foregoing, if provided in any Extension Amendment with respect to any Extended Revolving Commitments, and with the consent of each Issuing Bank, participations in Letters of Credit may be reallocated from lenders holding Existing Revolving Commitments to lenders holding such Extended Revolving Commitments or may be retained by the lenders holding such Existing Revolving Commitments in the manner specified in such Extension Amendment, including upon effectiveness of such Extended Revolving Commitment or upon or prior to the maturity date for any class of Revolving Commitments.

(c) The Lead Borrower shall provide the applicable Extension Request at least five (5) Business Days (or such shorter period as to which the Administrative Agent may consent) prior to the date on which Lenders under the Existing Term Loan Tranche or Existing Revolving Commitments of the applicable Subfacility are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.20. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Tranche converted into Extended Term Loans or of any Existing Revolving Commitments converted into Extended Revolving Commitments pursuant to any Extension Request. Any Lender (each, an "Extending Lender") wishing to have all or a portion of its Loans or Commitments subject to such Extension Request converted into Extended Term Loans or Extended Revolving Commitments, as applicable, shall notify the Administrative Agent (each, an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Term Loans under the Existing Term Loan Tranche or its Existing Revolving Commitments of the applicable Subfacility which it has elected to request be converted into Extended Term Loans or Extended Revolving Commitments, as applicable, (subject to any reasonable minimum denomination requirements imposed by the Administrative Agent). Any Lender that does not respond to the Extension Request on or prior to the date specified therein shall be deemed to have rejected such Extension Request. In the event that the aggregate principal amount of Term Loans under the applicable Existing Term Loan Tranche exceeds the amount of Extended Term Loans requested pursuant to such Extension Request, Term Loans of such Existing Term Loan Tranche subject to such Extension Elections shall either (i) be converted to Extended Term Loans of such Existing Term Loan Tranche on a *pro rata* basis based on the aggregate principal amount of Term Loans of such Existing Term Loan Tranche included in such Extension Elections, subject to such rounding requirements as may be established by the Administrative Agent or (ii) to the extent such option is expressly set forth in the applicable Extension Request, be converted to Extended Term Loans upon an increase in the amount of Extended Term Loans so that such excess does not exist. In the event that the aggregate principal amount of Existing Revolving Commitments subject to Extension Elections relating to a particular Extension Request exceeds the amount of Extended Revolving Commitments requested pursuant to such Extension Request, Revolving Commitments subject to such Extension Elections shall either (i) be converted to Extended Revolving Commitments on a *pro rata* basis based on the aggregate principal amount of Revolving Commitments included in each such Extension Elections or (ii) to the extent such option is expressly set forth in the respective Extension Request, the Lead Borrower shall have the option to increase the amount of Extended Revolving Commitments so that such excess does not exist.

(d) Extended Term Loans and Extended Revolving Commitments shall be established pursuant to an amendment (each, an "Extension Amendment") to this Agreement among the Lead Borrower, the Administrative Agent and each Extending Lender providing an Extended Term Loan or Extended Revolving Commitment thereunder, which shall be consistent with the provisions set forth in Section 2.20(a) above and each Issuing Bank (solely to the extent that such Extension Amendment would result in the extension of such Issuing Bank's obligations with respect to Letters of Credit) (but which shall not require the consent of any other Lender). The Administrative Agent shall promptly notify each relevant Lender as to the effectiveness of each Extension Amendment. After giving effect to the Extension, the Loans so extended shall cease to be a part of the Tranche or Class they were a part of immediately prior to the Extension.

(e) (i) Extensions consummated by the Lead Borrower pursuant to thisSection 2.20 shall not constitute voluntary or mandatory payments or prepayments for purposes of this Agreement and (ii) with respect to Extended Revolving Commitments, if the aggregate amount extended is less than (A) the LC Commitment, the LC Commitment shall be reduced upon the date that is five (5) Business Days prior to the Latest Maturity Date that is in effect on the effective date of the Extension Amendment immediately prior to the establishment of such Extended Revolving Commitments (to the extent needed so that the LC Commitment does not exceed the aggregate Revolving Commitment which would be in effect after the Maturity Date of the Existing Revolving Commitments), and, if applicable, the Borrowers shall Cash Collateralize obligations under any issued Letters of Credit in an amount equal to 102% of the stated amount of such Letters of Credit or (B) the Swingline Commitment, the Swingline Commitment shall be reduced upon the date that is five (5) Business Days prior to such Latest Maturity Date (to the extent needed so that the Swingline Commitment does not exceed the aggregate Revolving Commitment which would be in effect after such Latest Maturity Date), and, if applicable, the Borrowers shall prepay any outstanding Swingline Loans. The Administrative Agent and the Lenders hereby consent to each Extension and Extension Amendment and the other transactions contemplated by this Section 2.20 (including, for the avoidance of doubt, payment of any interest or fees in respect of any Extended Term Loans or Extended Revolving Commitments (and related outstandings) on such terms as may be set forth in the applicable Extension Request) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02, 5.03, 13.02 or 13.06) or any other Credit Document that may otherwise prohibit any Extension Amendment or any other transaction contemplated by this Section 2.20; *provided* that such consent shall not be deemed to be an acceptance of any Extension Request.

(f) Each of the parties hereto hereby agrees that this Agreement and the other Credit Documents may be amended pursuant to an Extension Amendment, without the consent of any other Lenders, to the extent (but only to the extent) reasonably necessary to (i) reflect the existence and terms of any Extended Term Loans or Extended Revolving Commitments incurred pursuant thereto, (ii) modify the scheduled repayments set forth in Section 5.02(a) with respect to any Existing Term Loan Tranche subject to an Extension Election to reflect a reduction in the principal amount of the Term Loans thereunder in an amount equal to the aggregate principal amount of the Extended Term Loans converted pursuant to the applicable Extension (with such amount to be applied ratably to reduce scheduled repayments of such Term Loans required pursuant to Section 5.02(a)), (iii) make such other changes to this Agreement and the other Credit Documents consistent with the provisions and intent of Section 13.12(e), (iv) establish new Tranches in respect of Term Loans so extended and tranches or sub-tranches in respect of Revolving Commitments so extended and, in each case, such technical amendments as may be necessary in connection with the establishment of such new Tranches, tranches or sub-tranches, as applicable, in each case, on terms consistent with this Section 2.20 and (v) effect such other amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Lead Borrower, to effect the provisions of this Section 2.20, and each Lender hereby expressly authorizes the Administrative Agent to enter into any such Extension Amendment.

2.21 Incremental Commitments.

(a) The Lead Borrower may at any time and from time to time request, by written notice, one or more Lenders (or one or more Eligible Transferees who will become Lenders) to provide an increase in Revolving Commitments under any Subfacility (a "Revolving Commitment Increase") or Incremental Term Loan Commitments (either as an increase to an existing Tranche of Term Loans or as a separate Tranche) (such Incremental Term Loan Commitments together with any Revolving Commitment Increase, "Incremental Commitments") (such Term Loans incurred in connection therewith, each, an "Incremental Term Loan" and, collectively, the "Incremental Term Loans" and, collectively with any Revolving Commitment Increase, each, an "Incremental Facility" and collectively, the "Incremental Facilities") to the applicable Borrowers and, subject to the terms and conditions contained in this Agreement and in the relevant Incremental Amendment, provide commitments and/or make Loans pursuant thereto; it being understood and agreed, however, that (i) (x) no Lender shall be obligated to provide an Incremental Facility as a result of any such request by the Lead Borrower and (y) no Issuing Bank or Swingline Lender shall be required to act in such capacity under the Revolving Commitment Increase without its prior written consent, (ii) any Lender

(including any Eligible Transferee who will become a Lender) may so provide an Incremental Facility without the consent of any other Lender, (iii) each Incremental Term Loan shall be denominated in Dollars, (iv) the amount of any Incremental Facility made available pursuant to a given Incremental Amendment shall be in a minimum aggregate amount for all Lenders which provide such Incremental Facility thereunder (including Eligible Transferees who will become Lenders) of at least $10,000,000, (v) other than with respect to any Incremental Term Loans established pursuant to Section 2.21(d), the aggregate principal amount of any Loan or Commitment, as applicable, pursuant to an Incremental Facility on the date of the incurrence thereof shall not exceed, when taken together with any incurrence of Permitted Pari Passu Notes, Permitted Pari Passu Loans or Permitted Junior Debt pursuant to Section 10.04(xxvii) on such date, the then-remaining Incremental Amount as of the date of incurrence, (vi) the proceeds of all Incremental Facilities incurred by the applicable Borrowers may be used for any purpose not prohibited under this Agreement, (vii) the Lead Borrower shall specifically designate, in consultation with the Administrative Agent, any Tranche of the Incremental Term Loan Commitments being provided thereunder (which Tranche shall be a new Tranche (i.e., not the same as any existing Tranche of Incremental Term Loans, Incremental Term Loan Commitments or other Term Loans), unless the requirements of Section 2.21(c) are satisfied), which designation shall be set forth in the applicable Incremental Amendment, (viii) if to be incurred as a new Tranche of Incremental Term Loans, such Incremental Term Loans shall have the same terms as each other Tranche of Term Loans as in effect immediately prior to the effectiveness of the relevant Incremental Amendment, except as to purpose (which is subject to the requirements of the preceding clause (vi)) and optional prepayment provisions and mandatory prepayment provisions (which are governed by Sections 5.01 and 5.02; *provided* that each new Tranche of Incremental Term Loans shall be entitled to share in mandatory prepayments on a ratable basis with the other Tranches of Term Loans (unless the holders of the Incremental Term Loans of any Tranche agree to take a lesser share of any such prepayments)); *provided*, *however*, that (I) the maturity and amortization of such Tranche of Incremental Term Loans may differ, so long as such Tranche of Incremental Term Loans shall have (a) a Maturity Date of no earlier than the Latest Maturity Date of any outstanding Term Loans as of the date such Indebtedness was incurred and (b) a Weighted Average Life to Maturity of no less than the Weighted Average Life to Maturity as then in effect for the Tranche of then outstanding Term Loans with the then longest Weighted Average Life to Maturity; *provided*, *however*, that Extendable Bridge Loans may have a maturity date earlier than the Latest Maturity Date of all then outstanding Term Loans and the Weighted Average Life to Maturity thereof may be shorter than the then longest remaining Weighted Average Life to Maturity of any then outstanding Term Loans, (II) the Effective Yield applicable to such Tranche of Incremental Term Loans may differ from that applicable to the then outstanding Tranches of Term Loans, with the Effective Yield applicable thereto to be specified in the respective Incremental Amendment; *provided*, *however*, that, solely with respect to any syndicated Incremental Term Loan incurred on or prior to the date that is twenty-four months after the Closing Date, as applicable, if the Effective Yield for any such Incremental Term Loans exceeds the Effective Yield then applicable to any then outstanding Initial Term Loans by more than 0.50% *per annum*, the Applicable Margins for such then outstanding Initial Term Loans shall be increased as of such date (in accordance with the requirements of the definition of "Applicable Margin") so that the difference between the Effective Yield with respect to such new Incremental Term Loans and the corresponding Effective Yield on such then outstanding Initial Term Loans is equal to 0.50% (the "MFN Pricing Test"); and (III) such Tranche of Incremental Term Loans may have other terms (other than those described in preceding clauses (I) and (II)) that may differ from those of other Tranches of Term Loans (including, without limitation, as to the application of optional or voluntary prepayments among the Incremental Term Loans and the existing Term Loans), in each case, taken as a whole, that are not materially more favorable to the lenders providing such Incremental Term Loans than the provisions applicable to the existing Term Loans or as are reasonably satisfactory to the Administrative Agent, (ix) with respect to any Subfacility, the terms and provisions of any Revolving Commitment Increase with respect to such Subfacility shall be identical to the terms and provisions in effect at such time with respect to the existing Revolving Loans and the existing Revolving Commitments with respect to such Subfacility, and, for purposes of this Agreement and the other Credit Documents, all Revolving Loans made under the Revolving Commitment Increase with respect to such Subfacility shall be deemed to be Revolving Loans under such Subfacility of the same Class as any Revolving Loans under such Subfacility made pursuant to the Revolving Commitments under such Subfacility that first became available on the Closing Date (including, without limitation, the following: (A) the rate of interest applicable to the Revolving Commitment Increase with respect to a Subfacility shall be the same as the rate of interest applicable to the existing Revolving Loans under such Subfacility, (B) unused line fees applicable to the Revolving Commitment Increase with respect to a Subfacility shall be calculated using the same Commitment Fee Rate applicable to the existing Revolving Commitments under such Subfacility, (C) the Revolving Commitment Increase with respect to a Subfacility shall share ratably in any mandatory prepayments of the existing Revolving Loans under such Subfacility, (D) after giving effect to any Revolving Commitment Increase with respect to a Subfacility, in the event that there is any subsequent reduction in the Revolving

Commitments under such Subfacility, the Revolving Commitments under such Subfacility shall be reduced based on each Lender's Pro Rata Percentage (without regard to whether such Revolving Commitments related to the Revolving Commitment Increase or related to Revolving Commitments that first became available on the Closing Date), (E) the Revolving Commitment Increase and Revolving Loans related thereto shall rank *pari passu* in right of payment and security with the existing Revolving Commitments that first became available on the Closing Date and the Revolving Loans related thereto, (F) in no event shall the final maturity date of any Revolving Loans under a Revolving Commitment Increase at the time of establishment thereof be earlier than the Latest Maturity Date with respect to the Revolving Loans that is in effect on the effective date of the Revolving Commitment Increase (immediately prior to the establishment of such Revolving Commitment Increase), (G) the Revolving Commitment Increase shall require no scheduled amortization or mandatory commitment reduction prior to the Latest Maturity Date with respect to the Revolving Loans that is in effect on the effective date of the Revolving Commitment Increase (immediately prior to the establishment of such Revolving Commitment Increase) and (H) after giving effect to such Revolving Commitment Increases, the Pro Rata Percentage of the Revolving Commitments of each Revolving Lender under each applicable Subfacility and in the aggregate may be adjusted to give effect to the total Revolving Commitment under each applicable Subfacility and in the aggregate as increased by such Revolving Commitment Increase, (x) the Lead Borrower shall only be permitted to request six Revolving Commitment Increases during the term of this Agreement, (xi) following any Revolving Commitment Increase, the Revolving Commitments under the Foreign Subfacilities shall not exceed 50% of the Aggregate Revolving Commitments, (xii) all Incremental Term Loans (and all interest, fees and other amounts payable thereon) incurred by the Lead Borrower shall be Obligations of the Lead Borrower under this Agreement and the other applicable Credit Documents and shall be secured by the applicable Security Documents, and guaranteed under each relevant Guaranty, on a *pari passu* basis with all other Term Loans secured by the applicable Security Documents and guaranteed under each such Guaranty and shall not be secured by any assets that do not constitute Collateral for the outstanding Loans or be guaranteed by any guarantors that are not Credit Parties, (xiii) each Lender (including any Eligible Transferee who will become a Lender) agreeing to provide an Incremental Commitment pursuant to an Incremental Amendment shall, subject to the satisfaction of the relevant conditions set forth in this Agreement, make Revolving Loans (if any) under the Revolving Commitment Increases and/or Incremental Term Loans under the Tranche or Class specified in such Incremental Amendment as provided in Sections 2.01(b) or (d) and such Loans shall thereafter be deemed to be Revolving Loans or Incremental Term Loans under such Tranche or Class, as applicable, for all purposes of this Agreement and the other applicable Credit Documents and (xiv) all Incremental Commitment Requirements are satisfied.

(b) At the time of the provision of Incremental Commitments pursuant to this Section 2.21, the applicable Borrowers, the Administrative Agent and each such Lender or other Eligible Transferee which agrees to provide an Incremental Commitment (each, an "Incremental Lender") shall execute and deliver to the Administrative Agent an amendment to this Agreement (an " Incremental Amendment") (which shall not require the consent of any other Lender), with the effectiveness of the Incremental Commitment provided therein to occur on the date on which (w) a fully executed copy of such Incremental Amendment shall have been delivered to the Administrative Agent, (x) all fees required to be paid in connection therewith at the time of such effectiveness shall have been paid (including, without limitation, any agreed upon upfront or arrangement fees owing to the Administrative Agent to the extent it served as the arranger for the Incremental Commitments), (y) all Incremental Commitment Requirements are satisfied, and (z) all other conditions set forth in this Section 2.21 shall have been satisfied. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Incremental Amendment (subject in the case of Revolving Commitment Increases to Section 2.21(e)), and at such time, (i) Schedule 2.01 shall be deemed modified to reflect the revised Incremental Commitments of the affected Lenders and (ii) to the extent requested by any Incremental Lender, Term Notes or Revolving Notes, as applicable, will be issued at the Borrowers' expense to such Incremental Lender, to be in conformity with the requirements of Section 2.05 (with appropriate modification) to the extent needed to reflect the new Incremental Loans and Incremental Commitments made by such Incremental Lender.

(c) Notwithstanding anything to the contrary contained above in thisSection 2.21, the Incremental Term Loan Commitments provided by an Incremental Lender or Incremental Lenders, as the case may be, pursuant to each Incremental Amendment shall constitute a new Tranche, which shall be separate and distinct from the existing Tranches pursuant to this Agreement; *provided* that, with the consent of the Administrative Agent (not to be unreasonably withheld, delayed or conditioned), the parties to a given Incremental Amendment may specify therein that the Incremental Term Loans made pursuant thereto shall constitute part of, and be added to, an existing Tranche of Term Loans, in any case so long as the following requirements are satisfied:

(i) the Incremental Term Loans to be made pursuant to such Incremental Amendment shall have the same Borrower, the same Maturity Date and the same Applicable Margins as the Tranche of Term Loans to which the new Incremental Term Loans are being added;

(ii) the new Incremental Term Loans shall have the same Scheduled Repayment Dates as then remain with respect to the Tranche to which such new Incremental Term Loans are being added (with the amount of each Scheduled Repayment applicable to such new Incremental Term Loans to be the same (on a proportionate basis) as is theretofore applicable to the Tranche to which such new Incremental Term Loans are being added, thereby increasing the amount of each then remaining Scheduled Repayment of the respective Tranche proportionately); and

(iii) on the date of the making of such new Incremental Term Loans, and notwithstanding anything to the contrary set forth in Section 2.06, such new Incremental Term Loans shall be added to (and form part of) each Borrowing of outstanding Term Loans of the applicable Tranche on a *pro rata* basis (based on the relative sizes of the various outstanding Borrowings), so that each Lender holding Term Loans under the respective Tranche of Term Loans participates in each outstanding Borrowing of Term Loans of the respective Tranche (after giving effect to the incurrence of such new Incremental Term Loans pursuant to Section 2.01(b)) on a *pro rata* basis.

To the extent the provisions of the preceding clause (iii) require that Incremental Lenders making new Incremental Term Loans add such Incremental Term Loans to the then outstanding Borrowings of Term SOFR Rate Term Loans of such Tranche, it is acknowledged that the effect thereof may result in such new Incremental Term Loans having irregular Interest Periods (i.e., an Interest Period that began during an Interest Period then applicable to outstanding Term SOFR Rate Term Loans of such Tranche and which will end on the last day of such Interest Period), which irregular interest periods shall be permitted notwithstanding anything to the contrary in this Agreement. All determinations by any the Administrative Agent of the Term SOFR Rate, in such circumstances pursuant to the immediately preceding sentence shall, absent manifest error, be final and conclusive and binding on all parties hereto.

(d) Subject to compliance with the other applicable requirements set forth in this Section 2.21, any new Incremental Term Loan may be established and incurred as a means of effectively extending the maturity of, effecting a repricing of or a refinancing, in whole or in part, of any applicable Term Loans then outstanding, without utilizing the capacity under the Incremental Amount, so long as:

(i) the Lenders with respect to the relevant series of Term Loans and/or Commitments being extended, repriced or refinanced are offered the opportunity to participate in such transaction on a pro rata basis (and on the same terms); and

(ii) the amount of any Incremental Term Loans does not exceed the sum of (x) the principal amount of the applicable Term Loans effectively being extended, repriced or refinanced, (y) fees and expenses (including any prepayment premium, penalties or other call protection) related to such extension, repricing or refinancing, and (z) fees and expenses (including any upfront fees, original issue discount, underwriting discounts, amendment fees, commissions and arrangement, underwriting and similar fees) related to the establishment and incurrence of such Incremental Term Loans.

(e) Each notice submitted pursuant to this Section 2.21 requesting a Revolving Commitment Increase (a "Revolving Commitment Increase Notice") shall specify the amount of the increase in the Revolving Commitments being requested and the relevant Subfacility to be increased. Upon receipt of a Revolving Commitment Increase Notice, the Administrative Agent may (at the direction of the Lead Borrower, shall) promptly notify the Lenders under the applicable Subfacility and/or such other Persons who may participate as Lenders of the requested increase in Revolving Commitments (it being understood that Lead Borrower shall have no obligation to seek a Revolving Commitment Increase from any existing Lenders); *provided* that (i) each applicable Lender or additional financial institution may elect or decline, in its sole discretion, to have its Revolving Commitment increased in connection with any requested Revolving Commitment Increase, it being understood that no Lender shall be obligated to increase its Revolving Commitment unless it, in its sole discretion, so agrees; (ii) if commitments from additional financial institutions are obtained in connection with the Revolving Commitment Increase, any Person or Persons providing such commitment shall be subject to the written consent of the Administrative Agent, the Swingline Lender (solely

with respect to a Revolving Commitment Increase affecting the U.S. Subfacility) and the Issuing Banks (such consents not to be unreasonably withheld, delayed or conditioned), if such consent would be required pursuant to Section 13.04; and (iii) in no event shall a Defaulting Lender be entitled to participate in such Revolving Commitment Increase. In the event that any Lender or other Person agrees to participate in any Revolving Commitment Increase (each an "Increase Loan Lender"), such Revolving Commitment Increase shall become effective on such date as shall be mutually agreed upon by the Increase Loan Lenders and the Lead Borrower, which date shall be as soon as practicable after the date of receipt of the Revolving Commitment Increase Notice (such date, the "Increase Date"). On the Increase Date, upon fulfillment of the conditions set forth in this Section 2.21, the Administrative Agent shall effect a settlement of all outstanding Revolving Loans under the increased Subfacility among the Lenders that will reflect the adjustments to the Revolving Commitments of the applicable Lenders as a result of the Revolving Commitment Increase.

(f) Each fixed dollar threshold set forth in the definition of "Payment Condition", "Distribution Condition", "Liquidity Period", "UK Liquidity Period", "APAC Liquidity Period" or "FCCR Test Amount" or otherwise relating to any measure of Global Availability or Adjusted Availability shall be proportionately adjusted to reflect any Revolving Commitment Increase.

2.22 Alternate Rate of Interest.

(a) Subject to clauses (b), (c), (d), (e), (f) and (g) of this Section 2.22, if prior to the commencement of any Interest Period for any Term Benchmark Borrowing or any RFR Interest Day for any RFR Borrowing:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, that adequate and reasonable means do not exist for ascertaining the Adjusted Term SOFR Rate, the Adjusted EURIBOR Rate, BBSY or the Adjusted Term CORRA Rate, as applicable (including because the Relevant Screen Rate is not available or published on a current basis), for the applicable Agreed Currency and such Interest Period or (B) at any time, that adequate and reasonable means do not exist for ascertaining the applicable RFR Rate, Daily Simple RFR or RFR for the applicable Agreed Currency; provided that no Benchmark Transition Event shall have occurred with respect to the applicable Agreed Currency at such time; or

(ii) the Administrative Agent is advised by the Required Lenders that (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, the Adjusted Term SOFR Rate, the Adjusted EURIBOR Rate, BBSY or the Adjusted Term CORRA Rate, as applicable, for the applicable Agreed Currency and such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for the applicable Agreed Currency and such Interest Period or (B) at any time, the applicable RFR Rate, Daily Simple RFR or RFR for the applicable Agreed Currency will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing,

then the Administrative Agent shall give notice thereof to the Lead Borrower and the Lenders by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until (x) the Administrative Agent notifies the Lead Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Lead Borrower delivers a new Notice of Conversion/Continuation in accordance with the terms of Section 2.06 or a new Notice of Borrowing in accordance with the terms of Section 2.03, (A) for Loans denominated in Dollars under the U.S. Subfacility, any Notice of Conversion/Continuation that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Term Benchmark Borrowing, and any Notice of Borrowing that requests a Term Benchmark Borrowing shall instead be deemed to be an Notice of Conversion/Continuation or a Notice of Borrowing, as applicable, for (x) an RFR Borrowing denominated in Dollars so long as the Daily Simple RFR for Dollar Borrowings is not also the subject of Section 2.22(a)(i) or (ii) above or (y) a Base Rate Borrowing if the Daily Simple RFR for Dollar Borrowings also is the subject of Section 2.22(a)(i) or (ii) above, (B) for Loans denominated in Canadian Dollars under the Canadian Subfacility, any Notice of Conversion/Continuation that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Term Benchmark Borrowing, and any Notice of Borrowing that requests a Term Benchmark Borrowing shall instead be deemed to be an Notice of Conversion/Continuation or a Notice of Borrowing, as applicable, for a Candian Prime Rate Borrowing and (C) for

Loans denominated in any other currency under any other Subfacility, any Notice of Conversion/Continuation that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Term Benchmark Borrowing and any Notice of Borrowing that requests a Term Benchmark Borrowing or an RFR Borrowing, in each case, for the relevant Benchmark, shall be ineffective; *provided* that if the circumstances giving rise to such notice affect only one Type of Borrowings, then all other Types of Borrowings shall be permitted. Furthermore, if any Term Benchmark Loan or RFR Loan in any Agreed Currency is outstanding on the date of the Lead Borrower's receipt of the notice from the Administrative Agent referred to in this Section 2.22(a) with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until the Administrative Agent notifies the Lead Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Lead Borrower delivers a new Notice of Conversion/Continuation in accordance with the terms of Section 2.06 or a new Notice of Borrowing in accordance with the terms of Section 2.03, (A) for Loans denominated in Dollars under the U.S. Subfacility, any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan be converted by the Administrative Agent to, and shall constitute, (x) an RFR Borrowing denominated in Dollars so long as the Daily Simple RFR for Dollar Borrowings is not also the subject of Section 2.22(a)(i) or (ii) above or (y) a Base Rate Borrowing if the Daily Simple RFR for Dollar Borrowings also is the subject of Section 2.22(a)(i) or (ii) above, on such day, and (B) for Loans denominated in an Alternative Currency, (1) if such Term Benchmark Loan is denominated in Canadian Dollars under the Canadian Subfacility, then on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), such Loan shall be converted by the Administrative Agent to, and shall constitute, a Canadian Prime Rate Loan denominated in Canadian Dollars on such day, (2) if such Term Benchmark Loan is denominated in Euros, then on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), such Loan shall bear interest at the Central Bank Rate for Euros plus the Applicable Margin; *provided* that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for Euros cannot be determined, any outstanding affected Term Benchmark Loans denominated in Euros shall, at the Lead Borrower's (or other Applicable Administrative Borrower's) election prior to such day: (A) be prepaid by the Lead Borrower (or other Applicable Administrative Borrower) on such day or (B) solely for the purpose of calculating the interest rate applicable to such Term Benchmark Loan, such Term Benchmark Loan denominated in Euros shall be deemed to be a Term Benchmark Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in Dollars at such time and (3) any RFR Loan shall bear interest at the Central Bank Rate for Pounds Sterling plus the Applicable Margin; *provided* that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for Pounds Sterling cannot be determined, any outstanding affected RFR Loans denominated in Pounds Sterling shall, at the Lead Borrower's (or other Applicable Administrative Borrower's) election prior to such day: (A) be prepaid by the Lead Borrower (or other Applicable Administrative Borrower) on such day or (B) solely for the purpose of calculating the interest rate applicable to such RFR Loan, such RFR Loan denominated in Pounds Sterling shall be deemed to be a Term Benchmark Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in Dollars at such time.

(b) Notwithstanding anything to the contrary herein or in any other Credit Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark for the applicable Agreed Currency, then (x) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of "Benchmark Replacement" with respect to Dollars for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Credit Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Credit Document and (y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of "Benchmark Replacement" with respect to any Agreed Currency for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for such Agreed Currency for all purposes hereunder and under any Credit Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Credit Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders of each affected Class.

(c) (i) Notwithstanding anything to the contrary herein or in any other Credit Document, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Credit Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Credit Document.

(ii) The Administrative Agent will promptly notify the Lead Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (f) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.22, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Credit Document, except, in each case, as expressly required pursuant to this Section 2.22.

(d) Notwithstanding anything to the contrary herein or in any other Credit Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark for such Agreed Currency is a term rate (including the Term SOFR Rate, EURIBOR Rate, Term CORRA or BBSY) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor for such Benchmark for such Agreed Currency and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) for such Agreed Currency or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement) for such Agreed Currency, then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings with respect to such Agreed Currency at or after such time to reinstate such previously removed tenor.

(e) Upon the Lead Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to the Benchmark for any Agreed Currency, the Lead Borrower may revoke any request for a Term Benchmark Borrowing or RFR Borrowing, as applicable, in such Agreed Currency, or a conversion to or continuation of Term Benchmark Loans, in such Agreed Currency, in each case, to be made, converted or continued during any Benchmark Unavailability Period and, failing that, either (x) the Lead Borrower will be deemed to have converted any such request for a Term Benchmark Borrowing denominated in Dollars into a request for a Borrowing of or conversion to (A) an RFR Borrowing denominated in Dollars so long as the Daily Simple RFR for Dollar Borrowings is not the subject of a Benchmark Transition Event or (B) a Base Rate Borrowing if the Daily Simple RFR for Dollar Borrowings is the subject of a Benchmark Transition Event, (y) the Lead Borrower will be deemed to have converted any such request for a Term Benchmark Borrowing denominated in Canadian Dollars into a request for a Borrowing of or conversion to Canadian Prime Rate Loans, or (z) any Term Benchmark Borrowing or RFR Borrowing denominated in an Alternative Currency (other than Canadian Dollars) shall be ineffective. During any Benchmark Unavailability Period with respect to the Benchmark for Loans denominated in Dollars or at any time that a tenor for the then-current Benchmark for Loans Denominated in Dollars is not an Available Tenor, the component of Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of Base Rate. During any Benchmark Unavailability Period with respect to the Benchmark for Loans denominated in Canadian Dollars or at any time that a tenor for the then-current Benchmark for Loans Denominated in Canadian Dollars is not an Available Tenor, the component of Canadian Prime Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of Canadian Prime Rate. Furthermore, if any Term Benchmark Loan or RFR Loan in any Agreed Currency is outstanding on the date of the Lead Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to the Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until such time as a Benchmark Replacement for such Agreed Currency is implemented pursuant to this Section 2.22, (i) if such Term Benchmark Loan is denominated in Dollars under the U.S. Subfacility, then on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), such Loan shall be

converted by the Administrative Agent to, and shall constitute, (x) an RFR Borrowing denominated in Dollars so long as the Daily Simple RFR for Dollar Borrowings is not the subject of a Benchmark Transition Event or (y) a Base Rate Loan if the Daily Simple RFR for Dollar Borrowings is the subject of a Benchmark Transition Event, on such day, (ii) if such Term Benchmark Loan is denominated in Canadian Dollars under the Canadian Subfacility, then on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), such Loan shall be converted by the Administrative Agent to, and shall constitute, a Canadian Prime Rate Loan denominated in Canadian Dollars on such day, (iii) if such Term Benchmark Loan is denominated in Euros, then such Loan shall, on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day) bear interest at the Central Bank Rate for Euros plus the Applicable Margin; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for Euros cannot be determined, any outstanding affected Term Benchmark Loans denominated in Euros shall, at the Applicable Administrative Borrower's election prior to such day: (A) be prepaid by the Applicable Administrative Borrower on such day or (B) solely for the purpose of calculating the interest rate applicable to such Term Benchmark Loan, such Term Benchmark Loan denominated in Euros shall be deemed to be a Term Benchmark Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in Dollars at such time, (iv) any RFR Loan shall bear interest at the Central Bank Rate for Pounds Sterling plus the Applicable Margin; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for Pounds Sterling cannot be determined, any outstanding affected RFR Loans denominated in Pounds Sterling shall, at the Applicable Administrative Borrower's election prior to such day: (A) be prepaid by the Applicable Administrative Borrower on such day or (B) solely for the purpose of calculating the interest rate applicable to such RFR Loan, such RFR Loan denominated in Pounds Sterling shall be deemed to be a Term Benchmark Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in Dollars at such time or (v) any other Term Benchmark Loan shall be prepaid in full immediately.

2.23 [Reserved].

2.24 Refinancing Term Loans.

(a) The Lead Borrower may from time to time by written notice to the Administrative Agent elect to request the establishment of one or more additional Tranches of Term Loans under this Agreement ("Refinancing Term Loans"), which refinance, renew, replace, defease or refund all or any portion of one or more Tranches of Term Loans under this Agreement selected by the Lead Borrower; *provided* that such Refinancing Term Loans may not be in an amount greater than the aggregate principal amount of the Term Loans being refinanced, renewed, replaced, defeased or refunded *plus* unpaid accrued interest and premium (if any) thereon and upfront fees, original issue discount, underwriting discounts, fees, commissions and expenses incurred in connection with the Refinancing Term Loans; *provided* that such aggregate principal amount may also be increased to the extent such additional amount is capable of being incurred at such time pursuant to Section 2.21 and such excess incurrence shall for all purposes hereof be an incurrence under the relevant subclauses of Section 2.21. Each such notice shall specify the date (each, a "Refinancing Effective Date") on which the Lead Borrower proposes that the Refinancing Term Loans shall be made, which shall be a date not less than three (3) Business Days after the date on which such notice is delivered to the Administrative Agent; *provided* that:

(i) except in the case of Extendable Bridge Loans, the Weighted Average Life to Maturity of such Refinancing Term Loans shall not be shorter than the remaining Weighted Average Life to Maturity of the Term Loans being refinanced and the Refinancing Term Loans shall not have a final stated maturity before the Maturity Date applicable to the Term Loans being refinanced;

(ii) such Refinancing Term Loans shall have pricing (including interest rates, fees and premiums), amortization, optional prepayment, mandatory prepayment (so long as such Refinancing Term Loans are not entitled to participate on a greater than pro rata basis in any mandatory prepayment than the then outstanding Term Loans) and redemption terms as may be agreed to by the Lead Borrower and the relevant Refinancing Term Loan Lenders (as defined below);

(iii) such Refinancing Term Loans shall not be guaranteed by any Person other than the Credit Parties;

(iv) in the case of any such Refinancing Term Loans that are secured, such Refinancing Term Loans are secured only by assets comprising Collateral, and not secured by any property or assets of the Lead Borrower or any of its Subsidiaries other than the Collateral; and

(v) all other terms applicable to such Refinancing Term Loans (except as set forth above), taken as a whole, shall not be materially more favorable to the Refinancing Term Loan Lenders than the related provisions applicable to the then outstanding Term Loans or otherwise reasonably satisfactory to the Administrative Agent, except (i) to the extent such covenants and other terms apply solely to any period after the Latest Maturity Date as of the date such Indebtedness was incurred and (ii) in the case of Refinancing Term Loans that are secured on pari passu basis with the Initial Term Loans, not taking into account any baskets based on Payment Conditions or Distribution Conditions (and which Refinancing Term Loans may include "available amount" or "cumulative credit" and ratio-based baskets in lieu thereof)) (provided that a certificate of a Responsible Officer of the Lead Borrower delivered to the Administrative Agent in good faith at least five Business Days prior to the incurrence of such Indebtedness, together with a reasonably detailed description of the material terms and conditions of such Indebtedness or drafts of the documentation relating thereto, stating that the Lead Borrower has determined in good faith that such terms and conditions satisfy the requirement set out in this clause (v), shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Administrative Agent provides notice to the Lead Borrower of an objection during such five Business Day period (including a reasonable description of the basis upon which it objects)).

(b) The Lead Borrower may approach any Lender or any other Person that would be an Eligible Transferee of Term Loans to provide all or a portion of the Refinancing Term Loans (a "Refinancing Term Loan Lender"); *provided* that any Lender offered or approached to provide all or a portion of the Refinancing Term Loans may elect or decline, in its sole discretion, to provide a Refinancing Term Loan. Any Refinancing Term Loans made on any Refinancing Effective Date shall be designated a series of Refinancing Term Loans for all purposes of this Agreement; *provided* that any Refinancing Term Loans may, to the extent provided in the applicable Refinancing Term Loan Amendment and subject to the restrictions set forth in clause (a) above, be designated as an increase in any previously established Tranche of Term Loans.

(c) The Administrative Agent and the Lenders hereby consent to the transactions contemplated by Section 2.24(a) (including, for the avoidance of doubt, the payment of interest, fees, amortization (to the extent in compliance with Section 2.24(a)(i)) or premium in respect of the Refinancing Term Loans on the terms specified by the Lead Borrower) and hereby waive the requirements of this Agreement or any other Credit Document that may otherwise prohibit any transaction contemplated by Section 2.24(a). The Refinancing Term Loans shall be established pursuant to an amendment to this Agreement among Holdings, the Lead Borrower, the Administrative Agent and the Refinancing Term Loan Lenders providing such Refinancing Term Loans (a "Refinancing Term Loan Amendment") (which shall not require the consent of any other Lender) which shall be consistent with the provisions set forth in Section 2.24(a). Each Refinancing Term Loan Amendment shall be binding on the Lenders, the Administrative Agent, the Credit Parties party thereto and the other parties hereto without the consent of any other Lender, and the Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Credit Documents as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Lead Borrower, to effect the provisions of Section 2.24, including such technical amendments as may be necessary or appropriate in connection therewith and to adjust the amortization schedule in Section 5.02(a) (insofar as such schedule relates to payments due to Lenders the Term Loans of which are refinanced with the proceeds of Refinancing Term Loans; *provided* that no such amendment shall reduce the *pro rata* share of any such payment that would have otherwise been payable to the Lenders, the Term Loans of which are not refinanced with the proceeds of Refinancing Term Loans). The Administrative Agent shall be permitted, and each is hereby authorized, to enter into such amendments with the Lead Borrower to effect the foregoing.

2.25 Reverse Dutch Auction Repurchases.

(a) Notwithstanding anything to the contrary contained in this Agreement or any other Credit Document, Holdings, the Lead Borrower or any Restricted Subsidiary may, at any time and from time to time, conduct reverse Dutch auctions in order to purchase Term Loans of a particular Tranche (each, an "Auction") (each such Auction to be managed exclusively by the Administrative Agent or any other bank or investment bank of recognized standing selected by the Lead Borrower (with the consent of the Administrative Agent or such other bank or investment bank) following consultation with the Administrative Agent (in such capacity, the "Auction Manager")), so long as the following conditions are satisfied:

(i) each Auction shall be conducted in accordance with the procedures, terms and conditions set forth in this Section 2.25(a) and Schedule 2.25(a);

(ii) no Event of Default shall have occurred and be continuing on the date of the delivery of each auction notice and at the time of purchase of Term Loans in connection with any Auction;

(iii) the minimum principal amount (calculated on the face amount thereof) of all Term Loans that Holdings, the Lead Borrower or such Restricted Subsidiary offers to purchase in any such Auction shall be no less than $2,500,000 (unless another amount is agreed to by the Administrative Agent);

(iv) Borrower shall not use the proceeds of any Revolving Borrowings to finance any such repurchase; and

(v) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans so purchased by Holdings, the Lead Borrower or such Restricted Subsidiary shall automatically be cancelled and retired on the settlement date of the relevant purchase (and may not be resold).

(b) Holdings, the Lead Borrower or such Restricted Subsidiary must terminate an Auction if it fails to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to such Auction. Holdings, the Lead Borrower or such Restricted Subsidiary may withdraw any Auction if the reply amounts are insufficient to complete the purchase of a minimum principal amount of the Term Loans designated in writing to the applicable Auction Manager by Holdings, the Lead Borrower or such Restricted Subsidiary (the "Minimum Purchase Condition"). No Credit Party or any Restricted Subsidiary shall have any liability to any Lender for any termination of such Auction as a result of its failure to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to the such Auction, or for any termination of such Auction as a result of the failure to satisfy the Minimum Purchase Condition, and any such failure shall not result in any Default or Event of Default hereunder. With respect to all purchases of Term Loans made pursuant to this Section 2.25, (x) Holdings, the Lead Borrower or such Restricted Subsidiary shall pay on the settlement date of each such purchase all accrued and unpaid interest (except to the extent otherwise set forth in the relevant offering documents), if any, on the purchased Term Loans up to the settlement date of such purchase and (y) such purchases (and the payments made therefor and the cancellation of the purchased Term Loans, in each case in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Sections 5.01, 5.02 or 13.06. At the time of purchases of Term Loans pursuant to an Auction, the then remaining Scheduled Repayments shall be reduced by the aggregate principal amount (taking the face amount thereof) of Term Loans repurchased pursuant to such Auction, with such reduction to be applied to such Scheduled Repayments on a *pro rata* basis (based on the then remaining principal amount of each such Scheduled Repayments).

(c) The Administrative Agent and the Lenders hereby consent to the Auctions and the other transactions contemplated by this Section 2.25 (*provided* that no Lender shall have an obligation to participate in any such Auctions) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02 and 13.06 (it being understood and acknowledged that purchases of the Term Loans by Holdings, the Lead Borrower or any Restricted Subsidiary contemplated by this Section 2.25 shall not constitute Investments by such Person)) or any other Credit Document that may otherwise prohibit any Auction or any other transaction contemplated by this Section 2.25. The Auction Manager acting in its capacity as such hereunder shall be entitled to the benefits of the provisions of Section 12 and Section 13.01 *mutatis mutandis* as if each reference therein to the "Administrative Agent" were a reference to the Auction Manager, and the Administrative Agent and the Auction Manager shall cooperate in a reasonable manner in connection therewith.

2.26 Open Market Purchases.

(a) Notwithstanding anything to the contrary contained in this Agreement or any other Credit Document, Holdings, the Lead Borrower or any of its Restricted Subsidiaries may, at any time and from time to time, make open market purchases (including on a non-*pro rata* basis) of Term Loans (each, an "Open Market Purchase"), so long as the following conditions are satisfied:

(i) no Event of Default shall have occurred and be continuing on the date of such Open Market Purchase;

(ii) neither Holdings, the Lead Borrower nor any Restricted Subsidiary shall use the proceeds of any Revolving Borrowing to finance any such purchase; and

(iii) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans so purchased by Holdings, the Lead Borrower or any of its Restricted Subsidiaries shall automatically be cancelled and retired on the settlement date of the relevant purchase (and may not be resold).

(b) With respect to all purchases of Term Loans made pursuant to this Section 2.26, (x) Holdings, the Lead Borrower or such Restricted Subsidiary shall pay on the settlement date of each such purchase all accrued and unpaid interest, if any, on the purchased Term Loans up to the settlement date of such purchase (except to the extent otherwise set forth in the relevant purchase documents as agreed by the respective selling Lender) and (y) such purchases (and the payments made therefor and the cancellation of the purchased Term Loans, in each case in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 5.01, 5.02 or 13.06. At the time of purchases of Term Loans pursuant to any Open Market Purchase, the then remaining Scheduled Repayments shall be reduced by the aggregate principal amount (taking the face amount thereof) of Term Loans repurchased pursuant to such Open Market Purchase, with such reduction to be applied to such Scheduled Repayments on a *pro rata* basis (based on the then remaining principal amount of each such Scheduled Repayments).

(c) The Administrative Agent and the Lenders hereby consent to the Open Market Purchases contemplated by this Section 2.26 and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02 and 13.06 (it being understood and acknowledged that purchases of the Term Loans by Holdings, the Lead Borrower or any Restricted Subsidiary contemplated by this Section 2.26 shall not constitute Investments by such Person)) or any other Credit Document that may otherwise prohibit any Open Market Purchase by this Section 2.26.

2.27 Sponsor and Affiliate Term Loan Purchases. Notwithstanding anything to the contrary in this Agreement, the Sponsor and any Non-Debt Fund Affiliate may be an assignee in respect of Term Loans (and to such extent shall be deemed an "Eligible Transferee"); provided that:

(a) at the time of acquisition thereof, the aggregate principal amount of Term Loans held by the Sponsor and Non-Debt Fund Affiliates, together with the aggregate principal amount of the Term Loans so acquired, shall not exceed 25% of the aggregate outstanding principal amount of the Term Loans at such time;

(b) notwithstanding anything to the contrary in the definition of "Required Lenders," "Required Term Lenders", or inSection 13.12, the holder of any Term Loans acquired pursuant to this Section 2.27(b) (other than Debt Fund Affiliates) shall not be entitled to vote such Term Loans in any "Required Lender" vote, "Required Term Lender" vote or direction pursuant to the terms of this Agreement or any other Credit Document, and for purposes of any such vote or direction such Term Loans shall be deemed not to be outstanding (it being understood that the holder of such Term Loans shall have the right to consent to votes requiring the consent of "all Lenders" or "all Lenders directly and adversely affected thereby" pursuant to Section 13.12 or otherwise, or any other amendment which treats such Lenders differently from other Lenders);

(c) by acquiring a Term Loan hereunder, the Sponsor or such applicable Non-Debt Fund Affiliates shall be deemed to have (I) waived its right to receive information prepared by the Administrative Agent or any Lender (or any advisor, agent or counsel thereof) under or in connection with the Credit Documents (in each case to the extent not provided to the Credit Parties) and attend any meeting or conference call with the Administrative Agent or any Lender (unless any Credit Party has been invited to attend such meeting or conference call), (II) agreed that it is prohibited from making or bringing any claim (but not from joining any claim initiated by any other Lender and acting as a passive participant with respect thereto), in its capacity as a Lender, against Administrative Agent or any Lender with respect to the duties and obligations of such Persons under the Credit Documents, and (III) agreed, without limiting its rights as a Lender described in Section 2.27(b), that it will have no right whatsoever, in its capacity as a Lender, to require the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to this Agreement or any other Credit Document;

(d) the Sponsor or such Non-Debt Fund Affiliate identifies itself as an Affiliate of the Credit Parties prior to the assignment of Term Loans to it pursuant to the applicable Assignment and Assumption; *provided* that this clause (d) shall not apply in the case of an acquisition of Term Loans through an un-Affiliated intermediary to the extent the Sponsor or such Non-Debt Fund Affiliate has made any representations and warranties to such intermediary as are required by such intermediary in connection with its engagement as such (which may include, to the extent required by such intermediary, a representation and warranty that it does not possess any material non-public information about the Credit Parties and their respective securities);

(e) Term Loans acquired by the Sponsor and Non-Debt Fund Affiliates shall be subject to the voting limitations set forth in Section 13.04(g);

(f) notwithstanding anything in Section 13.12 or the definition of "Required Term Lenders" to the contrary, for purposes of determining whether the Required Term Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Credit Document or any departure by any Credit Party therefrom, (ii) otherwise acted on any matter related to any Credit Document or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Credit Document, all Term Loans held by Debt Fund Affiliates may not account for more than 49.9% of the Term Loans of consenting Lenders included in determining whether the Required Term Lenders have consented to any action pursuant to Section 13.12; and

(g) each assignor and assignee party to any relevant assignment under this Section 2.27 shall render customary "big boy" disclaimer letters or any such disclaimers shall be incorporated into the terms of the Assignment and Assumption.

2.28 Lead Borrower and Applicable Administrative Borrower. Each Borrower hereby designates the Lead Borrower as its representative and agent for all purposes under the Credit Documents, including requests for Revolving Loans and Letters of Credit, designation of interest rates, delivery or receipt of communications, preparation and delivery of Borrowing Base Certificates and financial reports, receipt and payment of Obligations, requests for waivers, amendments or other accommodations, actions under the Credit Documents (including in respect of compliance with covenants), and all other dealings with the Administrative Agent, any Issuing Bank or any Lender, and each Borrower of any Subfacility hereby designates the Applicable Administrative Borrower of such Subfacility as its representative and agent for purposes of requests for Revolving Loans and Letters of Credit and designation of interest rates. Each of the Lead Borrower and each Applicable Administrative Borrower hereby accepts such appointment. The Administrative Agent and the Lenders shall be entitled to rely upon, and shall be fully protected in relying upon, any notice or communication (including any Notice of Borrowing) delivered by the Lead Borrower on behalf of any Borrower, and any Notice of Borrowing, request for a Letter of Credit or designation of interest rate by any Applicable Administrative Borrower on behalf of the Borrowers of its Subfacility. The Administrative Agent and the Lenders may give any notice or communication with a Borrower hereunder to the Lead Borrower on behalf of such Borrower. Each of the Administrative Agent, the Issuing Banks and the Lenders shall have the right, in its discretion, to deal exclusively with the Lead Borrower for any or all purposes under the Credit Documents. Each Borrower agrees that any notice, election, communication, representation, agreement or undertaking made on its behalf by the Lead Borrower or, in the case of any Notice of Borrowing, request for a Letter of Credit or designation of interest rate, the Applicable Administrative Borrower for its Subfacility shall be binding upon and enforceable against it.

2.29 Overadvances. If (i) the aggregate U.S. Revolving Loans and Term Loans outstanding exceed the U.S. Line Cap, (ii) the aggregate UK Revolving Loans outstanding exceed the UK Line Cap, (iii) the aggregate Canadian Revolving Loans outstanding exceed the Canadian Line Cap, (iv) the aggregate APAC Revolving Loans outstanding exceed the APAC Line Cap or (v) the aggregate Revolving Loans and Term Loans outstanding exceed the Line Cap (each of the foregoing clauses (i), (ii), (iii), (iv) and (v), an "Overadvance"), in each case at any time, the excess amount shall be payable by the applicable Borrowers on demand (or, if such Overadvance is due to the imposition of new Reserves, a change in the methodology of calculating existing Reserves, a change in eligibility criteria or standards or the occurrence of a Revaluation Date, within three (3) Business Days following notice from the Administrative Agent) to the Administrative Agent, but all such Revolving Loans shall nevertheless constitute Obligations secured by the Collateral and entitled to all benefits of the Credit Documents. The Administrative Agent may require the Revolving Lenders to honor requests for Overadvance Loans and to forbear from requiring the Borrowers to cure an Overadvance, (a) when no Event of Default is known to the Administrative Agent, as long as (i) the Overadvance does not continue for more than 30 consecutive days (and no Overadvance may exist for at least five consecutive days thereafter before further Overadvance Loans are required) and (ii) (u) the aggregate amount of all Overadvances and Protective Advances is not known by the Administrative Agent to exceed 10% of the Aggregate Borrowing Base, (v) the aggregate amount of all Overadvances and Protective Advances under the U.S. Subfacility is not known by the Administrative Agent to exceed 10% of the U.S. Borrowing Base, (w) the aggregate amount of all Overadvances and Protective Advances under the UK Subfacility is not known by the Administrative Agent to exceed 10% of the UK Borrowing Base, (x) the aggregate amount of all Overadvances and Protective Advances under the Canadian Subfacility is not known by the Administrative Agent to exceed 10% of the Canadian Borrowing Base and (y) the aggregate amount of all Overadvances and Protective Advances under the APAC Subfacility is not known by the Administrative Agent to exceed 10% of the APAC Borrowing Base, and (b) regardless of whether an Event of Default exists, if the Administrative Agent discovers an Overadvance not previously known by it to exist, as long as from the date of such discovery the Overadvance (i) is not increased by more than $500,000, and (ii) does not continue for more than 30 consecutive days. In no event shall Overadvance Loans be required that would cause (i) the aggregate outstanding U.S. Revolving Loans and LC Obligations to exceed the aggregate U.S. Revolving Commitments, (ii) the aggregate outstanding UK Revolving Loans to exceed the aggregate UK Revolving Commitments, (iii) the aggregate outstanding Canadian Revolving Loans to exceed the aggregate Canadian Revolving Commitments, (iv) the aggregate outstanding APAC Revolving Loans to exceed the aggregate APAC Revolving Commitments, or (v) the Aggregate Revolving Exposure to exceed the Aggregate Revolving Commitments. The making of any Overadvance shall not create nor constitute a Default or Event of Default; it being understood that the making or continuance of an Overadvance shall not constitute a waiver by the Administrative Agent or the Revolving Lenders of the then existing Event of Default. In no event shall any Borrower or other Credit Party be permitted to require any Overadvance Loan to be made.

2.30 Protective Advances. The Administrative Agent shall be authorized, in its discretion, following notice to and consultation with the Lead Borrower, at any time, to make Base Rate Loans, Canadian Prime Rate Loans, RFR Loans or Term Benchmark Loans with an Interest Period of one month (other than in Dollars) (each such loan in respect of U.S. Collateral, a "U.S. Protective Advance," in respect of UK Collateral, a "UK Protective Advance," in respect of Canadian Collateral, a "Canadian Protective Advance," in respect of Australian Collateral, Hong Kong Collateral, New Zealand Collateral or Singapore Collateral, an "APAC Protective Advance," and collectively, "Protective Advances") (a) (i) with respect to any Protective Advances, in an aggregate amount, together with the aggregate amount of all Overadvance Loans, not to exceed 10% of the Aggregate Borrowing Base, (ii) with respect to any U.S. Protective Advances, in an aggregate amount, together with the aggregate amount of Overadvance Loans under the U.S. Subfacility, not to exceed 10% of the U.S. Borrowing Base, (iii) with respect to UK Protective Advances, in an aggregate amount, together with the aggregate amount of Overadvance Loans under the UK Subfacility, not to exceed 10% of the UK Borrowing Bases, (iv) with respect to Canadian Protective Advances, in an aggregate amount, together with the aggregate amount of Overadvance Loans under the Canadian Subfacility, not to exceed 10% of the Canadian Borrowing Bases and (v) with respect to APAC Protective Advances, in an aggregate amount, together with the aggregate amount of Overadvance Loans under the APAC Subfacility, not to exceed 10% of the APAC Borrowing Base, in each case, if the Administrative Agent deems such Protective Advances necessary or desirable to preserve and protect the Collateral, or to enhance the collectability or repayment of the Obligations

under such Subfacility; or (b) to pay any other amounts chargeable to Credit Parties under any Credit Documents, including costs, fees and expenses; provided that, (i) the aggregate amount of outstanding Protective Advances plus the outstanding amount of Revolving Loans and LC Obligations shall not exceed the Aggregate Revolving Commitments, (ii) the aggregate amount of outstanding U.S. Protective Advances plus the outstanding amount of U.S. Revolving Loans and LC Obligations shall not exceed the aggregate U.S. Revolving Commitments, (iii) the aggregate amount of outstanding UK Protective Advances plus the outstanding amount of UK Revolving Loans shall not exceed the aggregate UK Revolving Commitments, (iv) the aggregate amount of outstanding Canadian Protective Advances plus the outstanding amount of Canadian Revolving Loans shall not exceed the aggregate Canadian Revolving Commitments and (v) the aggregate amount of outstanding APAC Protective Advances plus the outstanding amount of APAC Revolving Loans shall not exceed the aggregate APAC Revolving Commitments. Each Revolving Lender shall severally but not jointly participate in each Protective Advance in accordance with its Pro Rata Percentage. Required Lenders may at any time revoke the Administrative Agent's authority to make further Protective Advances under clause (a) by written notice to the Administrative Agent. Absent such revocation, the Administrative Agent's determination that funding of a Protective Advance is appropriate shall be conclusive. The Administrative Agent may use the proceeds of such Protective Advances to (a) protect, insure, maintain or realize upon any Collateral; or (b) defend or maintain the validity or priority of the Administrative Agent's Liens in any Collateral, including any payment of a judgment, insurance premium, warehouse charge, finishing or processing charge, or landlord claim, or any discharge of a Lien; provided that the Administrative Agent shall use reasonable efforts to notify the Lead Borrower after paying any such amount or taking any such action and shall not make payment of any item that is being Properly Contested.

2.31 Reallocation of Commitments. The Lead Borrower may, by written notice to the Administrative Agent, request that the Administrative Agent and the Lenders increase or decrease the Revolving Commitments under any Foreign Subfacility (a "Revolver Commitment Adjustment"), which request shall be granted provided that each of the following conditions are satisfied: (i) only four Revolver Commitment Adjustments may be made in any fiscal year, (ii) the written request for a Revolver Commitment Adjustment must be received by the Administrative Agent at least three (3) Business Days (or such later date as the Administrative Agent shall agree to in its sole discretion) prior to the requested date (which shall be a Business Day) of the effectiveness of such Revolver Commitment Adjustment (such date of effectiveness, the "Commitment Adjustment Date"), (iii) no Event of Default shall have occurred and be continuing as of the date of such request or both immediately before and after giving effect thereto as of the Commitment Adjustment Date, (iv) any increase in such Foreign Subfacility shall result in a Dollar-for-Dollar decrease in the U.S. Subfacility pursuant to this Section 2.31, and any decrease in the such Foreign Subfacility pursuant to thisSection 2.31 shall result in a Dollar-for-Dollar increase in the U.S. Subfacility, (v) in no event shall the Revolving Commitments under the Foreign Subfacilities exceed 50% of the Aggregate Revolving Commitments, (vi) no Revolver Commitment Adjustment shall be permitted if, after giving effect thereto (and any prepayments or repayments to be made substantially concurrently therewith), an Overadvance would exist, and (vii) the Administrative Agent shall have received a certificate of the Lead Borrower dated as of the Commitment Adjustment Date certifying the satisfaction of all such conditions (including calculations thereof in reasonable detail) and otherwise in form and substance reasonably satisfactory to the Administrative Agent. Any such Revolver Commitment Adjustment shall be in an amount equal to $1,000,000 or a multiple of $500,000 in excess thereof and shall concurrently increase or reduce, as applicable, (1) the aggregate Revolving Commitments available for use under the applicable Foreign Subfacility among the Lenders in accordance with such Lender's Pro Rata Percentage and (2) the aggregate U.S. Revolving Commitments available for use under the U.S. Subfacility then in effect among the Lenders in accordance with such Lender's Pro Rata Percentage. After giving effect to any Revolver Commitment Adjustment, the Revolving Commitment available for use under the U.S. Subfacility or such Foreign Subfacility, as applicable, of each Lender (and the percentage of each U.S. Revolving Loan or such Revolving Loan under the applicable Foreign Subfacility, as applicable) that each participant must purchase a participation in) shall be equal to such Lender's (or participant's) Pro Rata Share of the U.S. Subfacility or such Foreign Subfacility, as applicable. Notwithstanding the foregoing, the Lead Borrower may elect, in its sole discretion, to terminate the application of this Section 2.31 by delivering notice of such election to the Administrative Agent. For purposes of this Section 2.31, each reference to a "Lender" shall include its Affiliates.

Any other fees payable to the Issuing Banks pursuant to this paragraph shall be payable within 10 days after written demand (together with backup documentation supporting such reimbursement request). All LC Participation Fees and Fronting Fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(e) All fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, if and as appropriate, among the Lenders (other than Defaulting Lenders). Once paid, none of the fees shall be refundable under any circumstances.

4.03 Termination and Reduction of Revolving Commitments.

(a) The Revolving Commitments, the Swingline Commitment, and the LC Commitment shall automatically terminate on the Revolving Maturity Date.

(b) The Lead Borrower may at any time terminate, or from time to time reduce, the Revolving Commitments of any Class*provided* that (i) after giving effect to any such reduction or termination, the Revolving Commitments in respect of all Foreign Subfacilities shall not exceed 50% of the Aggregate Revolving Commitments, (ii) any such reduction shall be in an amount that is (x) an integral multiple of $1,000,000 or (y) the entire remaining Revolving Commitments of such Class; and (iii) the Revolving Commitments under any Subfacility shall not be terminated or reduced if after giving effect to any concurrent prepayment of the Revolving Loans under such Subfacility in accordance with Sections 5.01 and 5.02, the Revolving Exposures under such Subfacility would exceed the Commitments under such Subfacility.

(c) The Lead Borrower shall notify the Administrative Agent of any election to terminate or reduce the Revolving Commitments of any Subfacility under paragraph (b) of this Section 4.03 at least three (3) Business Days prior to the effective date of such termination or reduction (or such shorter period as the Administrative Agent shall agree in its reasonable discretion), specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the relevant Lenders of the contents thereof. to this Section 5.01(a) shall be in an aggregate principal amount of at least $1,000,000 or such lesser amount as is acceptable to the Administrative Agent; *provided* that if any partial prepayment of Term SOFR Rate Term Loans made pursuant to any Borrowing shall reduce the outstanding principal amount of Term SOFR Rate Term Loans made pursuant to such Borrowing to an amount less than the Minimum Term Borrowing Amount applicable thereto, then if such Borrowing is a Borrowing of Term SOFR Rate Term Loans, such Borrowing shall automatically be converted into a Borrowing of Base Rate Term Loans and any election of an Interest Period with respect thereto given by the Lead Borrower shall have no force or effect; (iii) each prepayment pursuant to this Section 5.01(a) in respect of any Term Loans made pursuant to a Borrowing shall be applied*pro rata* among such Term Loans; *provided* that it is understood and agreed that this clause (iii) may be modified as expressly provided in Section 2.20 in connection with an Extension Amendment; and (iv) each prepayment of principal of Term Loans of a given Tranche pursuant to this Section 5.01(a) shall be applied as directed by the Lead Borrower in the applicable Notice of Loan Prepayment delivered pursuant to this Section 5.01(a) or, if no such direction is given, in direct order of maturity. Notwithstanding anything to the contrary contained in this Agreement, any such Notice of Loan Prepayment pursuant to this Section 5.01(a) may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including, but not limited to, the effectiveness of other credit facilities, the occurrence of a Change of Control or any similar event), in which case such notice may be revoked or the date of such prepayment may be delayed by the Lead Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

Each prepayment of any Term Loan pursuant to this Section 5.01(b) shall reduce the then remaining Scheduled Repayments of the applicable Tranche of Term Loans on a *pro rata* basis (based upon the then remaining unpaid principal amounts of Scheduled Repayments of the respective Tranche after giving effect to all prior reductions thereto).

(c) The Borrowers shall have the right at any time and from time to time to prepay, without premium or penalty (subject toSection 2.17), any Revolving Borrowing, in whole or in part, subject to the requirements of Section 5.03; *provided* that each partial prepayment shall be in an amount that is not less than the applicable Minimum Revolving Borrowing Amount (or the Dollar Equivalent thereof). Subject to the terms, conditions and limitations set forth in this Agreement, any Revolving Loans so prepaid may be reborrowed.

5.02 Mandatory Repayments.

(a) In addition to any other mandatory repayments pursuant to this Section 5.02, on each date set forth below (each, a "Scheduled Repayment Date"), the Lead Borrower shall be required to repay to the Administrative Agent for the ratable account of the Term Lenders (i) on the last Business Day of each March, June, September and December, commencing with September 30, 2021, an aggregate principal amount of Initial Term Loans equal to $1,250,000 and (ii) on the Initial Term Loan Maturity Date, the aggregate principal amount of all Initial Term Loans that remain outstanding on such date (each such repayment described in clauses (i) and (ii), as the same may be reduced as provided in this Agreement, including in Section 2.25, 2.26, 5.01 or 5.02(g), or as a result of the application of prepayments or otherwise in connection with any Extension as provided in Section 2.20, a "Scheduled Repayment").

(c) In addition to any other mandatory repayments pursuant to this Section 5.02, within 10 days following each date on or after the Closing Date upon which the Lead Borrower or any of its Restricted Subsidiaries receives any cash proceeds from any issuance or incurrence of Indebtedness (other than Indebtedness permitted to be incurred pursuant to Section 10.04 (other than Refinancing Term Loans and Refinancing Notes/Loans)), an amount equal to 100% of the Net Debt Proceeds therefrom shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h). Notwithstanding anything herein to the contrary, no mandatory repayment under this clause (c) shall be required until all loans and commitments under the CF Term Loan Credit Agreement shall have been first repaid and terminated in full.

(d) In addition to any other mandatory repayments pursuant to this Section 5.02, within 10 days following each date on or after the Closing Date upon which the Lead Borrower or any of its Restricted Subsidiaries receives any Net Sale Proceeds from any Asset Sale (only to the extent consisting of ABL Collateral), an amount equal to the Applicable Asset Sale/Recovery Event Prepayment Percentage of the Net Sale Proceeds therefrom shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h); *provided*, *however*, with respect to an aggregate amount of no more than the greater of $~~120,000,000~~**133,700,000** and 10% of Consolidated EBITDA of the Lead Borrower and its Restricted Subsidiaries for the most recently ended Test Period, of such Net Sale Proceeds received by the Lead Borrower and its Restricted Subsidiaries in any fiscal year of the Lead Borrower, such Net Sale Proceeds shall not be required to be so applied or used to make mandatory repayments of Term Loans and any required prepayment shall be only the amount in excess thereof. Notwithstanding the foregoing, the Lead Borrower or such Restricted Subsidiary may apply all or a portion of such Net Sale Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder to reinvest in the purchase of assets useful in the business of the Lead Borrower and its Restricted Subsidiaries within 12 months following the date of receipt of such Net Sale Proceeds (or, if within such 12-month period, the Lead Borrower or any of its Restricted Subsidiaries enters into a binding commitment to so reinvest such Net Sale Proceeds, within 180 days following such 12-month period during which the Lead Borrower so committed to such plan of reinvestment); *provided*, *further*, that if within 12 months (or, to the extent applicable, 18 months) after the date of receipt by the Lead Borrower or such Restricted Subsidiary of such Net Sale Proceeds, the Lead Borrower or such Restricted Subsidiary has not so used all or a portion of such Net Sale Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder, an amount equal to the remaining portion of such Net Sale Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h) on the last day of such 12-month (or, to the extent applicable, 18-month) period.

(e) In addition to any other mandatory repayments pursuant to this Section 5.02, to the extent the Lead Borrower terminates the Aggregate Revolving Commitments in full, the Lead Borrower shall be required to repay the aggregate principal amount of all outstanding Term Loans concurrently with such termination of the Aggregate Revolving Commitments.

(f) In addition to any other mandatory repayments pursuant to this Section 5.02, within 10 days following each date on or after the Closing Date upon which the Lead Borrower or any of its Restricted Subsidiaries receives any Net Insurance Proceeds from any Recovery Event (only to the extent consisting of ABL Collateral), an amount equal to the Applicable Asset Sale/Recovery Event Prepayment Percentage of the Net Insurance Proceeds from such Recovery Event shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h); *provided*, *however*, with respect to an aggregate amount of no more than the greater of $~~120,000,000~~**133,700,000** and 10% of Consolidated EBITDA of the Lead Borrower and its Restricted Subsidiaries for the most recently ended Test Period, of such Net Insurance Proceeds received by the Lead Borrower and its Restricted Subsidiaries in any fiscal year of the Lead Borrower, such Net Insurance Proceeds shall not give rise to a mandatory repayment and any required prepayment shall be only the amount in excess thereof. Notwithstanding the foregoing, the Lead Borrower or such Restricted Subsidiary may apply all or a portion of such Net Insurance Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder to reinvest in the purchase of assets useful in the business of the Lead Borrower and its Restricted Subsidiaries within 12 months following the date of receipt of such Net Insurance Proceeds (or, if within such 12-month period, the Lead Borrower or any of its Restricted Subsidiaries enters into a binding commitment to so reinvest such Net Insurance Proceeds, within 180 days following such 12-month period during which the Lead Borrower so committed to such plan of reinvestment); *provided*, *further*, that if within 12 months (or, to the extent applicable, 18 months) after the date of receipt by the Lead Borrower or such Restricted Subsidiary of such Net Insurance Proceeds, the Lead Borrower or such Restricted Subsidiary has not so used all or a portion of such Net Insurance Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder, an amount equal to the remaining portion of such Net Insurance Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h) on the last day of such 12-month (or, to the extent applicable, 18-month) period.

(g) Each amount required to be applied pursuant to Sections 5.02(d) and (f) in accordance with this Section 5.02(g) shall be applied to repay the outstanding principal amount of Term Loans, with each Tranche of then outstanding Term Loans to be allocated its Term Loan Percentage of each amount so required to be applied; *provided* that to the extent any Permitted Pari Passu Notes, any Permitted Pari Passu Loans or Refinancing Notes/Loans (or, in each case, any Permitted Refinancing Indebtedness in respect of any of the foregoing that is secured on a *pari passu* basis with the Obligations) requires any mandatory prepayment or repurchase of *pari passu* Indebtedness from any Net Sale Proceeds or Net Insurance Proceeds that would otherwise be required to be applied to prepay Term Loans in accordance with clause (d) or (f) above, up to a *pro rata* portion (based on the aggregate principal amount of Term Loans and such *pari passu* secured Indebtedness then outstanding) of such Net Sale Proceeds or Net Insurance Proceeds that would otherwise be required to prepay Term Loans in accordance with clause (d) or (f) above may be applied to prepay or repurchase such *pari passu* secured Indebtedness in lieu of prepaying Term Loans as provided above. Prepayments pursuant to Section 5.02(c) shall be applied to the Tranche or Tranches of Term Loans selected by the Lead Borrower. Except as otherwise provided below, all repayments of outstanding Term Loans of a given Tranche pursuant to Sections 5.02(c), (d) and (f) (and applied pursuant to this clause (g)) shall be applied to reduce the Scheduled Repayments of the applicable Tranche in direct order of maturity of such Scheduled Repayments.

(h) With respect to each repayment of Term Loans required by this Section 5.02, the Lead Borrower may (subject to the priority payment requirements of Section 5.02(g)) designate the Types of Term Loans of the applicable Tranche which are to be repaid and, in the case of Term SOFR Rate Term Loans, the specific Borrowing or Borrowings of the applicable Tranche pursuant to which such Term SOFR Rate Term Loans were made; *provided* that: (i) repayments of Term SOFR Rate Term Loans pursuant to this Section 5.02 may only be made on the last day of an Interest Period applicable thereto unless all such Term SOFR Rate Term Loans of the applicable Tranche with Interest Periods ending on such date of required repayment and all Base Rate Term Loans of the applicable Tranche have been paid in full; and (ii) each repayment of any Term Loans made pursuant to a Borrowing shall be applied *pro rata* among such Term Loans. In the absence of a designation by the Lead Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its reasonable discretion.

(i) In addition to any other mandatory repayments pursuant to this Section 5.02, all then outstanding Term Loans of any Tranche of Term Loans shall be repaid in full on the Maturity Date for such Tranche of Term Loans.

(j) Notwithstanding any other provisions of this Section 5.02, (i) to the extent that any or all of the Net Sale Proceeds of any Asset Sale by a Foreign Subsidiary (a "Foreign Asset Sale") or the Net Insurance Proceeds of any Recovery Event incurred by a Foreign Subsidiary (a "Foreign Recovery Event") are prohibited or delayed by applicable local law, rule or regulation or applicable organizational documents of such Foreign Subsidiary from being repatriated to the United States, an amount equal to the portion of such Net Sale Proceeds or Net Insurance Proceeds so affected will not be required to be applied to repay Term Loans at the times provided in this Section 5.02 so long, but only so long, as the applicable local law, rule or regulation or applicable organizational documents of such Foreign Subsidiary will not permit repatriation to the United States (the Lead Borrower hereby agreeing to use all commercially reasonable efforts to overcome or eliminate any such restrictions on repatriation and/or minimize any such costs of prepayment and/or use the other cash sources of the Lead Borrower and its Restricted Subsidiaries to make the relevant prepayment), and if within one year following the date on which the respective prepayment would otherwise have been required such repatriation of any of such affected Net Sale Proceeds or Net Insurance Proceeds is permitted under the applicable local law, rule or regulation or applicable organizational documents of such Foreign Subsidiary, an amount equal to such Net Sale Proceeds or Net Insurance Proceeds will be promptly applied (net of additional taxes that would be payable or reserved against as a result of repatriating such amounts and additional costs relating to such repatriation) to the repayment of the Term Loans pursuant to this Section 5.02, (ii) to the extent that the Lead Borrower has reasonably determined in good faith that repatriation of any of or all the Net Sale Proceeds of any Foreign Asset Sale or Net Insurance Proceeds of any Foreign Recovery Event would have material adverse tax consequences, an amount equal to such Net Sale Proceeds or Net Insurance Proceeds so affected will not be required to be applied to prepay Term Loans at the times provided in this Section 5.02 and (iii) to the extent that the Net Sale Proceeds of an

Asset Sale are attributable to a non-Wholly-Owned Subsidiary or the Net Insurance Proceeds of a Recovery Event are attributable to a non-Wholly-Owned Subsidiary, the amount of such Net Sale Proceeds or such Net Insurance Proceeds used to calculate the required prepayment pursuant to this Section 5.02 shall not exceed the lesser of (x) an amount corresponding to the proportionate ownership interests in such non-Wholly-Owned Subsidiary or (y) an amount corresponding to the amount of distributions permitted to be made from such non-Wholly-Owned Subsidiary to its direct or indirect parent entity that is a Wholly-Owned Subsidiary for such purposes at the time such prepayment is required to be made.

(k) The Lead Borrower shall notify the Administrative Agent in writing of any mandatory repayment of Term Loans required to be made pursuant to Section 5.02(d) or (f) at least three Business Days prior to the date of such repayment. Each such notice shall specify the date of such repayment and provide the amount of such repayment. The Administrative Agent will promptly notify the Lenders of the contents of the Lead Borrower's Notice of Loan Prepayment and of such Lender's *pro rata* share of any repayment. Each Lender may reject all or a portion of its*pro rata* share of any mandatory repayment (such declined amounts, the "Declined Proceeds") of Term Loans required to be made pursuant to Section 5.02(d) or (f) by providing written notice (each, a "Rejection Notice") to the Administrative Agent and the Lead Borrower no later than 5:00 P.M. (New York City time) on the Business Day after the date of such Lender's receipt of notice from the Administrative Agent regarding such repayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Lender fails to deliver such Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory repayment of Term Loans to which such Lender is otherwise entitled. Any Declined Proceeds may be retained by the Lead Borrower and its Restricted Subsidiaries.

(m) Application of Revolving Loan Prepayments.

(i) Prior to any optional or mandatory prepayment of Revolving Borrowings hereunder, the Lead Borrower shall select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment pursuant to this paragraph (i) of Section 5.02(m). Unless during a Liquidity Period, UK Liquidity Period (in the case of the UK Borrowers and only to the extent the Administrative Agent has exercised its rights in Section 9.17(e)(v)) or APAC Liquidity Period (in the case of the Australian Borrowers and only to the extent the Administrative Agent has exercised its rights in Section 9.17(vi)), except as provided in Section 5.02(l) hereof, all mandatory prepayments shall be applied as follows: *first*, to fees and reimbursable expenses of the Administrative Agent then due and payable pursuant to the Credit Documents; *second*, in the case of the U.S. Subfacility only, to interest then due and payable on the applicable Borrower's Swingline Loans; *third*, in the case of the U.S. Subfacility only, to the principal balance of the Swingline Loans outstanding until the same has been prepaid in full; *fourth*, to interest then due and payable by the applicable Borrower(s) on the Revolving Loans and other amounts due pursuant to Sections 2.17 and 5.05 in respect of the applicable Subfacility subject to such mandatory prepayment; *fifth*, to the principal balance of the Revolving Loans in respect of the applicable Subfacility subject to such mandatory prepayment until the same have been prepaid in full; *sixth*, in the case of the U.S. Subfacility only, to Cash Collateralize all LC Exposure in respect of the applicable Subfacility subject to such mandatory prepayment plus any accrued and unpaid interest thereon (to be held and applied in accordance with Section 2.14(j) hereof); *seventh*, to all other Obligations *pro rata* in accordance with the amounts that such Lender certifies is outstanding; and *eighth*, as required by the ABL Intercreditor Agreement or, in the absence of any such requirement, returned to the Lead Borrower or to such party as otherwise required by law.

(ii) Amounts to be applied pursuant to this Section 5.02 to the prepayment of Revolving Loans shall be applied, as applicable, first to reduce outstanding Base Rate Loans and Canadian Prime Rate Loans, as applicable. Any amounts remaining after each such application shall be applied to prepay Term SOFR Rate Loans, EURIBOR Rate Loans, Term CORRA Rate Loans, RFR Loans and BBSY Loans, as applicable. Notwithstanding the foregoing, if the amount of any prepayment of Loans required under this Section 5.02 shall be in excess of the amount of the Base Rate Loans and Canadian Prime Rate Loans, as applicable, at the time outstanding, only the portion of the amount of such prepayment that is equal to the amount of such outstanding Base Rate Loans and Canadian Prime Rate Loans shall be immediately prepaid and, at the election of the applicable Borrower, the balance of such required prepayment shall be either (A) deposited in the LC Collateral Account and applied to the prepayment of Term SOFR Rate Loans, EURIBOR Rate Loans, Term CORRA Rate Loans, RFR Loans or BBSY Loans, as applicable, on the last day of the then next expiring Interest Period or payment period for Term SOFR Rate Loans, EURIBOR Rate Loans, Term CORRA Rate Loans, RFR Loans and BBSY Loans (with all interest accruing thereon for the account of the applicable Borrowers) or (B) prepaid immediately, together with any amounts owing to the Lenders under Section 2.04. Notwithstanding any such deposit in the LC Collateral Account, interest shall continue to accrue on such Loans until prepayment.

5.03 Notice of Prepayment of Revolving Loans. The Lead Borrower shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the Swingline Lender) in writing of any prepayment hereunder (i) in the case of prepayment of a Borrowing of Term SOFR Rate Loans denominated in Dollars, to the Administrative Agent's New York office not later than 1:00 p.m., New York City time, three Business Days before the date of prepayment, (ii) in the case of prepayment of a Borrowing of RFR Loans denominated in Dollars, to the Administrative Agent's New York office not later than 1:00 p.m., New York City time, five RFR Business Days before the date of prepayment, (iii) in the case of prepayment of a Borrowing of Base Rate Loans (other than Swingline Loans), to the Administrative Agent's New York office not later than 1:00 p.m., New York City time, on the date of prepayment, (iv) in the case of prepayment of a Borrowing of EURIBOR Rate Loans, to the Administrative Agent's London office not later than 1:00 p.m., London time, four Business Days before the date of prepayment, (v) in the case of prepayment of a Borrowing of Canadian Prime Rate Loans, to the Administrative Agent's Toronto office not later than 1:00 p.m., Toronto time, one Business Day before the date of prepayment, (vi) in the case of prepayment of a Borrowing of Term CORRA Rate Loans, to the Administrative Agent's Toronto office not later than 1:00 p.m., Toronto time, three Business Days before the date of prepayment, (vii) in the case of prepayment of a Borrowing of BBSY Loans, to the Administrative Agent's London office not later than 1:00 p.m., London time, three Business Days before the date of prepayment, (viii) in the case of prepayment of a Swingline Loan, not later than 4:00 p.m., New York City time, on the date of prepayment and (ix) in the case of prepayment of an RFR Loan denominated in Pounds Sterling, not later than 1:00 p.m. London time, three Business Days before the date of prepayment (or, in each case of clauses (i) through (ix) hereof, such later date or time as the Administrative Agent may agree to in its sole discretion). Each such notice shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment. Each notice of prepayment pursuant to this Section shall be irrevocable, except that the Lead Borrower may, by subsequent notice to the Administrative Agent, revoke any such notice of prepayment or delay the prepayment date specified therein if such notice of revocation or delay is received not later than 10:00 a.m. (New York City time) on the day on which such prepayment is scheduled to occur and, *provided* that (i) the Lead Borrower reimburses each Lender pursuant to Section 2.17 for any funding losses within five Business Days after receiving written demand therefor and (ii) the amount of Loans as to which such revocation or delay applies shall be deemed converted to (or continued as, as applicable) Base Rate Loans, Canadian Prime Rate Loans, RFR Loans or Term Benchmark Loans with an Interest Period of one month, as applicable, in accordance with the provisions of Section 2.08 as of the date of notice of revocation (subject to conversion in accordance with the provisions of this Agreement). Promptly following receipt of any such notice (other than a notice relating solely to Swingline Loans), the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.01, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.08.

5.04 Method and Place of Payment.

(a) All payments under this Agreement and under any Note shall be made (i) to the Administrative Agent at its Notice Office for the account of the Lender or Lenders (including any Issuing Banks) entitled thereto, or, except as otherwise specifically provided herein, directly to such Lender or Lenders (including any Issuing Banks), in each case, not later than 2:00 p.m. (New York City time) on the date when due with respect to payments in Dollars or the Applicable Time with respect to payments in any Alternative Currency (or, in connection with any prepayment of all outstanding Loans or all outstanding Term Loans or all outstanding Revolving Loans under any or all Subfacilities, such later time as the Administrative Agent may agree), (ii) in Dollars or the applicable Alternative Currency in immediately available funds and (iii) free and clear of and without condition or deduction for any counterclaim, defense, recoupment or setoff. Any payment received after such time on such date referred to in the first sentence of this Section 5.04 shall, at the option of the Administrative Agent, be deemed to have been received on the next Business Day. Whenever any payment to be made hereunder or under any Note shall be stated to be due on a day which is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable at the applicable rate during such extension. Except as otherwise expressly provided herein, all payments by the Borrowers hereunder with respect to principal and interest on Loans denominated in an Alternative Currency shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's applicable office in such Alternative Currency and in same day funds not later than the Applicable Time specified by the Administrative Agent on the dates specified herein. Without limiting the generality of the foregoing, the Administrative Agent may require that any payments due under this Agreement be made in the United States. If, for any reason, a Borrower is prohibited by any Requirements of Law from making any required payment hereunder in an Alternative Currency, such Borrower shall make such payment in Dollars in the Dollar Equivalent of the Alternative Currency payment amount. Unless the Administrative Agent shall have received notice from any Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that such Borrower will not make such payment, the Administrative Agent may assume that such Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if such Borrower has not in fact made such payment, then each Lender severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(b) Obligations of Lenders Several. The obligations of the Lenders hereunder to make Term Loans and Revolving Loans, to fund participations in Letters of Credit and Swingline Loans and to make payments pursuant to Section 12.07 are several and not joint. The failure of any Lender to make any Loan, to fund any such participation or to make any payment under Section 12.07 on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 12.07.

5.05 Net Payments.

(a) All payments made by or on account of any Credit Party under any Credit Document shall be made free and clear of, and without deduction or withholding for, any Taxes, except as required by applicable Requirements of Law. If any Taxes are required to be withheld or deducted in respect of any such payments, then the applicable Credit Party agrees that (i) to the extent such deduction or withholding is on account of an Indemnified Tax or Other Tax, the sum payable by the applicable Credit Party shall be increased as necessary so that after all required deductions or withholdings of Indemnified Taxes or Other Taxes (including deductions or withholdings applicable to additional sums payable under this Section 5.05) have been made by the applicable withholding agent, the applicable Lender (or, in the case of payments made to the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such deductions or withholdings of Indemnified Taxes or Other Taxes been made, (ii) the applicable withholding agent will make such deductions or withholdings, and (iii) the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Requirements of Law. In addition, the Credit Parties shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Requirements of Law. The Credit Parties will furnish to the Administrative Agent within 45 days after the date the payment by any of them of any Taxes is due pursuant to applicable Requirements of Law certified copies of tax receipts evidencing such payment by the applicable Credit Party, or other evidence of such payment reasonably satisfactory to the Administrative Agent.

Without duplication of amounts compensated pursuant to the other provisions of this Section 5.05, the applicable Credit Parties agree to indemnify and hold harmless the Administrative Agent and each Lender, and reimburse the Administrative Agent and each Lender, within 10 Business Days of written request therefor, for the amount of any Indemnified Taxes or Other Taxes (including any Indemnified Taxes or Other Taxes imposed on amounts payable under this Section 5.05) payable or paid by the Administrative Agent or such Lender or required to be withheld or deducted from a payment to the Administrative Agent or such Lender, and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered by a Lender or by the Administrative Agent on behalf of a Lender shall be conclusive absent manifest error.

(b) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to any payments made under any Credit Document shall deliver to the Lead Borrower and the Administrative Agent, at the time or times reasonably requested by the Lead Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Lead Borrower or the Administrative Agent, certifying as to any entitlement of such Lender to an exemption from, or a reduced rate of, withholding Tax. In addition, each Lender shall deliver to the Lead Borrower and the Administrative Agent, at the time or times reasonably requested by the Lead Borrower or the Administrative Agent, such other documentation prescribed by applicable Requirements of Law or reasonably requested by the Lead Borrower or the Administrative Agent as will enable the Lead Borrower or the Administrative Agent to determine whether such Lender is subject to backup withholding or information reporting requirements. Each Lender shall, whenever a lapse in time or change in circumstances renders any such documentation (including any specific documents required below in Section 5.05(c)) expired, obsolete or inaccurate in any respect, deliver promptly to the Lead Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Lead Borrower or the Administrative Agent) or promptly notify the Lead Borrower and the Administrative Agent in writing of its legal ineligibility to do so.

(c) Without limiting the generality of the foregoing: (x) each Lender that is not a U.S. Person shall, to the extent it is legally eligible to do so, deliver to the Lead Borrower and the Administrative Agent on or prior to the Closing Date or, in the case of a Lender that is an assignee or transferee of an interest under this Agreement pursuant to Section 2.19 or 13.04(b) (unless the relevant Lender was already a Lender hereunder immediately prior to such assignment or transfer), on the date of such assignment or transfer to such Lender, two of whichever of the following is applicable (i) in the case of such a Lender that is claiming the benefits of an income tax treaty to which the United States is a party (A) with respect to payments of interest under any Credit Document, duly executed originals of IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the interest article of such tax treaty and (B) with respect to any other applicable payments under any Credit Document, duly executed originals of IRS Form W-8 BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty; (ii) duly executed originals of IRS Form W-8ECI; (iii) in the case of such a Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (A) a certificate substantially in the form of Exhibit C-1 to the effect that such Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10-percent shareholder" of any U.S. Borrower (or the direct or indirect owner of such Borrower from which such Borrower is disregarded as separate for U.S. federal income tax purposes) within the meaning of Section 871(h)(3)(B) of the Code, or a "controlled foreign corporation" related to such Borrower, as described in Section 881(c)(3)(C) of the Code and that no payments under any Credit Documents are effectively connected with such Lender's conduct of a U.S. trade or business (a "U.S. Tax Compliance Certificate") and (B) duly executed originals of IRS Form W-8BEN or W-8BEN-E; (iv) to the extent such Lender is not the beneficial owner (for example, where the Lender is a partnership or a participating Lender), duly executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit C-2 or Exhibit C-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; *provided* that if the applicable Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners of such Lender are claiming the portfolio interest exemption, such Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit C-4 on behalf of such direct or indirect partner(s); (v) duly executed originals of any other documentation prescribed by applicable Requirements of Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax together with such supplementary documentation as may be prescribed by applicable Requirements of Law to permit the Lead Borrower or the Administrative Agent to determine the withholding or deduction required to be made; (y) each Lender that is a U.S. Person shall deliver to the

Lead Borrower and the Administrative Agent, on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Lead Borrower or the Administrative Agent), two duly executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding Tax; and (z) if any payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Lead Borrower and the Administrative Agent, at the time or times prescribed by applicable Requirements of Law and at such time or times reasonably requested by the Lead Borrower or the Administrative Agent, such documentation prescribed by applicable Requirements of Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Lead Borrower or the Administrative Agent as may be necessary for the Lead Borrower or the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has complied with such Lender's obligations under FATCA and to determine, if necessary, the amount to deduct and withhold from such payment. Solely for purposes of Section 5.05(c)(z), "FATCA" shall include any amendment made to FATCA after the Closing Date.

On or prior to the date it becomes a party to this Agreement, the Administrative Agent shall deliver to the Lead Borrower either (i) two duly completed originals of IRS Form W-9, or (ii) if the Administrative Agent is not a U.S. Person (a) two duly completed originals of IRS Form W-8ECI with respect to payments to be received under the Credit Documents for its own account and (b) with respect to payments received on account of any Lender, two duly completed originals of IRS Form W-8IMY evidencing its agreement with the Lead Borrower to be treated as a U.S. Person for U.S. federal withholding Tax purposes and assuming primary responsibility for U.S. federal income Tax withholding. Each Lender authorizes the Administrative Agent to deliver to the Lead Borrower and to any successor Administrative Agent any documentation provided by the Lender to the Administrative Agent pursuant to Section 5.05(b) or this Section 5.05(c).

Notwithstanding any other provision of this Section 5.05, a Lender shall not be required to deliver any documentation that such Lender is not legally eligible to deliver.

(d) If the Administrative Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by the Credit Parties or with respect to which a Credit Party has paid additional amounts pursuant to Section 5.05(a), it shall pay to the relevant Credit Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by such Credit Party under Section 5.05(a) with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses, including any Taxes, of the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); *provided* that the relevant Credit Party, upon the request of the Administrative Agent or such Lender, shall repay the amount paid over to such Credit Party (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 5.05(d), in no event will the Administrative Agent or any Lender be required to pay any amount to any Credit Party pursuant to this Section 5.05(d) to the extent such payment would place the Administrative Agent or such Lender in a less favorable position (on a net after-Tax basis) than such party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. Nothing in this Section 5.05(d) shall be construed to obligate the Administrative Agent or any Lender to disclose its Tax returns or any other information regarding its Tax affairs or computations to any Person or otherwise to arrange its Tax affairs in any manner other than as it determines in its sole discretion.

(e) Non-resident insurer tax. Any Tax paid by a Credit Party that is (i) a New Zealand tax resident or (ii) a non-resident that participates under a Letter of Credit for the purposes of a business it carries on through a fixed establishment in New Zealand, pursuant to section HD 16 of the Income Tax Act 2007 (New Zealand) which is deducted from an amount held for, or payable to, an Issuing Bank pursuant to section HD 5 of the Income Tax Act 2007 (New Zealand) shall be deemed to be an amount of Indemnified Tax paid by such Issuing Bank.

(f) Value Added Tax.

(i) All amounts set out or expressed in a Credit Document or Letter of Credit to be payable by any party to any Lender(s) and/or any Agent(s) (a "Finance Party") which (in whole or in part) constitute the consideration for a supply or supplies for VAT purposes shall be deemed to be exclusive of any VAT which is chargeable on such supply or supplies, and accordingly, subject to clause (ii) below, if VAT is or becomes chargeable on any supply made by any Finance Party to any party under a Credit Document or Letter of Credit and that Finance Party is required to account to the relevant tax authority for the VAT, that party shall pay to the Finance Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of such VAT (and such Finance Party shall promptly provide an appropriate VAT invoice to such party).

(ii) If VAT is or becomes chargeable on any supply made by any Finance Party (the "Supplier") to any other Finance Party (the "Receiving Finance Party") under a Credit Document or Letter of Credit, and any party other than the Receiving Finance Party (the "Subject Party") is required by the terms of any Credit Document or Letter of Credit to pay an amount equal to the consideration for such supply to the Supplier (rather than being required to reimburse the Receiving Finance Party in respect of that consideration), (x) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Subject Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Receiving Finance Party must (where this clause (x) applies) promptly pay to the Subject Party an amount equal to any credit or repayment the Receiving Finance Party receives from the relevant tax authority which the Receiving Finance Party reasonably determines relates to the VAT chargeable on that supply; and (y) (where the Receiving Finance Party is the person required to account to the relevant tax authority for the VAT) the Subject Party must promptly, following demand from the Receiving Finance Party, pay to the Receiving Finance Party an amount equal to the VAT chargeable on that supply but only to the extent that the Receiving Finance Party reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.

(iii) Where a Credit Document or Letter of Credit requires any party to reimburse or indemnify a Finance Party for any cost or expense, that party shall reimburse or indemnify (as the case may be) such Finance Party for the full amount of such cost or expense, including such part thereof as represents VAT, save to the extent that such Finance Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.

(iv) Any reference in this Section 5.05(f) to any party shall, at any time when such party is treated as a member of a group for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the person who is treated at that time as making the supply, or (as appropriate) receiving the supply, under the grouping rules (provided for in Article 11 of Council Directive 2006/112/EC (or as implemented by the relevant member state of the European Union) or any other similar provision in any jurisdiction which is not a member state of the European Union, including but not limited to the Value Added Tax Act 1994) so that a reference to a party shall be construed as a reference to that party or the relevant group or unity (or fiscal unity) of which that party is a member for VAT purposes at the relevant time or the relevant representative member (or head) of that group or unity (or fiscal unity) at the relevant time (as the case may be).

(v) In relation to any supply made by a Lender to any party under a Credit Document or Letter of Credit, if reasonably requested by such Lender, that party must promptly provide such Lender with details of that party's VAT registration and such other information as is reasonably requested in connection with such Lender's VAT reporting requirements in relation to such supply.

(g) (i) A payment by a UK Borrower (or a UK Guarantor under a guarantee of the obligations of any UK Borrower) shall not be increased under Section 5.05(a), and no amount shall be indemnified under Section 5.05(a), by reason of a UK Tax Deduction on account of Taxes imposed by the United Kingdom on interest or on payments in respect of interest made under a guarantee (any such UK Tax Deduction in respect of which a payment is not required to be increased under Section 5.05(a) by virtue of this Section, a "UK Excluded Tax") if, on the date on which the payment falls due:

(A) the payment could have been made to the relevant Lender without a UK Tax Deduction if the Lender had been a UK Qualifying Lender, but on that date that Lender is not or has ceased to be a UK Qualifying Lender other than as a result of any change after the date it became a Lender under this Agreement in (or in the interpretation, administration, or application of) any law or UK Treaty or any published practice or published concession of any relevant taxing authority; or

(B) the relevant Lender is a UK Qualifying Lender solely by virtue of clause (a)(ii) of the definition of UK Qualifying Lender, and:

(1) an officer of H.M. Revenue & Customs has given (and not revoked) a direction (a "Direction") under section 931 of the ITA which relates to the payment and that Lender has received from the UK Credit Party making the payment a certified copy of that Direction; and

(2) the payment could have been made to the Lender without any UK Tax Deduction if that Direction had not been made; or

(C) the relevant Lender is a UK Qualifying Lender solely by virtue of clause (a)(ii) of the definition of UK Qualifying Lender and:

(1) the relevant Lender has not given a UK Tax Confirmation to the UK Lead Borrower; and

(2) the payment could have been made to the Lender without any UK Tax Deduction if the Lender had given a UK Tax Confirmation to the UK Lead Borrower, on the basis that the UK Tax Confirmation would have enabled the relevant UK Credit Party to have formed a reasonable belief that the payment was an "excepted payment" for the purpose of section 930 of the ITA; or

(D) the relevant Lender is a UK Treaty Lender and the UK Credit Party making the payment is able to demonstrate that the payment could have been made to the Lender without the UK Tax Deduction had that Lender complied with its obligations under clause (iii) or (iv), as applicable, below.

(ii) Within thirty days of making either a UK Tax Deduction or any payment required in connection with that UK Tax Deduction, the UK Credit Party making that UK Tax Deduction shall deliver to the Administrative Agent for the Lender entitled to the payment a statement under section 975 of the ITA or other evidence reasonably satisfactory to that Lender that the UK Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

(iii) (A) Subject to clause (iii)(B) below, a UK Treaty Lender and each UK Credit Party which makes a payment to which that UK Treaty Lender is entitled shall co-operate in completing any procedural formalities necessary for that UK Credit Party to obtain authorization to make that payment without a UK Tax Deduction.

(B) (1) A UK Treaty Lender which becomes a party to this Agreement on the day on which this Agreement is entered into that holds a passport under the HMRC DT Treaty Passport scheme, and which wishes that scheme to apply to this Agreement, shall confirm its scheme reference number and its jurisdiction of tax residence either (x) opposite its name at Schedule 2.01 (*Commitments*) or (y) to the Lead Borrower (on behalf of the UK Borrowers) no later than July 9, 2021; and

(2) a UK Treaty Lender which becomes a party to this Agreement after the day on which this Agreement is entered into that holds a passport under the HMRC DT Treaty Passport scheme, and which wishes that scheme to apply to this Agreement, shall confirm its scheme reference number and jurisdiction of tax residence in the documentation which it executes on becoming a party to this Agreement as a Lender,

and having done so, that Lender shall be under no obligation pursuant to clause (iii)(A) above.

(iv) If a Lender has confirmed its scheme reference number and jurisdiction of tax residence in accordance with Section 5.05(g)(iii)(B) above and:

(A) a UK Borrower making a payment to that Lender has not made a UK Borrower DTTP Filing in respect of that Lender; or

(B) a UK Borrower making a payment to that Lender has made a UK Borrower DTTP Filing in respect of that Lender but:

(1) that UK Borrower DTTP Filing has been rejected by H.M. Revenue & Customs; or

(2) H.M. Revenue & Customs has not given the UK Borrower authority to make payment to that Lender without a UK Tax Deduction within 60 days of the date of the UK Borrower DTTP Filing,

and in each case, the UK Borrower has notified that Lender in writing, that Lender and the UK Borrower shall co-operate in completing any additional procedural formalities necessary for that UK Borrower to obtain authorization to make that payment without a UK Tax Deduction.

(v) If a Lender has not included an indication to the effect that it wishes the HMRC DT Treaty Passport scheme to apply to this Agreement in accordance with Section 5.05(g)(iv)(B), no Credit Party shall make a UK Borrower DTTP Filing or file any other form relating to the HMRC DT Treaty Passport scheme in respect of that Lender's advance or its participation in any advance unless the Lender otherwise agrees.

(vi) A UK Borrower shall, promptly on making a UK Borrower DTTP Filing, deliver a copy of that UK Borrower DTTP Filing to the Administrative Agent for delivery to the relevant Lender.

(vii) A UK Non-Bank Lender which is a Lender as at the date of this Agreement, by entering into this Agreement is deemed to have given a UK Tax Confirmation to each UK Credit Party.

(viii) A UK Non-Bank Lender shall promptly notify the UK Lead Borrower and the Administrative Agent if there is any change in the position from that set out in the UK Tax Confirmation.

(h) Each Lender which becomes a party to this Agreement after the date of this Agreement ("New Lender") shall indicate, in the documentation which it executes on becoming a party to this Agreement, and for the benefit of the Administrative Agent and without liability to any Credit Party, which of the following categories it falls within:

(i) not a UK Qualifying Lender;

(ii) a UK Qualifying Lender (other than a UK Treaty Lender); or

(iii) a UK Treaty Lender.

If a New Lender fails to indicate its status in accordance with this Section 5.05(h), then that New Lender shall be treated for the purposes of this Agreement (including by each UK Credit Party) as if it is not a UK Qualifying Lender until such time as it notifies the Administrative Agent which category applies (and the Administrative Agent, upon receipt of such notification, shall inform the UK Lead Borrower). For the avoidance of doubt, the documentation which a Lender executes on becoming a party to this Agreement shall not be invalidated by any failure of a New Lender to comply with this Section 5.05(h)

(i) For the avoidance of doubt, for purposes of this Section 5.05, the term "Lender" shall include any Issuing Bank and any Swingline Lender.

(j) The agreements in this Section 5.05 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Obligations.

5.06 Australian Tax Matters.

(a) The parties agree that this Agreement is a "syndicated facility agreement" for the purposes of Section 128F(11) of the Australian Tax Act.

(b) Each Lender represents and warrants to the Australian Borrowers that, if the Lender received an invitation to become a Lender under this Agreement, at the time it received the invitation it was carrying on the business of providing finance, or investing or dealing in securities, in the course of operating in financial markets.

(c) Each Lead Arranger and each Lender will provide to an Australian Borrower when reasonably requested by the Australian Borrower any factual information in its possession or which it is reasonably able to provide to assist the Australian Borrower to demonstrate (based upon tax advice received by the Australian Borrower) that Section 128F of the Australian Tax Act has been satisfied where to do so will not, in the reasonable opinion of the Lead Arrangers or the Lenders, breach any law or regulation or any duty of confidence. If, for any reason, the requirements of Section 128F of the Australian Tax Act have not been satisfied in relation to interest payable on a Loan to an Australian Borrower, then each party shall co-operate and take steps reasonably requested by the Australian Borrower with a view to satisfying those requirements at the cost of the Borrowers, provided that such steps would not, in the judgment of the applicable Lender or Lead Arranger acting reasonably, be disadvantageous in any material legal, economic or regulatory respect to such Lender or Lead Arranger, as applicable.

Section 6(A) Conditions Precedent to Credit Events on the Closing Date

The obligation of the Issuing Banks, Swingline Lender and each Lender to fund any Loans or issue any Letters of Credit on the Closing Date, is subject at the time of the making of such Loans or Letters of Credit to the satisfaction or waiver of the following conditions:

(b) The Administrative Agent shall have received good standing certificates (or equivalent evidence) and bring-down letters or facsimiles, if any, for the U.S. Credit Parties and Canadian Credit Parties from their respective jurisdictions of organization which the Administrative Agent reasonably may have requested only to the extent such concept is applicable in such Credit Party's jurisdiction of organization.

Section 6(A).05 Acquisition. The Acquisition shall be consummated substantially concurrently with the initial funding of the Initial Term Loans in accordance in all material respects with the Acquisition Agreement without waiver or amendment thereof that is, in the aggregate when taken as a whole, materially adverse to the interests of the Initial Lenders (including any reduction in the acquisition consideration that does not meet the criteria below) unless consented to by the Initial Lenders (such consent not to be unreasonably withheld, delayed or conditioned); it being understood that (w) no reduction in the acquisition consideration shall be deemed to be materially adverse to the interests of the Initial Lenders if such reduction is applied first to reduce the Cash Equity Financing by an amount such that the Cash Equity Financing shall be no less than the Minimum Equity Amount and second to reduce the principal amount of term loans under this Agreement, the principal amount of CF Term Loans and the principal amount of the Secured Notes, on a ratable basis, (x) no increase in the acquisition consideration shall be deemed to be materially adverse to the interests of the Lenders if such increase is funded solely by an increase in the Cash Equity Financing, (y) no modification to the acquisition consideration as a result of any purchase price adjustment or working capital adjustment expressly contemplated by the Acquisition Agreement as of the date thereof shall constitute a reduction or increase in the acquisition consideration and (z) the Initial Lenders shall be deemed to have consented to any waiver or amendment of the Acquisition Agreement if it shall have not affirmatively objected to any such waiver or amendment within three Business Days (as defined in the Acquisition Agreement as of the date thereof) of receipt of written notice of such waiver or amendment.

Section 6(A).06 Equity Contribution. Prior to or substantially concurrently with the consummation of the Acquisition, the Sponsor and its controlled affiliates or investment funds advised by the Sponsor or its controlled affiliates, together with one or more co-investors that are reasonably acceptable to the Initial Commitment Parties, will make, directly or indirectly, cash equity investments (in the form of (x) common equity or (y) other equity on terms reasonably satisfactory to the Initial Lenders) in Holdings or an indirect parent of Borrower (the "Cash Equity Financing"), in an aggregate amount (which will be contributed to the common equity of the Lead Borrower) that is not less than 39.0% of the sum of (i) the Cash Equity Financing and (ii) the aggregate principal amount borrowed under this Agreement, the Secured Notes and the CF Term Loan Credit Agreement (excluding the portion of the Cash Equity Financing or amounts borrowed under this Agreement, the Secured Notes, and the CF Term Loan Credit Agreement (w) applied to pay any transaction fees and expenses, including any transaction or advisory fees paid or payable to the Sponsor or any other co-investor, (x) drawn under this Agreement to replace, backstop or cash collateralize existing letters of credit, guarantees, surety bonds or similar instruments, (y) drawn to fund any original issue discount or upfront fees in connection with the "flex" provisions of the Fee Letter on the Closing Date or (z) drawn to fund the Closing Date Cash Purchase on the Closing Date; *provided* that if the sum of the Cash Equity Financing plus the aggregate amount available on the Closing Date under this Agreement (other than Revolving Loans), the Secured Notes and the CF Term Loan Credit Agreement is greater than the funds required on the Closing Date (excluding for this purpose, the amount of the Closing Date Cash Purchase) then the amount of such excess shall be applied *first* to reduce the Cash Equity Financing by an amount such that the Cash Equity Financing shall be no less than 39.0% and *second* to reduce the Cash Equity Financing and the amounts borrowed under this Agreement (other than Revolving Loans), the Secured Notes and the CF Term Loan Credit Agreement on a ratable basis (the "Minimum Equity Amount"). After giving effect to the Transactions, the Sponsor shall own, directly or indirectly, at least 50.1% of the voting equity interests of Holdings in the aggregate on the Closing Date.

(ii) each Canadian Credit Party shall deliver to the Collateral Agent the documents set forth on Part A of Schedule 6.09;

provided that to the extent any lien search or, if applicable, insurance certificate or endorsement, or any Collateral is not able to be provided and/or perfected on the Closing Date after the use by the applicable Credit Parties of commercially reasonable efforts without undue burden or expense, the provisions of this Section 6(A).09 shall be deemed to have been satisfied and the applicable Credit Parties shall be required to provide or perfect, as applicable, such lien searches, insurance certificates or endorsements, or such Collateral in accordance with the provisions set forth in Section 9.13 if, and only if, each applicable Credit Party shall have executed and delivered the Initial U.S. Security Agreement and the Initial Canadian Security Agreement and the Collateral Agent shall have a perfected security interest in all Collateral of the type for which perfection may be accomplished by filing a financing statement under the UCC and/or the PPSA of a Canadian province or territory or the Civil Code of Quebec or possession of certificated securities of each of Holdings' material Wholly-Owned Domestic Subsidiaries (to the extent required by the Initial U.S. Security Agreement) that, in the case of any such certificated securities with respect to any Equity Interests of the Target and its Subsidiaries, have been received from the Target.

Each Borrower will comply, and will cause each of its Restricted Subsidiaries to comply, with all Environmental Laws and permits applicable to, or required by, the ownership, lease or use of Real Property now or hereafter owned, leased or operated by the Borrowers or any of their respective Restricted Subsidiaries, except such noncompliances as would not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, and will keep or cause to be kept all such Real Property free and clear of any Liens imposed pursuant to such Environmental Laws (other than Liens imposed on leased Real Property resulting from the acts or omissions of the owner of such leased Real Property or of other tenants of such leased Real Property who are not within the control of the Borrowers), except such Liens as would not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Sixth above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above. Amounts distributed with respect to any Secured Bank Product Obligations shall be the lesser of the maximum Secured Bank Product Obligations last reported to the Administrative Agent or the actual Secured Bank Product Obligations as calculated by the methodology reported to the Administrative Agent for determining the amount due. The Administrative Agent shall have no obligation to calculate the amount to be distributed with respect to any Secured Bank Product Obligations, and may request a reasonably detailed calculation of such amount from the applicable Secured Creditor. If a Secured Creditor fails to deliver such calculation within five days following request by the Administrative Agent, the Administrative Agent may assume the amount to be distributed is zero.

In the event that any such proceeds are insufficient to pay in full the items described in clauses First through Eighth of this Section 11.11, the Credit Parties shall remain liable for any deficiency. Notwithstanding the foregoing provisions, this Section 11.11 is subject to the provisions of the ABL Intercreditor Agreement and any Additional Intercreditor Agreement.

Excluded Swap Obligations with respect to any Guarantor shall not be paid with amounts received from such Guarantor or its assets, but appropriate adjustments shall be made with respect to payments from other Credit Parties to preserve the allocation to Obligations otherwise set forth above in this Section.

Section 12. The Administrative Agent and the Collateral Agent.

12.01 Appointment and Authorization.

(a) Each of the Lenders hereby irrevocably appoints JPMorgan to act on its behalf as the Administrative Agent hereunder and under the other Credit Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Section 12 (other than Sections 12.08, 12.10 and 12.11) are solely for the benefit of the Administrative Agent, the Issuing Banks and the Lenders, and neither any Borrower nor any other Credit Party shall have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term "agent" herein or in any other Credit Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(b) JPMorgan shall also act as the "Collateral Agent" and "security trustee" under the Credit Documents, and each of the Lenders (on behalf of itself and its Affiliates, including in its capacity as a potential Secured Bank Product Provider) hereby irrevocably appoints and authorizes JPMorgan to act as the agent, and, to the extent relevant, security trustee, of such Lender and the other Secured Creditors hereunder and under the Credit Documents for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any Credit Party to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto, it being understood that the provisions of this Section 12 apply to the Collateral Agent in its capacity as such and references to Administrative Agent in the rest of this Section 12 shall be interpreted accordingly to include references to the Collateral Agent (including in the Collateral Agent's capacity as trustee of any trust under the Security Documents). In this connection, JPMorgan, as "Collateral Agent" or "security trustee" and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 12.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Collateral Agent, shall be entitled to the benefits of all provisions of this Section 12 and Section 13 (including Section 13.01, as though such co-agents, sub-agents and attorneys-in-fact were the "collateral agent" or "security trustee" under the Credit Documents) as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent and/or the Collateral Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Guaranteed Creditors with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Security Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

(c) Each of the Lenders (on behalf of itself and its Affiliates, including in its capacity as a potential Secured Bank Product Provider) hereby authorizes the Administrative Agent and/or the Collateral Agent to enter into the ABL Intercreditor Agreement, any Additional Junior Lien Intercreditor Agreement, any Additional Pari Passu Intercreditor Agreement and any other intercreditor agreement or arrangement or supplement thereto permitted under this Agreement without any further consent by any Lender and any such intercreditor agreement shall be binding upon the Lenders.

12.02 Delegation of Duties . Each of the Administrative Agent and the Collateral Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Credit Document by or through any one or more sub-agents appointed by the Administrative Agent and/or the Collateral Agent. The Administrative Agent, the Collateral Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section 12 shall apply to any such sub-agent and to the Related Parties of the Administrative Agent or the Collateral Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent and as Collateral Agent, as applicable. The Administrative Agent or Collateral Agent shall not be responsible for the negligence or misconduct of any sub-agents, except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence, bad faith or willful misconduct in the selection of such sub-agents.

12.03 Exculpatory Provisions. The Administrative Agent and the Collateral Agent shall not have any duties or obligations except those expressly set forth herein and in the other Credit Documents and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Administrative Agent and the Collateral Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Administrative Agent and/or the Collateral Agent are required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents); *provided* that each of the Administrative Agent and the Collateral Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent or the Collateral Agent, as applicable, to liability or that is contrary to any Credit Document or applicable law;

(c) shall not, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to any Borrower or any of their Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent and/or the Collateral Agent or any of their respective Affiliates in any capacity;

(d) shall not be liable to any Lender for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent and/or the Collateral Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 11 and 13.12) or (ii) in the absence of its own gross negligence, bad faith or willful misconduct, as determined by a court of competent jurisdiction and by a final and nonappealable judgment. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent and the Collateral Agent by the Lead Borrower or a Lender; and

(e) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Credit Document or any other agreement,

instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Section 6(A), Section 6(B), Section 6(C), Section 7 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent and/or the Collateral Agent.

12.04 Reliance by Administrative Agent and Collateral Agent. Each of the Administrative Agent and the Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each of the Administrative Agent and the Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel (excluding counsel for the Borrowers), accountants or experts.

12.05 No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the Lead Arrangers or any of their respective Affiliates shall have any powers, duties or responsibilities under this Agreement or any of the other Credit Documents, except in its capacity, as applicable, as the Administrative Agent, the Collateral Agent (including as "security trustee"), a Lender or an Issuing Bank hereunder or under any other Credit Documents.

12.06 Non-reliance on Administrative Agent, Collateral Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent, the Collateral Agent, any arranger of this credit facility or any amendment thereto or any other Lender or any of their respective Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Collateral Agent, any arranger of this credit facility or any amendment thereto or any other Lender or any of their respective Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Credit Document or any related agreement or any document furnished hereunder or thereunder. Each Lender represents and warrants that (i) the Credit Documents set forth the terms of a commercial lending facility, (ii) it is engaged in making, acquiring or holding commercial loans and in providing other facilities set forth herein as may be applicable to such Lender, in each case in the ordinary course of business, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument (and each Lender agrees not to assert a claim in contravention of the foregoing) and (iii) it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities.

12.07 Indemnification by the Lenders. To the extent that any Borrower for any reason fails to pay any amount required under Section 13.01(a) to be paid by them to the Administrative Agent or Collateral Agent (or any sub-agent of either of them), or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent or the Collateral Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender's *pro rata* share (based on the amount of then outstanding Loans and Commitments held by each Lender or, if the Loans have been repaid in full, based on the amount of outstanding Loans held by each Lender immediately prior to such repayment in full) of (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) such unpaid amount; *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or the Collateral Agent (or any such sub-agent) in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent or the Collateral Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this Section 12.07 are subject to the provisions of Section 5.05.

12.08 Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Lead Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

12.09 Administrative Agent May File Proofs of Claim; Credit Bidding . In case of the pendency of any case or proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Credit Party, the Administrative Agent (irrespective of whether the principal of any Loan or LC Exposure shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrowers) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, LC Exposure and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Issuing Banks and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the Issuing Banks and the Administrative Agent under Sections 4.01 and 13.01) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, interim receiver, receiver and manager, monitor, assignee, trustee, liquidator, administrator, sequestrator, debtor, debtor-in-possession, or other similar official in any such judicial proceeding is hereby authorized by each Lender and each Issuing Bank to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders and each Issuing Bank, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 4.01 and 13.01.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or any Issuing Bank any plan of reorganization, arrangement, adjustment or composition or similar dispositive restructuring plan affecting the Obligations or the rights of any Lender or any Issuing Bank to authorize the Administrative Agent to vote in respect of the claim of any Lender or any Issuing Bank or in any such case or proceeding.

The Secured Creditors hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to (subject to the ABL Intercreditor Agreement, any Additional Junior Lien Intercreditor Agreement, any Additional Pari Passu Intercreditor Agreement and any other intercreditor agreement or arrangement or supplement thereto permitted under this Agreement) credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any comparable provisions of any other applicable Debtor Relief Laws or any similar laws in any other jurisdictions to which a Credit Party is subject or (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Creditors shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests)

in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (*provided* that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (a)(i) through (a)(v) of Section 13.12 of this Agreement), and (iii) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders *pro rata* and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Creditor or any acquisition vehicle to take any further action.

12.10 Resignation of the Agents .

(a) Each of the Administrative Agent and the Collateral Agent may resign as the Administrative Agent or Collateral Agent, as applicable, upon 30 days' written notice to the Lenders and the Lead Borrower; provided that, if at the time of such resignation, there is a successor Administrative Agent or Collateral Agent, as applicable, satisfactory to each of the resigning Agent, the incoming Agent and the Lead Borrower, each, in its sole discretion, then the resigning Agent, the incoming Agent and the Lead Borrower may agree to waive or shorten the 30 day notice period. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the Lead Borrower's consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders (and consented to by the Lead Borrower, to the extent so required) and shall have accepted such appointment within 30 days after the retiring Administrative Agent or retiring Collateral Agent, as applicable, gives notice of its resignation, then the retiring Administrative Agent or retiring Collateral Agent, as applicable, may, with the Lead Borrower's consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), on behalf of the Lenders, appoint a successor Administrative Agent or successor Collateral Agent, as applicable, in each case meeting the qualifications set forth above; *provided* that if the Administrative Agent or the Collateral Agent shall notify the Lead Borrower and the Lenders that no qualifying Person has accepted such appointment within such period, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Administrative Agent or retiring Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders under any of the Credit Documents, the retiring Collateral Agent shall continue to hold such collateral security solely for purposes of maintaining the Secured Creditors' security interest thereon until such time as a successor Collateral Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent or the Collateral Agent, as applicable, shall instead be made by or to each Lender directly, until such time as the Required Lenders (with the consent of Lead Borrower, to the extent so required) appoint a successor Administrative Agent or Collateral Agent, as applicable, as provided for above in this Section 12.10. Upon the acceptance of a successor's appointment as Administrative Agent or as Collateral Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent or the retiring (or retired) Collateral Agent, as applicable, and the retiring Administrative Agent or retiring Collateral Agent, as applicable, shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this Section). After the retiring Administrative Agent's or retiring Collateral Agent's resignation hereunder and under the other Credit Documents, the provisions of this Section 12 and Section 13.01 shall continue in effect for the benefit of such retiring Administrative Agent, or retiring Collateral Agent, as applicable, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent or retiring Collateral Agent, as applicable, was acting as Administrative Agent or Collateral Agent.

(b) Any resignation by JPMorgan as administrative agent pursuant to this Section 12.10 shall also constitute its resignation as lender of the Swingline Loans to the extent that JPMorgan is acting in such capacity at such time. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, (i) except as such successor and the Lead Borrower may otherwise agree, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring lender of the Swingline Loans and (ii) the retiring lender of the Swingline Loans shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents.

12.11 Collateral Matters and Guaranty Matters. Each of the Lenders (on behalf of itself and its Affiliates, including in its capacity as a potential Secured Bank Product Provider) and the Issuing Banks irrevocably authorizes the Administrative Agent or Collateral Agent, as applicable (and subject to the provisions of the ABL Intercreditor Agreement and any Additional Intercreditor Agreement),

(i) to release, and to evidence the automatic release of, any Lien on any property granted to or held by the Collateral Agent under any Credit Document (A) upon termination of the Commitments and payment in full of all Obligations (other than contingent indemnification obligations and Secured Bank Product Obligations except to the extent then due and payable and then entitled to payment in accordance with Section 11.11) and the expiration or termination of all Letters of Credit (unless Cash Collateralized or backstopped on terms reasonably satisfactory to the Administrative Agent), (B) that is sold or disposed of or to be sold or disposed of as part of or in connection with any sale or other disposition permitted hereunder or under any other Credit Document to a Person that is not a Credit Party, (C) that constitutes (or upon the sale or disposition of such Collateral, will constitute) Excluded Collateral, (D) if the property subject to such Lien is owned by a Subsidiary Borrower or Subsidiary Guarantor, subject to Section 13.12, upon release of such Subsidiary Borrower or Subsidiary Guarantor from its obligations under this Agreement and the Guaranty Agreement pursuant to clause (ii) below, (E) subject to Section 13.12, if approved, authorized or ratified in writing by the Required Lenders, or (F) in the case of any Foreign Credit Party, to release any property (other than any Collateral of the type that would constitute ABL Collateral if such Foreign Credit Parties were party to the ABL Intercreditor Agreement) at the request of the Lead Borrower in connection with any Lien permitted by Section 10.01, *provided* that it is agreed that none of the Administrative Agent or the Collateral Agent shall be obliged to agree to such request if such Agent reasonably determines that such release would reasonably be expected to negatively impact the protections or remedies of the Secured Creditors, generally in their capacities as secured creditors of such Credit Party, under the relevant Security Documents;

(ii) to (x) release any Subsidiary Borrower from its obligations under this Agreement or any Subsidiary Guarantor from its obligations under the Guaranty Agreement if such Person ceases to be a Restricted Subsidiary or becomes an Excluded Subsidiary as a result of a transaction permitted hereunder or (y) in the case of any Subsidiary Borrower under any Subfacility other than the U.S. Subfacility or a Subsidiary Guarantor that is not a Domestic Subsidiary, to release such Subsidiary Borrower in the event the Revolving Commitments in respect of the applicable Subfacility with respect to which such Subsidiary Borrower is a Borrower are terminated in full hereunder or to release such Subsidiary Guarantor in the event the Revolving Commitments in respect of the applicable Subfacility with respect to which such Subsidiary Guarantor may contribute to the applicable Borrowing Base or in respect of which the Administrative Agent and the Lead Borrower otherwise reasonably agree such Subsidiary Borrower was intended to relate are terminated in full hereunder (*provided*, that the APAC Credit Parties are deemed to relate to the APAC Subfacility), in each case, at the option of the Lead Borrower; *provided* that in the case of any such Subsidiary **Borrower or Subsidiary** Guarantor that becomes an Excluded Subsidiary solely as a result of becoming a non-Wholly Owned Subsidiary, such Subsidiary **Borrower or Subsidiary** Guarantor shall only be released from its obligations under this Agreement or the Guaranty Agreement, as applicable, pursuant to this clause (ii) if such Restricted Subsidiary became a non-Wholly Owned Subsidiary pursuant to a transaction where such Subsidiary becomes a bona fide joint venture where the other Person taking an equity interest in such Subsidiary is not an Affiliate of Holdings (other than as a result of such joint venture); and

(iii) to release or subordinate any Lien on any property granted to or held by the Collateral Agent under any Credit Document to the holder of any Lien on such property that is permitted by Sections 10.01(iv)(x), (y) and (z) (solely with respect to subordination (and not release) of Liens granted to or held by the Collateral Agent on any assets that are not ABL Collateral), (vi), (vii) or (xiv) or any other Lien that is expressly permitted by Section 10.01 to be senior to the Lien securing the Obligations or to release, and to execute and/or deliver documents to evidence the release or non-existence of, any Lien securing the Obligations upon any Excluded Collateral;

(iv) to, without the input or consent of the other Lenders, (1) negotiate the form of any Security Document as may be necessary or appropriate in the opinion of the Administrative Agent and the Lead Borrower to comply with this Agreement, and (2) execute, deliver and perform any new Security Document or intercreditor agreement or amendment to any Security Document or intercreditor agreement or enter into any amendment to the Security Documents or intercreditor agreement as may be necessary or appropriate in the opinion of the Administrative Agent and the Lead Borrower; and

(v) to enter into any Additional Pari Passu Intercreditor Agreement and provide that any Lien on any property granted to or held by the Collateral Agent under any Credit Document is equal to and has the same priority as the Lien of any holder of such other Lien on such property that is permitted by Section 10.01(xxx) (solely as it relates to Indebtedness incurred pursuant to Section 10.04(xxvii)), each Permitted Pari Passu Note Document, each Permitted Pari Passu Loan Document, and each Refinancing Note/Loan Document (to the extent such Refinancing Notes/Loans constitute Permitted Pari Passu Notes or Permitted Pari Passu Loans).

Upon request by the Administrative Agent or the Collateral Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's and Collateral Agent's authority to release or subordinate its interest in particular types or items of property, to provide that its interests in particular types or items of property are equal to the interests of any other Person or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 12.11. In each case as specified in this Section 12.11, the Administrative Agent and Collateral Agent will (and each Lender irrevocably authorizes the Administrative Agent and Collateral Agent to), at Borrowers' expense, execute and deliver to the applicable Credit Party such documents, including (without limitation) termination or partial release statements, as such Credit Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents, to subordinate its interest in such item or to provide its interests are equal to the interests of any other Person, or to release such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Credit Documents and this Section 12.11.

The Administrative Agent and the Collateral Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's and the Collateral Agent's Lien thereon, or any certificate prepared by any Credit Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

Without limitation of the operation of the releases described above or in any Security Document, a certificate of a Responsible Officer delivered either at the request of the Administrative Agent or Collateral Agent or at the option of the Lead Borrower, in either case, to the Administrative Agent or Collateral with respect to any release described in this Section 12.11 stating that the Lead Borrower has determined in good faith that such release satisfies the foregoing requirements shall be conclusive evidence that such release satisfies the foregoing requirement and such automatic release has occurred (and the Administrative Agent and the Collateral Agent will rely conclusively on such certificate without further inquiry), and the Administrative Agent and the Collateral Agent shall promptly execute and deliver all documentation evidencing such release and requested by the Lead Borrower.

12.12 Bank Product Providers . Each Secured Bank Product Provider agrees to be bound by this Section 12 to the same extent as a Lender hereunder. Each such Secured Bank Product Provider shall indemnify and hold harmless the Administrative Agent and the Collateral Agent, to the extent not reimbursed by the Credit Parties, against all claims that may be incurred by or asserted against the Administrative Agent and the Collateral Agent in connection with such provider's Secured Bank Product Obligations. No Secured Bank Product Provider, in its capacity as such, that obtains the benefits of any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as an Agent or a Lender and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Section 12.12 to the contrary, the Administrative Agent and Collateral Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Bank Product Obligations unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Secured Bank Product Provider. Each Secured Bank Product Provider, in its capacity as such, agrees to be bound by this Section 12 to the same extent as a Lender hereunder.

12.13 Withholding Taxes. To the extent required by any applicable Requirements of Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other relevant Governmental Authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of, withholding Tax ineffective), such Lender shall, within 10 days after written demand therefor, indemnify and hold harmless the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by any Credit Party pursuant to Section 5.05 and without limiting or expanding the obligation of any Credit Party to do so) for all amounts paid, directly or indirectly, by the Administrative Agent as Taxes or otherwise, together with all expenses incurred, including legal expenses and any other out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply all amounts at any time owing to such Lender under this Agreement, any other Credit Document or from any other sources against any amount due the Administrative Agent under this Section 12.13. The agreements in this Section 12.13 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Obligations. For the avoidance of doubt, for purposes of this Section 12.13, the term "Lender" shall include any Issuing Bank and any Swingline Lender.

12.14 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and each Lead Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrowers or any other Credit Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of the Plan Asset Regulations) of one or more Benefit Plans in connection with the Loans, the Letters of Credit or the Commitments;

(c) The Administrative Agent, and each Lead Arranger hereby informs the Lenders that each such Person is not undertaking to provide investment advice or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Commitments, this Agreement and any other Credit Documents, (ii) may recognize a gain if it extended the Loans, or the Commitments for an amount less than the amount being paid for an interest in the Loans or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Credit Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

12.16 Acknowledgments of Lenders. (a) Each Lender hereby agrees that (x) if the Administrative Agent notifies such Lender that the Administrative Agent has determined in its sole discretion that any funds received by such Lender from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "Payment") were erroneously transmitted to such Lender (whether or not known to such Lender), and demands the return of such Payment (or a portion thereof), such Lender shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on "discharge for value" or any similar doctrine. (d) Each party's obligations under this Section 12.16 shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Credit Document.

12.17 Quebec Liens (Hypothecs). For the purposes of holding any security granted by any Credit Party pursuant to the laws of the Province of Quebec, each Lender and Agent hereby irrevocably appoints and authorizes the Collateral Agent to act as the hypothecary representative (in such capacity, the "Hypothecary Representative") for all present and future Secured Creditors as contemplated under Article 2692 of the Civil Code of Québec, and to enter into, to take and to hold on its behalf, and for its benefit, any hypothec, and to exercise such powers and duties that are conferred upon the Hypothecary Representative under any hypothec. (i) the Collateral Agent, with respect to the Relevant Collateral Documents, shall hold, administer, and realize any such collateral that is pledged (*verpfändet*) or otherwise transferred to the Collateral Agent and, with respect to the German Collection Account Pledge Agreement and the Austrian Receivables Pledge Agreement, is creating or evidencing an accessory security right (*akzessorische Sicherheit*) as agent;

(ii) with respect to the collateral being subject to the Relevant Collateral Documents each Secured Creditor hereby authorizes and grants a power of attorney, and each future Secured Creditor by becoming a party to this Agreement authorizes, and grants a power of attorney (*Vollmacht*) to the Collateral Agent (whether or not by or through employees or agents) to: (A) with regard to the German Collection Account Pledge Agreement and the Austrian Receivables Pledge Agreement, accept as its representative (*Stellvertreter*) any pledge or other creation of any accessory security right granted in favor of such Secured Creditor in connection with the Relevant Collateral Documents and to agree to and execute on its behalf as its representative (*Stellvertreter*) any amendments and/or alterations to the Relevant Collateral Documents or any other agreement related to such collateral which creates a pledge or any other accessory security right (*akzessorische Sicherheit*) including the release or confirmation of release of such security; (B) execute on

(iii) each of the Secured Creditors agrees that, if the courts of Germany and/or Austria (as applicable) do not recognize or give effect to the trust expressed to be created by this Agreement, the relationship of the Secured Creditors to the Collateral Agent shall be construed as one of principal and agent but, to the extent permissible under the laws of Germany and/or Austria (as applicable), all the other provisions of this Agreement shall have full force and effect between the parties hereto;

(iv) each Secured Creditor hereby ratifies and approves, and each future Secured Creditor by becoming a party to this Agreement ratifies and approves, all acts and declarations previously done by the Collateral Agent on such person's behalf (including for the avoidance of doubt the declarations made by the Collateral Agent as representative without power of attorney (*Vertreter ohne Vertretungsmacht*) in relation to the creation of any pledge (*Pfandrecht*) on behalf and for the benefit of each Secured Creditor as future pledgee or otherwise); and

The Collateral Agent has the power to grant sub-power of attorney, including the release from the restrictions of section 181 of the German Civil Code (*Bürgerliches Gesetzbuch*) and any other restrictions under applicable law.

(b)

(i) Each Credit Party hereby irrevocably and unconditionally undertakes (and to the extent necessary undertakes in advance) to pay to the Collateral Agent amounts equal to any amounts owing from time to time by such Credit Party to any Secured Creditor under or in relation to any Obligation as and when those amounts are due under or in relation to any Obligation (such payment undertakings under this Section 12.18(b)) and the obligations and liabilities resulting therefrom being the "Parallel Debt").

(ii) The Collateral Agent shall have its own independent right to demand payment of the Parallel Debt by the Credit Party as and when required to be so paid in accordance with this Agreement and the other Credit Documents. Each Credit Party and the Collateral Agent acknowledge that the obligations of each Credit Party under this Section 12.18(b) are several, separate and independent (*selbständiges Schuldanerkenntnis*) from, and shall not in any way limit or affect, the corresponding obligations of each Credit Party to any Secured Creditor in respect of any Obligations (the "Corresponding Debt") nor shall the amounts for which each Credit Party are liable under thisSection 12.18(b) be limited or affected in any way by its Corresponding Debt provided that: (A) the Parallel Debt shall be decreased to the extent that the Corresponding Debt has been irrevocably paid or discharged; (B) the Corresponding Debt shall be decreased to the extent that the Parallel Debt has been irrevocably paid or discharged; (C) the amount of the Parallel Debt shall at all times be equal to the amount of the Corresponding Debt; (D) the Parallel Debt will be payable in the currency or currencies of the Corresponding Debt; and (E) for the avoidance of doubt, the Parallel Debt will become due and payable at the same time when the Corresponding Debt becomes due and payable;

(iii) the security granted under the Relevant Collateral Documents with respect to the Parallel Debt is granted to the Collateral Agent in its capacity as sole creditor of the Parallel Debt;

(iv) the parties to this Agreement acknowledge and confirm that the provisions contained in this Agreement shall not be interpreted so as to increase the maximum total amount of the Obligations;

(v) the Parallel Debt shall remain effective in case a third person should assume or be entitled, partially or in whole, to any rights of any of the Secured Creditors under any Credit Documents, be it by virtue of assignment, assumption or otherwise; and

(vi) all monies received or recovered by the Collateral Agent or Administrative Agent pursuant to this Agreement and all amounts received or recovered by the Collateral Agent from or by the enforcement of any security granted to secure the Parallel Debt shall be applied in accordance with this Agreement.

(c) Each of Lenders hereby exempts the Administrative Agent and Collateral Agent from the restrictions pursuant to section 181 Civil Code (*Bürgerliches Gesetzbuch*) and similar restrictions applicable to it pursuant to any other applicable law, in each case to the extent legally possible to such Lender. A Lender which cannot grant such exemption shall notify the Administrative Agent and Collateral Agent accordingly and, upon request of the Administrative Agent and Collateral Agent, either act in accordance with the terms of this Agreement and/or any other Credit Document as required pursuant to this Agreement and/or such other Credit Document or grant a special power of attorney to a party acting on its behalf, in a manner that is not prohibited pursuant to section 181 of the German Civil Code (*Bürgerliches Gesetzbuch*) and/or any other applicable laws.

12.19 Dutch Parallel Debt.

(a) For the purpose of this Section 12.19, "Principal Obligations" means the Obligations as they may exist from time to time, for the avoidance of doubt, excluding each Dutch Parallel Debt.

(b) Each Credit Party hereby irrevocably and unconditionally undertakes to pay (each such payment undertaking by a Credit Party, a "Dutch Parallel Debt") to the Collateral Agent amounts equal to the amounts due by that Credit Party in respect of its Principal Obligations as they may exist from time to time.

(c) Each Dutch Parallel Debt will be payable in the currency or currencies of the Principal Obligations and will become due and payable as and when and to the extent the relevant Principal Obligations become due and payable. (d) Each of the parties to this Agreement hereby acknowledges that:

i. each Dutch Parallel Debt constitutes an undertaking, obligation and liability to the Collateral Agent which is separate and independent from, and without prejudice to, the Principal Obligations of the relevant Credit Party; and

ii. each Dutch Parallel Debt represents the Collateral Agent's own separate and independent claim to receive payment of the Dutch Parallel Debt from the relevant Credit Party,

it being understood, in each case, that the amounts which may be payable by each Credit Party as Dutch Parallel Debt at any time shall never exceed the total of the amounts which are payable under or in connection with the Principal Obligations of that Credit Party at that time.

(e) An amount received by Collateral Agent in discharge of a Dutch Parallel Debt will discharge the corresponding Principal Obligation in an equal amount, and an amount received by any Secured Creditor in discharge of Principal Obligations will discharge the corresponding Dutch Parallel Debt in an equal amount.

(f) For purposes of the Dutch Receivables Pledge Agreement, any resignation by the Collateral Agent is not effective with respect to its rights under the Dutch Parallel Debts until all rights and obligations under the Dutch Parallel Debts have been assigned to and assumed by the successor collateral agent.

(g) The Collateral Agent will reasonably cooperate in assigning its rights and obligations under the Dutch Parallel Debts to any such successor collateral agent appointed in accordance with the terms of this Agreement and will reasonably cooperate in transferring all rights and obligations under the Dutch Receivables Pledge Agreement (as the case may be) to such successor collateral agent. All parties hereby, in advance, irrevocably grant their reasonable cooperation to such transfer of all rights and obligations by the Collateral Agent.

on behalf of any Credit Party) related to the entering into and/or performance of this Agreement or any other Credit Document or the proceeds of any Loans hereunder or the consummation of the Transaction or any other transactions contemplated herein or in any other Credit Document or the exercise of any of their rights or remedies provided herein or in the other Credit Documents, or (b) the actual or alleged presence of Hazardous Materials relating in any way to any Real Property owned, leased or operated, at any time, by Lead Borrower or any of its Subsidiaries; the generation, storage, transportation, handling, Release or threat of Release of Hazardous Materials by Lead Borrower or any of its Subsidiaries at any location, whether or not owned, leased or operated by Lead Borrower or any of its Subsidiaries; the non-compliance by the Lead Borrower or any of its Subsidiaries with any Environmental Law (including applicable permits thereunder) applicable to any Real Property; or any Environmental Claim or liability under Environmental Laws relating in any way to the Lead Borrower, any of its Subsidiaries or relating in any way to any Real Property at any time owned, leased or operated by the Lead Borrower or any of its Subsidiaries, including, in each case, without limitation, the reasonable fees and disbursements of counsel and other consultants incurred in connection with any such investigation, litigation or other proceeding, in all cases, whether or not caused by or arising, in whole or in part, out of the comparative, contributory or sole negligence of the Indemnified Person (but excluding in each case (and each Indemnified Person, by accepting the benefits hereof, agrees to promptly refund or return any indemnity received hereunder to the extent it is later determined by a final, non-appealable judgment of a court of competent jurisdiction that such Indemnified Person is not entitled thereto) any losses, liabilities, claims, damages or expenses (i) to the extent incurred by reason of the gross negligence, bad faith or willful misconduct of the applicable Indemnified Person, any Affiliate of such Indemnified Person or any of their respective directors, officers, employees, representatives, agents, Affiliates, trustees or investment advisors, (ii) to the extent incurred by reason of any material breach of the obligations of such Indemnified Person under this Agreement or the other Credit Documents (in the case of each of the preceding clauses (i) and (ii), as determined by a court of competent jurisdiction in a final and non-appealable decision) or (iii) that do not involve or arise from an act or omission by any Credit Party or any of their respective affiliates and is brought by an Indemnified Person against another Indemnified Person (other than claims against any Agent solely in its capacity as such or in its fulfilling such role)). To the extent that the undertaking to indemnify, pay or hold harmless any Agent, any Issuing Bank or any Lender or other Indemnified Person set forth in the preceding sentence may be unenforceable because it violates any law or public policy, the Credit Parties shall make the maximum contribution to the payment and satisfaction of each of the indemnified liabilities which is permissible under applicable law.

(b) No Agent or any Indemnified Person shall be responsible or liable to any Credit Party or any other Person for any determination made by it pursuant to this Agreement or any other Credit Document in the absence of gross negligence, bad faith or willful misconduct on the part of such Indemnified Person (in each case, as determined by a court of competent jurisdiction in a final and non-appealable judgment).

(d) Without duplication of any other reimbursement obligations under this Agreement and the other Credit Documents, the Credit Parties hereby jointly and severally agree, from and after the Closing Date, to pay all reasonable invoiced out-of-pocket costs and expenses of the Agent (limited, in the case of legal expenses, to the reasonable fees and disbursements of one primary counsel to all Agent and, if reasonably necessary, one local counsel in any relevant jurisdiction (which may include a single firm of counsel acting in multiple jurisdictions)) in connection with (i) notarial fees relating to any Spanish Public Document, (ii) court clerk fees (*procurador*) (even if their

Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit in accordance with the requirements of this Agreement), Participants (to the extent provided in paragraph (c) of this Section 13.04) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(A) the Lead Borrower; *provided* that, the Lead Borrower shall be deemed to have consented to an assignment of Term Loans or Term Loan Commitments unless it shall have objected thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice thereof; *provided* that no consent of the Lead Borrower shall be required (x)(I) with respect to Term Loans or Term Loan Commitments, for an assignment to a Term Lender, an Affiliate of a Term Lender or an Approved Fund (relating to a Term Lender) or (II) with respect to Revolving Loans and Revolving Commitments, for an assignment to a Revolving Lender, an Affiliate of a Revolving Lender or an Approved Fund (relating to a Revolving Lender) or (y) if an Event of Default has occurred and is continuing under Section 11.01 or 11.05, any other Eligible Transferee;

(B) the Administrative Agent; *provided* that no consent of the Administrative Agent shall be required (x) with respect to Term Loans or Term Loan Commitments, for an assignment to a Term Lender, an Affiliate of a Term Lender or an Approved Fund and (y) with respect to Revolving Loans and Revolving Commitments, for an assignment to a Revolving Lender, an Affiliate of a Revolving Lender or an Approved Fund;

(C) each Issuing Bank, solely with respect to assignments of Revolving Loans and Revolving Commitments;*provided* that no consent of any Issuing Bank shall be required for an assignment to a Revolving Lender, an Affiliate of a Revolving Lender or an Approved Fund relating to a Revolving Lender; and

(D) the Swingline Lender, in the case of assignments of Revolving Loans or Revolving Commitments in respect of the U.S. Subfacility; *provided* that no consent of the Swingline Lender shall be required for an assignment to a Revolving Lender, an Affiliate of a Revolving Lender or an Approved Fund relating to a Revolving Lender.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Tranche or Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than (I) $1,000,000 in the case of Term Loans and (II) $1,000,000 in the case of Revolving Loans or Revolving Commitments (or €1,000,000 in the case of Revolving Loans or Revolving Commitments denominated in Euros, C$1,000,000 in the case of Revolving Loans or Revolving Commitments denominated in Canadian Dollars, AU$1,000,000 in the case of Revolving Loans or Revolving Commitments denominated in Australian Dollars, £1,000,000 in the case of Revolving Loans or Revolving Commitments denominated in Pounds or the Dollar Equivalent of $1,000,000 in the case of Revolving Loans or Revolving Commitments denominated in any Alternative Currency), unless each of the Lead Borrower and the Administrative Agent otherwise consent; *provided*, that such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds (with simultaneous assignments to or by two or more related Lenders shall be treated as one assignment); *provided*, *further* that no such consent of the Lead Borrower shall be required if an Event of Default has occurred and is continuing under Section 11.01 or 11.05;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; *provided* that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of Commitments or Loans of a single Tranche or Class;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent (x) an Assignment and Assumption or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants, together with the payment by the assignee of a processing and recordation fee of $3,500;

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Credit Parties and their related parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws; and

(E) unless the Lead Borrower has elected to terminate the application ofSection 2.31 in accordance with the terms thereof, any assignment of obligations under the U.S. Subfacility or any Foreign Subfacility by a Lender or one of its Affiliates shall be made together with an equal and proportionate assignment of such obligations under each other Subfacility.

(iii) Subject to acceptance and recording thereof pursuant to clause (b)(iv) below, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.16, 5.05 and 13.01). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 13.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) below.

(iv) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and related interest amounts) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent, the Issuing Banks and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers and, as to its own positions only, any Lender and any Issuing Bank, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of (x) a duly completed Assignment and Assumption executed by an assigning Lender and an assignee or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in clause (b)(ii)(C) above and any written consent to such assignment required by clause (b)(i) above, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to this Agreement, the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this clause (v).

(vi) Notwithstanding anything to the contrary in this Agreement or in an Assignment and Assumption:

(A) in the case of any amounts already owing to a Lender by an Australian Borrower, if this Agreement in respect of the APAC Subfacility refers to the whole or partial assignment, assumption, transfer sale or purchase of such amounts owing to a Lender ("Relevant Lender"), the amounts owing to the Relevant Lender shall not be assigned, assumed, transferred, sold or purchased but instead the proposed assignee, transferee or purchaser will lend to the relevant Australian Borrower an amount equal to the relevant amount owing to the Relevant Lender on the same terms and conditions as the amount owing to the Relevant Lender and the Australian Borrower hereby directs the proposed assignee, transferee or purchaser to pay that amount to the Relevant Lender in satisfaction of the amounts owing to it, to the extent of the payment; and

(B) a Lender shall not assign or transfer its rights and obligations under this Agreement in respect of such subfacility unless there are at least two Lenders under this Agreement after the assignment or transfer.

(c) Any Lender may, without the consent of any Borrower, the Administrative Agent, the Issuing Banks or the Swingline Lender, sell participations to one or more Eligible Transferees (a "Participant"), in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans (including participations in Letters of Credit) owing to it); *provided* that (A) such Lender's obligations under this Agreement shall remain unchanged; (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; and (C) the Borrowers, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that requires the consent of each Lender or each directly and adversely affected Lender and that directly and adversely affects such Participant. Each Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.16 and 5.05 (subject to the requirements and limitations therein (it being understood that the documentation required under Sections 5.05(b) and (c) shall be delivered solely to the participating Lender; *provided*, for the avoidance of doubt, that if the participating Lender is not a U.S. Person, such Lender shall include a copy of such documentation as an exhibit to its IRS Form W-8IMY in accordance with Section 5.05(c)(x)(iv))) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 13.04(b); *provided* that such Participant (A) shall be subject to the provisions ofSection 2.18 as if it were an assignee under Section 13.04(b); and (B) shall not be entitled to receive any greater payment under Section 2.16 or 5.05, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Lead Borrower's request and expense, to use reasonable efforts to cooperate with the Borrowers to effectuate the provisions of Section 2.19 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender;*provided* that such Participant shall be subject to Section 2.18 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and related interest amounts) of each Participant's interest in the Loans or other obligations under the Credit Documents (the "Participant Register"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other obligations under any Credit Document) to any Person except to the extent such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Holdings, the Lead Borrower and its Restricted Subsidiaries shall also be entitled to purchase (from Lenders) outstanding principal of Term Loans in accordance with the provisions of Sections 2.25 and 2.26, which purchases shall be evidenced by assignments (in form reasonably satisfactory to the Administrative Agent) from the applicable Lender to Holdings, the Lead Borrower or the applicable Restricted Subsidiary, as applicable. Each assignor

and assignee party to the relevant repurchases under Sections 2.25 and 2.26 shall render customary "big boy" disclaimer letters or any such disclaimers shall be incorporated into the terms of the Assignment and Assumption. No such transfer or assignment shall be effective until recorded by the Administrative Agent (which the Administrative Agent agrees to promptly record) on the Register pursuant to clause (b) above. All Term Loans purchased pursuant to Sections 2.25 and 2.26 shall be immediately and automatically cancelled and retired, and Holdings, the Lead Borrower and its Subsidiaries shall in no event become Lenders hereunder. To the extent of any assignment to Holdings, the Lead Borrower or any Restricted Subsidiary as described in this clause (d), the assigning Lender shall be relieved of its obligations hereunder with respect to the assigned Term Loans.

(e) Nothing in this Agreement shall prevent or prohibit any Lender from pledging its Loans and Notes hereunder to a Federal Reserve Bank or central banking authority in support of borrowings made by such Lender from such Federal Reserve Bank or central banking authority and, with prior notification to the Administrative Agent (but without the consent of the Administrative Agent or the Borrowers), any Lender which is a fund may pledge all or any portion of its Loans and Notes to its trustee or to a collateral agent providing credit or credit support to such Lender in support of its obligations to such trustee, such collateral agent or a holder of such obligations, as the case may be. No pledge pursuant to this clause (e) shall release the transferor Lender from any of its obligations hereunder.

(f) Each Lender acknowledges and agrees to comply with the provisions of this Section 13.04 applicable to it as a Lender hereunder.

(g) Each Sponsor Affiliate, solely in its capacity as a Lender, hereby agrees, and each Assignment and Assumption entered into by a Sponsor Affiliate shall provide a confirmation, that, if any Credit Party shall be subject to any voluntary or involuntary case or proceeding commenced under any Debtor Relief Law now or hereafter in effect ("Bankruptcy Proceedings"), (i) such Sponsor Affiliate shall not take any step or action in such Bankruptcy Proceeding to object to, impede, or delay the exercise of any right or the taking of any action by the Administrative Agent (or the taking of any action by a third party that is supported by the Administrative Agent) in relation to such Sponsor Affiliate's claim with respect to its Term Loans (a " Claim") (including, without limitation, objecting to any debtor in possession financing, use of cash collateral, grant of adequate protection, sale or disposition, compromise, or plan of reorganization or similar dispositive restructuring plan) so long as such Sponsor Affiliate is treated in connection with such exercise or action on the same or better terms in all material respects as the other Lenders and (ii) with respect to any matter requiring the vote of Lenders during the pendency of a Bankruptcy Proceeding (including, without limitation, voting on any plan of reorganization or similar dispositive restructuring plan), the Term Loans held by such Sponsor Affiliate (and any Claim with respect thereto) shall be deemed to be voted by such Sponsor Affiliate in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Sponsor Affiliates, so long as such Sponsor Affiliate is treated in connection with the exercise of such right or taking of such action on the same or better terms in all material respects as the other Lenders; *provided*, *however*, that the Administrative Agent shall vote on behalf of any such Sponsor Affiliates holding Term Loans in accordance with this Section 13.04(g) and the relevant Assignment and Assumption. For the avoidance of doubt, the Lenders and each Sponsor Affiliate agree and acknowledge that the provisions set forth in this Section 13.04(g) constitute a "subordination agreement" as such term is contemplated by, and utilized in, Section 510(a) of the Bankruptcy Code (or any similar provision of any other applicable Debtor Relief Law), and, as such, would be enforceable for all purposes in any case or proceeding where a Credit Party has filed for protection under any Debtor Relief Law or similar law now or hereafter in effect applicable to Credit Party. Except as expressly provided in this Section 13.04(g), the provisions of this Section 13.04(g) shall not be applicable to any Debt Fund Affiliate.

(h) If Lead Borrower wishes to replace any Tranche or Class of Loans or Commitments with a Tranche or Class of Loans or Commitments having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice to the Lenders of such Loans or holding such Commitments, instead of prepaying such Loans or reducing or terminating such Commitments to be replaced, to (i) require such Lenders to assign such Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 13.12 (with such replacement, if applicable, being deemed to have been made pursuant to Section 13.12). Pursuant to any such assignment, all Loans and Commitments of such Tranche or Class to be replaced shall be purchased at par (allocated among the applicable Lenders of such Tranche or Class in the same manner as would be required if such Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Lead Borrower (or other applicable Borrower)), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 2.08. By receiving such

purchase price, the applicable Lenders of such Tranche or Class shall automatically be deemed to have assigned such Loans or Commitments pursuant to the terms of an Assignment and Assumption, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(i) The Administrative Agent shall have the right, and each Borrower hereby expressly authorizes the Administrative Agent to provide to any requesting Lender, the list of Disqualified Lenders provided to the Administrative Agent by the Lead Borrower and any updates thereto. The Borrowers hereby agree that any such requesting Lender may share the list of Disqualified Lenders with any potential assignee, transferee or participant. Notwithstanding the foregoing, each Credit Party and the Lenders acknowledge and agree that the Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to Disqualified Lenders or Net Short Lenders (other than with respect to assignments or participations by it of its Loans and Commitments, if any). Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Lender or Net Short Lender, (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender (other than with respect to assignments or participations by it of its Loans and Commitments, if any) or (z) have any liability with respect to or arising out of the voting in any amendment or waiver to any Credit Document by any Net Short Lender.

(j) Disqualified Lenders. Notwithstanding anything to the contrary contained in this Agreement, any assignment to a Disqualified Lender shall not be void, but shall be subject to the following provisions:

(i) If any assignment is made to any Disqualified Lender without the Lead Borrower's prior written consent, or if any Person becomes a Disqualified Lender after the Closing Date, the Lead Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Lender and the Administrative Agent, cancel any unfunded Commitment the subject thereof and (A) in the case of outstanding Loans held by Disqualified Lenders, prepay such Loan by paying the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder (it being understood that, notwithstanding anything in the Credit Documents to the contrary, any such prepayment shall not be subject to any provisions requiring prepayments of the Loans on a pro rata basis and no other Loans shall be required to be repaid as a result of such prepayment) and/or (B) require such Disqualified Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in this Section 13.04), all of its interest, rights and obligations under this Agreement and related Credit Documents to an Eligible Transferee that shall assume such obligations at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder; *provided* that (i) the Lead Borrower shall have paid to the Administrative Agent the assignment fee (if any) specified inSection 13.04(b) (unless waived by the Administrative Agent) and (ii) in the case of clause (A), the Lead Borrower shall not use the proceeds from any Revolving Loans to prepay any Term Loans held by Disqualified Lenders.

(ii) Notwithstanding anything to the contrary contained in this Agreement, Disqualified Lenders (A) will not (x) have the right to receive information, reports or other materials provided to Lenders by the Borrowers, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B) (x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Credit Document, each Disqualified Lender will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Lender consented to such matter, and (y) for purposes of voting on any proposed plan of reorganization, plan of liquidation, or any other similar dispositive restructuring plan pursuant to any Debtor Relief Laws ("Plan of Reorganization"), each Disqualified Lender party hereto hereby agrees (1) not to vote on such Plan of Reorganization, (2) if such Disqualified Lender does vote on such Plan of Reorganization

notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be "designated" pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Plan of Reorganization in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (3) not to contest any request by any party for a determination by the bankruptcy court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

(k) Spanish particularities in relation to transfers or assignments

(i) At the reasonable request of the Collateral Agent and if necessary for enforcement of the Spanish Security Documents, in connection with any assignment permitted pursuant to this Section 13.04, the assigning Lender and the assignee (each at its own cost) shall promptly formalize the duly completed Assignment and Assumption as a Spanish Public Document.

(ii) The parties agree that a transfer or assignment under this Section 13.04 shall constitute a transfer of any Spanish Security Documents to the new Lender in the manner set out in Article 1,203 *et seq.* of the Spanish Civil Code, and with the effects set out in Article 1,528 of the Spanish Civil Code.

(iii) Each pledgor under a Spanish Security Document accepts all transfers and assignments made by the Lenders under and in accordance with the terms of this Agreement without requiring any additional formalities, and undertakes, if necessary, to cooperate in the granting of any Spanish Public Document required for such purposes (*provided*, that the pledgors shall not be required to assume any additional costs or expenses as a result of such cooperation).

13.05 No Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent, the Collateral Agent or any Lender in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between any Borrower or any other Credit Party and the Administrative Agent, the Collateral Agent or any Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which the Administrative Agent, the Collateral Agent or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Administrative Agent, the Collateral Agent or any Lender to any other or further action in any circumstances without notice or demand.

13.06 Payments Pro Rata.

(a) The Administrative Agent agrees that promptly after its receipt of each payment from or on behalf of any Credit Party in respect of any Obligations of such Credit Party, it shall, except as otherwise provided in this Agreement, distribute such payment to the Lenders (other than any Lender that has consented in writing to waive its *pro rata* share of such payment) *pro rata* based upon their respective shares, if any, of the Obligations with respect to which such payment was received.

(b) Each of the Lenders agrees that, if it should receive any amount hereunder (whether by voluntary payment, by realization upon security, by the exercise of the right of setoff or banker's lien, by counterclaim or cross action, by the enforcement of any right under the Credit Documents, or otherwise) which is applicable to the payment of the principal of, or interest on, the Loans or Fees, of a sum which with respect to the related sum or sums received by other Lenders is in a greater proportion than the total of such Obligation then owed and due to such Lender bears to the total of such Obligation then owed and due to all of the Lenders immediately prior to such receipt, then such Lender receiving such excess payment shall purchase for cash without recourse or warranty from the other Lenders an interest in the Obligations of the respective Credit Party to such Lenders in such amount as shall result in a proportional participation by all of the Lenders in such amount; *provided* that if all or any portion of such excess amount is thereafter recovered from such Lender, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

(c) Notwithstanding anything to the contrary contained herein, the provisions of the precedingSections 13.06(a) and (b) shall be subject to (x) the express provisions of this Agreement which require, or permit, differing payments to be made to Non-Defaulting Lenders as opposed to Defaulting Lenders, (y) the express provisions of this Agreement which permit disproportionate payments with respect to various of the Tranches as, and to the extent, provided herein, and (z) any other provisions which permit disproportionate payments with respect to the Loans as, and to the extent, provided therein.

13.07 Calculations; Computations.

(a) The financial statements to be furnished to the Lenders pursuant hereto shall be made and prepared in accordance with U.S. GAAP consistently applied throughout the periods involved (except as set forth in the notes thereto); *provided* that to the extent expressly provided herein, certain calculations shall be made on a Pro Forma Basis; *provided*, *further*, that if the Lead Borrower notifies the Administrative Agent that the Lead Borrower wishes to amend any leverage calculation or any financial definition used therein to implement the effect of any change in U.S. GAAP or the application thereof occurring after the Closing Date on the operation thereof (or if the Administrative Agent notifies the Lead Borrower that the Required Lenders wish to amend any leverage test or any financial definition used therein for such purpose), then the Lead Borrower and the Administrative Agent shall negotiate in good faith to amend such leverage test or the definitions used therein (subject to the approval of the Required Lenders) to preserve the original intent thereof in light of such changes in U.S. GAAP; *provided*, *further*, that all determinations made pursuant to any applicable leverage test or any financial definition used therein shall be determined on the basis of U.S. GAAP as applied and in effect immediately before the relevant change in U.S. GAAP or the application thereof became effective, until such leverage test or such financial definition is amended. Notwithstanding any other provision contained herein, (i) all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to Statement of Financial Accounting Standards 141R or ASC 805 (or any other financial accounting standard having a similar result or effect) and (ii) the accounting for any lease shall be based on U.S. GAAP as in effect on December 15, 2018 and without giving effect to any subsequent changes in U.S. GAAP (or the required implementation of any previously promulgated changes in U.S. GAAP) relating to the treatment of a lease as an operating lease or capitalized lease.

(b) Notwithstanding anything to the contrary contained in this Agreement, the Lead Borrower (or any Parent Company) may elect to switch from maintaining its accounting records from U.S. GAAP to IFRS by written notice to the Administrative Agent, and thereafter may provide all required financial information in accordance with IFRS. In the event that the Lead Borrower (or any Parent Company) elects to prepare its financial statements in accordance with IFRS and such election results in a change in the method of calculation of financial covenants, standards or terms (collectively, the "Accounting Changes") in this Agreement, the Lead Borrower and the Administrative Agent agree to enter into good faith negotiations in order to amend such provisions of this Agreement so as to reflect equitably the Accounting Changes (or if the Administrative Agent notifies the Lead Borrower that the Required Lenders request an amendment to any provision hereof for such purpose), then the Lead Borrower and the Administrative Agent shall negotiate in good faith to enter into an amendment of the relevant affected provisions (without the payment of any amendment or similar fee to the Lenders), with the desired result that the criteria for evaluating the Lead Borrower's (or any Parent Company's) financial condition shall be substantially the same after such change as if such change had not been made. Until such time as such an amendment shall have been executed and delivered by the Lead Borrower and the Administrative Agent, all financial covenants, standards and terms in this Agreement shall continue to be calculated or construed in accordance with U.S. GAAP (as determined in good faith by a Responsible Officer of the Lead Borrower or such Parent Company, as applicable) as if such change had not occurred.

(c) The calculation of any financial ratios under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-down if there is no nearest number).

(b) If, in connection with any proposed change, waiver, discharge or termination of any of the provisions of this Agreement which at least requires the consent of all Lenders or all directly affected Lenders, the consent of the Required Lenders is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained, then the Lead Borrower shall have the right, so long as all non-consenting Lenders whose individual consent is required are treated as described in either clause (A) or (B) below, to either (A) replace each such non-consenting Lender or Lenders with one or more Replacement Lenders pursuant to Section 2.19 so long as at the time of such replacement, each such Replacement Lender consents to the proposed change, waiver, discharge or termination or (B) terminate such non-consenting Lender's Commitments and/or repay the outstanding Loans of each Tranche or Class of such Lender in accordance with Section 5.01(b)(i); *provided* that, unless the Commitments that are terminated, and Loans repaid, pursuant to the preceding clause (B) are immediately replaced in full at such time through the addition of new Lenders or the increase of outstanding Loans of existing Lenders (who in each case must specifically consent thereto), then in the case of any action pursuant to preceding clause (B) the Required Lenders (determined after giving effect to the proposed action) shall specifically consent thereto; *provided*, *further*, that in any event the Lead Borrower shall not have the right to replace a Lender, terminate its Commitments or repay its Loans solely as a result of the exercise of such Lender's rights (and the withholding of any required consent by such Lender) pursuant to the second proviso to Section 13.12(a).

(c) Notwithstanding anything to the contrary contained in clause (a) of thisSection 13.12, (i) the applicable Borrowers, the Administrative Agent and each applicable Incremental Lender or applicable Lender providing the relevant Revolving Commitment Increase may, without the consent of any other Lender, (i) in accordance with the provisions of Section 2.21, enter into an Incremental Amendment;*provided* that after the

(d) Without the consent of any other person, the applicable Credit Party or Credit Parties and the Administrative Agent and/or Collateral Agent may (in its or their respective sole discretion, or shall, to the extent required by any Credit Document) enter into any amendment or waiver of any Credit Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Creditors, or as required by local law to give effect to, or protect any security interest for the benefit of the Secured Creditors, in any property or so that the security interests therein comply with applicable Requirements of Law.

(n) Except to the extent that a Security Trust Document, this Agreement or any other Credit Document otherwise requires, any moneys which the Collateral Agent receives under or pursuant to a Security Trust Document may be: (a) invested in any investments which the Collateral Agent selects and which are authorized by applicable law; or (b) placed on deposit at any bank or institution (including the Collateral Agent) on terms that the Collateral Agent thinks fit, in each case in the name or under the control of the Collateral Agent, and the Collateral Agent shall hold those moneys, together with any accrued income (net of any applicable Tax) to the order of the Secured Creditors, and shall pay them to the Secured Creditors in accordance with this Agreement (including Section 11.11 hereof) and any other Credit Documents.

(o) On a disposal of any of the Charged Property which is permitted under the Credit Documents (to a Person that is not a Credit Party required to grant a Lien in such Charged Property pursuant to Security Trust Documents) or other circumstances under which any Charged Property is permitted to be (or is required to be) released pursuant to the Credit Documents, the Collateral Agent shall (at the cost of the Credit Parties) execute any release of the Security Trust Documents or other claim over that Charged Property and issue any certificates of non-crystallization of floating charges that may be required or take any other action that the Collateral Agent considers desirable.

(p) The Collateral Agent shall not be liable for:

(i) any defect in or failure of the title (if any) which any person may have to any assets over which security is intended to be created by a Security Trust Document;

(q) The Collateral Agent shall not be obligated to:

(i) obtain any authorization or environmental permit in respect of any of the Charged Property or a Security Trust Document;

(ii) hold in its own possession a Security Trust Document, title deed or other document relating to the Charged Property or a Security Trust Document;

(u) The powers, authorities, discretions and other rights given to the Collateral Agent under or in connection with the Credit Documents shall be supplemental to the Trustee Act 1925, the Trustee Act 2000, the Trustee Ordinance (Cap.29 of the Laws of Hong Kong) and the Trustees Act, Chapter 337 of Singapore and in addition to any which may be vested in the Collateral Agent by applicable law or regulation or otherwise.

(v)

(i) Section 1 of the Trustee Act 2000 (UK) shall not apply to the duties of the Collateral Agent in relation to the trusts constituted by any Security Trust Document or other Credit Document. Where there are any inconsistencies between the Trustee Act 1925 or the Trustee Act 2000 and the provisions of any Credit Document, the provisions of the Credit Document shall, to the extent permitted by law and regulation, prevail and, in the case of any inconsistency with the Trustee Act 2000, the provisions of the relevant Credit Document shall constitute a restriction or exclusion for the purposes of that Act.

(ii) In respect of Hong Kong Security Documents, the Collateral Agent does not have any duties except those expressly set out in the Hong Kong Security Documents. In particular, section 3A of the Trustee Ordinance (Cap.29 of the Laws of Hong Kong) shall not apply to the duties of the Collateral Agent in relation to the trusts constituted by this Agreement or any Hong Kong Security Document. The Parties to the Credit Documents further agree and acknowledge that sections 41M, 41N and 41O of the Trustee Ordinance (Cap.29 of the Laws of Hong Kong) will not apply to any Colateral Agent, any Appointee or any Delegate. (ii) Under and in connection with the applicable Security Trust Documents and those transactions and conduct:

(iii) Paragraphs (i) and (ii) apply despite any other provision in the applicable Security Trust Documents but do not apply with respect to any liability of the Collateral Agent to a Credit Party (including for negligence):

(A) to the extent the Collateral Agent has no right or power to have Security Trust assets applied towards satisfaction of that liability, or its right or power to do so is subject to a deduction, reduction, limit or requirement to make good, in either case because the Collateral Agent's behavior was beyond power or improper in relation to the Security Trust; or

(B) under any provision which expressly binds the Collateral Agent other than as trustee of the Security Trust (whether or not it also binds it as trustee of the Security Trust).

(iv) The limitation in paragraph (ii)(A) is to be disregarded for the purposes (but only for the purposes) of the rights and remedies described in paragraph (ii)(B), and interpreting the Security Trust Documents and any security for them, including determining the following:

Reclassifications of any utilization of the Incremental Amount shall occur automatically to the extent set forth in the definition thereof.

1.05 Currency Equivalents Generally.

1.07 Treatment of Subsidiaries Prior to Joinder.

Each Subsidiary of Holdings that is required to be joined as a Credit Party pursuant toSection 9.12 shall, from the time of the requirement that such Subsidiary be joined as a Credit Party pursuant to Section 9.12 until the completion of such joinder, be deemed for the purposes of Section 10 of this Agreement to be a Credit Party from and after the date of formation or acquisition of such Subsidiary; *provided* that this Section 1.07 shall only apply to the extent such Subsidiary is actually subsequently joined as a Credit Party pursuant to Section 9.12.

1.08 Interest Rates; LIBOR Notification.

The interest rate on LIBO Rate Term Loans is determined by reference to the LIBO Rate, which is derived from the London interbank offered rate. The London interbank offered rate is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. In July 2017, the U.K. Financial Conduct Authority announced that, after the end of 2021, it would no longer persuade or compel contributing banks to make rate submissions to the ICE Benchmark Administration (together with any successor to the ICE Benchmark Administrator, the "IBA") for purposes of the IBA setting the London interbank offered rate. As a result, it is possible that commencing in 2022, the London interbank offered rate may no longer be available or may no longer be deemed an appropriate reference rate upon which to determine the interest rate on LIBO Rate Term Loans. In light of this eventuality, public and private sector industry initiatives are currently underway to identify new or alternative reference rates to be used in place of the London interbank offered rate. Upon the occurrence of a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-in Election, Section 2.16(b) and (c) provide the mechanism for determining an alternative rate of interest. The Administrative Agent will promptly notify Borrower, pursuant to Section 2.16(e), of any change to the reference rate upon which the interest rate on LIBO Rate Term Loans is based. However, the Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission or any other matter related to the London interbank offered rate or other rates in the definition of "LIBO Rate" or with respect to any alternative or successor rate thereto, or replacement rate thereof (including, without limitation, (i) any such alternative, successor or replacement rate implemented pursuant to Section 2.16(b) or (c), whether upon the occurrence of a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-in Election, and (ii) the implementation of any Benchmark Replacement Conforming Changes pursuant to Section 2.16(d)), including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the LIBO Rate or have the same volume or liquidity as did the London interbank offered rate prior to its discontinuance or unavailability.

(a) Subject to and upon the terms and conditions set forth herein, each Lender with an Initial Term Loan Commitment severally agrees to make an Initial Term Loan to Borrower, which Initial Term Loans (i) shall be incurred by Borrower pursuant to a single drawing on the Closing Date, (ii) shall, except as hereinafter provided, at the option of Borrower, be incurred and maintained as, and/or converted into, one or more Borrowings of Base Rate Term Loans or LIBO Rate Term Loans; *provided* that all Initial Term Loans comprising the same Borrowing shall at all times be of the same Type, and (iii) shall be made by each such Lender in that aggregate principal amount which does not exceed the Initial Term Loan Commitment of such Lender on the Closing Date (before giving effect to the termination thereof pursuant to Section 4.02(a)). Once repaid, Initial Term Loans may not be reborrowed.

(b) Subject to and upon the terms and conditions set forth herein, each Lender with an Incremental Term Loan Commitment from time to time severally agrees to make term loans (each, an "Incremental Term Loan" and, collectively, the "Incremental Term Loans") to Borrower, which Incremental Term Loans (i) shall be incurred pursuant to a single drawing on the applicable Incremental Term Loan Borrowing Date, (ii) shall be denominated in Dollars, (iii) shall, except as hereinafter provided, at the option of Borrower, be incurred and maintained as, and/or converted into one or more Borrowings of Base Rate Term Loans or LIBO Rate Term Loans; *provided* that all Incremental Term Loans of a given Tranche made as part of the same Borrowing shall at all times consist of Incremental Term Loans of the same Type, and (iv) shall not exceed for any such Incremental Term Loan Lender at any time of any incurrence thereof, the Incremental Term Loan Commitment of such Incremental Term Loan Lender for such Tranche (before giving effect to the termination thereof on such date pursuant to Section 4.02(b)). Once repaid, Incremental Term Loans may not be reborrowed.

(c) Each Lender may, at its option, make any Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; *provided* that any exercise of such option shall not (i) affect in any manner the obligation of Borrower to repay such Loan in accordance with the terms of this Agreement or (ii) excuse or relieve any Lender from its Commitment to make any such Loan to the extent not so made by such branch or Affiliate.

2.02 Minimum Amount of Each Borrowing. The aggregate principal amount of each Borrowing of Term Loans under any Tranche shall not be less than the Minimum Borrowing Amount. More than one Borrowing may occur on the same date, but at no time shall there be outstanding more than ten (10) Borrowings of LIBO Rate Term Loans in the aggregate for all Tranches of Term Loans.

2.03 Notice of Borrowing. Whenever Borrower desires to make a Borrowing of Term Loans hereunder, Borrower shall give the Administrative Agent at its Notice Office prior written notice on the day of such Borrowing (or telephonic notice promptly confirmed in writing) of each Borrowing of Base Rate Term Loans to be made hereunder and at least three Business Days' (or such shorter period as the Administrative Agent shall agree in its sole and absolute discretion) prior written notice (or telephonic notice promptly confirmed in writing) of each LIBO Rate Term Loan to be made hereunder; *provided* that (a) in each case, any such notice shall be deemed to have been given on a certain day only if given before 12:00 Noon (New York City time) on such day (or such later time as the Administrative Agent shall agree in it its sole and absolute discretion), (b) in any event, any such notice with respect to Initial Term Loans that are LIBO Rate Term Loans to be incurred on the Closing Date may be given up to two Business Days prior to the Closing Date and (c) that if Borrower wishes to request LIBO Rate Term Loans having an Interest Period other than one, two (only for so long as the two month LIBO Rate continues to be published by the ICE Benchmark Administration), three or six months in duration, or less than one month in duration with the consent of the Administrative Agent, in each case as provided in the definition of "Interest Period", the applicable notice must be received by the Administrative Agent not later than 11:00 a.m. (New York City time), four Business Days prior to the requested date of such Borrowing, conversion or continuation, in each case, having an Interest Period other than one, two, three or six months in duration, whereupon the Administrative Agent shall give prompt notice to each applicable Lender with a Commitment of the relevant Tranche of such request and determine whether the requested Interest Period is acceptable to all of them. Not later than 11:00 a.m. (New York City time), three Business Days before the requested date of such Borrowing, conversion or continuation, the Administrative Agent shall notify Borrower (which notice may be by telephone) whether or not the requested Interest Period that is other than one, two, three or six months in duration has been consented to by such Lenders or the Administrative Agent, as applicable. Each such notice (each, a "Notice of Borrowing"), except as otherwise expressly provided in Section 2.11, shall be irrevocable and shall be in writing, or by telephone promptly confirmed in writing by or on behalf of Borrower, in the form of Exhibit A-1 or such other form as may be approved by the Administrative Agent including any form on an electronic platform or electronic transmission as shall be approved by the Administrative Agent, appropriately completed by a Responsible Officer of Borrower to specify: (i) the aggregate principal amount of the Term Loans to be made pursuant to such Borrowing, (ii) the date of such Borrowing (which shall be a Business Day), (iii) whether the respective Borrowing shall consist of Initial Term Loans, Incremental Term Loans or Refinancing Term Loans, (iv) whether the Term Loans being made pursuant to such Borrowing are to be initially maintained as Base Rate Term Loans or LIBO Rate Term Loans, (v) in the case of LIBO Rate Term Loans, the Interest Period to be initially applicable thereto and (vi) the account of Borrower into which the proceeds of such Term Loans shall be deposited or other wire instructions therefor. The Administrative Agent shall promptly give each Lender of the Tranche specified in the respective Notice of Borrowing, notice of such proposed Borrowing, of such Lender's proportionate share thereof (determined in accordance with Section 2.07) and of the other matters required by the immediately preceding sentence to be specified in the Notice of Borrowing.

2.04 Disbursement of Funds. No later than 1:00 P.M. (New York City time) on the date specified in each Notice of Borrowing, each Lender with a Commitment of the relevant Tranche will make available its *pro rata* portion (determined in accordance with Section 2.07) of each such Borrowing requested to be made on such date. All such amounts will be made available in Dollars and in immediately available funds at the Notice Office, and the Administrative Agent will make all funds so received by it in like funds as received by the Administrative Agent by wire transfer of such funds to the account designated in writing by Borrower (including in any Notice of Borrowing) from time to time. Unless the Administrative Agent shall have been notified by any Lender prior to the date of any Borrowing that such Lender does not intend to make available to the Administrative Agent such Lender's portion of any Borrowing to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing and the Administrative Agent may (but shall not be obligated to), in reliance upon such assumption, make available to Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify Borrower and Borrower shall immediately pay such corresponding amount to the Administrative

Agent. The Administrative Agent also shall be entitled to recover on demand from such Lender or Borrower interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to Borrower until the date such corresponding amount is recovered by the Administrative Agent, at a rate *per annum* equal to (i) if recovered from such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking rules on interbank compensation and (ii) if recovered from Borrower, the rate of interest applicable to the relevant Borrowing, as determined pursuant to Section 2.08. Nothing in this Section 2.04 shall be deemed to relieve any Lender from its obligation to make Term Loans hereunder or to prejudice any rights which Borrower may have against any Lender as a result of any failure by such Lender to make Term Loans hereunder.

2.05 Notes.

(a) Borrower's obligation to pay the principal of, and interest on, the Term Loans made by each Lender shall be evidenced in the Register maintained by the Administrative Agent pursuant to Section 13.04 and shall, if requested by such Lender, also be evidenced by a promissory note duly executed and delivered by Borrower substantially in the form of Exhibit B, with blanks appropriately completed in conformity herewith (each, a "Note").

(b) Each Lender will note on its internal records the amount of each Term Loan made by it and each payment in respect thereof and prior to any transfer of any of its Notes will endorse on the reverse side thereof the outstanding principal amount of Term Loans evidenced thereby. Failure to make any such notation or any error in such notation shall not affect Borrower's obligations in respect of such Term Loans. For the avoidance of doubt, to the extent any conflict arises between the records maintained pursuant to this Section and the Register, the Register shall control.

(c) Notwithstanding anything to the contrary contained above in this Section 2.05 or elsewhere in this Agreement, Notes shall only be delivered to Lenders that at any time specifically request the delivery of such Notes. No failure of any Lender to request or obtain a Note evidencing its Term Loans to Borrower shall affect or in any manner impair the obligations of Borrower to pay the Term Loans (and all related Obligations) incurred by Borrower which would otherwise be evidenced thereby in accordance with the requirements of this Agreement, and shall not in any way affect the security or guarantees therefor provided pursuant to the various Credit Documents. Any Lender that does not have a Note evidencing its outstanding Term Loans shall in no event be required to make the notations otherwise described in the preceding clause (b). At any time when any Lender requests the delivery of a Note to evidence any of its Term Loans, Borrower shall promptly execute and deliver to the respective Lender the requested Note in the appropriate amount or amounts to evidence such Term Loans.

2.06 Interest Rate Conversions. Borrower shall have the option to convert, on any Business Day, all or a portion equal to at least the Minimum Borrowing Amount of the outstanding principal amount of Term Loans of a given Tranche made pursuant to one or more Borrowings of one or more Types of Term Loans, into a Borrowing (of the same Tranche) of another Type of Term Loan; *provided* that (i) except as otherwise provided in Section 2.11, LIBO Rate Term Loans may be converted into Base Rate Term Loans only on the last day of an Interest Period applicable to the Term Loans being converted and no such partial conversion of LIBO Rate Term Loans, as the case may be, shall reduce the outstanding principal amount of such LIBO Rate Term Loans, made pursuant to a single Borrowing to less than the Minimum Borrowing Amount, (ii) to the extent the Required Lenders have, or the Administrative Agent at the request of the Required Lenders has, so notified Borrower in writing, Base Rate Term Loans may not be converted into LIBO Rate Term Loans if any Event of Default is in existence on the date of the conversion, and (iii) no conversion pursuant to this Section 2.06 shall result in a greater number of Borrowings of LIBO Rate Term Loans than is permitted under Section 2.02. Such conversion shall be effected by Borrower by giving the Administrative Agent at the Notice Office prior to 12:00 Noon (New York City time) at least three Business Days' prior notice (in the case of any conversion to or continuation of LIBO Rate Term Loans) or same day notice (in the case of any conversion to Base Rate Term Loans) (each, a "Notice of Conversion/Continuation") in the form of Exhibit A-2 or such other form as may be approved by the Administrative Agent including any form on an electronic platform or electronic transmission as shall be approved by the Administrative Agent, appropriately completed by a Responsible Officer of Borrower to specify the Term Loans of a given Tranche to be so converted, the Borrowing or Borrowings pursuant to which such Term Loans were incurred and, if to be converted into LIBO Rate Term Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall give each Lender prompt notice of any such proposed conversion affecting any of its Term Loans.

2.07 Pro Rata Borrowings. All Borrowings of Term Loans under this Agreement, subject to Section 2.10(d), shall be incurred from the Lenders pro rata on the basis of such Lenders' Commitments as the case may be. No Lender shall be responsible for any default by any other Lender of its obligation to make Term Loans hereunder, and each Lender shall be obligated to make the Term Loans provided to be made by it hereunder, regardless of the failure of any other Lender to make its Term Loans hereunder.

2.08 Interest.

(a) Borrower agrees to pay interest in respect of the unpaid principal amount of each Base Rate Term Loan (including with respect to any LIBO Rate Term Loan converted into a Base Rate Term Loan pursuant to Section 2.06 or 2.09) made to Borrower hereunder from the date of Borrowing thereof (or, in the circumstances described in the immediately preceding parenthetical, from the date of conversion of the respective LIBO Rate Term Loan into a Base Rate Term Loan) until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such Base Rate Term Loan to a LIBO Rate Term Loan pursuant to Section 2.06 or 2.09, as applicable, at a rate *per annum* which shall be equal to the sum of the Applicable Margin for Base Rate Term Loans *plus* the Base Rate, as in effect from time to time.

(b) Borrower agrees to pay interest in respect of the unpaid principal amount of each LIBO Rate Term Loan made to Borrower from the date of Borrowing thereof until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such LIBO Rate Term Loan to a Base Rate Term Loan pursuant to Section 2.06 or 2.09, as applicable, at a rate *per annum* which shall, during each Interest Period applicable thereto, be equal to the sum of the Applicable Margin for LIBO Rate Term Loans *plus* the applicable LIBO Rate for such Interest Period.

(c) Upon the occurrence and during the continuance of any Event of Default under Section 11.01 or 11.05 (x) overdue principal and, to the extent permitted by law, overdue interest in respect of each Term Loan shall bear interest at a rate *per annum* equal to (i) for Base Rate Term Loans and associated interest, 2.00% *per annum* in excess of the Applicable Margin for Base Rate Term Loans *plus* the Base Rate, (ii) for LIBO Rate Term Loans and associated interest, 2.00% *per annum* in excess of the Applicable Margin for LIBO Rate Term Loans *plus* the LIBO Rate and (y) overdue amounts with respect to Fees shall bear interest at a rate *per annum* equal to 2.00% *per annum* in excess of the Applicable Margin for Base Rate Term Loans *plus* the Base Rate, each as in effect from time to time, in each case with such interest to be payable on demand.

(d) Accrued (and theretofore unpaid) interest shall be calculated daily and payable (i) on each Interest Payment Date and (ii) on (w) the date of any conversion of a LIBO Rate Term Loan to a Base Rate Term Loan (on the amount so converted) prior to the last day of the Interest Period applicable thereto, (x) the date of any prepayment or repayment thereof (on the amount prepaid or repaid), (y) at maturity (whether by acceleration or otherwise) and (z) after such maturity, on demand.

(e) Upon each Interest Determination Date, the Administrative Agent shall determine the Adjusted LIBO Rate for each Interest Period applicable to the respective LIBO Rate Term Loans and shall promptly notify Borrower and the Lenders thereof. Each such determination shall, absent manifest error, be final and conclusive and binding on all parties hereto.

(f) All interest hereunder and any Fees hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Base Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Base Rate or Adjusted LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

2.09 Interest Periods. At the time Borrower gives any Notice of Borrowing or Notice of Conversion/Continuation in respect of the making of, or conversion into, any LIBO Rate Term Loan (in the case of the initial Interest Period applicable thereto) or prior to 12:00 Noon (New York City time) on the third Business Day prior to the expiration of an Interest Period applicable to such LIBO Rate Term Loan (in the case of any subsequent Interest Period), Borrower shall have the right to elect the interest period (each, an "Interest Period") applicable to such LIBO Rate Term Loan, which Interest Period shall, at the option of Borrower be a one, two (only for so long as the two month LIBO Rate continues to be published by the ICE Benchmark Administration), three or six month period, or, if agreed to by all Lenders, a twelve month period or any other period, or, if agreed to by the Administrative Agent a period less than one month; *provided* that (in each case):

(i) all LIBO Rate Term Loans comprising a Borrowing shall at all times have the same Interest Period;

(ii) the initial Interest Period for any LIBO Rate Term Loan shall commence on the date of Borrowing of such LIBO Rate Term Loan (including, in the case of LIBO Rate Term Loans, the date of any conversion thereto from a Borrowing of Base Rate Term Loans) and each Interest Period occurring thereafter in respect of such LIBO Rate Term Loan shall commence on the day on which the next preceding Interest Period applicable thereto expires;

(iii) if any Interest Period for a LIBO Rate Term Loan begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of such calendar month;

(iv) if any Interest Period for a LIBO Rate Term Loan would otherwise expire on a day which is not a Business Day, such Interest Period shall expire on the next succeeding Business Day; *provided*, *however*, that if any Interest Period for a LIBO Rate Term Loan would otherwise expire on a day which is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the next preceding Business Day;

(v) unless the Required Lenders otherwise agree, no Interest Period for a LIBO Rate Term Loan may be selected at any time when an Event of Default is then in existence; and

(vi) no Interest Period in respect of any Borrowing of any Tranche of Term Loans shall be selected which extends beyond the Maturity Date therefor.

With respect to any LIBO Rate Term Loans, at the end of any Interest Period applicable to a Borrowing thereof, Borrower may elect to split the respective Borrowing of a single Type under a single Tranche into two or more Borrowings of different Types under such Tranche or combine two or more Borrowings under a single Tranche into

a single Borrowing of the same Type under such Tranche, in each case, by Borrower giving notice thereof together with its election of one or more Interest Periods applicable thereto, in each case so long as each resulting Borrowing (x) has an Interest Period which complies with the foregoing requirements of this Section 2.09, (y) has a principal amount which is not less than the Minimum Borrowing Amount applicable to Borrowings of the respective Type and Tranche, and (z) does not cause a violation of the requirements of Section 2.02. If by 12:00 Noon (New York City time) on the third Business Day prior to the expiration of any Interest Period applicable to a Borrowing of LIBO Rate Term Loans, Borrower has failed to elect, or is not permitted to elect, a new Interest Period to be applicable to such LIBO Rate, Borrower shall be deemed to have elected in the case of LIBO Rate Term Loans, to convert such LIBO Rate Term Loans into Base Rate Term Loans with such conversion to be effective as of the expiration date of such current Interest Period.

2.10 Increased Costs, Illegality, etc.

(a) [Reserved].

(b) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate);

(ii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender; or

(iii) subject any Lender or the Administrative Agent to any Taxes (other than (A) Indemnified Taxes, (B) Excluded Taxes or (C) Other Taxes) with respect to its loans, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or the Administrative Agent of making, continuing, converting or maintaining any Term Loan (or of maintaining its obligation to make any such Term Loan) or to reduce the amount of any sum received or receivable by such Lender or the Administrative Agent hereunder (whether of principal, interest or otherwise), then Borrower will pay to such Lender or the Administrative Agent, as the case may be, such additional amount or amounts as will compensate such Lender or the Administrative Agent, as the case may be, for such additional costs incurred or reduction suffered.

(c) If any Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Term Loans made by such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity), then from time to time Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(d) If any Lender determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable lending office to make, maintain or fund LIBO Rate Term Loans, or to determine or charge interest rates based upon the LIBO Rate or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to Borrower through the Administrative Agent, any obligation of such Lender to make or continue LIBO Rate Term Loans or to convert Base Rate Term Loans to LIBO Rate Term Loans shall be suspended until such Lender notifies the Administrative Agent and Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all LIBO Rate Term Loans of such Lender to Base Rate Term Loans, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such LIBO Rate Term Loans to such day, or

immediately, if such Lender may not lawfully continue to maintain such LIBO Rate Term Loans. Upon any such prepayment or conversion, Borrower shall also pay accrued interest on the amount so prepaid or converted.

(e) A certificate of a Lender or the Administrative Agent setting forth the amount or amounts necessary to compensate such Lender or the Administrative Agent or its holding company, as the case may be, as specified in clause (b) or (c) of this Section, and certifying that it is the general practice and policy of such Lender to demand such compensation from similarly situated borrowers in similar circumstances at such time to the extent it is legally permitted to do so, shall be delivered to Borrower and shall be conclusive absent manifest error. Borrower shall pay such Lender or the Administrative Agent, as the case may be, the amount shown as due on any such certificate within 10 Business Days after receipt thereof.

(f) Failure or delay on the part of any Lender or the Administrative Agent to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or the Administrative Agent's right to demand such compensation; *provided* that Borrower shall not be required to compensate a Lender or the Administrative Agent pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or the Administrative Agent, as the case may be, notifies Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or the Administrative Agent's intention to claim compensation therefor; *provided*, *further*, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

2.11 Compensation. Borrower agrees to compensate each Lender, upon its written request (which request shall set forth in reasonable detail the basis for requesting such compensation and the calculation of the amount of such compensation; it being understood that no Lender shall be required to disclose (i) any confidential or price sensitive information or (ii) any other information, to the extent prohibited by any Requirement of Law), for all losses, expenses and liabilities (including, without limitation, any loss, expense or liability incurred by reason of the liquidation or reemployment of deposits or other funds required by such Lender to fund its LIBO Rate Term Loans but excluding loss of anticipated profits (and without giving effect to the minimum "LIBO Rate")) which such Lender may sustain: (i) if for any reason (other than a default by such Lender or the Administrative Agent) a Borrowing of, or conversion from or into, LIBO Rate Term Loans does not occur on a date specified therefor in a Notice of Borrowing or Notice of Conversion/Continuation; (ii) if any prepayment or repayment (including any prepayment or repayment made pursuant to Section 5.01, Section 5.02 or as a result of an acceleration of the Term Loans pursuant to Section 11) or conversion of any of its LIBO Rate Term Loans occurs on a date which is not the last day of an Interest Period with respect thereto; (iii) if any prepayment of any LIBO Rate Term Loans is not made on any date specified in a Notice of Loan Prepayment given by Borrower; or (iv) as a consequence of any other default by Borrower to repay LIBO Rate Term Loans when required by the terms of this Agreement or any Note held by such Lender.

2.12 Change of Lending Office. Each Lender agrees that on the occurrence of any event giving rise to the operation of Section 2.10(b), (c) or (d) or Section 5.04 with respect to such Lender, it will, if requested by Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Term Loans affected by such event; *provided* that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of Borrower or the right of any Lender provided in Sections 2.10 and 5.04.

2.13 Replacement of Lenders. (x) If any Lender becomes a Defaulting Lender, (y) upon the occurrence of an event giving rise to the operation of Section 2.10(b), (c) or (d) or Section 5.04 with respect to such Lender or (z) in the case of a refusal by a Lender to consent to proposed changes, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b), Borrower shall have the right to replace such Lender (the "Replaced Lender") with one or more other Eligible Transferees, none of whom shall constitute a Defaulting Lender at the time of such replacement (collectively, the "Replacement Lender") and each of whom shall be required to be reasonably acceptable to the Administrative Agent (to the extent the Administrative Agent's consent would be required for an assignment to such Replacement Lender pursuant to Section 13.04); *provided* that (i) at the time of any replacement pursuant to this Section 2.13, the Replacement Lender shall enter into one or more Assignment and Assumptions pursuant to Section 13.04(b) (and with all fees payable pursuant to said Section 13.04(b) to be paid by the Replacement Lender and/or the Replaced Lender (as may be agreed to at such time by and among Borrower, the Replacement Lender and the Replaced

Lender)) pursuant to which the Replacement Lender shall acquire all of the Commitments and outstanding Term Loans of the Replaced Lender and, in connection therewith, shall pay to (x) the Replaced Lender in respect thereof an amount equal to the sum of (I) an amount equal to the principal of, and all accrued interest on, all outstanding Term Loans of the respective Replaced Lender under each Tranche with respect to which such Replaced Lender is being replaced and (II) an amount equal to all accrued, but theretofore unpaid, Fees owing to the Replaced Lender pursuant to Section 4.01, (ii) all obligations of Borrower due and owing to the Replaced Lender at such time (other than those specifically described in clause (i) above in respect of which the assignment purchase price has been, or is concurrently being, paid) shall be paid in full to such Replaced Lender concurrently with such replacement. Upon receipt by the Replaced Lender of all amounts required to be paid to it pursuant to this Section 2.13, the Administrative Agent shall be entitled (but not obligated) and authorized to execute an Assignment and Assumption on behalf of such Replaced Lender, and any such Assignment and Assumption so executed by the Administrative Agent and the Replacement Lender shall be effective for purposes of this Section 2.13 and Section 13.04 and (iii) in the case of any assignment resulting from clause (y) above, such assignment will result in a reduction in such compensation or payments thereafter. Upon the execution of the respective Assignment and Assumption, the payment of amounts referred to in clauses (i) and (ii) above, recordation of the assignment on the Register pursuant to Section 13.04 and, if so requested by the Replacement Lender, delivery to the Replacement Lender of the appropriate Note or Notes executed by Borrower, the Replacement Lender shall become a Lender hereunder and the Replaced Lender shall cease to constitute a Lender hereunder, except with respect to indemnification provisions under this Agreement (including, without limitation, Sections 2.10, 2.11, 5.04, 12.07 and 13.01), which shall survive as to such Replaced Lender with respect to actions or occurrences prior to it ceasing to be a Lender hereunder.

2.14 Extended Term Loans.

(a) Notwithstanding anything to the contrary in this Agreement, subject to the terms of this Section 2.14, Borrower may at any time and from time to time request that all or a portion of any Tranche of Term Loans (each, an "Existing Term Loan Tranche"), be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or any portion of such Existing Term Loan Tranche (any such Term Loans which have been so converted, "Extended Term Loans") and to provide for other terms consistent with this Section 2.14. In order to establish any Extended Term Loans, Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Term Loan Tranche) (each, an "Extension Request") setting forth the proposed terms of the Extended Term Loans to be established, which shall (x) be identical as offered to each Lender under the relevant Existing Term Loan Tranche (including as to the proposed interest rates and fees payable) and (y) have the same terms as the Existing Term Loan Tranche from which such Extended Term Loans are to be converted, except that: (i) all or any of the scheduled amortization payments of principal of the Extended Term Loans may be delayed to later dates than the scheduled amortization payments of principal of the Term Loans of such Existing Term Loan Tranche to the extent provided in the applicable Extension Amendment; (ii) the Effective Yield with respect to the Extended Term Loans (whether in the form of interest rate margin, upfront fees, original issue discount or otherwise) may be different than the Effective Yield for the Term Loans of such Existing Term Loan Tranche; (iii) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the applicable Extension Amendment (immediately prior to the establishment of such Extended Term Loans); (iv) Extended Term Loans may have mandatory prepayment terms which provide for the application of proceeds from mandatory prepayment events to be made first to prepay the Term Loans under the Existing Term Loan Tranche from which such Extended Term Loans have been converted before applying any such proceeds to prepay such Extended Term Loans; (v) Extended Term Loans may have optional prepayment terms (including call protection and terms which allow Term Loans under the relevant Existing Term Loan Tranche from which such Extended Term Loans have been converted to be optionally prepaid prior to the prepayment of such Extended Term Loans) as may be agreed by Borrower and the Lenders thereof and (vi) such Extended Term Loans may have other terms (other than those described in the preceding clauses (i) through (v)) that differ from those of the Existing Term Loan Tranche, in each case, taken as a whole, that are not materially more favorable to the Lenders providing such Extended Term Loans than the provisions applicable to the Existing Term Loan Tranche or as are otherwise reasonably satisfactory to the Administrative Agent. Any Extended Term Loans converted pursuant to any Extension Request shall be designated a series (each, an "Extension Series") of Extended Term Loans for all purposes of this Agreement;*provided* that, subject to the requirements set forth above, any Extended Term Loans converted from an Existing Term Loan Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Tranche of Term Loans.

(b) [Reserved].

(c) Borrower shall provide the applicable Extension Request at least five (5) Business Days (or such shorter period as to which the Administrative Agent may consent) prior to the date on which Lenders under the Existing Term Loan Tranche are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.14. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Tranche converted into Extended Term Loans pursuant to any Extension Request. Any Lender (each, an "Extending Term Loan Lender") wishing to have all or a portion of its Term Loans under the Existing Term Loan Tranche subject to such Extension Request converted into Extended Term Loans shall notify the Administrative Agent (each, an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Term Loans under the Existing Term Loan Tranche which it has elected to request be converted into Extended Term Loans (subject to any minimum denomination requirements imposed by the Administrative Agent). Any Lender that does not respond to the Extension Request on or prior to the date specified therein shall be deemed to have rejected such Extension Request. In the event that the aggregate principal amount of Term Loans under the applicable Existing Term Loan Tranche exceeds the amount of Extended Term Loans requested pursuant to such Extension Request, Term Loans of such Existing Term Loan Tranche, subject to such Extension Elections shall either (i) be converted to Extended Term Loans of such Existing Term Loan Tranche on a *pro rata* basis based on the aggregate principal amount of Term Loans of such Existing Term Loan Tranche included in such Extension Elections, subject to such rounding requirements as may be established by the Administrative Agent or (ii) to the extent such option is expressly set forth in the applicable Extension Request, be converted to Extended Term Loans upon an increase in the amount of Extended Term Loans so that such excess does not exist.

(d) Extended Term Loans shall be established pursuant to an amendment (each, an 'Extension Amendment") to this Agreement among Borrower, the Administrative Agent and each Extending Term Loan Lender providing an Extended Term Loan thereunder, which shall be consistent with the provisions set forth in Section 2.14(a) above (but which shall not require the consent of any other Lender). The Administrative Agent shall promptly notify each relevant Lender as to the effectiveness of each Extension Amendment. After giving effect to the Extension, the Term Loans so extended shall cease to be a part of the Tranche they were a part of immediately prior to the Extension.

(e) Extensions consummated by Borrower pursuant to this Section 2.14 shall not constitute voluntary or mandatory payments or prepayments for purposes of this Agreement. The Administrative Agent and the Lenders hereby consent to each Extension and the other transactions contemplated by this Section 2.14 (including, for the avoidance of doubt, payment of any interest or fees in respect of any Extended Term Loans on such terms as may be set forth in the applicable Extension Request) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02, 5.03, 13.02 or 13.06) or any other Credit Document that may otherwise prohibit any Extension or any other transaction contemplated by this Section 2.14; *provided* that such consent shall not be deemed to be an acceptance of any Extension Request.

(f) Each of the parties hereto hereby agrees that this Agreement and the other Credit Documents may be amended pursuant to an Extension Amendment, without the consent of any other Lenders, to the extent (but only to the extent) reasonably necessary to (i) reflect the existence and terms of any Extended Term Loans incurred pursuant thereto, (ii) modify the scheduled repayments set forth in Section 5.02(a) with respect to any Existing Term Loan Tranche subject to an Extension Election to reflect a reduction in the principal amount of the Term Loans thereunder in an amount equal to the aggregate principal amount of the Extended Term Loans converted pursuant to the applicable Extension (with such amount to be applied ratably to reduce scheduled repayments of such Term Loans required pursuant to Section 5.02(a)), (iii) make such other changes to this Agreement and the other Credit Documents consistent with the provisions and intent of Section 13.12(d), (iv) establish new Tranches in respect of Term Loans so extended and such technical amendments as may be necessary in connection with the establishment of such new Tranches, in each case, on terms consistent with this Section 2.14 and (v) effect such other amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and Borrower, to effect the provisions of this Section 2.14, and each Lender hereby expressly authorizes the Administrative Agent to enter into any such Extension Amendment. In connection with any Extension, the Credit Parties shall (at their expense) amend (and the Administrative Agent is hereby directed to amend) any Mortgage that has a maturity date prior to the Latest Maturity Date so that such maturity date is extended to the Latest

Maturity Date (or such later date as may be advised by local counsel to the Administrative Agent), to the extent required pursuant to applicable local law.

2.15 Incremental Term Loan Commitments.

(a) Borrower may at any time and from time to time request one or more Lenders (or one or more Eligible Transferees who will become Lenders) to provide Incremental Term Loan Commitments to Borrower and, subject to the terms and conditions contained in this Agreement and in the relevant Incremental Term Loan Amendment, make Incremental Term Loans pursuant thereto; it being understood and agreed, however, that (i) no Lender shall be obligated to provide an Incremental Term Loan Commitment as a result of any such request by Borrower, (ii) any Lender (including any Eligible Transferee who will become a Lender) may so provide an Incremental Term Loan Commitment without the consent of any other Lender, (iii) each Tranche of Incremental Term Loan Commitments shall be denominated in Dollars, (iv) the amount of Incremental Term Loan Commitments made available pursuant to a given Incremental Term Loan Amendment shall be in a minimum aggregate amount for all Lenders which provide an Incremental Term Loan Commitment thereunder (including Eligible Transferees who will become Lenders) of at least $10,000,000, (v) other than with respect to any Incremental Term Loans established pursuant to Section 2.15(d), the aggregate principal amount of any Incremental Term Loans on the date of the incurrence thereof shall not exceed, when taken together with any incurrence of Permitted Pari Passu Notes, Permitted Pari Passu Loans or Permitted Junior Debt pursuant to Section 10.04(xxvii)(1) on such date, (x) the then-remaining Fixed Incremental Amount as of the date of incurrence *plus* (y) subject to the satisfaction of the applicable Incurrence-Based Incremental Facility Test, any Incurrence-Based Incremental Amount that may be incurred thereunder on such date, (vi) the proceeds of all Incremental Term Loans incurred by Borrower may be used for any purpose not prohibited under this Agreement, (vii) Borrower shall specifically designate, in consultation with the Administrative Agent, the Tranche of the Incremental Term Loan Commitments being provided thereunder (which Tranche shall be a new Tranche (i.e., not the same as any existing Tranche of Incremental Term Loans, Incremental Term Loan Commitments or other Term Loans), unless the requirements of Section 2.15(c) are satisfied), which designation shall be set forth in the applicable Incremental Term Loan Amendment, (viii) if to be incurred as a new Tranche of Incremental Term Loans, such Incremental Term Loans shall have the same terms as each other Tranche of Term Loans as in effect immediately prior to the effectiveness of the relevant Incremental Term Loan Agreement, except as to purpose (which is subject to the requirements of the preceding clause (vi)) and optional prepayment provisions and mandatory prepayment provisions (which are governed by Section 5.02; *provided* that each new Tranche of Incremental Term Loans shall be entitled to share in mandatory prepayments on a ratable basis with the other Tranches of Term Loans (unless the holders of the Incremental Term Loans of any Tranche agree to take a lesser share of any such prepayments)); *provided*, *however*, that (I) the maturity and amortization of such Tranche of Incremental Term Loans may differ, so long as, such Tranche of Incremental Term Loans shall have (a) a Maturity Date of no earlier than the Latest Maturity Date as of the date such Indebtedness was incurred and (b) a Weighted Average Life to Maturity of no less than the Weighted Average Life to Maturity as then in effect for the Tranche of then outstanding Term Loans with the then longest Weighted Average Life to Maturity; *provided*, *however*, that (x) Extendable Bridge Loans and (y) Incremental Term Loan Commitments and Incremental Term Loans in an aggregate principal amount not in excess of the then-available amount under the Inside Maturity Basket, in each case, may have a maturity date earlier than the Latest Maturity Date of all then outstanding Term Loans and the Weighted Average Life to Maturity thereof may be shorter than the then longest remaining Weighted Average Life to Maturity of any then outstanding Term Loans, (II) the Effective Yield applicable to such Tranche of Incremental Term Loans may differ from that applicable to the then outstanding Tranches of Term Loans, with the Effective Yield applicable thereto to be specified in the respective Incremental Term Loan Amendment; *provided*, *however*, that, solely with respect to any syndicated Incremental Term Loan incurred on or prior to the date that is twenty-four months after the Closing Date, as applicable, if the Effective Yield for any such Incremental Term Loans exceeds the Effective Yield then applicable to any then outstanding Initial Term Loans by more than 0.50% *per annum*, the Applicable Margins for such then outstanding Initial Term Loans shall be increased as of such date (in accordance with the requirements of the definition of "Applicable Margin") so that the difference between the Effective Yield with respect to such new Incremental Term Loans and the corresponding Effective Yield on such then outstanding Initial Term Loans is equal to 0.50% (the "MFN Pricing Test") and (III) such Tranche of Incremental Term Loans may have other terms (other than those described in preceding clauses (I) and (II)) that may differ from those of other Tranches of Term Loans, including, without limitation, as to the application of optional or voluntary prepayments among the Incremental Term Loans and the existing Term Loans, in each case, taken as a whole, that are not materially more favorable to the lenders providing such Incremental Term Loans than the provisions applicable to the existing Term Loans or as are otherwise reasonably

satisfactory to the Administrative Agent, (ix) all Incremental Term Loans (and all interest, fees and other amounts payable thereon) incurred by Borrower shall be Obligations of Borrower under this Agreement and the other applicable Credit Documents and shall be secured by the Security Agreements, and guaranteed under the Guaranty Agreement, on a *pari passu* basis with all other Term Loans secured by the Security Agreement and guaranteed under such Guaranty Agreement and shall not be secured by any assets that do not constitute Collateral for the outstanding Term Loans or be guaranteed by any guarantors that are not Credit Parties, (x) each Lender (including any Eligible Transferee who will become a Lender) agreeing to provide an Incremental Term Loan Commitment pursuant to an Incremental Term Loan Amendment shall, subject to the satisfaction of the relevant conditions set forth in this Agreement, make Incremental Term Loans under the Tranche specified in such Incremental Term Loan Amendment as provided in Section 2.01(b) and such Term Loans shall thereafter be deemed to be Incremental Term Loans under such Tranche for all purposes of this Agreement and the other applicable Credit Documents and (xi) all Incremental Term Loan Commitment Requirements are satisfied.

(b) At the time of the provision of Incremental Term Loan Commitments pursuant to this Section 2.15, Borrower, the Administrative Agent and each such Lender or other Eligible Transferee which agrees to provide an Incremental Term Loan Commitment (each, an "Incremental Term Loan Lender") shall execute and deliver to the Administrative Agent an Incremental Term Loan Amendment (which shall not require the consent of any other Lender), with the effectiveness of the Incremental Term Loan Commitment provided therein to occur on the date on which (w) a fully executed copy of such Incremental Term Loan Amendment shall have been delivered to the Administrative Agent, (x) all fees required to be paid in connection therewith at the time of such effectiveness shall have been paid (including, without limitation, any agreed upon upfront or arrangement fees owing to the Administrative Agent to the extent it served as the arranger for the Incremental Term Loan Commitments), (y) all Incremental Term Loan Commitment Requirements are satisfied, and (z) all other conditions set forth in this Section 2.15 shall have been satisfied. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Incremental Term Loan Amendment, and at such time, (i) Schedule 2.01 shall be deemed modified to reflect the revised Incremental Term Loan Commitments of the affected Lenders and (ii) to the extent requested by any Incremental Term Loan Lender, Notes will be issued at Borrower's expense to such Incremental Term Loan Lender, to be in conformity with the requirements of Section 2.05 (with appropriate modification) to the extent needed to reflect the new Incremental Term Loans made by such Incremental Term Loan Lender.

(c) Notwithstanding anything to the contrary contained above in this Section 2.15, the Incremental Term Loan Commitments provided by an Incremental Term Loan Lender or Incremental Term Loan Lenders, as the case may be, pursuant to each Incremental Term Loan Amendment shall constitute a new Tranche, which shall be separate and distinct from the existing Tranches pursuant to this Agreement; *provided* that, with the consent of the Administrative Agent (not to be unreasonably withheld, delayed or conditioned), the parties to a given Incremental Term Loan Amendment may specify therein that the Incremental Term Loans made pursuant thereto shall constitute part of, and be added to, an existing Tranche of Term Loans, in any case so long as the following requirements are satisfied:

(i) the Incremental Term Loans to be made pursuant to such Incremental Term Loan Amendment shall have the same Borrower, the same Maturity Date and the same Applicable Margins as the Tranche of Term Loans to which the new Incremental Term Loans are being added;

(ii) the new Incremental Term Loans shall have the same Scheduled Repayment Dates as then remain with respect to the Tranche to which such new Incremental Term Loans are being added (with the amount of each Scheduled Repayment applicable to such new Incremental Term Loans to be the same (on a proportionate basis) as is theretofore applicable to the Tranche to which such new Incremental Term Loans are being added, thereby increasing the amount of each then remaining Scheduled Repayment of the respective Tranche proportionately); and

(iii) on the date of the making of such new Incremental Term Loans, and notwithstanding anything to the contrary set forth in Section 2.09, such new Incremental Term Loans shall be added to (and form part of) each Borrowing of outstanding Term Loans of the applicable Tranche on a *pro rata* basis (based on the relative sizes of the various outstanding Borrowings), so that each Lender holding Term Loans under the respective Tranche of Term Loans participates in each outstanding Borrowing of Term Loans of the

respective Tranche (after giving effect to the incurrence of such new Incremental Term Loans pursuant to Section 2.01(b)) on a *pro rata* basis.

To the extent the provisions of the preceding clause (iii) require that Incremental Term Loan Lenders making new Incremental Term Loans add such Incremental Term Loans to the then outstanding Borrowings of LIBO Rate Term Loans of such Tranche, it is acknowledged that the effect thereof may result in such new Incremental Term Loans having irregular Interest Periods (i.e., an Interest Period that began during an Interest Period then applicable to outstanding LIBO Rate Term Loans of such Tranche and which will end on the last day of such Interest Period), which irregular interest periods shall be permitted notwithstanding anything to the contrary in this Agreement. All determinations by any the Administrative Agent of the LIBO Rate, in such circumstances pursuant to the immediately preceding sentence shall, absent manifest error, be final and conclusive and binding on all parties hereto.

(d) Subject to compliance with the other applicable requirements set forth in this Section 2.15, any new Incremental Term Loan may be established and incurred as a means of effectively extending the maturity of, effecting a repricing of or a refinancing, in whole or in part without utilizing the capacity under any incurrence tests or fixed baskets for other Incremental Term Loans, of any applicable Term Loans then outstanding so long as:

(i) the Lenders with respect to the relevant series of Term Loans and/or Commitments being extended, repriced or refinanced are offered the opportunity to participate in such transaction on a *pro rata* basis (and on the same terms) and

(ii) the amount of any Incremental Term Loans does not exceed the sum of (x) the principal amount of the applicable Term Loans effectively being extended, repriced or refinanced, (y) fees and expenses (including any prepayment premium, penalties or other call protection) related to such extension, repricing or refinancing, and (z) fees and expenses (including any upfront fees, original issue discount, underwriting discounts, amendment fees, commissions and arrangement, underwriting and similar fees) related to the establishment and incurrence of such Incremental Term Loans.

2.16 LIBOR Successor Rate.

(a) Subject to clauses (b), (c), (d), (e), (f) and (g) of this Section 2.16, if prior to the commencement of any Interest Period for a LIBO Rate Term Loan Borrowing:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the LIBO Rate, as applicable (including because the LIBO Screen Rate is not available or published on a current basis), for such Interest Period; provided that no Benchmark Transition Event shall have occurred at such time; or

(ii) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period,

then the Administrative Agent shall give notice thereof to Borrower and the Lenders by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until the Administrative Agent notifies Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (A) any Notice of Conversion/Continuation that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a LIBO Rate Term Borrowing shall be ineffective and (B) if any Notice of Borrowing requests a LIBO Rate Term Borrowing, such Borrowing shall be made as a Base Rate Borrowing; provided that if the circumstances giving rise to such notice affect only one Type of Borrowings, then the other Type of Borrowings shall be permitted.

(b) Notwithstanding anything to the contrary herein or in any other Credit Document, if a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark

Replacement is determined in accordance with clause (1) or (2) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Credit Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Credit Document and (y) if a Benchmark Replacement is determined in accordance with clause (3) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Credit Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Credit Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(c) Notwithstanding anything to the contrary herein or in any other Credit Document and subject to the proviso below in this paragraph, if a Term SOFR Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then the applicable Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder or under any Credit Document in respect of such Benchmark setting and subsequent Benchmark settings, without any amendment to, or further action or consent of any other party to, this Agreement or any other Credit Document; provided that, this clause (c) shall not be effective unless the Administrative Agent has delivered to the Lenders and Borrower a Term SOFR Notice. For the avoidance of doubt, the Administrative Agent shall not be required to deliver a Term SOFR Notice after a Term SOFR Transition Event and may do so in its sole discretion.

(d) In connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Credit Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Credit Document.

(e) The Administrative Agent will promptly notify Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (f) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.16, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Credit Document, except, in each case, as expressly required pursuant to this Section 2.16.

(f) Notwithstanding anything to the contrary herein or in any other Credit Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR or LIBO Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(g) Upon Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, Borrower may revoke any request for a LIBO Rate Term Borrowing of, conversion to or continuation of LIBO Rate

Term Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to Base Rate Loans. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of Base Rate.

2.17 [Reserved].

2.18 Refinancing Term Loans.

(a) Borrower may from time to time by written notice to the Administrative Agent elect to request the establishment of one or more additional Tranches of Term Loans under this Agreement ("Refinancing Term Loans"), which refinance, renew, replace, defease or refund all or any portion of one or more Tranches of Term Loans under this Agreement selected by Borrower; *provided*, that such Refinancing Term Loans may not be in an amount greater than the aggregate principal amount of the Term Loans being refinanced, renewed, replaced, defeased or refunded *plus* unpaid accrued interest and premium (if any) thereon and upfront fees, original issue discount, underwriting discounts, fees, commissions and expenses incurred in connection with the Refinancing Term Loans; *provided* that such aggregate principal amount may also be increased to the extent such additional amount is capable of being incurred at such time pursuant to Section 2.15 and such excess incurrence shall for all purposes hereof be an incurrence under the relevant subclauses of Section 2.15. Each such notice shall specify the date (each, a "Refinancing Effective Date") on which Borrower proposes that the Refinancing Term Loans shall be made, which shall be a date not less than three (3) Business Days after the date on which such notice is delivered to the Administrative Agent; *provided* that:

(i) except in the case of Extendable Bridge Loans and an aggregate principal amount not in excess of the Inside Maturity Basket (when taken together with (1) all other currently outstanding or simultaneously incurred Refinancing Term Loans, Incremental Term Loans, Permitted Pari Passu Notes, Permitted Pari Passu Loans, Permitted Junior Notes and Permitted Junior Loans that utilize the Inside Maturity Basket and (2) any Permitted Refinancing Indebtedness incurred with respect to the foregoing to the extent such Indebtedness does not otherwise meet the requirements set forth in this clause (i)), the Weighted Average Life to Maturity of such Refinancing Term Loans shall not be shorter than the remaining Weighted Average Life to Maturity of the Term Loans being refinanced and the Refinancing Term Loans shall not have a final stated maturity before the Maturity Date applicable to the Term Loans being refinanced;

(ii) such Refinancing Term Loans shall have pricing (including interest rates, fees and premiums), amortization, optional prepayment, mandatory prepayment (so long as such Refinancing Term Loans are not entitled to participate on a greater than *pro rata* basis in any mandatory prepayment than the then outstanding Term Loans) and redemption terms as may be agreed to by Borrower and the relevant Refinancing Term Loan Lenders (as defined below);

(iii) such Refinancing Term Loans shall not be guaranteed by any Person other than the Credit Parties;

(iv) in the case of any such Refinancing Term Loans that are secured, such Refinancing Term Loans are secured only by assets comprising Collateral, and not secured by any property or assets of Borrower or any of its Subsidiaries other than the Collateral; and

(v) all other terms applicable to such Refinancing Term Loans (except as set forth above), taken as a whole, shall not be materially more favorable to the Refinancing Term Loan Lenders than the related provisions applicable to the existing Term Loans or otherwise reasonably satisfactory to the Administrative Agent, except to the extent (x) such covenants and other terms apply solely to any period after the Latest Maturity Date as of the date such Indebtedness was incurred or (y) such Refinancing Term Loans were incurred under the Inside Maturity Basket (*provided* that a certificate of a Responsible Officer of Borrower delivered to the Administrative Agent in good faith at least five Business Days prior to the incurrence of such Indebtedness, together with a reasonably detailed description of the material terms and conditions of such Indebtedness or drafts of the documentation relating thereto, stating that Borrower has

determined in good faith that such terms and conditions satisfy the requirement set out in this clause (v), shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Administrative Agent provides notice to Borrower of an objection during such five Business Day period (including a reasonable description of the basis upon which it objects)).

(b) Borrower may approach any Lender or any other Person that would be an Eligible Transferee of Term Loans to provide all or a portion of the Refinancing Term Loans (a "Refinancing Term Loan Lender"); *provided* that any Lender offered or approached to provide all or a portion of the Refinancing Term Loans may elect or decline, in its sole discretion, to provide a Refinancing Term Loan. Any Refinancing Term Loans made on any Refinancing Effective Date shall be designated a series of Refinancing Term Loans (a "Refinancing Term Loan Series") for all purposes of this Agreement; *provided* that any Refinancing Term Loans may, to the extent provided in the applicable Refinancing Term Loan Amendment and subject to the restrictions set forth in clause (a) above, be designated as an increase in any previously established Tranche of Term Loans.

(c) The Administrative Agent and the Lenders hereby consent to the transactions contemplated by Section 2.18(a) (including, for the avoidance of doubt, the payment of interest, fees, amortization (to the extent in compliance with Section 2.18(a)(i)) or premium in respect of the Refinancing Term Loans on the terms specified by Borrower) and hereby waive the requirements of this Agreement or any other Credit Document that may otherwise prohibit any transaction contemplated by Section 2.18(a). The Refinancing Term Loans shall be established pursuant to an amendment to this Agreement among Holdings, Borrower, the Administrative Agent and the Refinancing Term Loan Lenders providing such Refinancing Term Loans (a "Refinancing Term Loan Amendment") (which shall not require the consent of any other Lender) which shall be consistent with the provisions set forth in Section 2.18(a). Each Refinancing Term Loan Amendment shall be binding on the Lenders, the Administrative Agent, the Credit Parties party thereto and the other parties hereto without the consent of any other Lender and the Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Credit Documents as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and Borrower, to effect the provisions of Section 2.18 including such technical amendments as may be necessary or appropriate in connection therewith and to adjust the amortization schedule in Section 5.02(a) (insofar as such schedule relates to payments due to Lenders the Term Loans of which are refinanced with the proceeds of Refinancing Term Loans; *provided* that no such amendment shall reduce the *pro rata* share of any such payment that would have otherwise been payable to the Lenders, the Term Loans of which are not refinanced with the proceeds of Refinancing Term Loans). The Administrative Agent shall be permitted, and each is hereby authorized, to enter into such amendments with Borrower to effect the foregoing.

2.19 Reverse Dutch Auction Repurchases.

(a) Notwithstanding anything to the contrary contained in this Agreement or any other Credit Document, Holdings, Borrower or any Restricted Subsidiary may, at any time and from time to time, conduct reverse Dutch auctions in order to purchase Term Loans of a particular Tranche (each, an "Auction") (each such Auction to be managed exclusively by the Administrative Agent or any other bank or investment bank of recognized standing selected by Borrower (with the consent of the Administrative Agent or such other bank or investment bank) following consultation with the Administrative Agent (in such capacity, the "Auction Manager")), so long as the following conditions are satisfied:

(i) each Auction shall be conducted in accordance with the procedures, terms and conditions set forth in this Section 2.19(a) and Schedule 2.19(a);

(ii) no Event of Default shall have occurred and be continuing on the date of the delivery of each auction notice and at the time of purchase of Term Loans in connection with any Auction;

(iii) the minimum principal amount (calculated on the face amount thereof) of all Term Loans that Holdings, Borrower or such Restricted Subsidiary offers to purchase in any such Auction shall be no less than $2,500,000 (unless another amount is agreed to by the Administrative Agent);

(iv) Borrower shall not use the proceeds of any borrowing under the ABL Credit Agreement to finance any such repurchase; and

(v) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans so purchased by Holdings, Borrower or such Restricted Subsidiary shall automatically be cancelled and retired on the settlement date of the relevant purchase (and may not be resold).

(b) Holdings, Borrower or such Restricted Subsidiary must terminate an Auction if it fails to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to such Auction. Holdings, Borrower or such Restricted Subsidiary may withdraw any Auction if the reply amounts are insufficient to complete the purchase of a minimum principal amount of the Term Loans designated in writing to the applicable Auction Manager by Holdings, Borrower or such Restricted Subsidiary (the "Minimum Purchase Condition"). No Credit Party or any Restricted Subsidiary shall have any liability to any Lender for any termination of such Auction as a result of its failure to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to the such Auction, or for any termination of such Auction as a result of the failure to satisfy the Minimum Purchase Condition, and any such failure shall not result in any Default or Event of Default hereunder. With respect to all purchases of Term Loans made pursuant to this Section 2.19, (x) Holdings, Borrower or such Restricted Subsidiary shall pay on the settlement date of each such purchase all accrued and unpaid interest (except to the extent otherwise set forth in the relevant offering documents), if any, on the purchased Term Loans up to the settlement date of such purchase and (y) such purchases (and the payments made therefor and the cancellation of the purchased Term Loans, in each case in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Sections 5.01, 5.02 or 13.06. At the time of purchases of Term Loans pursuant to an Auction, the then remaining Scheduled Repayments shall be reduced by the aggregate principal amount (taking the face amount thereof) of Term Loans repurchased pursuant to such Auction, with such reduction to be applied to such Scheduled Repayments on a *pro rata* basis (based on the then remaining principal amount of each such Scheduled Repayments).

(c) The Administrative Agent and the Lenders hereby consent to the Auctions and the other transactions contemplated by thisSection 2.19 (*provided* that no Lender shall have an obligation to participate in any such Auctions) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02 and 13.06 (it being understood and acknowledged that purchases of the Term Loans by Holdings, Borrower or any Restricted Subsidiary contemplated by this Section 2.19 shall not constitute Investments by such Person)) or any other Credit Document that may otherwise prohibit any Auction or any other transaction contemplated by this Section 2.19. The Auction Manager acting in its capacity as such hereunder shall be entitled to the benefits of the provisions of Section 12 and Section 13.01 *mutatis mutandis* as if each reference therein to the "Administrative Agent" were a reference to the Auction Manager, and the Administrative Agent and the Auction Manager shall cooperate in a reasonable manner in connection therewith.

2.20 Open Market Purchases.

(a) Notwithstanding anything to the contrary contained in this Agreement or any other Credit Document, Holdings, Borrower or any of its Restricted Subsidiaries may, at any time and from time to time, make open market purchases (including on a non-*pro rata* basis) of Term Loans (each, an "Open Market Purchase"), so long as the following conditions are satisfied:

(i) no Event of Default shall have occurred and be continuing on the date of such Open Market Purchase;

(ii) neither Holdings, Borrower nor any Restricted Subsidiary shall use the proceeds of any borrowing under the ABL Credit Agreement to finance any such purchase; and

(iii) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans so purchased by Holdings, Borrower or any of its Restricted Subsidiaries shall automatically be cancelled and retired on the settlement date of the relevant purchase (and may not be resold).

(b) With respect to all purchases of Term Loans made pursuant to thisSection 2.20, (x) Holdings, Borrower or such Restricted Subsidiary shall pay on the settlement date of each such purchase all accrued and unpaid interest, if any, on the purchased Term Loans up to the settlement date of such purchase (except to the extent otherwise set forth in the relevant purchase documents as agreed by the respective selling Lender) and (y) such purchases (and

the payments made therefor and the cancellation of the purchased Term Loans, in each case in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 5.01, 5.02 or 13.06. At the time of purchases of Term Loans pursuant to any Open Market Purchase, the then remaining Scheduled Repayments shall be reduced by the aggregate principal amount (taking the face amount thereof) of Term Loans repurchased pursuant to such Open Market Purchase, with such reduction to be applied to such Scheduled Repayments on a *pro rata* basis (based on the then remaining principal amount of each such Scheduled Repayments).

(c) The Administrative Agent and the Lenders hereby consent to the Open Market Purchases contemplated by this Section 2.20 and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02 and 13.06 (it being understood and acknowledged that purchases of the Term Loans by Holdings, Borrower or any Restricted Subsidiary contemplated by this Section 2.20 shall not constitute Investments by such Person)) or any other Credit Document that may otherwise prohibit any Open Market Purchase by this Section 2.20.

2.21 Sponsor and Affiliate Term Loan Purchases. Notwithstanding anything to the contrary in this Agreement, the Sponsor and any Non-Debt Fund Affiliate may be an assignee in respect of Term Loans (and to such extent shall be deemed an "Eligible Transferee"); *provided* that:

(a) at the time of acquisition thereof, the aggregate principal amount of Term Loans held by the Sponsor and Non-Debt Fund Affiliates, together with the aggregate principal amount of the Term Loans so acquired, shall not exceed 25% of the aggregate outstanding principal amount of the Term Loans at such time;

(b) notwithstanding anything to the contrary in the definition of "Required Lenders", or in Section 13.12, the holder of any Term Loans acquired pursuant to this Section 2.21(b) (other than Debt Fund Affiliates) shall not be entitled to vote such Term Loans in any "Required Lender" vote or direction pursuant to the terms of this Agreement or any other Credit Document, and for purposes of any such vote or direction such Term Loans shall be deemed not to be outstanding (it being understood that the holder of such Term Loans shall have the right to consent to votes requiring the consent of "all Lenders" or "all Lenders directly and adversely affected thereby" pursuant to Section 13.12 or otherwise, or any other amendment which treats such Lenders differently from other Lenders);

(c) by acquiring a Term Loan hereunder, the Sponsor or such applicable Non-Debt Fund Affiliates shall be deemed to have (I) waived its right to receive information prepared by the Administrative Agent or any Lender (or any advisor, agent or counsel thereof) under or in connection with the Credit Documents (in each case to the extent not provided to the Credit Parties) and attend any meeting or conference call with the Administrative Agent or any Lender (unless any Credit Party has been invited to attend such meeting or conference call), (II) agreed that it is prohibited from making or bringing any claim (but not from joining any claim initiated by any other Lender and acting as a passive participant with respect thereto), in its capacity as a Lender, against Administrative Agent or any Lender with respect to the duties and obligations of such Persons under the Credit Documents, and (III) agreed, without limiting its rights as a Lender described in Section 2.21(b), that it will have no right whatsoever, in its capacity as a Lender, to require the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to this Agreement or any other Credit Document;

(d) the Sponsor or such Non-Debt Fund Affiliate identifies itself as an Affiliate of the Credit Parties prior to the assignment of Term Loans to it pursuant to the applicable Assignment and Assumption; *provided* that this clause (d) shall not apply in the case of an acquisition of Term Loans through an un-Affiliated intermediary to the extent the Sponsor or such Non-Debt Fund Affiliate has made any representations and warranties to such intermediary as are required by such intermediary in connection with its engagement as such (which may include, to the extent required by such intermediary, a representation and warranty that it does not possess any material non-public information about the Credit Parties and their respective securities);

(e) Term Loans acquired by the Sponsor and Non-Debt Fund Affiliates shall be subject to the voting limitations set forth in Section 13.04(g);

(f) notwithstanding anything in Section 13.12 or the definition of "Required Lenders" to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Credit Document or any departure by any Credit Party therefrom, (ii) otherwise acted on any matter related to any Credit Document or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Credit Document, all Term Loans held by Debt Fund Affiliates may not account for more than 49.9% of the Term Loans of consenting Lenders included in determining whether the Required Lenders have consented to any action pursuant to Section 13.12; and

(g) each assignor and assignee party any relevant assignment under this Section 2.21 shall render customary "big boy" disclaimer letters or any such disclaimers shall be incorporated into the terms of the Assignment and Assumption.

Section 3. [Reserved].

Section 4. Fees; Reductions of Commitment.

4.01 Fees.

(a) Borrower agrees to pay to the Administrative Agent such fees as may be agreed to in writing from time to time by Borrower and the Administrative Agent.

(b) At the time of the effectiveness of any Repricing Transaction that is consummated prior to the date that is six (6) months after the Closing Date, Borrower agrees to pay to the Administrative Agent, for the ratable account of each Lender with outstanding Initial Term Loans that are repaid or prepaid (and/or converted) pursuant to such Repricing Transaction (including, if applicable, each Lender that withholds its consent to a Repricing Transaction of the type described in clause (2) of the definition thereof and is replaced as a non-consenting Lender under Section 2.13), a fee in an amount equal to 1.00% of (x) in the case of a Repricing Transaction of the type described in clause (1) of the definition thereof, the aggregate principal amount of all Initial Term Loans prepaid (or converted) by Borrower in connection with such Repricing Transaction and (y) in the case of a Repricing Transaction of the type described in clause (2) of the definition thereof, the aggregate principal amount of all Initial Term Loans outstanding with respect to Borrower on such date that are subject to an effective reduction of the Applicable Margin pursuant to such Repricing Transaction. Such fees shall be due and payable upon the date of the effectiveness of such Repricing Transaction.

4.02 Mandatory Reduction of Commitments.

(a) In addition to any other mandatory commitment reductions pursuant to this Section 4.02, the Total Initial Term Loan Commitment shall terminate in its entirety on the Closing Date after the funding of all Initial Term Loans on such date.

(b) In addition to any other mandatory commitment reductions pursuant to this Section 4.02, the Total Incremental Term Loan Commitment pursuant to an Incremental Term Loan Amendment (and the Incremental Term Loan Commitment of each Lender with such a Commitment) shall terminate in its entirety on the Incremental Term Loan Borrowing Date for such Total Incremental Term Loan Commitment after the funding of all relevant Incremental Term Loans on such date.

(c) Each reduction to the Total Initial Term Loan Commitment and the Total Incremental Term Loan Commitment under a given Tranche pursuant to this Section 4.02 as provided above (or pursuant to Section 5.02) shall be applied proportionately to reduce the Initial Term Loan Commitment or the Incremental Term Loan Commitment under such Tranche, as the case may be, of each Lender with such a Commitment.

Section 5. Prepayments; Payments; Taxes.

5.01 Voluntary Prepayments.

(a) Borrower shall have the right to prepay the Term Loans of any Tranche, without premium or penalty (other than as provided in Section 4.01(b)), in whole or in part at any time and from time to time on the following terms and conditions: (i) Borrower shall give the Administrative Agent at its Notice Office a Notice of Loan Prepayment (or telephonic notice promptly confirmed in writing) of its intent to prepay all of the Term Loans, or in the case of any partial prepayment, the Tranche of Term Loans to be prepaid, the amount of the Term Loans to be prepaid, the Types of Term Loans to be repaid, the manner in which such prepayment shall apply to reduce the Scheduled Repayments and, in the case of LIBO Rate Term Loans, the specific Borrowing or Borrowings pursuant to which made, which notice shall be given by Borrower (x) prior to 12:00 Noon (New York City time) at least one Business Day prior to the date of such prepayment in the case of Term Loans maintained as Base Rate Term Loans and (y) prior to 12:00 Noon (New York City time) at least three Business Days prior to the date of such prepayment in the case of LIBO Rate Term Loans (or, in the case of clauses (x) and (y), such shorter period as the Administrative Agent shall agree in its sole and absolute discretion), and be promptly transmitted by the Administrative Agent to each of the Lenders; (ii) each partial prepayment of Term Loans pursuant to this Section 5.01(a) shall be in an aggregate principal amount of at least $1,000,000 or such lesser amount as is acceptable to the Administrative Agent; *provided* that if any partial prepayment of LIBO Rate Term Loans made pursuant to any Borrowing shall reduce the outstanding principal amount of LIBO Rate Term Loans made pursuant to such Borrowing to an amount less than the Minimum Borrowing Amount applicable thereto, then if such Borrowing is a Borrowing of LIBO Rate Term Loans, such Borrowing shall automatically be converted into a Borrowing of Base Rate Term Loans and any election of an Interest Period with respect thereto given by Borrower shall have no force or effect; (iii) each prepayment pursuant to this Section 5.01(a) in respect of any Term Loans made pursuant to a Borrowing shall be applied *pro rata* among such Term Loans; *provided* that it is understood and agreed that this clause (iii) may be modified as expressly provided in Section 2.14 in connection with an Extension Amendment; and (iv) each prepayment of principal of Term Loans of a given Tranche pursuant to this Section 5.01(a) shall be applied as directed by Borrower in the applicable Notice of Loan Prepayment delivered pursuant to this Section 5.01(a) or, if no such direction is given, in direct order of maturity. Notwithstanding anything to the contrary contained in this Agreement, any such Notice of Loan Prepayment pursuant to this Section 5.01(a) may state that it is conditioned upon the occurrence ornon-occurrence of any event specified therein (including, but not limited to, the effectiveness of other credit facilities, the occurrence of a Change of Control or any similar event), in which case such notice may be revoked by Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(b) In the event (i) of a refusal by a Lender to consent to proposed changes, amendments, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b) or (ii) any Lender becomes a Defaulting Lender, Borrower may, upon three Business Days' prior written notice to the Administrative Agent at the Notice Office (or such shorter notice as may be agreed by the Administrative Agent) repay all Term Loans of such Lender, together with accrued and unpaid interest, Fees and other amounts owing to such Lender in accordance with, and subject to the requirements of, Section 13.12(b), so long as, in the case of any repayment pursuant to clause (i) hereof, the consents, if any, required under Section 13.12(b) in connection with the repayment pursuant to such clause (i) have been obtained. Each prepayment of any Term Loan pursuant to this Section 5.01(b) shall reduce the then remaining Scheduled Repayments of the applicable Tranche of Term Loans on a *pro rata* basis (based upon the then remaining unpaid principal amounts of Scheduled Repayments of the respective Tranche after giving effect to all prior reductions thereto).

5.02 Mandatory Repayments.

(a) In addition to any other mandatory repayments pursuant to this Section 5.02, on each date set forth below (each, a "Scheduled Repayment Date"), Borrower shall be required to repay to the Administrative Agent for the ratable account of the Lenders (i) on the last Business Day of each March, June, September and December, commencing with September 30, 2021, an aggregate principal amount of Initial Term Loans equal to $5,000,000 and (ii) on the Initial Maturity Date for Initial Term Loans, the aggregate principal amount of all Initial Term Loans that remain outstanding on such date (each such repayment described in clauses (i) and (ii), as the same may be reduced as provided in this Agreement, including in Section 2.19, 2.20, 5.01 or 5.02(g), or as a result of the application of prepayments or otherwise in connection with any Extension as provided in Section 2.14, a "Scheduled Repayment").

(b) In addition to any other mandatory repayments pursuant to this Section 5.02, Borrower shall be required to make, with respect to each new Tranche (i.e., other than Initial Term Loans, which are addressed in the preceding clause (a)) of Term Loans to the extent then outstanding, scheduled amortization payments of such Tranche of Term Loans to the extent, and on the dates and in the principal amounts, set forth in the Incremental Term Loan Amendment, Refinancing Term Loan Amendment or Extension Amendment applicable thereto.

(c) In addition to any other mandatory repayments pursuant to this Section 5.02, within 10 days following each date on or after the Closing Date upon which Borrower or any of its Restricted Subsidiaries receives any cash proceeds from any issuance or incurrence of Indebtedness (other than Indebtedness permitted to be incurred pursuant to Section 10.04 (other than Refinancing Term Loans and Refinancing Notes/Loans)), an amount equal to 100% of the Net Debt Proceeds therefrom shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h).

(d) In addition to any other mandatory repayments pursuant to this Section 5.02, within 10 days following each date on or after the Closing Date upon which Borrower or any of its Restricted Subsidiaries receives any Net Sale Proceeds from any Asset Sale (other than in respect of ABL Collateral), an amount equal to the Applicable Asset Sale/Recovery Event Prepayment Percentage of the Net Sale Proceeds therefrom shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h); *provided*, *however*, with respect to an aggregate amount of no more than the greater of $120,000,000 and 10% of Consolidated EBITDA of Borrower and its Restricted Subsidiaries for the most recently ended Test Period, of such Net Sale Proceeds received by Borrower and its Restricted Subsidiaries in any fiscal year of Borrower, such Net Sale Proceeds shall not be required to be so applied or used to make mandatory repayments of Term Loans and any required prepayment shall be only the amount in excess thereof. Notwithstanding the foregoing, Borrower or such Restricted Subsidiary may apply all or a portion of such Net Sale Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder to reinvest in the purchase of assets useful in the business of Borrower and its Restricted Subsidiaries within 12 months following the date of receipt of such Net Sale Proceeds (or, if within such 12-month period, Borrower or any of its Restricted Subsidiaries enters into a binding commitment to so reinvest such Net Sale Proceeds, within 180 days following such 12-month period during which Borrower so committed to such plan of reinvestment); *provided*, *further*, that if within 12 months (or, to the extent applicable, 18 months) after the date of receipt by Borrower or such Restricted Subsidiary of such Net Sale Proceeds, Borrower or such Restricted Subsidiary has not so used all or a portion of such Net Sale Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder, an amount equal to the remaining portion of such Net Sale Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h) on the last day of such 12-month (or, to the extent applicable, 18-month) period.

(e) In addition to any other mandatory repayments pursuant to this Section 5.02, on each Excess Cash Flow Payment Date, an amount (such amount the "Excess Cash Flow Payment Amount") equal to the remainder of (i) the Applicable ECF Prepayment Percentage of the Excess Cash Flow for the related Excess Cash Flow Payment Period *less* (ii) the aggregate amount of all Voluntary Pari Passu Debt Prepayments, *less* (iii) the aggregate amount of all Capital Expenditures made or accrued by Borrower and its Restricted Subsidiaries, *less* (iv) the aggregate amount of all cash payments made in respect of any Permitted Acquisitions and other Investments permitted pursuant to Section 10.05 (other than Investments in Cash Equivalents or in Borrower or a Person that, prior to and immediately following the making of such Investment, was and remains a Restricted Subsidiary), *less* (v) Dividends made in cash to the extent permitted by Sections 10.03(iii), (iv), (v), (vi), (vii), (viii), (ix), (x), (xiii), (xxiii) or (xv), *less* (vi) the portion of transaction costs and expenses related to items (ii) – (v) above (to the extent not deducted in determining Consolidated Net Income), *less* (vii) the aggregate amount of any premium, make-whole or penalty payments actually paid in cash that are required to be made in connection with any prepayment, buyback or redemption of Indebtedness pursuant to clause (ii) above, in each case of the foregoing clauses (ii) – (vii), made during the relevant Excess Cash Flow Payment Period or after such Excess Cash Flow Payment Period and prior to the time such Excess Cash Flow Payment Amount is due (or, at the election of Borrower, if committed to be made during the relevant Excess Cash Flow Payment Period or after such Excess Cash Flow Payment Period and prior to the time such Excess Cash Flow Payment Amount is due), to the extent not financed with the proceeds of long-term indebtedness (excluding ABL Revolving Loans and borrowings under any similar working capital facility permitted under Section 10.04 or any Qualified Securitization Transaction or Receivables Facility permitted under Section 10.04, shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h); *provided*, that no prepayment shall be required with respect to any Excess Cash Flow Payment Period to the extent Excess Cash Flow for such

period is equal to or less than the greater of $30,000,000 and 2.5% of Consolidated EBITDA of Borrower and its Restricted Subsidiaries for the most recently ended Test Period, and, in such case, the required prepayment shall be only the amount in excess thereof.

(f) In addition to any other mandatory repayments pursuant to this Section 5.02, within 10 days following each date on or after the Closing Date upon which Borrower or any of its Restricted Subsidiaries receives any Net Insurance Proceeds from any Recovery Event (other than in respect of ABL Collateral), an amount equal to the Applicable Asset Sale/Recovery Event Prepayment Percentage of the Net Insurance Proceeds from such Recovery Event shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h); *provided*, *however*, with respect to an aggregate amount of no more than the greater of $120,000,000 and 10% of Consolidated EBITDA of Borrower and its Restricted Subsidiaries for the most recently ended Test Period, of such Net Insurance Proceeds received by Borrower and its Restricted Subsidiaries in any fiscal year of Borrower, such Net Insurance Proceeds shall not give rise to a mandatory repayment and any required prepayment shall be only the amount in excess thereof. Notwithstanding the foregoing, Borrower or such Restricted Subsidiary may apply all or a portion of such Net Insurance Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder to reinvest in the purchase of assets useful in the business of Borrower and its Restricted Subsidiaries within 12 months following the date of receipt of such Net Insurance Proceeds (or, if within such 12-month period, Borrower or any of its Restricted Subsidiaries enters into a binding commitment to so reinvest such Net Insurance Proceeds, within 180 days following such 12-month period during which Borrower so committed to such plan of reinvestment); *provided*, *further*, that if within 12 months (or, to the extent applicable, 18 months) after the date of receipt by Borrower or such Restricted Subsidiary of such Net Insurance Proceeds, Borrower or such Restricted Subsidiary has not so used all or a portion of such Net Insurance Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder, an amount equal to the remaining portion of such Net Insurance Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h) on the last day of such 12-month (or, to the extent applicable, 18-month) period.

(g) Each amount required to be applied pursuant toSections 5.02(d), (e) and (f) in accordance with this Section 5.02(g) shall be applied to repay the outstanding principal amount of Term Loans, with each Tranche of then outstanding Term Loans to be allocated its Term Loan Percentage of each amount so required to be applied; *provided* that to the extent any Secured Notes, any Permitted Pari Passu Notes, any Permitted Pari Passu Loans or Refinancing Notes/Loans (or, in each case, any Permitted Refinancing Indebtedness in respect of any of the foregoing that is secured on a *pari passu* basis with the Obligations) requires any mandatory prepayment or repurchase of *pari passu* Indebtedness from any Net Sale Proceeds or Net Insurance Proceeds that would otherwise be required to be applied to prepay Term Loans in accordance with clause (d) or (f) above, up to a *pro rata* portion (based on the aggregate principal amount of Term Loans and such *pari passu* secured Indebtedness then outstanding) of such Net Sale Proceeds or Net Insurance Proceeds that would otherwise be required to prepay Term Loans in accordance with clause (d) or (f) above may be applied to prepay or repurchase such *pari passu* secured Indebtedness in lieu of prepaying Term Loans as provided above. Prepayments pursuant toSection 5.02(c) shall be applied to the Tranche or Tranches of Term Loans selected by Borrower. Except as otherwise provided below, all repayments of outstanding Term Loans of a given Tranche pursuant to Sections 5.02(c), (d), (e) and (f) (and applied pursuant to this clause (g)) shall be applied to reduce the Scheduled Repayments of the applicable Tranche in direct order of maturity of such Scheduled Repayments.

(h) With respect to each repayment of Term Loans required by this Section 5.02, Borrower may (subject to the priority payment requirements of Section 5.02(g)) designate the Types of Term Loans of the applicable Tranche which are to be repaid and, in the case of LIBO Rate Term Loans, the specific Borrowing or Borrowings of the applicable Tranche pursuant to which such LIBO Rate Term Loans were made; *provided* that: (i) repayments of LIBO Rate Term Loans pursuant to this Section 5.02 may only be made on the last day of an Interest Period applicable thereto unless all such LIBO Rate Term Loans of the applicable Tranche with Interest Periods ending on such date of required repayment and all Base Rate Term Loans of the applicable Tranche have been paid in full; and (ii) each repayment of any Term Loans made pursuant to a Borrowing shall be applied *pro rata* among such Term Loans. In the absence of a designation by Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its reasonable discretion.

(i) In addition to any other mandatory repayments pursuant to this Section 5.02, all then outstanding Term Loans of any Tranche of Term Loans shall be repaid in full on the Maturity Date for such Tranche of Term Loans.

(j) Notwithstanding any other provisions of this Section 5.02, (i) to the extent that any or all of the Net Sale Proceeds of any Asset Sale by a Foreign Subsidiary (a "Foreign Asset Sale"), the Net Insurance Proceeds of any Recovery Event incurred by a Foreign Subsidiary (a "Foreign Recovery Event") or Excess Cash Flow attributable to Foreign Subsidiaries are prohibited or delayed by applicable local law, rule or regulation or applicable organizational documents of such Foreign Subsidiary from being repatriated to the United States, an amount equal to the portion of such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 5.02 so long, but only so long, as the applicable local law, rule or regulation or applicable organizational documents of such Foreign Subsidiary will not permit repatriation to the United States (Borrower hereby agreeing to use all commercially reasonable efforts to overcome or eliminate any such restrictions on repatriation and/or minimize any such costs of prepayment and/or use the other cash sources of Borrower and its Restricted Subsidiaries to make the relevant prepayment), and if within one year following the date on which the respective prepayment would otherwise have been required such repatriation of any of such affected Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow is permitted under the applicable local law, rule or regulation or applicable organizational documents of such Foreign Subsidiary, an amount equal to such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow will be promptly applied (net of additional taxes that would be payable or reserved against as a result of repatriating such amounts and additional costs relating to such repatriation) to the repayment of the Term Loans pursuant to this Section 5.02, (ii) to the extent that Borrower has reasonably determined in good faith that repatriation of any of or all the Net Sale Proceeds of any Foreign Asset Sale, Net Insurance Proceeds of any Foreign Recovery Event, or Excess Cash Flow attributable to Foreign Subsidiaries would have material adverse tax consequences, an amount equal to such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow so affected will not be required to be applied to prepay Term Loans at the times provided in this Section 5.02 and (iii) to the extent that the Net Sale Proceeds of an Asset Sale are attributable to a non-Wholly-Owned Subsidiary, the Net Insurance Proceeds of a Recovery Event are attributable to a non-Wholly-Owned Subsidiary or Excess Cash Flow is attributable to a non-Wholly-Owned Subsidiary, the amount of such Net Sale Proceeds, such Net Insurance Proceeds and such Excess Cash Flow used to calculate the required prepayment pursuant to this Section 5.02 shall not exceed the lesser of (x) an amount corresponding to the proportionate ownership interests in such non-Wholly-Owned Subsidiary or (y) an amount corresponding to the amount of distributions permitted to be made from such non-Wholly-Owned Subsidiary to its direct or indirect parent entity that is a Wholly-Owned Subsidiary for such purposes at the time such prepayment is required to be made.

(k) Borrower shall notify the Administrative Agent in writing of any mandatory repayment of Term Loans required to be made pursuant to Section 5.02(d), (e) or (f) at least three Business Days prior to the date of such repayment. Each such notice shall specify the date of such repayment and provide the amount of such repayment. The Administrative Agent will promptly notify the Lenders of the contents of Borrower's Notice of Loan Prepayment and of such Lender's *pro rata* share of any repayment. Each Lender may reject all or a portion of its*pro rata* share of any mandatory repayment (such declined amounts, the "Declined Proceeds") of Term Loans required to be made pursuant toSection 5.02(d), (e) or (f) by providing written notice (each, a "Rejection Notice") to the Administrative Agent and Borrower no later than 5:00 P.M. (New York City time) on the Business Day after the date of such Lender's receipt of notice from the Administrative Agent regarding such repayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Lender fails to deliver such Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory repayment of Term Loans to which such Lender is otherwise entitled. Any Declined Proceeds that would otherwise have been payable pursuant to Section 5.02(d) or (f), to the extent retained by Borrower following compliance with the provisions hereof, are referred to herein as "Specified Retained Declined Proceeds".

5.03 Method and Place of Payment. All payments under this Agreement and under any Note shall be made (i) to the Administrative Agent at its Notice Office for the account of the Lender or Lenders entitled thereto, or, except as otherwise specifically provided herein, directly to such Lender or Lenders, in each case, not later than 2:00 p.m. (New York City time) on the date when due (or, in connection with any prepayment of all outstanding Term Loans, such later time on the specified prepayment date as the Administrative Agent may agree), (ii) in Dollars in

immediately available funds and (iii) free and clear of and without condition or deduction for any counterclaim, defense, recoupment or setoff. Any payment received after such time on such date referred to in the first sentence of this Section 5.03 shall, at the option of the Administrative Agent, be deemed to have been received on the next Business Day. Whenever any payment to be made hereunder or under any Note shall be stated to be due on a day which is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable at the applicable rate during such extension. Unless the Administrative Agent shall have received notice from Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that Borrower will not make such payment, the Administrative Agent may assume that Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if Borrower has not in fact made such payment, then each Lender severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

5.04 Net Payments.

(a) All payments made by or on account of any Credit Party under any Credit Document shall be made free and clear of, and without deduction or withholding for, any Taxes, except as required by applicable Requirements of Law. If any Taxes are required to be withheld or deducted in respect of any such payments, then the Credit Parties jointly and severally agree that (i) to the extent such deduction or withholding is on account of an Indemnified Tax or Other Tax, the sum payable by the applicable Credit Party shall be increased as necessary so that after all required deductions or withholdings (including deduction or withholdings applicable to additional sums payable under this Section 5.04) have been made by the applicable withholding agent, the applicable Lender (or, in the case of payments made to the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable withholding agent will make such deductions or withholdings, and (iii) the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Requirements of Law. In addition, the Credit Parties shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Requirements of Law. The Credit Parties will furnish to the Administrative Agent within 45 days after the date the payment by any of them of any Taxes is due pursuant to applicable Requirements of Law certified copies of tax receipts evidencing such payment by the applicable Credit Party, or other evidence of such payment reasonably satisfactory to the Administrative Agent. Without duplication of amounts compensated pursuant to the other provisions of this Section 5.04, the Credit Parties jointly and severally agree to indemnify and hold harmless the Administrative Agent and each Lender, and reimburse the Administrative Agent and each Lender, within 10 Business Days of written request therefor, for the amount of any Indemnified Taxes or Other Taxes (including any Indemnified Taxes or Other Taxes imposed on amounts payable under this Section 5.04) payable or paid by the Administrative Agent or such Lender or required to be withheld or deducted from a payment to the Administrative Agent or such Lender, and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered by a Lender or by the Administrative Agent on behalf of a Lender shall be conclusive absent manifest error.

(b) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to any payments made under any Credit Document shall deliver to Borrower and the Administrative Agent, at the time or times reasonably requested by Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by Borrower or the Administrative Agent, certifying as to any entitlement of such Lender to an exemption from, or a reduced rate of, withholding Tax. In addition, each Lender shall deliver to Borrower and the Administrative Agent, at the time or times reasonably requested by Borrower or the Administrative Agent, such other documentation prescribed by applicable Requirements of Law or reasonably requested by Borrower or the Administrative Agent as will enable Borrower or the Administrative Agent to determine whether such Lender is subject to backup withholding or information reporting requirements. Each Lender shall, whenever a lapse in time or change in circumstances renders any such documentation (including any specific documents required below in Section 5.04(c)) expired, obsolete or inaccurate in any respect, deliver promptly to Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by

Borrower or the Administrative Agent) or promptly notify Borrower and the Administrative Agent in writing of its legal ineligibility to do so.

Borrower will, and will cause each of the Restricted Subsidiaries to, do or cause to be done, all things necessary to preserve and keep in full force and effect its existence, franchises, licenses and permits in each case to the extent material; *provided*, *however*, that nothing in this Section 9.04 shall prevent (i) sales of assets and other transactions by Borrower or any of its Restricted Subsidiaries in accordance with Section 10.02, (ii) the abandonment by Borrower or any of its Restricted Subsidiaries of any franchises, licenses or permits that Borrower reasonably determines are no longer material to the operations of Borrower and its Restricted Subsidiaries taken as a whole or (iii) the withdrawal by Borrower or any of its Restricted Subsidiaries of its qualification as a foreign corporation, partnership, limited liability company or other applicable business entity, as the case may be, in any jurisdiction if such withdrawal would not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

9.05 Compliance with Statutes, etc. Borrower will, and will cause each of its Subsidiaries to, comply with the Anti-Corruption Laws, the Patriot Act and applicable Sanctions, except such noncompliances as would not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Borrower will, and will cause each of the Restricted Subsidiaries to, comply with all other applicable statutes, regulations and orders of, and all applicable restrictions imposed by, all governmental bodies, domestic or foreign, in respect of the conduct of its business and the ownership of its property, except such noncompliances as would not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. 9.06 Compliance with Environmental Laws.

(a) Borrower will comply, and will cause each of its Restricted Subsidiaries to comply, with all Environmental Laws and permits applicable to, or required by, the ownership, lease or use of Real Property now or hereafter owned, leased or operated by Borrower or any of its Restricted Subsidiaries, except such noncompliances as would not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, and will keep or cause to be kept all such Real Property free and clear of any Liens imposed pursuant to such Environmental Laws (other than Liens imposed on leased Real Property resulting from the acts or omissions of the owner of such leased Real Property or of other tenants of such leased Real Property who are not within the control of Borrower), except such Liens as would not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

compliance with Section 9.06(a), at the written request of the Collateral Agent, Borrower will provide or cause the applicable Credit Party to provide an environmental site assessment report concerning any Mortgaged Property owned by Borrower or any other Credit Party that is the subject of or would reasonably be expected to be the subject of such notice or noncompliance, prepared by an environmental consulting firm reasonably approved by the Collateral Agent, indicating the presence or absence of Hazardous Materials and the reasonable estimated cost of any removal or remedial action in connection with such Hazardous Materials on such Mortgaged Property. If the Credit Parties fail to provide the same within 30 days after such request was made, the Collateral Agent may order the same, the reasonable cost of which shall be borne (jointly and severally) by the Credit Parties.

9.12 Additional Security; Further Assurances; etc.

(a) Holdings and Borrower will, and will cause each of the Subsidiary Guarantors to, grant to the Collateral Agent for the benefit of the Secured Creditors security interests and Mortgages in such assets and properties

(in the case of Real Property, limited to Material Real Property) of Holdings, Borrower and the Subsidiary Guarantors as are acquired after the Closing Date (other than assets constituting Excluded Collateral) and as may be reasonably requested from time to time by the Collateral Agent (collectively, as may be amended, amended and restated, modified, supplemented, extended or renewed from time to time, the "Additional Security Documents"). All such security interests and Mortgages shall be granted pursuant to documentation consistent with any Security Documents entered into on the Closing Date and shall include such other documents as the Collateral Agent may reasonably request, including, but not limited to, title policies, surveys and opinions of counsel, and otherwise reasonably satisfactory in form and substance to the Collateral Agent and (subject to exceptions as are reasonably acceptable to the Collateral Agent) shall constitute, upon taking all necessary perfection action (which the Credit Parties agree to take pursuant to clause (e) below) valid and enforceable perfected security interests and Mortgages (except to the extent that the enforceability thereof may be limited by applicable Debtor Relief Laws and by equitable principles (regardless of whether enforcement is sought in equity or at law)), subject to the terms of the ABL Intercreditor Agreement, the Pari Passu Intercreditor Agreement, any Additional Junior Lien Intercreditor Agreement and any Additional Pari Passu Intercreditor Agreement, superior to and prior to the rights of all third Persons other than holders of Permitted Liens with priority by virtue of applicable law and subject to no other Liens except for Permitted Liens. The Additional Security Documents or instruments related thereto shall be duly recorded or filed in such manner and in such places as are required by law to establish, perfect, preserve and protect (subject to exceptions as are reasonably acceptable to the Collateral Agent) the Liens in favor of the Collateral Agent required to be granted pursuant to the Additional Security Documents. Notwithstanding any other provision in this Agreement or any other Credit Document, no Excluded Subsidiary shall be required to pledge any of its assets to secure any obligations of Borrower under the Credit Documents or guarantee the obligations of Borrower under the Credit Documents.

(b) Subject to the terms of the ABL Intercreditor Agreement, the Pari Passu Intercreditor Agreement, any Additional Junior Lien Intercreditor Agreement and any Additional Pari Passu Intercreditor Agreement, with respect to any Person that is or becomes a Restricted Subsidiary (or ceases to be an Excluded Subsidiary) after the Closing Date, Holdings and Borrower will, and will cause each applicable Restricted Subsidiary to, (i) deliver to the Collateral Agent the certificates, if any, representing all (or such lesser amount as is required) of the Equity Interests of such Restricted Subsidiary, together with undated stock powers or other appropriate instruments of transfer executed and delivered in blank by a duly authorized officer of the holder(s) of such Equity Interests, and all intercompany notes owing from such Restricted Subsidiary to any Credit Party together with instruments of transfer executed and delivered in blank by a duly authorized officer of such Credit Party (in each case, to the extent required pursuant to the Security Agreement), (ii) cause such new Restricted Subsidiary (other than an Excluded Subsidiary) to (A) execute a joinder agreement to the Guaranty Agreement and a joinder agreement to each applicable Security Document, substantially in the form annexed thereto, and (B) take all actions necessary or advisable in the opinion of the Administrative Agent or the Collateral Agent to cause the Lien created by the applicable Security Document to be duly perfected to the extent required by such agreement in accordance with all applicable Requirements of Law, including the filing of financing statements in such jurisdictions as may be reasonably requested by the Administrative Agent or the Collateral Agent and (iii) at the reasonable request of the Administrative Agent, deliver or cause to be delivered to the Administrative Agent an opinion, addressed to the Administrative Agent and the other Lenders, of counsel reasonably acceptable to the Administrative Agent as to such matters set forth in this Section 9.12(b) as the Administrative Agent may reasonably request.

(c) Holdings and Borrower will, and will cause each of the other Credit Parties to, at the expense of Borrower, make, execute, endorse, acknowledge, file and/or deliver to the Collateral Agent, promptly, upon the reasonable request of the Administrative Agent or the Collateral Agent, at Borrower's expense, any document or instrument supplemental to or confirmatory of the Security Documents to the extent deemed by the Administrative Agent or the Collateral Agent reasonably necessary for the continued validity, perfection and priority (subject to the terms of the ABL Intercreditor Agreement, the Pari Passu Intercreditor Agreement, any Additional Junior Lien Intercreditor Agreement and any Additional Pari Passu Intercreditor Agreement) of the Liens on the Collateral covered thereby subject to no other Liens except for Permitted Liens or as otherwise permitted by the applicable Security Document.

(d) If the Administrative Agent or the Collateral Agent reasonably determines that it or the Lenders are required by law or regulation to have appraisals prepared in respect of any Mortgaged Property, Borrower will, at its own expense, provide to the Administrative Agent appraisals which satisfy the applicable requirements of the Real

Estate Appraisal Reform Amendments of the Financial Institution Reform, Recovery and Enforcement Act of 1989, as amended.

(e) Borrower agrees that each action required by clauses (a) through (d) of this Section 9.12 shall be completed in no event later than 90 days after such action is required to be taken pursuant to such clauses or requested to be taken by the Administrative Agent, the Collateral Agent or the Required Lenders (or such longer period as the Administrative Agent or Collateral Agent shall otherwise agree, including with respect to any Real Property acquired after the Closing Date that Borrower has notified the Collateral Agent that it intends to dispose of pursuant to a disposition permitted by Section 10.04), as the case may be; *provided* that, in no event will Borrower or any of its Restricted Subsidiaries be required to take any action to obtain consents from third parties with respect to its compliance with this Section 9.12; *provided*, *further*, that, Borrower shall give the Collateral Agent 45 days written notice prior to granting any Mortgage to the Collateral Agent for the benefit of the Secured Creditors as required herein and shall not grant such Mortgage until (i) the Collateral Agent has provided written notice to Borrower of the completion of all required flood insurance due diligence and flood insurance compliance which notice states that the Collateral Agent is satisfied with the results thereof and (ii) the expiration of such 45 day period with no Lender having provided notice to Borrower that it has not completed any necessary flood insurance due diligence or flood insurance compliance or that it is not satisfied with the results of any such due diligence or compliance (and the date by which any Credit Party is required to deliver Mortgages hereunder shall automatically be extended to the extent necessary to comply with the foregoing). Each of the parties hereto acknowledges and agrees that the grant of any Mortgage on Mortgaged Property of the Credit Parties (or any increase, extension or renewal of any Loans or Commitments at a time when any Mortgaged Property is subject to a Mortgage) shall be subject to (and conditioned upon) the prior delivery to the Collateral Agent of "life-of-loan" Federal Emergency Management Agency standard flood hazard determinations with respect to each Mortgaged Property and, to the extent any improved Mortgaged Property is located in an area determined by the Federal Emergency Management Agency (or any successor agency) to be a special flood hazard area, (i) delivery by the Collateral Agent to Borrower of a notice of special flood hazard area status and flood disaster assistance and, if such notice is delivered to Borrower at least two (2) Business Days prior to such grant, increase, extension or renewal, a duly executed acknowledgment of receipt thereof by Borrower and (ii) evidence of flood insurance as required by Section 9.03 hereof. Notwithstanding anything in any Credit Document to the contrary, if the Collateral Agent or any Lender is not satisfied with the results of any flood insurance due diligence or flood insurance compliance or any of the deliveries referred to in the immediately preceding sentence, and determines it is in its best interest not to require a Mortgage on any Material Real Property, the Credit Parties shall not be required to grant a Mortgage on such Material Real Property in favor of such Person or otherwise comply with the provisions of the Credit Documents relating to Mortgages with respect to such Material Real Property.

9.13 Post-Closing Actions. Borrower agrees that it will, or will cause its relevant Subsidiaries to, complete each of the actions described on Schedule 9.13 as soon as commercially reasonable and by no later than the date set forth in Schedule 9.13 with respect to such action or such later date as the Administrative Agent may reasonably agree in its reasonable discretion.

9.14 Permitted Acquisitions.

(a) Subject to the provisions of this Section 9.14 and the requirements contained in the definition of "Permitted Acquisition," Borrower and its Restricted Subsidiaries may from time to time after the Closing Date effect Permitted Acquisitions, so long as (in each case except to the extent the Required Lenders otherwise specifically agree in writing in the case of a specific Permitted Acquisition), no Event of Default shall have occurred and be continuing at the time of the consummation of the proposed Permitted Acquisition or immediately after giving effect to such Permitted Acquisition on the date of consummation thereof.

(b) Borrower shall cause each Restricted Subsidiary (other than an Excluded Subsidiary) which is formed to effect, or is acquired pursuant to, a Permitted Acquisition (and each Credit Party that is the direct parent of such Restricted Subsidiary that was so formed or acquired) to comply with, and to execute and deliver all of the documentation as and to the extent (and within the relevant time periods) required by, Section 9.12, to the reasonable satisfaction of the Collateral Agent.

9.15 Credit Ratings. Borrower shall use commercially reasonable efforts to maintain a corporate credit rating from S&P and a corporate family rating from Moody's, in each case, with respect to Borrower, and a credit

9.16 Designation of Subsidiaries(a) . Borrower may at any time and from time to time after the Closing Date designate any Restricted Subsidiary of Borrower as an Unrestricted Subsidiary or any Unrestricted Subsidiary as a Restricted Subsidiary by written notice to the Administrative Agent; *provided* that (i) immediately before and after such designation, no Event of Default shall have occurred and be continuing, (ii) in the case of the designation of any Subsidiary as an Unrestricted Subsidiary, such designation shall constitute an Investment in such Unrestricted Subsidiary (calculated as an amount equal to the sum of (x) the fair market value of the Equity Interests of the designated Subsidiary and any of its Subsidiaries that are owned by Borrower or any Restricted Subsidiary, immediately prior to such designation (such fair market value to be calculated without regard to any Obligations of such designated Subsidiary or any of its Subsidiaries under the Guaranty Agreement) and (y) the aggregate principal amount of any Indebtedness owed by such Subsidiary and any of its Subsidiaries to Borrower or any of its Restricted Subsidiaries immediately prior to such designation, all calculated, except as set forth in the parenthetical to clause (x) above, on a consolidated basis in accordance with U.S. GAAP), and such Investment shall be permitted under Section 10.05, (iii) no Subsidiary may be designated as an Unrestricted Subsidiary if it or any of its Subsidiaries is a "Restricted Subsidiary" for the purpose of (I) the ABL Credit Agreement, (II) the Secured Notes Indenture or (III) any Refinancing Note/Loan Documents, any Permitted Pari Passu Notes Document, any Permitted Pari Passu Loan Documents, any Permitted Junior Notes Document or other debt instrument, in each case of this clause (III), with a principal amount in excess of the Threshold Amount, (iv) following the designation of an Unrestricted Subsidiary as a Restricted Subsidiary, Borrower shall comply with the provisions of Section 9.12 with respect to such designated Restricted Subsidiary, (v) no Restricted Subsidiary may be a Subsidiary of an Unrestricted Subsidiary (and any Subsidiary of an Unrestricted Subsidiary that is acquired or formed after the date of designation shall automatically be designated as an Unrestricted Subsidiary), (vi) Borrower may not be designated an Unrestricted Subsidiary, (vii) no Unrestricted Subsidiary may hold Intellectual Property that is material to the operations of Borrower and its Subsidiaries taken as a whole and (viii) in the case of the designation of any Subsidiary as an Unrestricted Subsidiary, each of (a) the Subsidiary to be so designated and (b) its Subsidiaries has not, at the time of designation, and does not thereafter, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable with respect to any Indebtedness pursuant to which the lender has recourse to any of the assets of Borrower or any Restricted Subsidiary (other than Equity Interests in an Unrestricted Subsidiary and, in the case of a Securitization Entity, other than pursuant to Standard Securitization Undertakings and Limited Originator Recourse). The designation of any Unrestricted Subsidiary as a Restricted Subsidiary shall constitute (i) the incurrence at the time of designation of any Investment, Indebtedness or Liens of such Subsidiary and its Subsidiaries existing at such time and (ii) a return on any Investment by Borrower in Unrestricted Subsidiaries pursuant to the preceding sentence in an amount equal to the fair market value at the date of such designation of Borrower's Investment in such Subsidiary.

(b) JPMorgan shall also act as the "Collateral Agent" and "security trustee" under the Credit Documents, and each of the Lenders (on behalf of itself and its Affiliates, including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement) hereby irrevocably appoints and authorizes JPMorgan to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any Credit Party to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, JPMorgan, as "Collateral Agent" or "security trustee" and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 12.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Collateral Agent, shall be entitled to the benefits of all provisions of this Section 12 and Section 13 (including Section 13.01, as though such co-agents, sub-agents and attorneys-in-fact were the "collateral agent" or "security trustee" under the Credit Documents) as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Collateral Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Guaranteed Creditors with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Security Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

(c) Each of the Lenders (including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement or a Designated Treasury Services Agreement) hereby authorizes the Administrative Agent and/or the Collateral Agent to enter into the ABL Intercreditor Agreement, the Pari Passu Intercreditor Agreement, any Additional Junior Lien Intercreditor Agreement, any Additional Pari Passu Intercreditor Agreement and any other intercreditor agreement or arrangement or supplement thereto permitted under this Agreement without any further consent by any Lender and any such intercreditor agreement shall be binding upon the Lenders.

12.02 Delegation of Duties. Each of the Administrative Agent and the Collateral Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Credit Document by or through any one or more sub-agents appointed by the Administrative Agent and/or the Collateral Agent. The Administrative Agent, the Collateral Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section 12 shall apply to any such sub-agent and to the Related Parties of the Administrative Agent or the Collateral Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent and as Collateral Agent, as applicable. The Administrative Agent or Collateral Agent shall not be responsible for the negligence or misconduct of any sub-agents, except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence, bad faith or willful misconduct in the selection of such sub-agents.

12.03 Exculpatory Provisions. The Administrative Agent and the Collateral Agent shall not have any duties or obligations except those expressly set forth herein and in the other Credit Documents and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Administrative Agent and the Collateral Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Administrative Agent and/or the Collateral Agent are required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents); *provided* that each of the Administrative Agent and

the Collateral Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent or the Collateral Agent, as applicable, to liability or that is contrary to any Credit Document or applicable law;

(c) shall not, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to Borrower or any of their Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent and/or the Collateral Agent or any of their respective Affiliates in any capacity;

(d) shall not be liable to any Lender for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent and/or the Collateral Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 11 and 13.12) or (ii) in the absence of its own gross negligence, bad faith or willful misconduct, as determined by a court of competent jurisdiction and by a final and nonappealable judgment. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent and the Collateral Agent by Borrower or a Lender; and

(e) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Credit Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Section 6 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent and/or the Collateral Agent.

12.04 Reliance by Administrative Agent and Collateral Agent. Each of the Administrative Agent and the Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each of the Administrative Agent and the Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Term Loan, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Term Loan. The Administrative Agent may consult with legal counsel (who may be counsel for Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel (excluding counsel for Borrower), accountants or experts.

12.05 No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the Lead Arrangers or any of their respective Affiliates shall have any powers, duties or responsibilities under this Agreement or any of the other Credit Documents, except in its capacity, as applicable, as the Administrative Agent, the Collateral Agent or a Lender hereunder.

12.06 Non-reliance on Administrative Agent, Collateral Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent, the Collateral Agent, any arranger of this credit facility or any amendment thereto or any other Lender or any of their respective Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Collateral Agent, any arranger of this credit facility or any amendment thereto or any other Lender or any of their respective Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based

upon this Agreement, any other Credit Document or any related agreement or any document furnished hereunder or thereunder. Each Lender represents and warrants that (i) the Credit Documents set forth the terms of a commercial lending facility, (ii) it is engaged in making, acquiring or holding commercial loans and in providing other facilities set forth herein as may be applicable to such Lender, in each case in the ordinary course of business, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument (and each Lender agrees not to assert a claim in contravention of the foregoing) and (ii) it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities.

12.07 Indemnification by the Lenders. To the extent that Borrower for any reason fails to pay any amount required under Section 13.01(a) to be paid by them to the Administrative Agent or Collateral Agent (or any sub-agent of either of them), or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent or Collateral Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender's *pro rata* share (based on the amount of then outstanding Term Loans held by each Lender or, if the Term Loans have been repaid in full, based on the amount of outstanding Term Loans held by each Lender immediately prior to such repayment in full) of (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) such unpaid amount; *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or Collateral Agent (or any such sub-agent) in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent or Collateral Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this Section 12.07 are subject to the provisions of Section 5.04.

12.08 Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

12.09 Administrative Agent May File Proofs of Claim; Credit Bidding. In case of the pendency of any case or proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Credit Party, the Administrative Agent (irrespective of whether the principal of any Term Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Term Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 4.01 and 13.01) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator, debtor, debtor-in-possession, or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 4.01 and 13.01.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition or similar dispositive restructuring plan affecting the Obligations or the rights of any Lender to authorize the Administrative Agent to vote in respect of the claim of any Lender or in any such case or proceeding.

The Secured Creditors hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to (subject to the ABL Intercreditor Agreement, the Pari Passu Intercreditor Agreement, any Additional Junior Lien Intercreditor Agreement, any Additional Pari Passu Intercreditor Agreement and any other intercreditor agreement or arrangement or supplement thereto permitted under this Agreement) credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any comparable provisions of any other applicable Debtor Relief Laws or any similar laws in any other jurisdictions to which a Credit Party is subject or (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Creditors shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (*provided* that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (a)(i) through (a)(v) of Section 13.12 of this Agreement), and (iii) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders *pro rata* and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Creditor or any acquisition vehicle to take any further action.

12.10 Resignation of the Agents. Each of the Administrative Agent and the Collateral Agent may resign as the Administrative Agent or Collateral Agent, as applicable, upon 30 days' written notice to the Lenders and Borrower; provided that, if at the time of such resignation, there is a successor Administrative Agent or Collateral Agent, as applicable, satisfactory to each of the resigning Agent, the incoming Agent and Borrower, each, in its sole discretion, then the resigning Agent, the incoming Agent and Borrower may agree to waive or shorten the 30 day notice period. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with Borrower's consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders (and consented to by Borrower, to the extent so required) and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent or Collateral Agent may, with Borrower's consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), on behalf of the Lenders, appoint a successor Administrative Agent or successor Collateral Agent, as applicable, in each case meeting the qualifications set forth above; *provided* that if the Administrative Agent or the Collateral Agent shall notify Borrower and the Lenders that no qualifying Person has accepted such appointment within such period, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Administrative Agent or retiring Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders under any of the Credit Documents, the retiring Collateral Agent shall continue to hold such collateral security solely for purposes of maintaining the Secured Creditors' security interest thereon until such time

as a successor Collateral Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders (with the consent of Borrower, to the extent so required) appoint a successor Administrative Agent as provided for above in this Section 12.10. Upon the acceptance of a successor's appointment as Administrative Agent or as Collateral Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent or Collateral Agent, as applicable, and the retiring Administrative Agent or retiring Collateral Agent, as applicable, shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents **(**if not already discharged therefrom as provided above in this Section). After the retiring Administrative Agent's or retiring Collateral Agent's resignation hereunder and under the other Credit Documents, the provisions of this Section 12 and Section 13.01 shall continue in effect for the benefit of such retiring Administrative Agent or Collateral Agent, as applicable, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

12.11 Collateral Matters and Guaranty Matters. Each of the Lenders (including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement) irrevocably authorizes the Administrative Agent or Collateral Agent, as applicable,

(i) to release, and to evidence the automatic release of, any Lien on any property granted to or held by the Collateral Agent under any Credit Document (A) upon termination of the Commitments and payment in full of all Obligations (other than (x) contingent indemnification obligations and (y) obligations and liabilities under Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements), (B) that is sold or disposed of or to be sold or disposed of as part of or in connection with any sale or other disposition permitted hereunder or under any other Credit Document to a Person that is not a Credit Party, (C) that constitutes Excluded Collateral, (D) if the property subject to such Lien is owned by a Subsidiary Guarantor, subject to Section 13.12, upon release of such Subsidiary Guarantor from its obligations under the Guaranty Agreement pursuant to clause (ii) below or (E) if approved, authorized or ratified in writing in accordance with Section 13.12;

(ii) to release any Subsidiary Guarantor from its obligations under the Guaranty Agreement if such Person ceases to be a Restricted Subsidiary or becomes an Excluded Subsidiary as a result of a transaction permitted hereunder; *provided* that in the case of any such Subsidiary Guarantor that becomes an Excluded Subsidiary solely as a result of becoming a non-Wholly Owned Subsidiary, such Subsidiary Guarantor shall only be released from its obligations under this Agreement or the Guaranty Agreement, as applicable, pursuant to this clause (ii) if such Restricted Subsidiary became a non-Wholly Owned Subsidiary pursuant to a transaction where such Subsidiary becomes a bona fide joint venture where the other Person taking an equity interest in such Subsidiary is not an Affiliate of Holdings (other than as a result of such joint venture); and

(iii) to release or subordinate any Lien on any property granted to or held by the Collateral Agent under any Credit Document to the holder of any Lien on such property that is permitted by Sections 10.01(iv)(x) (solely with respect to subordination (and not release) of Liens granted to or held by the Collateral Agent on any ABL Collateral), (iv)(y), (vi), (vii) or (xiv) or any other Lien that is expressly permitted by Section 10.01 to be senior to the Lien securing the Obligations or to release, and to execute and/or deliver documents to evidence the release or non-existence of, any Lien securing the Obligations upon any Excluded Collateral; and
