(iv) to enter into the Pari Passu Intercreditor Agreement or any Additional Pari Passu Intercreditor Agreement and provide that any Lien on any property granted to or held by the Collateral Agent under any Credit Document is equal to and has the same priority as the Lien of any holder of such other Lien on such property that is permitted by Sections 10.01(iv)(z) or (xxx) (solely as it relates to Indebtedness incurred pursuant to Section 10.04(xxvii)), each Permitted Pari Passu Note Document, each Permitted Pari Passu Loan Document, and each Refinancing Note/Loan Document (to the extent such Refinancing Notes/Loans constitute Permitted Pari Passu Notes or Permitted Pari Passu Loans).

Upon request by the Administrative Agent or Collateral Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's and Collateral Agent's authority to release or subordinate its interest in particular types or items of property, to provide that its interests in particular types or items of property are equal to the interests of any other Person or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 12.11. In each case as specified in this Section 12.11, the Administrative Agent and Collateral Agent will (and each Lender irrevocably authorizes the Administrative Agent and Collateral Agent to), at Borrower's expense, execute and deliver to the applicable Credit Party such documents, including (without limitation) termination or partial release statements, as such Credit Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents, to subordinate its interest in such item or to provide its interests are equal to the interests of any other Person, or to release such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Credit Documents and this Section 12.11.

The Administrative Agent and Collateral Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's and Collateral Agent's Lien thereon, or any certificate prepared by any Credit Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

Without limitation of the operation of the releases described above or in any Security Document, a certificate of a Responsible Officer delivered either at the request of the Administrative Agent or Collateral Agent or at the option of Borrower, in either case, to the Administrative Agent or Collateral with respect to any release described in this Section 12.11 stating that Borrower has determined in good faith that such release satisfies the foregoing requirements shall be conclusive evidence that such release satisfies the foregoing requirement and such automatic release has occurred (and the Administrative Agent and the Collateral Agent will rely conclusively on such certificate without further inquiry), and the Administrative Agent and the Collateral Agent shall promptly execute and deliver all documentation evidencing such release and requested by Borrower.

12.12 Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements No Guaranteed Creditor that is a counterparty to a Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement, in its capacity as such, that obtains the benefits of any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as an Agent or a Lender and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Section 12.12 to the contrary, the Administrative Agent and Collateral Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Guaranteed Creditor. Each Guaranteed Creditor that is a counterparty to a Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement, in its capacity as such, agrees to be bound by this Section 12 to the same extent as a Lender hereunder.

12.13 Withholding Taxes. To the extent required by any applicable Requirements of Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other relevant Governmental Authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of, withholding Tax ineffective), such Lender shall, within 10 days after written demand therefor, indemnify and hold harmless the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by any Credit Party pursuant to Section 5.04 and without limiting or expanding the obligation of any Credit Party to do so) for all amounts paid, directly or indirectly, by the Administrative Agent as Taxes or otherwise, together with all expenses incurred, including legal expenses and any other out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative

Agent to set off and apply all amounts at any time owing to such Lender under this Agreement, any other Credit Document or from any other sources against any amount due the Administrative Agent under this Section 12.13. The agreements in this Section 12.13 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Obligations.

No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this clause (v).

(c) Any Lender may, without the consent of Borrower or the Administrative Agent, sell participations to one or more Eligible Transferees (a "Participant"), in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Term Loans owing to it); *provided* that (A) such Lender's obligations under this Agreement shall remain unchanged; (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; and (C) Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that requires the consent of each Lender or each adversely affected Lender and that directly affects such Participant. Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.10 and 5.04 (subject to the requirements and limitations therein (it being understood that the documentation required under Sections 5.04(b) and (c) shall be delivered solely to the participating Lender; *provided*, for the avoidance of doubt, that if the participating Lender is not a U.S. Person, such Lender shall include a copy of such documentation as an exhibit to its IRS Form W-8IMY in accordance with Section 5.04(c)(x)(iv))) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 13.04(b); *provided* that such Participant (A) shall be subject to the provisions of Section 2.12 as if it were an assignee under Section 13.04(b); and (B) shall not be entitled to receive any greater payment under Section 2.10 or 5.04, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at Borrower's request and expense, to use reasonable efforts to cooperate with Borrower to effectuate the provisions of Section 2.13 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; *provided* that such Participant shall be subject to Section 2.12 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and related interest amounts) of each Participant's interest in the Loans or other obligations under the Credit Documents (the "Participant Register"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments or Term Loan or its other obligations under any Credit Document) to any Person except to the extent such disclosure is necessary to establish that such Commitment, Term Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Holdings, Borrower and its Restricted Subsidiaries shall also be entitled to purchase (from Lenders) outstanding principal of Term Loans in accordance with the provisions of Sections 2.19 and 2.20, which purchases

shall be evidenced by assignments (in form reasonably satisfactory to the Administrative Agent) from the applicable Lender to Borrower. Each assignor and assignee party to the relevant repurchases under Sections 2.19 and 2.20 shall render customary "big boy" disclaimer letters or any such disclaimers shall be incorporated into the terms of the Assignment and Assumption. No such transfer or assignment shall be effective until recorded by the Administrative Agent (which the Administrative Agent agrees to promptly record) on the Register pursuant to clause (b) above. All Term Loans purchased pursuant to Sections 2.19 and 2.20 shall be immediately and automatically cancelled and retired, and Borrower shall in no event become a Lender hereunder. To the extent of any assignment to a Borrower as described in this clause (d), the assigning Lender shall be relieved of its obligations hereunder with respect to the assigned Term Loans.

(e) Nothing in this Agreement shall prevent or prohibit any Lender from pledging its Term Loans and Notes hereunder to a Federal Reserve Bank or central banking authority in support of borrowings made by such Lender from such Federal Reserve Bank or central banking authority and, with prior notification to the Administrative Agent (but without the consent of the Administrative Agent or Borrower), any Lender which is a fund may pledge all or any portion of its Term Loans and Notes to its trustee or to a collateral agent providing credit or credit support to such Lender in support of its obligations to such trustee, such collateral agent or a holder of such obligations, as the case may be. No pledge pursuant to this clause (e) shall release the transferor Lender from any of its obligations hereunder.

(f) Each Lender acknowledges and agrees to comply with the provisions of this Section 13.04 applicable to it as a Lender hereunder.

(g) Each Sponsor Affiliate, solely in its capacity as a Lender, hereby agrees, and each Assignment and Assumption entered into by a Sponsor Affiliate shall provide a confirmation, that, if any Credit Party shall be subject to any voluntary or involuntary case or proceeding commenced under any Debtor Relief Law now or hereafter in effect ("Bankruptcy Proceedings"), (i) such Sponsor Affiliate shall not take any step or action in such Bankruptcy Proceeding to object to, impede, or delay the exercise of any right or the taking of any action by the Administrative Agent (or the taking of any action by a third party that is supported by the Administrative Agent) in relation to such Sponsor Affiliate's claim with respect to its Term Loans (a "Claim") (including, without limitation, objecting to any debtor in possession financing, use of cash collateral, grant of adequate protection, sale or disposition, compromise, or plan of reorganization or similar dispositive restructuring plan) so long as such Sponsor Affiliate is treated in connection with such exercise or action on the same or better terms in all material respects as the other Lenders and (ii) with respect to any matter requiring the vote of Lenders during the pendency of a Bankruptcy Proceeding (including, without limitation, voting on any plan of reorganization or similar dispositive restructuring plan), the Term Loans held by such Sponsor Affiliate (and any Claim with respect thereto) shall be deemed to be voted by such Sponsor Affiliate in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Sponsor Affiliates, so long as such Sponsor Affiliate is treated in connection with the exercise of such right or taking of such action on the same or better terms in all material respects as the other Lenders; *provided*, *however*, that the Administrative Agent shall vote on behalf of any such Sponsor Affiliates holding Term Loans in accordance with this Section 13.04(g) and the relevant Assignment and Assumption. For the avoidance of doubt, the Lenders and each Sponsor Affiliate agree and acknowledge that the provisions set forth in this Section 13.04(g) constitute a "subordination agreement" as such term is contemplated by, and utilized in, Section 510(a) of the Bankruptcy Code (or any similar provision of any other applicable Debtor Relief Law), and, as such, would be enforceable for all purposes in any case or proceeding where a Credit Party has filed for protection under any Debtor Relief Law or similar law now or hereafter in effect applicable to Credit Party. Except as expressly provided in this Section 13.04(g), the provisions of this Section 13.04(g) shall not be applicable to any Debt Fund Affiliate.

(h) If Borrower wishes to replace the Term Loans or Commitments with Term Loans or Commitments having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice to the Lenders of such Term Loans or holding such Commitments, instead of prepaying the Term Loans or reducing or terminating the Commitments to be replaced, to (i) require such Lenders to assign such Term Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 13.12 (with such replacement, if applicable, being deemed to have been made pursuant to Section 13.12). Pursuant to any such assignment, all Term Loans and Commitments to be replaced shall be purchased at par (allocated among the applicable Lenders in the same manner as would be required if such Term Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by Borrower), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 2.08.

By receiving such purchase price, the applicable Lenders shall automatically be deemed to have assigned such Term Loans or Commitments pursuant to the terms of an Assignment and Assumption, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(i) The Administrative Agent shall have the right, and Borrower hereby expressly authorizes the Administrative Agent to provide to any requesting Lender, the list of Disqualified Lenders provided to the Administrative Agent by Borrower and any updates thereto. Borrower hereby agrees that any such requesting Lender may share the list of Disqualified Lenders with any potential assignee, transferee or participant. Notwithstanding the foregoing, each Credit Party and the Lenders acknowledge and agree that the Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to Disqualified Lenders or Net Short Lenders (other than with respect to assignments or participations by it of its Loans and Commitments, if any). Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Lender or Net Short Lender, (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender (other than with respect to assignments or participations by it of its Loans and Commitments, if any) or (z) have any liability with respect to or arising out of the voting in any amendment or waiver to any Credit Document by any Net Short Lender.

(j) Disqualified Lenders. Notwithstanding anything to the contrary contained in this Agreement, any assignment to a Disqualified Lender shall not be void, but shall be subject to the following provisions:

(i) If any assignment is made to any Disqualified Lender without Borrower's prior written consent, or if any Person becomes a Disqualified Lender after the Closing Date, Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Lender and the Administrative Agent, cancel any unfunded Commitment the subject thereof and (A) in the case of outstanding Term Loans held by Disqualified Lenders, prepay such Term Loan by paying the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such Term Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder (it being understood that, notwithstanding anything in the Credit Documents to the contrary, any such prepayment shall not be subject to any provisions requiring prepayments of the Term Loans on a pro rata basis and no other Term Loans shall be required to be repaid as a result of such prepayment) and/or (B) require such Disqualified Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in this Section 13.04), all of its interest, rights and obligations under this Agreement and related Credit Documents to an Eligible Transferee that shall assume such obligations at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder; *provided* that (i) Borrower shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 13.04(b) (unless waived by the Administrative Agent) and (ii) in the case of clause (A), Borrower shall not use the proceeds from any Loans or loans under the ABL Credit Agreement to prepay any Term Loans held by Disqualified Lenders.

(ii) Notwithstanding anything to the contrary contained in this Agreement, Disqualified Lenders (A) will not (x) have the right to receive information, reports or other materials provided to Lenders by Borrower, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B) (x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Credit Document, each Disqualified Lender will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Lender consented to such matter, and (y) for purposes of voting on any proposed plan of reorganization, plan of liquidation, or any other similar dispositive restructuring plan pursuant to any Debtor Relief Laws ("Plan of Reorganization"), each Disqualified Lender party hereto hereby agrees (1) not to vote on such Plan of Reorganization, (2) if such Disqualified Lender does vote on such Plan of Reorganization notwithstanding

the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be "designated" pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Plan of Reorganization in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (3) not to contest any request by any party for a determination by the bankruptcy court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

13.05 No Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent, the Collateral Agent or any Lender in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between Borrower or any other Credit Party and the Administrative Agent, the Collateral Agent or any Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which the Administrative Agent, the Collateral Agent or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Administrative Agent, the Collateral Agent or any Lender to any other or further action in any circumstances without notice or demand.

13.06 Payments Pro Rata.

(a) The Administrative Agent agrees that promptly after its receipt of each payment from or on behalf of any Credit Party in respect of any Obligations of such Credit Party, it shall, except as otherwise provided in this Agreement, distribute such payment to the Lenders (other than any Lender that has consented in writing to waive its *pro rata* share of such payment) *pro rata* based upon their respective shares, if any, of the Obligations with respect to which such payment was received.

(b) Each of the Lenders agrees that, if it should receive any amount hereunder (whether by voluntary payment, by realization upon security, by the exercise of the right of setoff or banker's lien, by counterclaim or cross action, by the enforcement of any right under the Credit Documents, or otherwise) which is applicable to the payment of the principal of, or interest on, the Term Loans or Fees, of a sum which with respect to the related sum or sums received by other Lenders is in a greater proportion than the total of such Obligation then owed and due to such Lender bears to the total of such Obligation then owed and due to all of the Lenders immediately prior to such receipt, then such Lender receiving such excess payment shall purchase for cash without recourse or warranty from the other Lenders an interest in the Obligations of the respective Credit Party to such Lenders in such amount as shall result in a proportional participation by all of the Lenders in such amount; *provided* that if all or any portion of such excess amount is thereafter recovered from such Lender, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

(c) Notwithstanding anything to the contrary contained herein, the provisions of the precedingSections 13.06(a) and (b) shall be subject to (x) the express provisions of this Agreement which require, or permit, differing payments to be made to Non-Defaulting Lenders as opposed to Defaulting Lenders, (y) the express provisions of this Agreement which permit disproportionate payments with respect to various of the Tranches as, and to the extent, provided herein, and (z) any other provisions which permit disproportionate payments with respect to the Term Loans as, and to the extent, provided therein.

13.07 Calculations; Computations.

(a) The financial statements to be furnished to the Lenders pursuant hereto shall be made and prepared in accordance with U.S. GAAP consistently applied throughout the periods involved (except as set forth in the notes thereto); *provided* that to the extent expressly provided herein, certain calculations shall be made on a Pro Forma Basis; *provided*, *further*, that if Borrower notifies the Administrative Agent that Borrower wishes to amend any leverage calculation or any financial definition used therein to implement the effect of any change in U.S. GAAP or the application thereof occurring after the Closing Date on the operation thereof (or if the Administrative Agent notifies Borrower that the Required Lenders wish to amend any leverage test or any financial definition used therein

for such purpose), then Borrower and the Administrative Agent shall negotiate in good faith to amend such leverage test or the definitions used therein (subject to the approval of the Required Lenders) to preserve the original intent thereof in light of such changes in U.S. GAAP; *provided*, *further*, that all determinations made pursuant to any applicable leverage test or any financial definition used therein shall be determined on the basis of U.S. GAAP as applied and in effect immediately before the relevant change in U.S. GAAP or the application thereof became effective, until such leverage test or such financial definition is amended. Notwithstanding any other provision contained herein, (i) all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to Statement of Financial Accounting Standards 141R or ASC 805 (or any other financial accounting standard having a similar result or effect) and (ii) the accounting for any lease shall be based on U.S. GAAP as in effect on December 15, 2018 and without giving effect to any subsequent changes in U.S. GAAP (or the required implementation of any previously promulgated changes in U.S. GAAP) relating to the treatment of a lease as an operating lease or capitalized lease.

(b) Notwithstanding anything to the contrary contained in this Agreement, Borrower (or any Parent Company) may elect to switch from maintaining its accounting records from U.S. GAAP to IFRS by written notice to the Administrative Agent, and thereafter may provide all required financial information in accordance with IFRS. In the event that Borrower (or any Parent Company) elects to prepare its financial statements in accordance with IFRS and such election results in a change in the method of calculation of financial covenants, standards or terms (collectively, the "Accounting Changes") in this Agreement, Borrower and the Administrative Agent agree to enter into good faith negotiations in order to amend such provisions of this Agreement so as to reflect equitably the Accounting Changes (or if the Administrative Agent notifies Borrower that the Required Lenders request an amendment to any provision hereof for such purpose), then Borrower and the Administrative Agent shall negotiate in good faith to enter into an amendment of the relevant affected provisions (without the payment of any amendment or similar fee to the Lenders), with the desired result that the criteria for evaluating Borrower's (or any Parent Company's) financial condition shall be substantially the same after such change as if such change had not been made. Until such time as such an amendment shall have been executed and delivered by Borrower and the Administrative Agent, all financial covenants, standards and terms in this Agreement shall continue to be calculated or construed in accordance with U.S. GAAP (as determined in good faith by a Responsible Officer of Borrower or such Parent Company, as applicable) as if such change had not occurred.

(c) The calculation of any financial ratios under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-down if there is no nearest number).

13.12 Amendment or Waiver; etc.

(a) Except as expressly contemplated hereby, neither this Agreement nor any other Credit Document nor any terms hereof or thereof may be changed, waived, discharged or terminated unless such change, waiver, discharge or termination is in writing signed by the Credit Parties party hereto or thereto, the Administrative Agent and the Required Lenders (although additional parties may be added to (and annexes may be modified to reflect such additions) the Guaranty Agreement and the Security Documents in accordance with the provisions hereof and thereof without the consent of the other Credit Parties party thereto or the Required Lenders) or the Administrative Agent with the written consent of the Required Lenders; *provided* that no such change, waiver, discharge or termination shall

(i) without the prior written consent of each Lender directly and adversely affected thereby, extend the final scheduled maturity of any Term Loan, or reduce the rate or extend the time of payment of interest or fees thereon; except in connection with the waiver of the applicability of any post-default increase in interest rates, (ii) except as otherwise expressly provided in the Credit Documents, release all or substantially all of the Collateral without the prior written consent of each Lender, (iii) except as otherwise provided in the Credit Documents, release all or substantially all of the value of the Guaranty by the Guarantors without the prior written consent of each Lender, (iv) amend, modify or waive any provision of this Section 13.12(a) or Section 13.06 or Section 7.4 of the Security Agreement (except for technical amendments with respect to additional extensions of credit pursuant to this Agreement which afford the protections to such additional extensions of credit of the type provided to the Initial Term Loans on the Closing Date), in each case, without the prior written consent of each Lender directly and adversely affected thereby, (v) (1) reduce the percentage specified in the definition of Required Lenders without the prior written consent of each Lender or (2) reduce the percentage specified in the definition of "Supermajority Lenders" without the prior written consent of each Lender (in each case, it being understood that, with the prior written consent of the Required Lenders or Supermajority Lenders, as applicable, additional extensions of credit pursuant to this Agreement that are permitted by the terms hereof or that have been consented to by the Required Lenders or Supermajority Lenders may be included in the determination of the Required Lenders or Supermajority Lenders, as applicable, on substantially the same basis as the extensions of Initial Term Loans are included on the Closing Date), (vi) except as permitted by Section 10.02(vi), consent to the assignment or transfer by Borrower of any of its rights and obligations under this Agreement without the consent of each Lender or (vii) amend Section 2.14 the effect of which is to extend the maturity of any Term Loan without the prior written consent of each Lender directly and adversely affected thereby; *provided*, *further*, that no such change, waiver, discharge or termination shall (1) increase the Commitments of any Lender over the amount thereof then in effect without the consent of such Lender (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the Total Commitment shall not constitute an increase of the Commitment of any Lender, and that an increase in the available portion of any Commitment of any Lender shall not constitute an increase of the Commitment of such Lender), (2) without the consent of each Agent adversely affected thereby, amend, modify or waive any provision of Section 12 or any other provision of any Credit Document as the same relates to the rights or obligations of such Agent, (3) without the consent of Collateral Agent, amend, modify or waive any provision relating to the rights or obligations of the Collateral Agent, (4) except in cases where additional extensions of term loans are being afforded substantially the same treatment afforded to the Term Loans pursuant to this Agreement as in effect on the Closing Date, without the consent of the Majority Lenders of each Tranche which is being allocated a lesser prepayment, repayment or commitment reduction, alter the required application of any prepayments or repayments (or commitment reduction), as between the various Tranches, pursuant to Section 5.01 or 5.02 (although (x) the Required Lenders may waive, in whole or in part, any such prepayment, repayment or commitment reduction, so long as the application, as amongst the various Tranches, of any such prepayment, repayment or commitment reduction which is still required to be made is not altered and (y) any conversion of any Tranche of Term Loans into another Tranche of Term Loans hereunder in like principal amount and any other conversion of any Tranche of Term Loans into Extended Term Loans pursuant to an Extension Amendment shall not be considered a "prepayment" or "repayment" for purposes of this clause (4)), (5) without the prior written consent of the Majority Lenders of the respective Tranche affected thereby, amend or change the definition of Majority Lenders (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Majority Lenders on substantially the same basis as the extensions of Term Loans and Commitments are included on the Closing Date) or (6) without the consent of the Supermajority Lenders of the relevant Tranche, reduce the amount of or extend the date of, any Scheduled Repayment (except that, if additional Term Loans are made pursuant to a given Tranche, the scheduled repayments of such Tranche may be increased on a proportionate basis without the consent otherwise required by this clause (6)), or amend the definition of "Supermajority Lenders" (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Supermajority Lenders on substantially the same basis as the Initial Term Loans and Initial Term Loan Commitments are included on the Closing Date); and *provided*, *further*, that only the consent the Administrative Agent shall be necessary for amendments described in clause (y) of the first proviso contained in clause (vi) of the definition of "Permitted Junior Loans."

(b) If, in connection with any proposed change, waiver, discharge or termination of any of the provisions of this Agreement as contemplated by clauses (i) through (v), inclusive, of the first proviso to Section 13.12(a), the consent of the Required Lenders is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained, then Borrower shall have the right, so long as all non-consenting Lenders whose

individual consent is required are treated as described in either clause (A) or (B) below, to either (A) replace each such non-consenting Lender or Lenders with one or more Replacement Lenders pursuant to Section 2.13 so long as at the time of such replacement, each such Replacement Lender consents to the proposed change, waiver, discharge or termination or (B) terminate such non-consenting Lender's Commitments and/or repay the outstanding Term Loans of each Tranche of such Lender in accordance with Section 5.01(b)(i); *provided* that, unless the Commitments that are terminated, and Term Loans repaid, pursuant to the preceding clause (B) are immediately replaced in full at such time through the addition of new Lenders or the increase of outstanding Term Loans of existing Lenders (who in each case must specifically consent thereto), then in the case of any action pursuant to preceding clause (B) the Required Lenders (determined after giving effect to the proposed action) shall specifically consent thereto; *provided*, *further*, that in any event Borrower shall not have the right to replace a Lender, terminate its Commitments or repay its Term Loans solely as a result of the exercise of such Lender's rights (and the withholding of any required consent by such Lender) pursuant to the second proviso to Section 13.12(a).

(c) Notwithstanding anything to the contrary contained in clause (a) of this Section 13.12, (i) Borrower, the Administrative Agent and each applicable Incremental Term Loan Lender may, without the consent of any other Lender, (i) in accordance with the provisions of Section 2.15, enter into an Incremental Term Loan Amendment; *provided* that after the execution and delivery by Borrower, the Administrative Agent and each such Incremental Term Loan Lender of such Incremental Term Loan Amendment, such Incremental Term Loan Amendment, may thereafter only be modified in accordance with the requirements of clause (a) above of this Section 13.12, and (ii) the Incremental Term Loan Amendment may, without the consent of any other Credit Party, Agent or Lender, effect such amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and Borrower, to effect the provisions of Section 2.15 and the Lenders expressly authorize the Administrative Agent to enter into every such Incremental Term Loan Amendment, including any amendments that are not materially adverse to the interests of any Lender that amend this Agreement to increase the interest rate margin, increase the interest rate floor, increase, extend or add any prepayment premium, increase, extend or add any call protection or increase the amortization schedule with respect to any existing Tranche of Term Loans in order to cause any Incremental Term Loans to be fungible with such existing Tranche of Term Loans.

(i) determining compliance with any provision of this Agreement which requires the calculation of any financial ratio or test, including the Consolidated First Lien Net Leverage Ratio, Consolidated Fixed Charge Coverage Ratio, Consolidated Secured Net Leverage Ratio and Consolidated Total Net Leverage Ratio (and, for the avoidance of doubt, any financial ratio set forth in Section 2.15(a)); or

(ii) testing availability under baskets set forth in this Agreement (including baskets determined by reference to Consolidated EBITDA or Consolidated Total Assets, as applicable); or

(iii) determining other compliance with this Agreement (including the determination that representations and warranties are true and correct and that no Default or Event of Default (or any type of Default or Event of Default) has occurred, is continuing or would result therefrom);

in each case, at the option of Borrower (Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), the date of determination of whether any such action is permitted hereunder shall be made (1) in the case of any acquisition (including by way of merger) or similar Investment (including the assumption or incurrence of Indebtedness in connection therewith), at the time of (or, in the case of any calculation or any financial ratio or test, with respect to, or as of the last day of, the most recently ended Test Period at the time of) either (x) the execution of the definitive agreement with respect to such acquisition or Investment, (y) the public announcement of an intention to make an offer in respect of the target of such acquisition or Investment or (z) the consummation of such acquisition or Investment, (2) in the case of any Dividend, at the time of (or, in the case of any calculation or any financial ratio or test, with respect to, or as of the last day of, the most recently ended Test Period at the time of) (x) the irrevocable declaration of such Dividend or (y) the making of such Dividend and (3) in the case of any voluntary or optional payment or prepayment on or redemption or acquisition for value of any Indebtedness subject to Section 10.07, at the time of (or, in the case of any calculation or any financial ratio or test, with respect to, or as of the last day of, the most recently ended Test Period at the time of) (x) delivery of irrevocable (which may be conditional) notice with respect to such payment or prepayment or redemption or acquisition of such Indebtedness or (y) the making of such voluntary or optional payment or prepayment on or redemption or acquisition for value of any Indebtedness (the "LCT Test Date"), and if, for the Limited Condition Transaction (and the other transactions to be entered into in connection therewith), Borrower or any of its Restricted Subsidiaries would have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such

ratio, test or basket shall be deemed to have been complied with. For the avoidance of doubt, if Borrower has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would have failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Consolidated EBITDA or Consolidated Total Assets of Borrower or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets, tests or ratios will not be deemed to have failed to have been complied with as a result of such fluctuations; *provided*, that, notwithstanding anything to the contrary herein, if financial statements for one or more subsequent Test Periods shall have become available, Borrower may elect, in its sole discretion, to re-determine all such financial ratios or tests, with respect to, or as of the last day of, the most recently ended Test Period on the basis of such financial statements, in which case such date of redetermination shall thereafter be deemed to be the LCT Test Date for purposes of such baskets, ratios and financial metrics. If Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any calculation of any ratio, test or basket availability with respect to the incurrence of Indebtedness or Liens, the making of Dividends, the making of any Permitted Investment, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of Borrower, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, or the designation of an Unrestricted Subsidiary (each, a "Subsequent Transaction") following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement, public announcement or irrevocable notice for such Limited Condition Transaction is terminated, revoked or expires without consummation of such Limited Condition Transaction, for purposes of determining whether such Subsequent Transaction is permitted under this Agreement, any such ratio, test or basket shall be required to be satisfied on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

For purposes of determining compliance at any time with Sections 10.01, 10.02, 10.03, 10.04, 10.05, 10.06 and 10.07, in the event that any Lien, sale, lease or other disposition of assets, Dividend, Indebtedness, Investment, transaction with Affiliates or prepayment of Indebtedness meets the criteria of more than one of the categories of transactions or items permitted pursuant to any clause of such Sections 10.01, 10.02, 10.03, 10.04, 10.05, 10.06 and 10.07, Borrower, in its sole discretion, may, from time to time, classify or reclassify such transaction or item (or portion thereof) and will only be required to include the amount and type of such transaction (or portion thereof) in any one category. Reclassifications of any utilization of the Incremental Amount shall occur automatically to the extent set forth in the definition thereof.

1.05 Currency Equivalents Generally.

(a) Notwithstanding anything to the contrary in this Agreement, (i) any representation or warranty that would be untrue or inaccurate, (ii) any undertaking that would be breached, (iii) any basket is exceeded or (iv) any event that would constitute a Default or an Event of Default, in each case, solely as a result of fluctuations in applicable currency exchange rates, shall not be deemed to be untrue, inaccurate, breached or so constituted, as applicable, solely as a result of such fluctuations in currency exchange rates.

(b) For purposes of determining the Consolidated Fixed Charge Coverage Ratio, the Consolidated First Lien Net Leverage Ratio, the Consolidated Secured Net Leverage Ratio and the Consolidated Total Net Leverage Ratio, amounts denominated in a currency other than Dollars will be converted to Dollars for the purposes of (A) calculating any Consolidated Fixed Charge Coverage Ratio, the Consolidated First Lien Net Leverage Ratio, the Consolidated Secured Net Leverage Ratio and the Consolidated Total Net Leverage **Ratio, at the Exchange Rate as of the** date of calculation, and will, in the case of Indebtedness, reflect the currency translation effects, determined in accordance with U.S. GAAP, of Interest Rate Protection Agreements and Other Hedging Agreements permitted

hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Equivalent Amount of such Indebtedness.

1.06 Divisions.

1.07 Treatment of Subsidiaries Prior to Joinder.

Each Subsidiary of Holdings that is required to be joined as a Credit Party pursuant to Section 9.12 shall, from the time of the requirement that such Subsidiary be joined as a Credit Party pursuant to Section 9.12 until the completion of such joinder, be deemed for the purposes of Section 10 of this Agreement to be a Credit Party from and after the date of formation or acquisition of such Subsidiary; *provided* that this Section 1.07 shall only apply to the extent such Subsidiary is actually subsequently joined as a Credit Party pursuant to Section 9.12.

1.08 Interest Rates; ~~LIBOR~~Benchmark Notification.

The interest rate on ~~**LIBO Rate Term Loans is determined by reference to the LIBO Rate, which is derived from the London interbank offered rate. The London interbank offered rate is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. In July 2017, the U.K. Financial Conduct Authority announced that, after the end of 2021, it would no longer persuade or compel contributing banks to make rate submissions to the ICE Benchmark Administration (together with any successor to the ICE Benchmark Administrator, the "IBA") for purposes of the IBA setting the London interbank offered rate. As a result, it is possible that commencing in 2022, the London interbank offered rate may no longer be available or may no longer be deemed an appropriate reference rate upon which to determine the interest rate on LIBO Rate Term** Loans. In light of this eventuality, public and private sector industry initiatives are currently underway to identify new or alternative reference rates to be used in place of the London interbank offered rate~~**a Loan denominated in Dollars may be derived from an interest rate benchmark that may be discontinued or is, or may in the future become, the subject of regulatory reform**. Upon the occurrence of a Benchmark Transition Event, ~~**a Term SOFR Transition Event or an Early Opt-in Election,**~~ Section 2.16~~**(b) and (c) provide the** **provides a** mechanism for determining an alternative rate of interest. The ~~**Administrative Agent will promptly notify Borrower, pursuant to Section 2.16(c), of any change to the reference rate upon which the interest rate on LIBO Rate Term Loans is based. However, the**~~ Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission**, performance** or any other matter related to ~~**the London interbank offered rate or other rates in the definition of "LIBO Rate"**~~**any interest rate used in this Agreement,** or with respect to any alternative or successor rate thereto, or replacement rate thereof ~~**(including, without limitation, (i) any such alternative, successor or replacement rate implemented pursuant to Section 2.16(b) or (c), whether upon the occurrence of a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-in Election, and (ii) the implementation of any Benchmark Replacement Conforming Changes pursuant to Section 2.16(d)),**~~ including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the ~~**LIBO Rate**~~**existing interest rate being replaced** or have the same volume or liquidity as did ~~**the London interbank offered**~~**any existing interest** rate prior to its discontinuance or unavailability. **The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative, successor or alternative rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or**

consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

2.02 Minimum Amount of Each Borrowing. The aggregate principal amount of each Borrowing of Term Loans under any Tranche shall not be less than the Minimum Borrowing Amount. More than one Borrowing may occur on the same date, but at no time shall there be outstanding more than ten (10) Borrowings of ~~**LIBO Rate**~~**Term Benchmark** Term Loans in the aggregate for all Tranches of Term Loans.

2.03 Notice of Borrowing. Whenever Borrower desires to make a Borrowing of Term Loans hereunder, Borrower shall give the Administrative Agent at its Notice Office prior written notice on the day of such Borrowing (or telephonic notice promptly confirmed in writing) of each Borrowing of Base Rate Term Loans to be made hereunder and at least three Business Days' (or such shorter period as the Administrative Agent shall agree in its sole and absolute discretion) prior written notice (or telephonic notice promptly confirmed in writing) of each ~~**LIBO Rate**~~**Term Benchmark** Term Loan to be made hereunder; *provided* that (a) in each case, any such notice shall be deemed to have been given on a certain day only if given before 12:00 Noon (New York City time) on such day (or such later time as the Administrative Agent shall agree in it its sole and absolute discretion)~~,~~ **and** (b) in any event, any such notice with respect to Initial Term Loans that are ~~**LIBO Rate**~~ Term **Benchmark Term** Loans to be incurred on the Closing Date may be given up to two Business Days prior to the Closing Date ~~**and (c) that if Borrower wishes to request LIBO Rate Term Loans having an Interest Period other than one, two (only for so long as the two month LIBO Rate continues to be published by the ICE Benchmark Administration), three or six months in duration, or less than one month in duration with the consent of the Administrative Agent, in each case as provided in the definition of "Interest Period", the applicable notice must be received by the Administrative Agent not later than 11:00 a.m. (New York City time), four Business Days prior to the requested date of such Borrowing, conversion or continuation, in each case, having an Interest Period other than one, two, three or six months in duration, whereupon the Administrative Agent shall give prompt notice to each applicable**~~

~~Lender with a Commitment of the relevant Tranche of such request and determine whether the requested Interest Period is acceptable to all of them. Not later than 11:00 a.m. (New York City time), three Business Days before the requested date of such Borrowing, conversion or continuation, the Administrative Agent shall notify Borrower (which notice may be by telephone) whether or not the requested Interest Period that is other than one, two, three or six months in duration has been consented to by such Lenders or the Administrative Agent, as applicable~~. Each such notice (each, a "Notice of Borrowing"), except as otherwise expressly provided in Section 2.11, shall be irrevocable and shall be in writing, or by telephone promptly confirmed in writing by or on behalf of Borrower, in the form of Exhibit A-1 or such other form as may be approved by the Administrative Agent including any form on an electronic platform or electronic transmission as shall be approved by the Administrative Agent, appropriately completed by a Responsible Officer of Borrower to specify: (i) the aggregate principal amount of the Term Loans to be made pursuant to such Borrowing, (ii) the date of such Borrowing (which shall be a Business Day), (iii) whether the respective Borrowing shall consist of Initial Term Loans, Incremental Term Loans or Refinancing Term Loans, (iv) whether the Term Loans being made pursuant to such Borrowing are to be initially maintained as Base Rate Term Loans or ~~LIBO Rate~~**Term Benchmark** Term Loans, (v) in the case of ~~LIBO Rate~~**Term Benchmark** Term Loans, the Interest Period to be initially applicable thereto and (vi) the account of Borrower into which the proceeds of such Term Loans shall be deposited or other wire instructions therefor. The Administrative Agent shall promptly give each Lender of the Tranche specified in the respective Notice of Borrowing, notice of such proposed Borrowing, of such Lender's proportionate share thereof (determined in accordance with Section 2.07) and of the other matters required by the immediately preceding sentence to be specified in the Notice of Borrowing.

2.04 Disbursement of Funds. No later than 1:00 P.M. (New York City time) on the date specified in each Notice of Borrowing, each Lender with a Commitment of the relevant Tranche will make available its *pro rata* portion (determined in accordance with Section 2.07) of each such Borrowing requested to be made on such date. All such amounts will be made available in Dollars and in immediately available funds at the Notice Office, and the Administrative Agent will make all funds so received by it in like funds as received by the Administrative Agent by wire transfer of such funds to the account designated in writing by Borrower (including in any Notice of Borrowing) from time to time. Unless the Administrative Agent shall have been notified by any Lender prior to the date of any Borrowing that such Lender does not intend to make available to the Administrative Agent such Lender's portion of any Borrowing to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing and the Administrative Agent may (but shall not be obligated to), in reliance upon such assumption, make available to Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify Borrower and Borrower shall immediately pay such corresponding amount to the Administrative Agent. The Administrative Agent also shall be entitled to recover on demand from such Lender or Borrower interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to Borrower until the date such corresponding amount is recovered by the Administrative Agent, at a rate *per annum* equal to (i) if recovered from such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking rules on interbank compensation and (ii) if recovered from Borrower, the rate of interest applicable to the relevant Borrowing, as determined pursuant to Section 2.08. Nothing in this Section 2.04 shall be deemed to relieve any Lender from its obligation to make Term Loans hereunder or to prejudice any rights which Borrower may have against any Lender as a result of any failure by such Lender to make Term Loans hereunder.

2.05 Notes.

(a) Borrower's obligation to pay the principal of, and interest on, the Term Loans made by each Lender shall be evidenced in the Register maintained by the Administrative Agent pursuant to Section 13.04 and shall, if requested by such Lender, also be evidenced by a promissory note duly executed and delivered by Borrower substantially in the form of Exhibit B, with blanks appropriately completed in conformity herewith (each, a "Note").

(b) Each Lender will note on its internal records the amount of each Term Loan made by it and each payment in respect thereof and prior to any transfer of any of its Notes will endorse on the reverse side thereof the outstanding principal amount of Term Loans evidenced thereby. Failure to make any such notation or any error in

such notation shall not affect Borrower's obligations in respect of such Term Loans. For the avoidance of doubt, to the extent any conflict arises between the records maintained pursuant to this Section and the Register, the Register shall control.

(c) Notwithstanding anything to the contrary contained above in this Section 2.05 or elsewhere in this Agreement, Notes shall only be delivered to Lenders that at any time specifically request the delivery of such Notes. No failure of any Lender to request or obtain a Note evidencing its Term Loans to Borrower shall affect or in any manner impair the obligations of Borrower to pay the Term Loans (and all related Obligations) incurred by Borrower which would otherwise be evidenced thereby in accordance with the requirements of this Agreement, and shall not in any way affect the security or guarantees therefor provided pursuant to the various Credit Documents. Any Lender that does not have a Note evidencing its outstanding Term Loans shall in no event be required to make the notations otherwise described in the preceding clause (b). At any time when any Lender requests the delivery of a Note to evidence any of its Term Loans, Borrower shall promptly execute and deliver to the respective Lender the requested Note in the appropriate amount or amounts to evidence such Term Loans.

2.06 Interest Rate Conversions. Borrower shall have the option to convert, on any Business Day, all or a portion equal to at least the Minimum Borrowing Amount of the outstanding principal amount of Term Loans of a given Tranche made pursuant to one or more Borrowings of one or more Types of Term Loans, into a Borrowing (of the same Tranche) of another Type of Term Loan; *provided* that (i) except as otherwise provided in Section 2.11, ~~LIBO Rate~~**Term Benchmark** Term Loans may be converted into Base Rate Term Loans only on the last day of an Interest Period applicable to the Term Loans being converted and no such partial conversion of ~~LIBO Rate~~**Term Benchmark** Term Loans, as the case may be, shall reduce the outstanding principal amount of such ~~LIBO Rate~~**Term Benchmark** Term Loans, made pursuant to a single Borrowing to less than the Minimum Borrowing Amount, (ii) to the extent the Required Lenders have, or the Administrative Agent at the request of the Required Lenders has, so notified Borrower in writing, Base Rate Term Loans may not be converted into ~~LIBO Rate~~**Term Benchmark** Term Loans if any Event of Default is in existence on the date of the conversion, and (iii) no conversion pursuant to this Section 2.06 shall result in a greater number of Borrowings of ~~LIBO Rate~~ Term **Benchmark Term** Loans than is permitted under Section 2.02. Such conversion shall be effected by Borrower by giving the Administrative Agent at the Notice Office prior to 12:00 Noon (New York City time) at least three Business Days' prior notice (in the case of any conversion to or continuation of ~~LIBO Rate~~ Term **Benchmark Term** Loans) or same day notice (in the case of any conversion to Base Rate Term Loans) (each, a "Notice of Conversion/Continuation") in the form of Exhibit A-2 or such other form as may be approved by the Administrative Agent including any form on an electronic platform or electronic transmission as shall be approved by the Administrative Agent, appropriately completed by a Responsible Officer of Borrower to specify the Term Loans of a given Tranche to be so converted, the Borrowing or Borrowings pursuant to which such Term Loans were incurred and, if to be converted into ~~LIBO Rate~~**Term Benchmark** Term Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall give each Lender prompt notice of any such proposed conversion affecting any of its Term Loans.

2.07 Pro Rata Borrowings. All Borrowings of Term Loans under this Agreement, subject to Section 2.10(d), shall be incurred from the Lenders pro rata on the basis of such Lenders' Commitments as the case may be. No Lender shall be responsible for any default by any other Lender of its obligation to make Term Loans hereunder, and each Lender shall be obligated to make the Term Loans provided to be made by it hereunder, regardless of the failure of any other Lender to make its Term Loans hereunder.

2.08 Interest.

(a) Borrower agrees to pay interest in respect of the unpaid principal amount of each Base Rate Term Loan (including with respect to any ~~LIBO Rate~~ Term Benchmark Term Loan converted into a Base Rate Term Loan pursuant to Section 2.06 or 2.09) made to Borrower hereunder from the date of Borrowing thereof (or, in the circumstances described in the immediately preceding parenthetical, from the date of conversion of the respective ~~LIBO Rate~~Term Benchmark Term Loan into a Base Rate Term Loan) until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such Base Rate Term Loan to a ~~LIBO Rate~~ Term Benchmark Term Loan pursuant to Section 2.06 or 2.09, as applicable, at a rate *per annum* which shall be equal to the sum of the Applicable Margin for Base Rate Term Loans *plus* the Base Rate, as in effect from time to time.

(b) Borrower agrees to pay interest in respect of the unpaid principal amount of each ~~LIBO Rate~~**Term Benchmark** Term Loan made to Borrower from the date of Borrowing thereof until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such ~~LIBO Rate~~ Term Benchmark Term Loan to a Base Rate Term Loan pursuant to Section 2.06 or 2.09, as applicable, at a rate *per annum* which shall, during each Interest Period applicable thereto, be equal to the sum of the Applicable Margin for ~~LIBO Rate~~Term Benchmark Term Loans *plus* the applicable ~~LIBO~~Term SOFR Rate for such Interest Period.

(c) Upon the occurrence and during the continuance of any Event of Default under Section 11.01 or 11.05 (x) overdue principal and, to the extent permitted by law, overdue interest in respect of each Term Loan shall bear interest at a rate *per annum* equal to (i) for Base Rate Term Loans and associated interest, 2.00% *per annum* in excess of the Applicable Margin for Base Rate Term Loans *plus* the Base Rate, (ii) for ~~LIBO Rate~~Term Benchmark Term Loans and associated interest, 2.00% *per annum* in excess of the Applicable Margin for ~~LIBO Rate~~Term Benchmark Term Loans *plus* the ~~LIBO~~Term SOFR Rate and (y) overdue amounts with respect to Fees shall bear interest at a rate *per annum* equal to 2.00% *per annum* in excess of the Applicable Margin for Base Rate Term Loans *plus* the Base Rate, each as in effect from time to time, in each case with such interest to be payable on demand.

(d) Accrued (and theretofore unpaid) interest shall be calculated daily and payable (i) on each Interest Payment Date and (ii) on (w) the date of any conversion of a ~~LIBO Rate~~Term Benchmark Term Loan to a Base Rate Term Loan (on the amount so converted) prior to the last day of the Interest Period applicable thereto, (x) the date of any prepayment or repayment thereof (on the amount prepaid or repaid), (y) at maturity (whether by acceleration or otherwise) and (z) after such maturity, on demand.

(e) Upon each Interest Determination Date, the Administrative Agent shall determine the Adjusted ~~LIBO~~Term SOFR Rate for each Interest Period applicable to the respective ~~LIBO Rate~~Term Benchmark Term Loans and shall promptly notify Borrower and the Lenders thereof. Each such determination shall, absent manifest error, be final and conclusive and binding on all parties hereto.

(f) All interest hereunder and any Fees hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Base Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Base Rate or Adjusted ~~LIBO~~Term SOFR Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

2.09 Interest Periods. At the time Borrower gives any Notice of Borrowing or Notice of Conversion/Continuation in respect of the making of, or conversion into, any ~~**LIBO Rate**~~**Term Benchmark** Term Loan (in the case of the initial Interest Period applicable thereto) or prior to 12:00 Noon (New York City time) on the third Business Day prior to the expiration of an Interest Period applicable to such ~~**LIBO Rate**~~**Term Benchmark** Term Loan (in the case of any subsequent Interest Period), Borrower shall have the right to elect the interest period (each, an "Interest Period") applicable to such ~~**LIBO Rate**~~**Term Benchmark** Term Loan, which Interest Period shall, at the option of Borrower be a one, ~~**two (only for so long as the two month LIBO Rate continues to be published by the ICE Benchmark Administration),**~~ three or six month period ~~**, or, if agreed to by all Lenders, a twelve month period or any other period, or, if agreed to by the Administrative Agent a period less than one month**~~ **(in each case, subject to the availability for the Benchmark applicable to the relevant Loan)**; *provided* that (in each case):

(i) all ~~LIBO Rate~~Term Benchmark Term Loans comprising a Borrowing shall at all times have the same Interest Period;

(ii) the initial Interest Period for any ~~LIBO Rate~~Term Benchmark Term Loan shall commence on the date of Borrowing of such ~~LIBO Rate~~Term Benchmark Term Loan (including, in the case of ~~LIBO Rate~~Term Benchmark Term Loans, the date of any conversion thereto from a Borrowing of Base Rate Term Loans) and each Interest Period occurring thereafter in respect of such ~~LIBO Rate~~Term Benchmark Term Loan shall commence on the day on which the next preceding Interest Period applicable thereto expires;

(iii) if any Interest Period for a ~~LIBO Rate~~Term Benchmark Term Loan begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of such calendar month;

(iv) if any Interest Period for a ~~LIBO Rate~~Term Benchmark Term Loan would otherwise expire on a day which is not a Business Day, such Interest Period shall expire on the next succeeding Business Day; *provided*, *however*, that if any Interest Period for a ~~LIBO Rate~~**Term Benchmark** Term Loan would otherwise expire on a day which is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the next preceding Business Day;

(v) unless the Required Lenders otherwise agree, no Interest Period for a ~~LIBO Rate~~Term Benchmark Term Loan may be selected at any time when an Event of Default is then in existence; and

(vi) no Interest Period in respect of any Borrowing of any Tranche of Term Loans shall be selected which extends beyond the Maturity Date therefor.

With respect to any ~~LIBO Rate~~**Term Benchmark** Term Loans, at the end of any Interest Period applicable to a Borrowing thereof, Borrower may elect to split the respective Borrowing of a single Type under a single Tranche into two or more Borrowings of different Types under such Tranche or combine two or more Borrowings under a single Tranche into a single Borrowing of the same Type under such Tranche, in each case, by Borrower giving notice thereof together with its election of one or more Interest Periods applicable thereto, in each case so long as each resulting Borrowing (x) has an Interest Period which complies with the foregoing requirements of this Section 2.09, (y) has a principal amount which is not less than the Minimum Borrowing Amount applicable to Borrowings of the respective Type and Tranche, and (z) does not cause a violation of the requirements of Section 2.02. If by 12:00 Noon (New York City time) on the third Business Day prior to the expiration of any Interest Period applicable to a Borrowing of ~~LIBO Rate~~**Term Benchmark** Term Loans, Borrower has failed to elect, or is not permitted to elect, a new Interest Period to be applicable to such ~~LIBO~~**Term SOFR** Rate, Borrower shall be deemed to have elected in the case of ~~LIBO Rate~~**Term Benchmark** Term Loans, to convert such ~~LIBO Rate~~ Term **Benchmark Term** Loans into Base Rate Term Loans with such conversion to be effective as of the expiration date of such current Interest Period.

2.10 Increased Costs~~, Illegality, etc~~.

(a) [Reserved].

(b) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, any Lender ~~(except any such reserve requirement reflected in the Adjusted LIBO Rate)~~;

(ii) impose on any Lender ~~or the London interbank market~~ any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender; or

(iii) subject any Lender or the Administrative Agent to any Taxes (other than (A) Indemnified Taxes, (B) Excluded Taxes or (C) Other Taxes) with respect to its loans, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or the Administrative Agent of making, continuing, converting or maintaining any Term Loan (or of maintaining its obligation to make any such Term Loan) or to reduce the amount of any sum received or receivable by such Lender or the Administrative Agent hereunder (whether of principal, interest or otherwise), then Borrower will pay to such Lender or the Administrative Agent, as the case may be, such additional amount or amounts as will compensate such Lender or the Administrative Agent, as the case may be, for such additional costs incurred or reduction suffered.

(c) If any Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Term Loans made by such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital

adequacy and liquidity), then from time to time Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

~~**(d) If any Lender determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable lending office to make, maintain or fund LIBO Rate Term Loans, or to determine or charge interest rates based upon the LIBO Rate or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to Borrower through the Administrative Agent, any obligation of such Lender to make or continue LIBO Rate Term Loans or to convert Base Rate Term Loans to LIBO Rate Term Loans shall be suspended until such Lender notifies the Administrative Agent and Borrower** that the circumstances giving rise to such **determination no longer exist. Upon receipt of such notice, Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all LIBO Rate Term Loans of such Lender to Base Rate Term Loans, either on** the last day of the Interest Period **therefor, if such Lender may lawfully continue to maintain such LIBO Rate Term Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such LIBO Rate Term Loans. Upon any such prepayment or conversion, Borrower shall also pay accrued interest on the amount so prepaid or converted.**~~

(d) ~~**(c)**~~ A certificate of a Lender or the Administrative Agent setting forth the amount or amounts necessary to compensate such Lender or the Administrative Agent or its holding company, as the case may be, as specified in clause (b) or (c) of this Section, and certifying that it is the general practice and policy of such Lender to demand such compensation from similarly situated borrowers in similar circumstances at such time to the extent it is legally permitted to do so, shall be delivered to Borrower and shall be conclusive absent manifest error. Borrower shall pay such Lender or the Administrative Agent, as the case may be, the amount shown as due on any such certificate within 10 Business Days after receipt thereof.

(e) ~~**(f)**~~ Failure or delay on the part of any Lender or the Administrative Agent to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or the Administrative Agent's right to demand such compensation; *provided* that Borrower shall not be required to compensate a Lender or the Administrative Agent pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or the Administrative Agent, as the case may be, notifies Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or the Administrative Agent's intention to claim compensation therefor; *provided*, *further*, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

2.11 Compensation. Borrower agrees to compensate each Lender, upon its written request (which request shall set forth in reasonable detail the basis for requesting such compensation and the calculation of the amount of such compensation; it being understood that no Lender shall be required to disclose (i) any confidential or price sensitive information or (ii) any other information, to the extent prohibited by any Requirement of Law), for all losses, expenses and liabilities (including, without limitation, any loss, expense or liability incurred by reason of the liquidation or reemployment of deposits or other funds required by such Lender to fund its ~~**LIBO Rate**~~**Term Benchmark** Term Loans but excluding loss of anticipated profits (and without giving effect to the minimum "~~**LIBO**~~**Term SOFR** Rate")) which such Lender may sustain: (i) if for any reason (other than a default by such Lender or the Administrative Agent) a Borrowing of, or conversion from or into, ~~**LIBO Rate**~~ Term **Benchmark Term** Loans does not occur on a date specified therefor in a Notice of Borrowing or Notice of Conversion/Continuation; (ii) if any prepayment or repayment (including any prepayment or repayment made pursuant to Section 5.01, Section 5.02 or as a result of an acceleration of the Term Loans pursuant to Section 11) or conversion of any of its ~~**LIBO Rate**~~**Term Benchmark** Term Loans occurs on a date which is not the last day of an Interest Period with respect thereto; (iii) if any prepayment of any ~~**LIBO Rate**~~ Term **Benchmark Term** Loans is not made on any date specified in a Notice of Loan Prepayment given by Borrower; or (iv) as a consequence of any other default by Borrower to repay ~~**LIBO Rate**~~**Term Benchmark** Term Loans when required by the terms of this Agreement or any Note held by such Lender.

2.12 Change of Lending Office. Each Lender agrees that on the occurrence of any event giving rise to the operation of Section 2.10(b), (c) or (d) or Section 5.04 with respect to such Lender, it will, if requested by Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Term Loans affected by such event; *provided* that such designation is made on such terms that such

Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of Borrower or the right of any Lender provided in Sections 2.10 and 5.04.

2.13 Replacement of Lenders. (x) If any Lender becomes a Defaulting Lender, (y) upon the occurrence of an event giving rise to the operation of Section 2.10(b), (c) or (d) or Section 5.04 with respect to such Lender or (z) in the case of a refusal by a Lender to consent to proposed changes, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b), Borrower shall have the right to replace such Lender (the "Replaced Lender") with one or more other Eligible Transferees, none of whom shall constitute a Defaulting Lender at the time of such replacement (collectively, the "Replacement Lender") and each of whom shall be required to be reasonably acceptable to the Administrative Agent (to the extent the Administrative Agent's consent would be required for an assignment to such Replacement Lender pursuant to Section 13.04); *provided* that (i) at the time of any replacement pursuant to this Section 2.13, the Replacement Lender shall enter into one or more Assignment and Assumptions pursuant to Section 13.04(b) (and with all fees payable pursuant to said Section 13.04(b) to be paid by the Replacement Lender and/or the Replaced Lender (as may be agreed to at such time by and among Borrower, the Replacement Lender and the Replaced Lender)) pursuant to which the Replacement Lender shall acquire all of the Commitments and outstanding Term Loans of the Replaced Lender and, in connection therewith, shall pay to (x) the Replaced Lender in respect thereof an amount equal to the sum of (I) an amount equal to the principal of, and all accrued interest on, all outstanding Term Loans of the respective Replaced Lender under each Tranche with respect to which such Replaced Lender is being replaced and (II) an amount equal to all accrued, but theretofore unpaid, Fees owing to the Replaced Lender pursuant to Section 4.01, (ii) all obligations of Borrower due and owing to the Replaced Lender at such time (other than those specifically described in clause (i) above in respect of which the assignment purchase price has been, or is concurrently being, paid) shall be paid in full to such Replaced Lender concurrently with such replacement. Upon receipt by the Replaced Lender of all amounts required to be paid to it pursuant to this Section 2.13, the Administrative Agent shall be entitled (but not obligated) and authorized to execute an Assignment and Assumption on behalf of such Replaced Lender, and any such Assignment and Assumption so executed by the Administrative Agent and the Replacement Lender shall be effective for purposes of this Section 2.13 and Section 13.04 and (iii) in the case of any assignment resulting from clause (y) above, such assignment will result in a reduction in such compensation or payments thereafter. Upon the execution of the respective Assignment and Assumption, the payment of amounts referred to in clauses (i) and (ii) above, recordation of the assignment on the Register pursuant to Section 13.04 and, if so requested by the Replacement Lender, delivery to the Replacement Lender of the appropriate Note or Notes executed by Borrower, the Replacement Lender shall become a Lender hereunder and the Replaced Lender shall cease to constitute a Lender hereunder, except with respect to indemnification provisions under this Agreement (including, without limitation, Sections 2.10, 2.11, 5.04, 12.07 and 13.01), which shall survive as to such Replaced Lender with respect to actions or occurrences prior to it ceasing to be a Lender hereunder.

2.14 Extended Term Loans. (a) Notwithstanding anything to the contrary in this Agreement, subject to the terms of this Section 2.14, Borrower may at any time and from time to time request that all or a portion of any Tranche of Term Loans (each, an "Existing Term Loan Tranche"), be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or any portion of such Existing Term Loan Tranche (any such Term Loans which have been so converted, "Extended Term Loans") and to provide for other terms consistent with this Section 2.14. In order to establish any Extended Term Loans, Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Term Loan Tranche) (each, an "Extension Request") setting forth the proposed terms of the Extended Term Loans to be established, which shall (x) be identical as offered to each Lender under the relevant Existing Term Loan Tranche (including as to the proposed interest rates and fees payable) and (y) have the same terms as the Existing Term Loan Tranche from which such Extended Term Loans are to be converted, except that: (i) all or any of the scheduled amortization payments of principal of the Extended Term Loans may be delayed to later dates than the scheduled amortization payments of principal of the Term Loans of such Existing Term Loan Tranche to the extent provided in the applicable Extension Amendment; (ii) the Effective Yield with respect to the Extended Term Loans (whether in the form of interest rate margin, upfront fees, original issue discount or otherwise) may be different than the Effective Yield for the Term Loans of such Existing Term Loan Tranche; (iii) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the applicable Extension Amendment

(immediately prior to the establishment of such Extended Term Loans); (iv) Extended Term Loans may have mandatory prepayment terms which provide for the application of proceeds from mandatory prepayment events to be made first to prepay the Term Loans under the Existing Term Loan Tranche from which such Extended Term Loans have been converted before applying any such proceeds to prepay such Extended Term Loans; (v) Extended Term Loans may have optional prepayment terms (including call protection and terms which allow Term Loans under the relevant Existing Term Loan Tranche from which such Extended Term Loans have been converted to be optionally prepaid prior to the prepayment of such Extended Term Loans) as may be agreed by Borrower and the Lenders thereof and (vi) such Extended Term Loans may have other terms (other than those described in the preceding clauses (i) through (v)) that differ from those of the Existing Term Loan Tranche, in each case, taken as a whole, that are not materially more favorable to the Lenders providing such Extended Term Loans than the provisions applicable to the Existing Term Loan Tranche or as are otherwise reasonably satisfactory to the Administrative Agent. Any Extended Term Loans converted pursuant to any Extension Request shall be designated a series (each, an "Extension Series") of Extended Term Loans for all purposes of this Agreement;*provided* that, subject to the requirements set forth above, any Extended Term Loans converted from an Existing Term Loan Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Tranche of Term Loans.

(b) [Reserved].

(c) Borrower shall provide the applicable Extension Request at least five (5) Business Days (or such shorter period as to which the Administrative Agent may consent) prior to the date on which Lenders under the Existing Term Loan Tranche are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.14. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Tranche converted into Extended Term Loans pursuant to any Extension Request. Any Lender (each, an "Extending Term Loan Lender") wishing to have all or a portion of its Term Loans under the Existing Term Loan Tranche subject to such Extension Request converted into Extended Term Loans shall notify the Administrative Agent (each, an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Term Loans under the Existing Term Loan Tranche which it has elected to request be converted into Extended Term Loans (subject to any minimum denomination requirements imposed by the Administrative Agent). Any Lender that does not respond to the Extension Request on or prior to the date specified therein shall be deemed to have rejected such Extension Request. In the event that the aggregate principal amount of Term Loans under the applicable Existing Term Loan Tranche exceeds the amount of Extended Term Loans requested pursuant to such Extension Request, Term Loans of such Existing Term Loan Tranche, subject to such Extension Elections shall either (i) be converted to Extended Term Loans of such Existing Term Loan Tranche on a *pro rata* basis based on the aggregate principal amount of Term Loans of such Existing Term Loan Tranche included in such Extension Elections, subject to such rounding requirements as may be established by the Administrative Agent or (ii) to the extent such option is expressly set forth in the applicable Extension Request, be converted to Extended Term Loans upon an increase in the amount of Extended Term Loans so that such excess does not exist.

(d) Extended Term Loans shall be established pursuant to an amendment (each, an "Extension Amendment") to this Agreement among Borrower, the Administrative Agent and each Extending Term Loan Lender providing an Extended Term Loan thereunder, which shall be consistent with the provisions set forth in Section 2.14(a) above (but which shall not require the consent of any other Lender). The Administrative Agent shall promptly notify each relevant Lender as to the effectiveness of each Extension Amendment. After giving effect to the Extension, the Term Loans so extended shall cease to be a part of the Tranche they were a part of immediately prior to the Extension.

(e) Extensions consummated by Borrower pursuant to this Section 2.14 shall not constitute voluntary or mandatory payments or prepayments for purposes of this Agreement. The Administrative Agent and the Lenders hereby consent to each Extension and the other transactions contemplated by this Section 2.14 (including, for the avoidance of doubt, payment of any interest or fees in respect of any Extended Term Loans on such terms as may be set forth in the applicable Extension Request) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02, 5.03, 13.02 or 13.06) or any other Credit Document that may otherwise prohibit any Extension or any other transaction contemplated by this Section 2.14; *provided* that such consent shall not be deemed to be an acceptance of any Extension Request.

(f) Each of the parties hereto hereby agrees that this Agreement and the other Credit Documents may be amended pursuant to an Extension Amendment, without the consent of any other Lenders, to the extent (but only to the extent) reasonably necessary to (i) reflect the existence and terms of any Extended Term Loans incurred pursuant thereto, (ii) modify the scheduled repayments set forth in Section 5.02(a) with respect to any Existing Term Loan Tranche subject to an Extension Election to reflect a reduction in the principal amount of the Term Loans thereunder in an amount equal to the aggregate principal amount of the Extended Term Loans converted pursuant to the applicable Extension (with such amount to be applied ratably to reduce scheduled repayments of such Term Loans required pursuant to Section 5.02(a)), (iii) make such other changes to this Agreement and the other Credit Documents consistent with the provisions and intent of Section 13.12(d), (iv) establish new Tranches in respect of Term Loans so extended and such technical amendments as may be necessary in connection with the establishment of such new Tranches, in each case, on terms consistent with this Section 2.14 and (v) effect such other amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and Borrower, to effect the provisions of this Section 2.14, and each Lender hereby expressly authorizes the Administrative Agent to enter into any such Extension Amendment. In connection with any Extension, the Credit Parties shall (at their expense) amend (and the Administrative Agent is hereby directed to amend) any Mortgage that has a maturity date prior to the Latest Maturity Date so that such maturity date is extended to the Latest Maturity Date (or such later date as may be advised by local counsel to the Administrative Agent), to the extent required pursuant to applicable local law.

2.15 Incremental Term Loan Commitments.

(a) Borrower may at any time and from time to time request one or more Lenders (or one or more Eligible Transferees who will become Lenders) to provide Incremental Term Loan Commitments to Borrower and, subject to the terms and conditions contained in this Agreement and in the relevant Incremental Term Loan Amendment, make Incremental Term Loans pursuant thereto; it being understood and agreed, however, that (i) no Lender shall be obligated to provide an Incremental Term Loan Commitment as a result of any such request by Borrower, (ii) any Lender (including any Eligible Transferee who will become a Lender) may so provide an Incremental Term Loan Commitment without the consent of any other Lender, (iii) each Tranche of Incremental Term Loan Commitments shall be denominated in Dollars, (iv) the amount of Incremental Term Loan Commitments made available pursuant to a given Incremental Term Loan Amendment shall be in a minimum aggregate amount for all Lenders which provide an Incremental Term Loan Commitment thereunder (including Eligible Transferees who will become Lenders) of at least $10,000,000, (v) other than with respect to any Incremental Term Loans established pursuant to Section 2.15(d), the aggregate principal amount of any Incremental Term Loans on the date of the incurrence thereof shall not exceed, when taken together with any incurrence of Permitted Pari Passu Notes, Permitted Pari Passu Loans or Permitted Junior Debt pursuant to Section 10.04(xxvii)(1) on such date, (x) the then-remaining Fixed Incremental Amount as of the date of incurrence *plus* (y) subject to the satisfaction of the applicable Incurrence-Based Incremental Facility Test, any Incurrence-Based Incremental Amount that may be incurred thereunder on such date, (vi) the proceeds of all Incremental Term Loans incurred by Borrower may be used for any purpose not prohibited under this Agreement, (vii) Borrower shall specifically designate, in consultation with the Administrative Agent, the Tranche of the Incremental Term Loan Commitments being provided thereunder (which Tranche shall be a new Tranche (i.e., not the same as any existing Tranche of Incremental Term Loans, Incremental Term Loan Commitments or other Term Loans), unless the requirements of Section 2.15(c) are satisfied), which designation shall be set forth in the applicable Incremental Term Loan Amendment, (viii) if to be incurred as a new Tranche of Incremental Term Loans, such Incremental Term Loans shall have the same terms as each other Tranche of Term Loans as in effect immediately prior to the effectiveness of the relevant Incremental Term Loan Agreement, except as to purpose (which is subject to the requirements of the preceding clause (vi)) and optional prepayment provisions and mandatory prepayment provisions (which are governed by Section 5.02; *provided* that each new Tranche of Incremental Term Loans shall be entitled to share in mandatory prepayments on a ratable basis with the other Tranches of Term Loans (unless the holders of the Incremental Term Loans of any Tranche agree to take a lesser share of any such prepayments)); *provided*, *however*, that (I) the maturity and amortization of such Tranche of Incremental Term Loans may differ, so long as, such Tranche of Incremental Term Loans shall have (a) a Maturity Date of no earlier than the Latest Maturity Date as of the date such Indebtedness was incurred and (b) a Weighted Average Life to Maturity of no less than the Weighted Average Life to Maturity as then in effect for the Tranche of then outstanding Term Loans with the then longest Weighted Average Life to Maturity; *provided*, *however*, that (x) Extendable Bridge Loans and (y) Incremental Term Loan Commitments and Incremental Term Loans in an aggregate principal amount not in excess of the then-available amount under the Inside Maturity Basket, in each case, may have a maturity date earlier than the

Latest Maturity Date of all then outstanding Term Loans and the Weighted Average Life to Maturity thereof may be shorter than the then longest remaining Weighted Average Life to Maturity of any then outstanding Term Loans, (II) the Effective Yield applicable to such Tranche of Incremental Term Loans may differ from that applicable to the then outstanding Tranches of Term Loans, with the Effective Yield applicable thereto to be specified in the respective Incremental Term Loan Amendment; *provided*, *however*, that, solely with respect to any syndicated Incremental Term Loan incurred on or prior to the date that is twenty-four months after the Closing Date, as applicable, if the Effective Yield for any such Incremental Term Loans exceeds the Effective Yield then applicable to any then outstanding Initial Term Loans by more than 0.50% *per annum*, the Applicable Margins for such then outstanding Initial Term Loans shall be increased as of such date (in accordance with the requirements of the definition of "Applicable Margin") so that the difference between the Effective Yield with respect to such new Incremental Term Loans and the corresponding Effective Yield on such then outstanding Initial Term Loans is equal to 0.50% (the "MFN Pricing Test") and (III) such Tranche of Incremental Term Loans may have other terms (other than those described in preceding clauses (I) and (II)) that may differ from those of other Tranches of Term Loans, including, without limitation, as to the application of optional or voluntary prepayments among the Incremental Term Loans and the existing Term Loans, in each case, taken as a whole, that are not materially more favorable to the lenders providing such Incremental Term Loans than the provisions applicable to the existing Term Loans or as are otherwise reasonably satisfactory to the Administrative Agent, (ix) all Incremental Term Loans (and all interest, fees and other amounts payable thereon) incurred by Borrower shall be Obligations of Borrower under this Agreement and the other applicable Credit Documents and shall be secured by the Security Agreements, and guaranteed under the Guaranty Agreement, on a *pari passu* basis with all other Term Loans secured by the Security Agreement and guaranteed under such Guaranty Agreement and shall not be secured by any assets that do not constitute Collateral for the outstanding Term Loans or be guaranteed by any guarantors that are not Credit Parties, (x) each Lender (including any Eligible Transferee who will become a Lender) agreeing to provide an Incremental Term Loan Commitment pursuant to an Incremental Term Loan Amendment shall, subject to the satisfaction of the relevant conditions set forth in this Agreement, make Incremental Term Loans under the Tranche specified in such Incremental Term Loan Amendment as provided in Section 2.01(b) and such Term Loans shall thereafter be deemed to be Incremental Term Loans under such Tranche for all purposes of this Agreement and the other applicable Credit Documents and (xi) all Incremental Term Loan Commitment Requirements are satisfied.

(b) At the time of the provision of Incremental Term Loan Commitments pursuant to this Section 2.15, Borrower, the Administrative Agent and each such Lender or other Eligible Transferee which agrees to provide an Incremental Term Loan Commitment (each, an "Incremental Term Loan Lender") shall execute and deliver to the Administrative Agent an Incremental Term Loan Amendment (which shall not require the consent of any other Lender), with the effectiveness of the Incremental Term Loan Commitment provided therein to occur on the date on which (w) a fully executed copy of such Incremental Term Loan Amendment shall have been delivered to the Administrative Agent, (x) all fees required to be paid in connection therewith at the time of such effectiveness shall have been paid (including, without limitation, any agreed upon upfront or arrangement fees owing to the Administrative Agent to the extent it served as the arranger for the Incremental Term Loan Commitments), (y) all Incremental Term Loan Commitment Requirements are satisfied, and (z) all other conditions set forth in this Section 2.15 shall have been satisfied. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Incremental Term Loan Amendment, and at such time, (i) Schedule 2.01 shall be deemed modified to reflect the revised Incremental Term Loan Commitments of the affected Lenders and (ii) to the extent requested by any Incremental Term Loan Lender, Notes will be issued at Borrower's expense to such Incremental Term Loan Lender, to be in conformity with the requirements of Section 2.05 (with appropriate modification) to the extent needed to reflect the new Incremental Term Loans made by such Incremental Term Loan Lender.

(c) Notwithstanding anything to the contrary contained above in this Section 2.15, the Incremental Term Loan Commitments provided by an Incremental Term Loan Lender or Incremental Term Loan Lenders, as the case may be, pursuant to each Incremental Term Loan Amendment shall constitute a new Tranche, which shall be separate and distinct from the existing Tranches pursuant to this Agreement; *provided* that, with the consent of the Administrative Agent (not to be unreasonably withheld, delayed or conditioned), the parties to a given Incremental Term Loan Amendment may specify therein that the Incremental Term Loans made pursuant thereto shall constitute part of, and be added to, an existing Tranche of Term Loans, in any case so long as the following requirements are satisfied:

(i) the Incremental Term Loans to be made pursuant to such Incremental Term Loan Amendment shall have the same Borrower, the same Maturity Date and the same Applicable Margins as the Tranche of Term Loans to which the new Incremental Term Loans are being added;

(ii) the new Incremental Term Loans shall have the same Scheduled Repayment Dates as then remain with respect to the Tranche to which such new Incremental Term Loans are being added (with the amount of each Scheduled Repayment applicable to such new Incremental Term Loans to be the same (on a proportionate basis) as is theretofore applicable to the Tranche to which such new Incremental Term Loans are being added, thereby increasing the amount of each then remaining Scheduled Repayment of the respective Tranche proportionately); and

(iii) on the date of the making of such new Incremental Term Loans, and notwithstanding anything to the contrary set forth in Section 2.09, such new Incremental Term Loans shall be added to (and form part of) each Borrowing of outstanding Term Loans of the applicable Tranche on a *pro rata* basis (based on the relative sizes of the various outstanding Borrowings), so that each Lender holding Term Loans under the respective Tranche of Term Loans participates in each outstanding Borrowing of Term Loans of the respective Tranche (after giving effect to the incurrence of such new Incremental Term Loans pursuant to Section 2.01(b)) on a *pro rata* basis.

To the extent the provisions of the preceding clause (iii) require that Incremental Term Loan Lenders making new Incremental Term Loans add such Incremental Term Loans to the then outstanding Borrowings of ~~LIBO Rate~~ Term **Benchmark Term** Loans of such Tranche, it is acknowledged that the effect thereof may result in such new Incremental Term Loans having irregular Interest Periods (i.e., an Interest Period that began during an Interest Period then applicable to outstanding ~~LIBO Rate~~**Term Benchmark** Term Loans of such Tranche and which will end on the last day of such Interest Period), which irregular interest periods shall be permitted notwithstanding anything to the contrary in this Agreement. All determinations by any the Administrative Agent of the ~~LIBO~~**Term SOFR** Rate, in such circumstances pursuant to the immediately preceding sentence shall, absent manifest error, be final and conclusive and binding on all parties hereto.

(d) Subject to compliance with the other applicable requirements set forth in this Section 2.15, any new Incremental Term Loan may be established and incurred as a means of effectively extending the maturity of, effecting a repricing of or a refinancing, in whole or in part without utilizing the capacity under any incurrence tests or fixed baskets for other Incremental Term Loans, of any applicable Term Loans then outstanding so long as:

(i) the Lenders with respect to the relevant series of Term Loans and/or Commitments being extended, repriced or refinanced are offered the opportunity to participate in such transaction on a *pro rata* basis (and on the same terms) and

(ii) the amount of any Incremental Term Loans does not exceed the sum of (x) the principal amount of the applicable Term Loans effectively being extended, repriced or refinanced, (y) fees and expenses (including any prepayment premium, penalties or other call protection) related to such extension, repricing or refinancing, and (z) fees and expenses (including any upfront fees, original issue discount, underwriting discounts, amendment fees, commissions and arrangement, underwriting and similar fees) related to the establishment and incurrence of such Incremental Term Loans.

2.16 ~~**LIBOR Successor**~~**Alternate Rate of Interest**.

(a) Subject to clauses (b), (c), (d), (e~~)~~ **and** (f) ~~**and (g)**~~ of this Section 2.16~~. if prior to the commencement of any Interest Period for a LIBO Rate Term Loan Borrowing~~:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, that adequate and reasonable means do not exist for ascertaining the Adjusted ~~LIBO~~Term SOFR Rate or the ~~LIBO~~Term SOFR Rate, as applicable (including because the ~~LIBO Screen~~Term SOFR Reference Rate is not

available or published on a current basis), for such Interest Period; provided that no Benchmark Transition Event shall have occurred at such time; or

(ii) the Administrative Agent is advised by the Required Lenders that prior to the commencement of any Interest Period for a Term Benchmark Borrowing, the Adjusted ~~LIBO~~Term SOFR Rate or the ~~LIBO~~Term SOFR Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period,

then the Administrative Agent shall give notice thereof to **the** Borrower and the Lenders by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until **(x)** the Administrative Agent notifies **the** Borrower and the Lenders that the circumstances giving rise to such notice no longer exist**~~, (A)~~ with respect to the relevant Benchmark and (y) the Borrower delivers a new Notice of Conversion/Continuation in accordance with the terms of Section 2.06 or a new Notice of Borrowing in accordance with the terms of Section 2.03,** any Notice of Conversion/Continuation that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a ~~LIBO Rate~~ Term **Benchmark** Borrowing ~~shall be ineffective~~ and ~~(B) if~~ any Notice of Borrowing **that** requests a ~~LIBO Rate~~ Term ~~Borrowing, such~~**Benchmark** Borrowing shall ~~be made as~~**instead be deemed to be a Notice of Conversion/Continuation or a Notice of Borrowing, as applicable, for** a Base Rate Borrowing; *provided* that if the circumstances giving rise to such notice affect only one Type of Borrowings, then ~~the~~**all** other ~~Type~~**Types** of Borrowings shall be permitted. **Furthermore, if any Term Benchmark Term Loan is outstanding on the date of the Borrower's receipt of the notice from the Administrative Agent referred to in this Section 2.16(a) with respect to the Adjusted Term SOFR Rate to such Term Benchmark Term Loan, then until (x) the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Borrower delivers a new Notice of Conversion/Continuation in accordance with the terms of Section 2.06 or a new Notice of Borrowing in accordance with the terms of Section 2.03, any Term Benchmark Term Loan shall on the last day of the Interest Period applicable to such Loan, be converted by the Administrative Agent to, and shall constitute, a Base Rate Loan, on such day.**

(b) Notwithstanding anything to the contrary herein or in any other Credit Document, if a Benchmark Transition Event~~or an Early Opt-in Election, as applicable,~~ and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) ~~or (2)~~ of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Credit Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Credit Document and (y) if a Benchmark Replacement is determined in accordance with clause (~~3~~**2**) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Credit Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Credit Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

~~**(c) Notwithstanding anything to the contrary herein or in any other Credit Document and subject to the proviso below in this paragraph, if a Term SOFR Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then the applicable Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder or under any Credit Document in respect of such Benchmark setting and subsequent Benchmark settings, without any amendment to, or further action or consent of any other party to, this Agreement or any other Credit Document; provided that, this clause (c) shall not be effective unless the Administrative Agent has delivered to the Lenders and Borrower a Term SOFR Notice**. For the avoidance of doubt, the **Administrative Agent shall not be required to deliver a Term SOFR Notice after a Term SOFR Transition Event and may do so in its sole discretion.**~~

(c) ~~(d) In~~ Notwithstanding anything to the contrary herein or in any other Credit Document, in connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to

make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Credit Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Credit Document.

(d) ~~(c)~~ The Administrative Agent will promptly notify Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event,~~a Term SOFR Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date,~~ (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (f) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.16, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Credit Document, except, in each case, as expressly required pursuant to this Section 2.16.

(e) ~~**(f)**~~ Notwithstanding anything to the contrary herein or in any other Credit Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR ~~or LIBO~~ Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(f) ~~**(g)**~~ Upon Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, Borrower may revoke any request for a ~~**LIBO Rate Term**~~ Borrowing of, conversion to or continuation of ~~**LIBO Rate**~~**Term Benchmark** Term Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to **a** Base Rate ~~**Loans**~~**Borrowing**. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of Base Rate. Furthermore, if any Term Benchmark Term Loan is outstanding on the date of the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to the Adjusted Term SOFR Rate applicable to such Term Benchmark Term Loan, then until such time as a Benchmark Replacement is implemented pursuant to this Section 2.16, any Term Benchmark Term Loan shall on the last day of the Interest Period applicable to such Loan, be converted by the Administrative Agent to, and shall constitute, a Base Rate Loan.

2.17 [Reserved].

2.18 Refinancing Term Loans.

(a) Borrower may from time to time by written notice to the Administrative Agent elect to request the establishment of one or more additional Tranches of Term Loans under this Agreement ("Refinancing Term Loans"), which refinance, renew, replace, defease or refund all or any portion of one or more Tranches of Term Loans under this Agreement selected by Borrower; *provided*, that such Refinancing Term Loans may not be in an amount greater than the aggregate principal amount of the Term Loans being refinanced, renewed, replaced, defeased or refunded *plus* unpaid accrued interest and premium (if any) thereon and upfront fees, original issue discount, underwriting discounts, fees, commissions and expenses incurred in connection with the Refinancing Term Loans; *provided* that such aggregate principal amount may also be increased to the extent such additional amount is capable of being

incurred at such time pursuant to Section 2.15 and such excess incurrence shall for all purposes hereof be an incurrence under the relevant subclauses of Section 2.15. Each such notice shall specify the date (each, a "Refinancing Effective Date") on which Borrower proposes that the Refinancing Term Loans shall be made, which shall be a date not less than three (3) Business Days after the date on which such notice is delivered to the Administrative Agent; *provided* that:

(i) except in the case of Extendable Bridge Loans and an aggregate principal amount not in excess of the Inside Maturity Basket (when taken together with (1) all other currently outstanding or simultaneously incurred Refinancing Term Loans, Incremental Term Loans, Permitted Pari Passu Notes, Permitted Pari Passu Loans, Permitted Junior Notes and Permitted Junior Loans that utilize the Inside Maturity Basket and (2) any Permitted Refinancing Indebtedness incurred with respect to the foregoing to the extent such Indebtedness does not otherwise meet the requirements set forth in this clause (i)), the Weighted Average Life to Maturity of such Refinancing Term Loans shall not be shorter than the remaining Weighted Average Life to Maturity of the Term Loans being refinanced and the Refinancing Term Loans shall not have a final stated maturity before the Maturity Date applicable to the Term Loans being refinanced;

(ii) such Refinancing Term Loans shall have pricing (including interest rates, fees and premiums), amortization, optional prepayment, mandatory prepayment (so long as such Refinancing Term Loans are not entitled to participate on a greater than *pro rata* basis in any mandatory prepayment than the then outstanding Term Loans) and redemption terms as may be agreed to by Borrower and the relevant Refinancing Term Loan Lenders (as defined below);

(iii) such Refinancing Term Loans shall not be guaranteed by any Person other than the Credit Parties;

(iv) in the case of any such Refinancing Term Loans that are secured, such Refinancing Term Loans are secured only by assets comprising Collateral, and not secured by any property or assets of Borrower or any of its Subsidiaries other than the Collateral; and

(v) all other terms applicable to such Refinancing Term Loans (except as set forth above), taken as a whole, shall not be materially more favorable to the Refinancing Term Loan Lenders than the related provisions applicable to the existing Term Loans or otherwise reasonably satisfactory to the Administrative Agent, except to the extent (x) such covenants and other terms apply solely to any period after the Latest Maturity Date as of the date such Indebtedness was incurred or (y) such Refinancing Term Loans were incurred under the Inside Maturity Basket (*provided* that a certificate of a Responsible Officer of Borrower delivered to the Administrative Agent in good faith at least five Business Days prior to the incurrence of such Indebtedness, together with a reasonably detailed description of the material terms and conditions of such Indebtedness or drafts of the documentation relating thereto, stating that Borrower has determined in good faith that such terms and conditions satisfy the requirement set out in this clause (v), shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Administrative Agent provides notice to Borrower of an objection during such five Business Day period (including a reasonable description of the basis upon which it objects)).

(b) Borrower may approach any Lender or any other Person that would be an Eligible Transferee of Term Loans to provide all or a portion of the Refinancing Term Loans (a "Refinancing Term Loan Lender"); *provided* that any Lender offered or approached to provide all or a portion of the Refinancing Term Loans may elect or decline, in its sole discretion, to provide a Refinancing Term Loan. Any Refinancing Term Loans made on any Refinancing Effective Date shall be designated a series of Refinancing Term Loans (a "Refinancing Term Loan Series") for all purposes of this Agreement; *provided* that any Refinancing Term Loans may, to the extent provided in the applicable Refinancing Term Loan Amendment and subject to the restrictions set forth in clause (a) above, be designated as an increase in any previously established Tranche of Term Loans.

(c) The Administrative Agent and the Lenders hereby consent to the transactions contemplated bySection 2.18(a) (including, for the avoidance of doubt, the payment of interest, fees, amortization (to the extent in compliance with Section 2.18(a)(i)) or premium in respect of the Refinancing Term Loans on the terms specified by Borrower) and hereby waive the requirements of this Agreement or any other Credit Document that may otherwise

prohibit any transaction contemplated by Section 2.18(a). The Refinancing Term Loans shall be established pursuant to an amendment to this Agreement among Holdings, Borrower, the Administrative Agent and the Refinancing Term Loan Lenders providing such Refinancing Term Loans (a "Refinancing Term Loan Amendment") (which shall not require the consent of any other Lender) which shall be consistent with the provisions set forth in Section 2.18(a). Each Refinancing Term Loan Amendment shall be binding on the Lenders, the Administrative Agent, the Credit Parties party thereto and the other parties hereto without the consent of any other Lender and the Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Credit Documents as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and Borrower, to effect the provisions of Section 2.18 including such technical amendments as may be necessary or appropriate in connection therewith and to adjust the amortization schedule in Section 5.02(a) (insofar as such schedule relates to payments due to Lenders the Term Loans of which are refinanced with the proceeds of Refinancing Term Loans; *provided* that no such amendment shall reduce the *pro rata* share of any such payment that would have otherwise been payable to the Lenders, the Term Loans of which are not refinanced with the proceeds of Refinancing Term Loans). The Administrative Agent shall be permitted, and each is hereby authorized, to enter into such amendments with Borrower to effect the foregoing.

2.19 Reverse Dutch Auction Repurchases.

(a) Notwithstanding anything to the contrary contained in this Agreement or any other Credit Document, Holdings, Borrower or any Restricted Subsidiary may, at any time and from time to time, conduct reverse Dutch auctions in order to purchase Term Loans of a particular Tranche (each, an "Auction") (each such Auction to be managed exclusively by the Administrative Agent or any other bank or investment bank of recognized standing selected by Borrower (with the consent of the Administrative Agent or such other bank or investment bank) following consultation with the Administrative Agent (in such capacity, the "Auction Manager")), so long as the following conditions are satisfied:

(i) each Auction shall be conducted in accordance with the procedures, terms and conditions set forth in this Section 2.19(a) and Schedule 2.19(a);

(ii) no Event of Default shall have occurred and be continuing on the date of the delivery of each auction notice and at the time of purchase of Term Loans in connection with any Auction;

(iii) the minimum principal amount (calculated on the face amount thereof) of all Term Loans that Holdings, Borrower or such Restricted Subsidiary offers to purchase in any such Auction shall be no less than $2,500,000 (unless another amount is agreed to by the Administrative Agent);

(iv) Borrower shall not use the proceeds of any borrowing under the ABL Credit Agreement to finance any such repurchase; and

(v) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans so purchased by Holdings, Borrower or such Restricted Subsidiary shall automatically be cancelled and retired on the settlement date of the relevant purchase (and may not be resold).

(b) Holdings, Borrower or such Restricted Subsidiary must terminate an Auction if it fails to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to such Auction. Holdings, Borrower or such Restricted Subsidiary may withdraw any Auction if the reply amounts are insufficient to complete the purchase of a minimum principal amount of the Term Loans designated in writing to the applicable Auction Manager by Holdings, Borrower or such Restricted Subsidiary (the "Minimum Purchase Condition"). No Credit Party or any Restricted Subsidiary shall have any liability to any Lender for any termination of such Auction as a result of its failure to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to the such Auction, or for any termination of such Auction as a result of the failure to satisfy the Minimum Purchase Condition, and any such failure shall not result in any Default or Event of Default hereunder. With respect to all purchases of Term Loans made pursuant to this Section 2.19, (x) Holdings, Borrower or such Restricted Subsidiary shall pay on the settlement date of each such purchase all accrued and unpaid interest (except to the extent otherwise set forth in the relevant offering documents), if any, on the purchased Term Loans up to the settlement date

of such purchase and (y) such purchases (and the payments made therefor and the cancellation of the purchased Term Loans, in each case in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Sections 5.01, 5.02 or 13.06. At the time of purchases of Term Loans pursuant to an Auction, the then remaining Scheduled Repayments shall be reduced by the aggregate principal amount (taking the face amount thereof) of Term Loans repurchased pursuant to such Auction, with such reduction to be applied to such Scheduled Repayments on a *pro rata* basis (based on the then remaining principal amount of each such Scheduled Repayments).

(c) The Administrative Agent and the Lenders hereby consent to the Auctions and the other transactions contemplated by this Section 2.19 (*provided* that no Lender shall have an obligation to participate in any such Auctions) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02 and 13.06 (it being understood and acknowledged that purchases of the Term Loans by Holdings, Borrower or any Restricted Subsidiary contemplated by this Section 2.19 shall not constitute Investments by such Person)) or any other Credit Document that may otherwise prohibit any Auction or any other transaction contemplated by this Section 2.19. The Auction Manager acting in its capacity as such hereunder shall be entitled to the benefits of the provisions of Section 12 and Section 13.01 *mutatis mutandis* as if each reference therein to the "Administrative Agent" were a reference to the Auction Manager, and the Administrative Agent and the Auction Manager shall cooperate in a reasonable manner in connection therewith.

2.20 Open Market Purchases.

(a) **Notwithstanding anything to the contrary contained in this Agreement or any** other Credit Document, Holdings, Borrower or any of its Restricted Subsidiaries may, at any time and from time to time, make open market purchases (including on a non-*pro rata* basis) of Term Loans (each, an "Open Market Purchase"), so long as the following conditions are satisfied:

(i) no Event of Default shall have occurred and be continuing on the date of such Open Market Purchase;

(ii) neither Holdings, Borrower nor any Restricted Subsidiary shall use the proceeds of any borrowing under the ABL Credit Agreement to finance any such purchase; and

(iii) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans so purchased by Holdings, Borrower or any of its Restricted Subsidiaries shall automatically be cancelled and retired on the settlement date of the relevant purchase (and may not be resold).

At the time of purchases of Term Loans pursuant to any Open Market Purchase, the then remaining Scheduled Repayments shall be reduced by the aggregate principal amount (taking the face amount thereof) of Term Loans repurchased pursuant to such Open Market Purchase, with such reduction to be applied to such Scheduled Repayments on a *pro rata* basis (based on the then remaining principal amount of each such Scheduled Repayments).

(c) The Administrative Agent and the Lenders hereby consent to the Open Market Purchases contemplated by this Section 2.20 and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02 and 13.06 (it being understood and acknowledged that purchases of the Term Loans by Holdings, Borrower or any Restricted Subsidiary contemplated by this Section 2.20 shall not constitute Investments by such Person)) or any other Credit Document that may otherwise prohibit any Open Market Purchase by this Section 2.20.

(b) notwithstanding anything to the contrary in the definition of "Required Lenders", or inSection 13.12, the holder of any Term Loans acquired pursuant to this Section 2.21(b) (other than Debt Fund Affiliates) shall not be entitled to vote such Term Loans in any "Required Lender" vote or direction pursuant to the terms of this Agreement or any other Credit Document, and for purposes of any such vote or direction such Term Loans shall be deemed not to be outstanding (it being understood that the holder of such Term Loans shall have the right to consent to votes requiring the consent of "all Lenders" or "all Lenders directly and adversely affected thereby" pursuant to Section 13.12 or otherwise, or any other amendment which treats such Lenders differently from other Lenders);

(c) by acquiring a Term Loan hereunder, the Sponsor or such applicable Non-Debt Fund Affiliates shall be deemed to have (I) waived its right to receive information prepared by the Administrative Agent or any Lender (or any advisor, agent or counsel thereof) under or in connection with the Credit Documents (in each case to the extent not provided to the Credit Parties) and attend any meeting or conference call with the Administrative Agent or any Lender (unless any Credit Party has been invited to attend such meeting or conference call), (II) agreed that it is prohibited from making or bringing any claim (but not from joining any claim initiated by any other Lender and acting as a passive participant with respect thereto), in its capacity as a Lender, against Administrative Agent or any Lender with respect to the duties and obligations of such Persons under the Credit Documents, and (III) agreed, without limiting its rights as a Lender described in Section 2.21(b), that it will have no right whatsoever, in its capacity as a Lender, to require the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to this Agreement or any other Credit Document;

(d) the Sponsor or such Non-Debt Fund Affiliate identifies itself as an Affiliate of the Credit Parties prior to the assignment of Term Loans to it pursuant to the applicable Assignment and Assumption; provided that this clause (d) shall not apply in the case of an acquisition of Term Loans through an un-Affiliated intermediary to the extent the Sponsor or such Non-Debt Fund Affiliate has made any representations and warranties to such intermediary as are required by such intermediary in connection with its engagement as such (which may include, to the extent required by such intermediary, a representation and warranty that it does not possess any material non-public information about the Credit Parties and their respective securities);

(e) Term Loans acquired by the Sponsor and Non-Debt Fund Affiliates shall be subject to the voting limitations set forth inSection 13.04(g);

(f) notwithstanding anything in Section 13.12 or the definition of "Required Lenders" to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Credit Document or any departure by any Credit Party therefrom, (ii) otherwise acted on any matter related to any Credit Document or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Credit Document, all Term Loans held by Debt Fund Affiliates may not account for more than 49.9% of the Term Loans of consenting Lenders included in determining whether the Required Lenders have consented to any action pursuant to Section 13.12; and

(g) each assignor and assignee party any relevant assignment under this Section 2.21 shall render customary "big boy" disclaimer letters or any such disclaimers shall be incorporated into the terms of the Assignment and Assumption.

Such fees shall be due and payable upon the date of the effectiveness of such Repricing Transaction.

4.02 Mandatory Reduction of Commitments.

(a) In addition to any other mandatory commitment reductions pursuant to this Section 4.02, the Total Initial Term Loan Commitment shall terminate in its entirety on the Closing Date after the funding of all Initial Term Loans on such date.

(b) In addition to any other mandatory commitment reductions pursuant to this Section 4.02, the Total Incremental Term Loan Commitment pursuant to an Incremental Term Loan Amendment (and the Incremental Term Loan Commitment of each Lender with such a Commitment) shall terminate in its entirety on the Incremental Term Loan Borrowing Date for such Total Incremental Term Loan Commitment after the funding of all relevant Incremental Term Loans on such date.

(c) Each reduction to the Total Initial Term Loan Commitment and the Total Incremental Term Loan Commitment under a given Tranche pursuant to this Section 4.02 as provided above (or pursuant to Section 5.02) shall be applied proportionately to reduce the Initial Term Loan Commitment or the Incremental Term Loan Commitment under such Tranche, as the case may be, of each Lender with such a Commitment.

Section 5. Prepayments; Payments; Taxes.

5.01 Voluntary Prepayments.

(a) Borrower shall have the right to prepay the Term Loans of any Tranche, without premium or penalty (other than as provided in Section 4.01(b)), in whole or in part at any time and from time to time on the following terms and conditions: (i) Borrower shall give the Administrative Agent at its Notice Office a Notice of Loan Prepayment (or telephonic notice promptly confirmed in writing) of its intent to prepay all of the Term Loans, or in the case of any partial prepayment, the Tranche of Term Loans to be prepaid, the amount of the Term Loans to be prepaid, the Types of Term Loans to be repaid, the manner in which such prepayment shall apply to reduce the Scheduled Repayments and, in the case of ~~LIBO Rate~~Term Benchmark Term Loans, the specific Borrowing or Borrowings pursuant to which made, which notice shall be given by Borrower (x) prior to 12:00 Noon (New York City time) at least one Business Day prior to the date of such prepayment in the case of Term Loans maintained as Base Rate Term Loans and (y) prior to 12:00 Noon (New York City time) at least three Business Days prior to the date of such prepayment in the case of ~~LIBO Rate~~ Term Benchmark Term Loans (or, in the case of clauses (x) and (y), such shorter period as the Administrative Agent shall agree in its sole and absolute discretion), and be promptly

Notwithstanding anything to the contrary contained in this Agreement, any such Notice of Loan Prepayment pursuant to this Section 5.01(a) may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including, but not limited to, the effectiveness of other credit facilities, the occurrence of a Change of Control or any similar event), in which case such notice may be revoked by Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(b) In the event (i) of a refusal by a Lender to consent to proposed changes, amendments, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b) or (ii) any Lender becomes a Defaulting Lender, Borrower may, upon three Business Days' prior written notice to the Administrative Agent at the Notice Office (or such shorter notice as may be agreed by the Administrative Agent) repay all Term Loans of such Lender, together with accrued and unpaid interest, Fees and other amounts owing to such Lender in accordance with, and subject to the requirements of, Section 13.12(b), so long as, in the case of any repayment pursuant to clause (i) hereof, the consents, if any, required under Section 13.12(b) in connection with the repayment pursuant to such clause (i) have been obtained. Each prepayment of any Term Loan pursuant to this Section 5.01(b) shall reduce the then remaining Scheduled Repayments of the applicable Tranche of Term Loans on a*pro rata* basis (based upon the then remaining unpaid principal amounts of Scheduled Repayments of the respective Tranche after giving effect to all prior reductions thereto).

5.02 Mandatory Repayments.

(a) In addition to any other mandatory repayments pursuant to this Section 5.02, on each date set forth below (each, a "Scheduled Repayment Date"), Borrower shall be required to repay to the Administrative Agent for the ratable account of the Lenders (i) on the last Business Day of each March, June, September and December, commencing with September 30, 2021, an aggregate principal amount of Initial Term Loans equal to $5,000,000 and (ii) on the Initial Maturity Date for Initial Term Loans, the aggregate principal amount of all Initial Term Loans that remain outstanding on such date (each such repayment described in clauses (i) and (ii), as the same may be reduced as provided in this Agreement, including in Section 2.19, 2.20, 5.01 or 5.02(g), or as a result of the application of prepayments or otherwise in connection with any Extension as provided in Section 2.14, a "Scheduled Repayment").

(b) In addition to any other mandatory repayments pursuant to this Section 5.02, Borrower shall be required to make, with respect to each new Tranche (i.e., other than Initial Term Loans, which are addressed in the preceding clause (a)) of Term Loans to the extent then outstanding, scheduled amortization payments of such Tranche of Term Loans to the extent, and on the dates and in the principal amounts, set forth in the Incremental Term Loan Amendment, Refinancing Term Loan Amendment or Extension Amendment applicable thereto.

(c) In addition to any other mandatory repayments pursuant to this Section 5.02, within 10 days following each date on or after the Closing Date upon which Borrower or any of its Restricted Subsidiaries receives any cash proceeds from any issuance or incurrence of Indebtedness (other than Indebtedness permitted to be incurred pursuant to Section 10.04 (other than Refinancing Term Loans and Refinancing Notes/Loans)), an amount equal to 100% of the Net Debt Proceeds therefrom shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h).

(d) In addition to any other mandatory repayments pursuant to this Section 5.02, within 10 days following each date on or after the Closing Date upon which Borrower or any of its Restricted Subsidiaries receives any Net Sale Proceeds from any Asset Sale (other than in respect of ABL Collateral), an amount equal to the Applicable Asset Sale/Recovery Event Prepayment Percentage of the Net Sale Proceeds therefrom shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h); *provided*, *however*, with respect to an aggregate amount of no more than the greater of $120,000,000 and 10% of Consolidated EBITDA of Borrower and its Restricted Subsidiaries for the most recently ended Test Period, of such Net Sale Proceeds received by Borrower and its Restricted Subsidiaries in any fiscal year of Borrower, such Net Sale Proceeds shall not be required to be so applied or used to make mandatory repayments of Term Loans and any required prepayment shall be only the amount in excess thereof. Notwithstanding the foregoing, Borrower or such Restricted Subsidiary may apply all or a portion of such Net Sale Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder to reinvest in the purchase of assets useful in the business of Borrower and its Restricted Subsidiaries within 12 months following the date of receipt of such Net Sale Proceeds (or, if within such 12-month period, Borrower or any of its Restricted Subsidiaries enters into a binding commitment to so reinvest such Net Sale Proceeds, within 180 days following such 12-month period during which Borrower so committed to such plan of reinvestment); *provided*, *further*, that if within 12 months (or, to the extent applicable, 18 months) after the date of receipt by Borrower or such Restricted Subsidiary of such Net Sale Proceeds, Borrower or such Restricted Subsidiary has not so used all or a portion of such Net Sale Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder, an amount equal to the remaining portion of such Net Sale Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h) on the last day of such 12-month (or, to the extent applicable, 18-month) period.

(e) In addition to any other mandatory repayments pursuant to this Section 5.02, on each Excess Cash Flow Payment Date, an amount (such amount the "Excess Cash Flow Payment Amount") equal to the remainder of (i) the Applicable ECF Prepayment Percentage of the Excess Cash Flow for the related Excess Cash Flow Payment Period *less* (ii) the aggregate amount of all Voluntary Pari Passu Debt Prepayments, *less* (iii) the aggregate amount of all Capital Expenditures made or accrued by Borrower and its Restricted Subsidiaries, *less* (iv) the aggregate amount of all cash payments made in respect of any Permitted Acquisitions and other Investments permitted pursuant to Section 10.05 (other than Investments in Cash Equivalents or in Borrower or a Person that, prior to and immediately following the making of such Investment, was and remains a Restricted Subsidiary), *less* (v) Dividends made in cash to the extent permitted by Sections 10.03(iii), (iv), (v), (vi), (vii), (viii), (ix), (x), (xiii), (xxiii) or (xv), *less* (vi) the portion of transaction costs and expenses related to items (ii) – (v) above (to the extent not deducted in determining Consolidated Net Income), *less* (vii) the aggregate amount of any premium, make-whole or penalty payments actually paid in cash that are required to be made in connection with any prepayment, buyback or redemption of Indebtedness pursuant to clause (ii) above, in each case of the foregoing clauses (ii) – (vii), made during the relevant Excess Cash Flow Payment Period or after such Excess Cash Flow Payment Period and prior to the time such Excess Cash Flow Payment Amount is due (or, at the election of Borrower, if committed to be made during the relevant Excess Cash Flow Payment Period or after such Excess Cash Flow Payment Period and prior to the time such Excess Cash Flow Payment Amount is due), to the extent not financed with the proceeds of long-term indebtedness (excluding ABL Revolving Loans and borrowings under any similar working capital facility permitted under Section 10.04 or any Qualified Securitization Transaction or Receivables Facility permitted under Section 10.04, shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h); *provided*, that no prepayment shall be required with respect to any Excess Cash Flow Payment Period to the extent Excess Cash Flow for such period is equal to or less than the greater of $30,000,000 and 2.5% of Consolidated EBITDA of Borrower and its Restricted Subsidiaries for the most recently ended Test Period, and, in such case, the required prepayment shall be only the amount in excess thereof.

(f) In addition to any other mandatory repayments pursuant to this Section 5.02, within 10 days following each date on or after the Closing Date upon which Borrower or any of its Restricted Subsidiaries receives any Net Insurance Proceeds from any Recovery Event (other than in respect of ABL Collateral), an amount equal to the Applicable Asset Sale/Recovery Event Prepayment Percentage of the Net Insurance Proceeds from such Recovery Event shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h); *provided*, *however*, with respect to an aggregate amount of no more than the greater of $120,000,000 and 10% of Consolidated EBITDA of Borrower and its Restricted Subsidiaries for the most recently ended Test Period, of such Net Insurance Proceeds received by Borrower and its Restricted Subsidiaries in any fiscal year of Borrower, such Net Insurance Proceeds shall not give rise to a mandatory repayment and any required prepayment shall be only the amount

in excess thereof. Notwithstanding the foregoing, Borrower or such Restricted Subsidiary may apply all or a portion of such Net Insurance Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder to reinvest in the purchase of assets useful in the business of Borrower and its Restricted Subsidiaries within 12 months following the date of receipt of such Net Insurance Proceeds (or, if within such 12-month period, Borrower or any of its Restricted Subsidiaries enters into a binding commitment to so reinvest such Net Insurance Proceeds, within 180 days following such 12-month period during which Borrower so committed to such plan of reinvestment); *provided*, *further*, that if within 12 months (or, to the extent applicable, 18 months) after the date of receipt by Borrower or such Restricted Subsidiary of such Net Insurance Proceeds, Borrower or such Restricted Subsidiary has not so used all or a portion of such Net Insurance Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder, an amount equal to the remaining portion of such Net Insurance Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h) on the last day of such 12-month (or, to the extent applicable, 18-month) period.

(g) Each amount required to be applied pursuant to Sections 5.02(d), (e) and (f) in accordance with this Section 5.02(g) shall be applied to repay the outstanding principal amount of Term Loans, with each Tranche of then outstanding Term Loans to be allocated its Term Loan Percentage of each amount so required to be applied; *provided* that to the extent any Secured Notes, any Permitted Pari Passu Notes, any Permitted Pari Passu Loans or Refinancing Notes/Loans (or, in each case, any Permitted Refinancing Indebtedness in respect of any of the foregoing that is secured on a *pari passu* basis with the Obligations) requires any mandatory prepayment or repurchase of *pari passu* Indebtedness from any Net Sale Proceeds or Net Insurance Proceeds that would otherwise be required to be applied to prepay Term Loans in accordance with clause (d) or (f) above, up to a *pro rata* portion (based on the aggregate principal amount of Term Loans and such *pari passu* secured Indebtedness then outstanding) of such Net Sale Proceeds or Net Insurance Proceeds that would otherwise be required to prepay Term Loans in accordance with clause (d) or (f) above may be applied to prepay or repurchase such *pari passu* secured Indebtedness in lieu of prepaying Term Loans as provided above. Prepayments pursuant to Section 5.02(c) shall be applied to the Tranche or Tranches of Term Loans selected by Borrower. Except as otherwise provided below, all repayments of outstanding Term Loans of a given Tranche pursuant to Sections 5.02(c), (d), (e) and (f) (and applied pursuant to this clause (g)) shall be applied to reduce the Scheduled Repayments of the applicable Tranche in direct order of maturity of such Scheduled Repayments.

(h) With respect to each repayment of Term Loans required by this Section 5.02, Borrower may (subject to the priority payment requirements of Section 5.02(g)) designate the Types of Term Loans of the applicable Tranche which are to be repaid and, in the case of ~~LIBO Rate~~**Term Benchmark** Term Loans, the specific Borrowing or Borrowings of the applicable Tranche pursuant to which such ~~LIBO Rate~~**Term Benchmark** Term Loans were made; *provided* that: (i) repayments of ~~LIBO Rate~~ Term **Benchmark Term** Loans pursuant to this Section 5.02 may only be made on the last day of an Interest Period applicable thereto unless all such ~~LIBO Rate~~**Term Benchmark** Term Loans of the applicable Tranche with Interest Periods ending on such date of required repayment and all Base Rate Term Loans of the applicable Tranche have been paid in full; and (ii) each repayment of any Term Loans made pursuant to a Borrowing shall be applied *pro rata* among such Term Loans. In the absence of a designation by Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its reasonable discretion.

(i) In addition to any other mandatory repayments pursuant to this Section 5.02, all then outstanding Term Loans of any Tranche of Term Loans shall be repaid in full on the Maturity Date for such Tranche of Term Loans.

(j) Notwithstanding any other provisions of this Section 5.02, (i) to the extent that any or all of the Net Sale Proceeds of any Asset Sale by a Foreign Subsidiary (a "Foreign Asset Sale"), the Net Insurance Proceeds of any Recovery Event incurred by a Foreign Subsidiary (a "Foreign Recovery Event") or Excess Cash Flow attributable to Foreign Subsidiaries are prohibited or delayed by applicable local law, rule or regulation or applicable organizational documents of such Foreign Subsidiary from being repatriated to the United States, an amount equal to the portion of such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 5.02 so long, but only so long, as the applicable local law, rule or regulation or applicable organizational documents of such Foreign Subsidiary will not permit repatriation to the United States (Borrower hereby agreeing to use all commercially reasonable efforts to overcome or eliminate any such

restrictions on repatriation and/or minimize any such costs of prepayment and/or use the other cash sources of Borrower and its Restricted Subsidiaries to make the relevant prepayment), and if within one year following the date on which the respective prepayment would otherwise have been required such repatriation of any of such affected Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow is permitted under the applicable local law, rule or regulation or applicable organizational documents of such Foreign Subsidiary, an amount equal to such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow will be promptly applied (net of additional taxes that would be payable or reserved against as a result of repatriating such amounts and additional costs relating to such repatriation) to the repayment of the Term Loans pursuant to this Section 5.02, (ii) to the extent that Borrower has reasonably determined in good faith that repatriation of any of or all the Net Sale Proceeds of any Foreign Asset Sale, Net Insurance Proceeds of any Foreign Recovery Event, or Excess Cash Flow attributable to Foreign Subsidiaries would have material adverse tax consequences, an amount equal to such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow so affected will not be required to be applied to prepay Term Loans at the times provided in this Section 5.02 and (iii) to the extent that the Net Sale Proceeds of an Asset Sale are attributable to a non-Wholly-Owned Subsidiary, the Net Insurance Proceeds of a Recovery Event are attributable to a non-Wholly-Owned Subsidiary or Excess Cash Flow is attributable to a non-Wholly-Owned Subsidiary, the amount of such Net Sale Proceeds, such Net Insurance Proceeds and such Excess Cash Flow used to calculate the required prepayment pursuant to this Section 5.02 shall not exceed the lesser of (x) an amount corresponding to the proportionate ownership interests in such non-Wholly-Owned Subsidiary or (y) an amount corresponding to the amount of distributions permitted to be made from such non-Wholly-Owned Subsidiary to its direct or indirect parent entity that is a Wholly-Owned Subsidiary for such purposes at the time such prepayment is required to be made.

(k) Borrower shall notify the Administrative Agent in writing of any mandatory repayment of Term Loans required to be made pursuant to Section 5.02(d), (e) or (f) at least three Business Days prior to the date of such repayment. Each such notice shall specify the date of such repayment and provide the amount of such repayment. The Administrative Agent will promptly notify the Lenders of the contents of Borrower's Notice of Loan Prepayment and of such Lender's *pro rata* share of any repayment. Each Lender may reject all or a portion of its*pro rata* share of any mandatory repayment (such declined amounts, the "Declined Proceeds") of Term Loans required to be made pursuant toSection 5.02(d), (e) or (f) by providing written notice (each, a "Rejection Notice") to the Administrative Agent and Borrower no later than 5:00 P.M. (New York City time) on the Business Day after the date of such Lender's receipt of notice from the Administrative Agent regarding such repayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Lender fails to deliver such Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory repayment of Term Loans to which such Lender is otherwise entitled. Any Declined Proceeds that would otherwise have been payable pursuant to Section 5.02(d) or (f), to the extent retained by Borrower following compliance with the provisions hereof, are referred to herein as "Specified Retained Declined Proceeds".

5.03 Method and Place of Payment. All payments under this Agreement and under any Note shall be made (i) to the Administrative Agent at its Notice Office for the account of the Lender or Lenders entitled thereto, or, except as otherwise specifically provided herein, directly to such Lender or Lenders, in each case, not later than 2:00 p.m. (New York City time) on the date when due (or, in connection with any prepayment of all outstanding Term Loans, such later time on the specified prepayment date as the Administrative Agent may agree), (ii) in Dollars in immediately available funds and (iii) free and clear of and without condition or deduction for any counterclaim, defense, recoupment or setoff. Any payment received after such time on such date referred to in the first sentence of this Section 5.03 shall, at the option of the Administrative Agent, be deemed to have been received on the next Business Day. Whenever any payment to be made hereunder or under any Note shall be stated to be due on a day which is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable at the applicable rate during such extension. Unless the Administrative Agent shall have received notice from Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that Borrower will not make such payment, the Administrative Agent may assume that Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if Borrower has not in fact made such payment, then each Lender severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative

Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

5.04 Net Payments.

(a) All payments made by or on account of any Credit Party under any Credit Document shall be made free and clear of, and without deduction or withholding for, any Taxes, except as required by applicable Requirements of Law. If any Taxes are required to be withheld or deducted in respect of any such payments, then the Credit Parties jointly and severally agree that (i) to the extent such deduction or withholding is on account of an Indemnified Tax or Other Tax, the sum payable by the applicable Credit Party shall be increased as necessary so that after all required deductions or withholdings (including deduction or withholdings applicable to additional sums payable under this Section 5.04) have been made by the applicable withholding agent, the applicable Lender (or, in the case of payments made to the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable withholding agent will make such deductions or withholdings, and (iii) the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Requirements of Law. In addition, the Credit Parties shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Requirements of Law. The Credit Parties will furnish to the Administrative Agent within 45 days after the date the payment by any of them of any Taxes is due pursuant to applicable Requirements of Law certified copies of tax receipts evidencing such payment by the applicable Credit Party, or other evidence of such payment reasonably satisfactory to the Administrative Agent. Without duplication of amounts compensated pursuant to the other provisions of this Section 5.04, the Credit Parties jointly and severally agree to indemnify and hold harmless the Administrative Agent and each Lender, and reimburse the Administrative Agent and each Lender, within 10 Business Days of written request therefor, for the amount of any Indemnified Taxes or Other Taxes (including any Indemnified Taxes or Other Taxes imposed on amounts payable under this Section 5.04) payable or paid by the Administrative Agent or such Lender or required to be withheld or deducted from a payment to the Administrative Agent or such Lender, and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered by a Lender or by the Administrative Agent on behalf of a Lender shall be conclusive absent manifest error.

(b) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to any payments made under any Credit Document shall deliver to Borrower and the Administrative Agent, at the time or times reasonably requested by Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by Borrower or the Administrative Agent, certifying as to any entitlement of such Lender to an exemption from, or a reduced rate of, withholding Tax. In addition, each Lender shall deliver to Borrower and the Administrative Agent, at the time or times reasonably requested by Borrower or the Administrative Agent, such other documentation prescribed by applicable Requirements of Law or reasonably requested by Borrower or the Administrative Agent as will enable Borrower or the Administrative Agent to determine whether such Lender is subject to backup withholding or information reporting requirements. Each Lender shall, whenever a lapse in time or change in circumstances renders any such documentation (including any specific documents required below in Section 5.04(c)) expired, obsolete or inaccurate in any respect, deliver promptly to Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by Borrower or the Administrative Agent) or promptly notify Borrower and the Administrative Agent in writing of its legal ineligibility to do so.

Solely for purposes of this Section 5.04(c)(z), "FATCA" shall include any amendment made to FATCA after the Closing Date.

On or prior to the date it becomes a party to this Agreement, the Administrative Agent shall deliver to Borrower either (i) two duly completed originals of IRS Form W-9, or (ii) if the Administrative Agent is not a U.S. Person (a) two duly completed originals of IRS Form W-8ECI with respect to payments to be received under the Credit Documents for its own account and (b) with respect to payments received on account of any Lender, two duly completed originals of IRS Form W-8IMY evidencing its agreement with Borrower to be treated as a U.S. Person for U.S. federal withholding Tax purposes and assuming primary responsibility for U.S. federal income Tax withholding. Notwithstanding any other provision of this Section 5.04, a Lender shall not be required to deliver any documentation that such Lender is not legally eligible to deliver.

(d) If the Administrative Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by the Credit Parties or with respect to which a Credit Party has paid additional amounts pursuant to Section 5.04(a), it shall pay to the relevant Credit Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by such Credit Party under Section 5.04(a) with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses, including any Taxes, of the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); *provided* that the relevant Credit Party, upon the request

of the Administrative Agent or such Lender, shall repay the amount paid over to such Credit Party (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 5.04(d), in no event will the Administrative Agent or any Lender be required to pay any amount to any Credit Party pursuant to this Section 5.04(d) to the extent such payment would place the Administrative Agent or such Lender in a less favorable position (on a net after-Tax basis) than such party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. Nothing in this Section 5.04(d) shall be construed to obligate the Administrative Agent or any Lender to disclose its Tax returns or any other information regarding its Tax affairs or computations to any Person or otherwise to arrange its Tax affairs in any manner other than as it determines in its sole discretion.

(e) The agreements in this Section 5.04 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Obligations.

All such security interests and Mortgages shall be granted pursuant to documentation consistent with any Security Documents entered into on the Closing Date and shall include such other documents as the Collateral Agent may reasonably request, including, but not limited to, title policies, surveys and opinions of counsel, and otherwise reasonably satisfactory in form and substance to the Collateral Agent and (subject to exceptions as are reasonably acceptable to the Collateral Agent) shall constitute, upon taking all necessary perfection action (which the Credit Parties agree to take pursuant to clause (e) below) valid and enforceable perfected security interests and Mortgages (except to the extent that the enforceability thereof may be limited by applicable Debtor Relief Laws and by equitable principles (regardless of

(c) Holdings and Borrower will, and will cause each of the other Credit Parties to, at the expense of Borrower, make, execute, endorse, acknowledge, file and/or deliver to the Collateral Agent, promptly, upon the reasonable request of the Administrative Agent or the Collateral Agent, at Borrower's expense, any document or instrument supplemental to or confirmatory of the Security Documents to the extent deemed by the Administrative Agent or the Collateral Agent reasonably necessary for the continued validity, perfection and priority (subject to the terms of the ABL Intercreditor Agreement, the Pari Passu Intercreditor Agreement, any Additional Junior Lien Intercreditor Agreement and any Additional Pari Passu Intercreditor Agreement) of the Liens on the Collateral covered thereby subject to no other Liens except for Permitted Liens or as otherwise permitted by the applicable Security Document.

(d) If the Administrative Agent or the Collateral Agent reasonably determines that it or the Lenders are required by law or regulation to have appraisals prepared in respect of any Mortgaged Property, Borrower will, at its own expense, provide to the Administrative Agent appraisals which satisfy the applicable requirements of the Real Estate Appraisal Reform Amendments of the Financial Institution Reform, Recovery and Enforcement Act of 1989, as amended.

(e) Borrower agrees that each action required by clauses (a) through (d) of thisSection 9.12 shall be completed in no event later than 90 days after such action is required to be taken pursuant to such clauses or requested to be taken by the Administrative Agent, the Collateral Agent or the Required Lenders (or such longer period as the Administrative Agent or Collateral Agent shall otherwise agree, including with respect to any Real Property acquired after the Closing Date that Borrower has notified the Collateral Agent that it intends to dispose of pursuant to a disposition permitted by Section 10.04), as the case may be; *provided* that, in no event will Borrower or any of its Restricted Subsidiaries be required to take any action to obtain consents from third parties with respect to its compliance with this Section 9.12; *provided*, *further*, that, Borrower shall give the Collateral Agent 45 days written notice prior to granting any Mortgage to the Collateral Agent for the benefit of the Secured Creditors as required

herein and shall not grant such Mortgage until (i) the Collateral Agent has provided written notice to Borrower of the completion of all required flood insurance due diligence and flood insurance compliance which notice states that the Collateral Agent is satisfied with the results thereof and (ii) the expiration of such 45 day period with no Lender having provided notice to Borrower that it has not completed any necessary flood insurance due diligence or flood insurance compliance or that it is not satisfied with the results of any such due diligence or compliance (and the date by which any Credit Party is required to deliver Mortgages hereunder shall automatically be extended to the extent necessary to comply with the foregoing). Each of the parties hereto acknowledges and agrees that the grant of any Mortgage on Mortgaged Property of the Credit Parties (or any increase, extension or renewal of any Loans or Commitments at a time when any Mortgaged Property is subject to a Mortgage) shall be subject to (and conditioned upon) the prior delivery to the Collateral Agent of "life-of-loan" Federal Emergency Management Agency standard flood hazard determinations with respect to each Mortgaged Property and, to the extent any improved Mortgaged Property is located in an area determined by the Federal Emergency Management Agency (or any successor agency) to be a special flood hazard area, (i) delivery by the Collateral Agent to Borrower of a notice of special flood hazard area status and flood disaster assistance and, if such notice is delivered to Borrower at least two (2) Business Days prior to such grant, increase, extension or renewal, a duly executed acknowledgment of receipt thereof by Borrower and (ii) evidence of flood insurance as required by Section 9.03 hereof. Notwithstanding anything in any Credit Document to the contrary, if the Collateral Agent or any Lender is not satisfied with the results of any flood insurance due diligence or flood insurance compliance or any of the deliveries referred to in the immediately preceding sentence, and determines it is in its best interest not to require a Mortgage on any Material Real Property, the Credit Parties shall not be required to grant a Mortgage on such Material Real Property in favor of such Person or otherwise comply with the provisions of the Credit Documents relating to Mortgages with respect to such Material Real Property.

9.13 Post-Closing Actions. Borrower agrees that it will, or will cause its relevant Subsidiaries to, complete each of the actions described on Schedule 9.13 as soon as commercially reasonable and by no later than the date set forth inSchedule 9.13 with respect to such action or such later date as the Administrative Agent may reasonably agree in its reasonable discretion.

9.14 Permitted Acquisitions.

(a) Subject to the provisions of this Section 9.14 and the requirements contained in the definition of "Permitted Acquisition," Borrower and its Restricted Subsidiaries may from time to time after the Closing Date effect Permitted Acquisitions, so long as (in each case except to the extent the Required Lenders otherwise specifically agree in writing in the case of a specific Permitted Acquisition), no Event of Default shall have occurred and be continuing at the time of the consummation of the proposed Permitted Acquisition or immediately after giving effect to such Permitted Acquisition on the date of consummation thereof.

(b) Borrower shall cause each Restricted Subsidiary (other than an Excluded Subsidiary) which is formed to effect, or is acquired pursuant to, a Permitted Acquisition (and each Credit Party that is the direct parent of such Restricted Subsidiary that was so formed or acquired) to comply with, and to execute and deliver all of the documentation as and to the extent (and within the relevant time periods) required by, Section 9.12, to the reasonable satisfaction of the Collateral Agent.

9.16 Designation of Subsidiaries. Borrower may at any time and from time to time after the Closing Date designate any Restricted Subsidiary of Borrower as an Unrestricted Subsidiary or any Unrestricted Subsidiary as a Restricted Subsidiary by written notice to the Administrative Agent; *provided* that (i) immediately before and after such designation, no Event of Default shall have occurred and be continuing, (ii) in the case of the designation of any Subsidiary as an Unrestricted Subsidiary, such designation shall constitute an Investment in such Unrestricted Subsidiary (calculated as an amount equal to the sum of (x) the fair market value of the Equity Interests of the designated Subsidiary and any of its Subsidiaries that are owned by Borrower or any Restricted Subsidiary, immediately prior to such designation (such fair market value to be calculated without regard to any Obligations of such designated Subsidiary or any of its Subsidiaries under the Guaranty Agreement) and (y) the aggregate principal

amount of any Indebtedness owed by such Subsidiary and any of its Subsidiaries to Borrower or any of its Restricted Subsidiaries immediately prior to such designation, all calculated, except as set forth in the parenthetical to clause (x) above, on a consolidated basis in accordance with U.S. GAAP), and such Investment shall be permitted under Section 10.05, (iii) no Subsidiary may be designated as an Unrestricted Subsidiary if it or any of its Subsidiaries is a "Restricted Subsidiary" for the purpose of (I) the ABL Credit Agreement, (II) the Secured Notes Indenture or (III) any Refinancing Note/Loan Documents, any Permitted Pari Passu Notes Document, any Permitted Pari Passu Loan Documents, any Permitted Junior Notes Document or other debt instrument, in each case of this clause (III), with a principal amount in excess of the Threshold Amount, (iv) following the designation of an Unrestricted Subsidiary as a Restricted Subsidiary, Borrower shall comply with the provisions of Section 9.12 with respect to such designated Restricted Subsidiary, (v) no Restricted Subsidiary may be a Subsidiary of an Unrestricted Subsidiary (and any Subsidiary of an Unrestricted Subsidiary that is acquired or formed after the date of designation shall automatically be designated as an Unrestricted Subsidiary), (vi) Borrower may not be designated an Unrestricted Subsidiary, (vii) no Unrestricted Subsidiary may hold Intellectual Property that is material to the operations of Borrower and its Subsidiaries taken as a whole and (viii) in the case of the designation of any Subsidiary as an Unrestricted Subsidiary, each of (a) the Subsidiary to be so designated and (b) its Subsidiaries has not, at the time of designation, and does not thereafter, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable with respect to any Indebtedness pursuant to which the lender has recourse to any of the assets of Borrower or any Restricted Subsidiary (other than Equity Interests in an Unrestricted Subsidiary and, in the case of a Securitization Entity, other than pursuant to Standard Securitization Undertakings and Limited Originator Recourse). The designation of any Unrestricted Subsidiary as a Restricted Subsidiary shall constitute (i) the incurrence at the time of designation of any Investment, Indebtedness or Liens of such Subsidiary and its Subsidiaries existing at such time and (ii) a return on any Investment by Borrower in Unrestricted Subsidiaries pursuant to the preceding sentence in an amount equal to the fair market value at the date of such designation of Borrower's Investment in such Subsidiary.

In this connection, JPMorgan, as "Collateral Agent" or "security trustee" and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 12.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Collateral Agent, shall be entitled to the benefits of all provisions of this Section 12 and Section 13 (including Section 13.01, as though such co-agents, sub-agents and attorneys-in-fact were the "collateral agent" or "security trustee" under the Credit Documents) as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Collateral Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Guaranteed Creditors with respect

thereto, as contemplated by and in accordance with the provisions of this Agreement and the Security Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

(c) Each of the Lenders (including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement or a Designated Treasury Services Agreement) hereby authorizes the Administrative Agent and/or the Collateral Agent to enter into the ABL Intercreditor Agreement, the Pari Passu Intercreditor Agreement, any Additional Junior Lien Intercreditor Agreement, any Additional Pari Passu Intercreditor Agreement and any other intercreditor agreement or arrangement or supplement thereto permitted under this Agreement without any further consent by any Lender and any such intercreditor agreement shall be binding upon the Lenders.

12.02 Delegation of Duties. Each of the Administrative Agent and the Collateral Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Credit Document by or through any one or more sub-agents appointed by the Administrative Agent and/or the Collateral Agent. The Administrative Agent, the Collateral Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section 12 shall apply to any such sub-agent and to the Related Parties of the Administrative Agent or the Collateral Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent and as Collateral Agent, as applicable. The Administrative Agent or Collateral Agent shall not be responsible for the negligence or misconduct of any sub-agents, except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence, bad faith or willful misconduct in the selection of such sub-agents.

12.03 Exculpatory Provisions. The Administrative Agent and the Collateral Agent shall not have any duties or obligations except those expressly set forth herein and in the other Credit Documents and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Administrative Agent and the Collateral Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Administrative Agent and/or the Collateral Agent are required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents); *provided* that each of the Administrative Agent and the Collateral Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent or the Collateral Agent, as applicable, to liability or that is contrary to any Credit Document or applicable law;

(c) shall not, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to Borrower or any of their Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent and/or the Collateral Agent or any of their respective Affiliates in any capacity;

(d) shall not be liable to any Lender for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent and/or the Collateral Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 11 and 13.12) or (ii) in the absence of its own gross negligence, bad faith or willful misconduct, as determined by a court of competent jurisdiction and by a final and nonappealable judgment. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent and the Collateral Agent by Borrower or a Lender; and

(e) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Credit Document, (ii)

the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Credit Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Section 6 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent and/or the Collateral Agent.

12.04 Reliance by Administrative Agent and Collateral Agent. Each of the Administrative Agent and the Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each of the Administrative Agent and the Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Term Loan, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Term Loan. The Administrative Agent may consult with legal counsel (who may be counsel for Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel (excluding counsel for Borrower), accountants or experts.

12.05 No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the Lead Arrangers or any of their respective Affiliates shall have any powers, duties or responsibilities under this Agreement or any of the other Credit Documents, except in its capacity, as applicable, as the Administrative Agent, the Collateral Agent or a Lender hereunder.

12.06 Non-reliance on Administrative Agent, Collateral Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent, the Collateral Agent, any arranger of this credit facility or any amendment thereto or any other Lender or any of their respective Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Collateral Agent, any arranger of this credit facility or any amendment thereto or any other Lender or any of their respective Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Credit Document or any related agreement or any document furnished hereunder or thereunder. Each Lender represents and warrants that (i) the Credit Documents set forth the terms of a commercial lending facility, (ii) it is engaged in making, acquiring or holding commercial loans and in providing other facilities set forth herein as may be applicable to such Lender, in each case in the ordinary course of business, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument (and each Lender agrees not to assert a claim in contravention of the foregoing) and (ii) it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities.

12.07 Indemnification by the Lenders. To the extent that Borrower for any reason fails to pay any amount required under Section 13.01(a) to be paid by them to the Administrative Agent or Collateral Agent (or any sub-agent of either of them), or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent or Collateral Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender's *pro rata* share (based on the amount of then outstanding Term Loans held by each Lender or, if the Term Loans have been repaid in full, based on the amount of outstanding Term Loans held by each Lender immediately prior to such repayment in full) of (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) such unpaid amount; *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or

Collateral Agent (or any such sub-agent) in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent or Collateral Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this Section 12.07 are subject to the provisions of Section 5.04.

12.08 Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

12.09 Administrative Agent May File Proofs of Claim; Credit Bidding In case of the pendency of any case or proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Credit Party, the Administrative Agent (irrespective of whether the principal of any Term Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Term Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 4.01 and 13.01) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator, debtor, debtor-in-possession, or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 4.01 and 13.01.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition or similar dispositive restructuring plan affecting the Obligations or the rights of any Lender to authorize the Administrative Agent to vote in respect of the claim of any Lender or in any such case or proceeding.

The Secured Creditors hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to (subject to the ABL Intercreditor Agreement, the Pari Passu Intercreditor Agreement, any Additional Junior Lien Intercreditor Agreement, any Additional Pari Passu Intercreditor Agreement and any other intercreditor agreement or arrangement or supplement thereto permitted under this Agreement) credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any comparable provisions of any other applicable Debtor Relief Laws or any similar laws in any other jurisdictions to which a Credit Party is subject or (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Creditors shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that

would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (*provided* that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (a)(i) through (a)(v) of Section 13.12 of this Agreement), and (iii) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders *pro rata* and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Creditor or any acquisition vehicle to take any further action.

12.10 Resignation of the Agents. Each of the Administrative Agent and the Collateral Agent may resign as the Administrative Agent or Collateral Agent, as applicable, upon 30 days' written notice to the Lenders and Borrower; provided that, if at the time of such resignation, there is a successor Administrative Agent or Collateral Agent, as applicable, satisfactory to each of the resigning Agent, the incoming Agent and Borrower, each, in its sole discretion, then the resigning Agent, the incoming Agent and Borrower may agree to waive or shorten the 30 day notice period. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with Borrower's consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders (and consented to by Borrower, to the extent so required) and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent or Collateral Agent may, with Borrower's consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), on behalf of the Lenders, appoint a successor Administrative Agent or successor Collateral Agent, as applicable, in each case meeting the qualifications set forth above; *provided* that if the Administrative Agent or the Collateral Agent shall notify Borrower and the Lenders that no qualifying Person has accepted such appointment within such period, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Administrative Agent or retiring Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders under any of the Credit Documents, the retiring Collateral Agent shall continue to hold such collateral security solely for purposes of maintaining the Secured Creditors' security interest thereon until such time as a successor Collateral Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders (with the consent of Borrower, to the extent so required) appoint a successor Administrative Agent as provided for above in this Section 12.10. Upon the acceptance of a successor's appointment as Administrative Agent or as Collateral Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent or Collateral Agent, as applicable, and the retiring Administrative Agent or retiring Collateral Agent, as applicable, shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this Section). After the retiring Administrative Agent's or retiring Collateral Agent's resignation hereunder and under the other Credit Documents, the provisions of this Section 12 and Section 13.01 shall continue in effect for the benefit of such retiring Administrative Agent or Collateral Agent, as applicable, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

12.11 Collateral Matters and Guaranty Matters. Each of the Lenders (including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement) irrevocably authorizes the Administrative Agent or Collateral Agent, as applicable,

(i) to release, and to evidence the automatic release of, any Lien on any property granted to or held by the Collateral Agent under any Credit Document (A) upon termination of the Commitments and payment in full of all Obligations (other than (x) contingent indemnification obligations and (y) obligations and liabilities under Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements), (B) that is sold or disposed of or to be sold or disposed of as part of or in connection with any sale or other disposition permitted hereunder or under any other Credit Document to a Person that is not a Credit Party, (C) that constitutes Excluded Collateral, (D) if the property subject to such Lien is owned by a Subsidiary Guarantor, subject to Section 13.12, upon release of such Subsidiary Guarantor from its obligations under the Guaranty Agreement pursuant to clause (ii) below or (E) if approved, authorized or ratified in writing in accordance with Section 13.12;

(ii) to release any Subsidiary Guarantor from its obligations under the Guaranty Agreement if such Person ceases to be a Restricted Subsidiary or becomes an Excluded Subsidiary as a result of a transaction permitted hereunder; *provided* that in the case of any such Subsidiary Guarantor that becomes an Excluded Subsidiary solely as a result of becoming a non-Wholly Owned Subsidiary, such Subsidiary Guarantor shall only be released from its obligations under this Agreement or the Guaranty Agreement, as applicable, pursuant to this clause (ii) if such Restricted Subsidiary became a non-Wholly Owned Subsidiary pursuant to a transaction where such Subsidiary becomes a bona fide joint venture where the other Person taking an equity interest in such Subsidiary is not an Affiliate of Holdings (other than as a result of such joint venture); and

(iii) to release or subordinate any Lien on any property granted to or held by the Collateral Agent under any Credit Document to the holder of any Lien on such property that is permitted by Sections 10.01(iv)(x) (solely with respect to subordination (and not release) of Liens granted to or held by the Collateral Agent on any ABL Collateral), (iv)(y), (vi), (vii) or (xiv) or any other Lien that is expressly permitted by Section 10.01 to be senior to the Lien securing the Obligations or to release, and to execute and/or deliver documents to evidence the release or non-existence of, any Lien securing the Obligations upon any Excluded Collateral; and

(iv) to enter into the Pari Passu Intercreditor Agreement or any Additional Pari Passu Intercreditor Agreement and provide that any Lien on any property granted to or held by the Collateral Agent under any Credit Document is equal to and has the same priority as the Lien of any holder of such other Lien on such property that is permitted by Sections 10.01(iv)(z) or (xxx) (solely as it relates to Indebtedness incurred pursuant to Section 10.04(xxvii)), each Permitted Pari Passu Note Document, each Permitted Pari Passu Loan Document, and each Refinancing Note/Loan Document (to the extent such Refinancing Notes/Loans constitute Permitted Pari Passu Notes or Permitted Pari Passu Loans).

Upon request by the Administrative Agent or Collateral Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's and Collateral Agent's authority to release or subordinate its interest in particular types or items of property, to provide that its interests in particular types or items of property are equal to the interests of any other Person or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 12.11. In each case as specified in this Section 12.11, the Administrative Agent and Collateral Agent will (and each Lender irrevocably authorizes the Administrative Agent and Collateral Agent to), at Borrower's expense, execute and deliver to the applicable Credit Party such documents, including (without limitation) termination or partial release statements, as such Credit Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents, to subordinate its interest in such item or to provide its interests are equal to the interests of any other Person, or to release such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Credit Documents and this Section 12.11.

The Administrative Agent and Collateral Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's and Collateral Agent's Lien thereon, or any certificate prepared by any Credit Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

Without limitation of the operation of the releases described above or in any Security Document, a certificate of a Responsible Officer delivered either at the request of the Administrative Agent or Collateral Agent or at the option

of Borrower, in either case, to the Administrative Agent or Collateral with respect to any release described in this Section 12.11 stating that Borrower has determined in good faith that such release satisfies the foregoing requirements shall be conclusive evidence that such release satisfies the foregoing requirement and such automatic release has occurred (and the Administrative Agent and the Collateral Agent will rely conclusively on such certificate without further inquiry), and the Administrative Agent and the Collateral Agent shall promptly execute and deliver all documentation evidencing such release and requested by Borrower.

12.12 Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements No Guaranteed Creditor that is a counterparty to a Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement, in its capacity as such, that obtains the benefits of any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as an Agent or a Lender and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Section 12.12 to the contrary, the Administrative Agent and Collateral Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Guaranteed Creditor. Each Guaranteed Creditor that is a counterparty to a Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement, in its capacity as such, agrees to be bound by this Section 12 to the same extent as a Lender hereunder.

12.13 Withholding Taxes. To the extent required by any applicable Requirements of Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other relevant Governmental Authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of, withholding Tax ineffective), such Lender shall, within 10 days after written demand therefor, indemnify and hold harmless the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by any Credit Party pursuant to Section 5.04 and without limiting or expanding the obligation of any Credit Party to do so) for all amounts paid, directly or indirectly, by the Administrative Agent as Taxes or otherwise, together with all expenses incurred, including legal expenses and any other out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply all amounts at any time owing to such Lender under this Agreement, any other Credit Document or from any other sources against any amount due the Administrative Agent under this Section 12.13. The agreements in this Section 12.13 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Obligations.

12.14 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent , and each Lead Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of Borrower or any other Credit Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of the Plan Asset Regulations) of one or more Benefit Plans in connection with the Loans or the Commitments;

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1

(a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement;

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement; or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such Lender has provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and each Lead Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of Borrower or any other Credit Party, that none of the Administrative Agent, or any Lead Arranger or any of their respective Affiliates is a fiduciary with respect to the Collateral or the assets of such Lender (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Credit Document or any documents related hereto or thereto).

(c) The Administrative Agent, and each Lead Arranger hereby informs the Lenders that each such Person is not undertaking to provide investment advice or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Commitments, this Agreement and any other Credit Documents (ii) may recognize a gain if it extended the Loans, or the Commitments for an amount less than the amount being paid for an interest in the Loans or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Credit Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

12.15 Acknowledgments of Lenders. (a) Each Lender hereby agrees that (x) if the Administrative Agent notifies such Lender that the Administrative Agent has determined in its sole discretion that any funds received by such Lender from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "Payment") were erroneously transmitted to such Lender (whether or not known to such Lender), and demands the return of such Payment (or a portion thereof), such Lender shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on "discharge for value" or any similar

doctrine. A notice of the Administrative Agent to any Lender under this Section 12.15 shall be conclusive, absent manifest error.

(b) Each Lender hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a "Payment Notice") or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(c) The Borrower and each other Credit Party hereby agrees that (x) in the event an erroneous Payment (or portion thereof) are not recovered from any Lender that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Lender with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Credit Party, except, in each case of this clause (y), to the extent such erroneous Payment is, and solely with respect to the amount of such erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower or any other Credit Party for the purpose of making such erroneous Payment.

(d) Each party's obligations under this Section 12.15 shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Credit Document.

Section 13. Miscellaneous.

13.01 Payment of Expenses, etc.

To the extent that the undertaking to indemnify, pay or hold harmless any Agent or any Lender or other Indemnified Person set forth in the preceding sentence may be unenforceable because it violates any law or public policy, the Credit Parties shall make the maximum contribution to the payment and satisfaction of each of the indemnified liabilities which is permissible under applicable law.

(b) No Agent or any Indemnified Person shall be responsible or liable to any Credit Party or any other Person for any determination made by it pursuant to this Agreement or any other Credit Document in the absence of gross negligence, bad faith or willful misconduct on the part of such Indemnified Person (in each case, as determined by a court of competent jurisdiction in a final and non-appealable judgment).

13.02 Right of Setoff. In addition to any rights now or hereafter granted under applicable law or otherwise, and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, the Administrative Agent, the Collateral Agent, each Lender and each Guaranteed Creditor is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to any Credit Party or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special) (other than accounts used exclusively for payroll, payroll taxes, fiduciary and trust purposes, and employee benefits) and any other Indebtedness at any time held or owing by the Administrative Agent, the Collateral Agent, such Lender or such Guaranteed Creditor (including, without limitation, by branches and agencies of the Administrative Agent, the Collateral Agent, such Lender or such Guaranteed Creditor wherever located) to or for the credit or the account of Borrower or any of its Subsidiaries against and on account of the Obligations and liabilities of the Credit Parties to the Administrative Agent, the Collateral Agent, such Lender or such Guaranteed Creditor under this Agreement or under any of the other Credit Documents, including, without limitation, all interests in Obligations purchased by such Lender or such Guaranteed Creditor pursuant to Section 13.06(b), and all other claims of any nature or description arising out of or connected with this Agreement or any other Credit Document, irrespective of whether or not the Administrative Agent, the Collateral Agent, such Lender or such Guaranteed Creditor shall have made any demand hereunder and although said Obligations, liabilities or claims, or any of them, shall be contingent or unmatured. (ii) if to any Lender, at its address specified in its Administrative Questionnaire (including, as appropriate, notices delivered solely to the Person designated by a Lender on its Administrative Questionnaire then in effect for the delivery of notices that may contain material non-public information relating to Borrower) or at such other address as shall be designated by such Lender in a written notice to Borrower and the Administrative Agent.

All such notices and communications shall, when mailed or overnight courier, be effective when deposited in the mail, or overnight courier, as the case may be, or sent by facsimile or other electronic means of transmission, except that notices and communications to the Administrative Agent, Collateral Agent and Borrower shall not be effective until received by the Administrative Agent, Collateral Agent or Borrower, as the case may be.

(d) THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF ANY BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM ANY BORROWER MATERIALS. In no event shall each of the Administrative Agent and the Collateral Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to Holdings, Borrower, the Subsidiary Guarantors, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of a Borrower's, any Credit Party's or the Administrative Agent's transmission of Borrower Materials or notices through the Platform, any other electronic messaging service, or through the Internet, in the absence of gross negligence, bad faith or willful misconduct of any Agent Party, as determined by a court of competent jurisdiction and by a final and nonappealable judgment.

13.04 Benefit of Agreement; Assignments; Participations, etc.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted, except that (i) Borrower may not assign or otherwise transfer any of their rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender (and any attempted assignment or transfer by Borrower without such consent shall be null and void), except as contemplated by Section 10.02(vi) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 13.04. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with thisSection 13.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) below. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Eligible Transferees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and Term Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld, conditioned or delayed) of:

(A) Borrower; *provided* that, Borrower shall be deemed to have consented to an assignment of Term Loans or Term Loan Commitments unless it shall have objected thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice thereof; *provided* that no consent of Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if an Event of Default has occurred and is continuing under Section 11.01 or 11.05, any other Eligible Transferee; and

(B) the Administrative Agent; *provided* that no consent of the Administrative Agent shall be required for an assignment to a Lender, an Affiliate of a Lender or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Commitment or Term Loans of any Tranche, the amount of the Commitment or Term Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than $1,000,000 unless each of Borrower and the Administrative Agent otherwise consent; *provided*, that such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds (with simultaneous assignments to or by two or more related Lenders shall be

treated as one assignment); *provided*, *further* that no such consent of Borrower shall be required if an Event of Default has occurred and is continuing under Section 11.01 or 11.05;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; *provided* that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Tranche of Commitments or Term Loans;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent (x) an Assignment and Assumption or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants, together with the payment by the assignee of a processing and recordation fee of $3,500 (it being understood that such recordation fee shall not apply to any assignments by the Lenders or any of their affiliates pursuant to the primary syndication of the Loans under this Agreement); and

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Credit Parties and their related parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws.

(iii) Subject to acceptance and recording thereof pursuant to clause (b)(iv) below, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.10, 5.04 and 13.01). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 13.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) below.

(iv) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and related interest amounts) of the Term Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by Borrower and, as to its own positions only, any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of (x) a duly completed Assignment and Assumption executed by an assigning Lender and an assignee or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in clause (b)(ii)(C) above and any written consent to such assignment required by clause (b)(ii) above, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; *provided* that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to this Agreement, the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this clause (v).

(c) Any Lender may, without the consent of Borrower or the Administrative Agent, sell participations to one or more Eligible Transferees (a "Participant"), in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Term Loans owing to it); *provided* that (A) such Lender's obligations under this Agreement shall remain unchanged; (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; and (C) Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that requires the consent of each Lender or each adversely affected Lender and that directly affects such Participant. Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.10 and 5.04 (subject to the requirements and limitations therein (it being understood that the documentation required under Sections 5.04(b) and (c) shall be delivered solely to the participating Lender; *provided*, for the avoidance of doubt, that if the participating Lender is not a U.S. Person, such Lender shall include a copy of such documentation as an exhibit to its IRS Form W-8IMY in accordance with Section 5.04(c)(x)(iv))) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 13.04(b); *provided* that such Participant (A) shall be subject to the provisions of Section 2.12 as if it were an assignee under Section 13.04(b); and (B) shall not be entitled to receive any greater payment under Section 2.10 or 5.04, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at Borrower's request and expense, to use reasonable efforts to cooperate with Borrower to effectuate the provisions of Section 2.13 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender;*provided* that such Participant shall be subject to Section 2.12 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and related interest amounts) of each Participant's interest in the Loans or other obligations under the Credit Documents (the "Participant Register"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments or Term Loan or its other obligations under any Credit Document) to any Person except to the extent such disclosure is necessary to establish that such Commitment, Term Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Holdings, Borrower and its Restricted Subsidiaries shall also be entitled to purchase (from Lenders) outstanding principal of Term Loans in accordance with the provisions of Sections 2.19 and 2.20, which purchases shall be evidenced by assignments (in form reasonably satisfactory to the Administrative Agent) from the applicable Lender to Borrower. Each assignor and assignee party to the relevant repurchases under Sections 2.19 and 2.20 shall render customary "big boy" disclaimer letters or any such disclaimers shall be incorporated into the terms of the Assignment and Assumption. No such transfer or assignment shall be effective until recorded by the Administrative Agent (which the Administrative Agent agrees to promptly record) on the Register pursuant to clause (b) above. All Term Loans purchased pursuant to Sections 2.19 and 2.20 shall be immediately and automatically cancelled and retired, and Borrower shall in no event become a Lender hereunder. To the extent of any assignment to a Borrower as described in this clause (d), the assigning Lender shall be relieved of its obligations hereunder with respect to the assigned Term Loans.

(e) Nothing in this Agreement shall prevent or prohibit any Lender from pledging its Term Loans and Notes hereunder to a Federal Reserve Bank or central banking authority in support of borrowings made by such Lender from such Federal Reserve Bank or central banking authority and, with prior notification to the Administrative Agent (but without the consent of the Administrative Agent or Borrower), any Lender which is a fund may pledge all or any portion of its Term Loans and Notes to its trustee or to a collateral agent providing credit or credit support to such Lender in support of its obligations to such trustee, such collateral agent or a holder of such obligations, as the case may be. No pledge pursuant to this clause (e) shall release the transferor Lender from any of its obligations hereunder.

(f) Each Lender acknowledges and agrees to comply with the provisions of this Section 13.04 applicable to it as a Lender hereunder.

(g) Each Sponsor Affiliate, solely in its capacity as a Lender, hereby agrees, and each Assignment and Assumption entered into by a Sponsor Affiliate shall provide a confirmation, that, if any Credit Party shall be subject to any voluntary or involuntary case or proceeding commenced under any Debtor Relief Law now or hereafter in effect ("Bankruptcy Proceedings"), (i) such Sponsor Affiliate shall not take any step or action in such Bankruptcy Proceeding to object to, impede, or delay the exercise of any right or the taking of any action by the Administrative Agent (or the taking of any action by a third party that is supported by the Administrative Agent) in relation to such Sponsor Affiliate's claim with respect to its Term Loans (a "Claim") (including, without limitation, objecting to any debtor in possession financing, use of cash collateral, grant of adequate protection, sale or disposition, compromise, or plan of reorganization or similar dispositive restructuring plan) so long as such Sponsor Affiliate is treated in connection with such exercise or action on the same or better terms in all material respects as the other Lenders and (ii) with respect to any matter requiring the vote of Lenders during the pendency of a Bankruptcy Proceeding (including, without limitation, voting on any plan of reorganization or similar dispositive restructuring plan), the Term Loans held by such Sponsor Affiliate (and any Claim with respect thereto) shall be deemed to be voted by such Sponsor Affiliate in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Sponsor Affiliates, so long as such Sponsor Affiliate is treated in connection with the exercise of such right or taking of such action on the same or better terms in all material respects as the other Lenders; *provided*, *however*, that the Administrative Agent shall vote on behalf of any such Sponsor Affiliates holding Term Loans in accordance with this Section 13.04(g) and the relevant Assignment and Assumption. For the avoidance of doubt, the Lenders and each Sponsor Affiliate agree and acknowledge that the provisions set forth in this Section 13.04(g) constitute a "subordination agreement" as such term is contemplated by, and utilized in, Section 510(a) of the Bankruptcy Code (or any similar provision of any other applicable Debtor Relief Law), and, as such, would be enforceable for all purposes in any case or proceeding where a Credit Party has filed for protection under any Debtor Relief Law or similar law now or hereafter in effect applicable to Credit Party. Except as expressly provided in this Section 13.04(g), the provisions of this Section 13.04(g) shall not be applicable to any Debt Fund Affiliate.

(h) If Borrower wishes to replace the Term Loans or Commitments with Term Loans or Commitments having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice to the Lenders of such Term Loans or holding such Commitments, instead of prepaying the Term Loans or reducing or terminating the Commitments to be replaced, to (i) require such Lenders to assign such Term Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 13.12 (with such replacement, if applicable, being deemed to have been made pursuant to Section 13.12). Pursuant to any such assignment, all Term Loans and Commitments to be replaced shall be purchased at par (allocated among the applicable Lenders in the same manner as would be required if such Term Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by Borrower), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 2.08. By receiving such purchase price, the applicable Lenders shall automatically be deemed to have assigned such Term Loans or Commitments pursuant to the terms of an Assignment and Assumption, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(i) The Administrative Agent shall have the right, and Borrower hereby expressly authorizes the Administrative Agent to provide to any requesting Lender, the list of Disqualified Lenders provided to the Administrative Agent by Borrower and any updates thereto. Borrower hereby agrees that any such requesting Lender may share the list of Disqualified Lenders with any potential assignee, transferee or participant. Notwithstanding the foregoing, each Credit Party and the Lenders acknowledge and agree that the Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to Disqualified Lenders or Net Short Lenders (other than with respect to assignments or participations by it of its Loans and Commitments, if any). Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Lender or Net Short Lender, (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender (other than with respect to assignments or participations by it of its Loans and Commitments,

if any) or (z) have any liability with respect to or arising out of the voting in any amendment or waiver to any Credit Document by any Net Short Lender.

(j) Disqualified Lenders. Notwithstanding anything to the contrary contained in this Agreement, any assignment to a Disqualified Lender shall not be void, but shall be subject to the following provisions:

(i) If any assignment is made to any Disqualified Lender without Borrower's prior written consent, or if any Person becomes a Disqualified Lender after the Closing Date, Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Lender and the Administrative Agent, cancel any unfunded Commitment the subject thereof and (A) in the case of outstanding Term Loans held by Disqualified Lenders, prepay such Term Loan by paying the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such Term Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder (it being understood that, notwithstanding anything in the Credit Documents to the contrary, any such prepayment shall not be subject to any provisions requiring prepayments of the Term Loans on a pro rata basis and no other Term Loans shall be required to be repaid as a result of such prepayment) and/or (B) require such Disqualified Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in this Section 13.04), all of its interest, rights and obligations under this Agreement and related Credit Documents to an Eligible Transferee that shall assume such obligations at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder; *provided* that (i) Borrower shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 13.04(b) (unless waived by the Administrative Agent) and (ii) in the case of clause (A), Borrower shall not use the proceeds from any Loans or loans under the ABL Credit Agreement to prepay any Term Loans held by Disqualified Lenders.

(ii) Notwithstanding anything to the contrary contained in this Agreement, Disqualified Lenders (A) will not (x) have the right to receive information, reports or other materials provided to Lenders by Borrower, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B) (x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Credit Document, each Disqualified Lender will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Lender consented to such matter, and (y) for purposes of voting on any proposed plan of reorganization, plan of liquidation, or any other similar dispositive restructuring plan pursuant to any Debtor Relief Laws ("Plan of Reorganization"), each Disqualified Lender party hereto hereby agrees (1) not to vote on such Plan of Reorganization, (2) if such Disqualified Lender does vote on such Plan of Reorganization notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be "designated" pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Plan of Reorganization in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (3) not to contest any request by any party for a determination by the bankruptcy court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

13.05 No Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent, the Collateral Agent or any Lender in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between Borrower or any other Credit Party and the Administrative Agent, the Collateral Agent or any Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which the Administrative Agent, the Collateral Agent or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or

other circumstances or constitute a waiver of the rights of the Administrative Agent, the Collateral Agent or any Lender to any other or further action in any circumstances without notice or demand.

13.06 Payments Pro Rata.

(a) The Administrative Agent agrees that promptly after its receipt of each payment from or on behalf of any Credit Party in respect of any Obligations of such Credit Party, it shall, except as otherwise provided in this Agreement, distribute such payment to the Lenders (other than any Lender that has consented in writing to waive its *pro rata* share of such payment) *pro rata* based upon their respective shares, if any, of the Obligations with respect to which such payment was received.

(b) Each of the Lenders agrees that, if it should receive any amount hereunder (whether by voluntary payment, by realization upon security, by the exercise of the right of setoff or banker's lien, by counterclaim or cross action, by the enforcement of any right under the Credit Documents, or otherwise) which is applicable to the payment of the principal of, or interest on, the Term Loans or Fees, of a sum which with respect to the related sum or sums received by other Lenders is in a greater proportion than the total of such Obligation then owed and due to such Lender bears to the total of such Obligation then owed and due to all of the Lenders immediately prior to such receipt, then such Lender receiving such excess payment shall purchase for cash without recourse or warranty from the other Lenders an interest in the Obligations of the respective Credit Party to such Lenders in such amount as shall result in a proportional participation by all of the Lenders in such amount; *provided* that if all or any portion of such excess amount is thereafter recovered from such Lender, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

(c) Notwithstanding anything to the contrary contained herein, the provisions of the precedingSections 13.06(a) and (b) shall be subject to (x) the express provisions of this Agreement which require, or permit, differing payments to be made to Non-Defaulting Lenders as opposed to Defaulting Lenders, (y) the express provisions of this Agreement which permit disproportionate payments with respect to various of the Tranches as, and to the extent, provided herein, and (z) any other provisions which permit disproportionate payments with respect to the Term Loans as, and to the extent, provided therein.

13.07 Calculations; Computations.

(a) The financial statements to be furnished to the Lenders pursuant hereto shall be made and prepared in accordance with U.S. GAAP consistently applied throughout the periods involved (except as set forth in the notes thereto); *provided* that to the extent expressly provided herein, certain calculations shall be made on a Pro Forma Basis; *provided*, *further*, that if Borrower notifies the Administrative Agent that Borrower wishes to amend any leverage calculation or any financial definition used therein to implement the effect of any change in U.S. GAAP or the application thereof occurring after the Closing Date on the operation thereof (or if the Administrative Agent notifies Borrower that the Required Lenders wish to amend any leverage test or any financial definition used therein for such purpose), then Borrower and the Administrative Agent shall negotiate in good faith to amend such leverage test or the definitions used therein (subject to the approval of the Required Lenders) to preserve the original intent thereof in light of such changes in U.S. GAAP; *provided*, *further*, that all determinations made pursuant to any applicable leverage test or any financial definition used therein shall be determined on the basis of U.S. GAAP as applied and in effect immediately before the relevant change in U.S. GAAP or the application thereof became effective, until such leverage test or such financial definition is amended. Notwithstanding any other provision contained herein, (i) all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to Statement of Financial Accounting Standards 141R or ASC 805 (or any other financial accounting standard having a similar result or effect) and (ii) the accounting for any lease shall be based on U.S. GAAP as in effect on December 15, 2018 and without giving effect to any subsequent changes in U.S. GAAP (or the required implementation of any previously promulgated changes in U.S. GAAP) relating to the treatment of a lease as an operating lease or capitalized lease.

(b) Notwithstanding anything to the contrary contained in this Agreement, Borrower (or any Parent Company) may elect to switch from maintaining its accounting records from U.S. GAAP to IFRS by written notice to the Administrative Agent, and thereafter may provide all required financial information in accordance with IFRS. In the event that Borrower (or any Parent Company) elects to prepare its financial statements in accordance with IFRS

and such election results in a change in the method of calculation of financial covenants, standards or terms (collectively, the "Accounting Changes") in this Agreement, Borrower and the Administrative Agent agree to enter into good faith negotiations in order to amend such provisions of this Agreement so as to reflect equitably the Accounting Changes (or if the Administrative Agent notifies Borrower that the Required Lenders request an amendment to any provision hereof for such purpose), then Borrower and the Administrative Agent shall negotiate in good faith to enter into an amendment of the relevant affected provisions (without the payment of any amendment or similar fee to the Lenders), with the desired result that the criteria for evaluating Borrower's (or any Parent Company's) financial condition shall be substantially the same after such change as if such change had not been made. Until such time as such an amendment shall have been executed and delivered by Borrower and the Administrative Agent, all financial covenants, standards and terms in this Agreement shall continue to be calculated or construed in accordance with U.S. GAAP (as determined in good faith by a Responsible Officer of Borrower or such Parent Company, as applicable) as if such change had not occurred.

(c) The calculation of any financial ratios under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-down if there is no nearest number).

(b) If, in connection with any proposed change, waiver, discharge or termination of any of the provisions of this Agreement as contemplated by clauses (i) through (v), inclusive, of the first proviso to Section 13.12(a), the consent of the Required Lenders is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained, then Borrower shall have the right, so long as all non-consenting Lenders whose individual consent is required are treated as described in either clause (A) or (B) below, to either (A) replace each such non-consenting Lender or Lenders with one or more Replacement Lenders pursuant to Section 2.13 so long as at the time of such replacement, each such Replacement Lender consents to the proposed change, waiver, discharge or termination or (B) terminate such non-consenting Lender's Commitments and/or repay the outstanding Term Loans of each Tranche of such Lender in accordance with Section 5.01(b)(i); *provided* that, unless the Commitments that are terminated, and Term Loans repaid, pursuant to the preceding clause (B) are immediately replaced in full at such time through the addition of new Lenders or the increase of outstanding Term Loans of existing Lenders (who in each case must specifically consent thereto), then in the case of any action pursuant to preceding clause (B) the Required Lenders (determined after giving effect to the proposed action) shall specifically consent thereto; *provided*, *further*, that in any event Borrower shall not have the right to replace a Lender, terminate its Commitments or repay its Term Loans solely as a result of the exercise of such Lender's rights (and the withholding of any required consent by such Lender) pursuant to the second proviso to Section 13.12(a).

(c) Notwithstanding anything to the contrary contained in clause (a) of thisSection 13.12, (i) Borrower, the Administrative Agent and each applicable Incremental Term Loan Lender may, without the consent of any other Lender, (i) in accordance with the provisions of Section 2.15, enter into an Incremental Term Loan Amendment; *provided* that after the execution and delivery by Borrower, the Administrative Agent and each such Incremental Term

Loan Lender of such Incremental Term Loan Amendment, such Incremental Term Loan Amendment, may thereafter only be modified in accordance with the requirements of clause (a) above of this Section 13.12, and (ii) the Incremental Term Loan Amendment may, without the consent of any other Credit Party, Agent or Lender, effect such amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and Borrower, to effect the provisions of Section 2.15 and the Lenders expressly authorize the Administrative Agent to enter into every such Incremental Term Loan Amendment, including any amendments that are not materially adverse to the interests of any Lender that amend this Agreement to increase the interest rate margin, increase the interest rate floor, increase, extend or add any prepayment premium, increase, extend or add any call protection or increase the amortization schedule with respect to any existing Tranche of Term Loans in order to cause any Incremental Term Loans to be fungible with such existing Tranche of Term Loans.

(d) Notwithstanding anything to the contrary in clause (a) above of thisSection 13.12, this Agreement may be amended (or amended and restated) (i) with the written consent of the Required Lenders, the Administrative Agent and Borrower, (x) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Credit Documents with the Term Loan and the accrued interest and fees in respect thereof and (y) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and (ii) with the written consent of the Administrative Agent, Borrower and the Refinancing Term Loan Lenders, this Agreement and the other Credit Documents shall be amended (or amended and restated) in connection with any refinancing facilities permitted pursuant to Section 2.18.

(e) Notwithstanding anything to the contrary herein, any fee letter may be amended, or rights and privileges thereunder waived, in a writing executed only by the parties thereto.

(f) Anything herein to the contrary notwithstanding, during such period as a Lender is a Defaulting Lender, to the fullest extent permitted by applicable law, such Lender will not be entitled to vote in respect of amendments, waivers and consents hereunder and the Commitment and the outstanding Term Loans or other extensions of credit of such Lender hereunder will not be taken into account in determining whether the Majority Lenders, the Required Lenders or all of the Lenders, as required, have approved any such amendment, waiver or consent (and the definitions of "Majority Lenders", "Required Lenders" and "Supermajority Lenders" will automatically be deemed modified accordingly for the duration of such period); *provided* that any such amendment or waiver that would increase or extend the term of the Commitment of such Defaulting Lender, extend the date fixed for the payment of principal or interest owing to such Defaulting Lender hereunder, reduce the principal amount of any obligation owing to such Defaulting Lender, reduce the amount of or the rate or amount of interest on any amount owing to such Defaulting Lender or of any fee payable to such Defaulting Lender hereunder, or alter the terms of this proviso, will require the consent of such Defaulting Lender.

(g) Further, notwithstanding anything to the contrary contained in thisSection 13.12, if following the Closing Date, (i) the Administrative Agent and/or the Collateral Agent and any Credit Party shall have jointly identified an obvious error or any error or omission of a technical or immaterial nature, in each case, in any provision of the Credit Documents, then the Administrative Agent and/or the Collateral Agent and the Credit Parties shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Credit Documents if the same is not objected to in writing by the Required Lenders within five Business Days following receipt of notice thereof or (ii) solely in connection with the incurrence of any additional Indebtedness by Borrower or its Subsidiaries that would otherwise be permitted under this Agreement, any amendment is proposed by Borrower to add one or more provisions to this Agreement that is, (A) necessary in the judgment of Borrower to satisfy the requirements or conditions of such additional Indebtedness in order for it to be permitted hereunder, (B) consistent with the applicable provisions in the definitive documentation relating to such additional Indebtedness and (C) in the reasonable judgment of the Administrative Agent, more favorable to the Lenders (or to the applicable subset thereof) than the existing Agreement, then the Administrative Agent and Borrower shall be permitted to amend such provisions without any further action or consent of any other party if the same is not objected to in writing by the Required Lenders to the Administrative Agent within five business days following receipt of notice thereof.

(h) Further, notwithstanding anything to the contrary in thisSection 13.12, Borrower and the Administrative Agent shall be permitted to amend any provision of a Credit Document in order to (i) comply with

local law or the advice of local counsel or (ii) to cause any Credit Document (other than this Agreement) to be consistent with this Agreement and the other Credit Documents, and, in each case, such amendment shall become effective without any further action or consent of any other party to any Credit Document.

(i) Further, notwithstanding anything to the contrary contained in this Section 13.12, modifications to the Credit Documents may be made with the consent of Borrower and the Administrative Agent (and no other Person) to the extent necessary to make any amendments permitted by Section 13.07(b) to give effect to any election to adopt IFRS.

(j) Further, notwithstanding anything to the contrary contained in this Section 13.12, in connection with any determination as to whether the requisite Lenders have (A) consented (or not consented) to any amendment, modification or waiver of any provision of this Agreement or any other Credit Document or any departure by Holdings or any Restricted Subsidiary therefrom, (B) otherwise acted on any matter related to this Agreement or any Credit Document or (C) directed or required the Administrative Agent, Collateral Agent or any Lender to undertake any action (or refrain from taking any action) with respect to, or under, this Agreement or any Credit Document, in connection with any amendment or waiver, each Lender (or any Affiliate of such Person (*provided further* that for the purposes of this clause (j), Affiliates shall not include Persons that are subject to customary procedures to prevent the sharing of confidential information between such Lender and such Person and such Person is managed having independent fiduciary duties to the investors or other equityholders of such Person) (other than (i) any Lender that is a Regulated Bank and (ii) any Revolving Lender (as defined in the ABL Credit Agreement) or any Affiliates of such Regulated Bank or Revolving Lender) that, as a result of its (or its Affiliates') interest in any total return swap, total rate of return swap, credit default swap or other derivative contract (other than any such total return swap, total rate of return swap, credit default swap or other derivative contract entered into pursuant to bona fide market making activities), has a net short position with respect to any of the Loans or Commitments, or with respect to any other tranche, class or series of Indebtedness for borrowed money incurred or issued by Holdings or any of its Restricted Subsidiaries (including commitments with respect to any revolving credit facility) (each such item of Indebtedness, including the Loan and Commitments, "Specified Indebtedness"), on the later of (x) the date such amendment or waiver is posted for review by Lenders generally and (y) the date, if any, that such Lender consents to such amendment or waiver (each such Lender, a "Net Short Lender"), shall be deemed to have voted its interest as a Lender in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Net Short Lenders (including in any plan of reorganization). For purposes of determining whether a Lender (alone or together with its Affiliates) has a "net short position" on any date of determination: (i) derivative contracts with respect to any Specified Indebtedness and such contracts that are the functional equivalent thereof shall be counted at the notional amount of such contract in Dollars, (ii) notional amounts in other currencies shall be converted to the Dollar equivalent thereof by such Lender in a commercially reasonable manner consistent with generally accepted financial practices and based on the prevailing conversion rate (determined on a mid-market basis) on the date of determination, (iii) derivative contracts in respect of an index that includes Holdings or any other Restricted Subsidiary or any instrument issued or guaranteed by Holdings or any other Restricted Subsidiary shall not be deemed to create a short position with respect to such Specified Indebtedness, so long as (x) such index is not created, designed, administered or requested by such Lender or its Affiliates and (y) Holdings and the other Restricted Subsidiaries and any instrument issued or guaranteed by Holdings or the other Restricted Subsidiaries, collectively, shall represent less than 5% of the components of such index, (iv) derivative transactions that are documented using either the 2014 ISDA Credit Derivatives Definitions or the 2003 ISDA Credit Derivatives Definitions (collectively, the "ISDA CDS Definitions") shall be deemed to create a short position with respect to the relevant Specified Indebtedness if such Lender or its Affiliates is a protection buyer or the equivalent thereof for such derivative transaction and (x) the relevant Specified Indebtedness is a "Reference Obligation" under the terms of such derivative transaction (whether specified by name in the related documentation, included as a "Standard Reference Obligation" on the most recent list published by Markit, if "Standard Reference Obligation" is specified as applicable in the relevant documentation or in any other manner), (y) the relevant Specified Indebtedness would be a "Deliverable Obligation" under the terms of such derivative transaction or (z) Holdings or any other Restricted Subsidiary is designated as a "Reference Entity" under the terms of such derivative transaction and (v) credit derivative transactions or other derivatives transactions not documented using the ISDA CDS Definitions shall be deemed to create a short position with respect to any Specified Indebtedness if such transactions offer the Lender or its Affiliates protection against a decline in the value of such Specified Indebtedness, or in the credit quality of Holdings or any other Restricted Subsidiary, in each case, other than as part of an index so long as (x) such index is not created, designed, administered or requested by such Lender or its Affiliates and (y) Holdings and the other Restricted Subsidiaries, and any instrument issued or guaranteed by Holdings or the other Restricted

Subsidiaries, collectively, shall represent less than 5% of the components of such index. In connection with any amendment, modification or waiver of this Agreement or the other Credit Documents, each Lender (other than any Lender that is a Regulated Bank or Revolving Lender) will be deemed to have represented to Borrower and the Administrative Agent that it does not constitute a Net Short Lender, in each case, unless such Lender shall have notified Borrower and the Administrative Agent prior to the requested response date with respect to such amendment, modification or waiver that it constitutes a Net Short Lender (it being understood and agreed that Borrower and the Administrative Agent shall be entitled to rely on each such representation and deemed representation). In no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is a Net Short Lender.

13.13 Survival. All indemnities set forth herein including, without limitation, in Sections 2.10, 2.11, 5.04, 12.07 and 13.01 shall survive the execution, delivery and termination of this Agreement and the Notes and the making and repayment of the Obligations.

(iii) determining other compliance with this Agreement (including the determination that representations and warranties are true and correct and that no Default or Event of Default (or any type of Default or Event of Default) has occurred, is continuing or would result therefrom);

in each case, at the option of Borrower (Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), the date of determination of whether any such action is permitted hereunder shall be made (1) in the case of any acquisition (including by way of merger) or similar Investment (including the assumption or incurrence of Indebtedness in connection therewith), at the time of (or, in the case of any calculation or any financial ratio or test, with respect to, or as of the last day of, the most recently ended Test Period at the time of) either (x) the execution of the definitive agreement with respect to such acquisition or Investment, (y) the public announcement of an intention to make an offer in respect of the target of such acquisition or Investment or (z) the consummation of such acquisition or Investment, (2) in the case of any Dividend, at the time of (or, in the case of any calculation or any financial ratio or test, with respect to, or as of the last day of, the most recently ended Test Period at the time of) (x) the irrevocable declaration of such Dividend or (y) the making of such Dividend and (3) in the case of any voluntary or optional payment or prepayment on or redemption or acquisition for value of any Indebtedness subject to Section 10.07, at the time of (or, in the case of any calculation or any financial ratio or test, with respect to, or as of the last day of, the most recently ended Test Period at the time of) (x) delivery of irrevocable (which may be conditional) notice with respect to such payment or prepayment or redemption or acquisition of such Indebtedness or (y) the making of such voluntary or optional payment or prepayment on or redemption or acquisition for value of any Indebtedness (the "LCT Test Date"), and if, for the Limited Condition Transaction (and the other transactions to be entered into in connection therewith), Borrower or any of its Restricted Subsidiaries would have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with. For the avoidance of doubt, if Borrower has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would have failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Consolidated EBITDA or Consolidated Total Assets of Borrower or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets, tests or ratios will not be deemed to have failed to have been complied with as a result of such fluctuations; *provided*, that, notwithstanding anything to the contrary herein, if financial statements for one or more subsequent

Test Periods shall have become available, Borrower may elect, in its sole discretion, to re-determine all such financial ratios or tests, with respect to, or as of the last day of, the most recently ended Test Period on the basis of such financial statements, in which case such date of redetermination shall thereafter be deemed to be the LCT Test Date for purposes of such baskets, ratios and financial metrics. If Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any calculation of any ratio, test or basket availability with respect to the incurrence of Indebtedness or Liens, the making of Dividends, the making of any Permitted Investment, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of Borrower, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, or the designation of an Unrestricted Subsidiary (each, a "Subsequent Transaction") following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement, public announcement or irrevocable notice for such Limited Condition Transaction is terminated, revoked or expires without consummation of such Limited Condition Transaction, for purposes of determining whether such Subsequent Transaction is permitted under this Agreement, any such ratio, test or basket shall be required to be satisfied on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

For purposes of determining compliance at any time with Sections 10.01, 10.02, 10.03, 10.04, 10.05, 10.06 and 10.07, in the event that any Lien, sale, lease or other disposition of assets, Dividend, Indebtedness, Investment, transaction with Affiliates or prepayment of Indebtedness meets the criteria of more than one of the categories of transactions or items permitted pursuant to any clause of such Sections 10.01, 10.02, 10.03, 10.04, 10.05, 10.06 and 10.07, Borrower, in its sole discretion, may, from time to time, classify or reclassify such transaction or item (or portion thereof) and will only be required to include the amount and type of such transaction (or portion thereof) in any one category. Reclassifications of any utilization of the Incremental Amount shall occur automatically to the extent set forth in the definition thereof.

1.05 Currency Equivalents Generally.

(a) Notwithstanding anything to the contrary in this Agreement, (i) any representation or warranty that would be untrue or inaccurate, (ii) any undertaking that would be breached, (iii) any basket is exceeded or (iv) any event that would constitute a Default or an Event of Default, in each case, solely as a result of fluctuations in applicable currency exchange rates, shall not be deemed to be untrue, inaccurate, breached or so constituted, as applicable, solely as a result of such fluctuations in currency exchange rates.

(b) For purposes of determining the Consolidated Fixed Charge Coverage Ratio, the Consolidated First Lien Net Leverage Ratio, the Consolidated Secured Net Leverage Ratio and the Consolidated Total Net Leverage Ratio, amounts denominated in a currency other than Dollars will be converted to Dollars for the purposes of (A) calculating any Consolidated Fixed Charge Coverage Ratio, the Consolidated First Lien Net Leverage Ratio, the Consolidated Secured Net Leverage Ratio and the Consolidated Total Net Leverage Ratio, at the Exchange Rate as of the date of calculation, and will, in the case of Indebtedness, reflect the currency translation effects, determined in accordance with U.S. GAAP, of Interest Rate Protection Agreements and Other Hedging Agreements permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Equivalent Amount of such Indebtedness.

Each Subsidiary of Holdings that is required to be joined as a Credit Party pursuant toSection 9.12 shall, from the time of the requirement that such Subsidiary be joined as a Credit Party pursuant to Section 9.12 until the completion of such joinder, be deemed for the purposes of Section 10 of this Agreement to be a Credit Party from and after the date of formation or acquisition of such Subsidiary; *provided* that this Section 1.07 shall only apply to the extent such Subsidiary is actually subsequently joined as a Credit Party pursuant to Section 9.12.

1.08 Interest Rates; Benchmark Notification.

The interest rate on a Loan denominated in Dollars may be derived from an interest rate benchmark that may be discontinued or is, or may in the future become, the subject of regulatory reform. Upon the occurrence of a Benchmark Transition Event, Section 2.16 provides a mechanism for determining an alternative rate of interest. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission, performance or any other matter related to any interest rate used in this Agreement, or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the existing interest rate being replaced or have the same volume or liquidity as did any existing interest rate prior to its discontinuance or unavailability. The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative, successor or alternative rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

(New York City time) on the date specified in each Notice of Borrowing, each Lender with a Commitment of the relevant Tranche will make available its *pro rata* portion (determined in accordance with Section 2.07) of each such Borrowing requested to be made on such date. All such amounts will be made available in Dollars and in immediately available funds at the Notice Office, and the Administrative Agent will make all funds so received by it in like funds as received by the Administrative Agent by wire transfer of such funds to the account designated in writing by Borrower (including in any Notice of Borrowing) from time to time. Unless the Administrative Agent shall have been notified by any Lender prior to the date of any Borrowing that such Lender does not intend to make available to the Administrative Agent such Lender's portion of any Borrowing to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing and the Administrative Agent may (but shall not be obligated to), in reliance upon such assumption, make available to Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify Borrower and Borrower shall immediately pay such corresponding amount to the Administrative Agent. The Administrative Agent also shall be entitled to recover on demand from such Lender or Borrower interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to Borrower until the date such corresponding amount is recovered by the Administrative Agent, at a rate *per annum* equal to (i) if recovered from such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking rules on interbank compensation and (ii) if recovered from Borrower, the rate of interest applicable to the relevant Borrowing, as determined pursuant to Section 2.08. Nothing in this Section 2.04 shall be deemed to relieve any Lender from its obligation to make Term Loans hereunder or to prejudice any rights which Borrower may have against any Lender as a result of any failure by such Lender to make Term Loans hereunder.

2.05 Notes.

(a) Borrower's obligation to pay the principal of, and interest on, the Term Loans made by each Lender shall be evidenced in the Register maintained by the Administrative Agent pursuant to Section 13.04 and shall, if requested by such Lender, also be evidenced by a promissory note duly executed and delivered by Borrower substantially in the form of Exhibit B, with blanks appropriately completed in conformity herewith (each, a "Note").

(b) Each Lender will note on its internal records the amount of each Term Loan made by it and each payment in respect thereof and prior to any transfer of any of its Notes will endorse on the reverse side thereof the outstanding principal amount of Term Loans evidenced thereby. Failure to make any such notation or any error in such notation shall not affect Borrower's obligations in respect of such Term Loans. For the avoidance of doubt, to the extent any conflict arises between the records maintained pursuant to this Section and the Register, the Register shall control.

(c) Notwithstanding anything to the contrary contained above in this Section 2.05 or elsewhere in this Agreement, Notes shall only be delivered to Lenders that at any time specifically request the delivery of such Notes. No failure of any Lender to request or obtain a Note evidencing its Term Loans to Borrower shall affect or in any manner impair the obligations of Borrower to pay the Term Loans (and all related Obligations) incurred by Borrower which would otherwise be evidenced thereby in accordance with the requirements of this Agreement, and shall not in any way affect the security or guarantees therefor provided pursuant to the various Credit Documents. Any Lender that does not have a Note evidencing its outstanding Term Loans shall in no event be required to make the notations otherwise described in the preceding clause (b). At any time when any Lender requests the delivery of a Note to evidence any of its Term Loans, Borrower shall promptly execute and deliver to the respective Lender the requested Note in the appropriate amount or amounts to evidence such Term Loans.

2.06 Interest Rate Conversions. Borrower shall have the option to convert, on any Business Day, all or a portion equal to at least the Minimum Borrowing Amount of the outstanding principal amount of Term Loans of a given Tranche made pursuant to one or more Borrowings of one or more Types of Term Loans, into a Borrowing (of the same Tranche) of another Type of Term Loan; *provided* that (i) except as otherwise provided in Section 2.11, Term Benchmark Term Loans may be converted into Base Rate Term Loans only on the last day of an Interest Period applicable to the Term Loans being converted and no such partial conversion of Term Benchmark Term Loans, as the case may be, shall reduce the outstanding principal amount of such Term Benchmark Term Loans, made pursuant to a single Borrowing to less than the Minimum Borrowing Amount, (ii) to the extent the Required Lenders have, or the Administrative Agent at the request of the Required Lenders has, so notified Borrower in writing, Base Rate Term Loans may not be converted into Term Benchmark Term Loans if any Event of Default is in existence on the date of the conversion, and (iii) no conversion pursuant to this Section 2.06 shall result in a greater number of Borrowings of Term Benchmark Term Loans than is permitted under Section 2.02. Such conversion shall be effected by Borrower by giving the Administrative Agent at the Notice Office prior to 12:00 Noon (New York City time) at least three Business Days' prior notice (in the case of any conversion to or continuation of Term Benchmark Term Loans) or same day notice (in the case of any conversion to Base Rate Term Loans) (each, a "Notice of Conversion/Continuation") in the form of Exhibit A-2 or such other form as may be approved by the Administrative Agent including any form on an electronic platform or electronic transmission as shall be approved by the Administrative Agent, appropriately completed by a Responsible Officer of Borrower to specify the Term Loans of a given Tranche to be so converted, the Borrowing or Borrowings pursuant to which such Term Loans were incurred and, if to be converted into Term Benchmark Term Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall give each Lender prompt notice of any such proposed conversion affecting any of its Term Loans.

2.07 Pro Rata Borrowings. All Borrowings of Term Loans under this Agreement, subject to Section 2.10(d), shall be incurred from the Lenders pro rata on the basis of such Lenders' Commitments as the case may be. No Lender shall be responsible for any default by any other Lender of its obligation to make Term Loans hereunder, and each Lender shall be obligated to make the Term Loans provided to be made by it hereunder, regardless of the failure of any other Lender to make its Term Loans hereunder.

2.08 Interest.

(a) Borrower agrees to pay interest in respect of the unpaid principal amount of each Base Rate Term Loan (including with respect to any Term Benchmark Term Loan converted into a Base Rate Term Loan pursuant to Section 2.06 or 2.09) made to Borrower hereunder from the date of Borrowing thereof (or, in the circumstances described in the immediately preceding parenthetical, from the date of conversion of the respective Term Benchmark Term Loan into a Base Rate Term Loan) until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such Base Rate Term Loan to a Term Benchmark Term Loan pursuant to Section 2.06 or 2.09, as applicable, at a rate *per annum* which shall be equal to the sum of the Applicable Margin for Base Rate Term Loans *plus* the Base Rate, as in effect from time to time.

(b) Borrower agrees to pay interest in respect of the unpaid principal amount of each Term Benchmark Term Loan made to Borrower from the date of Borrowing thereof until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such Term Benchmark Term Loan to a Base Rate Term Loan pursuant to Section 2.06 or 2.09, as applicable, at a rate *per annum* which shall, during each Interest Period applicable thereto, be equal to the sum of the Applicable Margin for Term Benchmark Term Loans *plus* the applicable Term SOFR Rate for such Interest Period.

(c) Upon the occurrence and during the continuance of any Event of Default under Section 11.01 or 11.05 (x) overdue principal and, to the extent permitted by law, overdue interest in respect of each Term Loan shall bear interest at a rate *per annum* equal to (i) for Base Rate Term Loans and associated interest, 2.00% *per annum* in excess of the Applicable Margin for Base Rate Term Loans *plus* the Base Rate, (ii) for Term Benchmark Term Loans and associated interest, 2.00% *per annum* in excess of the Applicable Margin for Term Benchmark Term Loans *plus* the Term SOFR Rate and (y) overdue amounts with respect to Fees shall bear interest at a rate *per annum* equal to 2.00% *per annum* in excess of the Applicable Margin for Base Rate Term Loans *plus* the Base Rate, each as in effect from time to time, in each case with such interest to be payable on demand.

(d) Accrued (and theretofore unpaid) interest shall be calculated daily and payable (i) on each Interest Payment Date and (ii) on (w) the date of any conversion of a Term Benchmark Term Loan to a Base Rate Term Loan (on the amount so converted) prior to the last day of the Interest Period applicable thereto, (x) the date of any prepayment or repayment thereof (on the amount prepaid or repaid), (y) at maturity (whether by acceleration or otherwise) and (z) after such maturity, on demand.

(e) Upon each Interest Determination Date, the Administrative Agent shall determine the Adjusted Term SOFR Rate for each Interest Period applicable to the respective Term Benchmark Term Loans and shall promptly notify Borrower and the Lenders thereof. Each such determination shall, absent manifest error, be final and conclusive and binding on all parties hereto.

(f) All interest hereunder and any Fees hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Base Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Base Rate or Adjusted Term SOFR Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

2.09 Interest Periods. At the time Borrower gives any Notice of Borrowing or Notice of Conversion/Continuation in respect of the making of, or conversion into, any Term Benchmark Term Loan (in the case of the initial Interest Period applicable thereto) or prior to 12:00 Noon (New York City time) on the third Business Day prior to the expiration of an Interest Period applicable to such Term Benchmark Term Loan (in the case of any subsequent Interest Period), Borrower shall have the right to elect the interest period (each, an "Interest Period") applicable to such Term Benchmark Term Loan, which Interest Period shall, at the option of Borrower be a one, three or six month period (in each case, subject to the availability for the Benchmark applicable to the relevant Loan); *provided* that (in each case):

(i) all Term Benchmark Term Loans comprising a Borrowing shall at all times have the same Interest Period;

(ii) the initial Interest Period for any Term Benchmark Term Loan shall commence on the date of Borrowing of such Term Benchmark Term Loan (including, in the case of Term Benchmark Term Loans, the date of any conversion thereto from a Borrowing of Base Rate Term Loans) and each Interest Period occurring thereafter in respect of such Term Benchmark Term Loan shall commence on the day on which the next preceding Interest Period applicable thereto expires;

(iii) if any Interest Period for a Term Benchmark Term Loan begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of such calendar month;

(iv) if any Interest Period for a Term Benchmark Term Loan would otherwise expire on a day which is not a Business Day, such Interest Period shall expire on the next succeeding Business Day; *provided*, *however*, that if any Interest Period for a Term Benchmark Term Loan would otherwise expire on a day which is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the next preceding Business Day;

(v) unless the Required Lenders otherwise agree, no Interest Period for a Term Benchmark Term Loan may be selected at any time when an Event of Default is then in existence; and

(vi) no Interest Period in respect of any Borrowing of any Tranche of Term Loans shall be selected which extends beyond the Maturity Date therefor.

With respect to any Term Benchmark Term Loans, at the end of any Interest Period applicable to a Borrowing thereof, Borrower may elect to split the respective Borrowing of a single Type under a single Tranche into two or more Borrowings of different Types under such Tranche or combine two or more Borrowings under a single Tranche into a single Borrowing of the same Type under such Tranche, in each case, by Borrower giving notice thereof together

with its election of one or more Interest Periods applicable thereto, in each case so long as each resulting Borrowing (x) has an Interest Period which complies with the foregoing requirements of this Section 2.09, (y) has a principal amount which is not less than the Minimum Borrowing Amount applicable to Borrowings of the respective Type and Tranche, and (z) does not cause a violation of the requirements of Section 2.02. If by 12:00 Noon (New York City time) on the third Business Day prior to the expiration of any Interest Period applicable to a Borrowing of Term Benchmark Term Loans, Borrower has failed to elect, or is not permitted to elect, a new Interest Period to be applicable to such Term SOFR Rate, Borrower shall be deemed to have elected in the case of Term Benchmark Term Loans, to convert such Term Benchmark Term Loans into Base Rate Term Loans with such conversion to be effective as of the expiration date of such current Interest Period.

2.10 Increased Costs.

(a) [Reserved].

(b) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, any Lender;

(ii) impose on any Lender any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender; or

(iii) subject any Lender or the Administrative Agent to any Taxes (other than (A) Indemnified Taxes, (B) Excluded Taxes or (C) Other Taxes) with respect to its loans, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or the Administrative Agent of making, continuing, converting or maintaining any Term Loan (or of maintaining its obligation to make any such Term Loan) or to reduce the amount of any sum received or receivable by such Lender or the Administrative Agent hereunder (whether of principal, interest or otherwise), then Borrower will pay to such Lender or the Administrative Agent, as the case may be, such additional amount or amounts as will compensate such Lender or the Administrative Agent, as the case may be, for such additional costs incurred or reduction suffered.

(c) If any Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Term Loans made by such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity), then from time to time Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(d) A certificate of a Lender or the Administrative Agent setting forth the amount or amounts necessary to compensate such Lender or the Administrative Agent or its holding company, as the case may be, as specified in clause (b) or (c) of this Section, and certifying that it is the general practice and policy of such Lender to demand such compensation from similarly situated borrowers in similar circumstances at such time to the extent it is legally permitted to do so, shall be delivered to Borrower and shall be conclusive absent manifest error. Borrower shall pay such Lender or the Administrative Agent, as the case may be, the amount shown as due on any such certificate within 10 Business Days after receipt thereof.

(e) Failure or delay on the part of any Lender or the Administrative Agent to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or the Administrative Agent's right to demand such compensation; *provided* that Borrower shall not be required to compensate a Lender or the Administrative Agent pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or the Administrative Agent, as the case may be, notifies Borrower of the Change in Law giving rise to such

increased costs or reductions and of such Lender's or the Administrative Agent's intention to claim compensation therefor; *provided*, *further*, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

2.11 Compensation. Borrower agrees to compensate each Lender, upon its written request (which request shall set forth in reasonable detail the basis for requesting such compensation and the calculation of the amount of such compensation; it being understood that no Lender shall be required to disclose (i) any confidential or price sensitive information or (ii) any other information, to the extent prohibited by any Requirement of Law), for all losses, expenses and liabilities (including, without limitation, any loss, expense or liability incurred by reason of the liquidation or reemployment of deposits or other funds required by such Lender to fund its Term Benchmark Term Loans but excluding loss of anticipated profits (and without giving effect to the minimum "Term SOFR Rate")) which such Lender may sustain: (i) if for any reason (other than a default by such Lender or the Administrative Agent) a Borrowing of, or conversion from or into, Term Benchmark Term Loans does not occur on a date specified therefor in a Notice of Borrowing or Notice of Conversion/Continuation; (ii) if any prepayment or repayment (including any prepayment or repayment made pursuant to Section 5.01, Section 5.02 or as a result of an acceleration of the Term Loans pursuant to Section 11) or conversion of any of its Term Benchmark Term Loans occurs on a date which is not the last day of an Interest Period with respect thereto; (iii) if any prepayment of any Term Benchmark Term Loans is not made on any date specified in a Notice of Loan Prepayment given by Borrower; or (iv) as a consequence of any other default by Borrower to repay Term Benchmark Term Loans when required by the terms of this Agreement or any Note held by such Lender.

2.12 Change of Lending Office. Each Lender agrees that on the occurrence of any event giving rise to the operation of Section 2.10(b), (c) or (d) or Section 5.04 with respect to such Lender, it will, if requested by Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Term Loans affected by such event; *provided* that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of Borrower or the right of any Lender provided in Sections 2.10 and 5.04.

2.13 Replacement of Lenders. (x) If any Lender becomes a Defaulting Lender, (y) upon the occurrence of an event giving rise to the operation of Section 2.10(b), (c) or (d) or Section 5.04 with respect to such Lender or (z) in the case of a refusal by a Lender to consent to proposed changes, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b), Borrower shall have the right to replace such Lender (the "Replaced Lender") with one or more other Eligible Transferees, none of whom shall constitute a Defaulting Lender at the time of such replacement (collectively, the "Replacement Lender") and each of whom shall be required to be reasonably acceptable to the Administrative Agent (to the extent the Administrative Agent's consent would be required for an assignment to such Replacement Lender pursuant to Section 13.04); *provided* that (i) at the time of any replacement pursuant to this Section 2.13, the Replacement Lender shall enter into one or more Assignment and Assumptions pursuant to Section 13.04(b) (and with all fees payable pursuant to said Section 13.04(b) to be paid by the Replacement Lender and/or the Replaced Lender (as may be agreed to at such time by and among Borrower, the Replacement Lender and the Replaced Lender)) pursuant to which the Replacement Lender shall acquire all of the Commitments and outstanding Term Loans of the Replaced Lender and, in connection therewith, shall pay to (x) the Replaced Lender in respect thereof an amount equal to the sum of (I) an amount equal to the principal of, and all accrued interest on, all outstanding Term Loans of the respective Replaced Lender under each Tranche with respect to which such Replaced Lender is being replaced and (II) an amount equal to all accrued, but theretofore unpaid, Fees owing to the Replaced Lender pursuant to Section 4.01, (ii) all obligations of Borrower due and owing to the Replaced Lender at such time (other than those specifically described in clause (i) above in respect of which the assignment purchase price has been, or is concurrently being, paid) shall be paid in full to such Replaced Lender concurrently with such replacement. Upon receipt by the Replaced Lender of all amounts required to be paid to it pursuant to this Section 2.13, the Administrative Agent shall be entitled (but not obligated) and authorized to execute an Assignment and Assumption on behalf of such Replaced Lender, and any such Assignment and Assumption so executed by the Administrative Agent and the Replacement Lender shall be effective for purposes of this Section 2.13 and Section 13.04 and (iii) in the case of any assignment resulting from clause (y) above, such assignment will result in a reduction in such compensation or payments thereafter. Upon the execution of the respective Assignment and Assumption, the payment of amounts referred to in clauses (i) and (ii) above, recordation of the assignment on the Register pursuant to Section 13.04 and, if so requested by the Replacement

Lender, delivery to the Replacement Lender of the appropriate Note or Notes executed by Borrower, the Replacement Lender shall become a Lender hereunder and the Replaced Lender shall cease to constitute a Lender hereunder, except with respect to indemnification provisions under this Agreement (including, without limitation, Sections 2.10, 2.11, 5.04, 12.07 and 13.01), which shall survive as to such Replaced Lender with respect to actions or occurrences prior to it ceasing to be a Lender hereunder.

2.14 Extended Term Loans.

(a) Notwithstanding anything to the contrary in this Agreement, subject to the terms of this Section 2.14, Borrower may at any time and from time to time request that all or a portion of any Tranche of Term Loans (each, an "Existing Term Loan Tranche"), be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or any portion of such Existing Term Loan Tranche (any such Term Loans which have been so converted, "Extended Term Loans") and to provide for other terms consistent with this Section 2.14. In order to establish any Extended Term Loans, Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Term Loan Tranche) (each, an "Extension Request") setting forth the proposed terms of the Extended Term Loans to be established, which shall (x) be identical as offered to each Lender under the relevant Existing Term Loan Tranche (including as to the proposed interest rates and fees payable) and (y) have the same terms as the Existing Term Loan Tranche from which such Extended Term Loans are to be converted, except that: (i) all or any of the scheduled amortization payments of principal of the Extended Term Loans may be delayed to later dates than the scheduled amortization payments of principal of the Term Loans of such Existing Term Loan Tranche to the extent provided in the applicable Extension Amendment; (ii) the Effective Yield with respect to the Extended Term Loans (whether in the form of interest rate margin, upfront fees, original issue discount or otherwise) may be different than the Effective Yield for the Term Loans of such Existing Term Loan Tranche; (iii) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the applicable Extension Amendment (immediately prior to the establishment of such Extended Term Loans); (iv) Extended Term Loans may have mandatory prepayment terms which provide for the application of proceeds from mandatory prepayment events to be made first to prepay the Term Loans under the Existing Term Loan Tranche from which such Extended Term Loans have been converted before applying any such proceeds to prepay such Extended Term Loans; (v) Extended Term Loans may have optional prepayment terms (including call protection and terms which allow Term Loans under the relevant Existing Term Loan Tranche from which such Extended Term Loans have been converted to be optionally prepaid prior to the prepayment of such Extended Term Loans) as may be agreed by Borrower and the Lenders thereof and (vi) such Extended Term Loans may have other terms (other than those described in the preceding clauses (i) through (v)) that differ from those of the Existing Term Loan Tranche, in each case, taken as a whole, that are not materially more favorable to the Lenders providing such Extended Term Loans than the provisions applicable to the Existing Term Loan Tranche or as are otherwise reasonably satisfactory to the Administrative Agent. Any Extended Term Loans converted pursuant to any Extension Request shall be designated a series (each, an "Extension Series") of Extended Term Loans for all purposes of this Agreement;*provided* that, subject to the requirements set forth above, any Extended Term Loans converted from an Existing Term Loan Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Tranche of Term Loans.

(b) [Reserved].

(c) Borrower shall provide the applicable Extension Request at least five (5) Business Days (or such shorter period as to which the Administrative Agent may consent) prior to the date on which Lenders under the Existing Term Loan Tranche are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.14. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Tranche converted into Extended Term Loans pursuant to any Extension Request. Any Lender (each, an "Extending Term Loan Lender") wishing to have all or a portion of its Term Loans under the Existing Term Loan Tranche subject to such Extension Request converted into Extended Term Loans shall notify the Administrative Agent (each, an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Term Loans under the Existing Term Loan Tranche which it has elected to request be converted into Extended Term Loans (subject to any minimum denomination requirements imposed by the Administrative Agent). Any Lender that does not respond to the Extension Request on or prior to the date specified therein shall be deemed to have rejected such Extension Request. In the event that the aggregate principal amount of Term Loans under the applicable Existing Term Loan

Tranche exceeds the amount of Extended Term Loans requested pursuant to such Extension Request, Term Loans of such Existing Term Loan Tranche, subject to such Extension Elections shall either (i) be converted to Extended Term Loans of such Existing Term Loan Tranche on a *pro rata* basis based on the aggregate principal amount of Term Loans of such Existing Term Loan Tranche included in such Extension Elections, subject to such rounding requirements as may be established by the Administrative Agent or (ii) to the extent such option is expressly set forth in the applicable Extension Request, be converted to Extended Term Loans upon an increase in the amount of Extended Term Loans so that such excess does not exist.

(d) Extended Term Loans shall be established pursuant to an amendment (each, an "Extension Amendment") to this Agreement among Borrower, the Administrative Agent and each Extending Term Loan Lender providing an Extended Term Loan thereunder, which shall be consistent with the provisions set forth in Section 2.14(a) above (but which shall not require the consent of any other Lender). The Administrative Agent shall promptly notify each relevant Lender as to the effectiveness of each Extension Amendment. After giving effect to the Extension, the Term Loans so extended shall cease to be a part of the Tranche they were a part of immediately prior to the Extension.

(e) Extensions consummated by Borrower pursuant to this Section 2.14 shall not constitute voluntary or mandatory payments or prepayments for purposes of this Agreement. The Administrative Agent and the Lenders hereby consent to each Extension and the other transactions contemplated by this Section 2.14 (including, for the avoidance of doubt, payment of any interest or fees in respect of any Extended Term Loans on such terms as may be set forth in the applicable Extension Request) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02, 5.03, 13.02 or 13.06) or any other Credit Document that may otherwise prohibit any Extension or any other transaction contemplated by this Section 2.14; *provided* that such consent shall not be deemed to be an acceptance of any Extension Request.

(f) Each of the parties hereto hereby agrees that this Agreement and the other Credit Documents may be amended pursuant to an Extension Amendment, without the consent of any other Lenders, to the extent (but only to the extent) reasonably necessary to (i) reflect the existence and terms of any Extended Term Loans incurred pursuant thereto, (ii) modify the scheduled repayments set forth in Section 5.02(a) with respect to any Existing Term Loan Tranche subject to an Extension Election to reflect a reduction in the principal amount of the Term Loans thereunder in an amount equal to the aggregate principal amount of the Extended Term Loans converted pursuant to the applicable Extension (with such amount to be applied ratably to reduce scheduled repayments of such Term Loans required pursuant to Section 5.02(a)), (iii) make such other changes to this Agreement and the other Credit Documents consistent with the provisions and intent of Section 13.12(d), (iv) establish new Tranches in respect of Term Loans so extended and such technical amendments as may be necessary in connection with the establishment of such new Tranches, in each case, on terms consistent with this Section 2.14 and (v) effect such other amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and Borrower, to effect the provisions of this Section 2.14, and each Lender hereby expressly authorizes the Administrative Agent to enter into any such Extension Amendment. In connection with any Extension, the Credit Parties shall (at their expense) amend (and the Administrative Agent is hereby directed to amend) any Mortgage that has a maturity date prior to the Latest Maturity Date so that such maturity date is extended to the Latest Maturity Date (or such later date as may be advised by local counsel to the Administrative Agent), to the extent required pursuant to applicable local law.

2.15 Incremental Term Loan Commitments.

(a) Borrower may at any time and from time to time request one or more Lenders (or one or more Eligible Transferees who will become Lenders) to provide Incremental Term Loan Commitments to Borrower and, subject to the terms and conditions contained in this Agreement and in the relevant Incremental Term Loan Amendment, make Incremental Term Loans pursuant thereto; it being understood and agreed, however, that (i) no Lender shall be obligated to provide an Incremental Term Loan Commitment as a result of any such request by Borrower, (ii) any Lender (including any Eligible Transferee who will become a Lender) may so provide an Incremental Term Loan Commitment without the consent of any other Lender, (iii) each Tranche of Incremental Term Loan Commitments shall be denominated in Dollars, (iv) the amount of Incremental Term Loan Commitments made available pursuant to a given Incremental Term Loan Amendment shall be in a minimum aggregate amount for all Lenders which provide an Incremental Term Loan Commitment thereunder (including Eligible Transferees who will become Lenders) of at least $10,000,000, (v) other than with respect to any Incremental Term Loans established

pursuant to Section 2.15(d), the aggregate principal amount of any Incremental Term Loans on the date of the incurrence thereof shall not exceed, when taken together with any incurrence of Permitted Pari Passu Notes, Permitted Pari Passu Loans or Permitted Junior Debt pursuant to Section 10.04(xxvii)(1) on such date, (x) the then-remaining Fixed Incremental Amount as of the date of incurrence *plus* (y) subject to the satisfaction of the applicable Incurrence-Based Incremental Facility Test, any Incurrence-Based Incremental Amount that may be incurred thereunder on such date, (vi) the proceeds of all Incremental Term Loans incurred by Borrower may be used for any purpose not prohibited under this Agreement, (vii) Borrower shall specifically designate, in consultation with the Administrative Agent, the Tranche of the Incremental Term Loan Commitments being provided thereunder (which Tranche shall be a new Tranche (i.e., not the same as any existing Tranche of Incremental Term Loans, Incremental Term Loan Commitments or other Term Loans), unless the requirements of Section 2.15(c) are satisfied), which designation shall be set forth in the applicable Incremental Term Loan Amendment, (viii) if to be incurred as a new Tranche of Incremental Term Loans, such Incremental Term Loans shall have the same terms as each other Tranche of Term Loans as in effect immediately prior to the effectiveness of the relevant Incremental Term Loan Agreement, except as to purpose (which is subject to the requirements of the preceding clause (vi)) and optional prepayment provisions and mandatory prepayment provisions (which are governed by Section 5.02; *provided* that each new Tranche of Incremental Term Loans shall be entitled to share in mandatory prepayments on a ratable basis with the other Tranches of Term Loans (unless the holders of the Incremental Term Loans of any Tranche agree to take a lesser share of any such prepayments)); *provided*, *however*, that (I) the maturity and amortization of such Tranche of Incremental Term Loans may differ, so long as, such Tranche of Incremental Term Loans shall have (a) a Maturity Date of no earlier than the Latest Maturity Date as of the date such Indebtedness was incurred and (b) a Weighted Average Life to Maturity of no less than the Weighted Average Life to Maturity as then in effect for the Tranche of then outstanding Term Loans with the then longest Weighted Average Life to Maturity; *provided*, *however*, that (x) Extendable Bridge Loans and (y) Incremental Term Loan Commitments and Incremental Term Loans in an aggregate principal amount not in excess of the then-available amount under the Inside Maturity Basket, in each case, may have a maturity date earlier than the Latest Maturity Date of all then outstanding Term Loans and the Weighted Average Life to Maturity thereof may be shorter than the then longest remaining Weighted Average Life to Maturity of any then outstanding Term Loans, (II) the Effective Yield applicable to such Tranche of Incremental Term Loans may differ from that applicable to the then outstanding Tranches of Term Loans, with the Effective Yield applicable thereto to be specified in the respective Incremental Term Loan Amendment~~; *provided, however*, that, solely with respect to any syndicated Incremental Term Loan incurred on or prior to the date that is twenty-four months after the Closing Date, as applicable, if the Effective Yield for any such Incremental Term Loans exceeds the Effective Yield then applicable to any then outstanding Initial Term Loans by more than 0.50% *per annum*, the Applicable Margins for such then outstanding Initial Term Loans shall be increased as of such date (in accordance with the requirements of the definition of "Applicable Margin") so that the difference between the Effective Yield with respect to such new Incremental Term Loans and the corresponding Effective Yield on such then~~ outstanding Initial Term Loans is ~~equal to 0.50% (the "MFN Pricing Test")~~ and (III) such Tranche of Incremental Term Loans may have other terms (other than those described in preceding clauses (I) and (II)) that may differ from those of other Tranches of Term Loans, including, without limitation, as to the application of optional or voluntary prepayments among the Incremental Term Loans and the existing Term Loans, in each case, taken as a whole, that are not materially more favorable to the lenders providing such Incremental Term Loans than the provisions applicable to the existing Term Loans or as are otherwise reasonably satisfactory to the Administrative Agent, (ix) all Incremental Term Loans (and all interest, fees and other amounts payable thereon) incurred by Borrower shall be Obligations of Borrower under this Agreement and the other applicable Credit Documents and shall be secured by the Security Agreements, and guaranteed under the Guaranty Agreement, on a *pari passu* basis with all other Term Loans secured by the Security Agreement and guaranteed under such Guaranty Agreement and shall not be secured by any assets that do not constitute Collateral for the outstanding Term Loans or be guaranteed by any guarantors that are not Credit Parties, (x) each Lender (including any Eligible Transferee who will become a Lender) agreeing to provide an Incremental Term Loan Commitment pursuant to an Incremental Term Loan Amendment shall, subject to the satisfaction of the relevant conditions set forth in this Agreement, make Incremental Term Loans under the Tranche specified in such Incremental Term Loan Amendment as provided in Section 2.01(b) and such Term Loans shall thereafter be deemed to be Incremental Term Loans under such Tranche for all purposes of this Agreement and the other applicable Credit Documents and (xi) all Incremental Term Loan Commitment Requirements are satisfied.

(b) At the time of the provision of Incremental Term Loan Commitments pursuant to this Section 2.15, Borrower, the Administrative Agent and each such Lender or other Eligible Transferee which agrees to provide an Incremental Term Loan Commitment (each, an "Incremental Term Loan Lender") shall execute and deliver to the

Administrative Agent an Incremental Term Loan Amendment (which shall not require the consent of any other Lender), with the effectiveness of the Incremental Term Loan Commitment provided therein to occur on the date on which (w) a fully executed copy of such Incremental Term Loan Amendment shall have been delivered to the Administrative Agent, (x) all fees required to be paid in connection therewith at the time of such effectiveness shall have been paid (including, without limitation, any agreed upon upfront or arrangement fees owing to the Administrative Agent to the extent it served as the arranger for the Incremental Term Loan Commitments), (y) all Incremental Term Loan Commitment Requirements are satisfied, and (z) all other conditions set forth in this Section 2.15 shall have been satisfied. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Incremental Term Loan Amendment, and at such time, (i) Schedule 2.01 shall be deemed modified to reflect the revised Incremental Term Loan Commitments of the affected Lenders and (ii) to the extent requested by any Incremental Term Loan Lender, Notes will be issued at Borrower's expense to such Incremental Term Loan Lender, to be in conformity with the requirements of Section 2.05 (with appropriate modification) to the extent needed to reflect the new Incremental Term Loans made by such Incremental Term Loan Lender.

(c) Notwithstanding anything to the contrary contained above in this Section 2.15, the Incremental Term Loan Commitments provided by an Incremental Term Loan Lender or Incremental Term Loan Lenders, as the case may be, pursuant to each Incremental Term Loan Amendment shall constitute a new Tranche, which shall be separate and distinct from the existing Tranches pursuant to this Agreement; *provided* that, with the consent of the Administrative Agent (not to be unreasonably withheld, delayed or conditioned), the parties to a given Incremental Term Loan Amendment may specify therein that the Incremental Term Loans made pursuant thereto shall constitute part of, and be added to, an existing Tranche of Term Loans, in any case so long as the following requirements are satisfied:

(i) the Incremental Term Loans to be made pursuant to such Incremental Term Loan Amendment shall have the same Borrower, the same Maturity Date and the same Applicable Margins as the Tranche of Term Loans to which the new Incremental Term Loans are being added;

(ii) the new Incremental Term Loans shall have the same Scheduled Repayment Dates as then remain with respect to the Tranche to which such new Incremental Term Loans are being added (with the amount of each Scheduled Repayment applicable to such new Incremental Term Loans to be the same (on a proportionate basis) as is theretofore applicable to the Tranche to which such new Incremental Term Loans are being added, thereby increasing the amount of each then remaining Scheduled Repayment of the respective Tranche proportionately); and

(iii) on the date of the making of such new Incremental Term Loans, and notwithstanding anything to the contrary set forth in Section 2.09, such new Incremental Term Loans shall be added to (and form part of) each Borrowing of outstanding Term Loans of the applicable Tranche on a *pro rata* basis (based on the relative sizes of the various outstanding Borrowings), so that each Lender holding Term Loans under the respective Tranche of Term Loans participates in each outstanding Borrowing of Term Loans of the respective Tranche (after giving effect to the incurrence of such new Incremental Term Loans pursuant to Section 2.01(b)) on a *pro rata* basis.

To the extent the provisions of the preceding clause (iii) require that Incremental Term Loan Lenders making new Incremental Term Loans add such Incremental Term Loans to the then outstanding Borrowings of Term Benchmark Term Loans of such Tranche, it is acknowledged that the effect thereof may result in such new Incremental Term Loans having irregular Interest Periods (i.e., an Interest Period that began during an Interest Period then applicable to outstanding Term Benchmark Term Loans of such Tranche and which will end on the last day of such Interest Period), which irregular interest periods shall be permitted notwithstanding anything to the contrary in this Agreement. All determinations by any the Administrative Agent of the Term SOFR Rate, in such circumstances pursuant to the immediately preceding sentence shall, absent manifest error, be final and conclusive and binding on all parties hereto.

(d) Subject to compliance with the other applicable requirements set forth in this Section 2.15, any new Incremental Term Loan may be established and incurred as a means of effectively extending the maturity of, effecting a repricing of or a refinancing, in whole or in part without utilizing the capacity under any incurrence tests or fixed baskets for other Incremental Term Loans, of any applicable Term Loans then outstanding so long as:

(i) the Lenders with respect to the relevant series of Term Loans and/or Commitments being extended, repriced or refinanced are offered the opportunity to participate in such transaction on a *pro rata* basis (and on the same terms) and

(ii) the amount of any Incremental Term Loans does not exceed the sum of (x) the principal amount of the applicable Term Loans effectively being extended, repriced or refinanced, (y) fees and expenses (including any prepayment premium, penalties or other call protection) related to such extension, repricing or refinancing, and (z) fees and expenses (including any upfront fees, original issue discount, underwriting discounts, amendment fees, commissions and arrangement, underwriting and similar fees) related to the establishment and incurrence of such Incremental Term Loans.

2.16 Alternate Rate of Interest.

(a) Subject to clauses (b), (c), (d), (e) and (f) of thisSection 2.16:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, that adequate and reasonable means do not exist for ascertaining the Adjusted Term SOFR Rate or the Term SOFR Rate, as applicable (including because the Term SOFR Reference Rate is not available or published on a current basis), for such Interest Period; provided that no Benchmark Transition Event shall have occurred at such time; or

(ii) the Administrative Agent is advised by the Required Lenders that prior to the commencement of any Interest Period for a Term Benchmark Borrowing, the Adjusted Term SOFR Rate or the Term SOFR Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period,

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until (x) the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Borrower delivers a new Notice of Conversion/Continuation in accordance with the terms of Section 2.06 or a new Notice of Borrowing in accordance with the terms of Section 2.03, any Notice of Conversion/Continuation that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Term Benchmark Borrowing and any Notice of Borrowing that requests a Term Benchmark Borrowing shall instead be deemed to be a Notice of Conversion/Continuation or a Notice of Borrowing, as applicable, for a Base Rate Borrowing; *provided* that if the circumstances giving rise to such notice affect only one Type of Borrowings, then all other Types of Borrowings shall be permitted. Furthermore, if any Term Benchmark Term Loan is outstanding on the date of the Borrower's receipt of the notice from the Administrative Agent referred to in this Section 2.16(a) with respect to the Adjusted Term SOFR Rate to such Term Benchmark Term Loan, then until (x) the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Borrower delivers a new Notice of Conversion/Continuation in accordance with the terms of Section 2.06 or a new Notice of Borrowing in accordance with the terms of Section 2.03, any Term Benchmark Term Loan shall on the last day of the Interest Period applicable to such Loan, be converted by the Administrative Agent to, and shall constitute, a Base Rate Loan, on such day.

(b) Notwithstanding anything to the contrary herein or in any other Credit Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Credit Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Credit Document and (y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Credit Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business

Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Credit Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(c) Notwithstanding anything to the contrary herein or in any other Credit Document, in connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Credit Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Credit Document.

(d) The Administrative Agent will promptly notify Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (f) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.16, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Credit Document, except, in each case, as expressly required pursuant to this Section 2.16.

(e) Notwithstanding anything to the contrary herein or in any other Credit Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(f) Upon Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, Borrower may revoke any request for a Borrowing of, conversion to or continuation of Term Benchmark Term Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to a Base Rate Borrowing. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of Base Rate. Furthermore, if any Term Benchmark Term Loan is outstanding on the date of the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to the Adjusted Term SOFR Rate applicable to such Term Benchmark Term Loan, then until such time as a Benchmark Replacement is implemented pursuant to this Section 2.16, any Term Benchmark Term Loan shall on the last day of the Interest Period applicable to such Loan, be converted by the Administrative Agent to, and shall constitute, a Base Rate Loan.

2.17 [Reserved].

2.18 Refinancing Term Loans.

(a) Borrower may from time to time by written notice to the Administrative Agent elect to request the establishment of one or more additional Tranches of Term Loans under this Agreement ("Refinancing Term Loans"),

which refinance, renew, replace, defease or refund all or any portion of one or more Tranches of Term Loans under this Agreement selected by Borrower; *provided*, that such Refinancing Term Loans may not be in an amount greater than the aggregate principal amount of the Term Loans being refinanced, renewed, replaced, defeased or refunded *plus* unpaid accrued interest and premium (if any) thereon and upfront fees, original issue discount, underwriting discounts, fees, commissions and expenses incurred in connection with the Refinancing Term Loans; *provided* that such aggregate principal amount may also be increased to the extent such additional amount is capable of being incurred at such time pursuant to Section 2.15 and such excess incurrence shall for all purposes hereof be an incurrence under the relevant subclauses of Section 2.15. Each such notice shall specify the date (each, a "Refinancing Effective Date") on which Borrower proposes that the Refinancing Term Loans shall be made, which shall be a date not less than three (3) Business Days after the date on which such notice is delivered to the Administrative Agent; *provided* that:

(i) except in the case of Extendable Bridge Loans and an aggregate principal amount not in excess of the Inside Maturity Basket (when taken together with (1) all other currently outstanding or simultaneously incurred Refinancing Term Loans, Incremental Term Loans, Permitted Pari Passu Notes, Permitted Pari Passu Loans, Permitted Junior Notes and Permitted Junior Loans that utilize the Inside Maturity Basket and (2) any Permitted Refinancing Indebtedness incurred with respect to the foregoing to the extent such Indebtedness does not otherwise meet the requirements set forth in this clause (i)), the Weighted Average Life to Maturity of such Refinancing Term Loans shall not be shorter than the remaining Weighted Average Life to Maturity of the Term Loans being refinanced and the Refinancing Term Loans shall not have a final stated maturity before the Maturity Date applicable to the Term Loans being refinanced;

(ii) such Refinancing Term Loans shall have pricing (including interest rates, fees and premiums), amortization, optional prepayment, mandatory prepayment (so long as such Refinancing Term Loans are not entitled to participate on a greater than *pro rata* basis in any mandatory prepayment than the then outstanding Term Loans) and redemption terms as may be agreed to by Borrower and the relevant Refinancing Term Loan Lenders (as defined below);

(iii) such Refinancing Term Loans shall not be guaranteed by any Person other than the Credit Parties;

(iv) in the case of any such Refinancing Term Loans that are secured, such Refinancing Term Loans are secured only by assets comprising Collateral, and not secured by any property or assets of Borrower or any of its Subsidiaries other than the Collateral; and

(v) all other terms applicable to such Refinancing Term Loans (except as set forth above), taken as a whole, shall not be materially more favorable to the Refinancing Term Loan Lenders than the related provisions applicable to the existing Term Loans or otherwise reasonably satisfactory to the Administrative Agent, except to the extent (x) such covenants and other terms apply solely to any period after the Latest Maturity Date as of the date such Indebtedness was incurred or (y) such Refinancing Term Loans were incurred under the Inside Maturity Basket (*provided* that a certificate of a Responsible Officer of Borrower delivered to the Administrative Agent in good faith at least five Business Days prior to the incurrence of such Indebtedness, together with a reasonably detailed description of the material terms and conditions of such Indebtedness or drafts of the documentation relating thereto, stating that Borrower has determined in good faith that such terms and conditions satisfy the requirement set out in this clause (v), shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Administrative Agent provides notice to Borrower of an objection during such five Business Day period (including a reasonable description of the basis upon which it objects)).

(b) Borrower may approach any Lender or any other Person that would be an Eligible Transferee of Term Loans to provide all or a portion of the Refinancing Term Loans (a "Refinancing Term Loan Lender"); *provided* that any Lender offered or approached to provide all or a portion of the Refinancing Term Loans may elect or decline, in its sole discretion, to provide a Refinancing Term Loan. Any Refinancing Term Loans made on any Refinancing Effective Date shall be designated a series of Refinancing Term Loans (a "Refinancing Term Loan Series") for all purposes of this Agreement; *provided* that any Refinancing Term Loans may, to the extent provided in the applicable

Refinancing Term Loan Amendment and subject to the restrictions set forth in clause (a) above, be designated as an increase in any previously established Tranche of Term Loans.

(c) The Administrative Agent and the Lenders hereby consent to the transactions contemplated by Section 2.18(a) (including, for the avoidance of doubt, the payment of interest, fees, amortization (to the extent in compliance with Section 2.18(a)(i)) or premium in respect of the Refinancing Term Loans on the terms specified by Borrower) and hereby waive the requirements of this Agreement or any other Credit Document that may otherwise prohibit any transaction contemplated by Section 2.18(a). The Refinancing Term Loans shall be established pursuant to an amendment to this Agreement among Holdings, Borrower, the Administrative Agent and the Refinancing Term Loan Lenders providing such Refinancing Term Loans (a "Refinancing Term Loan Amendment") (which shall not require the consent of any other Lender) which shall be consistent with the provisions set forth in Section 2.18(a). Each Refinancing Term Loan Amendment shall be binding on the Lenders, the Administrative Agent, the Credit Parties party thereto and the other parties hereto without the consent of any other Lender and the Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Credit Documents as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and Borrower, to effect the provisions of Section 2.18 including such technical amendments as may be necessary or appropriate in connection therewith and to adjust the amortization schedule in Section 5.02(a) (insofar as such schedule relates to payments due to Lenders the Term Loans of which are refinanced with the proceeds of Refinancing Term Loans; *provided* that no such amendment shall reduce the *pro rata* share of any such payment that would have otherwise been payable to the Lenders, the Term Loans of which are not refinanced with the proceeds of Refinancing Term Loans). The Administrative Agent shall be permitted, and each is hereby authorized, to enter into such amendments with Borrower to effect the foregoing.

2.19 Reverse Dutch Auction Repurchases.

(a) Notwithstanding anything to the contrary contained in this Agreement or any other Credit Document, Holdings, Borrower or any Restricted Subsidiary may, at any time and from time to time, conduct reverse Dutch auctions in order to purchase Term Loans of a particular Tranche (each, an "Auction") (each such Auction to be managed exclusively by the Administrative Agent or any other bank or investment bank of recognized standing selected by Borrower (with the consent of the Administrative Agent or such other bank or investment bank) following consultation with the Administrative Agent (in such capacity, the "Auction Manager")), so long as the following conditions are satisfied:

(i) each Auction shall be conducted in accordance with the procedures, terms and conditions set forth in this Section 2.19(a) and Schedule 2.19(a);

(ii) no Event of Default shall have occurred and be continuing on the date of the delivery of each auction notice and at the time of purchase of Term Loans in connection with any Auction;

(iii) the minimum principal amount (calculated on the face amount thereof) of all Term Loans that Holdings, Borrower or such Restricted Subsidiary offers to purchase in any such Auction shall be no less than $2,500,000 (unless another amount is agreed to by the Administrative Agent);

(iv) Borrower shall not use the proceeds of any borrowing under the ABL Credit Agreement to finance any such repurchase; and

(v) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans so purchased by Holdings, Borrower or such Restricted Subsidiary shall automatically be cancelled and retired on the settlement date of the relevant purchase (and may not be resold).

(b) Holdings, Borrower or such Restricted Subsidiary must terminate an Auction if it fails to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to such Auction. Holdings, Borrower or such Restricted Subsidiary may withdraw any Auction if the reply amounts are insufficient to complete the purchase of a minimum principal amount of the Term Loans designated in writing to the applicable Auction Manager by Holdings, Borrower or such Restricted

Subsidiary (the "Minimum Purchase Condition"). No Credit Party or any Restricted Subsidiary shall have any liability to any Lender for any termination of such Auction as a result of its failure to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to the such Auction, or for any termination of such Auction as a result of the failure to satisfy the Minimum Purchase Condition, and any such failure shall not result in any Default or Event of Default hereunder. With respect to all purchases of Term Loans made pursuant to this Section 2.19, (x) Holdings, Borrower or such Restricted Subsidiary shall pay on the settlement date of each such purchase all accrued and unpaid interest (except to the extent otherwise set forth in the relevant offering documents), if any, on the purchased Term Loans up to the settlement date of such purchase and (y) such purchases (and the payments made therefor and the cancellation of the purchased Term Loans, in each case in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Sections 5.01, 5.02 or 13.06. At the time of purchases of Term Loans pursuant to an Auction, the then remaining Scheduled Repayments shall be reduced by the aggregate principal amount (taking the face amount thereof) of Term Loans repurchased pursuant to such Auction, with such reduction to be applied to such Scheduled Repayments on a *pro rata* basis (based on the then remaining principal amount of each such Scheduled Repayments).

(c) The Administrative Agent and the Lenders hereby consent to the Auctions and the other transactions contemplated by thisSection 2.19 (*provided* that no Lender shall have an obligation to participate in any such Auctions) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02 and 13.06 (it being understood and acknowledged that purchases of the Term Loans by Holdings, Borrower or any Restricted Subsidiary contemplated by this Section 2.19 shall not constitute Investments by such Person)) or any other Credit Document that may otherwise prohibit any Auction or any other transaction contemplated by this Section 2.19. The Auction Manager acting in its capacity as such hereunder shall be entitled to the benefits of the provisions of Section 12 and Section 13.01 *mutatis mutandis* as if each reference therein to the "Administrative Agent" were a reference to the Auction Manager, and the Administrative Agent and the Auction Manager shall cooperate in a reasonable manner in connection therewith.

2.20 Open Market Purchases.

(a) Notwithstanding anything to the contrary contained in this Agreement or any other Credit Document, Holdings, Borrower or any of its Restricted Subsidiaries may, at any time and from time to time, make open market purchases (including on a non-*pro rata* basis) of Term Loans (each, an "Open Market Purchase"), so long as the following conditions are satisfied:

(i) no Event of Default shall have occurred and be continuing on the date of such Open Market Purchase;

(ii) neither Holdings, Borrower nor any Restricted Subsidiary shall use the proceeds of any borrowing under the ABL Credit Agreement to finance any such purchase; and

(iii) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans so purchased by Holdings, Borrower or any of its Restricted Subsidiaries shall automatically be cancelled and retired on the settlement date of the relevant purchase (and may not be resold).

(b) With respect to all purchases of Term Loans made pursuant to thisSection 2.20, (x) Holdings, Borrower or such Restricted Subsidiary shall pay on the settlement date of each such purchase all accrued and unpaid interest, if any, on the purchased Term Loans up to the settlement date of such purchase (except to the extent otherwise set forth in the relevant purchase documents as agreed by the respective selling Lender) and (y) such purchases (and the payments made therefor and the cancellation of the purchased Term Loans, in each case in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 5.01, 5.02 or 13.06. At the time of purchases of Term Loans pursuant to any Open Market Purchase, the then remaining Scheduled Repayments shall be reduced by the aggregate principal amount (taking the face amount thereof) of Term Loans repurchased pursuant to such Open Market Purchase, with such reduction to be applied to such Scheduled Repayments on a *pro rata* basis (based on the then remaining principal amount of each such Scheduled Repayments).

(c) The Administrative Agent and the Lenders hereby consent to the Open Market Purchases contemplated by thisSection 2.20 and hereby waive the requirements of any provision of this Agreement (including,

without limitation, Sections 5.01, 5.02 and 13.06 (it being understood and acknowledged that purchases of the Term Loans by Holdings, Borrower or any Restricted Subsidiary contemplated by this Section 2.20 shall not constitute Investments by such Person)) or any other Credit Document that may otherwise prohibit any Open Market Purchase by this Section 2.20.

2.21 Sponsor and Affiliate Term Loan Purchases. Notwithstanding anything to the contrary in this Agreement, the Sponsor and any Non-Debt Fund Affiliate may be an assignee in respect of Term Loans (and to such extent shall be deemed an "Eligible Transferee"); *provided* that:

(a) at the time of acquisition thereof, the aggregate principal amount of Term Loans held by the Sponsor and Non-Debt Fund Affiliates, together with the aggregate principal amount of the Term Loans so acquired, shall not exceed 25% of the aggregate outstanding principal amount of the Term Loans at such time;

(b) notwithstanding anything to the contrary in the definition of "Required Lenders", or inSection 13.12, the holder of any Term Loans acquired pursuant to this Section 2.21(b) (other than Debt Fund Affiliates) shall not be entitled to vote such Term Loans in any "Required Lender" vote or direction pursuant to the terms of this Agreement or any other Credit Document, and for purposes of any such vote or direction such Term Loans shall be deemed not to be outstanding (it being understood that the holder of such Term Loans shall have the right to consent to votes requiring the consent of "all Lenders" or "all Lenders directly and adversely affected thereby" pursuant to Section 13.12 or otherwise, or any other amendment which treats such Lenders differently from other Lenders);

(c) by acquiring a Term Loan hereunder, the Sponsor or such applicable Non-Debt Fund Affiliates shall be deemed to have (I) waived its right to receive information prepared by the Administrative Agent or any Lender (or any advisor, agent or counsel thereof) under or in connection with the Credit Documents (in each case to the extent not provided to the Credit Parties) and attend any meeting or conference call with the Administrative Agent or any Lender (unless any Credit Party has been invited to attend such meeting or conference call), (II) agreed that it is prohibited from making or bringing any claim (but not from joining any claim initiated by any other Lender and acting as a passive participant with respect thereto), in its capacity as a Lender, against Administrative Agent or any Lender with respect to the duties and obligations of such Persons under the Credit Documents, and (III) agreed, without limiting its rights as a Lender described in Section 2.21(b), that it will have no right whatsoever, in its capacity as a Lender, to require the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to this Agreement or any other Credit Document;

(d) the Sponsor or such Non-Debt Fund Affiliate identifies itself as an Affiliate of the Credit Parties prior to the assignment of Term Loans to it pursuant to the applicable Assignment and Assumption; provided that this clause (d) shall not apply in the case of an acquisition of Term Loans through an un-Affiliated intermediary to the extent the Sponsor or such Non-Debt Fund Affiliate has made any representations and warranties to such intermediary as are required by such intermediary in connection with its engagement as such (which may include, to the extent required by such intermediary, a representation and warranty that it does not possess any material non-public information about the Credit Parties and their respective securities);

(e) Term Loans acquired by the Sponsor and Non-Debt Fund Affiliates shall be subject to the voting limitations set forth inSection 13.04(g);

(f) notwithstanding anything in Section 13.12 or the definition of "Required Lenders" to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Credit Document or any departure by any Credit Party therefrom, (ii) otherwise acted on any matter related to any Credit Document or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Credit Document, all Term Loans held by Debt Fund Affiliates may not account for more than 49.9% of the Term Loans of consenting Lenders included in determining whether the Required Lenders have consented to any action pursuant to Section 13.12; and

(g) each assignor and assignee party any relevant assignment under this Section 2.21 shall render customary "big boy" disclaimer letters or any such disclaimers shall be incorporated into the terms of the Assignment and Assumption.

Section 3. [Reserved].

Section 4. Fees; Reductions of Commitment.

4.01 Fees.

(a) Borrower agrees to pay to the Administrative Agent such fees as may be agreed to in writing from time to time by Borrower and the Administrative Agent.

(b) At the time of the effectiveness of any Repricing Transaction that is consummated prior to the date that is six (6) months after the ~~Closing~~**Amendment No. 2 Effective** Date, Borrower agrees to pay to the Administrative Agent, for the ratable account of each Lender with outstanding ~~Initial~~ Term B Loans that are repaid or prepaid (and/or converted) pursuant to such Repricing Transaction (including, if applicable, each Lender that withholds its consent to a Repricing Transaction of the type described in clause (2) of the definition thereof and is replaced as a non-consenting Lender under Section 2.13), a fee in an amount equal to 1.00% of (x) in the case of a Repricing Transaction of the type described in clause (1) of the definition thereof, the aggregate principal amount of all ~~Initial~~ Term **B** Loans prepaid (or converted) by Borrower in connection with such Repricing Transaction and (y) in the case of a Repricing Transaction of the type described in clause (2) of the definition thereof, the aggregate principal amount of all ~~Initial~~ Term **B** Loans outstanding with respect to Borrower on such date that are subject to an effective reduction of the Applicable Margin pursuant to such Repricing Transaction. Such fees shall be due and payable upon the date of the effectiveness of such Repricing Transaction.

4.02 Mandatory Reduction of Commitments.

(a) In addition to any other mandatory commitment reductions pursuant to this Section 4.02, the Total Initial Term Loan Commitment shall terminate in its entirety on the Closing Date after the funding of all Initial Term Loans on such date. **In addition to any other mandatory commitment reductions pursuant to this Section 4.02, the Total Term B Loan Commitment shall terminate in its entirety on the Amendment No. 2 Effective Date after the funding of all Additional Term B Loans on such date.**

(b) In addition to any other mandatory commitment reductions pursuant to this Section 4.02, the Total Incremental Term Loan Commitment pursuant to an Incremental Term Loan Amendment (and the Incremental Term Loan Commitment of each Lender with such a Commitment) shall terminate in its entirety on the Incremental Term Loan Borrowing Date for such Total Incremental Term Loan Commitment after the funding of all relevant Incremental Term Loans on such date.

(c) Each reduction to the Total Initial Term **Loan Commitment, the Total Term B** Loan Commitment and the Total Incremental Term Loan Commitment under a given Tranche pursuant to this Section 4.02 as provided above (or pursuant to Section 5.02) shall be applied proportionately to reduce the Initial Term Loan Commitment**, the Term B Loan Commitment** or the Incremental Term Loan Commitment under such Tranche, as the case may be, of each Lender with such a Commitment.

Section 5. Prepayments; Payments; Taxes.

5.01 Voluntary Prepayments.

(a) Borrower shall have the right to prepay the Term Loans of any Tranche, without premium or penalty (other than as provided in Section 4.01(b)), in whole or in part at any time and from time to time on the following terms and conditions: (i) Borrower shall give the Administrative Agent at its Notice Office a Notice of Loan Prepayment (or telephonic notice promptly confirmed in writing) of its intent to prepay all of the Term Loans, or in the case of any partial prepayment, the Tranche of Term Loans to be prepaid, the amount of the Term Loans to be

prepaid, the Types of Term Loans to be repaid, the manner in which such prepayment shall apply to reduce the Scheduled Repayments and, in the case of Term Benchmark Term Loans, the specific Borrowing or Borrowings pursuant to which made, which notice shall be given by Borrower (x) prior to 12:00 Noon (New York City time) at least one Business Day prior to the date of such prepayment in the case of Term Loans maintained as Base Rate Term Loans and (y) prior to 12:00 Noon (New York City time) at least three Business Days prior to the date of such prepayment in the case of Term Benchmark Term Loans (or, in the case of clauses (x) and (y), such shorter period as the Administrative Agent shall agree in its sole and absolute discretion), and be promptly transmitted by the Administrative Agent to each of the Lenders; ***provided* that in the event of a voluntary prepayment to be made on the Amendment No. 2 Effective Date, the notice of such prepayment may be delivered one Business Day prior to the Amendment No. 2 Effective Date;** (ii) each partial prepayment of Term Loans pursuant to this Section 5.01(a) shall be in an aggregate principal amount of at least $1,000,000 or such lesser amount as is acceptable to the Administrative Agent; *provided* that if any partial prepayment of Term Benchmark Term Loans made pursuant to any Borrowing shall reduce the outstanding principal amount of Term Benchmark Term Loans made pursuant to such Borrowing to an amount less than the Minimum Borrowing Amount applicable thereto, then if such Borrowing is a Borrowing of Term Benchmark Term Loans, such Borrowing shall automatically be converted into a Borrowing of Base Rate Term Loans and any election of an Interest Period with respect thereto given by Borrower shall have no force or effect; (iii) each prepayment pursuant to this Section 5.01(a) in respect of any Term Loans made pursuant to a Borrowing shall be applied *pro rata* among such Term Loans; *provided* that it is understood and agreed that this clause (iii) may be modified as expressly provided in Section 2.14 in connection with an Extension Amendment; and (iv) each prepayment of principal of Term Loans of a given Tranche pursuant to this Section 5.01(a) shall be applied as directed by Borrower in the applicable Notice of Loan Prepayment delivered pursuant to this Section 5.01(a) or, if no such direction is given, in direct order of maturity. Notwithstanding anything to the contrary contained in this Agreement, any such Notice of Loan Prepayment pursuant to this Section 5.01(a) may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including, but not limited to, the effectiveness of other credit facilities, the occurrence of a Change of Control or any similar event), in which case such notice may be revoked by Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(b) In the event (i) of a refusal by a Lender to consent to proposed changes, amendments, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b) or (ii) any Lender becomes a Defaulting Lender, Borrower may, upon three Business Days' prior written notice to the Administrative Agent at the Notice Office (or such shorter notice as may be agreed by the Administrative Agent) repay all Term Loans of such Lender, together with accrued and unpaid interest, Fees and other amounts owing to such Lender in accordance with, and subject to the requirements of, Section 13.12(b), so long as, in the case of any repayment pursuant to clause (i) hereof, the consents, if any, required under Section 13.12(b) in connection with the repayment pursuant to such clause (i) have been obtained. Each prepayment of any Term Loan pursuant to this Section 5.01(b) shall reduce the then remaining Scheduled Repayments of the applicable Tranche of Term Loans on a *pro rata* basis (based upon the then remaining unpaid principal amounts of Scheduled Repayments of the respective Tranche after giving effect to all prior reductions thereto).

5.02 Mandatory Repayments.

(a) In addition to any other mandatory repayments pursuant to this Section 5.02, on each date set forth below (each, a "Scheduled Repayment Date"), Borrower shall be required to repay to the Administrative Agent for the ratable account of the Lenders ~~**(i) on the last Business Day of each March, June, September and December, commencing with September 30, 2021, an** aggregate principal amount of Initial Term **Loans equal to $5,000,000 and (ii)**~~ on the Initial Maturity Date for ~~**Initial**~~ Term **B** Loans, the aggregate principal amount of all ~~**Initial**~~ Term **B** Loans that remain outstanding on such date ~~**(each** such repayment **described in clauses (i) and (ii)**~~, as the same may be reduced as provided in this Agreement, including in Section 2.19, 2.20, 5.01 or 5.02(g), or as a result of the application of prepayments or otherwise in connection with any Extension as provided in Section 2.14, a "Scheduled Repayment").

(b) In addition to any other mandatory repayments pursuant to this Section 5.02, Borrower shall be required to make, with respect to each new Tranche (i.e., other than ~~**Initial**~~ Term **B** Loans, which are addressed in the preceding clause (a)) of Term Loans to the extent then outstanding, scheduled amortization payments of such Tranche

of Term Loans to the extent, and on the dates and in the principal amounts, set forth in the Incremental Term Loan Amendment, Refinancing Term Loan Amendment or Extension Amendment applicable thereto.

(c) In addition to any other mandatory repayments pursuant to this Section 5.02, within 10 days following each date on or after the Closing Date upon which Borrower or any of its Restricted Subsidiaries receives any cash proceeds from any issuance or incurrence of Indebtedness (other than Indebtedness permitted to be incurred pursuant to Section 10.04 (other than Refinancing Term Loans and Refinancing Notes/Loans)), an amount equal to 100% of the Net Debt Proceeds therefrom shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h).

(d) In addition to any other mandatory repayments pursuant to this Section 5.02, within 10 days following each date on or after the Closing Date upon which Borrower or any of its Restricted Subsidiaries receives any Net Sale Proceeds from any Asset Sale (other than in respect of ABL Collateral), an amount equal to the Applicable Asset Sale/Recovery Event Prepayment Percentage of the Net Sale Proceeds therefrom shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h); *provided*, *however*, with respect to an aggregate amount of no more than the greater of $120,000,000 and 10% of Consolidated EBITDA of Borrower and its Restricted Subsidiaries for the most recently ended Test Period, of such Net Sale Proceeds received by Borrower and its Restricted Subsidiaries in any fiscal year of Borrower, such Net Sale Proceeds shall not be required to be so applied or used to make mandatory repayments of Term Loans and any required prepayment shall be only the amount in excess thereof. Notwithstanding the foregoing, Borrower or such Restricted Subsidiary may apply all or a portion of such Net Sale Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder to reinvest in the purchase of assets useful in the business of Borrower and its Restricted Subsidiaries within 12 months following the date of receipt of such Net Sale Proceeds (or, if within such 12-month period, Borrower or any of its Restricted Subsidiaries enters into a binding commitment to so reinvest such Net Sale Proceeds, within 180 days following such 12-month period during which Borrower so committed to such plan of reinvestment); *provided*, *further*, that if within 12 months (or, to the extent applicable, 18 months) after the date of receipt by Borrower or such Restricted Subsidiary of such Net Sale Proceeds, Borrower or such Restricted Subsidiary has not so used all or a portion of such Net Sale Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder, an amount equal to the remaining portion of such Net Sale Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h) on the last day of such 12-month (or, to the extent applicable, 18-month) period.

(e) In addition to any other mandatory repayments pursuant to this Section 5.02, on each Excess Cash Flow Payment Date, an amount (such amount the "Excess Cash Flow Payment Amount") equal to the remainder of (i) the Applicable ECF Prepayment Percentage of the Excess Cash Flow for the related Excess Cash Flow Payment Period *less* (ii) the aggregate amount of all Voluntary Pari Passu Debt Prepayments, *less* (iii) the aggregate amount of all Capital Expenditures made or accrued by Borrower and its Restricted Subsidiaries, *less* (iv) the aggregate amount of all cash payments made in respect of any Permitted Acquisitions and other Investments permitted pursuant to Section 10.05 (other than Investments in Cash Equivalents or in Borrower or a Person that, prior to and immediately following the making of such Investment, was and remains a Restricted Subsidiary), *less* (v) Dividends made in cash to the extent permitted by Sections 10.03(iii), (iv), (v), (vi), (vii), (viii), (ix), (x), (xiii), (xxiii) or (xv), *less* (vi) the portion of transaction costs and expenses related to items (ii) – (v) above (to the extent not deducted in determining Consolidated Net Income), *less* (vii) the aggregate amount of any premium, make-whole or penalty payments actually paid in cash that are required to be made in connection with any prepayment, buyback or redemption of Indebtedness pursuant to clause (ii) above, in each case of the foregoing clauses (ii) – (vii), made during the relevant Excess Cash Flow Payment Period or after such Excess Cash Flow Payment Period and prior to the time such Excess Cash Flow Payment Amount is due (or, at the election of Borrower, if committed to be made during the relevant Excess Cash Flow Payment Period or after such Excess Cash Flow Payment Period and prior to the time such Excess Cash Flow Payment Amount is due), to the extent not financed with the proceeds of long-term indebtedness (excluding ABL Revolving Loans and borrowings under any similar working capital facility permitted under Section 10.04 or any Qualified Securitization Transaction or Receivables Facility permitted under Section 10.04, shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h); *provided*, that no prepayment shall be required with respect to any Excess Cash Flow Payment Period to the extent Excess Cash Flow for such period is equal to or less than the greater of $30,000,000 and 2.5% of Consolidated EBITDA of Borrower and its Restricted Subsidiaries for the most recently ended Test Period, and, in such case, the required prepayment shall be only the amount in excess thereof.

(f) In addition to any other mandatory repayments pursuant to this Section 5.02, within 10 days following each date on or after the Closing Date upon which Borrower or any of its Restricted Subsidiaries receives any Net Insurance Proceeds from any Recovery Event (other than in respect of ABL Collateral), an amount equal to the Applicable Asset Sale/Recovery Event Prepayment Percentage of the Net Insurance Proceeds from such Recovery Event shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h); *provided*, *however*, with respect to an aggregate amount of no more than the greater of $120,000,000 and 10% of Consolidated EBITDA of Borrower and its Restricted Subsidiaries for the most recently ended Test Period, of such Net Insurance Proceeds received by Borrower and its Restricted Subsidiaries in any fiscal year of Borrower, such Net Insurance Proceeds shall not give rise to a mandatory repayment and any required prepayment shall be only the amount in excess thereof. Notwithstanding the foregoing, Borrower or such Restricted Subsidiary may apply all or a portion of such Net Insurance Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder to reinvest in the purchase of assets useful in the business of Borrower and its Restricted Subsidiaries within 12 months following the date of receipt of such Net Insurance Proceeds (or, if within such 12-month period, Borrower or any of its Restricted Subsidiaries enters into a binding commitment to so reinvest such Net Insurance Proceeds, within 180 days following such 12-month period during which Borrower so committed to such plan of reinvestment); *provided*, *further*, that if within 12 months (or, to the extent applicable, 18 months) after the date of receipt by Borrower or such Restricted Subsidiary of such Net Insurance Proceeds, Borrower or such Restricted Subsidiary has not so used all or a portion of such Net Insurance Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder, an amount equal to the remaining portion of such Net Insurance Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h) on the last day of such 12-month (or, to the extent applicable, 18-month) period.

(g) Each amount required to be applied pursuant to Sections 5.02(d), (e) and (f) in accordance with this Section 5.02(g) shall be applied to repay the outstanding principal amount of Term Loans, with each Tranche of then outstanding Term Loans to be allocated its Term Loan Percentage of each amount so required to be applied; *provided* that to the extent any Secured Notes, any Permitted Pari Passu Notes, any Permitted Pari Passu Loans or Refinancing Notes/Loans (or, in each case, any Permitted Refinancing Indebtedness in respect of any of the foregoing that is secured on a *pari passu* basis with the Obligations) requires any mandatory prepayment or repurchase of *pari passu* Indebtedness from any Net Sale Proceeds or Net Insurance Proceeds that would otherwise be required to be applied to prepay Term Loans in accordance with clause (d) or (f) above, up to a *pro rata* portion (based on the aggregate principal amount of Term Loans and such *pari passu* secured Indebtedness then outstanding) of such Net Sale Proceeds or Net Insurance Proceeds that would otherwise be required to prepay Term Loans in accordance with clause (d) or (f) above may be applied to prepay or repurchase such *pari passu* secured Indebtedness in lieu of prepaying Term Loans as provided above. Prepayments pursuant to Section 5.02(c) shall be applied to the Tranche or Tranches of Term Loans selected by Borrower. Except as otherwise provided below, all repayments of outstanding Term Loans of a given Tranche pursuant to Sections 5.02(c), (d), (e) and (f) (and applied pursuant to this clause (g)) shall be applied to reduce the Scheduled Repayments of the applicable Tranche in direct order of maturity of such Scheduled Repayments.

(h) With respect to each repayment of Term Loans required by this Section 5.02, Borrower may (subject to the priority payment requirements of Section 5.02(g)) designate the Types of Term Loans of the applicable Tranche which are to be repaid and, in the case of Term Benchmark Term Loans, the specific Borrowing or Borrowings of the applicable Tranche pursuant to which such Term Benchmark Term Loans were made; *provided* that: (i) repayments of Term Benchmark Term Loans pursuant to this Section 5.02 may only be made on the last day of an Interest Period applicable thereto unless all such Term Benchmark Term Loans of the applicable Tranche with Interest Periods ending on such date of required repayment and all Base Rate Term Loans of the applicable Tranche have been paid in full; and (ii) each repayment of any Term Loans made pursuant to a Borrowing shall be applied *pro rata* among such Term Loans. In the absence of a designation by Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its reasonable discretion.

(i) In addition to any other mandatory repayments pursuant to this Section 5.02, all then outstanding Term Loans of any Tranche of Term Loans shall be repaid in full on the Maturity Date for such Tranche of Term Loans.

(j) Notwithstanding any other provisions of this Section 5.02, (i) to the extent that any or all of the Net Sale Proceeds of any Asset Sale by a Foreign Subsidiary (a "Foreign Asset Sale"), the Net Insurance Proceeds of any Recovery Event incurred by a Foreign Subsidiary (a 'Foreign Recovery Event") or Excess Cash Flow attributable to Foreign Subsidiaries are prohibited or delayed by applicable local law, rule or regulation or applicable organizational documents of such Foreign Subsidiary from being repatriated to the United States, an amount equal to the portion of such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 5.02 so long, but only so long, as the applicable local law, rule or regulation or applicable organizational documents of such Foreign Subsidiary will not permit repatriation to the United States (Borrower hereby agreeing to use all commercially reasonable efforts to overcome or eliminate any such restrictions on repatriation and/or minimize any such costs of prepayment and/or use the other cash sources of Borrower and its Restricted Subsidiaries to make the relevant prepayment), and if within one year following the date on which the respective prepayment would otherwise have been required such repatriation of any of such affected Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow is permitted under the applicable local law, rule or regulation or applicable organizational documents of such Foreign Subsidiary, an amount equal to such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow will be promptly applied (net of additional taxes that would be payable or reserved against as a result of repatriating such amounts and additional costs relating to such repatriation) to the repayment of the Term Loans pursuant to this Section 5.02, (ii) to the extent that Borrower has reasonably determined in good faith that repatriation of any of or all the Net Sale Proceeds of any Foreign Asset Sale, Net Insurance Proceeds of any Foreign Recovery Event, or Excess Cash Flow attributable to Foreign Subsidiaries would have material adverse tax consequences, an amount equal to such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow so affected will not be required to be applied to prepay Term Loans at the times provided in this Section 5.02 and (iii) to the extent that the Net Sale Proceeds of an Asset Sale are attributable to a non-Wholly-Owned Subsidiary, the Net Insurance Proceeds of a Recovery Event are attributable to a non-Wholly-Owned Subsidiary or Excess Cash Flow is attributable to a non-Wholly-Owned Subsidiary, the amount of such Net Sale Proceeds, such Net Insurance Proceeds and such Excess Cash Flow used to calculate the required prepayment pursuant to this Section 5.02 shall not exceed the lesser of (x) an amount corresponding to the proportionate ownership interests in such non-Wholly-Owned Subsidiary or (y) an amount corresponding to the amount of distributions permitted to be made from such non-Wholly-Owned Subsidiary to its direct or indirect parent entity that is a Wholly-Owned Subsidiary for such purposes at the time such prepayment is required to be made.

(k) Borrower shall notify the Administrative Agent in writing of any mandatory repayment of Term Loans required to be made pursuant to Section 5.02(d), (e) or (f) at least three Business Days prior to the date of such repayment. Each such notice shall specify the date of such repayment and provide the amount of such repayment. The Administrative Agent will promptly notify the Lenders of the contents of Borrower's Notice of Loan Prepayment and of such Lender's *pro rata* share of any repayment. Each Lender may reject all or a portion of its*pro rata* share of any mandatory repayment (such declined amounts, the "Declined Proceeds") of Term Loans required to be made pursuant toSection 5.02(d), (e) or (f) by providing written notice (each, a "Rejection Notice") to the Administrative Agent and Borrower no later than 5:00 P.M. (New York City time) on the Business Day after the date of such Lender's receipt of notice from the Administrative Agent regarding such repayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Lender fails to deliver such Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory repayment of Term Loans to which such Lender is otherwise entitled. Any Declined Proceeds that would otherwise have been payable pursuant to Section 5.02(d) or (f), to the extent retained by Borrower following compliance with the provisions hereof, are referred to herein as "Specified Retained Declined Proceeds".

5.03 Method and Place of Payment. All payments under this Agreement and under any Note shall be made (i) to the Administrative Agent at its Notice Office for the account of the Lender or Lenders entitled thereto, or, except as otherwise specifically provided herein, directly to such Lender or Lenders, in each case, not later than 2:00 p.m. (New York City time) on the date when due (or, in connection with any prepayment of all outstanding Term Loans, such later time on the specified prepayment date as the Administrative Agent may agree), (ii) in Dollars in immediately available funds and (iii) free and clear of and without condition or deduction for any counterclaim, defense, recoupment or setoff. Any payment received after such time on such date referred to in the first sentence of this Section 5.03 shall, at the option of the Administrative Agent, be deemed to have been received on the next Business Day. Whenever any payment to be made hereunder or under any Note shall be stated to be due on a day

which is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable at the applicable rate during such extension. Unless the Administrative Agent shall have received notice from Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that Borrower will not make such payment, the Administrative Agent may assume that Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if Borrower has not in fact made such payment, then each Lender severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

5.04 Net Payments.

(a) All payments made by or on account of any Credit Party under any Credit Document shall be made free and clear of, and without deduction or withholding for, any Taxes, except as required by applicable Requirements of Law. If any Taxes are required to be withheld or deducted in respect of any such payments, then the Credit Parties jointly and severally agree that (i) to the extent such deduction or withholding is on account of an Indemnified Tax or Other Tax, the sum payable by the applicable Credit Party shall be increased as necessary so that after all required deductions or withholdings (including deduction or withholdings applicable to additional sums payable under this Section 5.04) have been made by the applicable withholding agent, the applicable Lender (or, in the case of payments made to the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable withholding agent will make such deductions or withholdings, and (iii) the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Requirements of Law. In addition, the Credit Parties shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Requirements of Law. The Credit Parties will furnish to the Administrative Agent within 45 days after the date the payment by any of them of any Taxes is due pursuant to applicable Requirements of Law certified copies of tax receipts evidencing such payment by the applicable Credit Party, or other evidence of such payment reasonably satisfactory to the Administrative Agent. Without duplication of amounts compensated pursuant to the other provisions of this Section 5.04, the Credit Parties jointly and severally agree to indemnify and hold harmless the Administrative Agent and each Lender, and reimburse the Administrative Agent and each Lender, within 10 Business Days of written request therefor, for the amount of any Indemnified Taxes or Other Taxes (including any Indemnified Taxes or Other Taxes imposed on amounts payable under this Section 5.04) payable or paid by the Administrative Agent or such Lender or required to be withheld or deducted from a payment to the Administrative Agent or such Lender, and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered by a Lender or by the Administrative Agent on behalf of a Lender shall be conclusive absent manifest error.

(b) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to any payments made under any Credit Document shall deliver to Borrower and the Administrative Agent, at the time or times reasonably requested by Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by Borrower or the Administrative Agent, certifying as to any entitlement of such Lender to an exemption from, or a reduced rate of, withholding Tax. In addition, each Lender shall deliver to Borrower and the Administrative Agent, at the time or times reasonably requested by Borrower or the Administrative Agent, such other documentation prescribed by applicable Requirements of Law or reasonably requested by Borrower or the Administrative Agent as will enable Borrower or the Administrative Agent to determine whether such Lender is subject to backup withholding or information reporting requirements. Each Lender shall, whenever a lapse in time or change in circumstances renders any such documentation (including any specific documents required below in Section 5.04(c)) expired, obsolete or inaccurate in any respect, deliver promptly to Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by Borrower or the Administrative Agent) or promptly notify Borrower and the Administrative Agent in writing of its legal ineligibility to do so.

(c) Without limiting the generality of the foregoing: (x) each Lender that is not a U.S. Person shall, to the extent it is legally eligible to do so, deliver to Borrower and the Administrative Agent on or prior to the Closing Date or, in the case of a Lender that is an assignee or transferee of an interest under this Agreement pursuant to Section 2.13 or 13.04(b) (unless the relevant Lender was already a Lender hereunder immediately prior to such assignment or transfer), on the date of such assignment or transfer to such Lender, two of whichever of the following is applicable (i) in the case of such a Lender that is claiming the benefits of an income tax treaty to which the United States is a party (A) with respect to payments of interest under any Credit Document, duly executed originals of IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the interest article of such tax treaty and (B) with respect to any other applicable payments under any Credit Document, duly executed originals of IRS Form W-8 BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty; (ii) duly executed originals of IRS Form W-8ECI; (iii) in the case of such a Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (A) a certificate substantially in the form of Exhibit C-1to the effect that such Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10-percent shareholder" of Borrower (or the direct or indirect owner of such Borrower from which such Borrower is disregarded as separate for U.S. federal income tax purposes) within the meaning of Section 871(h)(3)(B) of the Code, or a "controlled foreign corporation" related to such Borrower, as described in Section 881(c)(3)(C) of the Code and that no payments under any Credit Documents are effectively connected with such Lender's conduct of a U.S. trade or business (a "U.S. Tax Compliance Certificate") and (B) duly executed originals of IRS Form W-8BEN or W-8BEN-E; (iv) to the extent such Lender is not the beneficial owner (for example, where the Lender is a partnership or a participating Lender), duly executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit C-2 or Exhibit C-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; *provided* that if the applicable Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners of such Lender are claiming the portfolio interest exemption, such Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit C-4 on behalf of such direct or indirect partner(s); (v) duly executed originals of any other documentation prescribed by applicable Requirements of Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax together with such supplementary documentation as may be prescribed by applicable Requirements of Law to permit Borrower or the Administrative Agent to determine the withholding or deduction required to be made; (y) each Lender that is a U.S. Person shall deliver to Borrower and the Administrative Agent, on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or the Administrative Agent), two duly executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding Tax; and (z) if any payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to Borrower and the Administrative Agent, at the time or times prescribed by applicable Requirements of Law and at such time or times reasonably requested by Borrower or the Administrative Agent, such documentation prescribed by applicable Requirements of Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by Borrower or the Administrative Agent as may be necessary for Borrower or the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has complied with such Lender's obligations under FATCA and to determine, if necessary, the amount to deduct and withhold from such payment. Solely for purposes of this Section 5.04(c)(z), "FATCA" shall include any amendment made to FATCA after the Closing Date.

On or prior to the date it becomes a party to this Agreement, the Administrative Agent shall deliver to Borrower either (i) two duly completed originals of IRS Form W-9, or (ii) if the Administrative Agent is not a U.S. Person (a) two duly completed originals of IRS Form W-8ECI with respect to payments to be received under the Credit Documents for its own account and (b) with respect to payments received on account of any Lender, two duly completed originals of IRS Form W-8IMY evidencing its agreement with Borrower to be treated as a U.S. Person for U.S. federal withholding Tax purposes and assuming primary responsibility for U.S. federal income Tax withholding. Each Lender authorizes the Administrative Agent to deliver to Borrower and to any successor Administrative Agent any documentation provided by the Lender to the Administrative Agent pursuant to Section 5.04(b) or this Section 5.04(c).

Notwithstanding any other provision of this Section 5.04, a Lender shall not be required to deliver any documentation that such Lender is not legally eligible to deliver.

(d) If the Administrative Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by the Credit Parties or with respect to which a Credit Party has paid additional amounts pursuant to Section 5.04(a), it shall pay to the relevant Credit Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by such Credit Party under Section 5.04(a) with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses, including any Taxes, of the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); *provided* that the relevant Credit Party, upon the request of the Administrative Agent or such Lender, shall repay the amount paid over to such Credit Party (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. (c) Holdings and Borrower will, and will cause each of the other Credit Parties to, at the expense of Borrower, make, execute, endorse, acknowledge, file and/or deliver to the Collateral Agent, promptly, upon the reasonable request of the Administrative Agent or the Collateral Agent, at Borrower's expense, any document or instrument supplemental to or confirmatory of the Security Documents to the extent deemed by the Administrative Agent or the Collateral Agent reasonably necessary for the continued validity, perfection and priority (subject to the terms of the ABL Intercreditor Agreement, the Pari Passu Intercreditor Agreement, any Additional Junior Lien Intercreditor Agreement and any Additional Pari Passu Intercreditor Agreement) of the Liens on the Collateral covered thereby subject to no other Liens except for Permitted Liens or as otherwise permitted by the applicable Security Document.

(d) If the Administrative Agent or the Collateral Agent reasonably determines that it or the Lenders are required by law or regulation to have appraisals prepared in respect of any Mortgaged Property, Borrower will, at its own expense, provide to the Administrative Agent appraisals which satisfy the applicable requirements of the Real

Estate Appraisal Reform Amendments of the Financial Institution Reform, Recovery and Enforcement Act of 1989, as amended.

(e) Borrower agrees that each action required by clauses (a) through (d) of this Section 9.12 shall be completed in no event later than 90 days after such action is required to be taken pursuant to such clauses or requested to be taken by the Administrative Agent, the Collateral Agent or the Required Lenders (or such longer period as the Administrative Agent or Collateral Agent shall otherwise agree, including with respect to any Real Property acquired after the Closing Date that Borrower has notified the Collateral Agent that it intends to dispose of pursuant to a disposition permitted by Section 10.04), as the case may be; *provided* that, in no event will Borrower or any of its Restricted Subsidiaries be required to take any action to obtain consents from third parties with respect to its compliance with this Section 9.12; *provided*, *further*, that, Borrower shall give the Collateral Agent 45 days written notice prior to granting any Mortgage to the Collateral Agent for the benefit of the Secured Creditors as required herein and shall not grant such Mortgage until (i) the Collateral Agent has provided written notice to Borrower of the completion of all required flood insurance due diligence and flood insurance compliance which notice states that the Collateral Agent is satisfied with the results thereof and (ii) the expiration of such 45 day period with no Lender having provided notice to Borrower that it has not completed any necessary flood insurance due diligence or flood insurance compliance or that it is not satisfied with the results of any such due diligence or compliance (and the date by which any Credit Party is required to deliver Mortgages hereunder shall automatically be extended to the extent necessary to comply with the foregoing). Each of the parties hereto acknowledges and agrees that the grant of any Mortgage on Mortgaged Property of the Credit Parties (or any increase, extension or renewal of any Loans or Commitments at a time when any Mortgaged Property is subject to a Mortgage) shall be subject to (and conditioned upon) the prior delivery to the Collateral Agent of "life-of-loan" Federal Emergency Management Agency standard flood hazard determinations with respect to each Mortgaged Property and, to the extent any improved Mortgaged Property is located in an area determined by the Federal Emergency Management Agency (or any successor agency) to be a special flood hazard area, (i) delivery by the Collateral Agent to Borrower of a notice of special flood hazard area status and flood disaster assistance and, if such notice is delivered to Borrower at least two (2) Business Days prior to such grant, increase, extension or renewal, a duly executed acknowledgment of receipt thereof by Borrower and (ii) evidence of flood insurance as required by Section 9.03 hereof. (a) Subject to the provisions of this Section 9.14 and the requirements contained in the definition of "Permitted Acquisition," Borrower and its Restricted Subsidiaries may from time to time after the Closing Date effect Permitted Acquisitions, so long as (in each case except to the extent the Required Lenders otherwise specifically agree in writing in the case of a specific Permitted Acquisition), no Event of Default shall have occurred and be continuing at the time of the consummation of the proposed Permitted Acquisition or immediately after giving effect to such Permitted Acquisition on the date of consummation thereof.

(b) Borrower shall cause each Restricted Subsidiary (other than an Excluded Subsidiary) which is formed to effect, or is acquired pursuant to, a Permitted Acquisition (and each Credit Party that is the direct parent of such Restricted Subsidiary that was so formed or acquired) to comply with, and to execute and deliver all of the documentation as and to the extent (and within the relevant time periods) required by, Section 9.12, to the reasonable satisfaction of the Collateral Agent.

The designation of any Unrestricted Subsidiary as a Restricted Subsidiary shall constitute (i) the incurrence at the time of designation of any Investment, Indebtedness or Liens of such Subsidiary and its Subsidiaries existing at such time and (ii) a return on any Investment by Borrower in Unrestricted Subsidiaries pursuant to the preceding sentence in an amount equal to the fair market value at the date of such designation of Borrower's Investment in such Subsidiary.

The provisions of this Section 12 (other than Sections 12.08, 12.10 and 12.11) are solely for the benefit of the Administrative Agent and the Lenders, and

neither Borrower nor any other Credit Party shall have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term "agent" herein or in any other Credit Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(b) JPMorgan shall also act as the "Collateral Agent" and "security trustee" under the Credit Documents, and each of the Lenders (on behalf of itself and its Affiliates, including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement) hereby irrevocably appoints and authorizes JPMorgan to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any Credit Party to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, JPMorgan, as "Collateral Agent" or "security trustee" and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 12.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Collateral Agent, shall be entitled to the benefits of all provisions of this Section 12 and Section 13 (including Section 13.01, as though such co-agents, sub-agents and attorneys-in-fact were the "collateral agent" or "security trustee" under the Credit Documents) as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Collateral Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Guaranteed Creditors with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Security Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

(c) Each of the Lenders (including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement or a Designated Treasury Services Agreement) hereby authorizes the Administrative Agent and/or the Collateral Agent to enter into the ABL Intercreditor Agreement, the Pari Passu Intercreditor Agreement, any Additional Junior Lien Intercreditor Agreement, any Additional Pari Passu Intercreditor Agreement and any other intercreditor agreement or arrangement or supplement thereto permitted under this Agreement without any further consent by any Lender and any such intercreditor agreement shall be binding upon the Lenders.

12.02 Delegation of Duties. Each of the Administrative Agent and the Collateral Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Credit Document by or through any one or more sub-agents appointed by the Administrative Agent and/or the Collateral Agent. The Administrative Agent, the Collateral Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section 12 shall apply to any such sub-agent and to the Related Parties of the Administrative Agent or the Collateral Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent and as Collateral Agent, as applicable. The Administrative Agent or Collateral Agent shall not be responsible for the negligence or misconduct of any sub-agents, except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence, bad faith or willful misconduct in the selection of such sub-agents.

12.03 Exculpatory Provisions. The Administrative Agent and the Collateral Agent shall not have any duties or obligations except those expressly set forth herein and in the other Credit Documents and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Administrative Agent and the Collateral Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Administrative Agent and/or the Collateral Agent are required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents); provided that each of the Administrative Agent and

the Collateral Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent or the Collateral Agent, as applicable, to liability or that is contrary to any Credit Document or applicable law;

(c) shall not, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to Borrower or any of their Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent and/or the Collateral Agent or any of their respective Affiliates in any capacity;

(d) shall not be liable to any Lender for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent and/or the Collateral Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 11 and 13.12) or (ii) in the absence of its own gross negligence, bad faith or willful misconduct, as determined by a court of competent jurisdiction and by a final and nonappealable judgment. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent and the Collateral Agent by Borrower or a Lender; and

(e) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Credit Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Section 6 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent and/or the Collateral Agent.

12.04 Reliance by Administrative Agent and Collateral Agent. Each of the Administrative Agent and the Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each of the Administrative Agent and the Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Term Loan, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Term Loan. The Administrative Agent may consult with legal counsel (who may be counsel for Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel (excluding counsel for Borrower), accountants or experts.

12.05 No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the Lead Arrangers or any of their respective Affiliates shall have any powers, duties or responsibilities under this Agreement or any of the other Credit Documents, except in its capacity, as applicable, as the Administrative Agent, the Collateral Agent or a Lender hereunder.

12.06 Non-reliance on Administrative Agent, Collateral Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent, the Collateral Agent, any arranger of this credit facility or any amendment thereto or any other Lender or any of their respective Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Collateral Agent, any arranger of this credit facility or any amendment thereto or any other Lender or any of their respective Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based

upon this Agreement, any other Credit Document or any related agreement or any document furnished hereunder or thereunder. Each Lender represents and warrants that (i) the Credit Documents set forth the terms of a commercial lending facility, (ii) it is engaged in making, acquiring or holding commercial loans and in providing other facilities set forth herein as may be applicable to such Lender, in each case in the ordinary course of business, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument (and each Lender agrees not to assert a claim in contravention of the foregoing) and (ii) it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities.

12.07 Indemnification by the Lenders. To the extent that Borrower for any reason fails to pay any amount required under Section 13.01(a) to be paid by them to the Administrative Agent or Collateral Agent (or any sub-agent of either of them), or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent or Collateral Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender's *pro rata* share (based on the amount of then outstanding Term Loans held by each Lender or, if the Term Loans have been repaid in full, based on the amount of outstanding Term Loans held by each Lender immediately prior to such repayment in full) of (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) such unpaid amount; *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or Collateral Agent (or any such sub-agent) in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent or Collateral Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this Section 12.07 are subject to the provisions of Section 5.04.

12.08 Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

12.09 Administrative Agent May File Proofs of Claim; Credit Bidding. In case of the pendency of any case or proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Credit Party, the Administrative Agent (irrespective of whether the principal of any Term Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Term Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 4.01 and 13.01) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator, debtor, debtor-in-possession, or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 4.01 and 13.01.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition or similar dispositive restructuring plan affecting the Obligations or the rights of any Lender to authorize the Administrative Agent to vote in respect of the claim of any Lender or in any such case or proceeding.

The Secured Creditors hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to (subject to the ABL Intercreditor Agreement, the Pari Passu Intercreditor Agreement, any Additional Junior Lien Intercreditor Agreement, any Additional Pari Passu Intercreditor Agreement and any other intercreditor agreement or arrangement or supplement thereto permitted under this Agreement) credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any comparable provisions of any other applicable Debtor Relief Laws or any similar laws in any other jurisdictions to which a Credit Party is subject or (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Creditors shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (*provided* that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (a)(i) through (a)(v) of Section 13.12 of this Agreement), and (iii) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders *pro rata* and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Creditor or any acquisition vehicle to take any further action.

12.10 Resignation of the Agents. Each of the Administrative Agent and the Collateral Agent may resign as the Administrative Agent or Collateral Agent, as applicable, upon 30 days' written notice to the Lenders and Borrower; provided that, if at the time of such resignation, there is a successor Administrative Agent or Collateral Agent, as applicable, satisfactory to each of the resigning Agent, the incoming Agent and Borrower, each, in its sole discretion, then the resigning Agent, the incoming Agent and Borrower may agree to waive or shorten the 30 day notice period. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with Borrower's consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders (and consented to by Borrower, to the extent so required) and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent or Collateral Agent may, with Borrower's consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), on behalf of the Lenders, appoint a successor Administrative Agent or successor Collateral Agent, as applicable, in each case meeting the qualifications set forth above; *provided* that if the Administrative Agent or the Collateral Agent shall notify Borrower and the Lenders that no qualifying Person has accepted such appointment within such period, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Administrative Agent or retiring Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders under any of the Credit Documents, the retiring Collateral Agent shall continue to hold such collateral security solely for purposes of maintaining the Secured Creditors' security interest thereon until such time

as a successor Collateral Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders (with the consent of Borrower, to the extent so required) appoint a successor Administrative Agent as provided for above in this Section 12.10. Upon the acceptance of a successor's appointment as Administrative Agent or as Collateral Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent or Collateral Agent, as applicable, and the retiring Administrative Agent or retiring Collateral Agent, as applicable, shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this Section). After the retiring Administrative Agent's or retiring Collateral Agent's resignation hereunder and under the other Credit Documents, the provisions of this Section 12 and Section 13.01 shall continue in effect for the benefit of such retiring Administrative Agent or Collateral Agent, as applicable, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

12.11 Collateral Matters and Guaranty Matters. Each of the Lenders (including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement) irrevocably authorizes the Administrative Agent or Collateral Agent, as applicable,

(i) to release, and to evidence the automatic release of, any Lien on any property granted to or held by the Collateral Agent under any Credit Document (A) upon termination of the Commitments and payment in full of all Obligations (other than (x) contingent indemnification obligations and (y) obligations and liabilities under Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements), (B) that is sold or disposed of or to be sold or disposed of as part of or in connection with any sale or other disposition permitted hereunder or under any other Credit Document to a Person that is not a Credit Party, (C) that constitutes Excluded Collateral, (D) if the property subject to such Lien is owned by a Subsidiary Guarantor, subject to Section 13.12, upon release of such Subsidiary Guarantor from its obligations under the Guaranty Agreement pursuant to clause (ii) below or (E) if approved, authorized or ratified in writing in accordance with Section 13.12;

(ii) to release any Subsidiary Guarantor from its obligations under the Guaranty Agreement if such Person ceases to be a Restricted Subsidiary or becomes an Excluded Subsidiary as a result of a transaction permitted hereunder; *provided* that in the case of any such Subsidiary Guarantor that becomes an Excluded Subsidiary solely as a result of becoming a non-Wholly Owned Subsidiary, such Subsidiary Guarantor shall only be released from its obligations under this Agreement or the Guaranty Agreement, as applicable, pursuant to this clause (ii) if such Restricted Subsidiary became a non-Wholly Owned Subsidiary pursuant to a transaction where such Subsidiary becomes a bona fide joint venture where the other Person taking an equity interest in such Subsidiary is not an Affiliate of Holdings (other than as a result of such joint venture); and

(iii) to release or subordinate any Lien on any property granted to or held by the Collateral Agent under any Credit Document to the holder of any Lien on such property that is permitted by Sections 10.01(iv)(x) (solely with respect to subordination (and not release) of Liens granted to or held by the Collateral Agent on any ABL Collateral), (iv)(y), (vi), (vii) or (xiv) or any other Lien that is expressly permitted by Section 10.01 to be senior to the Lien securing the Obligations or to release, and to execute and/or deliver documents to evidence the release or non-existence of, any Lien securing the Obligations upon any Excluded Collateral; and

(iv) to enter into the Pari Passu Intercreditor Agreement or any Additional Pari Passu Intercreditor Agreement and provide that any Lien on any property granted to or held by the Collateral Agent under any Credit Document is equal to and has the same priority as the Lien of any holder of such other Lien on such property that is permitted by Sections 10.01(iv)(z) or (xxx) (solely as it relates to Indebtedness incurred pursuant to Section 10.04(xxvii)), each Permitted Pari Passu Note Document, each Permitted Pari Passu Loan Document, and each Refinancing Note/Loan Document (to the extent such Refinancing Notes/Loans constitute Permitted Pari Passu Notes or Permitted Pari Passu Loans).

Upon request by the Administrative Agent or Collateral Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's and Collateral Agent's authority to release or subordinate its interest in particular types or items of property, to provide that its interests in particular types or items of property are equal to the interests of any other Person or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 12.11. In each case as specified in this Section 12.11, the Administrative Agent and Collateral Agent will (and each Lender irrevocably authorizes the Administrative Agent and Collateral Agent to), at Borrower's expense, execute and deliver to the applicable Credit Party such documents, including (without limitation) termination or partial release statements, as such Credit Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents, to subordinate its interest in such item or to provide its interests are equal to the interests of any other Person, or to release such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Credit Documents and this Section 12.11.

The Administrative Agent and Collateral Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's and Collateral Agent's Lien thereon, or any certificate prepared by any Credit Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

Without limitation of the operation of the releases described above or in any Security Document, a certificate of a Responsible Officer delivered either at the request of the Administrative Agent or Collateral Agent or at the option of Borrower, in either case, to the Administrative Agent or Collateral with respect to any release described in this Section 12.11 stating that Borrower has determined in good faith that such release satisfies the foregoing requirements shall be conclusive evidence that such release satisfies the foregoing requirement and such automatic release has occurred (and the Administrative Agent and the Collateral Agent will rely conclusively on such certificate without further inquiry), and the Administrative Agent and the Collateral Agent shall promptly execute and deliver all documentation evidencing such release and requested by Borrower.

12.12 Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements. No Guaranteed Creditor that is a counterparty to a Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement, in its capacity as such, that obtains the benefits of any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as an Agent or a Lender and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Section 12.12 to the contrary, the Administrative Agent and Collateral Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Guaranteed Creditor. Each Guaranteed Creditor that is a counterparty to a Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement, in its capacity as such, agrees to be bound by this Section 12 to the same extent as a Lender hereunder.

12.13 Withholding Taxes. To the extent required by any applicable Requirements of Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other relevant Governmental Authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of, withholding Tax ineffective), such Lender shall, within 10 days after written demand therefor, indemnify and hold harmless the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by any Credit Party pursuant to Section 5.04 and without limiting or expanding the obligation of any Credit Party to do so) for all amounts paid, directly or indirectly, by the Administrative Agent as Taxes or otherwise, together with all expenses incurred, including legal expenses and any other out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative

Agent to set off and apply all amounts at any time owing to such Lender under this Agreement, any other Credit Document or from any other sources against any amount due the Administrative Agent under this Section 12.13. The agreements in this Section 12.13 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Obligations.

12.14 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent , and each Lead Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of Borrower or any other Credit Party, that at least one of the following is and will be true:

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such Lender has provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and each Lead Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of Borrower or any other Credit Party, that none of the Administrative Agent, or any Lead Arranger or any of their respective Affiliates is a fiduciary with respect to the Collateral or the assets of such Lender (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Credit Document or any documents related hereto or thereto).

12.15 Acknowledgments of Lenders. (a) Each Lender hereby agrees that (x) if the Administrative Agent notifies such Lender that the Administrative Agent has determined in its sole discretion that any funds received by such Lender from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "Payment") were erroneously transmitted to such Lender (whether or not known to such Lender), and demands the return of such Payment (or a portion thereof), such Lender shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on "discharge for value" or any similar doctrine. A notice of the Administrative Agent to any Lender under this Section 12.15 shall be conclusive, absent manifest error.

(b) Each Lender hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a "Payment Notice") or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(d) Each party's obligations under this Section 12.15 shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Credit Document.

Section 13. Miscellaneous.

13.01 Payment of Expenses, etc.

(a) The Credit Parties hereby jointly and severally agree, from and after the Closing Date, to: (i) pay all reasonable invoiced out-of-pocket costs and expenses of the Agents (limited, in the case of legal expenses, to the reasonable fees and disbursements of one primary counsel to all Agents and, if reasonably necessary, one local counsel in any relevant jurisdiction (which may include a single firm of counsel acting in multiple jurisdictions)) in connection

the non-compliance by Borrower or any of its Subsidiaries with any Environmental Law (including applicable permits thereunder) applicable to any Real Property; or any Environmental Claim or liability under Environmental Laws relating in any way to Borrower, any of its Subsidiaries or relating in any way to any Real Property at any time owned, leased or operated by Borrower or any of its Subsidiaries, including, in each case, without limitation, the reasonable fees and disbursements of counsel and other consultants incurred in connection with any such investigation, litigation or other proceeding, in all cases, whether or not caused by or arising, in whole or in part, out of the comparative, contributory or sole negligence of the Indemnified Person (but excluding in each case (and each Indemnified Person, by accepting the benefits hereof, agrees to promptly refund or return any indemnity received hereunder to the extent it is later determined by a final, non-appealable judgment of a court of competent jurisdiction that such Indemnified Person is not entitled thereto) any losses, liabilities, claims, damages or expenses (i) to the extent incurred by reason of the gross negligence, bad faith or willful misconduct of the applicable Indemnified Person, any Affiliate of such Indemnified Person or any of their respective directors, officers, employees, representatives, agents, Affiliates, trustees or investment advisors, (ii) to the extent incurred by reason of any material breach of the obligations of such Indemnified Person under this Agreement or the other Credit Documents (in the case of each of the preceding clauses (i) and (ii), as determined by a court of competent jurisdiction in a final and non-appealable decision) or (iii) that do not involve or arise from an act or omission by any Credit Party or any of their respective affiliates and is brought by an Indemnified Person against another Indemnified Person (other than claims against any Agent solely in its capacity as such or in its fulfilling such role)). To the extent that the undertaking to indemnify, pay or hold harmless any Agent or any Lender or other Indemnified Person set forth in the preceding sentence may be unenforceable because it violates any law or public policy, the Credit Parties shall make the maximum contribution to the payment and satisfaction of each of the indemnified liabilities which is permissible under applicable law.

(b) No Agent or any Indemnified Person shall be responsible or liable to any Credit Party or any other Person for any determination made by it pursuant to this Agreement or any other Credit Document in the absence of gross negligence, bad faith or willful misconduct on the part of such Indemnified Person (in each case, as determined by a court of competent jurisdiction in a final and non-appealable judgment).

(c) To the extent permitted by applicable law, (i) the Credit Parties shall not assert, each Credit Party hereby waives any claim against each Agent, each Lender and their respective Affiliates, and the partners, shareholders, officers, directors, employees, agents, trustees, representatives and investment advisors of each of the foregoing, in each case, together with their respective successors and assigns (each, a "Lender-Related Person") for any damages arising from the use by others of information or other materials obtained through electronic, telecommunications or other information transmission systems and (ii) no party hereto (and no Indemnified Person or any Subsidiary or Affiliate of Holdings or Borrower) shall be responsible to any other party hereto (or any Indemnified Person or any Subsidiary or Affiliate of Holdings or Borrower) for any indirect, special, exemplary, incidental, punitive or consequential damages (including, without limitation, any loss of profits, business or anticipated savings) which may be alleged as a result of this Agreement or any other Credit Document or the financing contemplated hereby; *provided* that nothing in this Section 13.01(c) shall limit the Credit Parties' indemnity obligations to the extent such indirect, special, punitive or consequential damages are included in any claim by a third party unaffiliated with any Indemnified Person with respect to which the applicable Indemnified Person is entitled to indemnification under Section 13.01(a).

13.02 Right of Setoff. In addition to any rights now or hereafter granted under applicable law or otherwise, and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, the Administrative Agent, the Collateral Agent, each Lender and each Guaranteed Creditor is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to any Credit Party or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special) (other than accounts used exclusively for payroll, payroll taxes, fiduciary and trust purposes, and employee benefits) and any other Indebtedness at any time held or owing by the Administrative Agent, the Collateral Agent, such Lender or such Guaranteed Creditor (including, without limitation, by branches and agencies of the Administrative Agent, the Collateral Agent, such Lender or such Guaranteed Creditor wherever located) to or for the credit or the account of Borrower or any of its Subsidiaries against and on account of the Obligations and liabilities of the Credit Parties to the Administrative Agent, the Collateral Agent, such Lender or such Guaranteed Creditor under this Agreement or under any of the other Credit Documents, including, without limitation, all interests in Obligations purchased by such Lender or such Guaranteed Creditor pursuant to Section 13.06(b), and all other claims of any nature or description arising out of or connected with this Agreement or any other Credit Document, irrespective of whether or not the Administrative Agent, the Collateral Agent, such Lender or such Guaranteed Creditor shall have made any demand hereunder and although said Obligations, liabilities or claims, or any of them, shall be contingent or unmatured. The right of setoff described in this Section 13.02 shall not apply with respect to any Excluded Collateral.

13.03 Notices.

(a) Except as otherwise expressly provided herein, all notices and other communications provided for hereunder shall be in writing (including telegraphic, telex, telecopier, cable communication or electronic transmission) and mailed, telegraphed, telexed, telecopied, cabled, delivered or transmitted:

(i) if to any Credit Party, the Administrative Agent or the Collateral Agent, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 13.03 or such other address as shall be designated by such party in a written notice to the other parties hereto; and

(ii) if to any Lender, at its address specified in its Administrative Questionnaire (including, as appropriate, notices delivered solely to the Person designated by a Lender on its Administrative Questionnaire then in effect for the delivery of notices that may contain material non-public information relating to Borrower) or at such other address as shall be designated by such Lender in a written notice to Borrower and the Administrative Agent.

All such notices and communications shall, when mailed or overnight courier, be effective when deposited in the mail, or overnight courier, as the case may be, or sent by facsimile or other electronic means of transmission, except that notices and communications to the Administrative Agent, Collateral Agent and Borrower shall not be effective until received by the Administrative Agent, Collateral Agent or Borrower, as the case may be.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications (including email, FpML messaging, and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; *provided* that the foregoing shall not apply to notices pursuant to Section 2 unless otherwise agreed by the Administrative Agent and the applicable Lender. Each of the Administrative Agent, Collateral Agent, Borrower or Holdings may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; *provided* that approval of such procedures may be limited to particular notices or communications.

(c) (i) Notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor; *provided* that, for both clauses (i) and (ii), if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice, email or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(d) THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF ANY BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM ANY BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH ANY BORROWER MATERIALS OR THE PLATFORM. In no event shall each of the Administrative Agent and the Collateral Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to Holdings, Borrower, the Subsidiary Guarantors, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of a Borrower's, any Credit Party's or the Administrative Agent's transmission of Borrower Materials or notices through the Platform, any other electronic messaging service, or through the Internet, in the absence of gross negligence, bad faith or willful misconduct of any Agent Party, as determined by a court of competent jurisdiction and by a final and nonappealable judgment.

13.04 Benefit of Agreement; Assignments; Participations, etc.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted, except that (i) Borrower may not assign or otherwise transfer any of their rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender (and any attempted assignment or transfer by Borrower without such consent shall be null and void), except as contemplated by Section 10.02(vi) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 13.04. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with thisSection 13.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) below. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Eligible Transferees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and Term Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld, conditioned or delayed) of:

(A) Borrower; *provided* that, Borrower shall be deemed to have consented to an assignment of Term Loans or Term Loan Commitments unless it shall have objected thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice thereof; *provided* that no

consent of Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if an Event of Default has occurred and is continuing under Section 11.01 or 11.05, any other Eligible Transferee; and

(B) the Administrative Agent; *provided* that no consent of the Administrative Agent shall be required for an assignment to a Lender, an Affiliate of a Lender or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Commitment or Term Loans of any Tranche, the amount of the Commitment or Term Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than $1,000,000 unless each of Borrower and the Administrative Agent otherwise consent; *provided*, that such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds (with simultaneous assignments to or by two or more related Lenders shall be treated as one assignment); *provided*, *further* that no such consent of Borrower shall be required if an Event of Default has occurred and is continuing under Section 11.01 or 11.05;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; *provided* that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Tranche of Commitments or Term Loans;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent (x) an Assignment and Assumption or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants, together with the payment by the assignee of a processing and recordation fee of $3,500 (it being understood that such recordation fee shall not apply to any assignments by the Lenders or any of their affiliates pursuant to the primary syndication of the Loans under this Agreement); and

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Credit Parties and their related parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws.

(iii) Subject to acceptance and recording thereof pursuant to clause (b)(iv) below, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.10, 5.04 and 13.01). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 13.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) below.

(iv) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and related interest amounts) of the Term Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as

a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by Borrower and, as to its own positions only, any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of (x) a duly completed Assignment and Assumption executed by an assigning Lender and an assignee or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in clause (b)(ii)(C) above and any written consent to such assignment required by clause (b)(ii) above, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to this Agreement, the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this clause (v).

(c) Any Lender may, without the consent of Borrower or the Administrative Agent, sell participations to one or more Eligible Transferees (a "Participant"), in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Term Loans owing to it); *provided* that (A) such Lender's obligations under this Agreement shall remain unchanged; (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; and (C) Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that requires the consent of each Lender or each adversely affected Lender and that directly affects such Participant. Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.10 and 5.04 (subject to the requirements and limitations therein (it being understood that the documentation required under Sections 5.04(b) and (c) shall be delivered solely to the participating Lender; *provided*, for the avoidance of doubt, that if the participating Lender is not a U.S. Person, such Lender shall include a copy of such documentation as an exhibit to its IRS Form W-8IMY in accordance with Section 5.04(c)(x)(iv))) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 13.04(b); *provided* that such Participant (A) shall be subject to the provisions of Section 2.12 as if it were an assignee under Section 13.04(b); and (B) shall not be entitled to receive any greater payment under Section 2.10 or 5.04, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at Borrower's request and expense, to use reasonable efforts to cooperate with Borrower to effectuate the provisions of Section 2.13 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; *provided* that such Participant shall be subject to Section 2.12 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and related interest amounts) of each Participant's interest in the Loans or other obligations under the Credit Documents (the "Participant Register"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments or Term Loan or its other obligations under any Credit Document) to any Person except to the extent such disclosure is necessary to establish that such Commitment, Term Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Holdings, Borrower and its Restricted Subsidiaries shall also be entitled to purchase (from Lenders) outstanding principal of Term Loans in accordance with the provisions of Sections 2.19 and 2.20, which purchases

shall be evidenced by assignments (in form reasonably satisfactory to the Administrative Agent) from the applicable Lender to Borrower. Each assignor and assignee party to the relevant repurchases under Sections 2.19 and 2.20 shall render customary "big boy" disclaimer letters or any such disclaimers shall be incorporated into the terms of the Assignment and Assumption. No such transfer or assignment shall be effective until recorded by the Administrative Agent (which the Administrative Agent agrees to promptly record) on the Register pursuant to clause (b) above. All Term Loans purchased pursuant to Sections 2.19 and 2.20 shall be immediately and automatically cancelled and retired, and Borrower shall in no event become a Lender hereunder. To the extent of any assignment to a Borrower as described in this clause (d), the assigning Lender shall be relieved of its obligations hereunder with respect to the assigned Term Loans.

(e) Nothing in this Agreement shall prevent or prohibit any Lender from pledging its Term Loans and Notes hereunder to a Federal Reserve Bank or central banking authority in support of borrowings made by such Lender from such Federal Reserve Bank or central banking authority and, with prior notification to the Administrative Agent (but without the consent of the Administrative Agent or Borrower), any Lender which is a fund may pledge all or any portion of its Term Loans and Notes to its trustee or to a collateral agent providing credit or credit support to such Lender in support of its obligations to such trustee, such collateral agent or a holder of such obligations, as the case may be. No pledge pursuant to this clause (e) shall release the transferor Lender from any of its obligations hereunder.

(f) Each Lender acknowledges and agrees to comply with the provisions of this Section 13.04 applicable to it as a Lender hereunder.

(g) Each Sponsor Affiliate, solely in its capacity as a Lender, hereby agrees, and each Assignment and Assumption entered into by a Sponsor Affiliate shall provide a confirmation, that, if any Credit Party shall be subject to any voluntary or involuntary case or proceeding commenced under any Debtor Relief Law now or hereafter in effect ("Bankruptcy Proceedings"), (i) such Sponsor Affiliate shall not take any step or action in such Bankruptcy Proceeding to object to, impede, or delay the exercise of any right or the taking of any action by the Administrative Agent (or the taking of any action by a third party that is supported by the Administrative Agent) in relation to such Sponsor Affiliate's claim with respect to its Term Loans (a "Claim") (including, without limitation, objecting to any debtor in possession financing, use of cash collateral, grant of adequate protection, sale or disposition, compromise, or plan of reorganization or similar dispositive restructuring plan) so long as such Sponsor Affiliate is treated in connection with such exercise or action on the same or better terms in all material respects as the other Lenders and (ii) with respect to any matter requiring the vote of Lenders during the pendency of a Bankruptcy Proceeding (including, without limitation, voting on any plan of reorganization or similar dispositive restructuring plan), the Term Loans held by such Sponsor Affiliate (and any Claim with respect thereto) shall be deemed to be voted by such Sponsor Affiliate in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Sponsor Affiliates, so long as such Sponsor Affiliate is treated in connection with the exercise of such right or taking of such action on the same or better terms in all material respects as the other Lenders; *provided*, *however*, that the Administrative Agent shall vote on behalf of any such Sponsor Affiliates holding Term Loans in accordance with this Section 13.04(g) and the relevant Assignment and Assumption. For the avoidance of doubt, the Lenders and each Sponsor Affiliate agree and acknowledge that the provisions set forth in this Section 13.04(g) constitute a "subordination agreement" as such term is contemplated by, and utilized in, Section 510(a) of the Bankruptcy Code (or any similar provision of any other applicable Debtor Relief Law), and, as such, would be enforceable for all purposes in any case or proceeding where a Credit Party has filed for protection under any Debtor Relief Law or similar law now or hereafter in effect applicable to Credit Party. Except as expressly provided in this Section 13.04(g), the provisions of this Section 13.04(g) shall not be applicable to any Debt Fund Affiliate.

(h) If Borrower wishes to replace the Term Loans or Commitments with Term Loans or Commitments having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice to the Lenders of such Term Loans or holding such Commitments, instead of prepaying the Term Loans or reducing or terminating the Commitments to be replaced, to (i) require such Lenders to assign such Term Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 13.12 (with such replacement, if applicable, being deemed to have been made pursuant to Section 13.12). Pursuant to any such assignment, all Term Loans and Commitments to be replaced shall be purchased at par (allocated among the applicable Lenders in the same manner as would be required if such Term Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by Borrower), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 2.08.

By receiving such purchase price, the applicable Lenders shall automatically be deemed to have assigned such Term Loans or Commitments pursuant to the terms of an Assignment and Assumption, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(i) The Administrative Agent shall have the right, and Borrower hereby expressly authorizes the Administrative Agent to provide to any requesting Lender, the list of Disqualified Lenders provided to the Administrative Agent by Borrower and any updates thereto. Borrower hereby agrees that any such requesting Lender may share the list of Disqualified Lenders with any potential assignee, transferee or participant. Notwithstanding the foregoing, each Credit Party and the Lenders acknowledge and agree that the Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to Disqualified Lenders or Net Short Lenders (other than with respect to assignments or participations by it of its Loans and Commitments, if any). Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Lender or Net Short Lender, (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender (other than with respect to assignments or participations by it of its Loans and Commitments, if any) or (z) have any liability with respect to or arising out of the voting in any amendment or waiver to any Credit Document by any Net Short Lender.

(j) Disqualified Lenders. Notwithstanding anything to the contrary contained in this Agreement, any assignment to a Disqualified Lender shall not be void, but shall be subject to the following provisions:

(i) If any assignment is made to any Disqualified Lender without Borrower's prior written consent, or if any Person becomes a Disqualified Lender after the Closing Date, Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Lender and the Administrative Agent, cancel any unfunded Commitment the subject thereof and (A) in the case of outstanding Term Loans held by Disqualified Lenders, prepay such Term Loan by paying the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such Term Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder (it being understood that, notwithstanding anything in the Credit Documents to the contrary, any such prepayment shall not be subject to any provisions requiring prepayments of the Term Loans on a pro rata basis and no other Term Loans shall be required to be repaid as a result of such prepayment) and/or (B) require such Disqualified Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in this Section 13.04), all of its interest, rights and obligations under this Agreement and related Credit Documents to an Eligible Transferee that shall assume such obligations at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder; *provided* that (i) Borrower shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 13.04(b) (unless waived by the Administrative Agent) and (ii) in the case of clause (A), Borrower shall not use the proceeds from any Loans or loans under the ABL Credit Agreement to prepay any Term Loans held by Disqualified Lenders.

(ii) Notwithstanding anything to the contrary contained in this Agreement, Disqualified Lenders (A) will not (x) have the right to receive information, reports or other materials provided to Lenders by Borrower, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B) (x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Credit Document, each Disqualified Lender will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Lender consented to such matter, and (y) for purposes of voting on any proposed plan of reorganization, plan of liquidation, or any other similar dispositive restructuring plan pursuant to any Debtor Relief Laws ("Plan of Reorganization"), each Disqualified Lender party hereto hereby agrees (1) not to vote on such Plan of Reorganization, (2) if such Disqualified Lender does vote on such Plan of Reorganization notwithstanding

the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be "designated" pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Plan of Reorganization in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (3) not to contest any request by any party for a determination by the bankruptcy court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

13.05 No Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent, the Collateral Agent or any Lender in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between Borrower or any other Credit Party and the Administrative Agent, the Collateral Agent or any Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which the Administrative Agent, the Collateral Agent or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Administrative Agent, the Collateral Agent or any Lender to any other or further action in any circumstances without notice or demand.

13.06 Payments Pro Rata.

(a) The Administrative Agent agrees that promptly after its receipt of each payment from or on behalf of any Credit Party in respect of any Obligations of such Credit Party, it shall, except as otherwise provided in this Agreement, distribute such payment to the Lenders (other than any Lender that has consented in writing to waive its *pro rata* share of such payment) *pro rata* based upon their respective shares, if any, of the Obligations with respect to which such payment was received. **Each Rollover Original Term Lender and Additional Term B Loan Lender acknowledges and agrees that no proceeds of Additional Term B Loans will be applied to prepay or repay any Exchanged Initial Term Loans or Additional Term B Loans.**

(b) Each of the Lenders agrees that, if it should receive any amount hereunder (whether by voluntary payment, by realization upon security, by the exercise of the right of setoff or banker's lien, by counterclaim or cross action, by the enforcement of any right under the Credit Documents, or otherwise) which is applicable to the payment of the principal of, or interest on, the Term Loans or Fees, of a sum which with respect to the related sum or sums received by other Lenders is in a greater proportion than the total of such Obligation then owed and due to such Lender bears to the total of such Obligation then owed and due to all of the Lenders immediately prior to such receipt, then such Lender receiving such excess payment shall purchase for cash without recourse or warranty from the other Lenders an interest in the Obligations of the respective Credit Party to such Lenders in such amount as shall result in a proportional participation by all of the Lenders in such amount; *provided* that if all or any portion of such excess amount is thereafter recovered from such Lender, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

(c) Notwithstanding anything to the contrary contained herein, the provisions of the precedingSections 13.06(a) and (b) shall be subject to (x) the express provisions of this Agreement which require, or permit, differing payments to be made to Non-Defaulting Lenders as opposed to Defaulting Lenders, (y) the express provisions of this Agreement which permit disproportionate payments with respect to various of the Tranches as, and to the extent, provided herein, and (z) any other provisions which permit disproportionate payments with respect to the Term Loans as, and to the extent, provided therein.

13.07 Calculations; Computations.

(a) The financial statements to be furnished to the Lenders pursuant hereto shall be made and prepared in accordance with U.S. GAAP consistently applied throughout the periods involved (except as set forth in the notes thereto); *provided* that to the extent expressly provided herein, certain calculations shall be made on a Pro Forma Basis; *provided*, *further*, that if Borrower notifies the Administrative Agent that Borrower wishes to amend any leverage calculation or any financial definition used therein to implement the effect of any change in U.S. GAAP or

the application thereof occurring after the Closing Date on the operation thereof (or if the Administrative Agent notifies Borrower that the Required Lenders wish to amend any leverage test or any financial definition used therein for such purpose), then Borrower and the Administrative Agent shall negotiate in good faith to amend such leverage test or the definitions used therein (subject to the approval of the Required Lenders) to preserve the original intent thereof in light of such changes in U.S. GAAP; *provided*, *further*, that all determinations made pursuant to any applicable leverage test or any financial definition used therein shall be determined on the basis of U.S. GAAP as applied and in effect immediately before the relevant change in U.S. GAAP or the application thereof became effective, until such leverage test or such financial definition is amended. Notwithstanding any other provision contained herein, (i) all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to Statement of Financial Accounting Standards 141R or ASC 805 (or any other financial accounting standard having a similar result or effect) and (ii) the accounting for any lease shall be based on U.S. GAAP as in effect on December 15, 2018 and without giving effect to any subsequent changes in U.S. GAAP (or the required implementation of any previously promulgated changes in U.S. GAAP) relating to the treatment of a lease as an operating lease or capitalized lease.

(b) Notwithstanding anything to the contrary contained in this Agreement, Borrower (or any Parent Company) may elect to switch from maintaining its accounting records from U.S. GAAP to IFRS by written notice to the Administrative Agent, and thereafter may provide all required financial information in accordance with IFRS. In the event that Borrower (or any Parent Company) elects to prepare its financial statements in accordance with IFRS and such election results in a change in the method of calculation of financial covenants, standards or terms (collectively, the "Accounting Changes") in this Agreement, Borrower and the Administrative Agent agree to enter into good faith negotiations in order to amend such provisions of this Agreement so as to reflect equitably the Accounting Changes (or if the Administrative Agent notifies Borrower that the Required Lenders request an amendment to any provision hereof for such purpose), then Borrower and the Administrative Agent shall negotiate in good faith to enter into an amendment of the relevant affected provisions (without the payment of any amendment or similar fee to the Lenders), with the desired result that the criteria for evaluating Borrower's (or any Parent Company's) financial condition shall be substantially the same after such change as if such change had not been made. Until such time as such an amendment shall have been executed and delivered by Borrower and the Administrative Agent, all financial covenants, standards and terms in this Agreement shall continue to be calculated or construed in accordance with U.S. GAAP (as determined in good faith by a Responsible Officer of Borrower or such Parent Company, as applicable) as if such change had not occurred.

(c) The calculation of any financial ratios under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-down if there is no nearest number).

(c) Notwithstanding anything to the contrary contained in clause (a) of thisSection 13.12, (i) Borrower, the Administrative Agent and each applicable Incremental Term Loan Lender may, without the consent of any other Lender, (i) in accordance with the provisions of Section 2.15, enter into an Incremental Term Loan Amendment; *provided* that after the execution and delivery by Borrower, the Administrative Agent and each such Incremental Term Loan Lender of such Incremental Term Loan Amendment, such Incremental Term Loan Amendment, may thereafter only be modified in accordance with the requirements of clause (a) above of this Section 13.12, and (ii) the Incremental Term Loan Amendment may, without the consent of any other Credit Party, Agent or Lender, effect such amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and Borrower, to effect the provisions of Section 2.15 and the Lenders expressly authorize the Administrative Agent to enter into every such Incremental Term Loan Amendment, including any amendments that are not materially adverse to the interests of any Lender that amend this Agreement to increase the interest rate margin, increase the interest rate floor, increase, extend or add any prepayment premium, increase, extend or add any call protection or increase the amortization schedule with respect to any existing Tranche of Term Loans in order to cause any Incremental Term Loans to be fungible with such existing Tranche of Term Loans.

(d) Notwithstanding anything to the contrary in clause (a) above of thisSection 13.12, this Agreement may be amended (or amended and restated) (i) with the written consent of the Required Lenders, the Administrative Agent and Borrower, (x) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Credit Documents with the Term Loan and the accrued interest and fees in respect thereof and (y) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and (ii) with the written consent of the Administrative Agent, Borrower and the Refinancing Term Loan Lenders, this Agreement and the other Credit Documents shall be amended (or amended and restated) in connection with any refinancing facilities permitted pursuant to Section 2.18.

(f) Anything herein to the contrary notwithstanding, during such period as a Lender is a Defaulting Lender, to the fullest extent permitted by applicable law, such Lender will not be entitled to vote in respect of amendments, waivers and consents hereunder and the Commitment and the outstanding Term Loans or other extensions of credit of such Lender hereunder will not be taken into account in determining whether the Majority Lenders, the Required Lenders or all of the Lenders, as required, have approved any such amendment, waiver or consent (and the definitions of "Majority Lenders", "Required Lenders" and "Supermajority Lenders" will automatically be deemed modified accordingly for the duration of such period); *provided* that any such amendment or waiver that would increase or extend the term of the Commitment of such Defaulting Lender, extend the date fixed for the payment of principal or interest owing to such Defaulting Lender hereunder, reduce the principal amount of any obligation owing to such Defaulting Lender, reduce the amount of or the rate or amount of interest on any amount

owing to such Defaulting Lender or of any fee payable to such Defaulting Lender hereunder, or alter the terms of this proviso, will require the consent of such Defaulting Lender.

(g) Further, notwithstanding anything to the contrary contained in this Section 13.12, if following the Closing Date, (i) the Administrative Agent and/or the Collateral Agent and any Credit Party shall have jointly identified an obvious error or any error or omission of a technical or immaterial nature, in each case, in any provision of the Credit Documents, then the Administrative Agent and/or the Collateral Agent and the Credit Parties shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Credit Documents if the same is not objected to in writing by the Required Lenders within five Business Days following receipt of notice thereof or (ii) solely in connection with the incurrence of any additional Indebtedness by Borrower or its Subsidiaries that would otherwise be permitted under this Agreement, any amendment is proposed by Borrower to add one or more provisions to this Agreement that is, (A) necessary in the judgment of Borrower to satisfy the requirements or conditions of such additional Indebtedness in order for it to be permitted hereunder, (B) consistent with the applicable provisions in the definitive documentation relating to such additional Indebtedness and (C) in the reasonable judgment of the Administrative Agent, more favorable to the Lenders (or to the applicable subset thereof) than the existing Agreement, then the Administrative Agent and Borrower shall be permitted to amend such provisions without any further action or consent of any other party if the same is not objected to in writing by the Required Lenders to the Administrative Agent within five business days following receipt of notice thereof.

(h) Further, notwithstanding anything to the contrary in this Section 13.12, Borrower and the Administrative Agent shall be permitted to amend any provision of a Credit Document in order to (i) comply with local law or the advice of local counsel or (ii) to cause any Credit Document (other than this Agreement) to be consistent with this Agreement and the other Credit Documents, and, in each case, such amendment shall become effective without any further action or consent of any other party to any Credit Document.

(i) Further, notwithstanding anything to the contrary contained in this Section 13.12, modifications to the Credit Documents may be made with the consent of Borrower and the Administrative Agent (and no other Person) to the extent necessary to make any amendments permitted by Section 13.07(b) to give effect to any election to adopt IFRS.

(j) Further, notwithstanding anything to the contrary contained in this Section 13.12, in connection with any determination as to whether the requisite Lenders have (A) consented (or not consented) to any amendment, modification or waiver of any provision of this Agreement or any other Credit Document or any departure by Holdings or any Restricted Subsidiary therefrom, (B) otherwise acted on any matter related to this Agreement or any Credit Document or (C) directed or required the Administrative Agent, Collateral Agent or any Lender to undertake any action (or refrain from taking any action) with respect to, or under, this Agreement or any Credit Document, in connection with any amendment or waiver, each Lender (or any Affiliate of such Person (*provided further* that for the purposes of this clause (j), Affiliates shall not include Persons that are subject to customary procedures to prevent the sharing of confidential information between such Lender and such Person and such Person is managed having independent fiduciary duties to the investors or other equityholders of such Person) (other than (i) any Lender that is a Regulated Bank and (ii) any Revolving Lender (as defined in the ABL Credit Agreement) or any Affiliates of such Regulated Bank or Revolving Lender) that, as a result of its (or its Affiliates') interest in any total return swap, total rate of return swap, credit default swap or other derivative contract (other than any such total return swap, total rate of return swap, credit default swap or other derivative contract entered into pursuant to bona fide market making activities), has a net short position with respect to any of the Loans or Commitments, or with respect to any other tranche, class or series of Indebtedness for borrowed money incurred or issued by Holdings or any of its Restricted Subsidiaries (including commitments with respect to any revolving credit facility) (each such item of Indebtedness, including the Loan and Commitments, "Specified Indebtedness"), on the later of (x) the date such amendment or waiver is posted for review by Lenders generally and (y) the date, if any, that such Lender consents to such amendment or waiver (each such Lender, a "Net Short Lender"), shall be deemed to have voted its interest as a Lender in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Net Short Lenders (including in any plan of reorganization). For purposes of determining whether a Lender (alone or together with its Affiliates) has a "net short position" on any date of determination: (i) derivative contracts with respect to any Specified Indebtedness and such contracts that are the functional equivalent thereof shall be counted at the notional amount of such contract in Dollars, (ii) notional amounts in other currencies shall be converted to the Dollar equivalent thereof

by such Lender in a commercially reasonable manner consistent with generally accepted financial practices and based on the prevailing conversion rate (determined on a mid-market basis) on the date of determination, (iii) derivative contracts in respect of an index that includes Holdings or any other Restricted Subsidiary or any instrument issued or guaranteed by Holdings or any other Restricted Subsidiary shall not be deemed to create a short position with respect to such Specified Indebtedness, so long as (x) such index is not created, designed, administered or requested by such Lender or its Affiliates and (y) Holdings and the other Restricted Subsidiaries and any instrument issued or guaranteed by Holdings or the other Restricted Subsidiaries, collectively, shall represent less than 5% of the components of such index, (iv) derivative transactions that are documented using either the 2014 ISDA Credit Derivatives Definitions or the 2003 ISDA Credit Derivatives Definitions (collectively, the "ISDA CDS Definitions") shall be deemed to create a short position with respect to the relevant Specified Indebtedness if such Lender or its Affiliates is a protection buyer or the equivalent thereof for such derivative transaction and (x) the relevant Specified Indebtedness is a "Reference Obligation" under the terms of such derivative transaction (whether specified by name in the related documentation, included as a "Standard Reference Obligation" on the most recent list published by Markit, if "Standard Reference Obligation" is specified as applicable in the relevant documentation or in any other manner), (y) the relevant Specified Indebtedness would be a "Deliverable Obligation" under the terms of such derivative transaction or (z) Holdings or any other Restricted Subsidiary is designated as a "Reference Entity" under the terms of such derivative transaction and (v) credit derivative transactions or other derivatives transactions not documented using the ISDA CDS Definitions shall be deemed to create a short position with respect to any Specified Indebtedness if such transactions offer the Lender or its Affiliates protection against a decline in the value of such Specified Indebtedness, or in the credit quality of Holdings or any other Restricted Subsidiary, in each case, other than as part of an index so long as (x) such index is not created, designed, administered or requested by such Lender or its Affiliates and (y) Holdings and the other Restricted Subsidiaries, and any instrument issued or guaranteed by Holdings or the other Restricted Subsidiaries, collectively, shall represent less than 5% of the components of such index. In connection with any amendment, modification or waiver of this Agreement or the other Credit Documents, each Lender (other than any Lender that is a Regulated Bank or Revolving Lender) will be deemed to have represented to Borrower and the Administrative Agent that it does not constitute a Net Short Lender, in each case, unless such Lender shall have notified Borrower and the Administrative Agent prior to the requested response date with respect to such amendment, modification or waiver that it constitutes a Net Short Lender (it being understood and agreed that Borrower and the Administrative Agent shall be entitled to rely on each such representation and deemed representation). In no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is a Net Short Lender.

1.03 Limited Condition Transactions. Notwithstanding anything to the contrary in this Agreement, in connection with any action being taken in connection with a Limited Condition Transaction, for purposes of:

(i) determining compliance with any provision of this Agreement which requires the calculation of any financial ratio or test, including the Consolidated First Lien Net Leverage Ratio, Consolidated Fixed Charge Coverage Ratio, Consolidated Secured Net Leverage Ratio and Consolidated Total Net Leverage Ratio (and, for the avoidance of doubt, any financial ratio set forth in Section 2.15(a)); or

(ii) testing availability under baskets set forth in this Agreement (including baskets determined by reference to Consolidated EBITDA or Consolidated Total Assets, as applicable); or

(iii) determining other compliance with this Agreement (including the determination that representations and warranties are true and correct and that no Default or Event of Default (or any type of Default or Event of Default) has occurred, is continuing or would result therefrom);

in each case, at the option of Borrower (Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), the date of determination of whether any such action is permitted hereunder shall be made (1) in the case of any acquisition (including by way of merger) or similar Investment (including the assumption or incurrence of Indebtedness in connection therewith), at the time of (or, in the case of any calculation or any financial ratio or test, with respect to, or as of the last day of, the most recently ended Test Period at the time of) either (x) the execution of the definitive agreement with respect to such acquisition or Investment, (y) the public announcement of an intention to make an offer in respect of the target of such acquisition or Investment or (z) the consummation of such acquisition or Investment, (2) in the case of any Dividend, at the time of (or, in the case of any calculation or any financial ratio or test, with respect to, or as of the last day of, the most recently ended Test Period at the time of) (x) the irrevocable declaration of such Dividend or (y) the making of such Dividend and (3) in the case of any voluntary or optional payment or prepayment on or redemption or acquisition for value of any Indebtedness subject to Section 10.07, at the time of (or, in the case of any calculation or any financial ratio or test, with respect to, or as of the last day of, the most recently ended Test Period at the time of) (x) delivery of irrevocable (which may be conditional) notice with respect to such payment or prepayment or redemption or acquisition of such Indebtedness or (y) the making of such voluntary or optional payment or prepayment on or redemption or acquisition for value of any Indebtedness (the "LCT Test Date"), and if, for the Limited Condition Transaction (and the other transactions to be entered into in connection therewith), Borrower or any of its Restricted Subsidiaries would have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with. For the avoidance of doubt, if Borrower has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would have failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Consolidated EBITDA or Consolidated Total Assets of Borrower or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets, tests or ratios will not be deemed to have failed to have been complied with as a result of such fluctuations; *provided*, that, notwithstanding anything to the contrary herein, if financial statements for one or more subsequent Test Periods shall have become available, Borrower may elect, in its sole discretion, to re-determine all such financial ratios or tests, with respect to, or as of the last day of, the most recently ended Test Period on the basis of such financial statements, in which case such date of redetermination shall thereafter be deemed to be the LCT Test Date for purposes of such baskets, ratios and financial metrics. If Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any calculation of any ratio, test or basket availability with respect to the incurrence of Indebtedness or Liens, the making of Dividends, the making of any Permitted Investment, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of Borrower, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, or the designation of an Unrestricted Subsidiary (each, a "Subsequent Transaction") following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement, public announcement or irrevocable notice for such Limited Condition Transaction is terminated, revoked or expires without consummation of such Limited Condition Transaction, for purposes of determining whether such Subsequent Transaction is permitted under this Agreement, any such ratio, test or basket shall be required to be satisfied on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

1.04 Classification and Reclassification. It is understood and agreed that any Lien, sale, lease or other disposition of assets, Dividend, Indebtedness, Investment, transaction with Affiliates or prepayment of Indebtedness need not be permitted solely by reference to one category of permitted Lien, sale, lease or other disposition of assets, Dividend, Indebtedness, Investment, transactions with Affiliates or prepayment of Indebtedness under Sections 10.01, 10.02, 10.03, 10.04, 10.05, 10.06 and 10.07, respectively, but may instead be permitted in part under any combination thereof (it being understood that Borrower may utilize amounts under any category that is subject to any financial ratio or test, including the Consolidated Fixed Charge Coverage Ratio, Consolidated First Lien Net Leverage Ratio, Consolidated Secured Net Leverage Ratio or Consolidated Total Net Leverage Ratio, prior to amounts under any other category). For purposes of determining compliance at any time with Sections 10.01, 10.02, 10.03, 10.04, 10.05, 10.06 and 10.07, in the event that any Lien, sale, lease or other disposition of assets, Dividend, Indebtedness, Investment, transaction with Affiliates or prepayment of Indebtedness meets the criteria of more than one of the categories of transactions or items permitted pursuant to any clause of such Sections 10.01, 10.02, 10.03, 10.04, 10.05, 10.06 and 10.07, Borrower, in its sole discretion, may, from time to time, classify or reclassify such transaction or item (or portion thereof) and will only be required to include the amount and type of such transaction (or portion thereof) in any one category. Reclassifications of any utilization of the Incremental Amount shall occur automatically to the extent set forth in the definition thereof.

1.05 Currency Equivalents Generally.

(a) Notwithstanding anything to the contrary in this Agreement, (i) any representation or warranty that would be untrue or inaccurate, (ii) any undertaking that would be breached, (iii) any basket is exceeded or (iv) any event that would constitute a Default or an Event of Default, in each case, solely as a result of fluctuations in applicable currency exchange rates, shall not be deemed to be untrue, inaccurate, breached or so constituted, as applicable, solely as a result of such fluctuations in currency exchange rates.

(b) For purposes of determining the Consolidated Fixed Charge Coverage Ratio, the Consolidated First Lien Net Leverage Ratio, the Consolidated Secured Net Leverage Ratio and the Consolidated Total Net Leverage Ratio, amounts denominated in a currency other than Dollars will be converted to Dollars for the purposes of (A) calculating any Consolidated Fixed Charge Coverage Ratio, the Consolidated First Lien Net Leverage Ratio, the Consolidated Secured Net Leverage Ratio and the Consolidated Total Net Leverage Ratio, at the Exchange Rate as of the date of calculation, and will, in the case of Indebtedness, reflect the currency translation effects, determined in accordance with U.S. GAAP, of Interest Rate Protection Agreements and Other Hedging Agreements permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Equivalent Amount of such Indebtedness.

1.06 Divisions.

For all purposes under the Credit Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its Equity Interests at such time.

1.07 Treatment of Subsidiaries Prior to Joinder.

Each Subsidiary of Holdings that is required to be joined as a Credit Party pursuant toSection 9.12 shall, from the time of the requirement that such Subsidiary be joined as a Credit Party pursuant to Section 9.12 until the completion of such joinder, be deemed for the purposes of Section 10 of this Agreement to be a Credit Party from and after the date of formation or acquisition of such Subsidiary; *provided* that this Section 1.07 shall only apply to the extent such Subsidiary is actually subsequently joined as a Credit Party pursuant to Section 9.12.

1.08 Interest Rates; Benchmark Notification.

The interest rate on a Loan denominated in Dollars may be derived from an interest rate benchmark that may be discontinued or is, or may in the future become, the subject of regulatory reform. Upon the occurrence of a Benchmark Transition Event, Section 2.16 provides a mechanism for determining an alternative rate of interest. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission, performance or any other matter related to any interest rate used in this Agreement, or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the existing interest rate being replaced or have the same volume or liquidity as did any existing interest rate prior to its discontinuance or unavailability. The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative, successor or alternative rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

Once repaid, Initial Term Loans may not be reborrowed.

(b) Subject to and upon the terms and conditions set forth herein, each Lender with an Incremental Term Loan Commitment from time to time severally agrees to make term loans (each, an "Incremental Term Loan" and, collectively, the "Incremental Term Loans") to Borrower, which Incremental Term Loans (i) shall be incurred pursuant to a single drawing on the applicable Incremental Term Loan Borrowing Date, (ii) shall be denominated in Dollars, (iii) shall, except as hereinafter provided, at the option of Borrower, be incurred and maintained as, and/or converted into one or more Borrowings of Base Rate Term Loans or Term Benchmark Term Loans; *provided* that all Incremental Term Loans of a given Tranche made as part of the same Borrowing shall at all times consist of Incremental Term Loans of the same Type, and (iv) shall not exceed for any such Incremental Term Loan Lender at any time of any incurrence thereof, the Incremental Term Loan Commitment of such Incremental Term Loan Lender for such Tranche (before giving effect to the termination thereof on such date pursuant to Section 4.02(b)). Once repaid, Incremental Term Loans may not be reborrowed.

(c) Subject to and upon the terms and conditions set forth herein and in Amendment No. 2, each Rollover Original Term Lender severally agrees to exchange its Exchanged Original Term Loans for a like principal amount of Term B Loans on the Amendment No. 2 Effective Date. Subject to the terms and conditions set forth herein and in Amendment No. 2, the Additional Term B Loan Lender agrees to make an Additional Term B Loan (which shall be considered an increase to (and part of) the Term B Loans) to the Borrower on the Amendment No. 2 Effective Date in the principal amount equal to its Additional Term B Loan Commitment on the Amendment No. 2 Effective Date. The Borrower shall prepay the Non-Exchanged Original Term Loans with a like amount of the gross proceeds from the Additional Term B Loans, concurrently with the receipt thereof. The Borrower shall pay to the Original Term Lenders immediately prior to the effectiveness of Amendment No. 2 all accrued and unpaid interest on the Original Term Loans to, but not including, the Amendment No. 2 Effective Date on such Amendment No. 2 Effective Date. The Term B Loans shall have the terms set forth in this Agreement and the other Credit Documents, including as modified by Amendment No. 2; it being understood that the Term B Loans (and all principal, interest and other

amounts in respect thereof) will constitute "Obligations" under this Agreement and the other Credit Documents. The Term B Loans may be Base Rate Term Loans or Term Benchmark Term Loans, as further provided herein. Once repaid, Term B Loans may not be reborrowed.

The Borrower shall prepay the Non-Exchanged Term B Loans with a like amount of the gross proceeds from the Additional Term B-1 Loans, concurrently with the receipt thereof. The Borrower shall pay to the Term B Lenders immediately prior to the effectiveness of Amendment No. 3 all accrued and unpaid interest on the Term B Loans to, but not including, the Amendment No. 3 Effective Date on such Amendment No. 3 Effective Date. The Term B-1 Loans shall have the terms set forth in this Agreement and the other Credit Documents, including as modified by Amendment No. 3; it being understood that the Term B-1 Loans (and all principal, interest and other amounts in respect thereof) will constitute "Obligations" under this Agreement and the other Credit Documents. The Term B-1 Loans may be Base Rate Term Loans or Term Benchmark Term Loans, as further provided herein. Once repaid, Term B-1 Loans may not be reborrowed.

(e) ~~**(d)**~~ Each Lender may, at its option, make any Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not (i) affect in any manner the obligation of Borrower to repay such Loan in accordance with the terms of this Agreement or (ii) excuse or relieve any Lender from its Commitment to make any such Loan to the extent not so made by such branch or Affiliate.

2.02 Minimum Amount of Each Borrowing. The aggregate principal amount of each Borrowing of Term Loans under any Tranche shall not be less than the Minimum Borrowing Amount. More than one Borrowing may occur on the same date, but at no time shall there be outstanding more than ten (10) Borrowings of Term Benchmark Term Loans in the aggregate for all Tranches of Term Loans.

2.03 Notice of Borrowing. Whenever Borrower desires to make a Borrowing of Term Loans hereunder, Borrower shall give the Administrative Agent at its Notice Office prior written notice on the day of such Borrowing (or telephonic notice promptly confirmed in writing) of each Borrowing of Base Rate Term Loans to be made hereunder and at least three Business Days' (or such shorter period as the Administrative Agent shall agree in its sole and absolute discretion) prior written notice (or telephonic notice promptly confirmed in writing) of each Term Benchmark Term Loan to be made hereunder; *provided* that (a) in each case, any such notice shall be deemed to have been given on a certain day only if given before 12:00 Noon (New York City time) on such day (or such later time as the Administrative Agent shall agree in it its sole and absolute discretion) and (b) in any event, any such notice with respect to ~~**Additional**~~ Term B**-1** Loans that are Term Benchmark Term Loans to be incurred on the Amendment No. ~~**2**~~**3** Effective Date may be delivered one Business Day prior to the Amendment No. ~~**2**~~**3** Effective Date. Each such notice (each, a "Notice of Borrowing"), except as otherwise expressly provided in Section 2.11, shall be irrevocable and shall be in writing, or by telephone promptly confirmed in writing by or on behalf of Borrower, in the form of Exhibit A-1 or such other form as may be approved by the Administrative Agent including any form on an electronic platform or electronic transmission as shall be approved by the Administrative Agent, appropriately completed by a Responsible Officer of Borrower to specify: (i) the aggregate principal amount of the Term Loans to be made pursuant to such Borrowing, (ii) the date of such Borrowing (which shall be a Business Day), (iii) whether the respective Borrowing shall consist of Initial Term Loans, Term B Loans, **Term B-1 Loans,** Incremental Term Loans or Refinancing Term Loans, (iv) whether the Term Loans being made pursuant to such Borrowing are to be initially maintained as Base Rate Term Loans or Term Benchmark Term Loans, (v) in the case of Term Benchmark Term Loans, the Interest Period to be initially applicable thereto and (vi) the account of Borrower into which the proceeds of such Term Loans shall be deposited or other wire instructions therefor. The Administrative Agent shall promptly give each Lender of the Tranche specified in the respective Notice of Borrowing, notice of such proposed Borrowing, of such Lender's proportionate share thereof (determined in accordance with Section 2.07) and of the other matters required by the immediately preceding sentence to be specified in the Notice of Borrowing.

2.04 Disbursement of Funds. No later than 1:00 P.M. (New York City time) on the date specified in each Notice of Borrowing, each Lender with a Commitment of the relevant Tranche will make available its *pro rata* portion (determined in accordance with Section 2.07) of each such Borrowing requested to be made on such date. All such amounts will be made available in Dollars and in immediately available funds at the Notice Office, and the Administrative Agent will make all funds so received by it in like funds as received by the Administrative Agent by wire transfer of such funds to the account designated in writing by Borrower (including in any Notice of Borrowing) from time to time. Unless the Administrative Agent shall have been notified by any Lender prior to the date of any Borrowing that such Lender does not intend to make available to the Administrative Agent such Lender's portion of any Borrowing to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing and the Administrative Agent may (but shall not be obligated to), in reliance upon such assumption, make available to Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify Borrower and Borrower shall immediately pay such corresponding amount to the Administrative Agent. The Administrative Agent also shall be entitled to recover on demand from such Lender or Borrower interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to Borrower until the date such corresponding amount is recovered by the Administrative Agent, at a rate *per annum* equal to (i) if recovered from such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking rules on interbank compensation and (ii) if recovered from Borrower, the rate of interest applicable to the relevant Borrowing, as determined pursuant to Section 2.08. Nothing in this Section 2.04 shall be deemed to relieve any Lender from its obligation to make Term Loans hereunder or to prejudice any rights which Borrower may have against any Lender as a result of any failure by such Lender to make Term Loans hereunder.

2.05 Notes.

(a) Borrower's obligation to pay the principal of, and interest on, the Term Loans made by each Lender shall be evidenced in the Register maintained by the Administrative Agent pursuant to Section 13.04 and shall, if requested by such Lender, also be evidenced by a promissory note duly executed and delivered by Borrower substantially in the form of Exhibit B, with blanks appropriately completed in conformity herewith (each, a "Note").

(b) Each Lender will note on its internal records the amount of each Term Loan made by it and each payment in respect thereof and prior to any transfer of any of its Notes will endorse on the reverse side thereof the outstanding principal amount of Term Loans evidenced thereby. Failure to make any such notation or any error in such notation shall not affect Borrower's obligations in respect of such Term Loans. For the avoidance of doubt, to the extent any conflict arises between the records maintained pursuant to this Section and the Register, the Register shall control.

(c) Notwithstanding anything to the contrary contained above in this Section 2.05 or elsewhere in this Agreement, Notes shall only be delivered to Lenders that at any time specifically request the delivery of such Notes. No failure of any Lender to request or obtain a Note evidencing its Term Loans to Borrower shall affect or in any manner impair the obligations of Borrower to pay the Term Loans (and all related Obligations) incurred by Borrower which would otherwise be evidenced thereby in accordance with the requirements of this Agreement, and shall not in any way affect the security or guarantees therefor provided pursuant to the various Credit Documents. Any Lender that does not have a Note evidencing its outstanding Term Loans shall in no event be required to make the notations otherwise described in the preceding clause (b). At any time when any Lender requests the delivery of a Note to evidence any of its Term Loans, Borrower shall promptly execute and deliver to the respective Lender the requested Note in the appropriate amount or amounts to evidence such Term Loans.

2.06 Interest Rate Conversions. Borrower shall have the option to convert, on any Business Day, all or a portion equal to at least the Minimum Borrowing Amount of the outstanding principal amount of Term Loans of a given Tranche made pursuant to one or more Borrowings of one or more Types of Term Loans, into a Borrowing (of the same Tranche) of another Type of Term Loan; *provided* that (i) except as otherwise provided in Section 2.11, Term Benchmark Term Loans may be converted into Base Rate Term Loans only on the last day of an Interest Period applicable to the Term Loans being converted and no such partial conversion of Term Benchmark Term Loans, as the case may be, shall reduce the outstanding principal amount of such Term Benchmark Term Loans, made pursuant to a single Borrowing to less than the Minimum Borrowing Amount, (ii) to the extent the Required Lenders have, or the Administrative Agent at the request of the Required Lenders has, so notified Borrower in writing, Base Rate Term Loans may not be converted into Term Benchmark Term Loans if any Event of Default is in existence on the date of the conversion, and (iii) no conversion pursuant to this Section 2.06 shall result in a greater number of Borrowings of Term Benchmark Term Loans than is permitted under Section 2.02. Such conversion shall be effected by Borrower by giving the Administrative Agent at the Notice Office prior to 12:00 Noon (New York City time) at least three Business Days' prior notice (in the case of any conversion to or continuation of Term Benchmark Term Loans) or same day notice (in the case of any conversion to Base Rate Term Loans) (each, a "Notice of Conversion/Continuation") in the form of Exhibit A-2 or such other form as may be approved by the Administrative Agent including any form on an electronic platform or electronic transmission as shall be approved by the Administrative Agent, appropriately completed by a Responsible Officer of Borrower to specify the Term Loans of a given Tranche to be so converted, the Borrowing or Borrowings pursuant to which such Term Loans were incurred and, if to be converted into Term Benchmark Term Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall give each Lender prompt notice of any such proposed conversion affecting any of its Term Loans.

2.07 Pro Rata Borrowings. All Borrowings of Term Loans under this Agreement, subject to Section 2.10(d), shall be incurred from the Lenders pro rata on the basis of such Lenders' Commitments as the case may be. No Lender shall be responsible for any default by any other Lender of its obligation to make Term Loans hereunder, and each Lender shall be obligated to make the Term Loans provided to be made by it hereunder, regardless of the failure of any other Lender to make its Term Loans hereunder.

2.08 Interest.

(a) Borrower agrees to pay interest in respect of the unpaid principal amount of each Base Rate Term Loan (including with respect to any Term Benchmark Term Loan converted into a Base Rate Term Loan pursuant to Section 2.06 or 2.09) made to Borrower hereunder from the date of Borrowing thereof (or, in the circumstances described in the immediately preceding parenthetical, from the date of conversion of the respective Term Benchmark Term Loan into a Base Rate Term Loan) until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such Base Rate Term Loan to a Term Benchmark Term Loan pursuant to Section 2.06 or 2.09, as applicable, at a rate *per annum* which shall be equal to the sum of the Applicable Margin for Base Rate Term Loans *plus* the Base Rate, as in effect from time to time.

(b) Borrower agrees to pay interest in respect of the unpaid principal amount of each Term Benchmark Term Loan made to Borrower from the date of Borrowing thereof until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such Term Benchmark Term Loan to a Base Rate Term Loan pursuant to Section 2.06 or 2.09, as applicable, at a rate *per annum* which shall, during each Interest Period applicable thereto, be equal to the sum of the Applicable Margin for Term Benchmark Term Loans *plus* the applicable Term SOFR Rate for such Interest Period.

(c) Upon the occurrence and during the continuance of any Event of Default under Section 11.01 or 11.05 (x) overdue principal and, to the extent permitted by law, overdue interest in respect of each Term Loan shall bear interest at a rate *per annum* equal to (i) for Base Rate Term Loans and associated interest, 2.00% *per annum* in excess of the Applicable Margin for Base Rate Term Loans *plus* the Base Rate, (ii) for Term Benchmark Term Loans and associated interest, 2.00% *per annum* in excess of the Applicable Margin for Term Benchmark Term Loans *plus* the Term SOFR Rate and (y) overdue amounts with respect to Fees shall bear interest at a rate *per annum* equal to 2.00% *per annum* in excess of the Applicable Margin for Base Rate Term Loans *plus* the Base Rate, each as in effect from time to time, in each case with such interest to be payable on demand.

(d) Accrued (and theretofore unpaid) interest shall be calculated daily and payable (i) on each Interest Payment Date and (ii) on (w) the date of any conversion of a Term Benchmark Term Loan to a Base Rate Term Loan (on the amount so converted) prior to the last day of the Interest Period applicable thereto, (x) the date of any prepayment or repayment thereof (on the amount prepaid or repaid), (y) at maturity (whether by acceleration or otherwise) and (z) after such maturity, on demand.

(e) Upon each Interest Determination Date, the Administrative Agent shall determine the Adjusted Term SOFR Rate for each Interest Period applicable to the respective Term Benchmark Term Loans and shall promptly notify Borrower and the Lenders thereof. Each such determination shall, absent manifest error, be final and conclusive and binding on all parties hereto.

(f) All interest hereunder and any Fees hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Base Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Base Rate or Adjusted Term SOFR Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

2.09 Interest Periods. At the time Borrower gives any Notice of Borrowing or Notice of Conversion/Continuation in respect of the making of, or conversion into, any Term Benchmark Term Loan (in the case of the initial Interest Period applicable thereto) or prior to 12:00 Noon (New York City time) on the third Business Day prior to the expiration of an Interest Period applicable to such Term Benchmark Term Loan (in the case of any subsequent Interest Period), Borrower shall have the right to elect the interest period (each, an "Interest Period") applicable to such Term Benchmark Term Loan, which Interest Period shall, at the option of Borrower be a one, three or six month period (in each case, subject to the availability for the Benchmark applicable to the relevant Loan); *provided* that (in each case):

(i) all Term Benchmark Term Loans comprising a Borrowing shall at all times have the same Interest Period;

(ii) the initial Interest Period for any Term Benchmark Term Loan shall commence on the date of Borrowing of such Term Benchmark Term Loan (including, in the case of Term Benchmark Term Loans, the date of any conversion thereto from a Borrowing of Base Rate Term Loans) and each Interest Period occurring thereafter in respect of such Term Benchmark Term Loan shall commence on the day on which the next preceding Interest Period applicable thereto expires;

(iii) if any Interest Period for a Term Benchmark Term Loan begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of such calendar month;

(iv) if any Interest Period for a Term Benchmark Term Loan would otherwise expire on a day which is not a Business Day, such Interest Period shall expire on the next succeeding Business Day; *provided*, *however*, that if any Interest Period for a Term Benchmark Term Loan would otherwise expire on a day which is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the next preceding Business Day;

(v) unless the Required Lenders otherwise agree, no Interest Period for a Term Benchmark Term Loan may be selected at any time when an Event of Default is then in existence; and

(vi) no Interest Period in respect of any Borrowing of any Tranche of Term Loans shall be selected which extends beyond the Maturity Date therefor.

With respect to any Term Benchmark Term Loans, at the end of any Interest Period applicable to a Borrowing thereof, Borrower may elect to split the respective Borrowing of a single Type under a single Tranche into two or more Borrowings of different Types under such Tranche or combine two or more Borrowings under a single Tranche into a single Borrowing of the same Type under such Tranche, in each case, by Borrower giving notice thereof together

with its election of one or more Interest Periods applicable thereto, in each case so long as each resulting Borrowing (x) has an Interest Period which complies with the foregoing requirements of this Section 2.09, (y) has a principal amount which is not less than the Minimum Borrowing Amount applicable to Borrowings of the respective Type and Tranche, and (z) does not cause a violation of the requirements of Section 2.02. If by 12:00 Noon (New York City time) on the third Business Day prior to the expiration of any Interest Period applicable to a Borrowing of Term Benchmark Term Loans, Borrower has failed to elect, or is not permitted to elect, a new Interest Period to be applicable to such Term SOFR Rate, Borrower shall be deemed to have elected in the case of Term Benchmark Term Loans, to convert such Term Benchmark Term Loans into Base Rate Term Loans with such conversion to be effective as of the expiration date of such current Interest Period.

2.10 Increased Costs.

(a) [Reserved].

(b) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, any Lender;

(ii) impose on any Lender any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender; or

(iii) subject any Lender or the Administrative Agent to any Taxes (other than (A) Indemnified Taxes, (B) Excluded Taxes or (C) Other Taxes) with respect to its loans, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or the Administrative Agent of making, continuing, converting or maintaining any Term Loan (or of maintaining its obligation to make any such Term Loan) or to reduce the amount of any sum received or receivable by such Lender or the Administrative Agent hereunder (whether of principal, interest or otherwise), then Borrower will pay to such Lender or the Administrative Agent, as the case may be, such additional amount or amounts as will compensate such Lender or the Administrative Agent, as the case may be, for such additional costs incurred or reduction suffered.

(c) If any Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Term Loans made by such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity), then from time to time Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(d) A certificate of a Lender or the Administrative Agent setting forth the amount or amounts necessary to compensate such Lender or the Administrative Agent or its holding company, as the case may be, as specified in clause (b) or (c) of this Section, and certifying that it is the general practice and policy of such Lender to demand such compensation from similarly situated borrowers in similar circumstances at such time to the extent it is legally permitted to do so, shall be delivered to Borrower and shall be conclusive absent manifest error. Borrower shall pay such Lender or the Administrative Agent, as the case may be, the amount shown as due on any such certificate within 10 Business Days after receipt thereof.

(e) Failure or delay on the part of any Lender or the Administrative Agent to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or the Administrative Agent's right to demand such compensation; *provided* that Borrower shall not be required to compensate a Lender or the Administrative Agent pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or the Administrative Agent, as the case may be, notifies Borrower of the Change in Law giving rise to such

increased costs or reductions and of such Lender's or the Administrative Agent's intention to claim compensation therefor; *provided*, *further*, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

2.11 Compensation. Borrower agrees to compensate each Lender, upon its written request (which request shall set forth in reasonable detail the basis for requesting such compensation and the calculation of the amount of such compensation; it being understood that no Lender shall be required to disclose (i) any confidential or price sensitive information or (ii) any other information, to the extent prohibited by any Requirement of Law), for all losses, expenses and liabilities (including, without limitation, any loss, expense or liability incurred by reason of the liquidation or reemployment of deposits or other funds required by such Lender to fund its Term Benchmark Term Loans but excluding loss of anticipated profits (and without giving effect to the minimum "Term SOFR Rate")) which such Lender may sustain: (i) if for any reason (other than a default by such Lender or the Administrative Agent) a Borrowing of, or conversion from or into, Term Benchmark Term Loans does not occur on a date specified therefor in a Notice of Borrowing or Notice of Conversion/Continuation; (ii) if any prepayment or repayment (including any prepayment or repayment made pursuant to Section 5.01, Section 5.02 or as a result of an acceleration of the Term Loans pursuant to Section 11) or conversion of any of its Term Benchmark Term Loans occurs on a date which is not the last day of an Interest Period with respect thereto; (iii) if any prepayment of any Term Benchmark Term Loans is not made on any date specified in a Notice of Loan Prepayment given by Borrower; or (iv) as a consequence of any other default by Borrower to repay Term Benchmark Term Loans when required by the terms of this Agreement or any Note held by such Lender.

2.12 Change of Lending Office. Each Lender agrees that on the occurrence of any event giving rise to the operation of Section 2.10(b), (c) or (d) or Section 5.04 with respect to such Lender, it will, if requested by Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Term Loans affected by such event; *provided* that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of Borrower or the right of any Lender provided in Sections 2.10 and 5.04.

2.13 Replacement of Lenders. (x) If any Lender becomes a Defaulting Lender, (y) upon the occurrence of an event giving rise to the operation of Section 2.10(b), (c) or (d) or Section 5.04 with respect to such Lender or (z) in the case of a refusal by a Lender to consent to proposed changes, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b), Borrower shall have the right to replace such Lender (the "Replaced Lender") with one or more other Eligible Transferees, none of whom shall constitute a Defaulting Lender at the time of such replacement (collectively, the "Replacement Lender") and each of whom shall be required to be reasonably acceptable to the Administrative Agent (to the extent the Administrative Agent's consent would be required for an assignment to such Replacement Lender pursuant to Section 13.04); *provided* that (i) at the time of any replacement pursuant to this Section 2.13, the Replacement Lender shall enter into one or more Assignment and Assumptions pursuant to Section 13.04(b) (and with all fees payable pursuant to said Section 13.04(b) to be paid by the Replacement Lender and/or the Replaced Lender (as may be agreed to at such time by and among Borrower, the Replacement Lender and the Replaced Lender)) pursuant to which the Replacement Lender shall acquire all of the Commitments and outstanding Term Loans of the Replaced Lender and, in connection therewith, shall pay to (x) the Replaced Lender in respect thereof an amount equal to the sum of (I) an amount equal to the principal of, and all accrued interest on, all outstanding Term Loans of the respective Replaced Lender under each Tranche with respect to which such Replaced Lender is being replaced and (II) an amount equal to all accrued, but theretofore unpaid, Fees owing to the Replaced Lender pursuant to Section 4.01, (ii) all obligations of Borrower due and owing to the Replaced Lender at such time (other than those specifically described in clause (i) above in respect of which the assignment purchase price has been, or is concurrently being, paid) shall be paid in full to such Replaced Lender concurrently with such replacement. Upon receipt by the Replaced Lender of all amounts required to be paid to it pursuant to this Section 2.13, the Administrative Agent shall be entitled (but not obligated) and authorized to execute an Assignment and Assumption on behalf of such Replaced Lender, and any such Assignment and Assumption so executed by the Administrative Agent and the Replacement Lender shall be effective for purposes of this Section 2.13 and Section 13.04 and (iii) in the case of any assignment resulting from clause (y) above, such assignment will result in a reduction in such compensation or payments thereafter. Upon the execution of the respective Assignment and Assumption, the payment of amounts referred to in clauses (i) and (ii) above, recordation of the assignment on the Register pursuant to Section 13.04 and, if so requested by the Replacement

Lender, delivery to the Replacement Lender of the appropriate Note or Notes executed by Borrower, the Replacement Lender shall become a Lender hereunder and the Replaced Lender shall cease to constitute a Lender hereunder, except with respect to indemnification provisions under this Agreement (including, without limitation, Sections 2.10, 2.11, 5.04, 12.07 and 13.01), which shall survive as to such Replaced Lender with respect to actions or occurrences prior to it ceasing to be a Lender hereunder.

2.14 Extended Term Loans.

(a) Notwithstanding anything to the contrary in this Agreement, subject to the terms of this Section 2.14, Borrower may at any time and from time to time request that all or a portion of any Tranche of Term Loans (each, an "Existing Term Loan Tranche"), be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or any portion of such Existing Term Loan Tranche (any such Term Loans which have been so converted, "Extended Term Loans") and to provide for other terms consistent with this Section 2.14. In order to establish any Extended Term Loans, Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Term Loan Tranche) (each, an "Extension Request") setting forth the proposed terms of the Extended Term Loans to be established, which shall (x) be identical as offered to each Lender under the relevant Existing Term Loan Tranche (including as to the proposed interest rates and fees payable) and (y) have the same terms as the Existing Term Loan Tranche from which such Extended Term Loans are to be converted, except that: (i) all or any of the scheduled amortization payments of principal of the Extended Term Loans may be delayed to later dates than the scheduled amortization payments of principal of the Term Loans of such Existing Term Loan Tranche to the extent provided in the applicable Extension Amendment; (ii) the Effective Yield with respect to the Extended Term Loans (whether in the form of interest rate margin, upfront fees, original issue discount or otherwise) may be different than the Effective Yield for the Term Loans of such Existing Term Loan Tranche; (iii) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the applicable Extension Amendment (immediately prior to the establishment of such Extended Term Loans); (iv) Extended Term Loans may have mandatory prepayment terms which provide for the application of proceeds from mandatory prepayment events to be made first to prepay the Term Loans under the Existing Term Loan Tranche from which such Extended Term Loans have been converted before applying any such proceeds to prepay such Extended Term Loans; (v) Extended Term Loans may have optional prepayment terms (including call protection and terms which allow Term Loans under the relevant Existing Term Loan Tranche from which such Extended Term Loans have been converted to be optionally prepaid prior to the prepayment of such Extended Term Loans) as may be agreed by Borrower and the Lenders thereof and (vi) such Extended Term Loans may have other terms (other than those described in the preceding clauses (i) through (v)) that differ from those of the Existing Term Loan Tranche, in each case, taken as a whole, that are not materially more favorable to the Lenders providing such Extended Term Loans than the provisions applicable to the Existing Term Loan Tranche or as are otherwise reasonably satisfactory to the Administrative Agent. Any Extended Term Loans converted pursuant to any Extension Request shall be designated a series (each, an "Extension Series") of Extended Term Loans for all purposes of this Agreement; *provided* that, subject to the requirements set forth above, any Extended Term Loans converted from an Existing Term Loan Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Tranche of Term Loans.

(b) [Reserved].

(c) Borrower shall provide the applicable Extension Request at least five (5) Business Days (or such shorter period as to which the Administrative Agent may consent) prior to the date on which Lenders under the Existing Term Loan Tranche are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.14. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Tranche converted into Extended Term Loans pursuant to any Extension Request. Any Lender (each, an "Extending Term Loan Lender") wishing to have all or a portion of its Term Loans under the Existing Term Loan Tranche subject to such Extension Request converted into Extended Term Loans shall notify the Administrative Agent (each, an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Term Loans under the Existing Term Loan Tranche which it has elected to request be converted into Extended Term Loans (subject to any minimum denomination requirements imposed by the Administrative Agent). Any Lender that does not respond to the Extension Request on or prior to the date specified therein shall be deemed to have rejected such Extension Request. In the event that the aggregate principal amount of Term Loans under the applicable Existing Term Loan

Tranche exceeds the amount of Extended Term Loans requested pursuant to such Extension Request, Term Loans of such Existing Term Loan Tranche, subject to such Extension Elections shall either (i) be converted to Extended Term Loans of such Existing Term Loan Tranche on a *pro rata* basis based on the aggregate principal amount of Term Loans of such Existing Term Loan Tranche included in such Extension Elections, subject to such rounding requirements as may be established by the Administrative Agent or (ii) to the extent such option is expressly set forth in the applicable Extension Request, be converted to Extended Term Loans upon an increase in the amount of Extended Term Loans so that such excess does not exist.

(d) Extended Term Loans shall be established pursuant to an amendment (each, an "Extension Amendment") to this Agreement among Borrower, the Administrative Agent and each Extending Term Loan Lender providing an Extended Term Loan thereunder, which shall be consistent with the provisions set forth in Section 2.14(a) above (but which shall not require the consent of any other Lender). The Administrative Agent shall promptly notify each relevant Lender as to the effectiveness of each Extension Amendment. After giving effect to the Extension, the Term Loans so extended shall cease to be a part of the Tranche they were a part of immediately prior to the Extension.

(e) Extensions consummated by Borrower pursuant to this Section 2.14 shall not constitute voluntary or mandatory payments or prepayments for purposes of this Agreement. The Administrative Agent and the Lenders hereby consent to each Extension and the other transactions contemplated by this Section 2.14 (including, for the avoidance of doubt, payment of any interest or fees in respect of any Extended Term Loans on such terms as may be set forth in the applicable Extension Request) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02, 5.03, 13.02 or 13.06) or any other Credit Document that may otherwise prohibit any Extension or any other transaction contemplated by this Section 2.14; *provided* that such consent shall not be deemed to be an acceptance of any Extension Request.

(f) Each of the parties hereto hereby agrees that this Agreement and the other Credit Documents may be amended pursuant to an Extension Amendment, without the consent of any other Lenders, to the extent (but only to the extent) reasonably necessary to (i) reflect the existence and terms of any Extended Term Loans incurred pursuant thereto, (ii) modify the scheduled repayments set forth in Section 5.02(a) with respect to any Existing Term Loan Tranche subject to an Extension Election to reflect a reduction in the principal amount of the Term Loans thereunder in an amount equal to the aggregate principal amount of the Extended Term Loans converted pursuant to the applicable Extension (with such amount to be applied ratably to reduce scheduled repayments of such Term Loans required pursuant to Section 5.02(a)), (iii) make such other changes to this Agreement and the other Credit Documents consistent with the provisions and intent of Section 13.12(d), (iv) establish new Tranches in respect of Term Loans so extended and such technical amendments as may be necessary in connection with the establishment of such new Tranches, in each case, on terms consistent with this Section 2.14 and (v) effect such other amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and Borrower, to effect the provisions of this Section 2.14, and each Lender hereby expressly authorizes the Administrative Agent to enter into any such Extension Amendment. In connection with any Extension, the Credit Parties shall (at their expense) amend (and the Administrative Agent is hereby directed to amend) any Mortgage that has a maturity date prior to the Latest Maturity Date so that such maturity date is extended to the Latest Maturity Date (or such later date as may be advised by local counsel to the Administrative Agent), to the extent required pursuant to applicable local law.

2.15 Incremental Term Loan Commitments.

(a) Borrower may at any time and from time to time request one or more Lenders (or one or more Eligible Transferees who will become Lenders) to provide Incremental Term Loan Commitments to Borrower and, subject to the terms and conditions contained in this Agreement and in the relevant Incremental Term Loan Amendment, make Incremental Term Loans pursuant thereto; it being understood and agreed, however, that (i) no Lender shall be obligated to provide an Incremental Term Loan Commitment as a result of any such request by Borrower, (ii) any Lender (including any Eligible Transferee who will become a Lender) may so provide an Incremental Term Loan Commitment without the consent of any other Lender, (iii) each Tranche of Incremental Term Loan Commitments shall be denominated in Dollars, (iv) the amount of Incremental Term Loan Commitments made available pursuant to a given Incremental Term Loan Amendment shall be in a minimum aggregate amount for all Lenders which provide an Incremental Term Loan Commitment thereunder (including Eligible Transferees who will become Lenders) of at least $10,000,000, (v) other than with respect to any Incremental Term Loans established

pursuant to Section 2.15(d), the aggregate principal amount of any Incremental Term Loans on the date of the incurrence thereof shall not exceed, when taken together with any incurrence of Permitted Pari Passu Notes, Permitted Pari Passu Loans or Permitted Junior Debt pursuant to Section 10.04(xxvii)(1) on such date, (x) the then-remaining Fixed Incremental Amount as of the date of incurrence *plus* (y) subject to the satisfaction of the applicable Incurrence-Based Incremental Facility Test, any Incurrence-Based Incremental Amount that may be incurred thereunder on such date, (vi) the proceeds of all Incremental Term Loans incurred by Borrower may be used for any purpose not prohibited under this Agreement, (vii) Borrower shall specifically designate, in consultation with the Administrative Agent, the Tranche of the Incremental Term Loan Commitments being provided thereunder (which Tranche shall be a new Tranche (i.e., not the same as any existing Tranche of Incremental Term Loans, Incremental Term Loan Commitments or other Term Loans), unless the requirements of Section 2.15(c) are satisfied), which designation shall be set forth in the applicable Incremental Term Loan Amendment, (viii) if to be incurred as a new Tranche of Incremental Term Loans, such Incremental Term Loans shall have the same terms as each other Tranche of Term Loans as in effect immediately prior to the effectiveness of the relevant Incremental Term Loan Agreement, except as to purpose (which is subject to the requirements of the preceding clause (vi)) and optional prepayment provisions and mandatory prepayment provisions (which are governed by Section 5.02; *provided* that each new Tranche of Incremental Term Loans shall be entitled to share in mandatory prepayments on a ratable basis with the other Tranches of Term Loans (unless the holders of the Incremental Term Loans of any Tranche agree to take a lesser share of any such prepayments)); *provided*, *however*, that (I) the maturity and amortization of such Tranche of Incremental Term Loans may differ, so long as, such Tranche of Incremental Term Loans shall have (a) a Maturity Date of no earlier than the Latest Maturity Date as of the date such Indebtedness was incurred and (b) a Weighted Average Life to Maturity of no less than the Weighted Average Life to Maturity as then in effect for the Tranche of then outstanding Term Loans with the then longest Weighted Average Life to Maturity; *provided*, *however*, that (x) Extendable Bridge Loans and (y) Incremental Term Loan Commitments and Incremental Term Loans in an aggregate principal amount not in excess of the then-available amount under the Inside Maturity Basket, in each case, may have a maturity date earlier than the Latest Maturity Date of all then outstanding Term Loans and the Weighted Average Life to Maturity thereof may be shorter than the then longest remaining Weighted Average Life to Maturity of any then outstanding Term Loans, (II) the Effective Yield applicable to such Tranche of Incremental Term Loans may differ from that applicable to the then outstanding Tranches of Term Loans, with the Effective Yield applicable thereto to be specified in the respective Incremental Term Loan Amendment and (III) such Tranche of Incremental Term Loans may have other terms (other than those described in preceding clauses (I) and (II)) that may differ from those of other Tranches of Term Loans, including, without limitation, as to the application of optional or voluntary prepayments among the Incremental Term Loans and the existing Term Loans, in each case, taken as a whole, that are not materially more favorable to the lenders providing such Incremental Term Loans than the provisions applicable to the existing Term Loans or as are otherwise reasonably satisfactory to the Administrative Agent, (ix) all Incremental Term Loans (and all interest, fees and other amounts payable thereon) incurred by Borrower shall be Obligations of Borrower under this Agreement and the other applicable Credit Documents and shall be secured by the Security Agreements, and guaranteed under the Guaranty Agreement, on a *pari passu* basis with all other Term Loans secured by the Security Agreement and guaranteed under such Guaranty Agreement and shall not be secured by any assets that do not constitute Collateral for the outstanding Term Loans or be guaranteed by any guarantors that are not Credit Parties, (x) each Lender (including any Eligible Transferee who will become a Lender) agreeing to provide an Incremental Term Loan Commitment pursuant to an Incremental Term Loan Amendment shall, subject to the satisfaction of the relevant conditions set forth in this Agreement, make Incremental Term Loans under the Tranche specified in such Incremental Term Loan Amendment as provided in Section 2.01(b) and such Term Loans shall thereafter be deemed to be Incremental Term Loans under such Tranche for all purposes of this Agreement and the other applicable Credit Documents and (xi) all Incremental Term Loan Commitment Requirements are satisfied.

(b) At the time of the provision of Incremental Term Loan Commitments pursuant to this Section 2.15, Borrower, the Administrative Agent and each such Lender or other Eligible Transferee which agrees to provide an Incremental Term Loan Commitment (each, an "Incremental Term Loan Lender") shall execute and deliver to the Administrative Agent an Incremental Term Loan Amendment (which shall not require the consent of any other Lender), with the effectiveness of the Incremental Term Loan Commitment provided therein to occur on the date on which (w) a fully executed copy of such Incremental Term Loan Amendment shall have been delivered to the Administrative Agent, (x) all fees required to be paid in connection therewith at the time of such effectiveness shall have been paid (including, without limitation, any agreed upon upfront or arrangement fees owing to the Administrative Agent to the extent it served as the arranger for the Incremental Term Loan Commitments), (y) all Incremental Term Loan Commitment Requirements are satisfied, and (z) all other conditions set forth in this Section

2.15 shall have been satisfied. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Incremental Term Loan Amendment, and at such time, (i) Schedule 2.01 shall be deemed modified to reflect the revised Incremental Term Loan Commitments of the affected Lenders and (ii) to the extent requested by any Incremental Term Loan Lender, Notes will be issued at Borrower's expense to such Incremental Term Loan Lender, to be in conformity with the requirements of Section 2.05 (with appropriate modification) to the extent needed to reflect the new Incremental Term Loans made by such Incremental Term Loan Lender.

(c) Notwithstanding anything to the contrary contained above in this Section 2.15, the Incremental Term Loan Commitments provided by an Incremental Term Loan Lender or Incremental Term Loan Lenders, as the case may be, pursuant to each Incremental Term Loan Amendment shall constitute a new Tranche, which shall be separate and distinct from the existing Tranches pursuant to this Agreement; *provided* that, with the consent of the Administrative Agent (not to be unreasonably withheld, delayed or conditioned), the parties to a given Incremental Term Loan Amendment may specify therein that the Incremental Term Loans made pursuant thereto shall constitute part of, and be added to, an existing Tranche of Term Loans, in any case so long as the following requirements are satisfied:

(i) the Incremental Term Loans to be made pursuant to such Incremental Term Loan Amendment shall have the same Borrower, the same Maturity Date and the same Applicable Margins as the Tranche of Term Loans to which the new Incremental Term Loans are being added;

(ii) the new Incremental Term Loans shall have the same Scheduled Repayment Dates as then remain with respect to the Tranche to which such new Incremental Term Loans are being added (with the amount of each Scheduled Repayment applicable to such new Incremental Term Loans to be the same (on a proportionate basis) as is theretofore applicable to the Tranche to which such new Incremental Term Loans are being added, thereby increasing the amount of each then remaining Scheduled Repayment of the respective Tranche proportionately); and

(iii) on the date of the making of such new Incremental Term Loans, and notwithstanding anything to the contrary set forth in Section 2.09, such new Incremental Term Loans shall be added to (and form part of) each Borrowing of outstanding Term Loans of the applicable Tranche on a *pro rata* basis (based on the relative sizes of the various outstanding Borrowings), so that each Lender holding Term Loans under the respective Tranche of Term Loans participates in each outstanding Borrowing of Term Loans of the respective Tranche (after giving effect to the incurrence of such new Incremental Term Loans pursuant to Section 2.01(b)) on a *pro rata* basis.

To the extent the provisions of the preceding clause (iii) require that Incremental Term Loan Lenders making new Incremental Term Loans add such Incremental Term Loans to the then outstanding Borrowings of Term Benchmark Term Loans of such Tranche, it is acknowledged that the effect thereof may result in such new Incremental Term Loans having irregular Interest Periods (i.e., an Interest Period that began during an Interest Period then applicable to outstanding Term Benchmark Term Loans of such Tranche and which will end on the last day of such Interest Period), which irregular interest periods shall be permitted notwithstanding anything to the contrary in this Agreement. All determinations by any the Administrative Agent of the Term SOFR Rate, in such circumstances pursuant to the immediately preceding sentence shall, absent manifest error, be final and conclusive and binding on all parties hereto.

(d) Subject to compliance with the other applicable requirements set forth in this Section 2.15, any new Incremental Term Loan may be established and incurred as a means of effectively extending the maturity of, effecting a repricing of or a refinancing, in whole or in part without utilizing the capacity under any incurrence tests or fixed baskets for other Incremental Term Loans, of any applicable Term Loans then outstanding so long as:

(i) the Lenders with respect to the relevant series of Term Loans and/or Commitments being extended, repriced or refinanced are offered the opportunity to participate in such transaction on a *pro rata* basis (and on the same terms) and

(ii) the amount of any Incremental Term Loans does not exceed the sum of (x) the principal amount of the applicable Term Loans effectively being extended, repriced or refinanced, (y) fees and expenses (including any prepayment premium, penalties or other call protection) related to such extension,

repricing or refinancing, and (z) fees and expenses (including any upfront fees, original issue discount, underwriting discounts, amendment fees, commissions and arrangement, underwriting and similar fees) related to the establishment and incurrence of such Incremental Term Loans.

2.16 Alternate Rate of Interest.

(a) Subject to clauses (b), (c), (d), (e) and (f) of thisSection 2.16:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, that adequate and reasonable means do not exist for ascertaining the Adjusted Term SOFR Rate or the Term SOFR Rate, as applicable (including because the Term SOFR Reference Rate is not available or published on a current basis), for such Interest Period; provided that no Benchmark Transition Event shall have occurred at such time; or

(ii) the Administrative Agent is advised by the Required Lenders that prior to the commencement of any Interest Period for a Term Benchmark Borrowing, the Adjusted Term SOFR Rate or the Term SOFR Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period,

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until (x) the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Borrower delivers a new Notice of Conversion/Continuation in accordance with the terms of Section 2.06 or a new Notice of Borrowing in accordance with the terms of Section 2.03, any Notice of Conversion/Continuation that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Term Benchmark Borrowing and any Notice of Borrowing that requests a Term Benchmark Borrowing shall instead be deemed to be a Notice of Conversion/Continuation or a Notice of Borrowing, as applicable, for a Base Rate Borrowing; *provided* that if the circumstances giving rise to such notice affect only one Type of Borrowings, then all other Types of Borrowings shall be permitted. Furthermore, if any Term Benchmark Term Loan is outstanding on the date of the Borrower's receipt of the notice from the Administrative Agent referred to in this Section 2.16(a) with respect to the Adjusted Term SOFR Rate to such Term Benchmark Term Loan, then until (x) the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Borrower delivers a new Notice of Conversion/Continuation in accordance with the terms of Section 2.06 or a new Notice of Borrowing in accordance with the terms of Section 2.03, any Term Benchmark Term Loan shall on the last day of the Interest Period applicable to such Loan, be converted by the Administrative Agent to, and shall constitute, a Base Rate Loan, on such day.

(b) Notwithstanding anything to the contrary herein or in any other Credit Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Credit Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Credit Document and (y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Credit Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Credit Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(c) Notwithstanding anything to the contrary herein or in any other Credit Document, in connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make

Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Credit Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Credit Document.

(d) The Administrative Agent will promptly notify Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (f) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.16, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Credit Document, except, in each case, as expressly required pursuant to this Section 2.16.

(e) Notwithstanding anything to the contrary herein or in any other Credit Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(f) Upon Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, Borrower may revoke any request for a Borrowing of, conversion to or continuation of Term Benchmark Term Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to a Base Rate Borrowing. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of Base Rate. Furthermore, if any Term Benchmark Term Loan is outstanding on the date of the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to the Adjusted Term SOFR Rate applicable to such Term Benchmark Term Loan, then until such time as a Benchmark Replacement is implemented pursuant to this Section 2.16, any Term Benchmark Term Loan shall on the last day of the Interest Period applicable to such Loan, be converted by the Administrative Agent to, and shall constitute, a Base Rate Loan.

2.17 [Reserved].

2.18 Refinancing Term Loans.

(a) Borrower may from time to time by written notice to the Administrative Agent elect to request the establishment of one or more additional Tranches of Term Loans under this Agreement ("Refinancing Term Loans"), which refinance, renew, replace, defease or refund all or any portion of one or more Tranches of Term Loans under this Agreement selected by Borrower; *provided*, that such Refinancing Term Loans may not be in an amount greater than the aggregate principal amount of the Term Loans being refinanced, renewed, replaced, defeased or refunded *plus* unpaid accrued interest and premium (if any) thereon and upfront fees, original issue discount, underwriting discounts, fees, commissions and expenses incurred in connection with the Refinancing Term Loans; *provided* that such aggregate principal amount may also be increased to the extent such additional amount is capable of being incurred at such time pursuant to Section 2.15 and such excess incurrence shall for all purposes hereof be an incurrence

under the relevant subclauses of Section 2.15. Each such notice shall specify the date (each, a "Refinancing Effective Date") on which Borrower proposes that the Refinancing Term Loans shall be made, which shall be a date not less than three (3) Business Days after the date on which such notice is delivered to the Administrative Agent; *provided* that:

(i) except in the case of Extendable Bridge Loans and an aggregate principal amount not in excess of the Inside Maturity Basket (when taken together with (1) all other currently outstanding or simultaneously incurred Refinancing Term Loans, Incremental Term Loans, Permitted Pari Passu Notes, Permitted Pari Passu Loans, Permitted Junior Notes and Permitted Junior Loans that utilize the Inside Maturity Basket and (2) any Permitted Refinancing Indebtedness incurred with respect to the foregoing to the extent such Indebtedness does not otherwise meet the requirements set forth in this clause (i)), the Weighted Average Life to Maturity of such Refinancing Term Loans shall not be shorter than the remaining Weighted Average Life to Maturity of the Term Loans being refinanced and the Refinancing Term Loans shall not have a final stated maturity before the Maturity Date applicable to the Term Loans being refinanced;

(ii) such Refinancing Term Loans shall have pricing (including interest rates, fees and premiums), amortization, optional prepayment, mandatory prepayment (so long as such Refinancing Term Loans are not entitled to participate on a greater than *pro rata* basis in any mandatory prepayment than the then outstanding Term Loans) and redemption terms as may be agreed to by Borrower and the relevant Refinancing Term Loan Lenders (as defined below);

(iii) such Refinancing Term Loans shall not be guaranteed by any Person other than the Credit Parties;

(iv) in the case of any such Refinancing Term Loans that are secured, such Refinancing Term Loans are secured only by assets comprising Collateral, and not secured by any property or assets of Borrower or any of its Subsidiaries other than the Collateral; and

(v) all other terms applicable to such Refinancing Term Loans (except as set forth above), taken as a whole, shall not be materially more favorable to the Refinancing Term Loan Lenders than the related provisions applicable to the existing Term Loans or otherwise reasonably satisfactory to the Administrative Agent, except to the extent (x) such covenants and other terms apply solely to any period after the Latest Maturity Date as of the date such Indebtedness was incurred or (y) such Refinancing Term Loans were incurred under the Inside Maturity Basket (*provided* that a certificate of a Responsible Officer of Borrower delivered to the Administrative Agent in good faith at least five Business Days prior to the incurrence of such Indebtedness, together with a reasonably detailed description of the material terms and conditions of such Indebtedness or drafts of the documentation relating thereto, stating that Borrower has determined in good faith that such terms and conditions satisfy the requirement set out in this clause (v), shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Administrative Agent provides notice to Borrower of an objection during such five Business Day period (including a reasonable description of the basis upon which it objects)).

(b) Borrower may approach any Lender or any other Person that would be an Eligible Transferee of Term Loans to provide all or a portion of the Refinancing Term Loans (a "Refinancing Term Loan Lender"); *provided* that any Lender offered or approached to provide all or a portion of the Refinancing Term Loans may elect or decline, in its sole discretion, to provide a Refinancing Term Loan. Any Refinancing Term Loans made on any Refinancing Effective Date shall be designated a series of Refinancing Term Loans (a "Refinancing Term Loan Series") for all purposes of this Agreement; *provided* that any Refinancing Term Loans may, to the extent provided in the applicable Refinancing Term Loan Amendment and subject to the restrictions set forth in clause (a) above, be designated as an increase in any previously established Tranche of Term Loans.

(c) The Administrative Agent and the Lenders hereby consent to the transactions contemplated by Section 2.18(a) (including, for the avoidance of doubt, the payment of interest, fees, amortization (to the extent in compliance with Section 2.18(a)(i)) or premium in respect of the Refinancing Term Loans on the terms specified by Borrower) and hereby waive the requirements of this Agreement or any other Credit Document that may otherwise prohibit any transaction contemplated by Section 2.18(a). The Refinancing Term Loans shall be established pursuant

to an amendment to this Agreement among Holdings, Borrower, the Administrative Agent and the Refinancing Term Loan Lenders providing such Refinancing Term Loans (a "Refinancing Term Loan Amendment") (which shall not require the consent of any other Lender) which shall be consistent with the provisions set forth in Section 2.18(a). Each Refinancing Term Loan Amendment shall be binding on the Lenders, the Administrative Agent, the Credit Parties party thereto and the other parties hereto without the consent of any other Lender and the Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Credit Documents as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and Borrower, to effect the provisions of Section 2.18 including such technical amendments as may be necessary or appropriate in connection therewith and to adjust the amortization schedule in Section 5.02(a) (insofar as such schedule relates to payments due to Lenders the Term Loans of which are refinanced with the proceeds of Refinancing Term Loans; *provided* that no such amendment shall reduce the *pro rata* share of any such payment that would have otherwise been payable to the Lenders, the Term Loans of which are not refinanced with the proceeds of Refinancing Term Loans). The Administrative Agent shall be permitted, and each is hereby authorized, to enter into such amendments with Borrower to effect the foregoing.

2.19 Reverse Dutch Auction Repurchases.

(a) Notwithstanding anything to the contrary contained in this Agreement or any other Credit Document, Holdings, Borrower or any Restricted Subsidiary may, at any time and from time to time, conduct reverse Dutch auctions in order to purchase Term Loans of a particular Tranche (each, an "Auction") (each such Auction to be managed exclusively by the Administrative Agent or any other bank or investment bank of recognized standing selected by Borrower (with the consent of the Administrative Agent or such other bank or investment bank) following consultation with the Administrative Agent (in such capacity, the "Auction Manager")), so long as the following conditions are satisfied:

(i) each Auction shall be conducted in accordance with the procedures, terms and conditions set forth in this Section 2.19(a) and Schedule 2.19(a);

(ii) no Event of Default shall have occurred and be continuing on the date of the delivery of each auction notice and at the time of purchase of Term Loans in connection with any Auction;

(iii) the minimum principal amount (calculated on the face amount thereof) of all Term Loans that Holdings, Borrower or such Restricted Subsidiary offers to purchase in any such Auction shall be no less than $2,500,000 (unless another amount is agreed to by the Administrative Agent);

(iv) Borrower shall not use the proceeds of any borrowing under the ABL Credit Agreement to finance any such repurchase; and

(v) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans so purchased by Holdings, Borrower or such Restricted Subsidiary shall automatically be cancelled and retired on the settlement date of the relevant purchase (and may not be resold).

(b) Holdings, Borrower or such Restricted Subsidiary must terminate an Auction if it fails to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to such Auction. Holdings, Borrower or such Restricted Subsidiary may withdraw any Auction if the reply amounts are insufficient to complete the purchase of a minimum principal amount of the Term Loans designated in writing to the applicable Auction Manager by Holdings, Borrower or such Restricted Subsidiary (the "Minimum Purchase Condition"). No Credit Party or any Restricted Subsidiary shall have any liability to any Lender for any termination of such Auction as a result of its failure to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to the such Auction, or for any termination of such Auction as a result of the failure to satisfy the Minimum Purchase Condition, and any such failure shall not result in any Default or Event of Default hereunder. With respect to all purchases of Term Loans made pursuant to this Section 2.19, (x) Holdings, Borrower or such Restricted Subsidiary shall pay on the settlement date of each such purchase all accrued and unpaid interest (except to the extent otherwise set forth in the relevant offering documents), if any, on the purchased Term Loans up to the settlement date of such purchase and (y) such purchases (and the payments made therefor and the cancellation of the purchased Term

Loans, in each case in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Sections 5.01, 5.02 or 13.06. At the time of purchases of Term Loans pursuant to an Auction, the then remaining Scheduled Repayments shall be reduced by the aggregate principal amount (taking the face amount thereof) of Term Loans repurchased pursuant to such Auction, with such reduction to be applied to such Scheduled Repayments on a *pro rata* basis (based on the then remaining principal amount of each such Scheduled Repayments).

(c) The Administrative Agent and the Lenders hereby consent to the Auctions and the other transactions contemplated by this Section 2.19 (*provided* that no Lender shall have an obligation to participate in any such Auctions) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02 and 13.06 (it being understood and acknowledged that purchases of the Term Loans by Holdings, Borrower or any Restricted Subsidiary contemplated by this Section 2.19 shall not constitute Investments by such Person)) or any other Credit Document that may otherwise prohibit any Auction or any other transaction contemplated by this Section 2.19. The Auction Manager acting in its capacity as such hereunder shall be entitled to the benefits of the provisions of Section 12 and Section 13.01 *mutatis mutandis* as if each reference therein to the "Administrative Agent" were a reference to the Auction Manager, and the Administrative Agent and the Auction Manager shall cooperate in a reasonable manner in connection therewith.

2.20 Open Market Purchases.

(a) Notwithstanding anything to the contrary contained in this Agreement or any other Credit Document, Holdings, Borrower or any of its Restricted Subsidiaries may, at any time and from time to time, make open market purchases (including on a non-*pro rata* basis) of Term Loans (each, an "Open Market Purchase"), so long as the following conditions are satisfied:

(i) no Event of Default shall have occurred and be continuing on the date of such Open Market Purchase;

(ii) neither Holdings, Borrower nor any Restricted Subsidiary shall use the proceeds of any borrowing under the ABL Credit Agreement to finance any such purchase; and

(iii) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans so purchased by Holdings, Borrower or any of its Restricted Subsidiaries shall automatically be cancelled and retired on the settlement date of the relevant purchase (and may not be resold).

(b) With respect to all purchases of Term Loans made pursuant to this Section 2.20, (x) Holdings, Borrower or such Restricted Subsidiary shall pay on the settlement date of each such purchase all accrued and unpaid interest, if any, on the purchased Term Loans up to the settlement date of such purchase (except to the extent otherwise set forth in the relevant purchase documents as agreed by the respective selling Lender) and (y) such purchases (and the payments made therefor and the cancellation of the purchased Term Loans, in each case in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 5.01, 5.02 or 13.06. At the time of purchases of Term Loans pursuant to any Open Market Purchase, the then remaining Scheduled Repayments shall be reduced by the aggregate principal amount (taking the face amount thereof) of Term Loans repurchased pursuant to such Open Market Purchase, with such reduction to be applied to such Scheduled Repayments on a *pro rata* basis (based on the then remaining principal amount of each such Scheduled Repayments).

(c) The Administrative Agent and the Lenders hereby consent to the Open Market Purchases contemplated by this Section 2.20 and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02 and 13.06 (it being understood and acknowledged that purchases of the Term Loans by Holdings, Borrower or any Restricted Subsidiary contemplated by this Section 2.20 shall not constitute Investments by such Person)) or any other Credit Document that may otherwise prohibit any Open Market Purchase by this Section 2.20.

2.21 Sponsor and Affiliate Term Loan Purchases. Notwithstanding anything to the contrary in this Agreement, the Sponsor and any Non-Debt Fund Affiliate may be an assignee in respect of Term Loans (and to such extent shall be deemed an "Eligible Transferee"); *provided* that:

(a) at the time of acquisition thereof, the aggregate principal amount of Term Loans held by the Sponsor and Non-Debt Fund Affiliates, together with the aggregate principal amount of the Term Loans so acquired, shall not exceed 25% of the aggregate outstanding principal amount of the Term Loans at such time;

(b) notwithstanding anything to the contrary in the definition of "Required Lenders", or in Section 13.12, the holder of any Term Loans acquired pursuant to this Section 2.21(b) (other than Debt Fund Affiliates) shall not be entitled to vote such Term Loans in any "Required Lender" vote or direction pursuant to the terms of this Agreement or any other Credit Document, and for purposes of any such vote or direction such Term Loans shall be deemed not to be outstanding (it being understood that the holder of such Term Loans shall have the right to consent to votes requiring the consent of "all Lenders" or "all Lenders directly and adversely affected thereby" pursuant to Section 13.12 or otherwise, or any other amendment which treats such Lenders differently from other Lenders);

(c) by acquiring a Term Loan hereunder, the Sponsor or such applicable Non-Debt Fund Affiliates shall be deemed to have (I) waived its right to receive information prepared by the Administrative Agent or any Lender (or any advisor, agent or counsel thereof) under or in connection with the Credit Documents (in each case to the extent not provided to the Credit Parties) and attend any meeting or conference call with the Administrative Agent or any Lender (unless any Credit Party has been invited to attend such meeting or conference call), (II) agreed that it is prohibited from making or bringing any claim (but not from joining any claim initiated by any other Lender and acting as a passive participant with respect thereto), in its capacity as a Lender, against Administrative Agent or any Lender with respect to the duties and obligations of such Persons under the Credit Documents, and (III) agreed, without limiting its rights as a Lender described in Section 2.21(b), that it will have no right whatsoever, in its capacity as a Lender, to require the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to this Agreement or any other Credit Document;

(d) the Sponsor or such Non-Debt Fund Affiliate identifies itself as an Affiliate of the Credit Parties prior to the assignment of Term Loans to it pursuant to the applicable Assignment and Assumption; *provided* that this clause (d) shall not apply in the case of an acquisition of Term Loans through an un-Affiliated intermediary to the extent the Sponsor or such Non-Debt Fund Affiliate has made any representations and warranties to such intermediary as are required by such intermediary in connection with its engagement as such (which may include, to the extent required by such intermediary, a representation and warranty that it does not possess any material non-public information about the Credit Parties and their respective securities);

(e) Term Loans acquired by the Sponsor and Non-Debt Fund Affiliates shall be subject to the voting limitations set forth in Section 13.04(g);

(f) notwithstanding anything in Section 13.12 or the definition of "Required Lenders" to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Credit Document or any departure by any Credit Party therefrom, (ii) otherwise acted on any matter related to any Credit Document or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Credit Document, all Term Loans held by Debt Fund Affiliates may not account for more than 49.9% of the Term Loans of consenting Lenders included in determining whether the Required Lenders have consented to any action pursuant to Section 13.12; and

(g) each assignor and assignee party any relevant assignment under this Section 2.21 shall render customary "big boy" disclaimer letters or any such disclaimers shall be incorporated into the terms of the Assignment and Assumption.

Section 3. [Reserved].

Section 4. Fees; Reductions of Commitment.

4.01 Fees.

(a) Borrower agrees to pay to the Administrative Agent such fees as may be agreed to in writing from time to time by Borrower and the Administrative Agent.

(b) At the time of the effectiveness of any Repricing Transaction that is consummated prior to the date that is six (6) months after the Amendment No. ~~2~~**3** Effective Date, Borrower agrees to pay to the Administrative Agent, for the ratable account of each Lender with outstanding Term B**-1** Loans that are repaid or prepaid (and/or converted) pursuant to such Repricing Transaction (including, if applicable, each Lender that withholds its consent to a Repricing Transaction of the type described in clause (2) of the definition thereof and is replaced as a non-consenting Lender under Section 2.13), a fee in an amount equal to 1.00% of (x) in the case of a Repricing Transaction of the type described in clause (1) of the definition thereof, the aggregate principal amount of all Term B**-1** Loans prepaid (or converted) by Borrower in connection with such Repricing Transaction and (y) in the case of a Repricing Transaction of the type described in clause (2) of the definition thereof, the aggregate principal amount of all Term B**-1** Loans outstanding with respect to Borrower on such date that are subject to an effective reduction of the Applicable Margin pursuant to such Repricing Transaction. Such fees shall be due and payable upon the date of the effectiveness of such Repricing Transaction.

4.02 Mandatory Reduction of Commitments.

(a) In addition to any other mandatory commitment reductions pursuant to this Section 4.02, the Total Initial Term Loan Commitment shall terminate in its entirety on the Closing Date after the funding of all Initial Term Loans on such date. In addition to any other mandatory commitment reductions pursuant to this Section 4.02, the Total Term B Loan Commitment shall terminate in its entirety on the Amendment No. 2 Effective Date after the funding of all Additional Term B Loans on such date. **In addition to any other mandatory commitment reductions pursuant to this Section 4.02, the Total Term B-1 Loan Commitment shall terminate in its entirety on the Amendment No. 3 Effective Date after (i) the funding of all Additional Term B-1 Loans and (ii) the exchange of the Exchanged Term B Loans into Term B-1 Loans pursuant to Section 2.01(d), in each case, on such date.**

(b) In addition to any other mandatory commitment reductions pursuant to this Section 4.02, the Total Incremental Term Loan Commitment pursuant to an Incremental Term Loan Amendment (and the Incremental Term Loan Commitment of each Lender with such a Commitment) shall terminate in its entirety on the Incremental Term Loan Borrowing Date for such Total Incremental Term Loan Commitment after the funding of all relevant Incremental Term Loans on such date.

(c) Each reduction to the Total Initial Term Loan Commitment, the Total Term B Loan Commitment**, Total Term B-1 Loan Commitment** and the Total Incremental Term Loan Commitment under a given Tranche pursuant to this Section 4.02 as provided above (or pursuant to Section 5.02) shall be applied proportionately to reduce the Initial Term Loan Commitment, the Term B Loan Commitment**, the Total Term B-1 Loan Commitment** or the Incremental Term Loan Commitment under such Tranche, as the case may be, of each Lender with such a Commitment.

Section 5. Prepayments; Payments; Taxes.

5.01 Voluntary Prepayments.

(a) Borrower shall have the right to prepay the Term Loans of any Tranche, without premium or penalty (other than as provided in Section 4.01(b)), in whole or in part at any time and from time to time on the following terms and conditions: (i) Borrower shall give the Administrative Agent at its Notice Office a Notice of Loan Prepayment (or telephonic notice promptly confirmed in writing) of its intent to prepay all of the Term Loans, or in the case of any partial prepayment, the Tranche of Term Loans to be prepaid, the amount of the Term Loans to be prepaid, the Types of Term Loans to be repaid, the manner in which such prepayment shall apply to reduce the Scheduled Repayments and, in the case of Term Benchmark Term Loans, the specific Borrowing or Borrowings

pursuant to which made, which notice shall be given by Borrower (x) prior to 12:00 Noon (New York City time) at least one Business Day prior to the date of such prepayment in the case of Term Loans maintained as Base Rate Term Loans and (y) prior to 12:00 Noon (New York City time) at least three Business Days prior to the date of such prepayment in the case of Term Benchmark Term Loans (or, in the case of clauses (x) and (y), such shorter period as the Administrative Agent shall agree in its sole and absolute discretion), and be promptly transmitted by the Administrative Agent to each of the Lenders; *provided* that in the event of a voluntary prepayment to be made on the Amendment No. ~~2~~3 Effective Date, the notice of such prepayment may be delivered one Business Day prior to the Amendment No. ~~2~~3 Effective Date; (ii) each partial prepayment of Term Loans pursuant to this Section 5.01(a) shall be in an aggregate principal amount of at least $1,000,000 or such lesser amount as is acceptable to the Administrative Agent; *provided* that if any partial prepayment of Term Benchmark Term Loans made pursuant to any Borrowing shall reduce the outstanding principal amount of Term Benchmark Term Loans made pursuant to such Borrowing to an amount less than the Minimum Borrowing Amount applicable thereto, then if such Borrowing is a Borrowing of Term Benchmark Term Loans, such Borrowing shall automatically be converted into a Borrowing of Base Rate Term Loans and any election of an Interest Period with respect thereto given by Borrower shall have no force or effect; (iii) each prepayment pursuant to this Section 5.01(a) in respect of any Term Loans made pursuant to a Borrowing shall be applied *pro rata* among such Term Loans; *provided* that it is understood and agreed that this clause (iii) may be modified as expressly provided in Section 2.14 in connection with an Extension Amendment; and (iv) each prepayment of principal of Term Loans of a given Tranche pursuant to this Section 5.01(a) shall be applied as directed by Borrower in the applicable Notice of Loan Prepayment delivered pursuant to this Section 5.01(a) or, if no such direction is given, in direct order of maturity. Notwithstanding anything to the contrary contained in this Agreement, any such Notice of Loan Prepayment pursuant to this Section 5.01(a) may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including, but not limited to, the effectiveness of other credit facilities, the occurrence of a Change of Control or any similar event), in which case such notice may be revoked by Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(b) In the event (i) of a refusal by a Lender to consent to proposed changes, amendments, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b) or (ii) any Lender becomes a Defaulting Lender, Borrower may, upon three Business Days' prior written notice to the Administrative Agent at the Notice Office (or such shorter notice as may be agreed by the Administrative Agent) repay all Term Loans of such Lender, together with accrued and unpaid interest, Fees and other amounts owing to such Lender in accordance with, and subject to the requirements of, Section 13.12(b), so long as, in the case of any repayment pursuant to clause (i) hereof, the consents, if any, required under Section 13.12(b) in connection with the repayment pursuant to such clause (i) have been obtained. Each prepayment of any Term Loan pursuant to this Section 5.01(b) shall reduce the then remaining Scheduled Repayments of the applicable Tranche of Term Loans on a *pro rata* basis (based upon the then remaining unpaid principal amounts of Scheduled Repayments of the respective Tranche after giving effect to all prior reductions thereto).

5.02 Mandatory Repayments.

(a) In addition to any other mandatory repayments pursuant to this Section 5.02, on each date set forth below (each, a "Scheduled Repayment Date"), Borrower shall be required to repay to the Administrative Agent for the ratable account of the Lenders **(i) on the last Business Day of each March, June, September and December, commencing with December 31, 2024, an aggregate principal amount of Term B-1 Loans equal to $2,900,000 and (ii)** on the Initial Maturity Date for Term B-1 Loans, the aggregate principal amount of all Term B-1 Loans that remain outstanding on such date (**each** such repayment **described in clauses (i) and (ii)**, as the same may be reduced as provided in this Agreement, including in Section 2.19, 2.20, 5.01 or 5.02(g), or as a result of the application of prepayments or otherwise in connection with any Extension as provided in Section 2.14, a "Scheduled Repayment").

(b) In addition to any other mandatory repayments pursuant to this Section 5.02, Borrower shall be required to make, with respect to each new Tranche (i.e., other than Term B-1 Loans, which are addressed in the preceding clause (a)) of Term Loans to the extent then outstanding, scheduled amortization payments of such Tranche of Term Loans to the extent, and on the dates and in the principal amounts, set forth in the Incremental Term Loan Amendment, Refinancing Term Loan Amendment or Extension Amendment applicable thereto.

(c) In addition to any other mandatory repayments pursuant to this Section 5.02, within 10 days following each date on or after the Closing Date upon which Borrower or any of its Restricted Subsidiaries receives any cash proceeds from any issuance or incurrence of Indebtedness (other than Indebtedness permitted to be incurred pursuant to Section 10.04 (other than Refinancing Term Loans and Refinancing Notes/Loans)), an amount equal to 100% of the Net Debt Proceeds therefrom shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h).

(d) In addition to any other mandatory repayments pursuant to this Section 5.02, within 10 days following each date on or after the Closing Date upon which Borrower or any of its Restricted Subsidiaries receives any Net Sale Proceeds from any Asset Sale (other than in respect of ABL Collateral), an amount equal to the Applicable Asset Sale/Recovery Event Prepayment Percentage of the Net Sale Proceeds therefrom shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h); *provided*, *however*, with respect to an aggregate amount of no more than the greater of $~~120,000,000~~133,700,000 and 10% of Consolidated EBITDA of Borrower and its Restricted Subsidiaries for the most recently ended Test Period, of such Net Sale Proceeds received by Borrower and its Restricted Subsidiaries in any fiscal year of Borrower, such Net Sale Proceeds shall not be required to be so applied or used to make mandatory repayments of Term Loans and any required prepayment shall be only the amount in excess thereof. Notwithstanding the foregoing, Borrower or such Restricted Subsidiary may apply all or a portion of such Net Sale Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder to reinvest in the purchase of assets useful in the business of Borrower and its Restricted Subsidiaries within 12 months following the date of receipt of such Net Sale Proceeds (or, if within such 12-month period, Borrower or any of its Restricted Subsidiaries enters into a binding commitment to so reinvest such Net Sale Proceeds, within 180 days following such 12-month period during which Borrower so committed to such plan of reinvestment); *provided*, *further*, that if within 12 months (or, to the extent applicable, 18 months) after the date of receipt by Borrower or such Restricted Subsidiary of such Net Sale Proceeds, Borrower or such Restricted Subsidiary has not so used all or a portion of such Net Sale Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder, an amount equal to the remaining portion of such Net Sale Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h) on the last day of such 12-month (or, to the extent applicable, 18-month) period.

(e) In addition to any other mandatory repayments pursuant to this Section 5.02, on each Excess Cash Flow Payment Date, an amount (such amount the "Excess Cash Flow Payment Amount") equal to the remainder of (i) the Applicable ECF Prepayment Percentage of the Excess Cash Flow for the related Excess Cash Flow Payment Period *less* (ii) the aggregate amount of all Voluntary Pari Passu Debt Prepayments, *less* (iii) the aggregate amount of all Capital Expenditures made or accrued by Borrower and its Restricted Subsidiaries, *less* (iv) the aggregate amount of all cash payments made in respect of any Permitted Acquisitions and other Investments permitted pursuant to Section 10.05 (other than Investments in Cash Equivalents or in Borrower or a Person that, prior to and immediately following the making of such Investment, was and remains a Restricted Subsidiary), *less* (v) Dividends made in cash to the extent permitted by Sections 10.03(iii), (iv), (v), (vi), (vii), (viii), (ix), (x), (xiii), (xxiii) or (xv), *less* (vi) the portion of transaction costs and expenses related to items (ii) – (v) above (to the extent not deducted in determining Consolidated Net Income), *less* (vii) the aggregate amount of any premium, make-whole or penalty payments actually paid in cash that are required to be made in connection with any prepayment, buyback or redemption of Indebtedness pursuant to clause (ii) above, in each case of the foregoing clauses (ii) – (vii), made during the relevant Excess Cash Flow Payment Period or after such Excess Cash Flow Payment Period and prior to the time such Excess Cash Flow Payment Amount is due (or, at the election of Borrower, if committed to be made during the relevant Excess Cash Flow Payment Period or after such Excess Cash Flow Payment Period and prior to the time such Excess Cash Flow Payment Amount is due), to the extent not financed with the proceeds of long-term indebtedness (excluding ABL Revolving Loans and borrowings under any similar working capital facility permitted under Section 10.04 or any Qualified Securitization Transaction or Receivables Facility permitted under Section 10.04, shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h); *provided*, that no prepayment shall be required with respect to any Excess Cash Flow Payment Period to the extent Excess Cash Flow for such period is equal to or less than the greater of $~~30,000,000~~33,425,000 and 2.5% of Consolidated EBITDA of Borrower and its Restricted Subsidiaries for the most recently ended Test Period, and, in such case, the required prepayment shall be only the amount in excess thereof.

(f) In addition to any other mandatory repayments pursuant to this Section 5.02, within 10 days following each date on or after the Closing Date upon which Borrower or any of its Restricted Subsidiaries receives any Net Insurance Proceeds from any Recovery Event (other than in respect of ABL Collateral), an amount equal to the Applicable Asset Sale/Recovery Event Prepayment Percentage of the Net Insurance Proceeds from such Recovery Event shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h); *provided*, *however*, with respect to an aggregate amount of no more than the greater of $~~120,000,000~~133,700,000 and 10% of Consolidated EBITDA of Borrower and its Restricted Subsidiaries for the most recently ended Test Period, of such Net Insurance Proceeds received by Borrower and its Restricted Subsidiaries in any fiscal year of Borrower, such Net Insurance Proceeds shall not give rise to a mandatory repayment and any required prepayment shall be only the amount in excess thereof. Notwithstanding the foregoing, Borrower or such Restricted Subsidiary may apply all or a portion of such Net Insurance Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder to reinvest in the purchase of assets useful in the business of Borrower and its Restricted Subsidiaries within 12 months following the date of receipt of such Net Insurance Proceeds (or, if within such 12-month period, Borrower or any of its Restricted Subsidiaries enters into a binding commitment to so reinvest such Net Insurance Proceeds, within 180 days following such 12-month period during which Borrower so committed to such plan of reinvestment); *provided*, *further*, that if within 12 months (or, to the extent applicable, 18 months) after the date of receipt by Borrower or such Restricted Subsidiary of such Net Insurance Proceeds, Borrower or such Restricted Subsidiary has not so used all or a portion of such Net Insurance Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder, an amount equal to the remaining portion of such Net Insurance Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h) on the last day of such 12-month (or, to the extent applicable, 18-month) period.

(g) Each amount required to be applied pursuant to Sections 5.02(d), (e) and (f) in accordance with this Section 5.02(g) shall be applied to repay the outstanding principal amount of Term Loans, with each Tranche of then outstanding Term Loans to be allocated its Term Loan Percentage of each amount so required to be applied; *provided* that to the extent any Secured Notes, any Permitted Pari Passu Notes, any Permitted Pari Passu Loans or Refinancing Notes/Loans (or, in each case, any Permitted Refinancing Indebtedness in respect of any of the foregoing that is secured on a *pari passu* basis with the Obligations) requires any mandatory prepayment or repurchase of *pari passu* Indebtedness from any Net Sale Proceeds or Net Insurance Proceeds that would otherwise be required to be applied to prepay Term Loans in accordance with clause (d) or (f) above, up to a *pro rata* portion (based on the aggregate principal amount of Term Loans and such *pari passu* secured Indebtedness then outstanding) of such Net Sale Proceeds or Net Insurance Proceeds that would otherwise be required to prepay Term Loans in accordance with clause (d) or (f) above may be applied to prepay or repurchase such *pari passu* secured Indebtedness in lieu of prepaying Term Loans as provided above. Prepayments pursuant to Section 5.02(c) shall be applied to the Tranche or Tranches of Term Loans selected by Borrower. Except as otherwise provided below, all repayments of outstanding Term Loans of a given Tranche pursuant to Sections 5.02(c), (d), (e) and (f) (and applied pursuant to this clause (g)) shall be applied to reduce the Scheduled Repayments of the applicable Tranche in direct order of maturity of such Scheduled Repayments.

(h) With respect to each repayment of Term Loans required by this Section 5.02, Borrower may (subject to the priority payment requirements of Section 5.02(g)) designate the Types of Term Loans of the applicable Tranche which are to be repaid and, in the case of Term Benchmark Term Loans, the specific Borrowing or Borrowings of the applicable Tranche pursuant to which such Term Benchmark Term Loans were made; *provided* that: (i) repayments of Term Benchmark Term Loans pursuant to this Section 5.02 may only be made on the last day of an Interest Period applicable thereto unless all such Term Benchmark Term Loans of the applicable Tranche with Interest Periods ending on such date of required repayment and all Base Rate Term Loans of the applicable Tranche have been paid in full; and (ii) each repayment of any Term Loans made pursuant to a Borrowing shall be applied *pro rata* among such Term Loans. In the absence of a designation by Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its reasonable discretion.

(i) In addition to any other mandatory repayments pursuant to this Section 5.02, all then outstanding Term Loans of any Tranche of Term Loans shall be repaid in full on the Maturity Date for such Tranche of Term Loans.

(j) Notwithstanding any other provisions of this Section 5.02, (i) to the extent that any or all of the Net Sale Proceeds of any Asset Sale by a Foreign Subsidiary (a "Foreign Asset Sale"), the Net Insurance Proceeds of any Recovery Event incurred by a Foreign Subsidiary (a 'Foreign Recovery Event") or Excess Cash Flow attributable to Foreign Subsidiaries are prohibited or delayed by applicable local law, rule or regulation or applicable organizational documents of such Foreign Subsidiary from being repatriated to the United States, an amount equal to the portion of such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 5.02 so long, but only so long, as the applicable local law, rule or regulation or applicable organizational documents of such Foreign Subsidiary will not permit repatriation to the United States (Borrower hereby agreeing to use all commercially reasonable efforts to overcome or eliminate any such restrictions on repatriation and/or minimize any such costs of prepayment and/or use the other cash sources of Borrower and its Restricted Subsidiaries to make the relevant prepayment), and if within one year following the date on which the respective prepayment would otherwise have been required such repatriation of any of such affected Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow is permitted under the applicable local law, rule or regulation or applicable organizational documents of such Foreign Subsidiary, an amount equal to such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow will be promptly applied (net of additional taxes that would be payable or reserved against as a result of repatriating such amounts and additional costs relating to such repatriation) to the repayment of the Term Loans pursuant to this Section 5.02, (ii) to the extent that Borrower has reasonably determined in good faith that repatriation of any of or all the Net Sale Proceeds of any Foreign Asset Sale, Net Insurance Proceeds of any Foreign Recovery Event, or Excess Cash Flow attributable to Foreign Subsidiaries would have material adverse tax consequences, an amount equal to such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow so affected will not be required to be applied to prepay Term Loans at the times provided in this Section 5.02 and (iii) to the extent that the Net Sale Proceeds of an Asset Sale are attributable to a non-Wholly-Owned Subsidiary, the Net Insurance Proceeds of a Recovery Event are attributable to a non-Wholly-Owned Subsidiary or Excess Cash Flow is attributable to a non-Wholly-Owned Subsidiary, the amount of such Net Sale Proceeds, such Net Insurance Proceeds and such Excess Cash Flow used to calculate the required prepayment pursuant to this Section 5.02 shall not exceed the lesser of (x) an amount corresponding to the proportionate ownership interests in such non-Wholly-Owned Subsidiary or (y) an amount corresponding to the amount of distributions permitted to be made from such non-Wholly-Owned Subsidiary to its direct or indirect parent entity that is a Wholly-Owned Subsidiary for such purposes at the time such prepayment is required to be made.

(k) Borrower shall notify the Administrative Agent in writing of any mandatory repayment of Term Loans required to be made pursuant to Section 5.02(d), (e) or (f) at least three Business Days prior to the date of such repayment. Each such notice shall specify the date of such repayment and provide the amount of such repayment. The Administrative Agent will promptly notify the Lenders of the contents of Borrower's Notice of Loan Prepayment and of such Lender's *pro rata* share of any repayment. Each Lender may reject all or a portion of its*pro rata* share of any mandatory repayment (such declined amounts, the "Declined Proceeds") of Term Loans required to be made pursuant to Section 5.02(d), (e) or (f) by providing written notice (each, a "Rejection Notice") to the Administrative Agent and Borrower no later than 5:00 P.M. (New York City time) on the Business Day after the date of such Lender's receipt of notice from the Administrative Agent regarding such repayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Lender fails to deliver such Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory repayment of Term Loans to which such Lender is otherwise entitled. Any Declined Proceeds that would otherwise have been payable pursuant to Section 5.02(d) or (f), to the extent retained by Borrower following compliance with the provisions hereof, are referred to herein as "Specified Retained Declined Proceeds".

5.03 Method and Place of Payment. All payments under this Agreement and under any Note shall be made (i) to the Administrative Agent at its Notice Office for the account of the Lender or Lenders entitled thereto, or, except as otherwise specifically provided herein, directly to such Lender or Lenders, in each case, not later than 2:00 p.m. (New York City time) on the date when due (or, in connection with any prepayment of all outstanding Term Loans, such later time on the specified prepayment date as the Administrative Agent may agree), (ii) in Dollars in immediately available funds and (iii) free and clear of and without condition or deduction for any counterclaim, defense, recoupment or setoff. Any payment received after such time on such date referred to in the first sentence of this Section 5.03 shall, at the option of the Administrative Agent, be deemed to have been received on the next Business Day. Whenever any payment to be made hereunder or under any Note shall be stated to be due on a day

which is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable at the applicable rate during such extension. Unless the Administrative Agent shall have received notice from Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that Borrower will not make such payment, the Administrative Agent may assume that Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if Borrower has not in fact made such payment, then each Lender severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

5.04 Net Payments.

(a) All payments made by or on account of any Credit Party under any Credit Document shall be made free and clear of, and without deduction or withholding for, any Taxes, except as required by applicable Requirements of Law. If any Taxes are required to be withheld or deducted in respect of any such payments, then the Credit Parties jointly and severally agree that (i) to the extent such deduction or withholding is on account of an Indemnified Tax or Other Tax, the sum payable by the applicable Credit Party shall be increased as necessary so that after all required deductions or withholdings (including deduction or withholdings applicable to additional sums payable under this Section 5.04) have been made by the applicable withholding agent, the applicable Lender (or, in the case of payments made to the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable withholding agent will make such deductions or withholdings, and (iii) the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Requirements of Law. In addition, the Credit Parties shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Requirements of Law. The Credit Parties will furnish to the Administrative Agent within 45 days after the date the payment by any of them of any Taxes is due pursuant to applicable Requirements of Law certified copies of tax receipts evidencing such payment by the applicable Credit Party, or other evidence of such payment reasonably satisfactory to the Administrative Agent. Without duplication of amounts compensated pursuant to the other provisions of this Section 5.04, the Credit Parties jointly and severally agree to indemnify and hold harmless the Administrative Agent and each Lender, and reimburse the Administrative Agent and each Lender, within 10 Business Days of written request therefor, for the amount of any Indemnified Taxes or Other Taxes (including any Indemnified Taxes or Other Taxes imposed on amounts payable under this Section 5.04) payable or paid by the Administrative Agent or such Lender or required to be withheld or deducted from a payment to the Administrative Agent or such Lender, and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered by a Lender or by the Administrative Agent on behalf of a Lender shall be conclusive absent manifest error.

(b) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to any payments made under any Credit Document shall deliver to Borrower and the Administrative Agent, at the time or times reasonably requested by Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by Borrower or the Administrative Agent, certifying as to any entitlement of such Lender to an exemption from, or a reduced rate of, withholding Tax. In addition, each Lender shall deliver to Borrower and the Administrative Agent, at the time or times reasonably requested by Borrower or the Administrative Agent, such other documentation prescribed by applicable Requirements of Law or reasonably requested by Borrower or the Administrative Agent as will enable Borrower or the Administrative Agent to determine whether such Lender is subject to backup withholding or information reporting requirements. Each Lender shall, whenever a lapse in time or change in circumstances renders any such documentation (including any specific documents required below in Section 5.04(c)) expired, obsolete or inaccurate in any respect, deliver promptly to Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by Borrower or the Administrative Agent) or promptly notify Borrower and the Administrative Agent in writing of its legal ineligibility to do so.

(c) Without limiting the generality of the foregoing: (x) each Lender that is not a U.S. Person shall, to the extent it is legally eligible to do so, deliver to Borrower and the Administrative Agent on or prior to the Closing Date or, in the case of a Lender that is an assignee or transferee of an interest under this Agreement pursuant to Section 2.13 or 13.04(b) (unless the relevant Lender was already a Lender hereunder immediately prior to such assignment or transfer), on the date of such assignment or transfer to such Lender, two of whichever of the following is applicable (i) in the case of such a Lender that is claiming the benefits of an income tax treaty to which the United States is a party (A) with respect to payments of interest under any Credit Document, duly executed originals of IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the interest article of such tax treaty and (B) with respect to any other applicable payments under any Credit Document, duly executed originals of IRS Form W-8 BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty; (ii) duly executed originals of IRS Form W-8ECI; (iii) in the case of such a Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (A) a certificate substantially in the form of Exhibit C-1to the effect that such Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10-percent shareholder" of Borrower (or the direct or indirect owner of such Borrower from which such Borrower is disregarded as separate for U.S. federal income tax purposes) within the meaning of Section 871(h)(3)(B) of the Code, or a "controlled foreign corporation" related to such Borrower, as described in Section 881(c)(3)(C) of the Code and that no payments under any Credit Documents are effectively connected with such Lender's conduct of a U.S. trade or business (a "U.S. Tax Compliance Certificate") and (B) duly executed originals of IRS Form W-8BEN or W-8BEN-E; (iv) to the extent such Lender is not the beneficial owner (for example, where the Lender is a partnership or a participating Lender), duly executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit C-2 or Exhibit C-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; *provided* that if the applicable Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners of such Lender are claiming the portfolio interest exemption, such Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit C-4 on behalf of such direct or indirect partner(s); (v) duly executed originals of any other documentation prescribed by applicable Requirements of Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax together with such supplementary documentation as may be prescribed by applicable Requirements of Law to permit Borrower or the Administrative Agent to determine the withholding or deduction required to be made; (y) each Lender that is a U.S. Person shall deliver to Borrower and the Administrative Agent, on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or the Administrative Agent), two duly executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding Tax; and (z) if any payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to Borrower and the Administrative Agent, at the time or times prescribed by applicable Requirements of Law and at such time or times reasonably requested by Borrower or the Administrative Agent, such documentation prescribed by applicable Requirements of Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by Borrower or the Administrative Agent as may be necessary for Borrower or the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has complied with such Lender's obligations under FATCA and to determine, if necessary, the amount to deduct and withhold from such payment. Solely for purposes of this Section 5.04(c)(z), "FATCA" shall include any amendment made to FATCA after the Closing Date.

On or prior to the date it becomes a party to this Agreement, the Administrative Agent shall deliver to Borrower either (i) two duly completed originals of IRS Form W-9, or (ii) if the Administrative Agent is not a U.S. Person (a) two duly completed originals of IRS Form W-8ECI with respect to payments to be received under the Credit Documents for its own account and (b) with respect to payments received on account of any Lender, two duly completed originals of IRS Form W-8IMY evidencing its agreement with Borrower to be treated as a U.S. Person for U.S. federal withholding Tax purposes and assuming primary responsibility for U.S. federal income Tax withholding. Each Lender authorizes the Administrative Agent to deliver to Borrower and to any successor Administrative Agent any documentation provided by the Lender to the Administrative Agent pursuant to Section 5.04(b) or this Section 5.04(c).

Notwithstanding any other provision of this Section 5.04, a Lender shall not be required to deliver any documentation that such Lender is not legally eligible to deliver.

(d) If the Administrative Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by the Credit Parties or with respect to which a Credit Party has paid additional amounts pursuant to Section 5.04(a), it shall pay to the relevant Credit Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by such Credit Party under Section 5.04(a) with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses, including any Taxes, of the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); *provided* that the relevant Credit Party, upon the request of the Administrative Agent or such Lender, shall repay the amount paid over to such Credit Party (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 5.04(d), in no event will the Administrative Agent or any Lender be required to pay any amount to any Credit Party pursuant to this Section 5.04(d) to the extent such payment would place the Administrative Agent or such Lender in a less favorable position (on a net after-Tax basis) than such party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. Nothing in this Section 5.04(d) shall be construed to obligate the Administrative Agent or any Lender to disclose its Tax returns or any other information regarding its Tax affairs or computations to any Person or otherwise to arrange its Tax affairs in any manner other than as it determines in its sole discretion.

(e) The agreements in this Section 5.04 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Obligations.

Section 6. Conditions Precedent to Credit Events on the Closing Date

The obligation of each Lender to make Term Loans on the Closing Date, is subject at the time of the making of such Term Loans to the satisfaction or waiver of the following conditions:

6.01 Term Loan Credit Agreement. On the Closing Date, Holdings and Borrower shall have executed and delivered to the Administrative Agent a counterpart of this Agreement.

6.02 ABL Credit Agreement and Indenture. On the Closing Date, Holdings, Borrower and the other Subsidiaries of Borrower party thereto shall have executed and delivered to the Administrative Agent (i) a counterpart of the ABL Credit Agreement and (ii) an executed copy of the Secured Notes Indenture.

6.03 Opinions of Counsel. On the Closing Date, the Administrative Agent shall have received from (i) Willkie Farr & Gallagher LLP, special New York counsel to the Credit Parties, and (ii) local counsel to the Credit Parties listed on Schedule 6.03 hereto, a customary opinion addressed to the Administrative Agent and each of the Lenders and dated the Closing Date.

6.04 Corporate Documents; Proceedings, etc.

(a) On the Closing Date, the Administrative Agent shall have received a certificate from each Credit Party, dated the Closing Date, signed by the Secretary or Assistant Secretary of such Credit Party, and attested to by a Responsible Officer of such Credit Party, substantially in the form of Exhibit E with appropriate insertions, together with copies of the certificate or articles of incorporation and by-laws (or equivalent organizational documents), as applicable, of such Credit Party and the resolutions of the governing body of such Credit Party referred to in such certificate, and each of the foregoing shall be in customary form.

(b) The Administrative Agent shall have received good standing certificates (or equivalent evidence) and bring-down letters or facsimiles, if any, for the Credit Parties from their respective jurisdictions of organization which the Administrative Agent reasonably may have requested.

6.05 Acquisition. The Acquisition shall be consummated substantially concurrently with the initial funding of the Initial Term Loans in accordance in all material respects with the Acquisition Agreement without waiver or amendment thereof that is, in the aggregate when taken as a whole, materially adverse to the interests of the Initial Lenders (including any reduction in the acquisition consideration that does not meet the criteria below) unless consented to by the Initial Lenders (such consent not to be unreasonably withheld, delayed or conditioned); it being understood that (w) no reduction in the acquisition consideration shall be deemed to be materially adverse to the interests of the Initial Lenders if such reduction is applied *first* to reduce the Cash Equity Financing by an amount such that the Cash Equity Financing shall be no less than the Minimum Equity Amount and *second* to reduce the principal amount of term loans under this Agreement, the principal amount of loans under the ABL Credit Agreement (other than the revolving loans under the ABL Credit Agreement) and the principal amount of the Secured Notes, on a ratable basis, (x) no increase in the acquisition consideration shall be deemed to be materially adverse to the interests of the Lenders if such increase is funded solely by an increase in the Cash Equity Financing, (y) no modification to the acquisition consideration as a result of any purchase price adjustment or working capital adjustment expressly contemplated by the Acquisition Agreement as of the date thereof shall constitute a reduction or increase in the acquisition consideration and (z) each Initial Lender shall be deemed to have consented to any waiver or amendment of the Acquisition Agreement if it shall have not affirmatively objected to any such waiver or amendment within three Business Days (as defined in the Acquisition Agreement as of the date thereof) of receipt of written notice of such waiver or amendment.

(b) Subject to the terms of the ABL Intercreditor Agreement, the Pari Passu Intercreditor Agreement, any Additional Junior Lien Intercreditor Agreement and any Additional Pari Passu Intercreditor Agreement, with respect to any Person that is or becomes a Restricted Subsidiary (or ceases to be an Excluded Subsidiary) after the Closing Date, Holdings and Borrower will, and will cause each applicable Restricted Subsidiary to, (i) deliver to the Collateral Agent the certificates, if any, representing all (or such lesser amount as is required) of the Equity Interests of such Restricted Subsidiary, together with undated stock powers or other appropriate instruments of transfer executed and delivered in blank by a duly authorized officer of the holder(s) of such Equity Interests, and all intercompany notes owing from such Restricted Subsidiary to any Credit Party together with instruments of transfer executed and delivered in blank by a duly authorized officer of such Credit Party (in each case, to the extent required pursuant to the Security Agreement), (ii) cause such new Restricted Subsidiary (other than an Excluded Subsidiary) to (A) execute a joinder agreement to the Guaranty Agreement and a joinder agreement to each applicable Security Document, substantially in the form annexed thereto, and (B) take all actions necessary or advisable in the opinion of the Administrative Agent or the Collateral Agent to cause the Lien created by the applicable Security Document to be duly perfected to the extent required by such agreement in accordance with all applicable Requirements of Law, including the filing of financing statements in such jurisdictions as may be reasonably requested by the Administrative Agent or the Collateral Agent and (iii) at the reasonable request of the Administrative Agent, deliver or cause to be delivered to the Administrative Agent an opinion, addressed to the Administrative Agent and the other Lenders, of counsel reasonably acceptable to the Administrative Agent as to such matters set forth in this Section 9.12(b) as the Administrative Agent may reasonably request.

(c) Holdings and Borrower will, and will cause each of the other Credit Parties to, at the expense of Borrower, make, execute, endorse, acknowledge, file and/or deliver to the Collateral Agent, promptly, upon the reasonable request of the Administrative Agent or the Collateral Agent, at Borrower's expense, any document or instrument supplemental to or confirmatory of the Security Documents to the extent deemed by the Administrative Agent or the Collateral Agent reasonably necessary for the continued validity, perfection and priority (subject to the terms of the ABL Intercreditor Agreement, the Pari Passu Intercreditor Agreement, any Additional Junior Lien Intercreditor Agreement and any Additional Pari Passu Intercreditor Agreement) of the Liens on the Collateral covered thereby subject to no other Liens except for Permitted Liens or as otherwise permitted by the applicable Security Document.

(d) If the Administrative Agent or the Collateral Agent reasonably determines that it or the Lenders are required by law or regulation to have appraisals prepared in respect of any Mortgaged Property, Borrower will, at its own expense, provide to the Administrative Agent appraisals which satisfy the applicable requirements of the Real

Each of the parties hereto acknowledges and agrees that the grant of any Mortgage on Mortgaged Property of the Credit Parties (or any increase, extension or renewal of any Loans or Commitments at a time when any Mortgaged Property is subject to a Mortgage) shall be subject to (and conditioned upon) the prior delivery to the Collateral Agent of "life-of-loan" Federal Emergency Management Agency standard flood hazard determinations with respect to each Mortgaged Property and, to the extent any improved Mortgaged Property is located in an area determined by the Federal Emergency Management Agency (or any successor agency) to be a special flood hazard area, (i) delivery by the Collateral Agent to Borrower of a notice of special flood hazard area status and flood disaster assistance and, if such notice is delivered to Borrower at least two (2) Business Days prior to such grant, increase, extension or renewal, a duly executed acknowledgment of receipt thereof by Borrower and (ii) evidence of flood insurance as required by Section 9.03 hereof. (b) Borrower shall cause each Restricted Subsidiary (other than an Excluded Subsidiary) which is formed to effect, or is acquired pursuant to, a Permitted Acquisition (and each Credit Party that is the direct parent of such Restricted Subsidiary that was so formed or acquired) to comply with, and to execute and deliver all of the documentation as and to the extent (and within the relevant time periods) required by, Section 9.12, to the reasonable satisfaction of the Collateral Agent.

The designation of any Unrestricted Subsidiary as a Restricted Subsidiary shall constitute (i) the incurrence at the time of designation of any Investment, Indebtedness or Liens of such Subsidiary and its Subsidiaries existing at such time and (ii) a return on any Investment by Borrower in Unrestricted Subsidiaries pursuant to the preceding sentence in an amount equal to the fair market value at the date of such designation of Borrower's Investment in such Subsidiary.

neither Borrower nor any other Credit Party shall have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term "agent" herein or in any other Credit Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(b) JPMorgan shall also act as the "Collateral Agent" and "security trustee" under the Credit Documents, and each of the Lenders (on behalf of itself and its Affiliates, including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement) hereby irrevocably appoints and authorizes JPMorgan to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any Credit Party to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Collateral Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Guaranteed Creditors with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Security Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

(c) Each of the Lenders (including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement or a Designated Treasury Services Agreement) hereby authorizes the Administrative Agent and/or the Collateral Agent to enter into the ABL Intercreditor Agreement, the Pari Passu Intercreditor Agreement, any Additional Junior Lien Intercreditor Agreement, any Additional Pari Passu Intercreditor Agreement and any other intercreditor agreement or arrangement or supplement thereto permitted under this Agreement without any further consent by any Lender and any such intercreditor agreement shall be binding upon the Lenders.

The Administrative Agent, the Collateral Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section 12 shall apply to any such sub-agent and to the Related Parties of the Administrative Agent or the Collateral Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent and as Collateral Agent, as applicable. The Administrative Agent or Collateral Agent shall not be responsible for the negligence or misconduct of any sub-agents, except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence, bad faith or willful misconduct in the selection of such sub-agents.

12.03 Exculpatory Provisions. The Administrative Agent and the Collateral Agent shall not have any duties or obligations except those expressly set forth herein and in the other Credit Documents and its duties hereunder shall be administrative in nature. (a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Administrative Agent and/or the Collateral Agent are required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents); *provided* that each of the Administrative Agent and

the Collateral Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent or the Collateral Agent, as applicable, to liability or that is contrary to any Credit Document or applicable law;

(c) shall not, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to Borrower or any of their Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent and/or the Collateral Agent or any of their respective Affiliates in any capacity;

Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent and the Collateral Agent by Borrower or a Lender; and

(e) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Credit Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Section 6 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent and/or the Collateral Agent.

Each of the Administrative Agent and the Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each of the Administrative Agent and the Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Term Loan, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Term Loan. The Administrative Agent may consult with legal counsel (who may be counsel for Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel (excluding counsel for Borrower), accountants or experts.

12.05 No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the Lead Arrangers or any of their respective Affiliates shall have any powers, duties or responsibilities under this Agreement or any of the other Credit Documents, except in its capacity, as applicable, as the Administrative Agent, the Collateral Agent or a Lender hereunder.

12.06 Non-reliance on Administrative Agent, Collateral Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent, the Collateral Agent, any arranger of this credit facility or any amendment thereto or any other Lender or any of their respective Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Collateral Agent, any arranger of this credit facility or any amendment thereto or any other Lender or any of their respective Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based

upon this Agreement, any other Credit Document or any related agreement or any document furnished hereunder or thereunder. Each Lender represents and warrants that (i) the Credit Documents set forth the terms of a commercial lending facility, (ii) it is engaged in making, acquiring or holding commercial loans and in providing other facilities set forth herein as may be applicable to such Lender, in each case in the ordinary course of business, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument (and each Lender agrees not to assert a claim in contravention of the foregoing) and (ii) it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities.

12.07 Indemnification by the Lenders. To the extent that Borrower for any reason fails to pay any amount required under Section 13.01(a) to be paid by them to the Administrative Agent or Collateral Agent (or any sub-agent of either of them), or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent or Collateral Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender's *pro rata* share (based on the amount of then outstanding Term Loans held by each Lender or, if the Term Loans have been repaid in full, based on the amount of outstanding Term Loans held by each Lender immediately prior to such repayment in full) of (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) such unpaid amount; *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or Collateral Agent (or any such sub-agent) in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent or Collateral Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this Section 12.07 are subject to the provisions of Section 5.04.

12.08 Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

12.09 Administrative Agent May File Proofs of Claim; Credit Bidding. In case of the pendency of any case or proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Credit Party, the Administrative Agent (irrespective of whether the principal of any Term Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Term Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 4.01 and 13.01) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator, debtor, debtor-in-possession, or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 4.01 and 13.01.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition or similar dispositive restructuring plan affecting the Obligations or the rights of any Lender to authorize the Administrative Agent to vote in respect of the claim of any Lender or in any such case or proceeding.

The Secured Creditors hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to (subject to the ABL Intercreditor Agreement, the Pari Passu Intercreditor Agreement, any Additional Junior Lien Intercreditor Agreement, any Additional Pari Passu Intercreditor Agreement and any other intercreditor agreement or arrangement or supplement thereto permitted under this Agreement) credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any comparable provisions of any other applicable Debtor Relief Laws or any similar laws in any other jurisdictions to which a Credit Party is subject or (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Creditors shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (*provided* that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (a)(i) through (a)(v) of Section 13.12 of this Agreement), and (iii) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders *pro rata* and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Creditor or any acquisition vehicle to take any further action.

12.10 Resignation of the Agents. Each of the Administrative Agent and the Collateral Agent may resign as the Administrative Agent or Collateral Agent, as applicable, upon 30 days' written notice to the Lenders and Borrower; provided that, if at the time of such resignation, there is a successor Administrative Agent or Collateral Agent, as applicable, satisfactory to each of the resigning Agent, the incoming Agent and Borrower, each, in its sole discretion, then the resigning Agent, the incoming Agent and Borrower may agree to waive or shorten the 30 day notice period. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with Borrower's consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders (and consented to by Borrower, to the extent so required) and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent or Collateral Agent may, with Borrower's consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), on behalf of the Lenders, appoint a successor Administrative Agent or successor Collateral Agent, as applicable, in each case meeting the qualifications set forth above; *provided* that if the Administrative Agent or the Collateral Agent shall notify Borrower and the Lenders that no qualifying Person has accepted such appointment within such period, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Administrative Agent or retiring Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders under any of the Credit Documents, the retiring Collateral Agent shall continue to hold such collateral security solely for purposes of maintaining the Secured Creditors' security interest thereon until such time

as a successor Collateral Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders (with the consent of Borrower, to the extent so required) appoint a successor Administrative Agent as provided for above in this Section 12.10. Upon the acceptance of a successor's appointment as Administrative Agent or as Collateral Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent or Collateral Agent, as applicable, and the retiring Administrative Agent or retiring Collateral Agent, as applicable, shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this Section). After the retiring Administrative Agent's or retiring Collateral Agent's resignation hereunder and under the other Credit Documents, the provisions of this Section 12 and Section 13.01 shall continue in effect for the benefit of such retiring Administrative Agent or Collateral Agent, as applicable, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

12.11 Collateral Matters and Guaranty Matters. Each of the Lenders (including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement) irrevocably authorizes the Administrative Agent or Collateral Agent, as applicable,

(i) to release, and to evidence the automatic release of, any Lien on any property granted to or held by the Collateral Agent under any Credit Document (A) upon termination of the Commitments and payment in full of all Obligations (other than (x) contingent indemnification obligations and (y) obligations and liabilities under Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements), (B) that is sold or disposed of or to be sold or disposed of as part of or in connection with any sale or other disposition permitted hereunder or under any other Credit Document to a Person that is not a Credit Party, (C) that constitutes Excluded Collateral, (D) if the property subject to such Lien is owned by a Subsidiary Guarantor, subject to Section 13.12, upon release of such Subsidiary Guarantor from its obligations under the Guaranty Agreement pursuant to clause (ii) below or (E) if approved, authorized or ratified in writing in accordance with Section 13.12;

(ii) to release any Subsidiary Guarantor from its obligations under the Guaranty Agreement if such Person ceases to be a Restricted Subsidiary or becomes an Excluded Subsidiary as a result of a transaction permitted hereunder; *provided* that in the case of any such Subsidiary Guarantor that becomes an Excluded Subsidiary solely as a result of becoming a non-Wholly Owned Subsidiary, such Subsidiary Guarantor shall only be released from its obligations under this Agreement or the Guaranty Agreement, as applicable, pursuant to this clause (ii) if such Restricted Subsidiary became a non-Wholly Owned Subsidiary pursuant to a transaction where such Subsidiary becomes a bona fide joint venture where the other Person taking an equity interest in such Subsidiary is not an Affiliate of Holdings (other than as a result of such joint venture); and

(iii) to release or subordinate any Lien on any property granted to or held by the Collateral Agent under any Credit Document to the holder of any Lien on such property that is permitted by Sections 10.01(iv)(x) (solely with respect to subordination (and not release) of Liens granted to or held by the Collateral Agent on any ABL Collateral), (iv)(y), (vi), (vii) or (xiv) or any other Lien that is expressly permitted by Section 10.01 to be senior to the Lien securing the Obligations or to release, and to execute and/or deliver documents to evidence the release or non-existence of, any Lien securing the Obligations upon any Excluded Collateral; and

(iv) to enter into the Pari Passu Intercreditor Agreement or any Additional Pari Passu Intercreditor Agreement and provide that any Lien on any property granted to or held by the Collateral Agent under any Credit Document is equal to and has the same priority as the Lien of any holder of such other Lien on such property that is permitted by Sections 10.01(iv)(z) or (xxx) (solely as it relates to Indebtedness incurred pursuant to Section 10.04(xxvii)), each Permitted Pari Passu Note Document, each Permitted Pari Passu Loan Document, and each Refinancing Note/Loan Document (to the extent such Refinancing Notes/Loans constitute Permitted Pari Passu Notes or Permitted Pari Passu Loans).

Upon request by the Administrative Agent or Collateral Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's and Collateral Agent's authority to release or subordinate its interest in particular types or items of property, to provide that its interests in particular types or items of property are equal to the interests of any other Person or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 12.11. In each case as specified in this Section 12.11, the Administrative Agent and Collateral Agent will (and each Lender irrevocably authorizes the Administrative Agent and Collateral Agent to), at Borrower's expense, execute and deliver to the applicable Credit Party such documents, including (without limitation) termination or partial release statements, as such Credit Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents, to subordinate its interest in such item or to provide its interests are equal to the interests of any other Person, or to release such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Credit Documents and this Section 12.11.

The Administrative Agent and Collateral Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's and Collateral Agent's Lien thereon, or any certificate prepared by any Credit Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

Without limitation of the operation of the releases described above or in any Security Document, a certificate of a Responsible Officer delivered either at the request of the Administrative Agent or Collateral Agent or at the option of Borrower, in either case, to the Administrative Agent or Collateral with respect to any release described in this Section 12.11 stating that Borrower has determined in good faith that such release satisfies the foregoing requirements shall be conclusive evidence that such release satisfies the foregoing requirement and such automatic release has occurred (and the Administrative Agent and the Collateral Agent will rely conclusively on such certificate without further inquiry), and the Administrative Agent and the Collateral Agent shall promptly execute and deliver all documentation evidencing such release and requested by Borrower.

12.12 Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements. No Guaranteed Creditor that is a counterparty to a Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement, in its capacity as such, that obtains the benefits of any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as an Agent or a Lender and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Section 12.12 to the contrary, the Administrative Agent and Collateral Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Guaranteed Creditor. Each Guaranteed Creditor that is a counterparty to a Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement, in its capacity as such, agrees to be bound by this Section 12 to the same extent as a Lender hereunder.

12.13 Withholding Taxes. To the extent required by any applicable Requirements of Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other relevant Governmental Authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of, withholding Tax ineffective), such Lender shall, within 10 days after written demand therefor, indemnify and hold harmless the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by any Credit Party pursuant to Section 5.04 and without limiting or expanding the obligation of any Credit Party to do so) for all amounts paid, directly or indirectly, by the Administrative Agent as Taxes or otherwise, together with all expenses incurred, including legal expenses and any other out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative

Agent to set off and apply all amounts at any time owing to such Lender under this Agreement, any other Credit Document or from any other sources against any amount due the Administrative Agent under this Section 12.13. The agreements in this Section 12.13 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Obligations.

12.14 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent , and each Lead Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of Borrower or any other Credit Party, that at least one of the following is and will be true:

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such Lender has provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and each Lead Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of Borrower or any other Credit Party, that none of the Administrative Agent, or any Lead Arranger or any of their respective Affiliates is a fiduciary with respect to the Collateral or the assets of such Lender (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Credit Document or any documents related hereto or thereto).

12.15 Acknowledgments of Lenders. (a) Each Lender hereby agrees that (x) if the Administrative Agent notifies such Lender that the Administrative Agent has determined in its sole discretion that any funds received by such Lender from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "Payment") were erroneously transmitted to such Lender (whether or not known to such Lender), and demands the return of such Payment (or a portion thereof), such Lender shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on "discharge for value" or any similar doctrine. A notice of the Administrative Agent to any Lender under this Section 12.15 shall be conclusive, absent manifest error.

(b) Each Lender hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a "Payment Notice") or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(d) Each party's obligations under this Section 12.15 shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Credit Document.

Section 13. Miscellaneous.

13.01 Payment of Expenses, etc.

(a) The Credit Parties hereby jointly and severally agree, from and after the Closing Date, to: (i) pay all reasonable invoiced out-of-pocket costs and expenses of the Agents (limited, in the case of legal expenses, to the reasonable fees and disbursements of one primary counsel to all Agents and, if reasonably necessary, one local counsel in any relevant jurisdiction (which may include a single firm of counsel acting in multiple jurisdictions)) in connection

the non-compliance by Borrower or any of its Subsidiaries with any Environmental Law (including applicable permits thereunder) applicable to any Real Property; or any Environmental Claim or liability under Environmental Laws relating in any way to Borrower, any of its Subsidiaries or relating in any way to any Real Property at any time owned, leased or operated by Borrower or any of its Subsidiaries, including, in each case, without limitation, the reasonable fees and disbursements of counsel and other consultants incurred in connection with any such investigation, litigation or other proceeding, in all cases, whether or not caused by or arising, in whole or in part, out of the comparative, contributory or sole negligence of the Indemnified Person (but excluding in each case (and each Indemnified Person, by accepting the benefits hereof, agrees to promptly refund or return any indemnity received hereunder to the extent it is later determined by a final, non-appealable judgment of a court of competent jurisdiction that such Indemnified Person is not entitled thereto) any losses, liabilities, claims, damages or expenses (i) to the extent incurred by reason of the gross negligence, bad faith or willful misconduct of the applicable Indemnified Person, any Affiliate of such Indemnified Person or any of their respective directors, officers, employees, representatives, agents, Affiliates, trustees or investment advisors, (ii) to the extent incurred by reason of any material breach of the obligations of such Indemnified Person under this Agreement or the other Credit Documents (in the case of each of the preceding clauses (i) and (ii), as determined by a court of competent jurisdiction in a final and non-appealable decision) or (iii) that do not involve or arise from an act or omission by any Credit Party or any of their respective affiliates and is brought by an Indemnified Person against another Indemnified Person (other than claims against any Agent solely in its capacity as such or in its fulfilling such role)). To the extent that the undertaking to indemnify, pay or hold harmless any Agent or any Lender or other Indemnified Person set forth in the preceding sentence may be unenforceable because it violates any law or public policy, the Credit Parties shall make the maximum contribution to the payment and satisfaction of each of the indemnified liabilities which is permissible under applicable law.

(b) No Agent or any Indemnified Person shall be responsible or liable to any Credit Party or any other Person for any determination made by it pursuant to this Agreement or any other Credit Document in the absence of gross negligence, bad faith or willful misconduct on the part of such Indemnified Person (in each case, as determined by a court of competent jurisdiction in a final and non-appealable judgment).

(c) To the extent permitted by applicable law, (i) the Credit Parties shall not assert, each Credit Party hereby waives any claim against each Agent, each Lender and their respective Affiliates, and the partners, shareholders, officers, directors, employees, agents, trustees, representatives and investment advisors of each of the foregoing, in each case, together with their respective successors and assigns (each, a "Lender-Related Person") for any damages arising from the use by others of information or other materials obtained through electronic, telecommunications or other information transmission systems and (ii) no party hereto (and no Indemnified Person or any Subsidiary or Affiliate of Holdings or Borrower) shall be responsible to any other party hereto (or any Indemnified Person or any Subsidiary or Affiliate of Holdings or Borrower) for any indirect, special, exemplary, incidental, punitive or consequential damages (including, without limitation, any loss of profits, business or anticipated savings) which may be alleged as a result of this Agreement or any other Credit Document or the financing contemplated hereby; *provided* that nothing in this Section 13.01(c) shall limit the Credit Parties' indemnity obligations to the extent such indirect, special, punitive or consequential damages are included in any claim by a third party unaffiliated with any Indemnified Person with respect to which the applicable Indemnified Person is entitled to indemnification under Section 13.01(a).

13.02 Right of Setoff. In addition to any rights now or hereafter granted under applicable law or otherwise, and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, the Administrative Agent, the Collateral Agent, each Lender and each Guaranteed Creditor is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to any Credit Party or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special) (other than accounts used exclusively for payroll, payroll taxes, fiduciary and trust purposes, and employee benefits) and any other Indebtedness at any time held or owing by the Administrative Agent, the Collateral Agent, such Lender or such Guaranteed Creditor (including, without limitation, by branches and agencies of the Administrative Agent, the Collateral Agent, such Lender or such Guaranteed Creditor wherever located) to or for the credit or the account of Borrower or any of its Subsidiaries against and on account of the Obligations and liabilities of the Credit Parties to the Administrative Agent, the Collateral Agent, such Lender or such Guaranteed Creditor under this Agreement or under any of the other Credit Documents, including, without limitation, all interests in Obligations purchased by such Lender or such Guaranteed Creditor pursuant to Section 13.06(b), and all other claims of any nature or description arising out of or connected with this Agreement or any other Credit Document, irrespective of whether or not the Administrative Agent, the Collateral Agent, such Lender or such Guaranteed Creditor shall have made any demand hereunder and although said Obligations, liabilities or claims, or any of them, shall be contingent or unmatured. The right of setoff described in this Section 13.02 shall not apply with respect to any Excluded Collateral.

13.03 Notices.

(a) Except as otherwise expressly provided herein, all notices and other communications provided for hereunder shall be in writing (including telegraphic, telex, telecopier, cable communication or electronic transmission) and mailed, telegraphed, telexed, telecopied, cabled, delivered or transmitted:

(i) if to any Credit Party, the Administrative Agent or the Collateral Agent, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 13.03 or such other address as shall be designated by such party in a written notice to the other parties hereto; and

(ii) if to any Lender, at its address specified in its Administrative Questionnaire (including, as appropriate, notices delivered solely to the Person designated by a Lender on its Administrative Questionnaire then in effect for the delivery of notices that may contain material non-public information relating to Borrower) or at such other address as shall be designated by such Lender in a written notice to Borrower and the Administrative Agent.

All such notices and communications shall, when mailed or overnight courier, be effective when deposited in the mail, or overnight courier, as the case may be, or sent by facsimile or other electronic means of transmission, except that notices and communications to the Administrative Agent, Collateral Agent and Borrower shall not be effective until received by the Administrative Agent, Collateral Agent or Borrower, as the case may be.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications (including email, FpML messaging, and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; *provided* that the foregoing shall not apply to notices pursuant to Section 2 unless otherwise agreed by the Administrative Agent and the applicable Lender. Each of the Administrative Agent, Collateral Agent, Borrower or Holdings may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; *provided* that approval of such procedures may be limited to particular notices or communications.

(c) (i) Notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor; *provided* that, for both clauses (i) and (ii), if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice, email or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(d) THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF ANY BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM ANY BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH ANY BORROWER MATERIALS OR THE PLATFORM. In no event shall each of the Administrative Agent and the Collateral Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to Holdings, Borrower, the Subsidiary Guarantors, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of a Borrower's, any Credit Party's or the Administrative Agent's transmission of Borrower Materials or notices through the Platform, any other electronic messaging service, or through the Internet, in the absence of gross negligence, bad faith or willful misconduct of any Agent Party, as determined by a court of competent jurisdiction and by a final and nonappealable judgment.

13.04 Benefit of Agreement; Assignments; Participations, etc.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted, except that (i) Borrower may not assign or otherwise transfer any of their rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender (and any attempted assignment or transfer by Borrower without such consent shall be null and void), except as contemplated by Section 10.02(vi) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 13.04. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 13.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) below. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Eligible Transferees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and Term Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld, conditioned or delayed) of:

(A) Borrower; *provided* that, Borrower shall be deemed to have consented to an assignment of Term Loans or Term Loan Commitments unless it shall have objected thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice thereof; *provided* that no

consent of Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if an Event of Default has occurred and is continuing under Section 11.01 or 11.05, any other Eligible Transferee; and

(B) the Administrative Agent; *provided* that no consent of the Administrative Agent shall be required for an assignment to a Lender, an Affiliate of a Lender or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Commitment or Term Loans of any Tranche, the amount of the Commitment or Term Loans of the assigning Lender subject to each such assignment (determined as of the ~~**date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent**~~**Trade Date**) shall not be less than $1,000,000 unless each of Borrower and the Administrative Agent otherwise consent; *provided*, that such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds (with simultaneous assignments to or by two or more related Lenders shall be treated as one assignment); *provided, further* that no such consent of Borrower shall be required if an Event of Default has occurred and is continuing under Section 11.01 or 11.05;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; *provided* that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Tranche of Commitments or Term Loans;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent (x) an Assignment and Assumption or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants, together with the payment by the assignee of a processing and recordation fee of $3,500 (it being understood that such recordation fee shall not apply to any assignments by the Lenders or any of their affiliates pursuant to the primary syndication of the Loans under this Agreement); and

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Credit Parties and their related parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws.

For the purposes hereof, "Trade Date" shall mean the date on which the applicable Lender entered into a binding agreement to sell and assign or participate all or a portion of its rights and/or obligations under this Agreement.

(iii) Subject to acceptance and recording thereof pursuant to clause (b)(iv) below, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.10, 5.04 and 13.01). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 13.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) below.

(iv) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and related interest amounts) of the Term Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by Borrower and, as to its own positions only, any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of (x) a duly completed Assignment and Assumption executed by an assigning Lender and an assignee or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in clause (b)(ii)(C) above and any written consent to such assignment required by clause (b)(ii) above, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; *provided* that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to this Agreement, the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this clause (v).

(c) Any Lender may, without the consent of Borrower or the Administrative Agent, sell participations to one or more Eligible Transferees (a "Participant"), in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Term Loans owing to it); *provided* that (A) such Lender's obligations under this Agreement shall remain unchanged; (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; and (C) Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that requires the consent of each Lender or each adversely affected Lender and that directly affects such Participant. Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.10 and 5.04 (subject to the requirements and limitations therein (it being understood that the documentation required under Sections 5.04(b) and (c) shall be delivered solely to the participating Lender; *provided*, for the avoidance of doubt, that if the participating Lender is not a U.S. Person, such Lender shall include a copy of such documentation as an exhibit to its IRS Form W-8IMY in accordance with Section 5.04(c)(x)(iv))) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 13.04(b); *provided* that such Participant (A) shall be subject to the provisions of Section 2.12 as if it were an assignee under Section 13.04(b); and (B) shall not be entitled to receive any greater payment under Section 2.10 or 5.04, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at Borrower's request and expense, to use reasonable efforts to cooperate with Borrower to effectuate the provisions of Section 2.13 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; *provided* that such Participant shall be subject to Section 2.12 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and related interest amounts) of each Participant's interest in the Loans or other obligations under the Credit Documents (the "Participant Register"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments or Term Loan or its other obligations under any Credit Document) to any Person except to the extent such disclosure is necessary to establish that such Commitment, Term Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name

is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Holdings, Borrower and its Restricted Subsidiaries shall also be entitled to purchase (from Lenders) outstanding principal of Term Loans in accordance with the provisions of Sections 2.19 and 2.20, which purchases shall be evidenced by assignments (in form reasonably satisfactory to the Administrative Agent) from the applicable Lender to Borrower. Each assignor and assignee party to the relevant repurchases under Sections 2.19 and 2.20 shall render customary "big boy" disclaimer letters or any such disclaimers shall be incorporated into the terms of the Assignment and Assumption. No such transfer or assignment shall be effective until recorded by the Administrative Agent (which the Administrative Agent agrees to promptly record) on the Register pursuant to clause (b) above. All Term Loans purchased pursuant to Sections 2.19 and 2.20 shall be immediately and automatically cancelled and retired, and Borrower shall in no event become a Lender hereunder. To the extent of any assignment to a Borrower as described in this clause (d), the assigning Lender shall be relieved of its obligations hereunder with respect to the assigned Term Loans.

(e) Nothing in this Agreement shall prevent or prohibit any Lender from pledging its Term Loans and Notes hereunder to a Federal Reserve Bank or central banking authority in support of borrowings made by such Lender from such Federal Reserve Bank or central banking authority and, with prior notification to the Administrative Agent (but without the consent of the Administrative Agent or Borrower), any Lender which is a fund may pledge all or any portion of its Term Loans and Notes to its trustee or to a collateral agent providing credit or credit support to such Lender in support of its obligations to such trustee, such collateral agent or a holder of such obligations, as the case may be. No pledge pursuant to this clause (e) shall release the transferor Lender from any of its obligations hereunder.

(f) Each Lender acknowledges and agrees to comply with the provisions of this Section 13.04 applicable to it as a Lender hereunder.

(g) Each Sponsor Affiliate, solely in its capacity as a Lender, hereby agrees, and each Assignment and Assumption entered into by a Sponsor Affiliate shall provide a confirmation, that, if any Credit Party shall be subject to any voluntary or involuntary case or proceeding commenced under any Debtor Relief Law now or hereafter in effect ("Bankruptcy Proceedings"), (i) such Sponsor Affiliate shall not take any step or action in such Bankruptcy Proceeding to object to, impede, or delay the exercise of any right or the taking of any action by the Administrative Agent (or the taking of any action by a third party that is supported by the Administrative Agent) in relation to such Sponsor Affiliate's claim with respect to its Term Loans (a " Claim") (including, without limitation, objecting to any debtor in possession financing, use of cash collateral, grant of adequate protection, sale or disposition, compromise, or plan of reorganization or similar dispositive restructuring plan) so long as such Sponsor Affiliate is treated in connection with such exercise or action on the same or better terms in all material respects as the other Lenders and (ii) with respect to any matter requiring the vote of Lenders during the pendency of a Bankruptcy Proceeding (including, without limitation, voting on any plan of reorganization or similar dispositive restructuring plan), the Term Loans held by such Sponsor Affiliate (and any Claim with respect thereto) shall be deemed to be voted by such Sponsor Affiliate in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Sponsor Affiliates, so long as such Sponsor Affiliate is treated in connection with the exercise of such right or taking of such action on the same or better terms in all material respects as the other Lenders; *provided*, *however*, that the Administrative Agent shall vote on behalf of any such Sponsor Affiliates holding Term Loans in accordance with this Section 13.04(g) and the relevant Assignment and Assumption. For the avoidance of doubt, the Lenders and each Sponsor Affiliate agree and acknowledge that the provisions set forth in this Section 13.04(g) constitute a "subordination agreement" as such term is contemplated by, and utilized in, Section 510(a) of the Bankruptcy Code (or any similar provision of any other applicable Debtor Relief Law), and, as such, would be enforceable for all purposes in any case or proceeding where a Credit Party has filed for protection under any Debtor Relief Law or similar law now or hereafter in effect applicable to Credit Party. Except as expressly provided in this Section 13.04(g), the provisions of this Section 13.04(g) shall not be applicable to any Debt Fund Affiliate.

(h) If Borrower wishes to replace the Term Loans or Commitments with Term Loans or Commitments having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice to the Lenders of such Term Loans or holding such Commitments, instead of prepaying the Term Loans or reducing or terminating the Commitments to be replaced, to (i) require such Lenders to

assign such Term Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 13.12 (with such replacement, if applicable, being deemed to have been made pursuant to Section 13.12). Pursuant to any such assignment, all Term Loans and Commitments to be replaced shall be purchased at par (allocated among the applicable Lenders in the same manner as would be required if such Term Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by Borrower), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 2.08. By receiving such purchase price, the applicable Lenders shall automatically be deemed to have assigned such Term Loans or Commitments pursuant to the terms of an Assignment and Assumption, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(i) The Administrative Agent shall have the right, and Borrower hereby expressly authorizes the Administrative Agent to provide to any requesting Lender, the list of Disqualified Lenders provided to the Administrative Agent by Borrower and any updates thereto. Borrower hereby agrees that any such requesting Lender may share the list of Disqualified Lenders with any potential assignee, transferee or participant. Notwithstanding the foregoing, each Credit Party and the Lenders acknowledge and agree that the Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to Disqualified Lenders or Net Short Lenders (other than with respect to assignments or participations by it of its Loans and Commitments, if any). Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Lender or Net Short Lender, (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender (other than with respect to assignments or participations by it of its Loans and Commitments, if any) or (z) have any liability with respect to or arising out of the voting in any amendment or waiver to any Credit Document by any Net Short Lender.

(j) Disqualified Lenders. Notwithstanding anything to the contrary contained in this Agreement, any assignment to a Disqualified Lender shall not be void, but shall be subject to the following provisions:

(i) If any assignment is made to any Disqualified Lender without Borrower's prior written consent, or if any Person becomes a Disqualified Lender after the Closing Date, Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Lender and the Administrative Agent, cancel any unfunded Commitment the subject thereof and (A) in the case of outstanding Term Loans held by Disqualified Lenders, prepay such Term Loan by paying the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such Term Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder (it being understood that, notwithstanding anything in the Credit Documents to the contrary, any such prepayment shall not be subject to any provisions requiring prepayments of the Term Loans on a pro rata basis and no other Term Loans shall be required to be repaid as a result of such prepayment) and/or (B) require such Disqualified Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in this Section 13.04), all of its interest, rights and obligations under this Agreement and related Credit Documents to an Eligible Transferee that shall assume such obligations at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder; *provided* that (i) Borrower shall have paid to the Administrative Agent the assignment fee (if any) specified inSection 13.04(b) (unless waived by the Administrative Agent) and (ii) in the case of clause (A), Borrower shall not use the proceeds from any Loans or loans under the ABL Credit Agreement to prepay any Term Loans held by Disqualified Lenders.

(ii) Notwithstanding anything to the contrary contained in this Agreement, Disqualified Lenders (A) will not (x) have the right to receive information, reports or other materials provided to Lenders by Borrower, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B) (x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action

(or refrain from taking any action) under this Agreement or any other Credit Document, each Disqualified Lender will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Lender consented to such matter, and (y) for purposes of voting on any proposed plan of reorganization, plan of liquidation, or any other similar dispositive restructuring plan pursuant to any Debtor Relief Laws ("Plan of Reorganization"), each Disqualified Lender party hereto hereby agrees (1) not to vote on such Plan of Reorganization, (2) if such Disqualified Lender does vote on such Plan of Reorganization notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be "designated" pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Plan of Reorganization in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (3) not to contest any request by any party for a determination by the bankruptcy court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

13.05 No Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent, the Collateral Agent or any Lender in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between Borrower or any other Credit Party and the Administrative Agent, the Collateral Agent or any Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which the Administrative Agent, the Collateral Agent or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Administrative Agent, the Collateral Agent or any Lender to any other or further action in any circumstances without notice or demand.

13.06 Payments Pro Rata.

(a) The Administrative Agent agrees that promptly after its receipt of each payment from or on behalf of any Credit Party in respect of any Obligations of such Credit Party, it shall, except as otherwise provided in this Agreement, distribute such payment to the Lenders (other than any Lender that has consented in writing to waive its *pro rata* share of such payment) *pro rata* based upon their respective shares, if any, of the Obligations with respect to which such payment was received. Each Rollover ~~Original~~ Term **B** Lender and Additional Term B **-1** Loan Lender acknowledges and agrees that no proceeds of Additional Term B**-1** Loans will be applied to prepay or repay any Exchanged~~Initial~~ Term **B** Loans or Additional Term B**-1** Loans.

(b) Each of the Lenders agrees that, if it should receive any amount hereunder (whether by voluntary payment, by realization upon security, by the exercise of the right of setoff or banker's lien, by counterclaim or cross action, by the enforcement of any right under the Credit Documents, or otherwise) which is applicable to the payment of the principal of, or interest on, the Term Loans or Fees, of a sum which with respect to the related sum or sums received by other Lenders is in a greater proportion than the total of such Obligation then owed and due to such Lender bears to the total of such Obligation then owed and due to all of the Lenders immediately prior to such receipt, then such Lender receiving such excess payment shall purchase for cash without recourse or warranty from the other Lenders an interest in the Obligations of the respective Credit Party to such Lenders in such amount as shall result in a proportional participation by all of the Lenders in such amount; *provided* that if all or any portion of such excess amount is thereafter recovered from such Lender, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

(c) Notwithstanding anything to the contrary contained herein, the provisions of the precedingSections 13.06(a) and (b) shall be subject to (x) the express provisions of this Agreement which require, or permit, differing payments to be made to Non-Defaulting Lenders as opposed to Defaulting Lenders, (y) the express provisions of this Agreement which permit disproportionate payments with respect to various of the Tranches as, and to the extent, provided herein, and (z) any other provisions which permit disproportionate payments with respect to the Term Loans as, and to the extent, provided therein.

13.07 Calculations; Computations.

(a) The financial statements to be furnished to the Lenders pursuant hereto shall be made and prepared in accordance with U.S. GAAP consistently applied throughout the periods involved (except as set forth in the notes thereto); *provided* that to the extent expressly provided herein, certain calculations shall be made on a Pro Forma Basis; *provided*, *further*, that if Borrower notifies the Administrative Agent that Borrower wishes to amend any leverage calculation or any financial definition used therein to implement the effect of any change in U.S. GAAP or the application thereof occurring after the Closing Date on the operation thereof (or if the Administrative Agent notifies Borrower that the Required Lenders wish to amend any leverage test or any financial definition used therein for such purpose), then Borrower and the Administrative Agent shall negotiate in good faith to amend such leverage test or the definitions used therein (subject to the approval of the Required Lenders) to preserve the original intent thereof in light of such changes in U.S. GAAP; *provided*, *further*, that all determinations made pursuant to any applicable leverage test or any financial definition used therein shall be determined on the basis of U.S. GAAP as applied and in effect immediately before the relevant change in U.S. GAAP or the application thereof became effective, until such leverage test or such financial definition is amended. Notwithstanding any other provision contained herein, (i) all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to Statement of Financial Accounting Standards 141R or ASC 805 (or any other financial accounting standard having a similar result or effect) and (ii) the accounting for any lease shall be based on U.S. GAAP as in effect on December 15, 2018 and without giving effect to any subsequent changes in U.S. GAAP (or the required implementation of any previously promulgated changes in U.S. GAAP) relating to the treatment of a lease as an operating lease or capitalized lease.

(b) Notwithstanding anything to the contrary contained in this Agreement, Borrower (or any Parent Company) may elect to switch from maintaining its accounting records from U.S. GAAP to IFRS by written notice to the Administrative Agent, and thereafter may provide all required financial information in accordance with IFRS. In the event that Borrower (or any Parent Company) elects to prepare its financial statements in accordance with IFRS and such election results in a change in the method of calculation of financial covenants, standards or terms (collectively, the "Accounting Changes") in this Agreement, Borrower and the Administrative Agent agree to enter into good faith negotiations in order to amend such provisions of this Agreement so as to reflect equitably the Accounting Changes (or if the Administrative Agent notifies Borrower that the Required Lenders request an amendment to any provision hereof for such purpose), then Borrower and the Administrative Agent shall negotiate in good faith to enter into an amendment of the relevant affected provisions (without the payment of any amendment or similar fee to the Lenders), with the desired result that the criteria for evaluating Borrower's (or any Parent Company's) financial condition shall be substantially the same after such change as if such change had not been made. Until such time as such an amendment shall have been executed and delivered by Borrower and the Administrative Agent, all financial covenants, standards and terms in this Agreement shall continue to be calculated or construed in accordance with U.S. GAAP (as determined in good faith by a Responsible Officer of Borrower or such Parent Company, as applicable) as if such change had not occurred.

(c) The calculation of any financial ratios under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-down if there is no nearest number).

(c) Notwithstanding anything to the contrary contained in clause (a) of thisSection 13.12, (i) Borrower, the Administrative Agent and each applicable Incremental Term Loan Lender may, without the consent of any other Lender, (i) in accordance with the provisions of Section 2.15, enter into an Incremental Term Loan Amendment; *provided* that after the execution and delivery by Borrower, the Administrative Agent and each such Incremental Term Loan Lender of such Incremental Term Loan Amendment, such Incremental Term Loan Amendment, may thereafter only be modified in accordance with the requirements of clause (a) above of this Section 13.12, and (ii) the Incremental Term Loan Amendment may, without the consent of any other Credit Party, Agent or Lender, effect such amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and Borrower, to effect the provisions of Section 2.15 and the Lenders expressly authorize the Administrative Agent to enter into every such Incremental Term Loan Amendment, including any amendments that are not materially adverse to the interests of any Lender that amend this Agreement to increase the interest rate margin, increase the interest rate floor, increase, extend or add any prepayment premium, increase, extend or add any call protection or increase the amortization schedule with respect to any existing Tranche of Term Loans in order to cause any Incremental Term Loans to be fungible with such existing Tranche of Term Loans.

(d) Notwithstanding anything to the contrary in clause (a) above of thisSection 13.12, this Agreement may be amended (or amended and restated) (i) with the written consent of the Required Lenders, the Administrative Agent and Borrower, (x) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Credit Documents with the Term Loan and the accrued interest and fees in respect thereof and (y) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and (ii) with the written consent of the Administrative Agent, Borrower and the Refinancing Term Loan Lenders, this Agreement and the other Credit Documents shall be amended (or amended and restated) in connection with any refinancing facilities permitted pursuant to Section 2.18.

(g) Further, notwithstanding anything to the contrary contained in this Section 13.12, if following the Closing Date, (i) the Administrative Agent and/or the Collateral Agent and any Credit Party shall have jointly identified an obvious error or any error or omission of a technical or immaterial nature, in each case, in any provision of the Credit Documents, then the Administrative Agent and/or the Collateral Agent and the Credit Parties shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Credit Documents if the same is not objected to in writing by the Required Lenders within five Business Days following receipt of notice thereof or (ii) solely in connection with the incurrence of any additional Indebtedness by Borrower or its Subsidiaries that would otherwise be permitted under this Agreement, any amendment is proposed by Borrower to add one or more provisions to this Agreement that is, (A) necessary in the judgment of Borrower to satisfy the requirements or conditions of such additional Indebtedness in order for it to be permitted hereunder, (B) consistent with the applicable provisions in the definitive documentation relating to such additional Indebtedness and (C) in the reasonable judgment of the Administrative Agent, more favorable to the Lenders (or to the applicable subset thereof) than the existing Agreement, then the Administrative Agent and Borrower shall be permitted to amend such provisions without any further action or consent of any other party if the same is not objected to in writing by the Required Lenders to the Administrative Agent within five business days following receipt of notice thereof.

(h) Further, notwithstanding anything to the contrary in this Section 13.12, Borrower and the Administrative Agent shall be permitted to amend any provision of a Credit Document in order to (i) comply with local law or the advice of local counsel or (ii) to cause any Credit Document (other than this Agreement) to be consistent with this Agreement and the other Credit Documents, and, in each case, such amendment shall become effective without any further action or consent of any other party to any Credit Document.

(i) Further, notwithstanding anything to the contrary contained in this Section 13.12, modifications to the Credit Documents may be made with the consent of Borrower and the Administrative Agent (and no other Person) to the extent necessary to make any amendments permitted by Section 13.07(b) to give effect to any election to adopt IFRS.

(j) Further, notwithstanding anything to the contrary contained in this Section 13.12, in connection with any determination as to whether the requisite Lenders have (A) consented (or not consented) to any amendment, modification or waiver of any provision of this Agreement or any other Credit Document or any departure by Holdings or any Restricted Subsidiary therefrom, (B) otherwise acted on any matter related to this Agreement or any Credit Document or (C) directed or required the Administrative Agent, Collateral Agent or any Lender to undertake any action (or refrain from taking any action) with respect to, or under, this Agreement or any Credit Document, in connection with any amendment or waiver, each Lender (or any Affiliate of such Person (*provided further* that for the purposes of this clause (j), Affiliates shall not include Persons that are subject to customary procedures to prevent the sharing of confidential information between such Lender and such Person and such Person is managed having independent fiduciary duties to the investors or other equityholders of such Person) (other than (i) any Lender that is a Regulated Bank and (ii) any Revolving Lender (as defined in the ABL Credit Agreement) or any Affiliates of such Regulated Bank or Revolving Lender) that, as a result of its (or its Affiliates') interest in any total return swap, total rate of return swap, credit default swap or other derivative contract (other than any such total return swap, total rate of return swap, credit default swap or other derivative contract entered into pursuant to bona fide market making activities), has a net short position with respect to any of the Loans or Commitments, or with respect to any other

tranche, class or series of Indebtedness for borrowed money incurred or issued by Holdings or any of its Restricted Subsidiaries (including commitments with respect to any revolving credit facility) (each such item of Indebtedness, including the Loan and Commitments, "Specified Indebtedness"), on the later of (x) the date such amendment or waiver is posted for review by Lenders generally and (y) the date, if any, that such Lender consents to such amendment or waiver (each such Lender, a "Net Short Lender"), shall be deemed to have voted its interest as a Lender in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Net Short Lenders (including in any plan of reorganization). For purposes of determining whether a Lender (alone or together with its Affiliates) has a "net short position" on any date of determination: (i) derivative contracts with respect to any Specified Indebtedness and such contracts that are the functional equivalent thereof shall be counted at the notional amount of such contract in Dollars, (ii) notional amounts in other currencies shall be converted to the Dollar equivalent thereof by such Lender in a commercially reasonable manner consistent with generally accepted financial practices and based on the prevailing conversion rate (determined on a mid-market basis) on the date of determination, (iii) derivative contracts in respect of an index that includes Holdings or any other Restricted Subsidiary or any instrument issued or guaranteed by Holdings or any other Restricted Subsidiary shall not be deemed to create a short position with respect to such Specified Indebtedness, so long as (x) such index is not created, designed, administered or requested by such Lender or its Affiliates and (y) Holdings and the other Restricted Subsidiaries and any instrument issued or guaranteed by Holdings or the other Restricted Subsidiaries, collectively, shall represent less than 5% of the components of such index, (iv) derivative transactions that are documented using either the 2014 ISDA Credit Derivatives Definitions or the 2003 ISDA Credit Derivatives Definitions (collectively, the "ISDA CDS Definitions") shall be deemed to create a short position with respect to the relevant Specified Indebtedness if such Lender or its Affiliates is a protection buyer or the equivalent thereof for such derivative transaction and (x) the relevant Specified Indebtedness is a "Reference Obligation" under the terms of such derivative transaction (whether specified by name in the related documentation, included as a "Standard Reference Obligation" on the most recent list published by Markit, if "Standard Reference Obligation" is specified as applicable in the relevant documentation or in any other manner), (y) the relevant Specified Indebtedness would be a "Deliverable Obligation" under the terms of such derivative transaction or (z) Holdings or any other Restricted Subsidiary is designated as a "Reference Entity" under the terms of such derivative transaction and (v) credit derivative transactions or other derivatives transactions not documented using the ISDA CDS Definitions shall be deemed to create a short position with respect to any Specified Indebtedness if such transactions offer the Lender or its Affiliates protection against a decline in the value of such Specified Indebtedness, or in the credit quality of Holdings or any other Restricted Subsidiary, in each case, other than as part of an index so long as (x) such index is not created, designed, administered or requested by such Lender or its Affiliates and (y) Holdings and the other Restricted Subsidiaries, and any instrument issued or guaranteed by Holdings or the other Restricted Subsidiaries, collectively, shall represent less than 5% of the components of such index. In connection with any amendment, modification or waiver of this Agreement or the other Credit Documents, each Lender (other than any Lender that is a Regulated Bank or Revolving Lender) will be deemed to have represented to Borrower and the Administrative Agent that it does not constitute a Net Short Lender, in each case, unless such Lender shall have notified Borrower and the Administrative Agent prior to the requested response date with respect to such amendment, modification or waiver that it constitutes a Net Short Lender (it being understood and agreed that Borrower and the Administrative Agent shall be entitled to rely on each such representation and deemed representation). In no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is a Net Short Lender.

Exhibit 10.4

INDEMNIFICATION AND ADVANCEMENT AGREEMENT

This Indemnification and Advancement Agreement ("Agreement") is made as of [•], [•] (the "Effective Date") by and between Ingram Micro Holding Corporation, a Delaware corporation (the "Company"), and [•] ("Indemnitee"). This Agreement supersedes and replaces any and all previous Agreements between the Company and Indemnitee covering indemnification and advancement of expenses.

RECITALS

WHEREAS, the Board of Directors of the Company (the "Board") believes that highly competent persons have become more reluctant to serve publicly-held corporations as directors, officers, or in other capacities unless they are provided with adequate protection through insurance or adequate indemnification and advancement of expenses against risks of claims and actions against them arising out of their service to and activities on behalf of the corporation;

WHEREAS, the Board has determined that, in order to attract and retain qualified individuals, the Company will attempt to maintain on an ongoing basis, at its sole expense, liability insurance to protect persons serving the Company and its subsidiaries from certain liabilities. Although the furnishing of such insurance has been a customary and widespread practice among United States-based corporations and other business enterprises, the Company believes that, given current market conditions and trends, such insurance may be available to it in the future only at higher premiums and with more exclusions. At the same time, directors, officers, and other persons in service to corporations or business enterprises are being increasingly subjected to expensive and time-consuming litigation relating to, among other things, matters that traditionally would have been brought only against the Company or business enterprise itself. The Company's Bylaws and Certificate of Incorporation require indemnification of the officers and directors of the Company. Indemnitee may also be entitled to indemnification pursuant to the General Corporation Law of the State of Delaware (the "DGCL"). The Bylaws, the Certificate of Incorporation, and the DGCL expressly provide that the indemnification provisions set forth therein are not exclusive, and thereby contemplate that contracts may be entered into between the Company and its directors, officers, and other persons with respect to indemnification and advancement of expenses;

WHEREAS, the uncertainties relating to such insurance, to indemnification, and to advancement of expenses may increase the difficulty of attracting and retaining such persons;

WHEREAS, the Board has determined that the increased difficulty in attracting and retaining such persons is detrimental to the best interests of the Company and its stockholders and that the Company should act to assure such persons that there will be increased certainty of such protection in the future;

WHEREAS, it is reasonable, prudent and necessary for the Company contractually to obligate itself to indemnify, and to advance expenses on behalf of, such persons to the fullest extent permitted by applicable law so that they will serve or continue to serve the Company free from undue concern that they will not be so indemnified;

WHEREAS, this Agreement is a supplement to, and in furtherance of, the Bylaws, the Certificate of Incorporation and any resolutions adopted pursuant thereto, as well as any rights of

Indemnitee under any directors' and officers' liability insurance policy, and is not a substitute therefor, and does not diminish or abrogate any rights of Indemnitee thereunder; and

WHEREAS, Indemnitee does not regard the protection available under the Bylaws, the Certificate of Incorporation, and available insurance as adequate in the present circumstances, and may not be willing to serve or continue to serve as a director or officer without adequate additional protection, and the Company desires Indemnitee to serve or continue to serve in such capacity. Indemnitee is willing to serve, continue to serve and to take on additional service for or on behalf of the Company on the condition that Indemnitee be so indemnified and be advanced expenses.

NOW, THEREFORE, in consideration of the premises and the covenants contained herein, the Company and Indemnitee do hereby covenant and agree as follows:

Section 1. Services to the Company. Indemnitee agrees to serve or continue to serve as a director or officer of the Company. Indemnitee may at any time and for any reason resign from such position (subject to any other contractual obligation or any obligation imposed by operation of law). This Agreement does not create any obligation on the Company to continue Indemnitee in such position and is not an employment contract between the Company (or any of its subsidiaries or any Enterprise) and Indemnitee.

Section 2. Definitions. As used in this Agreement:

(a) "Agent" means any person who is authorized by the Company, a Sponsor Entity or an Enterprise to act for or represent the interests of the Company, a Sponsor Entity or an Enterprise, respectively.

(b) A "Change in Control" occurs upon the earliest to occur after the date of this Agreement of any of the following events:

i. Acquisition of Stock by Third Party. Any Person (as defined below) or "group" (as such term is used in Sections 13(d) and 14(d) of the Exchange Act) is or becomes, without prior approval of the Board, the Beneficial Owner (as defined below), directly or indirectly, of securities of the Company representing fifteen percent (15%) or more of the combined voting power of the Company's then outstanding securities unless the change in relative beneficial ownership of the Company's securities by any Person or group results solely from a reduction in the aggregate number of outstanding shares of securities entitled to vote generally in the election of directors;

ii. Change in Board of Directors. During any period of two (2) consecutive years (not including any period prior to the execution of this Agreement), individuals who at the beginning of such period constitute the Board, and any new director (other than a director designated by a person who has entered into an agreement with the Company to effect a transaction described in Sections 2(b)(i), 2(b)(iii) or 2(b)(iv) of this Agreement) whose election by the Board or nomination for election by the Company's stockholders was approved by a vote of at least two-thirds of the directors then still in office who either were directors at the beginning of the period or whose election or nomination for election was previously so approved, cease for any reason to constitute at least a majority of the members of the Board;

iii. Corporate Transactions. The effective date of a merger or consolidation of the Company with any other entity, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior to such merger or consolidation continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than 50% of the combined voting power of the voting securities of the surviving entity outstanding immediately after such merger or consolidation and with the power to elect at least a majority of the board of directors or other governing body of such surviving entity;

iv. Liquidation. The approval by the stockholders of the Company of a complete liquidation of the Company or an agreement for the sale or disposition by the Company of all or substantially all of the Company's assets (whether in a single transaction or series of related transactions); and

v. Other Events. There occurs any other event of a nature that would be required to be reported in response to Item 6(e) of Schedule 14A of Regulation 14A (or a response to any similar item on any similar schedule or form) promulgated under the Exchange Act (as defined below), whether or not the Company is then subject to such reporting requirement.

vi. For purposes of this Section 2(b), the following terms have the following meanings:

1 "Person" has the meaning as set forth in Sections 13(d) and 14(d) of the Exchange Act; provided, however, that Person excludes (i) the Company, (ii) any trustee or other fiduciary holding securities under an employee benefit plan of the Company, and (iii) any entity owned, directly or indirectly, by the stockholders of the Company in substantially the same proportions as their ownership of stock of the Company.

2 "Beneficial Owner" has the meaning given to such term in Rule 13d-3 under the Exchange Act; provided, however, that Beneficial Owner excludes any Person otherwise becoming a Beneficial Owner by reason of the stockholders of the Company approving a merger of the Company with another entity.

(c) "Corporate Status" describes the status of a person who is or was acting as a director, officer, employee, or Agent of the Company or an Enterprise.

(d) "Disinterested Director" means a director of the Company who is not and was not a party to the Proceeding in respect of which indemnification is sought by Indemnitee.

(e) "Enterprise" means any other corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other entity for which Indemnitee is or was serving at the request of the Company as a director, officer, employee, or Agent.

(f) “Exchange Act” means the Securities Exchange Act of 1934, as amended from time to time.

(g) “Expenses” includes all direct and indirect costs (including all attorneys’ fees, retainers, court costs, transcript costs, fees and other costs of experts and other professionals, witness fees, travel expenses, duplicating costs, printing and binding costs, telephone charges, postage, delivery service fees, any federal, state, local or foreign taxes imposed on Indemnitee as a result of the actual or deemed receipt of any payments under this Agreement, excise taxes and penalties under the Employee Retirement Income Security Act of 1974, as amended, and all other disbursements, obligations, or expenses) reasonably incurred in connection with prosecuting, defending, preparing to prosecute or defend, investigating, being or preparing to be a witness in, or otherwise participating in, a Proceeding. Expenses also include (i) Expenses incurred in connection with any appeal resulting from any Proceeding, including without limitation the premium, security for, and other costs relating to any cost bond, supersedeas bond, or other appeal bond or its equivalent, and (ii) Expenses incurred by Indemnitee in connection with the interpretation, enforcement, or defense of Indemnitee’s rights under this Agreement, the Company’s Bylaws or Certificate of Incorporation, applicable law or otherwise, by litigation or otherwise. Expenses, however, do not include amounts paid in settlement by Indemnitee or the amount of judgments or fines against Indemnitee in connection with any Proceeding.

(h) “Independent Counsel” means a law firm, or a member of a law firm, that is experienced in matters of corporation law and neither presently is, nor in the five years prior to its selection or appointment has been, retained to represent: (i) the Company, Indemnitee, or a Sponsor Entity in any matter material to either such party (other than with respect to matters concerning the Indemnitee under this Agreement, or of other indemnitees under similar indemnification agreements) or (ii) any other party to the Proceeding giving rise to a claim for indemnification hereunder. Notwithstanding the foregoing, the term “Independent Counsel” does not include any person who, under the applicable standards of professional conduct then prevailing, would have a conflict of interest in representing either the Company or Indemnitee in an action to determine Indemnitee’s rights under this Agreement. The Company agrees to pay the reasonable fees and expenses of the Independent Counsel.

(i) “Liabilities” means any losses or liabilities, including any judgments, fines, excise taxes, penalties, and amounts paid in settlement, arising out of or in connection with any Proceeding (including all interest, assessments, and other charges paid or payable in connection with or in respect of any such judgments, fines, excise taxes, penalties, and amounts paid in settlement).

(j) “Proceeding” includes any threatened, pending or completed action, suit, claim, counterclaim, cross claim, arbitration, mediation, alternate dispute resolution mechanism, investigation, inquiry, administrative hearing, or any other actual, threatened or completed proceeding, whether brought in the right of the Company or otherwise and whether of a civil, criminal, administrative, legislative, regulatory, or investigative (formal or informal) nature, including any appeal therefrom, and whether instituted by or on behalf of the Company or any other party, in which Indemnitee or a Sponsor Entity was, is, or will be involved as a party, potential party, non-party witness, or otherwise by reason of Indemnitee’s Corporate Status or by reason of any action taken by Indemnitee (or a failure to take action by Indemnitee) or of any

action (or failure to act) on Indemnitee's part while acting pursuant to Indemnitee's Corporate Status, in each case whether or not serving in such capacity at the time any liability or Expense is incurred for which indemnification, reimbursement, or advancement of Expenses can be provided under this Agreement. A Proceeding also includes a situation the Indemnitee believes in good faith may lead to, or culminate in, the institution of a Proceeding.

(k) "Sponsor Entities" means Platinum Equity LLC and its subsidiaries, affiliates, and related entities.

(l) For purposes of this Agreement:

i. References to "Company" shall include, in addition to the resulting or surviving corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, employees or agents, so that if Indemnitee is or was a director, officer, employee, or Agent of such constituent corporation or is or was serving at the request of such constituent corporation as a director, officer, employee, or Agent of another corporation, partnership, joint venture, trust or other enterprise, then Indemnitee shall stand in the same position under the provisions of this Agreement with respect to the resulting or surviving corporation as Indemnitee would have with respect to such constituent corporation if its separate existence had continued.

ii. Reference to "including" shall mean "including, without limitation," regardless of whether the words "without limitation" actually appear.

Section 3. Indemnity in Third-Party Proceedings. The Company will indemnify Indemnitee and hold Indemnitee harmless from and against any and all Expenses and Liabilities in accordance with the provisions of this Section 3 to the fullest extent permitted by applicable law, in either case actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection with any Proceeding (other than a Proceeding by or in the right of the Company to procure a judgment in its favor) or any claim, issue, or matter therein, if Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in or not opposed to the best interests of the Company and, in the case of a criminal Proceeding, had no reasonable cause to believe that Indemnitee's conduct was unlawful. The Company's indemnification obligations set forth in this Section 3 and Section 4 shall apply (i) in respect of Indemnitee's past, present and future service in any Corporate Status, and (ii) regardless of whether Indemnitee is serving in any Corporate Status at the time any such Expense or Liability is incurred. For purposes of this Agreement, the meaning of the phrase "to the fullest extent permitted by applicable law" shall include (i) to the fullest extent permitted by any provision of the DGCL, or the corresponding provision of any successor statute, and (ii) to the fullest extent authorized or permitted by any amendments to or replacements of the DGCL adopted after the date of this Agreement that increases the extent to which a corporation may indemnify its officers, directors, employees and Agents.

Section 4. Indemnity in Proceedings by or in the Right of the Company. The Company will indemnify Indemnitee and hold Indemnitee harmless from and against any and all Expenses and Liabilities in accordance with the provisions of this Section 4 to the fullest extent permitted by applicable law, in either case actually and reasonably incurred by Indemnitee or on

Indemnitee's behalf in connection with any Proceeding by or in the right of the Company to procure a judgment in its favor or any claim, issue or matter therein, if Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in, or not opposed to, the best interests of the Company. The Company will not indemnify Indemnitee for Expenses under this Section 4 related to any claim, issue, or matter in a Proceeding for which Indemnitee has been finally adjudged by a court to be liable to the Company, unless, and only to the extent that, the Court of Chancery of the state of Delaware (the "Delaware Court") or any court in which the Proceeding was brought determines upon application that, despite the adjudication of liability but in view of all the circumstances of the case, Indemnitee is fairly and reasonably entitled to indemnification for such Expenses.

Section 5. Indemnification for Expenses of a Party Who is Wholly or Partly Successful. To the fullest extent permitted by applicable law, the Company will indemnify Indemnitee against all Expenses actually and reasonably incurred by Indemnitee in connection with any Proceeding to the extent that Indemnitee is successful, on the merits or otherwise. If Indemnitee is not wholly successful in such Proceeding but is successful, on the merits or otherwise, as to one or more but less than all claims, issues, or matters in such Proceeding, the Company will indemnify Indemnitee against all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection with or related to each successfully resolved claim, issue or matter to the fullest extent permitted by law. For purposes of this Section 5 and without limitation, the termination of any claim, issue, or matter in such a Proceeding by dismissal, with or without prejudice, will be deemed to be a successful result as to such claim, issue, or matter.

Section 6. Indemnification for Expenses of a Witness. To the fullest extent permitted by applicable law, the Company will indemnify Indemnitee against all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection with any Proceeding to which Indemnitee is not a party but to which Indemnitee is a witness, deponent, interviewee, or otherwise asked to participate or provide information.

Section 7. Partial Indemnification. If Indemnitee is entitled under any provision of this Agreement to indemnification by the Company for some or a portion of Expenses, but not, however, for the total amount thereof, the Company will indemnify Indemnitee for the portion thereof to which Indemnitee is entitled.

Section 8. Additional Indemnification. Notwithstanding any limitation in Sections 3, 4, or 5 of this Agreement, the Company will indemnify Indemnitee to the fullest extent permitted by applicable law (including but not limited to, the DGCL and any amendments to or replacements of the DGCL adopted after the date of this Agreement that expand the Company's ability to indemnify its officers, directors, employees or Agents) if Indemnitee is a party to, or threatened to be made a party to, any Proceeding (including a Proceeding by or in the right of the Company to procure a judgment in its favor).

Section 9. Exclusions. Notwithstanding any provision in this Agreement, the Company is not obligated under this Agreement to indemnify Indemnitee for:

(a) any amount actually paid to Indemnitee under any insurance policy or other indemnity provision, except to the extent provided in Section 15(b) of this Agreement and except

with respect to any excess beyond the amount paid under any insurance policy or other indemnity provision;

(b) an accounting of profits made from the purchase and sale (or sale and purchase) by Indemnitee of securities of the Company within the meaning of Section 16(b) of the Exchange Act or similar provisions of state statutory law or common law;

(c) reimbursement of the Company by the Indemnitee of any bonus or other incentive-based or equity-based compensation or of any profits realized by the Indemnitee from the sale of securities of the Company, as required in each case under the Exchange Act (including any such reimbursements that arise from an accounting restatement of the Company pursuant to Section 304 of the Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act"), or the payment to the Company of profits arising from the purchase and sale by Indemnitee of securities in violation of Section 306 of the Sarbanes-Oxley Act);

(d) reimbursement of the Company by Indemnitee of any compensation repaid to the Company pursuant to (i) any compensation recoupment or clawback policy that was adopted prior to the Effective Date by the Board or the compensation committee of the Board, or (ii) any portion of a compensation recoupment or clawback policy that is adopted after the Effective Date by the Board or the compensation committee of the Board specifically to comply with applicable laws, regulations, or stock exchange listing requirements (with the limitation pursuant to this Section 9(d)(ii) limited to compensation amounts repaid pursuant only to those provisions of such policy that are required to be adopted by such applicable laws, regulations, or requirements); or

(e) any Proceeding initiated by Indemnitee (other than any cross-claim or counterclaim asserted by the Indemnitee that is indemnifiable under applicable law and is related to a Proceeding not initiated by Indemnitee), including any Proceeding (or any part of any Proceeding) initiated by Indemnitee against the Company or its directors, officers, employees or other indemnitees, unless (i) the Proceeding or part of any Proceeding is to enforce Indemnitee's rights to indemnification or advancement of Expenses, including a Proceeding (or any part of any Proceeding) initiated pursuant to Section 14 of this Agreement, (ii) the Board authorized the Proceeding (or any part of any Proceeding) prior to its initiation, or (iii) the Company provides the indemnification, in its sole discretion, pursuant to the powers vested in the Company under applicable law.

Section 10. Advances of Expenses.

(a) The Company will advance, to the extent not prohibited by law, the Expenses incurred by Indemnitee in connection with: (i) any Proceeding (or any part of any Proceeding) not initiated by Indemnitee, including any cross-claim or counterclaim asserted by the Indemnitee that is indemnifiable under applicable law and is related to a Proceeding not initiated by Indemnitee; or (ii) any Proceeding (or any part of any Proceeding) initiated by Indemnitee if (1) the Proceeding or part of any Proceeding is to enforce Indemnitee's rights to indemnification or advancement of Expenses, including a proceeding initiated pursuant to Section 14 of this Agreement, or (2) the Board authorized the Proceeding (or any part of any Proceeding) prior to its initiation.

(b) The Company will advance any such Expenses within thirty (30) days after the receipt by the Company of a statement or statements requesting such advances from time to time, whether prior to or after final disposition of any Proceeding. Indemnitee will not be required to provide any documentation or information to the extent that the provision thereof would undermine or otherwise jeopardize attorney-client privilege.

(c) Advances will be unsecured and interest free. Indemnitee hereby undertakes to repay any amounts so advanced (without interest) to the extent that it is ultimately determined that Indemnitee is not entitled to be indemnified by the Company for such Expenses. No other form of undertaking is required other than the execution of this Agreement. The Company will make advances without regard to Indemnitee's ability to repay the Expenses and without regard to Indemnitee's ultimate entitlement to indemnification under the other provisions of this Agreement.

Section 11. Procedure for Notification of Claim for Indemnification or Advancement.

(a) Indemnitee will notify the Company in writing of any Proceeding with respect to which Indemnitee intends to seek indemnification or advancement of Expenses hereunder as soon as reasonably practicable following the receipt by Indemnitee of written notice thereof. Indemnitee will include in the written notification to the Company a description of the nature of the Proceeding and the facts underlying the Proceeding and provide such documentation and information as is reasonably requested by the Company and available to Indemnitee and is reasonably necessary to determine whether and to what extent Indemnitee is entitled to indemnification following the final disposition of such Proceeding. Indemnitee's failure to notify the Company will not relieve the Company from any obligation it may have to Indemnitee under this Agreement or otherwise, and any delay in so notifying the Company will not constitute a waiver by Indemnitee of any rights under this Agreement. The Secretary of the Company will, promptly upon receipt of such a request for indemnification or advancement, advise the Board in writing that Indemnitee has requested indemnification or advancement.

(b) The Company will be entitled to participate in the Proceeding at its own expense.

Section 12. Procedure Upon Application for Indemnification.

(a) Where there has been a written request for indemnification pursuant to Section 10(a), unless a Change in Control has occurred, the determination of Indemnitee's entitlement to indemnification will be made as soon as is reasonably practicable (but in any event not later than 60 days) after final disposition of the relevant Proceeding:

i. by a majority vote of the Disinterested Directors, even though less than a quorum of the Board;

ii. by a committee of Disinterested Directors designated by a majority vote of the Disinterested Directors, even though less than a quorum of the Board; or

iii. if there are no such Disinterested Directors or, if such Disinterested Directors so direct, by written opinion provided by Independent Counsel selected by the Board.

(b) If a Change in Control has occurred, the determination of Indemnitee's entitlement to indemnification will be made as soon as is reasonably practicable (but in any event not later than 60 days) after final disposition of the relevant Proceeding by written opinion provided by Independent Counsel selected by Indemnitee (unless Indemnitee requests such selection be made by the Board).

(c) The party selecting Independent Counsel pursuant to subsection (a)(iii) or (b) of this Section 12 will provide written notice of the selection to the other party. The notified party may, within ten (10) days after receiving written notice of the selection of Independent Counsel, deliver to the selecting party a written objection to such selection; provided, however, that such objection may be asserted only on the ground that the Independent Counsel so selected does not meet the requirements of "Independent Counsel" as defined in Section 2 of this Agreement, and the objection will set forth with particularity the factual basis of such assertion. Absent a proper and timely objection, the person so selected will act as Independent Counsel. If such written objection is so made and substantiated, the Independent Counsel so selected may not serve as Independent Counsel unless and until such objection is withdrawn or the Delaware Court has determined that such objection is without merit. If, within thirty (30) days after the later of submission by Indemnitee of a written request for indemnification pursuant to Section 11(a) of this Agreement and the final disposition of the Proceeding, Independent Counsel has not been selected or, if selected, any objection to such selection has not been resolved, either the Company or Indemnitee may petition the Delaware Court for resolution of any objection made by the Company or Indemnitee to the other's selection of Independent Counsel and/or for the appointment as Independent Counsel of a person selected by such court or by such other person as such court designates. Upon the due commencement of any judicial proceeding or arbitration pursuant to Section 14(a) of this Agreement, Independent Counsel will be discharged and relieved of any further responsibility in such capacity (subject to the applicable standards of professional conduct then prevailing).

(d) Indemnitee will reasonably cooperate with the person, persons or entity making the determination with respect to Indemnitee's entitlement to indemnification, including providing to such person, persons, or entity upon reasonable advance request any documentation or information which is not privileged or otherwise protected from disclosure and which is reasonably available to Indemnitee and reasonably necessary to such determination. The Company will advance and pay any Expenses incurred by Indemnitee in so cooperating with the person, persons or entity making the indemnification determination irrespective of the determination as to Indemnitee's entitlement to indemnification and the Company hereby indemnifies and agrees to hold Indemnitee harmless therefrom. The Company promptly will advise Indemnitee in writing of the determination that Indemnitee is or is not entitled to indemnification, including a description of any reason or basis for which indemnification has been denied and providing a copy of any written opinion provided to the Board by Independent Counsel.

(e) If it is determined that Indemnitee is entitled to indemnification, the Company will make payment to Indemnitee within ten (10) days after such determination.

Section 13. Presumptions and Effect of Certain Proceedings.

(a) In making a determination with respect to entitlement to indemnification under this Agreement, the person, persons, or entity making such determination will, to the fullest extent not prohibited by law, presume Indemnitee is entitled to indemnification under this Agreement if Indemnitee has submitted a request for indemnification in accordance with Section 11(a) of this Agreement, and the Company will, to the fullest extent not prohibited by law, have the burden of proof to overcome that presumption. Neither the failure of the Company (including by its directors or Independent Counsel) to have made a determination prior to the commencement of any action pursuant to this Agreement that indemnification is proper under the circumstances because Indemnitee has met the applicable standard of conduct, nor an actual determination by the Company (including by its directors or Independent Counsel) that Indemnitee has not met such applicable standard of conduct, will be a defense to the action or create a presumption that Indemnitee has not met the applicable standard of conduct.

(b) If the determination of the Indemnitee's entitlement to indemnification has not been made pursuant to Section 12 of this Agreement within sixty (60) days after the later of (i) receipt by the Company of Indemnitee's request for indemnification pursuant to Section 11(a) of this Agreement and (ii) the final disposition of the Proceeding for which Indemnitee requested Indemnification (the "Determination Period"), the requisite determination of entitlement to indemnification will, to the fullest extent not prohibited by law, be deemed to have been made and Indemnitee will be entitled to such indemnification absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee's statement not materially misleading, in connection with the request for indemnification or (ii) a prohibition of such indemnification under applicable law. The Determination Period may be extended for a reasonable time, not to exceed an additional thirty (30) days, if the person, persons or entity making the determination with respect to entitlement to indemnification in good faith requires such additional time for the obtaining or evaluating of documentation and/or information relating thereto.

(c) The termination of any Proceeding or of any claim, issue, or matter therein by judgment, order, settlement or conviction, or upon a plea of nolo contendere or its equivalent, will not (except as otherwise expressly provided in this Agreement) of itself adversely affect the right of Indemnitee to indemnification or create a presumption that Indemnitee did not act in good faith and in a manner which Indemnitee reasonably believed to be in or not opposed to the best interests of the Company or, with respect to any criminal Proceeding, that Indemnitee had reasonable cause to believe that Indemnitee's conduct was unlawful.

(d) For purposes of any determination of good faith, Indemnitee will be deemed to have acted in good faith if Indemnitee acted based on (i) the records or books of account of the Company, its subsidiaries, a Sponsor Entity or an Enterprise, including financial statements, (ii) information supplied to Indemnitee by the directors or officers of the Company, its subsidiaries, a Sponsor Entity or an Enterprise in the course of their duties, (iii) the advice of legal counsel for the Company, its subsidiaries, a Sponsor Entity or an Enterprise or (iv) information or records given or reports made to the Company, a Sponsor Entity or an Enterprise by an independent certified public accountant or by an appraiser, financial advisor or other expert selected with reasonable care by or on behalf of the Company, its subsidiaries, a Sponsor Entity or an Enterprise. Further, Indemnitee will be deemed to have acted in a manner "not opposed to the best interests of the Company," as referred to in this Agreement if Indemnitee acted in good faith and in a manner

Indemnitee reasonably believed to be in the best interests of the participants and beneficiaries of an employee benefit plan. The provisions of this Section 13(d) are not exclusive and do not limit in any way the other circumstances in which the Indemnitee may be deemed to have met the applicable standard of conduct set forth in this Agreement.

(e) The knowledge and/or actions, or failure to act, of any other person affiliated with the Company, a Sponsor Entity or an Enterprise (including, but not limited to, a director, officer, trustee, partner, managing member, Agent or employee) may not be imputed to Indemnitee for purposes of determining Indemnitee's right to indemnification under this Agreement.

Section 14. Remedies of Indemnitee.

(a) Indemnitee may commence litigation against the Company in the Delaware Court to obtain indemnification or advancement of Expenses provided by this Agreement in the event that (i) a determination is made pursuant to Section 12 of this Agreement that Indemnitee is not entitled to indemnification under this Agreement, (ii) the Company does not timely advance Expenses pursuant to Section 10 of this Agreement, (iii) the determination of entitlement to indemnification is not made pursuant to Section 12 of this Agreement within the Determination Period, (iv) the Company does not indemnify Indemnitee pursuant to Section 5 or 6 or the second to last sentence of Section 12(d) of this Agreement within thirty (30) days after receipt by the Company of a written request therefor, (v) the Company does not indemnify Indemnitee pursuant to Section 3, 4, 7, or 8 of this Agreement within ten (10) days after a determination has been made that Indemnitee is entitled to indemnification, (vi) a contribution payment is not made in a timely manner pursuant to Section 23, or (vii) in the event that the Company or any other person takes or threatens to take any action to declare this Agreement void or unenforceable, or institutes any litigation or other action or Proceeding designed to deny, or to recover from, the Indemnitee the benefits provided or intended to be provided to the Indemnitee hereunder. The Company will not oppose Indemnitee's right to seek any such adjudication.

(b) If a determination is made pursuant to Section 12 of this Agreement that Indemnitee is not entitled to indemnification, any judicial proceeding commenced pursuant to this Section 14 will be conducted in all respects as a *de novo* trial on the merits and Indemnitee may not be prejudiced by reason of that adverse determination. In any judicial proceeding commenced pursuant to this Section 14 the Company will have the burden of proving Indemnitee is not entitled to indemnification or advancement of Expenses, as the case may be, and will not introduce evidence of the determination made pursuant to Section 12 of this Agreement. If Indemnitee commences a judicial proceeding pursuant to this Section 14, Indemnitee shall not be required to reimburse the Company for any advances pursuant to this Agreement until a final determination is made with respect to Indemnitee's entitlement to indemnification (as to which all rights of appeal have been exhausted or lapsed).

(c) If a determination is made pursuant to Section 12 of this Agreement that Indemnitee is entitled to indemnification, the Company will be bound by such determination in any judicial proceeding commenced pursuant to this Section 14 unless (i) Indemnitee made a misstatement of a material fact, or an omission of a material fact necessary to make Indemnitee's

statement not materially misleading, in connection with Indemnitees' request for indemnification, or (ii) the Company is prohibited from indemnifying Indemnitee under applicable law.

(d) The Company is, to the fullest extent not prohibited by law, precluded from asserting in any judicial proceeding commenced pursuant to this Section 14 that the procedures and presumptions of this Agreement are not valid, binding, or enforceable and will stipulate in any such court that the Company is bound by all the provisions of this Agreement.

(e) It is the intent of the Company that, to the fullest extent permitted by law, the Indemnitee not be required to incur legal fees or other Expenses associated with the interpretation, enforcement, or defense of Indemnitee's rights under this Agreement, by litigation or otherwise, because the cost and expense thereof would substantially detract from the benefits intended to be extended to the Indemnitee under this Agreement. The Company, to the fullest extent permitted by law, will (within thirty (30) days after receipt by the Company of a written request therefor) advance to Indemnitee such Expenses which are incurred by Indemnitee in connection with a Proceeding concerning this Agreement, Indemnitee's other rights to indemnification or advancement of Expenses from the Company, or otherwise for the enforcement, interpretation or defense of Indemnitee's rights under this Agreement or any other agreement with the Company or the Company's Bylaws or Certificate of Incorporation now or hereinafter in effect, or concerning any directors' and officers' liability insurance policies maintained by the Company, and will indemnify Indemnitee against any and all such Expenses unless the court determines that the Company is prohibited by law from indemnifying Indemnitee for such Expenses.

Section 15. Non-exclusivity; Survival of Rights; Insurance; Subrogation.

(a) The indemnification, contribution and advancement of Expenses provided by this Agreement are not exclusive of any other rights to which Indemnitee may at any time be entitled under applicable law, the Certificate of Incorporation, the Bylaws, any agreement, a vote of stockholders, a resolution of the board of directors, or otherwise. The indemnification, contribution and advancement of Expenses provided by this Agreement may not be limited or restricted by any amendment, alteration or repeal of this Agreement in any way with respect to any action taken or omitted by Indemnitee in Indemnitee's Corporate Status occurring prior to any amendment, alteration or repeal of this Agreement. To the extent that a change in Delaware law, whether by statute or judicial decision, permits greater contribution, indemnification or advancement of Expenses than would be afforded currently under the Bylaws, the Certificate of Incorporation, or this Agreement, it is the intent of the parties hereto that Indemnitee enjoy by this Agreement the greater benefits so afforded by such change. No right or remedy herein conferred is intended to be exclusive of any other right or remedy, and every other right and remedy is cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, will not prevent the concurrent assertion or employment of any other right or remedy.

(b) The Company hereby acknowledges that Indemnitee may have certain rights to indemnification, advancement of Expenses and/or insurance provided by one or more other Persons with whom or which Indemnitee may be associated (including, without limitation, any Sponsor Entities). The relationship between the Company and such other Persons, other than

an Enterprise, with respect to Indemnitee's rights to indemnification, advancement of Expenses, and insurance is described by this subsection, subject to the provisions of subsection (c) of this Section 15 with respect to a Proceeding concerning Indemnitee's Corporate Status with an Enterprise.

i. The Company hereby acknowledges and agrees:

1) the Company's obligations to Indemnitee are primary and any obligation of any other Persons, other than an Enterprise, are secondary (i.e., the Company is the indemnitor of first resort) with respect to any request for indemnification or advancement of Expenses made pursuant to this Agreement concerning any Proceeding;

2) the Company is primarily liable for all indemnification or advancement of Expenses obligations for any Proceeding, whether created by law, the Bylaws, the Certificate of Incorporation, contract (including this Agreement) or otherwise;

3) any obligation of any other Persons with whom or which Indemnitee may be associated (including, without limitation, any Sponsor Entities) to indemnify Indemnitee and/or advance Expenses to Indemnitee in respect of any proceeding are secondary to the Company's obligations;

4) the Company will indemnify Indemnitee and advance Expenses to Indemnitee hereunder to the fullest extent provided herein without regard to any rights Indemnitee may have against any other Person with whom or which Indemnitee may be associated (including, any Sponsor Entities) or an insurer of any such Person; and

ii. The Company irrevocably waives, relinquishes and releases (A) any other Person with whom or which Indemnitee may be associated (including, without limitation, any Sponsor Entities) from any claim of contribution, subrogation, reimbursement, exoneration or indemnification, or any other recovery of any kind in respect of amounts paid by the Company to Indemnitee pursuant to this Agreement and (B) any right to participate in any claim or remedy of Indemnitee against any Person (including, without limitation, any Sponsor Entities), whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from any Person (including, without limitation, any Sponsor Entities), directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security on account of such claim, remedy or right.

iii. In the event any other Person with whom or which Indemnitee may be associated (including, without limitation, any Sponsor Entities) or their insurers advances or extinguishes any liability or loss for Indemnitee, the payor has a right of subrogation against the Company or its insurers for all amounts so paid which would otherwise be payable by the Company or its insurers under this Agreement. In no event will payment by any other Person with whom or which Indemnitee may be associated (including, without limitation, any Sponsor Entities) or their insurers affect the obligations of the Company hereunder or shift primary liability for the Company's obligation to indemnify or advance Expenses to any other Person with whom or which Indemnitee may be associated (including, without limitation, any Sponsor Entities).

iv. Any indemnification or advancement of Expenses provided by any other Person with whom or which Indemnitee may be associated (including, without limitation, any Sponsor Entities) is specifically in excess over the Company's obligation to indemnify and advance Expenses or any valid and collectible insurance (including but not limited to any malpractice insurance or professional errors and omissions insurance) provided by the Company.

v. The Company will indemnify and advance expense incurred by a Sponsor Entity that is or is threatened to be made a party to or a participant in any Proceeding to the same extent as Indemnitee. The Company and Indemnitee agree that each Sponsor Entity is an express third-party beneficiary of the terms of this Section 15.

vi. The Company shall obtain and maintain a policy or policies of insurance with reputable insurance companies providing liability insurance for directors and officers of the Company in their capacities as such (and for any capacity in which any director or officer of the Company serves any other Enterprise at the request of the Company), in respect of acts or omissions occurring while serving in such capacity. If, at the time of the receipt of a notice of a claim pursuant to this Agreement, the Company has director and officer liability insurance in effect, the Company will give prompt notice of such claim or of the commencement of a Proceeding, as the case may be, to the insurers in accordance with the procedures set forth in the respective policies. The Company will thereafter take all necessary or desirable action to cause such insurers to pay, on behalf of Indemnitee, all amounts payable as a result of such Proceeding in accordance with the terms of such policies; provided that the failure or refusal of any such insurer to pay any such amount shall not affect or impair the obligations of the Company under this Agreement. Indemnitee agrees to assist the Company's efforts to cause the insurers to pay such amounts and will comply with the terms of such policies, including selection of approved panel counsel, if required, provided that any Expenses incurred by Indemnitee in connection therewith shall constitute Expenses for purposes of Section 14(e). Upon request by the Indemnitee, the Company will provide to the Indemnitee copies of all such policies maintained by the Company.

(c) The Company's obligation to indemnify or advance Expenses hereunder to Indemnitee for any Proceeding concerning Indemnitee's Corporate Status with an Enterprise will be reduced by any amount Indemnitee has actually received as indemnification or advancement of Expenses from such Enterprise. The Company and Indemnitee intend that any such Enterprise (and its insurers) be the indemnitor of first resort with respect to indemnification and advancement of Expenses for any Proceeding related to or arising from Indemnitee's Corporate Status with such Enterprise. The Company's obligation to indemnify and advance Expenses to Indemnitee is secondary to the obligations the Enterprise or its insurers owe to Indemnitee. Indemnitee agrees to take all reasonably necessary and desirable action to obtain from an Enterprise indemnification and advancement of Expenses for any Proceeding related to, or arising from, Indemnitee's Corporate Status with such Enterprise, provided that any Expenses incurred by Indemnitee in connection therewith shall constitute Expenses for purposes of Section 13(e).

(d) In the event of any payment made by the Company under this Agreement, the Company will be subrogated to the extent of such payment to all of the rights of recovery of Indemnitee from any Enterprise or its insurance carrier. Indemnitee will execute all papers required

and take all action necessary to secure such rights, including execution of such documents as are necessary to enable the Company to bring suit to enforce such rights.

Section 16. Duration of Agreement. The indemnification and advancement of Expenses rights provided by or granted pursuant to this Agreement (i) are binding upon and be enforceable by the parties hereto and their respective successors and assigns (including any direct or indirect successor by purchase, merger, consolidation or otherwise to all or substantially all of the business or assets of the Company), (ii) continue as to an Indemnitee who has ceased to be a director, officer, employee or Agent of the Company or of any Enterprise, and (iii) inure to the benefit of Indemnitee and Indemnitee's spouse, assigns, heirs, devisees, executors and administrators and other legal representatives.

Section 17. Severability. If any provision or provisions of this Agreement is held to be invalid, illegal or unenforceable for any reason whatsoever: (a) the validity, legality and enforceability of the remaining provisions of this Agreement (including without limitation, each portion of any Section of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) will not in any way be affected or impaired thereby and will remain enforceable to the fullest extent permitted by law; (b) such provision or provisions will be deemed reformed to the extent necessary to conform to applicable law and to give the maximum effect to the intent of the parties hereto; and (c) to the fullest extent possible, the provisions of this Agreement (including, without limitation, each portion of any Section of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) will be construed so as to give effect to the intent manifested thereby.

Section 18. Interpretation. Any ambiguity in the terms of this Agreement will be resolved in favor of Indemnitee and in a manner to provide the maximum indemnification and advancement of Expenses permitted by law. The Company and Indemnitee intend that this Agreement provide to the fullest extent permitted by law for indemnification and advancement of Expenses in excess of that expressly provided, without limitation, by the Certificate of Incorporation, the Bylaws, vote of the Company's stockholders or disinterested directors, or applicable law.

Section 19. Enforcement.

(a) The Company expressly confirms and agrees that it has entered into this Agreement and assumed the obligations imposed on it hereby in order to induce Indemnitee to serve as a director, officer, employee, or Agent of the Company, and the Company acknowledges that Indemnitee is relying upon this Agreement in serving or continuing to serve as director, officer, employee, or Agent of the Company.

(b) This Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and understandings, oral, written and implied, between the parties hereto with respect to the subject matter hereof; provided, however, that this Agreement is a supplement to and in furtherance of the Certificate of Incorporation, the Bylaws, any directors' and officers' insurance maintained by the Company, and

applicable law, is not a substitute therefor, and does not diminish or abrogate any rights of Indemnitee thereunder.

Section 20. Modification and Waiver. No supplement, modification or amendment of this Agreement is binding unless executed in writing by the parties hereto. The observance of any term of this Agreement may be waived by the party entitled to enforce such term only by a writing signed by the party against which such waiver is to be asserted. Unless expressly provided herein, no delay on the part of any party hereto in exercising any right, power, or privilege hereunder shall operate as a waiver thereof. No waiver of any of the provisions of this Agreement will be deemed to constitute a waiver of any other provision of this Agreement nor will any waiver constitute a continuing waiver.

Section 21. Notice by Indemnitee. Indemnitee agrees to promptly notify the Company in writing upon being served with any summons, citation, subpoena, complaint, indictment, information or other document relating to any Proceeding or matter which may be subject to indemnification or advancement of Expenses covered hereunder. The failure of Indemnitee to so notify the Company does not relieve the Company of any obligation which it may have to the Indemnitee under this Agreement or otherwise.

Section 22. Notices. All notices, requests, demands and other communications under this Agreement will be in writing and will be deemed to have been duly given if (a) delivered by hand to the other party, (b) sent by reputable overnight courier to the other party or (c) sent by facsimile transmission or electronic mail, with receipt of oral or written (e-mail being sufficient) confirmation that such communication has been received:

(a) If to Indemnitee, at the address indicated on the signature page of this Agreement, or such other address as Indemnitee provides to the Company.

(b) If to the Company to:

or to any other address as may have been furnished to Indemnitee by the Company.

Section 23. Contribution. To the fullest extent permissible under applicable law, if the indemnification provided for in this Agreement is unavailable to Indemnitee for any reason whatsoever, the Company, in lieu of indemnifying Indemnitee, will contribute to the amount incurred by Indemnitee, whether for judgments, fines, penalties, excise taxes, amounts paid or to be paid in settlement and/or for Expenses, in connection with any claim relating to an indemnifiable event under this Agreement, in such proportion as is deemed fair and reasonable in light of all of the circumstances of such Proceeding in order to reflect (a) the relative benefits received by the Company and Indemnitee as a result of the event(s) and/or transaction(s) giving

cause to such Proceeding; and/or (b) the relative fault of the Company (and its directors, officers, employees and Agents) and Indemnitee in connection with such event(s) and/or transaction(s).

Section 24. Applicable Law and Consent to Jurisdiction. This Agreement and the legal relations among the parties are governed by, and construed and enforced in accordance with, the laws of the State of Delaware, without regard to its conflict of laws rules. The Company and Indemnitee hereby irrevocably and unconditionally (a) agree that any action, claim, or proceeding between the parties arising out of or in connection with this Agreement may be brought only in the Delaware Court and not in any other state or federal court in the United States of America or any court in any other country, (b) consent to submit to the exclusive jurisdiction of the Delaware Court for purposes of any action, claim, or proceeding arising out of or in connection with this Agreement, (c) waive any objection to the laying of venue of any such action, claim, or proceeding in the Delaware Court, and (d) waive, and agree not to plead or to make, any claim that any such action, claim, or proceeding brought in the Delaware Court has been brought in an improper or inconvenient forum.

Section 25. Identical Counterparts. This Agreement may be executed in one or more counterparts, each of which will for all purposes be deemed to be an original but all of which together constitute one and the same Agreement. Counterparts may be delivered via facsimile, electronic mail (including any electronic signature covered by the U.S. federal ESIGN Act of 2000, Uniform Electronic Transactions Act, the Electronic Signatures and Records Act or other applicable law, e.g., www.docusign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes. Only one such counterpart signed by the party against whom enforceability is sought needs to be produced to evidence the existence of this Agreement.

Section 26. Headings. The headings of this Agreement are inserted for convenience only and do not constitute part of this Agreement or affect the construction thereof.

IN WITNESS WHEREOF, the parties have caused this Agreement to be signed as of the day and year first above written.

If, subsequent to the Termination of a Participant for any reason other than by the Service Recipient for Cause, it is discovered that the Participant's employment or service could have been terminated for Cause, such Participant's employment or service shall, at the discretion of the Committee, be deemed to have been terminated by the Service Recipient for Cause for all purposes under the Plan, and the Participant shall be required to repay or return to the Company all amounts and benefits received by him or her in respect of any Award following such Termination that would have been forfeited under the Plan had such Termination been by the Service Recipient for Cause.

(f) "Change in Control" means:

(1) a change in ownership or control of the Company effected through a transaction or series of transactions (other than an offering of Stock to the general public through a registration statement filed with the U.S. Securities and Exchange Commission or similar non-U.S. regulatory agency or pursuant to a Non-Control Transaction) whereby any "person" (as defined in Section 3(a)(9) of the Exchange Act) or any two or more persons deemed to be one "person" (as used in Sections 13(d)(3) and 14(d)(2) of the Exchange Act), other than the Company or any of its Affiliates, an employee benefit plan sponsored or maintained by the Company or any of its Affiliates (or its related trust), or any underwriter temporarily holding securities pursuant to an offering of such securities, directly or indirectly acquire "beneficial ownership" (within the meaning of Rule 13d-3 under the Exchange Act) of securities of the Company possessing more than fifty percent (50%) of the total combined voting power of the Company's securities eligible to vote in the election of the Board (the "Company Voting Securities");

(3) the consummation of a merger, consolidation, share exchange, or similar form of corporate transaction involving the Company or any of its Affiliates that requires the approval of the Company's stockholders (whether for such transaction, the issuance of securities in the transaction or otherwise) (a "Reorganization"), unless immediately following such Reorganization (i) more than fifty percent (50%) of the total voting power of (A) the corporation resulting from such Reorganization (the "Surviving

Any action of the Committee shall be final, conclusive, and binding on all Persons, including, without limitation, the Company, its stockholders and Affiliates, Eligible Persons, Participants, and beneficiaries of Participants. Notwithstanding anything in the Plan to the contrary, the Committee shall have the ability to accelerate the vesting of any outstanding Award at any time and for any reason, including upon a Corporate Event, subject to Section 9, or in the event of a Participant's Termination by the Service Recipient for any reason. For the avoidance of doubt, the Board shall have the authority to take all actions under the Plan that the Committee is permitted to take.

(b) Manner of Exercise of Committee Authority. At any time that a member of the Committee is not a Qualified Member, any action of the Committee relating to an Award granted or to be granted to a Participant who is then subject to Section 16 of the Exchange Act in respect of the Company, must be taken by the remaining members of the Committee or a subcommittee, designated by the Committee or the Board, composed solely of two or more Qualified Members (a "Qualifying Committee"). Any action authorized by such a Qualifying Committee shall be deemed the action of the Committee for purposes of the Plan. The express grant of any specific power to a Qualifying Committee, and the taking of any action by such a Qualifying Committee, shall not be construed as limiting any power or authority of the Committee.

(c) Delegation. To the extent permitted by applicable law, the Committee may delegate to officers or employees of the Company or any of its Affiliates, or committees thereof, the authority, subject to such terms as the Committee shall determine, to perform such functions under the Plan, including, but not limited to, administrative functions including the power to grant Awards under the Plan, as the Committee may determine appropriate; provided that at the time of such grant no recipient of such Awards shall be subject to Section 16 of the Exchange Act. The Committee may appoint agents to assist it in administering the Plan. Any actions taken by an officer or employee delegated authority pursuant to this Section 3(c) within the scope of such delegation shall, for all purposes under the Plan, be deemed to be an action taken by the Committee. For the avoidance of doubt, and notwithstanding any other provision of the Plan to the contrary, any Award granted under the Plan to any non-employee director of the Company or any Affiliate or to any Eligible Person who is subject to Section 16 of the Exchange Act must be expressly approved by the Committee or Qualifying Committee in accordance with Section 3(b) above. Without limiting the foregoing, the Committee may impose such conditions with respect to the exercise and/or settlement of any Awards, including, without limitation, any relating to the application of federal or state securities laws or the laws, rules or regulations of any jurisdiction outside the United States, as it may deem necessary or advisable.

4. **Shares Available Under the Plan; Other Limitations.**

(a) Number of Shares Available for Delivery. (b) Share Counting Rules. The Committee may adopt reasonable counting procedures to ensure appropriate counting, avoid double-counting (as, for example, in the case of tandem awards or Substitute Awards) and make adjustments if the number of shares of Stock actually delivered differs from the number of shares previously counted in connection with an Award. Other than with respect to a Substitute Award, to the extent that an Award expires or is canceled, forfeited, settled in cash, or otherwise terminated without delivery to the Participant of the full number of shares of Stock to which the Award related, the undelivered shares of Stock will again be available for grant. Shares of Stock withheld in payment of the exercise price or taxes relating to an Award and shares of Stock equal to the number surrendered in payment of any exercise price or taxes relating to an Award shall not be deemed to constitute shares delivered to the Participant and shall be deemed to again be available for delivery under the Plan.

(c) Shares Available Under Acquired Plans. To the extent permitted by NYSE Listed Company Manual Section 303A.08 or other applicable stock exchange rules, subject to applicable law, in the event that a company acquired by the Company or with which the Company combines has shares available under a pre-existing plan approved by stockholders and not adopted in contemplation of such acquisition or combination, the shares available for grant pursuant to the terms of such pre-existing plan (as adjusted, to the extent appropriate, using the exchange ratio or other adjustment or valuation ratio of formula used in such acquisition or combination to determine the consideration payable to the holders of common stock of the entities party to such acquisition or combination) may be used for Awards under the Plan and shall not reduce the number of shares of Stock reserved and available for delivery in connection with Awards under the Plan; *provided* that Awards using such available shares shall not be made after the date awards could have been made under the terms of such pre-existing plan, absent the acquisition or combination, and shall only be made to individuals who were not employed by the Company or any subsidiary of the Company immediately prior to such acquisition or combination.

(d) Limitation on Awards to Non-Employee Directors. Notwithstanding anything herein to the contrary, the maximum value of any Awards granted to a non-employee director of the Company in any one calendar year, taken together with any cash fees paid to suchnon-employee director during such calendar year in respect of the non-employee director's services as a member of the Board during such year, shall not exceed $1,500,000 (calculating the value of any such Awards based on the grant date fair value of such Awards for financial reporting purposes); provided, that the Committee may make exceptions to this limit, provided that the non-employee director receiving such additional compensation may not participate in the decision to award such compensation.

Payment for shares of Stock acquired pursuant to an Option granted hereunder shall be made in full upon exercise of the Option in a manner approved by the Committee, which may include any of the following payment methods: (1) in immediately available funds in U.S. dollars, or by certified or bank cashier's check, (2) by delivery of shares of Stock having a value equal to the exercise price, (3) by a broker-assisted cashless exercise in accordance with procedures approved by the Committee, whereby payment of the Option exercise price or tax withholding obligations may be satisfied, in whole or in part, with shares of Stock subject to the Option by delivery of an irrevocable direction to a securities broker (on a form prescribed by the Committee) to sell shares of Stock and to deliver all or part of the sale proceeds to the Company in payment of the aggregate exercise price and, if applicable, the amount necessary to satisfy the Company's withholding obligations, or (4) by any other means approved by the Committee (including, by delivery of a notice of "net exercise" to the Company, pursuant to which the Participant shall receive the number of shares of Stock underlying the Option so exercised reduced by the number of shares of Stock equal to the aggregate exercise price of the Option divided by the Fair Market Value on the date of exercise). Notwithstanding anything herein to the contrary, if the Committee determines that any form of payment available hereunder would be in violation of Section 402 of the Sarbanes-Oxley Act of 2002, such form of payment shall not be available.

(e) Vesting. Options shall vest and become exercisable in such manner, on such date or dates, or upon the achievement of performance or other conditions, in each case as may be determined by the Committee and set forth in an Option Agreement; *provided*, *however*, that notwithstanding any such vesting dates, the Committee may in its sole discretion accelerate the vesting of any Option at any time and for any reason. Unless otherwise set forth in an Option Agreement or as specifically determined by the Committee, the vesting of an Option shall occur only while the Participant is employed by or rendering services to the Service Recipient, and all vesting shall cease upon a Participant's Termination for any reason. To the extent permitted by applicable law, vesting shall be suspended during the period of any approved unpaid leave by a Participant; *provided*, *that*, to the extent permitted by applicable law and unless otherwise determined by the Committee, in the event of any approved unpaid family or parental leave of absence by a Participant following which the Participant has a right to reinstatement, vesting of such Participant's Options shall continue for a period of up to three (3) months during such leave, after which vesting shall be suspended during any remaining period of leave and shall resume upon such Participant's return to active employment; *provided* that a Participant will not be given credit for more than three (3) months of such continued vesting in the aggregate during any twenty-four (24) month period, unless otherwise determined by the Committee. If an Option is exercisable in installments, such installments or portions thereof that become exercisable shall remain exercisable until the Option expires, is canceled or otherwise terminates.

(f) Termination of Employment or Service. Except as provided by the Committee in an Option Agreement, Participant Agreement or otherwise:

(1) In the event of a Participant's Termination prior to the applicable Expiration Date for any reason other than (i) by the Service Recipient for Cause, or (ii) by reason of the Participant's death or Disability, (A) all vesting with respect to such Participant's Options outstanding shall cease, (B) all of such Participant's unvested Options outstanding shall terminate and be forfeited for no consideration as of the date of such Termination, and (C) all of such Participant's vested Options outstanding shall terminate and be forfeited for no consideration on the earlier of (x) the applicable Expiration Date and (y) the date that is ninety (90) days after the date of such Termination.

Unless otherwise set forth in a Participant's Restricted Stock Agreement, cash dividends and stock dividends, if any, with respect to the Restricted Stock shall be withheld by the Company for the Participant's account, and shall be subject to forfeiture to the same degree as the shares of Restricted Stock to which such dividends relate. Except as otherwise determined by the Committee, no interest will accrue or be paid on the amount of any cash dividends withheld.

Restricted Stock shall vest in such manner, on such date or dates, or upon the achievement of performance or other conditions, in each case as may be determined by the Committee and set forth in a Restricted Stock Agreement; *provided, however*, that notwithstanding any such vesting dates, the Committee may in its sole discretion accelerate the vesting of any Award of Restricted Stock at any time and for any reason. The Committee may take different actions with respect to the vested and unvested portions of an Award.

(b) Corporate Events. Notwithstanding the foregoing, except as provided by the Committee in an Award Agreement, Participant Agreement or otherwise, in connection with (i) a merger, amalgamation, or consolidation involving the Company in which the Company is not the surviving corporation, (ii) a merger, amalgamation, or consolidation involving the Company in which the Company is the surviving corporation but the holders of shares of Stock receive securities of another corporation or other property or cash, (iii) a Change in Control, or (iv) the reorganization, dissolution or liquidation of the Company (each, a "Corporate Event"), the Committee may provide for any one or more of the following:

(1) The assumption or substitution of any or all Awards in connection with such Corporate Event, in which case the Awards shall be subject to the adjustment set forth in Section 9(a) above;

(2) The acceleration of vesting of any or all Awards not assumed or substituted in connection with such Corporate Event, subject to the consummation of such Corporate Event;

(3) The cancellation of any or all Awards not assumed or substituted in connection with such Corporate Event (whether vested or unvested) as of the consummation of such Corporate Event, together with the payment to the Participants holding vested Awards (including any Awards that would vest upon the Corporate Event but for such cancellation) so canceled of an amount in respect of cancellation equal to an amount based upon the per-share consideration being paid for the Stock in connection with such Corporate Event, less, in the case of Options and other Awards subject to exercise, the applicable exercise or base price; *provided, however*, that holders of Options and other Awards subject to exercise shall be entitled to consideration in respect of cancellation of such Awards only if the per-share consideration less the applicable exercise or base price is greater than zero dollars ($0), and to the extent that the per-share consideration is less than or equal to the applicable exercise or base price, such Awards shall be canceled for no consideration;

(4) The cancellation of any or all Options and other Awards subject to exercise not assumed or substituted in connection with such Corporate Event (whether vested or unvested) as of the consummation of such Corporate Event; *provided* that all Options and other Awards to be so canceled pursuant to this paragraph (4) shall first become exercisable for a period of at least ten (10) days prior to such Corporate Event, with any exercise during such period of any unvested Options or other Awards to be (A) contingent upon and subject to the occurrence of the Corporate Event, and (B) effectuated by such means as are approved by the Committee; and

(5) The replacement of any or all Awards with a cash incentive program that preserves the value of the Awards so replaced (determined as of the consummation of the Corporate Event), with subsequent payment of cash incentives subject to the same vesting conditions as applicable to the Awards so replaced and payment to be made within thirty (30) days of the applicable vesting date (or such later date on which the applicable consideration is payable for the Stock in connection with the Corporate Event, unless otherwise determined by the Committee).

Payments to holders pursuant to paragraph (3) above shall be made in cash or, in the sole discretion of the Committee, and to the extent applicable, in the form of such other consideration necessary for a Participant to receive property, cash, or securities (or a combination thereof) as such Participant would have been entitled to receive upon the occurrence of the transaction if the

Participant had been, immediately prior to such transaction, the holder of the number of shares of Stock covered by the Award at such time (less any applicable exercise or base price). In addition, in connection with any Corporate Event, prior to any payment or adjustment contemplated under this Section 9(b), the Committee may require a Participant to (A) represent and warrant as to the unencumbered title to his or her Awards, (B) bear such Participant's pro-rata share of any post-closing indemnity obligations, and be subject to the same post-closing purchase price adjustments, escrow terms, offset rights, holdback terms, and similar conditions as the other holders of Stock, and (C) deliver customary transfer documentation as reasonably determined by the Committee. The Committee need not take the same action or actions with respect to all Awards or portions thereof or with respect to all Participants. The Committee may take different actions with respect to the vested and unvested portions of an Award.

(c) Fractional Shares. Any adjustment provided under this Section 9 may, in the Committee's discretion, provide for the elimination of any fractional share that might otherwise become subject to an Award. No cash settlements shall be made with respect to fractional shares so eliminated.

(d) Double-Trigger Vesting. Unless otherwise provided for in an Award Agreement, Participant Agreement or other similar agreement, any Award (including any Award that has been assumed, substituted or replaced in accordance with Section 9(b)) held by a Participant who experiences an involuntary Termination as a result of a Change in Control shall immediately vest as of the later of the date of such Termination or the effective date of the applicable Change in Control (with any then-outstanding Award that vests subject to the achievement of performance criteria that remain subject to a performance period that has not expired, deemed earned at such level as determined by the Committee in its sole discretion), subject to the Participant's execution, delivery to the Company, and non-revocation of the general release of claims against the Company, its Affiliates and its current and former employees, officers, and directors (and the expiration of any revocation period contained in such release of claims) in a form reasonably satisfactory to the Company within sixty (60) days following the date of Participant's Termination. For purposes of this Section 9(d), a Participant will be deemed to experience an involuntary Termination as a result of a Change in Control if the Participant experiences a Termination by the Service Recipient other than for Cause or, in the case of a non-employee director of the Company, if the non-employee director's service on the Board terminates in connection with or as a result of a Change in Control, in each case, at any time beginning on the date that is three (3) months prior to the effective date of the Change in Control up to and including the one (1) year anniversary of the effective date of the Change in Control. If a Participant undergoes an involuntary Termination initiated by the Service Recipient other than for Cause and no Change in Control has occurred within the one (1) year period immediately preceding such Termination, notwithstanding anything in this Plan to the contrary, subject to the Participant's continued compliance with any confidentiality, non-compete, non-solicit, invention assignment, or similar agreement or arrangement to which Participant is a party with any member of the Company and its Affiliates, any then-unvested Awards held by the Participant under the Plan shall not expire, terminate, or be forfeited or cancelled, solely by reason of the Termination, until three (3) months have passed from the Participant's involuntary Termination without a Change in Control occurring. Nothing in this Section 9(d) shall be deemed to supersede or otherwise limit the Board's or the Committee's rights under Section (b) in connection with a Change in Control.

10. **Use of Proceeds.**

The proceeds received from the sale of Stock pursuant to the Plan shall be used for general corporate purposes.

11. **Rights and Privileges as a Stockholder.**

Except as otherwise specifically provided in the Plan, no Person shall be entitled to the rights and privileges of Stock ownership in respect of shares of Stock that are subject to Awards hereunder until such shares have been issued to that Person.

12. **Transferability of Awards.**

Awards may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the applicable laws of descent and distribution, and to the extent subject to exercise, Awards may not be exercised during the lifetime of the grantee other than by the grantee. Notwithstanding the foregoing, Awards and a Participant's rights under the Plan shall be transferable for no value to the extent provided in an Award Agreement or otherwise determined at any time by the Committee.

13. **Employment or Service Rights.**

No individual shall have any claim or right to be granted an Award under the Plan or, having been selected for the grant of an Award, to be selected for the grant of any other Award. Neither the Plan nor any action taken hereunder shall be construed as giving any individual any right to be retained in the employ or service of the Company or an Affiliate of the Company.

14. **Compliance with Laws.**

The obligation of the Company to deliver Stock upon issuance, vesting, exercise, or settlement of any Award shall be subject to all applicable laws, rules, and regulations, and to such approvals by governmental agencies as may be required. Notwithstanding any terms or conditions of any Award to the contrary, the Company shall be under no obligation to offer to sell or to sell, and shall be prohibited from offering to sell or selling, any shares of Stock pursuant to an Award unless such shares have been properly registered for sale with the U.S. Securities and Exchange Commission pursuant to the Securities Act (or with a similar non-U.S. regulatory agency pursuant to a similar law or regulation) or unless the Company has received an opinion of counsel, satisfactory to the Company, that such shares may be offered or sold without such registration pursuant to an available exemption therefrom and the terms and conditions of such exemption have been fully complied with. The Company shall be under no obligation to register for sale or resale under the Securities Act any of the shares of Stock to be offered or sold under the Plan or any shares of Stock to be issued upon exercise or settlement of Awards. If the shares of Stock offered for sale or sold under the Plan are offered or sold pursuant to an exemption from registration under the Securities Act, the Company may restrict the transfer of such shares and may legend the Stock certificates representing such shares in such manner as it deems advisable to ensure the availability of any such exemption.

15. **Withholding Obligations.**

As a condition to the issuance, vesting, exercise, or settlement of any Award (or upon the making of an election under Section 83(b) of the Code), the Committee may require that a Participant satisfy, through deduction or withholding from any payment of any kind otherwise due to the Participant, or through such other arrangements as are satisfactory to the Committee, the amount of all federal, state, and local income and other taxes of any kind required or permitted to be withheld in connection with such issuance, vesting, exercise, or settlement (or election). The Committee, in its discretion, may permit shares of Stock to be used to satisfy tax withholding requirements, and such shares shall be valued at their fair market value as of the issuance, vesting, exercise, or settlement date of the Award, as applicable. For such purpose and any other tax reporting or withholding purpose, the fair market value of a share of Stock shall be determined by the Company in accordance with uniform and nondiscriminatory standards adopted by it from time to time consistent with applicable law. Depending on the withholding method, the Company may withhold by considering the applicable minimum statutorily required withholding rates or other applicable withholding rates in the applicable Participant's jurisdiction, including maximum applicable rates that may be utilized without creating adverse accounting treatment under Financial Accounting Standards Board Accounting Standards Codification Topic 718 (or any successor pronouncement thereto) and is permitted under applicable withholding rules promulgated by the Internal Revenue Service or another applicable governmental entity.

16. **Amendment of the Plan or Awards.**

(a) Amendment of Plan. The Board or the Committee may amend the Plan at any time and from time to time.

(b) Amendment of Awards. The Board or the Committee may amend the terms of any one or more Awards or Award Agreements at any time and from time to time.

(c) Stockholder Approval; No Material Impairment. Notwithstanding anything herein to the contrary, no amendment to the Plan or any Award shall be effective without stockholder approval to the extent that such approval is required pursuant to applicable law or the applicable rules of each national securities exchange on which the Stock is listed. Additionally, no amendment to the Plan or any Award shall materially impair a Participant's rights under any Award unless the Participant consents in writing (it being understood that no action taken by the Board or the Committee that is expressly permitted under the Plan, including, without limitation, any actions described in Section 9 hereof, shall constitute an amendment to the Plan or an Award for such purpose). Notwithstanding the foregoing, subject to the limitations of applicable law, if any, and without an affected Participant's consent, the Board or the Committee may amend the terms of the Plan or any one or more Awards from time to time as necessary to bring such Awards into compliance with applicable law, including, without limitation, Section 409A of the Code.

(d) No Repricing of Awards Without Stockholder Approval. Notwithstanding Section 16(a) or 16(b) above, or any other provision of the Plan, the repricing of Awards shall not be permitted without stockholder approval. For this purpose, a "repricing" means any of the following (or any other action that has the same effect as any of the following): (1) changing the terms of an Award to lower its exercise or base price (other than on account of capital adjustments

resulting from share splits, etc., as described in Section 9(a) hereof), (2) any other action that is treated as a repricing under GAAP, and (3) repurchasing for cash or canceling an Award in exchange for another Award at a time when its exercise or base price is greater than the Fair Market Value of the underlying Stock, unless the cancellation and exchange occurs in connection with an event set forth in Section 9(b) hereof.

17. **Termination or Suspension of the Plan.**

The Board or the Committee may suspend or terminate the Plan at any time. Unless sooner terminated or amended, the Plan shall terminate on [_____, 2034]. No Awards may be granted under the Plan while the Plan is suspended or after it is terminated; *provided, however*, that following any suspension or termination of the Plan, the Plan shall remain in effect for the purpose of governing all Awards then outstanding hereunder until such time as all Awards under the Plan have been terminated, forfeited, or otherwise canceled, or earned, exercised, settled, or otherwise paid out, in accordance with their terms.

18. **Effective Date of the Plan.**

The Plan is effective as of the Effective Date, subject to stockholder approval.

19. **Miscellaneous.**

(a) Treatment of Dividends and Dividend Equivalents on Unvested Awards Notwithstanding any other provision of the Plan to the contrary, with respect to any Award that provides for or includes a right to dividends or dividend equivalents, if dividends are declared during the period that an equity Award is outstanding, such dividends (or dividend equivalents) shall either (i) not be paid or credited with respect to such Award or (ii) be accumulated but remain subject to vesting requirement(s) to the same extent as the applicable Award and shall only be paid at the time or times such vesting requirement(s) are satisfied. Except as otherwise determined by the Committee, no interest will accrue or be paid on the amount of any cash dividends withheld. No dividends or dividend equivalents shall be paid on Options.

(b) Certificates. Stock acquired pursuant to Awards granted under the Plan may be evidenced in such a manner as the Committee shall determine. If certificates representing Stock are registered in the name of the Participant, the Committee may require that (1) such certificates bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Stock, (2) the Company retain physical possession of the certificates, and (3) the Participant deliver a stock power to the Company, endorsed in blank, relating to the Stock. Notwithstanding the foregoing, the Committee may determine, in its sole discretion, that the Stock shall be held in book-entry form rather than delivered to the Participant pending the release of any applicable restrictions.

(c) Other Benefits. No Award granted or paid out under the Plan shall be deemed compensation for purposes of computing benefits under any retirement plan of the Company or its Affiliates nor affect any benefits under any other benefit plan now or subsequently in effect under which the availability or amount of benefits is related to the level of compensation.

(d) Corporate Action Constituting Grant of Awards. Corporate action constituting a grant by the Company of an Award to any Participant will be deemed completed as of the date of such corporate action, unless otherwise determined by the Committee, regardless of when the instrument, certificate, or letter evidencing the Award is communicated to, or actually received or accepted by, the Participant. In the event that the corporate records (*e.g.*, Committee consents, resolutions or minutes) documenting the corporate action constituting the grant contain terms (*e.g.*, exercise price, vesting schedule or number of shares of Stock) that are inconsistent with those in the Award Agreement as a result of a clerical error in connection with the preparation of the Award Agreement, the corporate records will control and the Participant will have no legally binding right to the incorrect term in the Award Agreement.

(e) Clawback/Recoupment Policy. Notwithstanding anything contained herein to the contrary, all Awards granted under the Plan shall be and remain subject to any incentive compensation clawback or recoupment policy that was in effect at the date the Award was granted, as applicable, or as is required to be adopted by the Board (or a committee or subcommittee of the Board) under applicable law, the NYSE Listed Company Manual or other applicable stock exchange rules. No such policy adoption or amendment shall in any event require the prior consent of any Participant. No recovery of compensation under such a clawback policy will be an event giving rise to a right to resign for "good reason" or "constructive termination" (or similar term) under any agreement with the Company or any of its Affiliates, and, for the avoidance of doubt, no such recovery of compensation under this Section 19(e) will give rise to an "involuntary Termination" resulting in the entitlements set forth in Section 9(d) hereof. In the event that an Award is subject to more than one such policy, the policy with the most restrictive clawback or recoupment provisions shall govern such Award, subject to applicable law.

(f) Non-Exempt Employees. If an Option is granted to an employee of the Company or any of its Affiliates in the United States who is a non-exempt employee for purposes of the Fair Labor Standards Act of 1938, as amended, the Option will not be first exercisable for any shares of Stock until at least six (6) months following the date of grant of the Option (although the Option may vest prior to such date). Consistent with the provisions of the Worker Economic Opportunity Act, (1) if such employee dies or suffers a Disability, (2) upon a Corporate Event in which such Option is not assumed, continued, or substituted, or (3) upon a Change in Control, the vested portion of any Options held by such employee may be exercised earlier than six (6) months following the date of grant. The foregoing provision is intended to operate so that any income derived by a non-exempt employee in connection with the exercise or vesting of an Option will be exempt from his or her regular rate of pay. To the extent permitted and/or required for compliance with the Worker Economic Opportunity Act to ensure that any income derived by a non-exempt employee in connection with the exercise, vesting or issuance of any shares under any other Award will be exempt from such employee's regular rate of pay, the provisions of this Section 19(f) will apply to all Awards.

(g) Data Privacy. As a condition of receipt of any Award, each Participant explicitly and unambiguously consents to the collection, use, and transfer, in electronic or other form, of personal data as described in this Section 19(g) by and among, as applicable, the Company and its Affiliates for the exclusive purpose of implementing, administering, and managing the Plan and Awards and the Participant's participation in the Plan. In furtherance of such implementation, administration, and management, the Company and its Affiliates may hold certain personal

information about a Participant, including, but not limited to, the Participant's name, home address, telephone number, date of birth, social security or insurance number or other identification number, salary, nationality, job title(s), information regarding any securities of the Company or any of its Affiliates, and details of all Awards (the "Data"). In addition to transferring the Data amongst themselves as necessary for the purpose of implementation, administration, and management of the Plan and Awards and the Participant's participation in the Plan, the Company and its Affiliates may each transfer the Data to any third parties assisting the Company in the implementation, administration, and management of the Plan and Awards and the Participant's participation in the Plan. Recipients of the Data may be located in the Participant's country or elsewhere, and the Participant's country and any given recipient's country may have different data privacy laws and protections. By accepting an Award, each Participant authorizes such recipients to receive, possess, use, retain, and transfer the Data, in electronic or other form, for the purposes of assisting the Company in the implementation, administration, and management of the Plan and Awards and the Participant's participation in the Plan, including any requisite transfer of such Data as may be required to a broker or other third party with whom the Company or the Participant may elect to deposit any shares of Stock. The Data related to a Participant will be held only as long as is necessary to implement, administer, and manage the Plan and Awards and the Participant's participation in the Plan. A Participant may, at any time, view the Data held by the Company with respect to such Participant, request additional information about the storage and processing of the Data with respect to such Participant, recommend any necessary corrections to the Data with respect to the Participant, or refuse or withdraw the consents herein in writing, in any case without cost, by contacting his or her local human resources representative. The Company may cancel the Participant's eligibility to participate in the Plan, and in the Committee's discretion, the Participant may forfeit any outstanding Awards if the Participant refuses or withdraws the consents described herein. For more information on the consequences of refusal to consent or withdrawal of consent, Participants may contact their local human resources representative.

(h) Participants Outside of the United States. The Committee may modify the terms of any Award under the Plan made to or held by a Participant who is then a resident, or is primarily employed or providing services, outside of the United States in any manner deemed by the Committee to be necessary or appropriate in order that such Award shall conform to laws, regulations, and customs of the country in which the Participant is then a resident or primarily employed or providing services, or so that the value and other benefits of the Award to the Participant, as affected by non-U.S. tax laws and other restrictions applicable as a result of the Participant's residence, employment, or providing services abroad, shall be comparable to the value of such Award to a Participant who is a resident, or is primarily employed or providing services, in the United States. An Award may be modified under this Section 19(h) in a manner that is inconsistent with the express terms of the Plan, so long as such modifications will not contravene any applicable law or regulation or result in actual liability under Section 16(b) of the Exchange Act for the Participant whose Award is modified. Additionally, the Committee may adopt such procedures and sub-plans as are necessary or appropriate to permit participation in the Plan by Eligible Persons who are non-U.S. nationals or are primarily employed or providing services outside the United States.

(i) Change in Time Commitment. In the event a Participant's regular level of time commitment in the performance of his or her services for the Company or any of its Affiliates is reduced (for example, and without limitation, if the Participant is an employee of the Company and the employee has a change in status from a full-time employee to a part-time employee) after the date of grant of any Award to the Participant, the Committee has the right in its sole discretion to (i) make a corresponding reduction in the number of shares of Stock subject to any portion of such Award that is scheduled to vest or become payable after the date of such change in time commitment, and (ii) in lieu of or in combination with such a reduction, extend the vesting or payment schedule applicable to such Award. In the event of any such reduction, the Participant will have no right with respect to any portion of the Award that is so reduced or extended.

(j) No Liability of Committee Members. Neither any member of the Committee nor any of the Committee's permitted delegates shall be liable personally by reason of any contract or other instrument executed by such member or on his or her behalf in his or her capacity as a member of the Committee or for any mistake of judgment made in good faith, and the Company shall indemnify and hold harmless each member of the Committee and each other employee, officer, or director of the Company to whom any duty or power relating to the administration or interpretation of the Plan may be allocated or delegated, against all costs and expenses (including counsel fees) and liabilities (including sums paid in settlement of a claim) arising out of any act or omission to act in connection with the Plan, unless arising out of such Person's own fraud or willful misconduct; *provided, however*, that approval of the Board shall be required for the payment of any amount in settlement of a claim against any such Person. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such Persons may be entitled under the Company's certificate or articles of incorporation or by-laws, each as may be amended from time to time, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

(k) Payments Following Accidents or Illness. If the Committee shall find that any Person to whom any amount is payable under the Plan is unable to care for his or her affairs because of illness or accident, or is a minor, or has died, then any payment due to such Person or his or her estate (unless a prior claim therefor has been made by a duly appointed legal representative) may, if the Committee so directs the Company, be paid to his or her spouse, child, relative, an institution maintaining or having custody of such Person, or any other Person deemed by the Committee to be a proper recipient on behalf of such Person otherwise entitled to payment. Any such payment shall be a complete discharge of the liability of the Committee and the Company therefor.

(l) Governing Law. The Plan shall be governed by and construed in accordance with the laws of the State of Delaware without reference to the principles of conflicts of laws thereof.

(m) Electronic Delivery. Any reference herein to a "written" agreement or document or "writing" will include any agreement or document delivered electronically or posted on the Company's intranet (or other shared electronic medium controlled or authorized by the Company to which the Participant has access) to the extent permitted by applicable law.

(n) Arbitration. All disputes and claims of any nature that a Participant (or such Participant's transferee or estate) may have against the Company arising out of or in any way related to the Plan or any Award Agreement shall be submitted to and resolved exclusively by binding arbitration conducted in Orange County, California (or such other location as the parties thereto may agree), in accordance with the applicable rules of the American Arbitration Association then in effect, and the arbitration shall be heard and determined by a panel of three arbitrators in accordance with such rules (except that in the event of any inconsistency between such rules and this Section 19(n), the provisions of this Section 19(n) shall control). The arbitration panel may not modify the arbitration rules specified above without the prior written approval of all parties to the arbitration. Within ten (10) business days after the receipt of a written demand, each party shall designate one arbitrator, each of whom shall have experience involving complex business or legal matters, but shall not have any prior, existing or potential material business relationship with any party to the arbitration. The two arbitrators so designated shall select a third arbitrator, who shall preside over the arbitration, shall be similarly qualified as the two arbitrators and shall have no prior, existing or potential material business relationship with any party to the arbitration; *provided* that if the two arbitrators are unable to agree upon the selection of such third arbitrator, such third arbitrator shall be designated in accordance with the arbitration rules referred to above. The arbitrators will decide the dispute by majority decision, and the decision shall be rendered in writing and shall bear the signatures of the arbitrators and the party or parties who shall be charged therewith, or the allocation of the expenses among the parties in the discretion of the panel. The arbitration decision shall be rendered as soon as possible, but in any event not later than 120 days after the constitution of the arbitration panel. The arbitration decision shall be final and binding upon all parties to the arbitration. The parties hereto agree that judgment upon any award rendered by the arbitration panel may be entered in the United States District Court for the Central District of California or any court sitting in Orange County, California. To the maximum extent permitted by law, the parties hereby irrevocably waive any right of appeal from any judgment rendered upon any such arbitration award in any such court. Notwithstanding the foregoing, any party may seek injunctive relief in any such court.

(o) Statute of Limitations. A Participant or any other person filing a claim for benefits under the Plan must file the claim within one (1) year of the date the Participant or other person knew or should have known of the facts giving rise to the claim. This one-year statute of limitations will apply in any forum where a Participant or any other person may file a claim and, unless the Company waives the time limits set forth above in its sole discretion, any claim not brought within the time periods specified shall be waived and forever barred.

(p) Funding. No provision of the Plan shall require the Company, for the purpose of satisfying any obligations under the Plan, to purchase assets or place any assets in a trust or other entity to which contributions are made or otherwise to segregate any assets, nor shall the Company be required to maintain separate bank accounts, books, records, or other evidence of the existence of a segregated or separately maintained or administered fund for such purposes. Participants shall have no rights under the Plan other than as unsecured general creditors of the Company, except that insofar as they may have become entitled to payment of additional compensation by performance of services, they shall have the same rights as other employees and service providers under general law.

(q) Reliance on Reports. Each member of the Committee and each member of the Board shall be fully justified in relying, acting, or failing to act, and shall not be liable for having so relied, acted, or failed to act in good faith, upon any report made by the independent public accountant of the Company and its Affiliates and upon any other information furnished in connection with the Plan by any Person or Persons other than such member.

(r) Titles and Headings. The titles and headings of the sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

Restricted Stock Unit Agreement ("RSU Agreement")
(Time Vested)

Unless otherwise defined herein, capitalized terms shall have the defined meanings in the Grant Notice to which this RSU Agreement is attached and in the Plan.

Section 1. Grant of Restricted Stock Units. The Company has granted the RSU Award to Participant as described in the Grant Notice and subject to the terms and conditions of the Plan and this Agreement.

Each RSU represents the right to receive one share of Stock at the times and subject to the conditions set forth in this Agreement and the Plan, including Section 9 of the Plan.

Section 2. Vesting. Subject to the provisions of this Agreement and the Plan, this RSU Award shall become vested as set forth in the Grant Notice, provided Participant remains employed with or otherwise continues to render services to the Company or any of its Affiliates through the respective Vesting Date (as set forth in the Grant Notice).

Section 3. Settlement of RSU Award.

(a) Subject to satisfaction of any withholding obligation or right for Tax-Related Items as defined and provided for in Section 8 of this RSU Agreement, any vested portion of the RSU Award shall be settled by the Company in shares of Stock (either in book-entry form or otherwise) as soon as administratively practicable following the applicable Vesting Date stated in the Grant Notice (which for purposes of this Section 3 includes the date of any accelerated vesting under Section 6 or Section 9 of this RSU Agreement, or that may occur at the Committee's discretion under any provision of this RSU Agreement or the Plan), and, in any event, within thirty (30) days following such Vesting Date, subject to Section 19 of this RSU Agreement. Notwithstanding the foregoing, the Company may delay a distribution in settlement of RSUs if it reasonably determines that such distribution will violate applicable law, *provided* that such distribution shall be made at the earliest date at which the Company reasonably determines that the making of such distribution will not cause such violation, as required by Treasury Regulation Section 1.409A-2(b)(7)(ii), if applicable to Participant, and *provided further* that no settlement shall be delayed under this Section 3(a) if such delay will result in a violation of Section 409A of the Code, if applicable to Participant.

(b) Prior to the actual delivery of any shares of Stock, the RSUs will represent an unsecured obligation of the Company, payable only from the general assets of the Company. All distributions shall be made by the Company in the form of whole shares of Stock, and any fractional share of Stock shall be rounded up to the nearest whole share of Stock. Neither Participant nor any person claiming under or through Participant will have any of the rights or privileges of a stockholder of the Company in respect of any shares of Stock deliverable hereunder unless and until certificates representing such shares of Stock (which may be in book-entry form) will have been issued and recorded on the records of the Company or its transfer agents or registrars, and delivered to Participant (including through electronic delivery to a brokerage account). Except as otherwise provided herein, only after such issuance, recordation and delivery, Participant will have all the rights of a stockholder of the Company with respect to such shares of Stock, including, without limitation, the right to receipt of dividends and distributions on such shares of Stock.

Section 4. Nontransferability of RSU Award. This RSU Award may not be assigned, alienated, pledged, attached, sold or otherwise transferred by Participant except by will or by the laws of descent and distribution. The terms of this RSU Award shall be binding on the executors, administrators, heirs and successors of Participant.

Section 5. Compensation Recovery.

(a) *Compensation Recovery Policy*. Notwithstanding any provision of this Agreement to the contrary, including without limitation Sections 2, 3 and 6 of this RSU Agreement, any RSUs granted to Participant hereunder, together with any compensation associated therewith, shall be subject to Section 19(e) of the Plan and all of the terms and conditions set forth in the Ingram Micro Inc. Compensation Recovery Policy, the Company's Policy for the Recovery of Erroneously Awarded Compensation or any other clawback policy implemented by the Company, as in effect from time to time, including, without limitation, any clawback policy adopted to comply with applicable law. Participant may contact the Company's Compensation Department for a full copy of the Compensation Recovery Policy.

(b) *Additional Recovery Right.* Furthermore, the Company reserves the right to determine whether Participant may have forfeited any unvested portion of this RSU Award or recover any portion of this RSU Award already released to Participant, to the extent permitted by applicable laws, in the event that Participant engages in conduct that is detrimental to the Company or any of its Affiliates, which includes: (i) Participant's engagement in conduct that constitutes Cause for Participant's Termination; (ii) Participant's engagement in fraudulent, intentional, willful, or grossly negligent misconduct, whether by commission or omission; or (iii) Participant's post-employment conduct breaches any obligations owed to the Company or any of its Affiliates (including, but not limited to, misappropriation of trade secrets, non-disparagement or confidentiality). The Company's right to determine whether Participant may have forfeited any unvested portion of this RSU Award or to recover any portion of this RSU Award already released to Participant shall not extend to conduct that occurred before the three (3) year period preceding the date on which the Company determines that such event has occurred.

Section 6. Termination of Employment or Service. The following provisions shall apply in the event of Participant's Termination, unless the Committee provides otherwise.

(a) *Termination for any reason other than death or Disability*. If Participant's Termination is for any reason other than death or Disability (whether or not such Termination is later to be found invalid and whether or not it is in breach of applicable laws in the jurisdiction where Participant is employed or otherwise providing services or the terms of Participant's employment or other service agreement, if any), all then-unvested RSUs shall immediately be cancelled (forfeited) on the Termination Date (as defined in Section 6(c) below) and Participant shall not be entitled to receive any payment thereunder, subject to Section 9(d) of the Plan.

(b) *Disability or Death*. If Participant's Termination is by reason of Disability or death, all then-unvested RSUs will immediately vest as of the Termination Date (as defined in Section 6(c) below) or the date of Participant's death and be settled in accordance with Section 3 of this RSU Agreement.

(c) *Termination Date*. For purposes of the RSU Award, the date of Termination shall be deemed to occur on the date such Participant ceases to be actively employed by or otherwise perform services for the Service Recipient (the "**Termination Date**") without regard to whether Participant continues to receive any compensatory payments from the Service Recipient or is paid salary by the Service Recipient in lieu of notice of Termination. The Termination Date will not be extended by any notice period (*e.g.*, active employment or service would not include any contractual notice period or any period of "garden leave" or similar period mandated under applicable laws in the jurisdiction where Participant is employed or otherwise providing services or the terms of Participant's employment or other service agreement, if any). The Company shall have the exclusive discretion to determine the Termination Date for purposes of the RSU Award (including whether Participant may still be considered to be providing services while on a leave of absence).

Section 7. Restrictions on Settlement. Participant understands and agrees that the Company shall not be obligated to issue any shares of Stock in settlement of the RSU Award prior to the fulfillment of all of the following conditions:

(a) The obtaining of any approval or other clearance from any U.S. ornon-U.S. federal, state, or local governmental agency which the Committee, in its absolute discretion, shall determine to be necessary or advisable;

(b) The satisfaction of any withholding obligation or right for Tax-Related Items (as defined and provided for in Section 8 of this RSU Agreement); and

(c) The lapse of such reasonable period of time following the vesting of the RSUs as the Committee may from time to time establish for reasons of administrative convenience but in any event within 30 days of each Vesting Date, as applicable.

Participant understands that the Company is under no obligation to register or qualify the shares of Stock with the U.S. Securities and Exchange Commission or any U.S. state or non-U.S. securities commission or to seek approval or clearance from any governmental authority for the issuance or sale of the shares of Stock. Further, Participant agrees that the Company shall have unilateral authority to amend the Agreement without Participant's consent to the extent necessary to comply with any laws applicable to the RSU Award.

Section 8. Responsibility for Taxes. Participant acknowledges that, regardless of any action taken by the Company or, if different, the Service Recipient, the ultimate liability for all income tax, social insurance, payroll tax, fringe benefits tax, payment on account or other tax-related items related to the RSU Award and legally applicable or deemed legally applicable to Participant ("**Tax-Related Items**") is and remains Participant's responsibility and may exceed the amount, if any, actually withheld by the Company or the Service Recipient. Participant further acknowledges that the Company (1) makes no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the RSU Award, including, but not limited to, the grant or vesting of the RSUs and the issuance of shares of Stock upon settlement of the RSUs; and (2) does not commit to and is under no obligation to structure the terms of the grant or any aspect of the RSU Award to reduce or eliminate Participant's liability for Tax-Related Items or achieve any particular tax result. Further, if Participant is subject to Tax-Related Items in more than one jurisdiction, Participant acknowledges that the Service Recipient (or former Service Recipient, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

In connection with any relevant taxable or tax withholding event, as applicable, Participant agrees to make adequate arrangements satisfactory to the Company and the Service Recipient to satisfy any applicable withholding obligations or rights for Tax-Related Items. In this regard, Participant authorizes the Company and the Service Recipient, or their agents, pursuant to such procedures as they may specify from time to time, to satisfy any withholding obligations or rights with regard to all Tax-Related Items by withholding shares of Stock otherwise issuable upon vesting of the RSUs. For tax purposes, Participant will be deemed to have been issued the full number of shares of Stock subject to the vested RSUs, notwithstanding that a number of the shares of Stock is held back solely for the purpose of paying the Tax-Related Items.

In the event that the Committee determines in its discretion not to withhold shares of Stock pursuant to the immediately preceding paragraph to satisfy any applicable withholding obligations or rights for Tax-Related Items, Participant authorizes the Company and the Service Recipient, or their agents, to satisfy any withholding obligations or rights with regard to all Tax-Related Items by: (a) requiring Participant to make a payment in cash or by check; (b) withholding from Participant's wages, salary or other compensation payable to Participant; (c) withholding from proceeds of the sale of shares of Stock acquired upon settlement of the RSUs either through a voluntary sale or through a mandatory sale arranged by the Company (on Participant's behalf pursuant to this authorization without further consent) (including pursuant to a previously established written trading plan that meets the requirements of Rule 10b5-1 under the Exchange Act and was entered into in compliance with the Company's policies); or (d) any combination of the foregoing; *provided* that, to the extent necessary to qualify for an exemption from application of Section 16(b) of the Exchange Act, if applicable, such withholding procedure will be subject to the express prior approval of the Committee.

The Company may withhold or account for Tax-Related Items by considering statutory withholding amounts or other withholding rates, including up to the maximum rates applicable in Participant's jurisdiction(s). In the event of over-withholding, Participant may receive a refund of any over-withheld amount in cash (with no entitlement to the equivalent in Stock), or, if not refunded, Participant may be able to seek a refund from the local tax authorities. In the event of under-withholding, Participant may be required to pay additional Tax-Related Items directly to the applicable tax authority or to the Company or the Service Recipient.

The Company may refuse to issue or deliver the shares of Stock or the proceeds of the sale of shares of Stock if Participant fails to comply with their obligations in connection with the Tax-Related Items.

Section 9. Recapitalization, Change in Control and Corporate Events.

(a) Participant acknowledges that the RSU Award and the shares of Stock subject to the RSU Award are subject to adjustment, modification and termination in certain events as provided in Section 9 of the Plan.

(b) In connection with a Change in Control, merger or other corporate transaction, in the event the RSU Award is not assumed or substituted with an equivalent award by the successor, the RSU Award shall become fully vested, and all forfeiture restrictions on the RSU Award shall lapse, immediately prior to the date of the closing of the transaction.

Section 10. Nature of the Award. By accepting this RSU Award, Participant acknowledges, understands and agrees that:

(a) the RSU Award is granted voluntarily by the Company, it is discretionary in nature and it may be modified, amended, suspended, or terminated by the Company at any time;

(b) the grant of the RSU Award is exceptional, voluntary and occasional and does not create any contractual or other right to receive future grants of RSUs, or benefits in lieu of RSUs, even if RSUs have been granted in the past;

(c) all decisions with respect to future RSU awards or other grants, if any, will be at the sole discretion of the Company;

(d) the RSU Award shall not interfere with the ability of the Service Recipient to terminate Participant's employment or other service relationship (if any) at any time;

(e) participation in the Plan is voluntary;

(f) the RSU Award, and the shares of Stock subject to the RSU Award, and the income from and value of same, are not part of normal or expected compensation or salary for any purposes, including but not limited to, of calculating any severance, resignation, termination, redundancy, dismissal, end of service payments, bonuses, holiday pay, long-service awards, pension, welfare or retirement benefits or similar payments;

(g) the RSU Award and Participant's participation in the Plan will not be interpreted to form an employment or other service contract or relationship with the Company;

(h) no claim or entitlement to compensation or damages shall arise from forfeiture of the RSUs resulting from Participant's Termination (for any reason whatsoever and whether or not later to be found invalid and whether or not in breach of applicable laws in the jurisdiction where Participant is employed or otherwise providing services or the terms of Participant's employment or other service agreement, if any);

(i) the vesting of any RSUs ceases upon the Termination Date, or other cessation of eligibility to vest for any reason, except as may otherwise be explicitly provided in this Agreement or the Plan;

(j) unless otherwise specifically provided for in this Agreement and the Plan or provided by the Company in its discretion, the RSUs and the benefits evidenced by this Agreement do not create any entitlement to have the RSUs or any such benefits transferred to, or assumed by, another company nor to be exchanged, cashed out or substituted, in connection with any corporate transaction;

(k) if Participant is outside the United States, neither the Service Recipient nor any other Affiliate shall be liable for any foreign exchange rate fluctuation between Participant's local currency and the United States Dollar that may affect the value of the RSU Award or of any amounts due to Participant pursuant to the vesting or settlement of the RSU Award;

(l) this Agreement is between Participant and the Company, and the Service Recipient (if different from the Company) is not a party to this Agreement;

(m) unless otherwise agreed with the Company, the RSU Award and the shares of Stock subject to the RSU Award, and the income from and value of same, are not granted as consideration for, or in connection with, the service that Participant may provide as a director of any Affiliate; and

(n) Participant will provide the Company with any data requested if Participant is a mobile employee to facilitate the proper withholding and reporting of Tax-Related Items.

Section 11. No Advice Regarding Grant. The Company is not providing any tax, legal or financial advice, nor is the Company making any recommendations regarding the RSU Award. Participant should consult with their personal tax, legal and financial advisors regarding the RSU Award before taking any action related to the RSU Award.

Section 12. Data Privacy.

(a) Data Collection and Usage. The Company and, if different, the Service Recipient collect, process and use certain personal information about Participant, including, but not limited to, Participant's name, home address and telephone number, email address, date of birth, social insurance, passport or other identification number (e.g., resident registration number), salary, nationality, job title, any shares of Stock or directorships held in the Company, details of all awards for shares of Stock or equivalent benefits granted, canceled, exercised, purchased, vested, unvested or outstanding in Participant's favor ("Data"), for the purposes of implementing, administering and managing Participant's participation in the Plan. The legal basis, where required, for the processing of Data is legitimate interest or Participant's consent.

(b) Stock Plan Administration Service Providers. The Company will transfer Data to E*TRADE Financial Services, Inc. or Morgan Stanley Smith Barney, which are assisting the Company with the implementation, administration and management of the Plan (the "Designated Broker"). The Company may select different or additional service providers in the future and share Data with such other provider(s) serving in a similar manner. Participant may be asked to agree on separate terms and data processing practices with the Designated Broker, with such agreement being a condition to the ability to participate in the Plan.

(c) International Data Transfers. The Data shall be shared with the Company and the Designated Broker as this is necessary for the purposes of implementing, administering and managing Participant's participation in the Plan. The Company and the Designated Broker are based in the United States. Participant's country or jurisdiction may have different data privacy laws and protections than the United States. The Company's legal basis, where required, for the transfer of Data is legitimate interest or Participant's consent.

(d) Data Retention. The Company and the Service Recipient will hold and use Data only as long as is necessary to implement, administer and manage Participant's participation in the Plan, or as required to comply with legal or regulatory obligations, including under tax, exchange control, labor and securities laws. This period may extend beyond Participant's period of employment or other service. When the Company or the Service Recipient no longer need Data for any of the above purposes, they will cease processing it in this context and remove it from all of their systems used for such purposes, to the fullest extent possible.

(e) Voluntariness and Consequences of Consent Denial or Withdrawal. Participation in the Plan is voluntary, and Participant is providing the consents herein on a purely voluntary basis. If Participant does not consent, or if Participant later seeks to revoke consent, Participant's salary from or employment or other service with the Service Recipient will not be affected; the only consequence of refusing or withdrawing consent is that the Company would not be able to grant the RSU Award or other equity awards to Participant or administer or maintain such awards.

(f) Data Subject Rights. Participant may have a number of rights under data privacy laws in Participant's jurisdiction. Depending on where Participant is based, such rights may include the right to (i) request access or copies of Data the Company processes, (ii) rectification of incorrect Data, (iii) deletion of Data, (iv) restrictions on processing of Data, (v) portability of Data, (vi) lodge complaints with competent authorities in Participant's jurisdiction, and/or (vii) receive a list with the names and addresses of any potential recipients of Data. To receive clarification regarding these rights or to exercise these rights, Participant can contact the Company's Privacy Office via email to privacy@ingrammicro.com.

Section 13. Entire Agreement. This Agreement and the Plan constitute the entire agreement of the parties with respect to the subject matter hereof and supersede in their entirety all prior undertakings and agreements between Participant and the Company with respect to the subject matter hereof.

Section 14. Governing Law. The grant of this RSU Award and this Agreement shall be governed by and construed according to the laws of the State of Delaware, U.S.A., without regard to its principles of conflicts of laws. Any disputes and claims of any nature that Participant (or such Participant's transferee or estate) may have against the Company relating to the RSU Award or arising therefrom, must be submitted to and resolved exclusively by binding arbitration as provided in Section 19(n) of the Plan.

Section 15. Binding Agreement; Interpretation. By accepting the grant of this RSU Award evidenced hereby, Participant and the Company agree that this RSU Award is granted under and governed by the terms and conditions of this Agreement and the Plan. Participant has reviewed this Agreement and the Plan in their entirety, has had an opportunity to obtain the advice of counsel prior to accepting the RSU Award and fully understands all provisions of this Agreement and the Plan. Participant agrees to accept as binding, conclusive and final all decisions or interpretations of the Committee upon any questions relating to this Agreement and the Plan. In the event of any inconsistency between the Plan and this Agreement, the terms of the Plan shall control; *provided* that, in the event of a conflict between the terms of the Plan and the Additional Terms (if applicable to Participant), the terms of the Additional Terms that are applicable to Participant shall control.

Section 16. Language. Participant acknowledges that Participant may be executing part or all of the Agreement in English and agrees to be bound accordingly. Participant acknowledges that Participant is sufficiently proficient in English, or has consulted with an advisor who is sufficiently proficient in English, so as to allow Participant to understand the terms and conditions of this Agreement. If Participant has received this or any other document related to the RSU Award translated into a language other than English and if the meaning of the translated version is different than the English version, the English version will control, unless otherwise required by applicable law.

Section 17. Electronic Delivery and Acceptance. The Company may, in its sole discretion, decide to deliver any documents related to current or future RSUs by electronic means. Participant hereby consents to receive such documents by electronic delivery and agrees to accept the RSU Award through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

Section 18. Severability. The provisions of this Agreement are severable and if any one or more provisions are determined to be illegal or otherwise unenforceable, in whole or in part, the remaining provisions shall nevertheless be binding and enforceable.

Section 19. Code Section 409A. To the extent applicable, this Agreement shall incorporate the terms and conditions required by Section 409A of the Code and be interpreted in accordance with Section 409A of the Code and Treasury Regulations and other interpretive guidance issued thereunder. Notwithstanding any provision of this Agreement to the contrary, in the event that following the date of grant, the Committee determines that it may be necessary or appropriate to do so, the Committee may adopt such amendments to this Agreement or adopt other policies and procedures (including amendments, policies and procedures with retroactive effect), or take any other actions, that the Committee determines are necessary or appropriate to (a) exempt the RSU Award from Section 409A of the Code and/or preserve the intended tax treatment of the benefits provided with respect to the RSU Award, or (b)

comply with the requirements of Section 409A of the Code and related Treasury Regulations and other interpretive guidance issued thereunder and thereby avoid the application of penalty taxes under Section 409A of the Code. This Section 19 does not create an obligation on the part of the Company to modify the terms of this Agreement and does not guarantee that the RSU Award will not be subject to taxes, interest, and penalties or any other adverse tax consequences under Section 409A of the Code. Nothing in this Agreement shall provide a basis for any person to take action against the Company or any of its Affiliates based on matters covered by Section 409A of the Code, including the tax treatment of any amounts paid under this Agreement, and neither the Company nor any of its Affiliates will have any liability under any circumstances to Participant or any other party if the RSUs that are intended to be exempt from, or compliant with, Section 409A of the Code, are not so exempt or compliant or for any action taken by the Committee with respect thereto. Notwithstanding any provision of this Agreement to the contrary and to the extent necessary to avoid the imposition of taxes under Section 409A of the Code, if Participant is a "specified employee" within the meaning of Section 409A of the Code as of the date of Participant's separation from service, the RSU Award shall be settled on the first business day after the date that is six months following Participant's separation from service or, if earlier, the date of such Participant's death.

Section 20. Imposition of Other Requirements. The Company reserves the right to impose other requirements on the RSU Award to the extent the Company determines it is necessary or advisable for legal or administrative reasons, and to require Participant to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.

Section 21. Waiver. Participant acknowledges that a waiver by the Company of breach of any provision of this Agreement shall not operate or be construed as a waiver of any other provision of this Agreement, or of any subsequent breach by Participant or any other Participant.

Section 22. Country-Specific Provisions. The grant of the RSU Award shall be subject to any additional terms and conditions set forth in the Additional Terms, if any, for Participant's country. Moreover, if Participant relocates to another country included in the Additional Terms, the additional terms and conditions for such country will apply to Participant, to the extent the Company determines that the application of such terms and conditions is necessary or advisable for legal or administrative reasons.

Section 23. Foreign Asset/Account and Exchange Control and Tax Reporting Participant acknowledges that, depending on Participant's country, Participant may be subject to foreign asset/account, exchange control and/or tax reporting requirements as a result of the acquisition, holding and/or transfer of shares of Stock or cash derived from the RSU Award, in, to and/or from a brokerage/bank account or legal entity located outside Participant's country. The applicable laws of Participant's country may require that Participant report such accounts, assets, the balances therein, the value thereof and/or the transactions related thereto to the applicable authorities in such country. Participant also may be required to repatriate proceeds received as a result of the RSU Award to their country through a designated bank or broker and/or within a certain time after receipt. Participant acknowledges that Participant is responsible for ensuring compliance with any applicable foreign asset/account, exchange control and tax reporting requirements and should consult Participant's personal legal advisor on these matters.

Section 24. Limitations Applicable to Section 16 Persons. Notwithstanding any other provision of the Plan or this Agreement, if Participant is subject to Section 16 of the Exchange Act, this Agreement shall be subject to any additional limitations set forth in any applicable exemptive rule under Section 16 of the Exchange Act (including any amendment to Rule 16b-3 of the Exchange Act) that are requirements for the application of such exemptive rule. To the extent permitted by applicable law, this Agreement shall be deemed amended to the extent necessary to conform to such applicable exemptive rule.

Restricted Stock Unit Agreement ("RSU Agreement")
(Time Vested)

Unless otherwise defined herein, capitalized terms shall have the defined meanings in the Grant Notice to which this RSU Agreement is attached and in the Plan.

Section 1. Grant of Restricted Stock Units. The Company has granted the RSU Award to Participant as described in the Grant Notice and subject to the terms and conditions of the Plan and this Agreement.

Each RSU represents the right to receive one share of Stock at the times and subject to the conditions set forth in this Agreement and the Plan, including Section 9 of the Plan.

Section 2. Vesting. Subject to the provisions of this Agreement and the Plan, this RSU Award shall become vested as set forth in the Grant Notice, provided Participant remains employed with or otherwise continues to render services to the Company or any of its Affiliates through the respective Vesting Date (as set forth in the Grant Notice), except as provided in the Grant Notice.

Section 3. Settlement of RSU Award.

(a) Subject to satisfaction of any withholding obligation or right for Tax-Related Items as defined and provided for in Section 8 of this RSU Agreement, any vested portion of the RSU Award shall be settled by the Company in shares of Stock (either in book-entry form or otherwise) as soon as administratively practicable following the applicable Vesting Date stated in the Grant Notice (which for purposes of this Section 3 includes the date of any accelerated vesting under the Grant Notice, under Section 6 of this RSU Agreement, or that may occur at the Committee's discretion under any provision of this RSU Agreement or the Plan), and, in any event, within thirty (30) days following such Vesting Date, subject to Section 19 of this RSU Agreement. Notwithstanding the foregoing, the Company may delay a distribution in settlement of RSUs if it reasonably determines that such distribution will violate applicable law, *provided* that such distribution shall be made at the earliest date at which the Company reasonably determines that the making of such distribution will not cause such violation, as required by Treasury Regulation Section 1.409A-2(b)(7)(ii), if applicable to Participant, and *provided further* that no settlement shall be delayed under this Section 3(a) if such delay will result in a violation of Section 409A of the Code, if applicable to Participant.

(b) Prior to the actual delivery of any shares of Stock, the RSUs will represent an unsecured obligation of the Company, payable only from the general assets of the Company. All distributions shall be made by the Company in the form of whole shares of Stock, and any fractional share of Stock shall be rounded up to the nearest whole share of Stock. Neither Participant nor any person claiming under or through Participant will have any of the rights or privileges of a stockholder of the Company in respect of any shares of Stock deliverable hereunder unless and until certificates representing such shares of Stock (which may be in book-entry form) will have been issued and recorded on the records of the Company or its transfer agents or registrars, and delivered to Participant (including through electronic delivery to a brokerage account). Except as otherwise provided herein, only after such issuance, recordation and delivery, Participant will have all the rights of a stockholder of the Company with respect to such shares of Stock, including, without limitation, the right to receipt of dividends and distributions on such shares of Stock.

(c) To the extent permitted by applicable law, during the period of Participant's employment by the

Service Recipient and ending on the one (1) year anniversary of the Termination Date, Participant shall not engage in competition with the Company or its Affiliates. Notwithstanding anything in the Grant Notice to the contrary, if Participant violates such prohibition on engaging in competition with the Company or its Affiliates or violates any agreement with the Company or any of its Affiliates regarding the assignment of rights to the Company or its Affiliates or the confidentiality of the information of the Company or its Affiliates, in each case, as determined by the Committee in its sole discretion, the RSUs granted to Participant, whether or not fully vested, will be forfeited and the Company will have no further obligation hereunder to such Participant. For the avoidance of doubt, any Participant who is a California employee shall not be subject to the prohibition on engaging in competition with the Company or its Affiliates following the Termination Date and shall not forfeit any fully vested RSUs by virtue of engaging in competition with the Company or its Affiliates following the Termination Date.

Section 4. Nontransferability of RSU Award. This RSU Award may not be assigned, alienated, pledged, attached, sold or otherwise transferred by Participant except by will or by the laws of descent and distribution. The terms of this RSU Award shall be binding on the executors, administrators, heirs and successors of Participant.

Section 5. Compensation Recovery.

(a) *Compensation Recovery Policy.* Notwithstanding any provision of this Agreement to the contrary, including without limitation Sections 2, 3 and 6 of this RSU Agreement, any RSUs granted to Participant hereunder, together with any compensation associated therewith, shall be subject to Section 19(e) of the Plan and all of the terms and conditions set forth in the Ingram Micro Inc. Compensation Recovery Policy, the Company's Policy for the Recovery of Erroneously Awarded Compensation or any other clawback policy implemented by the Company, as in effect from time to time, including, without limitation, any clawback policy adopted to comply with applicable law. Participant may contact the Company's Compensation Department for a full copy of the Compensation Recovery Policy.

(b) *Additional Recovery Right.* Furthermore, the Company reserves the right to determine whether Participant may have forfeited any unvested portion of this RSU Award or recover any portion of this RSU Award already released to Participant, to the extent permitted by applicable laws, in the event that Participant engages in conduct that is detrimental to the Company or any of its Affiliates, which includes: (i) Participant's engagement in conduct that constitutes Cause for Participant's Termination; (ii) Participant's engagement in fraudulent, intentional, willful, or grossly negligent misconduct, whether by commission or omission; or (iii) Participant's post-employment conduct breaches any obligations owed to the Company or any of its Affiliates (including, but not limited to, misappropriation of trade secrets, non-disparagement, confidentiality, non-solicit, non-compete (except in California or where otherwise prohibited by law), or any obligation set forth in Section 3(c)). The Company's right to determine whether Participant may have forfeited any unvested portion of this RSU Award or to recover any portion of this RSU Award already released to Participant shall not extend to conduct that occurred before the three (3) year period preceding the date on which the Company determines that such event has occurred.

Section 6. Termination of Employment or Service. The following provisions shall apply in the event of Participant's Termination, except as set forth otherwise in the Grant Notice or unless the Committee provides otherwise.

(a) *Termination for any reason other than death or Disability.* If Participant's Termination is for any reason other than death or Disability (whether or not such Termination is later to be found invalid and whether or not it is in breach of applicable laws in the jurisdiction where Participant is employed or otherwise providing services or the terms of Participant's employment or other service agreement, if any), all then-unvested RSUs shall immediately be cancelled (forfeited) on the Termination Date (as defined in Section 6(c) below) and Participant shall not be entitled to receive any payment thereunder, subject to Section 9(d) of the Plan.

(b) *Disability or Death*. If Participant's Termination is by reason of Disability or death, all then-unvested RSUs will immediately vest as of the Termination Date (as defined in Section 6(c) below) or the date of Participant's death and be settled in accordance with Section 3 of this RSU Agreement.

(c) *Termination Date.* For purposes of the RSU Award, the date of Termination shall be deemed to occur on the date such Participant ceases to be actively employed by or otherwise perform services for the Service

Recipient (the "**Termination Date**") without regard to whether Participant continues to receive any compensatory payments from the Service Recipient or is paid salary by the Service Recipient in lieu of notice of Termination. The Termination Date will not be extended by any notice period (*e.g.*, active employment or service would not include any contractual notice period or any period of "garden leave" or similar period mandated under applicable laws in the jurisdiction where Participant is employed or otherwise providing services or the terms of Participant's employment or other service agreement, if any). The Company shall have the exclusive discretion to determine the Termination Date for purposes of the RSU Award (including whether Participant may still be considered to be providing services while on a leave of absence).

Section 7. Restrictions on Settlement. Participant understands and agrees that the Company shall not be obligated to issue any shares of Stock in settlement of the RSU Award prior to the fulfillment of all of the following conditions:

(a) The obtaining of any approval or other clearance from any U.S. ornon-U.S. federal, state, or local governmental agency which the Committee, in its absolute discretion, shall determine to be necessary or advisable;

(b) The satisfaction of any withholding obligation or right for Tax-Related Items (as defined and provided for in Section 8 of this RSU Agreement); and

(c) The lapse of such reasonable period of time following the vesting of the RSUs as the Committee may from time to time establish for reasons of administrative convenience but in any event within 30 days of each Vesting Date, as applicable.

Participant understands that the Company is under no obligation to register or qualify the shares of Stock with the U.S. Securities and Exchange Commission or any U.S. state or non-U.S. securities commission or to seek approval or clearance from any governmental authority for the issuance or sale of the shares of Stock. Further, Participant agrees that the Company shall have unilateral authority to amend the Agreement without Participant's consent to the extent necessary to comply with any laws applicable to the RSU Award.

Section 8. Responsibility for Taxes. Participant acknowledges that, regardless of any action taken by the Company or, if different, the Service Recipient, the ultimate liability for all income tax, social insurance, payroll tax, fringe benefits tax, payment on account or other tax-related items related to the RSU Award and legally applicable or deemed legally applicable to Participant ("**Tax-Related Items**") is and remains Participant's responsibility and may exceed the amount, if any, actually withheld by the Company or the Service Recipient. Participant further acknowledges that the Company (1) makes no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the RSU Award, including, but not limited to, the grant or vesting of the RSUs and the issuance of shares of Stock upon settlement of the RSUs; and (2) does not commit to and is under no obligation to structure the terms of the grant or any aspect of the RSU Award to reduce or eliminate Participant's liability for Tax-Related Items or achieve any particular tax result. Further, if Participant is subject to Tax-Related Items in more than one jurisdiction, Participant acknowledges that the Service Recipient (or former Service Recipient, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

In connection with any relevant taxable or tax withholding event, as applicable, Participant agrees to make adequate arrangements satisfactory to the Company and the Service Recipient to satisfy any applicable withholding obligations or rights for Tax-Related Items. In this regard, Participant authorizes the Company and the Service Recipient, or their agents, pursuant to such procedures as they may specify from time to time, to satisfy any withholding obligations or rights with regard to all Tax-Related Items by withholding shares of Stock otherwise issuable upon vesting of the RSUs. For tax purposes, Participant will be deemed to have been issued the full number of shares of Stock subject to the vested RSUs, notwithstanding that a number of the shares of Stock is held back solely for the purpose of paying the Tax-Related Items.

In the event that the Committee determines in its discretion not to withhold shares of Stock pursuant to the immediately preceding paragraph to satisfy any applicable withholding obligations or rights for Tax-Related Items, Participant authorizes the Company and the Service Recipient, or their agents, to satisfy any withholding obligations or rights with regard to all Tax-Related Items by: (a) requiring Participant to make a payment in cash or by check; (b) withholding from Participant's wages, salary or other compensation payable to Participant; (c) withholding from

proceeds of the sale of shares of Stock acquired upon settlement of the RSUs either through a voluntary sale or through a mandatory sale arranged by the Company (on Participant's behalf pursuant to this authorization without further consent) (including pursuant to a previously established written trading plan that meets the requirements of Rule 10b5-1 under the Exchange Act and was entered into in compliance with the Company's policies); or (d) any combination of the foregoing; *provided* that, to the extent necessary to qualify for an exemption from application of Section 16(b) of the Exchange Act, if applicable, such withholding procedure will be subject to the express prior approval of the Committee.

The Company may withhold or account forTax-Related Items by considering statutory withholding amounts or other withholding rates, including up to the maximum rates applicable in Participant's jurisdiction(s). In the event of over-withholding, Participant may receive a refund of any over-withheld amount in cash (with no entitlement to the equivalent in Stock), or, if not refunded, Participant may be able to seek a refund from the local tax authorities. In the event of under-withholding, Participant may be required to pay additional Tax-Related Items directly to the applicable tax authority or to the Company or the Service Recipient.

The Company may refuse to issue or deliver the shares of Stock or the proceeds of the sale of shares of Stock if Participant fails to comply with their obligations in connection with the Tax-Related Items.

Section 9. Recapitalization, Change in Control and Corporate Events. Participant acknowledges that the RSU Award and the shares of Stock subject to the RSU Award are subject to adjustment, modification and termination in certain events as provided in Section 9 of the Plan.

Section 10. Nature of the Award. By accepting this RSU Award, Participant acknowledges, understands and agrees that:

(a) the RSU Award is granted voluntarily by the Company, it is discretionary in nature and it may be modified, amended, suspended, or terminated by the Company at any time;

(b) the grant of the RSU Award is exceptional, voluntary and occasional and does not create any contractual or other right to receive future grants of RSUs, or benefits in lieu of RSUs, even if RSUs have been granted in the past;

(c) all decisions with respect to future RSU awards or other grants, if any, will be at the sole discretion of the Company;

(d) the RSU Award shall not interfere with the ability of the Service Recipient to terminate Participant's employment or other service relationship (if any) at any time;

(e) participation in the Plan is voluntary;

(f) the RSU Award, and the shares of Stock subject to the RSU Award, and the income from and value of same, are not part of normal or expected compensation or salary for any purposes, including but not limited to, of calculating any severance, resignation, termination, redundancy, dismissal, end of service payments, bonuses, holiday pay, long-service awards, pension, welfare or retirement benefits or similar payments;

(g) the RSU Award and Participant's participation in the Plan will not be interpreted to form an employment or other service contract or relationship with the Company;

(h) no claim or entitlement to compensation or damages shall arise from forfeiture of the RSUs resulting from Participant's Termination (for any reason whatsoever and whether or not later to be found invalid and whether or not in breach of applicable laws in the jurisdiction where Participant is employed or otherwise providing services or the terms of Participant's employment or other service agreement, if any);

(i) the vesting of any RSUs ceases upon the Termination Date, or other cessation of eligibility to vest for any reason, except as may otherwise be explicitly provided in this Agreement or the Plan;

(j) unless otherwise specifically provided for in this Agreement and the Plan or provided by the Company in its discretion, the RSUs and the benefits evidenced by this Agreement do not create any entitlement to have the RSUs or any such benefits transferred to, or assumed by, another company nor to be exchanged, cashed out or substituted, in connection with any corporate transaction;

(k) if Participant is outside the United States, neither the Service Recipient nor any other Affiliate shall be liable for any foreign exchange rate fluctuation between Participant's local currency and the United States Dollar that may affect the value of the RSU Award or of any amounts due to Participant pursuant to the vesting or settlement of the RSU Award;

(l) this Agreement is between Participant and the Company, and the Service Recipient (if different from the Company) is not a party to this Agreement;

(m) unless otherwise agreed with the Company, the RSU Award and the shares of Stock subject to the RSU Award, and the income from and value of same, are not granted as consideration for, or in connection with, the service that Participant may provide as a director of any Affiliate; and

(n) Participant will provide the Company with any data requested if Participant is a mobile employee to facilitate the proper withholding and reporting of Tax-Related Items.

Section 11. No Advice Regarding Grant. The Company is not providing any tax, legal or financial advice, nor is the Company making any recommendations regarding the RSU Award. Participant should consult with their personal tax, legal and financial advisors regarding the RSU Award before taking any action related to the RSU Award.

Section 12. Data Privacy.

(a) Data Collection and Usage. The Company and, if different, the Service Recipient collect, process and use certain personal information about Participant, including, but not limited to, Participant's name, home address and telephone number, email address, date of birth, social insurance, passport or other identification number (e.g., resident registration number), salary, nationality, job title, any shares of Stock or directorships held in the Company, details of all awards for shares of Stock or equivalent benefits granted, canceled, exercised, purchased, vested, unvested or outstanding in Participant's favor ("Data"), for the purposes of implementing, administering and managing Participant's participation in the Plan. The legal basis, where required, for the processing of Data is legitimate interest or Participant's consent.

(b) Stock Plan Administration Service Providers. The Company will transfer Data to E*TRADE Financial Services, Inc. or Morgan Stanley Smith Barney, which are assisting the Company with the implementation, administration and management of the Plan (the "Designated Broker"). The Company may select different or additional service providers in the future and share Data with such other provider(s) serving in a similar manner. Participant may be asked to agree on separate terms and data processing practices with the Designated Broker, with such agreement being a condition to the ability to participate in the Plan.

(c) International Data Transfers. The Data shall be shared with the Company and the Designated Broker as this is necessary for the purposes of implementing, administering and managing Participant's participation in the Plan. The Company and the Designated Broker are based in the United States. Participant's country or jurisdiction may have different data privacy laws and protections than the United States. The Company's legal basis, where required, for the transfer of Data is legitimate interest or Participant's consent.

(d) Data Retention. The Company and the Service Recipient will hold and use Data only as long as is necessary to implement, administer and manage Participant's participation in the Plan, or as required to comply with legal or regulatory obligations, including under tax, exchange control, labor and securities laws. This period may extend beyond Participant's period of employment or other service. When the Company or the Service Recipient no longer need Data for any of the above purposes, they will cease processing it in this context and remove it from all of their systems used for such purposes, to the fullest extent possible.

(e) Voluntariness and Consequences of Consent Denial or Withdrawal. Participation in the Plan is voluntary, and Participant is providing the consents herein on a purely voluntary basis. If Participant does not consent, or if Participant later seeks to revoke consent, Participant's salary from or employment or other service with the Service Recipient will not be affected; the only consequence of refusing or withdrawing consent is that the Company would not be able to grant the RSU Award or other equity awards to Participant or administer or maintain such awards.

(f) Data Subject Rights. Participant may have a number of rights under data privacy laws in Participant's jurisdiction. Depending on where Participant is based, such rights may include the right to (i) request access or copies of Data the Company processes, (ii) rectification of incorrect Data, (iii) deletion of Data, (iv) restrictions on processing of Data, (v) portability of Data, (vi) lodge complaints with competent authorities in Participant's jurisdiction, and/or (vii) receive a list with the names and addresses of any potential recipients of Data. To receive clarification regarding these rights or to exercise these rights, Participant can contact the Company's Privacy Office via email to privacy@ingrammicro.com.

Section 13. Entire Agreement. This Agreement and the Plan constitute the entire agreement of the parties with respect to the subject matter hereof and supersede in their entirety all prior undertakings and agreements between Participant and the Company with respect to the subject matter hereof.

Section 14. Governing Law. The grant of this RSU Award and this Agreement shall be governed by and construed according to the laws of the State of Delaware, U.S.A., without regard to its principles of conflicts of laws. Any disputes and claims of any nature that Participant (or such Participant's transferee or estate) may have against the Company relating to the RSU Award or arising therefrom, must be submitted to and resolved exclusively by binding arbitration as provided in Section 19(n) of the Plan.

Section 15. Binding Agreement; Interpretation. By accepting the grant of this RSU Award evidenced hereby, Participant and the Company agree that this RSU Award is granted under and governed by the terms and conditions of this Agreement and the Plan. Participant has reviewed this Agreement and the Plan in their entirety, has had an opportunity to obtain the advice of counsel prior to accepting the RSU Award and fully understands all provisions of this Agreement and the Plan. Participant agrees to accept as binding, conclusive and final all decisions or interpretations of the Committee upon any questions relating to this Agreement and the Plan. In the event of any inconsistency between the Plan and this Agreement, the terms of the Plan shall control; *provided* that, in the event of a conflict between the terms of the Plan and the Additional Terms (if applicable to Participant), the terms of the Additional Terms that are applicable to Participant shall control.

Section 16. Language. Participant acknowledges that Participant may be executing part or all of the Agreement in English and agrees to be bound accordingly. Participant acknowledges that Participant is sufficiently proficient in English, or has consulted with an advisor who is sufficiently proficient in English, so as to allow Participant to understand the terms and conditions of this Agreement. If Participant has received this or any other document related to the RSU Award translated into a language other than English and if the meaning of the translated version is different than the English version, the English version will control, unless otherwise required by applicable law.

Section 17. Electronic Delivery and Acceptance. The Company may, in its sole discretion, decide to deliver any documents related to current or future RSUs by electronic means. Participant hereby consents to receive such documents by electronic delivery and agrees to accept the RSU Award through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

Section 18. Severability. The provisions of this Agreement are severable and if any one or more provisions are determined to be illegal or otherwise unenforceable, in whole or in part, the remaining provisions shall nevertheless be binding and enforceable.

Section 19. Code Section 409A. To the extent applicable, this Agreement shall incorporate the terms and conditions required by Section 409A of the Code and be interpreted in accordance with Section 409A of the Code and Treasury Regulations and other interpretive guidance issued thereunder. Notwithstanding any provision of this Agreement to the contrary, in the event that following the date of grant, the Committee determines that it may be

necessary or appropriate to do so, the Committee may adopt such amendments to this Agreement or adopt other policies and procedures (including amendments, policies and procedures with retroactive effect), or take any other actions, that the Committee determines are necessary or appropriate to (a) exempt the RSU Award from Section 409A of the Code and/or preserve the intended tax treatment of the benefits provided with respect to the RSU Award, or (b) comply with the requirements of Section 409A of the Code and related Treasury Regulations and other interpretive guidance issued thereunder and thereby avoid the application of penalty taxes under Section 409A of the Code. This Section 19 does not create an obligation on the part of the Company to modify the terms of this Agreement and does not guarantee that the RSU Award will not be subject to taxes, interest, and penalties or any other adverse tax consequences under Section 409A of the Code. Nothing in this Agreement shall provide a basis for any person to take action against the Company or any of its Affiliates based on matters covered by Section 409A of the Code, including the tax treatment of any amounts paid under this Agreement, and neither the Company nor any of its Affiliates will have any liability under any circumstances to Participant or any other party if the RSUs that are intended to be exempt from, or compliant with, Section 409A of the Code, are not so exempt or compliant or for any action taken by the Committee with respect thereto. Notwithstanding any provision of this Agreement to the contrary and to the extent necessary to avoid the imposition of taxes under Section 409A of the Code, if Participant is a "specified employee" within the meaning of Section 409A of the Code as of the date of Participant's separation from service, the RSU Award shall be settled on the first business day after the date that is six months following Participant's separation from service or, if earlier, the date of such Participant's death.

Section 20. Imposition of Other Requirements. The Company reserves the right to impose other requirements on the RSU Award to the extent the Company determines it is necessary or advisable for legal or administrative reasons, and to require Participant to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.

Section 21. Waiver. Participant acknowledges that a waiver by the Company of breach of any provision of this Agreement shall not operate or be construed as a waiver of any other provision of this Agreement, or of any subsequent breach by Participant or any other Participant.

Section 22. Country-Specific Provisions. The grant of the RSU Award shall be subject to any additional terms and conditions set forth in the Additional Terms, if any, for Participant's country. Moreover, if Participant relocates to another country included in the Additional Terms, the additional terms and conditions for such country will apply to Participant, to the extent the Company determines that the application of such terms and conditions is necessary or advisable for legal or administrative reasons.

Section 23. Foreign Asset/Account and Exchange Control and Tax Reporting Participant acknowledges that, depending on Participant's country, Participant may be subject to foreign asset/account, exchange control and/or tax reporting requirements as a result of the acquisition, holding and/or transfer of shares of Stock or cash derived from the RSU Award, in, to and/or from a brokerage/bank account or legal entity located outside Participant's country. The applicable laws of Participant's country may require that Participant report such accounts, assets, the balances therein, the value thereof and/or the transactions related thereto to the applicable authorities in such country. Participant also may be required to repatriate proceeds received as a result of the RSU Award to their country through a designated bank or broker and/or within a certain time after receipt. Participant acknowledges that Participant is responsible for ensuring compliance with any applicable foreign asset/account, exchange control and tax reporting requirements and should consult Participant's personal legal advisor on these matters.

Section 24. Limitations Applicable to Section 16 Persons. Notwithstanding any other provision of the Plan or this Agreement, if Participant is subject to Section 16 of the Exchange Act, this Agreement shall be subject to any additional limitations set forth in any applicable exemptive rule under Section 16 of the Exchange Act (including any amendment to Rule 16b-3 of the Exchange Act) that are requirements for the application of such exemptive rule. To the extent permitted by applicable law, this Agreement shall be deemed amended to the extent necessary to conform to such applicable exemptive rule.

Performance Restricted Stock Unit Agreement ("PSU Agreement")
(Performance Vested)

Unless otherwise defined herein, capitalized terms shall have the defined meanings in the Grant Notice to which this PSU Agreement is attached and in the Plan.

Section 1. Grant of Performance-Vested Restricted Stock Units. The Company has granted the PSU Award to Participant as described in the Grant Notice and subject to the terms and conditions of the Plan and this Agreement.

Each PSU represents the right to receive one share of Stock at the times and subject to the conditions set forth in this Agreement and the Plan, including Section 9 of the Plan.

Section 2. Vesting. Subject to the provisions of this Agreement and the Plan, this PSU Award shall become vested as set forth in the Grant Notice, provided Participant remains employed with or otherwise continues to render services to the Company or any of its Affiliates through the respective Vesting Date (as set forth in the Grant Notice), except as provided in the Grant Notice.

Section 3. Settlement of PSU Award.

(a) Subject to satisfaction of any withholding obligation or right for Tax-Related Items as defined and provided for in Section 8 of this PSU Agreement, any vested portion of the PSU Award shall be settled by the Company in shares of Stock (either in book-entry form or otherwise) as soon as administratively practicable following the applicable Vesting Date stated in the Grant Notice (which for purposes of this Section 3 includes the date of any accelerated vesting that may occur at the Committee's discretion under any provision of this PSU Agreement or the Plan), and, in any event, within thirty (30) days following such Vesting Date, subject to Section 19 of this PSU Agreement. Notwithstanding the foregoing, the Company may delay a distribution in settlement of PSUs if it reasonably determines that such distribution will violate applicable law, *provided* that such distribution shall be made at the earliest date at which the Company reasonably determines that the making of such distribution will not cause such violation, as required by Treasury Regulation Section 1.409A-2(b)(7)(ii), if applicable to Participant, and *provided further* that no settlement shall be delayed under this Section 3(a) if such delay will result in a violation of Section 409A of the Code, if applicable to Participant.

(b) Prior to the actual delivery of any shares of Stock, the PSUs will represent an unsecured obligation of the Company, payable only from the general assets of the Company. All distributions shall be made by the Company in the form of whole shares of Stock, and any fractional share of Stock shall be rounded up to the nearest whole share of Stock. Neither Participant nor any person claiming under or through Participant will have any of the rights or privileges of a stockholder of the Company in respect of any shares of Stock deliverable hereunder unless and until certificates representing such shares of Stock (which may be in book-entry form) will have been issued and recorded on the records of the Company or its transfer agents or registrars, and delivered to Participant (including through electronic delivery to a brokerage account). Except as otherwise provided herein, only after such issuance, recordation and delivery, Participant will have all the rights of a stockholder of the Company with respect to such shares of Stock, including, without limitation, the right to receipt of dividends and distributions on such shares of Stock.

(c) To the extent permitted by applicable law, during the period of Participant's employment by the Service Recipient and ending on the one (1) year anniversary of the Termination Date, Participant shall not engage in competition with the Company or its Affiliates. Notwithstanding anything in the Grant Notice to the contrary, if

Participant violates such prohibition on engaging in competition with the Company or its Affiliates or violates any agreement with the Company or any of its Affiliates regarding the assignment of rights to the Company or its Affiliates or the confidentiality of the information of the Company or its Affiliates, in each case, as determined by the Committee in its sole discretion, the PSUs granted to Participant, whether or not fully vested, will be forfeited and the Company will have no further obligation hereunder to such Participant. For the avoidance of doubt, any Participant who is a California employee shall not be subject to the prohibition on engaging in competition with the Company or its Affiliates following the Termination Date and shall not forfeit any fully vested PSUs by virtue of engaging in competition with the Company or its Affiliates following the Termination Date.

Section 4. Nontransferability of PSU Award. This PSU Award may not be assigned, alienated, pledged, attached, sold or otherwise transferred by Participant except by will or by the laws of descent and distribution. The terms of this PSU Award shall be binding on the executors, administrators, heirs and successors of Participant.

Section 5. Compensation Recovery.

(a) *Compensation Recovery Policy*. Notwithstanding any provision of this Agreement to the contrary, including without limitation Sections 2, 3 and 6 of this PSU Agreement, any PSUs granted to Participant hereunder, together with any compensation associated therewith, shall be subject to Section 19(e) of the Plan and all of the terms and conditions set forth in the Ingram Micro Inc. Compensation Recovery Policy, the Company's Policy for the Recovery of Erroneously Awarded Compensation or any other clawback policy implemented by the Company, as in effect from time to time, including, without limitation, any clawback policy adopted to comply with applicable law. Participant may contact the Company's Compensation Department for a full copy of the Compensation Recovery Policy.

(b) *Additional Recovery Right.* Furthermore, the Company reserves the right to determine whether Participant may have forfeited any unvested portion of this PSU Award or recover any portion of this PSU Award already released to Participant, to the extent permitted by applicable laws, in the event that the calculation of the applicable performance conditions under this PSU Award was based on materially inaccurate financial statements (including, without limitation, statements of earnings, revenues, or gains) or any other materially inaccurate performance metric criteria, regardless of whether such material inaccuracies were subsequently the subject of an accounting restatement, or in the event Participant engages in conduct that is detrimental to the Company or any of its Affiliates, which includes: (i) Participant's engagement in conduct that constitutes Cause for Participant's Termination; (ii) Participant's engagement in fraudulent, intentional, willful, or grossly negligent misconduct, whether by commission or omission; or (iii) Participant's post-employment conduct breaches any obligations owed to the Company or any of its Affiliates (including, but not limited to, misappropriation of trade secrets, non-disparagement, confidentiality, non-solicit, non-compete (except in California or where otherwise prohibited by law), or any obligation set forth in Section 3(c)). The Company's right to determine whether Participant may have forfeited any unvested portion of this PSU Award or to recover any portion of this PSU Award already released to Participant shall not extend to conduct that occurred before the three (3) year period preceding the date on which the Company determines that such event has occurred.

Section 6. Termination of Employment or Service. The following provisions shall apply in the event of Participant's Termination, except as set forth otherwise in the Grant Notice or unless the Committee provides otherwise.

(a) Termination. If Participant's Termination is for any reason (whether or not such Termination is later to be found invalid and whether or not it is in breach of applicable laws in the jurisdiction where Participant is employed or otherwise providing services or the terms of Participant's employment or other service agreement, if any), all then-unvested PSUs shall immediately be cancelled (forfeited) on the Termination Date (as defined in Section 6(b) below) and Participant shall not be entitled to receive any payment thereunder, subject to Section 9(d) of the Plan.

(b) *Termination Date.* For purposes of the PSU Award, the date of Termination shall be deemed to occur on the date such Participant ceases to be actively employed by or otherwise perform services for the Service Recipient (the "**Termination Date**") without regard to whether Participant continues to receive any compensatory payments from the Service Recipient or is paid salary by the Service Recipient in lieu of notice of Termination. The Termination Date will not be extended by any notice period (*e.g.*, active employment or service would not include any contractual notice period or any period of "garden leave" or similar period mandated under applicable laws in the

jurisdiction where Participant is employed or otherwise providing services or the terms of Participant's employment or other service agreement, if any). The Company shall have the exclusive discretion to determine the Termination Date for purposes of the PSU Award (including whether Participant may still be considered to be providing services while on a leave of absence).

Section 7. Restrictions on Settlement. Participant understands and agrees that the Company shall not be obligated to issue any shares of Stock in settlement of the PSU Award prior to the fulfillment of all of the following conditions:

(a) The obtaining of any approval or other clearance from any U.S. ornon-U.S. federal, state, or local governmental agency which the Committee, in its absolute discretion, shall determine to be necessary or advisable;

(b) The satisfaction of any withholding obligation or right for Tax-Related Items (as defined and provided for in Section 8 of this PSU Agreement); and

(c) The lapse of such reasonable period of time following the vesting of the PSUs as the Committee may from time to time establish for reasons of administrative convenience but in any event within 30 days of each Vesting Date, as applicable.

Participant understands that the Company is under no obligation to register or qualify the shares of Stock with the U.S. Securities and Exchange Commission or any U.S. state or non-U.S. securities commission or to seek approval or clearance from any governmental authority for the issuance or sale of the shares of Stock. Further, Participant agrees that the Company shall have unilateral authority to amend the Agreement without Participant's consent to the extent necessary to comply with any laws applicable to the PSU Award.

Section 8. Responsibility for Taxes. Participant acknowledges that, regardless of any action taken by the Company or, if different, the Service Recipient, the ultimate liability for all income tax, social insurance, payroll tax, fringe benefits tax, payment on account or other tax-related items related to the PSU Award and legally applicable or deemed legally applicable to Participant ("**Tax-Related Items**") is and remains Participant's responsibility and may exceed the amount, if any, actually withheld by the Company or the Service Recipient. Participant further acknowledges that the Company (1) makes no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the PSU Award, including, but not limited to, the grant or vesting of the PSUs and the issuance of shares of Stock upon settlement of the PSUs; and (2) does not commit to and is under no obligation to structure the terms of the grant or any aspect of the PSU Award to reduce or eliminate Participant's liability for Tax-Related Items or achieve any particular tax result. Further, if Participant is subject to Tax-Related Items in more than one jurisdiction, Participant acknowledges that the Service Recipient (or former Service Recipient, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

In connection with any relevant taxable or tax withholding event, as applicable, Participant agrees to make adequate arrangements satisfactory to the Company and the Service Recipient to satisfy any applicable withholding obligations or rights for Tax-Related Items. In this regard, Participant authorizes the Company and the Service Recipient, or their agents, pursuant to such procedures as they may specify from time to time, to satisfy any withholding obligations or rights with regard to all Tax-Related Items by withholding shares of Stock otherwise issuable upon vesting of the PSUs. For tax purposes, Participant will be deemed to have been issued the full number of shares of Stock subject to the vested PSUs, notwithstanding that a number of the shares of Stock is held back solely for the purpose of paying the Tax-Related Items.

In the event that the Committee determines in its discretion not to withhold shares of Stock pursuant to the immediately preceding paragraph to satisfy any applicable withholding obligations or rights for Tax-Related Items, Participant authorizes the Company and the Service Recipient, or their agents, to satisfy any withholding obligations or rights with regard to all Tax-Related Items by: (a) requiring Participant to make a payment in cash or by check; (b) withholding from Participant's wages, salary or other compensation payable to Participant; (c) withholding from proceeds of the sale of shares of Stock acquired upon settlement of the PSUs either through a voluntary sale or through a mandatory sale arranged by the Company (on Participant's behalf pursuant to this authorization without further consent) (including pursuant to a previously established written trading plan that meets the requirements of Rule 10b5-1 under the Exchange Act and was entered into in compliance with the Company's policies); or (d) any combination of the foregoing; provided, that, to the extent necessary to qualify for an exemption from application of Section 16(b)

of the Exchange Act, if applicable, such withholding procedure will be subject to the express prior approval of the Committee.

The Company may withhold or account forTax-Related Items by considering statutory withholding amounts or other withholding rates, including up to the maximum rates applicable in Participant's jurisdiction(s). In the event of over-withholding, Participant may receive a refund of any over-withheld amount in cash (with no entitlement to the equivalent in Stock), or, if not refunded, Participant may be able to seek a refund from the local tax authorities. In the event of under-withholding, Participant may be required to pay additional Tax-Related Items directly to the applicable tax authority or to the Company or the Service Recipient.

The Company may refuse to issue or deliver the shares of Stock or the proceeds of the sale of shares of Stock if Participant fails to comply with their obligations in connection with the Tax-Related Items.

Section 9. Recapitalization and Corporate Events. Participant acknowledges that the PSU Award and the shares of Stock subject to the PSU Award are subject to adjustment, modification and termination in certain events as provided in Section 9 of the Plan.

Section 10. Nature of the Award. By accepting this PSU Award, Participant acknowledges, understands and agrees that:

(a) the PSU Award is granted voluntarily by the Company, it is discretionary in nature and it may be modified, amended, suspended, or terminated by the Company at any time;

(b) the grant of the PSU Award is exceptional, voluntary and occasional and does not create any contractual or other right to receive future grants of PSUs, or benefits in lieu of PSUs, even if PSUs have been granted in the past;

(c) all decisions with respect to future PSU awards or other grants, if any, will be at the sole discretion of the Company;

(d) the PSU Award shall not interfere with the ability of the Service Recipient to terminate Participant's employment or other service relationship (if any) at any time;

(e) participation in the Plan is voluntary;

(f) the PSU Award, and the shares of Stock subject to the PSU Award, and the income from and value of same, are not part of normal or expected compensation or salary for any purposes, including but not limited to, of calculating any severance, resignation, termination, redundancy, dismissal, end of service payments, bonuses, holiday pay, long-service awards, pension, welfare or retirement benefits or similar payments;

(g) the PSU Award and Participant's participation in the Plan will not be interpreted to form an employment or other service contract or relationship with the Company;

(h) no claim or entitlement to compensation or damages shall arise from forfeiture of the PSUs resulting from Participant's Termination (for any reason whatsoever and whether or not later to be found invalid and whether or not in breach of applicable laws in the jurisdiction where Participant is employed or otherwise providing services or the terms of Participant's employment or other service agreement, if any);

(i) the vesting of any PSUs ceases upon the Termination Date, or other cessation of eligibility to vest for any reason, except as may otherwise be explicitly provided in this Agreement or the Plan;

(j) unless otherwise specifically provided for in this Agreement and the Plan or provided by the Company in its discretion, the PSUs and the benefits evidenced by this Agreement do not create any entitlement to have the PSUs or any such benefits transferred to, or assumed by, another company nor to be exchanged, cashed out or substituted, in connection with any corporate transaction;

(k) if Participant is outside the United States, neither the Service Recipient nor any other Affiliate shall be liable for any foreign exchange rate fluctuation between Participant's local currency and the United States Dollar that may affect the value of the PSU Award or of any amounts due to Participant pursuant to the vesting or settlement of the PSU Award;

(l) this Agreement is between Participant and the Company, and the Service Recipient (if different from the Company) is not a party to this Agreement;

(m) unless otherwise agreed with the Company, the PSU Award and the shares of Stock subject to the PSU Award, and the income from and value of same, are not granted as consideration for, or in connection with, the service that Participant may provide as a director of any Affiliate; and

(n) Participant will provide the Company with any data requested if Participant is a mobile employee to facilitate the proper withholding and reporting of Tax-Related Items.

Section 11. No Advice Regarding Grant. The Company is not providing any tax, legal or financial advice, nor is the Company making any recommendations regarding the PSU Award. Participant should consult with their personal tax, legal and financial advisors regarding the PSU Award before taking any action related to the PSU Award.

Section 12. Data Privacy.

(a) Data Collection and Usage. The Company and, if different, the Service Recipient collect, process and use certain personal information about Participant, including, but not limited to, Participant's name, home address and telephone number, email address, date of birth, social insurance, passport or other identification number (e.g., resident registration number), salary, nationality, job title, any shares of Stock or directorships held in the Company, details of all awards for shares of Stock or equivalent benefits granted, canceled, exercised, purchased, vested, unvested or outstanding in Participant's favor ("Data"), for the purposes of implementing, administering and managing Participant's participation in the Plan. The legal basis, where required, for the processing of Data is legitimate interest or Participant's consent.

(b) Stock Plan Administration Service Providers. The Company will transfer Data to E*TRADE Financial Services, Inc. or Morgan Stanley Smith Barney, which are assisting the Company with the implementation, administration and management of the Plan (the "Designated Broker"). The Company may select different or additional service providers in the future and share Data with such other provider(s) serving in a similar manner. Participant may be asked to agree on separate terms and data processing practices with the Designated Broker, with such agreement being a condition to the ability to participate in the Plan.

(c) International Data Transfers. The Data shall be shared with the Company and the Designated Broker as this is necessary for the purposes of implementing, administering and managing Participant's participation in the Plan. The Company and the Designated Broker are based in the United States. Participant's country or jurisdiction may have different data privacy laws and protections than the United States. The Company's legal basis, where required, for the transfer of Data is legitimate interest or Participant's consent.

(d) Data Retention. The Company and the Service Recipient will hold and use Data only as long as is necessary to implement, administer and manage Participant's participation in the Plan, or as required to comply with legal or regulatory obligations, including under tax, exchange control, labor and securities laws. This period may extend beyond Participant's period of employment or other service. When the Company or the Service Recipient no longer need Data for any of the above purposes, they will cease processing it in this context and remove it from all of their systems used for such purposes, to the fullest extent possible.

(e) Voluntariness and Consequences of Consent Denial or Withdrawal. Participation in the Plan is voluntary, and Participant is providing the consents herein on a purely voluntary basis. If Participant does not consent, or if Participant later seeks to revoke consent, Participant's salary from or employment or other service with the Service Recipient will not be affected; the only consequence of refusing or withdrawing consent is that the Company would not be able to grant the PSU Award or other equity awards to Participant or administer or maintain such awards.

(f) Data Subject Rights. Participant may have a number of rights under data privacy laws in Participant's jurisdiction. Depending on where Participant is based, such rights may include the right to (i) request access or copies of Data the Company processes, (ii) rectification of incorrect Data, (iii) deletion of Data, (iv) restrictions on processing of Data, (v) portability of Data, (vi) lodge complaints with competent authorities in Participant's jurisdiction, and/or (vii) receive a list with the names and addresses of any potential recipients of Data. To receive clarification regarding these rights or to exercise these rights, Participant can contact the Company's Privacy Office via email to privacy@ingrammicro.com.

Section 13. Entire Agreement. This Agreement and the Plan constitute the entire agreement of the parties with respect to the subject matter hereof and supersede in their entirety all prior undertakings and agreements between Participant and the Company with respect to the subject matter hereof.

Section 14. Governing Law. The grant of this PSU Award and this Agreement shall be governed by and construed according to the laws of the State of Delaware, U.S.A., without regard to its principles of conflicts of laws. Any disputes and claims of any nature that Participant (or such Participant's transferee or estate) may have against the Company relating to the PSU Award or arising therefrom, must be submitted to and resolved exclusively by binding arbitration as provided in Section 19(n) of the Plan.

Section 15. Binding Agreement; Interpretation. By accepting the grant of this PSU Award evidenced hereby, Participant and the Company agree that this PSU Award is granted under and governed by the terms and conditions of this Agreement and the Plan. Participant has reviewed this Agreement and the Plan in their entirety, has had an opportunity to obtain the advice of counsel prior to accepting the PSU Award and fully understands all provisions of this Agreement and the Plan. Participant agrees to accept as binding, conclusive and final all decisions or interpretations of the Committee upon any questions relating to this Agreement and the Plan. In the event of any inconsistency between the Plan and this Agreement, the terms of the Plan shall control; *provided* that, in the event of a conflict between the terms of the Plan and the Additional Terms (if applicable to Participant), the terms of the Additional Terms that are applicable to Participant shall control.

Section 16. Language. Participant acknowledges that Participant may be executing part or all of the Agreement in English and agrees to be bound accordingly. Participant acknowledges that Participant is sufficiently proficient in English, or has consulted with an advisor who is sufficiently proficient in English, so as to allow Participant to understand the terms and conditions of this Agreement. If Participant has received this or any other document related to the PSU Award translated into a language other than English and if the meaning of the translated version is different than the English version, the English version will control, unless otherwise required by applicable law.

Section 17. Electronic Delivery and Acceptance. The Company may, in its sole discretion, decide to deliver any documents related to current or future PSUs by electronic means. Participant hereby consents to receive such documents by electronic delivery and agrees to accept the PSU Award through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

Section 18. Severability. The provisions of this Agreement are severable and if any one or more provisions are determined to be illegal or otherwise unenforceable, in whole or in part, the remaining provisions shall nevertheless be binding and enforceable.

Section 19. Code Section 409A. To the extent applicable, this Agreement shall incorporate the terms and conditions required by Section 409A of the Code and be interpreted in accordance with Section 409A of the Code and Treasury Regulations and other interpretive guidance issued thereunder. Notwithstanding any provision of this Agreement to the contrary, in the event that following the date of grant, the Committee determines that it may be necessary or appropriate to do so, the Committee may adopt such amendments to this Agreement or adopt other policies and procedures (including amendments, policies and procedures with retroactive effect), or take any other actions, that the Committee determines are necessary or appropriate to (a) exempt the PSU Award from Section 409A of the Code and/or preserve the intended tax treatment of the benefits provided with respect to the PSU Award, or (b) comply with the requirements of Section 409A of the Code and related Treasury Regulations and other interpretive guidance issued thereunder and thereby avoid the application of penalty taxes under Section 409A of the Code. This Section 19 does not create an obligation on the part of the Company to modify the terms of this Agreement and does not guarantee that the PSU Award will not be subject to taxes, interest, and penalties or any other adverse tax

consequences under Section 409A of the Code. Nothing in this Agreement shall provide a basis for any person to take action against the Company or any of its Affiliates based on matters covered by Section 409A of the Code, including the tax treatment of any amounts paid under this Agreement, and neither the Company nor any of its Affiliates will have any liability under any circumstances to Participant or any other party if the PSUs that are intended to be exempt from, or compliant with, Section 409A of the Code, are not so exempt or compliant or for any action taken by the Committee with respect thereto. Notwithstanding any provision of this Agreement to the contrary and to the extent necessary to avoid the imposition of taxes under Section 409A of the Code, if Participant is a "specified employee" within the meaning of Section 409A of the Code as of the date of Participant's separation from service, the PSU Award shall be settled on the first business day after the date that is six months following Participant's separation from service or, if earlier, the date of such Participant's death.

Section 20. Imposition of Other Requirements. The Company reserves the right to impose other requirements on the PSU Award to the extent the Company determines it is necessary or advisable for legal or administrative reasons, and to require Participant to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.

Section 21. Waiver. Participant acknowledges that a waiver by the Company of breach of any provision of this Agreement shall not operate or be construed as a waiver of any other provision of this Agreement, or of any subsequent breach by Participant or any other Participant.

Section 22. Country-Specific Provisions. The grant of the PSU Award shall be subject to any additional terms and conditions set forth in the Additional Terms, if any, for Participant's country. Moreover, if Participant relocates to another country included in the Additional Terms, the additional terms and conditions for such country will apply to Participant, to the extent the Company determines that the application of such terms and conditions is necessary or advisable for legal or administrative reasons.

Section 23. Foreign Asset/Account and Exchange Control and Tax Reporting Participant acknowledges that, depending on Participant's country, Participant may be subject to foreign asset/account, exchange control and/or tax reporting requirements as a result of the acquisition, holding and/or transfer of shares of Stock or cash derived from the PSU Award, in, to and/or from a brokerage/bank account or legal entity located outside Participant's country. The applicable laws of Participant's country may require that Participant report such accounts, assets, the balances therein, the value thereof and/or the transactions related thereto to the applicable authorities in such country. Participant also may be required to repatriate proceeds received as a result of the PSU Award to their country through a designated bank or broker and/or within a certain time after receipt. Participant acknowledges that Participant is responsible for ensuring compliance with any applicable foreign asset/account, exchange control and tax reporting requirements and should consult Participant's personal legal advisor on these matters.

Section 24. Limitations Applicable to Section 16 Persons. Notwithstanding any other provision of the Plan or this Agreement, if Participant is subject to Section 16 of the Exchange Act, this Agreement shall be subject to any additional limitations set forth in any applicable exemptive rule under Section 16 of the Exchange Act (including any amendment to Rule 16b-3 of the Exchange Act) that are requirements for the application of such exemptive rule. To the extent permitted by applicable law, this Agreement shall be deemed amended to the extent necessary to conform to such applicable exemptive rule.

For the avoidance of doubt, Executive will not be eligible to participate in the Company's Annual Executive Incentive Award Program, MBO Program or any other cash incentive bonus program of the Company with respect to 2023 or any calendar year thereafter.

2. **The Retirement**. Effective as of the Retirement Date, the Parties agree and acknowledge that (a) Executive's employment with the Company will terminate and Executive will perform no further duties, functions or services on behalf of the Company or any of its subsidiaries or affiliates and (b)

(b) IPO Equity Grant. In the event of either (i) an IPO or (ii) a SPAC Transaction, in each case on or prior to the Retirement Date (a "***Qualifying Transaction***"), Executive will be granted a number of fully vested shares of common stock of the Company, its parent entity or the successor of the Company or its parent entity equal to $2,000,000 divided by (x) in the case of an IPO, the initial public offering price in such IPO or (y) in the case of a SPAC Transaction, the per share price assigned to a SPAC share in the definitive agreement for such SPAC Transaction, in each case, rounded to the nearest whole share (the "***IPO Equity Grant***"); provided that (I) Executive does not incur a termination of employment for Cause or due to Executive's resignation without Good Reason, in each case prior to the Retirement Date, and (II) no later than the grant date of the IPO Equity Grant, Executive shall pay in cash to the Company or otherwise make arrangements reasonably satisfactory to the Company for the payment of the employee portion of all federal, state, local and other taxes as the Company or its affiliate may be required to withhold in respect of the IPO Equity Grant pursuant to any law or governmental regulation or ruling; provided further that, if the Company does not offer Executive the ability to satisfy such taxes by surrendering to the Company or its affiliate shares subject to the IPO Equity Grant, and if requested by Executive, the Company shall use commercially reasonable efforts to obtain a lock-up waiver with respect to the shares subject to the IPO Equity Grant to facilitate Executive's payment of such taxes by delivering irrevocable instructions to a broker to sell a number of shares subject to the IPO Equity Grant sufficient to pay such taxes. The IPO Equity Grant will be made to Executive, in the case of an IPO, on the first trading day immediately following the IPO or, in the case of a SPAC Transaction, on the first trading day following closing of the SPAC Transaction.

(c) Withholdings; Deductions. The Company may withhold and deduct from any benefits and payments made or to be made pursuant to this Agreement (a) all federal, state, local and other taxes as may be required pursuant to any law or governmental regulation or ruling and (b) any deductions consented to in writing by Executive.

4. **Miscellaneous**.

(a) No Oral Modification. This Agreement may only be amended in a writing signed by Executive and a duly authorized officer of the Company.

(b) Governing Law. This Agreement, and any claim, controversy, or dispute arising under or related to this Agreement, or the relationship of the Parties will be governed by and construed in accordance with the laws of the State of California, without giving effect to any choice of law or conflict of law rules or provisions.

(c) Construction. Titles and headings to Sections hereof are for the purpose of reference only and shall in no way limit, define or otherwise affect the provisions hereof. Any and all Exhibits referred to in this Agreement are, by such reference, incorporated herein and made a part hereof for all purposes. All references to "dollars" or "$" in this Agreement refer to United States dollars. Unless the context requires otherwise, the word "or" is not exclusive. All references to "including" shall be construed as meaning "including without limitation."

(d) Entire Agreement. This Agreement will be binding upon and inure to the benefit of and be enforceable by the respective successors and assigns of the Parties. This Agreement constitutes the entire agreement by the Parties with respect to the subject matter hereof and supersedes any and all prior agreements or understandings between the Parties with respect to the subject matter hereof, whether written or oral, including the Prior Agreement in its entirety.

(e) Notices. All notices and other communications provided for or permitted hereunder shall be in writing and shall be deemed to have been duly given and received when delivered by overnight courier or hand delivery, when sent by facsimile, or five (5) days after mailing if sent by registered or certified mail (return receipt requested) postage prepaid, to the Parties at the following addresses (or at such other address for any Party as shall be specified by like notices).

If to the Company:

If to Executive, at the address listed in the Company's personnel records.

(f) Section 409A.

(i) The intent of the Parties is that payments and benefits under this Agreement comply with Section 409A (or an exemption thereto) and, accordingly, to the maximum extent permitted, this Agreement shall be interpreted consistent with this intent. The Company makes no representations or warranties as to the tax treatment of any compensation or benefits under this Agreement and the Company will have no liability to Executive or to any other person for the employee portion of any taxes or related costs owed with respect thereto. For the avoidance of doubt, Executive will be ultimately liable for all such taxes and related costs.

(ii) A termination of employment shall not be deemed to have occurred for purposes of any provision of this Agreement providing for the payment of any amounts or benefits that constitute nonqualified deferred compensation upon or following a termination of employment unless such termination is also a "separation from service" within the meaning of Section 409A and, for purposes of any such provision of this Agreement, references to a "termination," "termination of employment," or like terms shall mean "separation from service." Notwithstanding anything to the contrary in this Agreement, if Executive is deemed on the Retirement Date to be a "specified employee" within the meaning of Section 409A, then with regard to any payment or the provision of any benefit that is considered nonqualified deferred compensation under Section 409A payable on account of a "separation from service," such payment or benefit shall not be made or provided until the date that is the earlier of (A) the expiration of the six-month period measured from the date of such "separation from service" of Executive, and (B) the date of Executive's death, to the extent required under Section 409A. Upon the expiration of the foregoing delay period, all payments and benefits delayed pursuant to this Section 4(f)(ii) (whether they would have

otherwise been payable in a single sum or in installments in the absence of such delay) shall be paid or reimbursed to Executive in a lump sum, and any remaining payments and benefits due under this Agreement shall be paid or provided in accordance with the normal payment dates specified for them herein.

(iii) To the extent that reimbursements or other in-kind benefits under this Agreement constitute "nonqualified deferred compensation" for purposes of Section 409A, (i) all expenses or other reimbursements hereunder shall be made on or prior to the last day of the taxable year following the taxable year in which such expenses were incurred by Executive, (ii) any right to reimbursement or in-kind benefits shall not be subject to liquidation or exchange for another benefit, and (iii) no such reimbursement, expenses eligible for reimbursement, or in-kind benefits provided in any taxable year shall in any way affect the expenses eligible for reimbursement, or in-kind benefits to be provided, in any other taxable year.

(iv) For purposes of Section 409A, Executive's right to receive any installment payments pursuant to this Agreement shall be treated as a right to receive a series of separate and distinct payments. Whenever a payment under this Agreement specifies a payment period with reference to a number of days, the actual date of payment within the specified period shall be within the sole discretion of the Company.

(v) Notwithstanding any other provision of this Agreement to the contrary, in no event shall any payment under this Agreement that constitutes "nonqualified deferred compensation" for purposes of Section 409A be subject to offset by any other amount unless otherwise permitted by Section 409A.

(g) Counterparts. This Agreement may be executed in one or more counterparts, each of which will be deemed to be an original but all of which together will constitute one and the same instrument.

TABLE OF CONTENTS

PREAMBLE

The Plan is intended to be a "plan which is unfunded and is maintained by an employer primarily for the purpose of providing deferred compensation for a select group of management or highly compensated employees" within the meaning of Sections 201(2), 301(a)(3) and 401(a)(1) of the Employee Retirement Income Security Act of 1974, as amended. The Plan is further intended to conform with the requirements of Internal Revenue Code Section 409A and the final regulations issued thereunder and shall be implemented and administered in a manner consistent therewith.

ARTICLE 1 – GENERAL

1.1 Plan. The Plan will be referred to by the name specified in the Adoption Agreement.

1.2 Effective Dates.

(a) Original Effective Date. The Original Effective Date is the date as of which the Plan was initially adopted.

(b) Amendment Effective Date. The Amendment Effective Date is the date specified in the Adoption Agreement as of which the Plan is amended and restated. Except to the extent otherwise provided herein or in the Adoption Agreement, the Plan shall apply to amounts deferred and benefit payments made on or after the Amendment Effective Date.

(c) Special Effective Date. A Special Effective Date may apply to any given provision if so specified in Appendix A of the Adoption Agreement. A Special Effective Date will control over the Original Effective Date or Amendment Effective Date, whichever is applicable, with respect to such provision of the Plan.

1.3 Amounts Not Subject to Code Section 409A. Except as otherwise indicated by the Plan Sponsor in Section 1.01 of the Adoption Agreement, amounts deferred before January 1, 2005 that are earned and vested on December 31, 2004 will be separately accounted for and administered in accordance with the terms of the Plan as in effect immediately prior to this amendment and restatement of the Plan which is effective as of the date set forth in Section 1.01(b) of the Adoption Agreement.

ARTICLE 2 – DEFINITIONS

Pronouns used in the Plan are in the masculine gender but include the feminine gender unless the context clearly indicates otherwise. Wherever used herein, the following terms have the meanings set forth below, unless a different meaning is clearly required by the context:

2.1 **"Account"** means an account established for the purpose of recording amounts credited on behalf of a Participant and any income, expenses, gains, losses or distributions included thereon. The Account shall be a bookkeeping entry only and shall be utilized solely as a device for the measurement and determination of the amounts to be paid to a Participant or to the Participant's Beneficiary pursuant to the Plan.

2.2 **"Administrator"** means the Benefits Administrative Committee appointed by the Board as designated by the Plan Sponsor in Section 1.05 of the Adoption Agreement.

2.3 **"Adoption Agreement"** means the agreement adopted by the Plan Sponsor that establishes the Plan.

2.4 **"Beneficiary"** means the persons, trusts, estates or other entities entitled under Section 8.2 to receive benefits under the Plan upon the death of a Participant.

2.5 **"Board" or "Board of Directors"** means the Board of Directors (or a Board Committee designated by the Board) of the Plan Sponsor.

2.6 **"Bonus"** means an amount of incentive Compensation payable by the Employer to a Participant.

2.7 **"Change in Control"** means the occurrence of an event involving the Plan Sponsor that is described in Section 9.7.

2.8 **"Code"** means the Internal Revenue Code of 1986, as amended.

2.9 **"Compensation"** has the meaning specified in Section 3.01 of the Adoption Agreement.

2.10 **"Director"** means a member of the Board.

2.11 **"Disabled"** means a determination by the Administrator that the Participant is either (a) unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or can be expected to last for a continuous period of not less than 12 months, or (b) is, by reason of any medically determinable physical or mental impairment which can be expected to result in death or last for a continuous period of not less than 12 months, receiving income replacement benefits for a period of

not less than 3 months under an accident and health plan covering employees of the Employer employing the Participant. A Participant will be considered Disabled if he is determined to be totally disabled by the Social Security Administration or the Railroad Retirement Board.

All determinations of whether a Participant is Disabled will be made in accordance with Code Section 409A(a)(2)(C) and the final regulations thereunder.

2.12 **"Eligible Employee"** means an employee of the Employer who satisfies the requirements in Section 2.01 of the Adoption Agreement.

2.13 **"Employer"** means the Plan Sponsor and any other entity which is authorized by the Plan Sponsor to participate in and, in fact, does adopt the Plan.

2.14 **"ERISA"** means the Employee Retirement Income Security Act of 1974, as amended.

2.15 **"Identification Date"** means the date as of which Specified Employees are determined which is specified in Section 1.06 of the Adoption Agreement.

2.16 **"Participant"** means an Eligible Employee who commences participation in the Plan in accordance with Article 3.

2.17 **"Plan"** means the unfunded plan of deferred compensation set forth herein, including the Adoption Agreement and any trust agreement, as adopted by the Plan Sponsor and as amended from time to time.

2.18 **"Plan Sponsor"** means the entity identified in Section 1.03 of the Adoption Agreement.

2.19 **"Plan Year"** means the period identified in Section 1.02 of the Adoption Agreement.

2.20 **"Related Employer"** means the Employer and (a) any corporation that is a member of a controlled group of corporations as defined in Code Section 414(b) that includes the Employer and (b) any trade or business that is under common control as defined in Code Section 414(c) that includes the Employer, as determined in accordance with Reg. Sec. 1.409A-1(g).

2.21 **"Retirement"** has the meaning specified in 6.01(f) of the Adoption Agreement.

2.22 **"Separation from Service"** means the date that the Participant dies, retires or otherwise has a termination of employment with respect to all entities comprising the Related Employer. A Separation from Service does not occur if the Participant is on military leave, sick leave or other bona fide leave of absence if the period of leave does not exceed 6 months or such longer period during which the Participant's right to re-employment is provided by statute or contract. A leave of absence constitutes a bona fide leave of absence only if there is a reasonable expectation

that the Participant will return to perform services for the Related Employer. If the period of leave exceeds 6 months and the Participant's right to re-employment is not provided either by statute or contract, a Separation from Service will be deemed to have occurred on the first day following the 6-month period. If the period of leave is due to any medically determinable physical or mental impairment that can be expected to result in death or can be expected to last for a continuous period of not less than 6 months, where the impairment causes the Participant to be unable to perform the duties of his position of employment or any substantially similar position of employment, a 29-month period of absence shall be substituted for the 6-month period.

Whether a termination of employment has occurred is based on whether the facts and circumstances indicate that the Related Employer and the Participant reasonably anticipated that no further services would be performed after a certain date or that the level of bona fide services the Participant would perform after such date (whether as an employee or as an independent contractor) would permanently decrease to no more than 20% of the average level of bona fide services performed (whether as an employee or an independent contractor) over the immediately preceding 36-month period (or the full period of services to the Related Employer if the employee has been providing services to the Related Employer for less than 36 months).

An independent contractor is considered to have experienced a Separation from Service with the Related Employer upon the expiration of the contract (or, in the case of more than one contract all contracts) under which services are performed for the Related Employer if the expiration constitutes a good-faith and complete termination of the contractual relationship.

If a Participant provides services as both an employee and an independent contractor of the Related Employer, the Participant must separate from service both as an employee and as an independent contractor to be treated as having incurred a Separation from Service. If a Participant ceases providing services as an independent contractor and begins providing services as an employee, or ceases providing services as an employee and begins providing services as an independent contractor, the Participant will not be considered to have experienced a Separation from Service until the Participant has ceased providing services in both capacities.

If a Participant provides services both as an employee and as a member of the board of directors of a corporate Related Employer (or an analogous position with respect to a noncorporate Related Employer), the services provided as a director are not taken into account in determining whether the Participant has incurred a Separation from Service as an employee for purposes of a nonqualified deferred compensation plan in which the Participant participates as an employee that is not aggregated under Code Section 409A with any plan in which the Participant participates as a director.

If a Participant provides services both as an employee and as a member of board of directors of a corporate related Employer (or an analogous position with respect to a noncorporate Related Employer), the services provided as an employee are not taken into account in determining whether the Participant has experienced a Separation from Service as a director for purposes of a nonqualified deferred compensation plan in which the Participant participates as a director that is not aggregated under Code Section 409A with any plan in which the Participant participates as an employee.

For purposes of this Section 2.22, the term Related Employer shall have the meaning set forth in Section 2.20, except that (i) "at least 50%" shall be substituted for "at least 80%" where the latter appears in Code Sections 1563(a)(1), (2), and (3) for purposes of determining a controlled group of corporations under Code Section 414(b), and (ii) "at least 50%" shall be substituted for "at least 80%" where the latter appears in Reg. Sec. 1.414(c)-2 for purposes of determining trades or businesses (whether or not incorporated) that are under common control for purposes of Code Section 414(c).

All determinations of whether a Separation from Service has occurred will be made in accordance with Code Section 409A(a)(2)(A)(i) and the final regulations thereunder.

2.23 **"Specified Employee"** means an employee who satisfies the conditions set forth in Section 9.6.

2.24 **"Unforeseeable Emergency"** means a severe financial hardship of the Participant resulting from an illness or accident of the Participant, the Participant's spouse, or the Participant's dependent (as defined in Code Section 152, without regard to Code Section 152(b)(1), (b)(2) and (d)(1)(B)); loss of the Participant's property due to casualty; or other similar extraordinary and unforeseeable circumstances arising as a result of events beyond the control of the Participant.

All determinations of whether an Unforeseeable Emergency has occurred will be made in accordance with Code Section 409A(a)(2)(B)(ii) and the final regulations thereunder.

2.25 **"Valuation Date"** means each business day of the Plan Year.

2.26 **"Years of Service"** means each one year period for which the Participant receives service credit in accordance with the provisions of Section 7.01(d) of the Adoption Agreement.

ARTICLE 3 – PARTICIPATION

3.1 **Participation.** The Participants in the Plan shall be those employees of the Employer who satisfy the requirements of Section 2.01 of the Adoption Agreement.

3.2 **Termination of Participation.** The Administrator may terminate a Participant's participation in the Plan in a manner consistent with Code Section 409A.

ARTICLE 4 – PARTICIPANT ELECTIONS

4.1 **Deferral Form.** If permitted by the Plan Sponsor in accordance with Section 4.01 of the Adoption Agreement, each Eligible Employee may elect to defer his Compensation within the meaning of Section 3.01 of the Adoption Agreement by executing in writing or electronically, a deferral form in accordance with rules and procedures established by the Administrator, the provisions of this Article 4, and Code Section 409A(a)(4)(B) and the final regulations thereunder.

A new deferral form must be timely executed for each Plan Year during which the Eligible Employee desires to defer Compensation. An Eligible Employee who does not timely execute a deferral form shall be deemed to have elected zero deferrals of Compensation for such Plan Year.

A deferral form may be changed or revoked during the period specified by the Administrator. Except as provided in Section 9.3 or in Section 4.01(c) of the Adoption Agreement, a deferral form becomes irrevocable at the close of the specified period.

4.2 **Amount of Deferral.** An Eligible Employee may elect to defer Compensation in any amount permitted by Section 4.01(a) of the Adoption Agreement.

4.3 **Timing of Election to Defer.** Each Eligible Employee who desires to defer Compensation otherwise payable during a Plan Year must execute a deferral form within the period preceding the Plan Year specified by the Administrator. Each Eligible Employee who desires to defer Compensation that is a Bonus must execute a deferral form within the period preceding the Plan Year during which the Bonus is earned that is specified by the Administrator, except that if the Bonus qualifies as performance based compensation as described in Code Section 409A(a)(4)(B)(iii), the deferral form may be executed within the period specified by the Administrator, which period, in no event, shall end after the date which is 6 months prior to the end of the performance period during which the Bonus is earned. In addition, if the Compensation qualifies as 'fiscal year compensation' within the meaning of Reg. Sec. 1.409A -2(a)(6), the deferral form may be made not later than the end of the Employer's taxable year immediately preceding the first taxable year of the Employer in which any services are performed for which such Compensation is payable.

Except as otherwise provided below, an employee who is classified or designated as an Eligible Employee during a Plan Year may elect to defer Compensation otherwise payable during the remainder of such Plan Year in accordance with the rules of this Section 4.3 by executing a deferral form within the 30-day period beginning on the date the employee is classified or designated as an Eligible Employee. If Compensation is based on a specified performance period that begins before the Eligible Employee executes his deferral form, the election will be deemed to apply to the portion of such Compensation equal to the total amount of

Compensation for the performance period multiplied by the ratio of the number of days remaining in the performance period after the election over the total number of days in the performance period. The rules of this paragraph shall not apply unless the Eligible Employee can be treated as initially eligible in accordance with Reg. Sec. 1.409A-2(a)(7).

4.4 Election of Payment Schedule and Form of Payment. All elections of a payment schedule and a form of payment will be made in accordance with rules and procedures established by the Administrator and the provisions of this Section 4.4, as determined in accordance with Reg. Sec. 1.409A-2(a).

(a) If the Plan Sponsor has elected to permit annual distribution elections in accordance with Section 6.01(h) of the Adoption Agreement the following rules apply. At the time an Eligible Employee completes a deferral form, the Eligible Employee must irrevocably elect (i) a distribution event (which includes a specified time) and form of payment for the Compensation subject to the deferral form and for any Employer contributions that may be credited to the Participant's Account during the Plan Year from among the options the Plan Sponsor has made available for this purpose and which are specified in 6.01(b) of the Adoption Agreement, and (ii) the time of commencement of distributions from the options the Plan Sponsor has made available for this purpose which are specified in 6.01(a) of the Adoption Agreement. If an Eligible Employee fails to elect a distribution event, he shall be deemed to have elected Separation from Service as the distribution event. If an Eligible Employee fails to elect a form of payment, he shall be deemed to have elected a lump sum as the form of payment. If an Eligible Employee fails to elect a time of commencement, he shall be deemed to have elected the last business day of the month in which occurs the 60th day following Separation from Service. Subject to Article 9, distributions shall be made to an Employee upon the earliest to occur of the events specified in 6.01(a) of the Adoption Agreement.

(b) If the Plan Sponsor has elected not to permit annual distribution elections in accordance with Section 6.01(h) of the Adoption Agreement the following rules apply. At the time an Eligible Employee first completes a deferral form, the Eligible Employee must irrevocably elect a distribution event (which includes a specified time) and a form of payment for amounts credited to his Account from among the options the Plan Sponsor has made available for this purpose and which are specified in Section 6.01(b) of the Adoption Agreement. If an Eligible Employee fails to elect a distribution event, he shall be deemed to have elected Separation from Service in the distribution event. If he fails to elect a form of payment, he shall be deemed to have elected a lump sum as the form of payment.

ARTICLE 5 – EMPLOYER CONTRIBUTIONS

5.1 **Matching Contributions.** If elected by the Plan Sponsor in Section 5.01(a) of the Adoption Agreement, the Employer will credit the Participant's Account with a matching contribution determined in accordance with the formula specified in Section 5.01(a) of the Adoption Agreement. The matching contribution will be treated as allocated to the Participant's Account at the time specified in Section 5.01(a)(iii) of the Adoption Agreement.

5.2 **Other Contributions.** If elected by the Plan Sponsor in Section 5.01(b) of the Adoption Agreement, the Employer will credit the Participant's Account with a contribution determined in accordance with the formula or method specified in Section 5.01(b) of the Adoption Agreement. The contribution will be treated as allocated to the Participant's Account at the time specified in Section 5.01(b)(iii) of the Adoption Agreement.

ARTICLE 6 – ACCOUNTS AND CREDITS

6.1 **Establishment of Account.** For accounting and computational purposes only, the Administrator will establish and maintain an Account on behalf of each Participant which will reflect the credits made pursuant to Section 6.2, distributions or withdrawals, along with the earnings, expenses, gains and losses allocated thereto, attributable to the hypothetical investments made with the amounts in the Account as provided in Article 7. The Administrator will establish and maintain such other records and accounts, as it decides in its discretion to be reasonably required or appropriate to discharge its duties under the Plan.

6.2 **Credits to Account.** A Participant's Account will be credited for each Plan Year with the amount of his elective deferrals under Section 4.1 and the amount of Employer contributions treated as allocated on his behalf under Article 5 at the time the Administrator determines in its absolute discretion.

6.3 **Sub-Accounts.** The Administrator will establish and maintain such other accounts orsub-accounts as the Administrator deems necessary or desirable in order to effectuate the purposes of Sections 6.1 and 6.2 and Articles 7 and 9.

ARTICLE 7 – INVESTMENT OF CONTRIBUTIONS

7.1 **Investment Options.** The amount credited to each Account shall be treated as invested in the investment options designated for this purpose by the Administrator.

7.2 **Adjustment of Accounts.** The amount credited to each Account shall be adjusted for hypothetical investment earnings, expenses, gains or losses in an amount equal to the earnings, expenses, gains or losses attributable to the investment options selected by the party designated in Section 9.01 of the Adoption Agreement from among the investment options provided in Section 7.1. If permitted by Section 9.01 of the Adoption Agreement, a Participant (or the Participant's Beneficiary after the death of the Participant) may, in accordance with rules and procedures established by the Administrator, select the investments from among the options provided in Section 7.1 to be used for the purpose of calculating future hypothetical investment adjustments to the Account or to future credits to the Account under Section 6.2 effective as the Valuation Date coincident with or next following notice to the Administrator. Each Account shall be adjusted as of each Valuation Date to reflect: (a) the hypothetical earnings, expenses, gains and losses described above; (b) amounts credited pursuant to Section 6.2; and (c) distributions or withdrawals. In addition, each Account may be adjusted for its allocable share of the hypothetical costs and expenses associated with the maintenance of the hypothetical investments provided in Section 7.1.

ARTICLE 8 – RIGHT TO BENEFITS

8.1 **Vesting.** Except as otherwise provided in Article 13.1, 13.2 and 13.3, a Participant, at all times, has the 100% nonforfeitable interest in the amounts credited to his Account attributable to his elective deferrals made in accordance with Section 4.1.

A Participant's right to the amounts credited to his Account attributable to Employer contributions made in accordance with Article 5 shall be determined in accordance with the relevant schedule and provisions in Section 7.01 of the Adoption Agreement.

8.2 **Death.** The Plan Sponsor may elect to accelerate vesting upon the death of the Participant in accordance with Section 7.01(c) of the Adoption Agreement and/or to permit distributions upon Death in accordance with Section 6.01(b) or Section 6.01(d) of the Adoption Agreement. If the Plan Sponsor does not elect to permit distributions upon death in accordance with Section 6.01(b) or Section 6.01(d) of the Adoption Agreement, the vested amount credited to the Participant's Account will be paid in accordance with the provisions of Article 9.

A Participant may designate a Beneficiary or Beneficiaries, or change any prior designation of Beneficiary or Beneficiaries in accordance with rules and procedures established by the Administrator.

A copy of the death notice or other sufficient documentation must be filed with and approved by the Administrator. If upon the death of the Participant there is, in the opinion of the Administrator, no designated Beneficiary for part or all of the Participant's vested Account, such amount will be paid to his estate (such estate shall be deemed to be the Beneficiary for purposes of the Plan) in accordance with the provisions of Article 9.

8.3 **Disability.** If the Plan Sponsor has elected to accelerate vesting upon the occurrence of a Disability in accordance with Section 7.01(c) of the Adoption Agreement and/or to permit distributions upon Disability in accordance with Section 6.01(b) or Section 6.01(d) of the Adoption Agreement, the determination of whether a Participant has incurred a Disability shall be made by the Administrator in its sole discretion.

ARTICLE 9 – DISTRIBUTION OF BENEFITS

9.1 Amount of Benefits. The vested amount credited to a Participant's Account as determined under Articles 6, 7 and 8 shall determine and constitute the basis for the value of benefits payable to the Participant under the Plan.

9.2 Method and Timing of Distributions. Except as otherwise provided in this Article 9 and Article 10, distributions under the Plan shall be made in accordance with the elections made or deemed made by the Participant under Article 4. Subject to the provisions of Section 9.6 requiring a 6 month delay for certain distributions to Specified Employees, distributions following a payment event shall commence at the time specified in Section 6.01(a) of the Adoption Agreement. If permitted by Section 6.0l(g) of the Adoption Agreement, a Participant may irrevocably elect to delay a scheduled payment for a minimum period of 60 months from the previously scheduled date of payment (or, in the case of installment payments, 60 months from the previously scheduled date of the first payment), provided that such election takes effect at least 12 months after the date on which the election is made and, in the case of Specified Date distribution (pursuant to Section 6.0l(b)(i) of the Adoption Agreement), such election is made at least 12 months before the previously scheduled date of payment (or, in the case of installment payments, 12 months before the previously scheduled date of the first payment), in accordance with Code Section 409A(a)(4)(C) and the final regulations thereunder. The distribution election change must be made in accordance with procedures and rules established by the Administrator. The Participant may, at the same time the date of payment is deferred, change the form of payment but such change in the form of payment may not effect an acceleration of payment in violation of Code Section 409A(a)(3) or the provisions of Reg. Sec. 1.409A-2(b). For purposes of this Section 9.2, a series of installment payments is always treated as a single payment and not as a series of separate payments.

9.3 Unforeseeable Emergency. A Participant may request a distribution due to an Unforeseeable Emergency if the Plan Sponsor has elected to permit Unforeseeable Emergency withdrawals under Section 8.01(a) of the Adoption Agreement. The request must be in writing and must be submitted to the Administrator along with evidence that the circumstances constitute an Unforeseeable Emergency. The Administrator has the discretion to require whatever evidence it deems necessary to determine whether a distribution is warranted. Whether a Participant has incurred an Unforeseeable Emergency will be determined by the Administrator on the basis of the relevant facts and circumstances in its sole discretion, but, in no event, will a distribution on account of an Unforeseeable Emergency be made to the extent the Unforeseeable Emergency is or may be relieved: (a) through reimbursement or compensation by insurance or otherwise, (b) by liquidation of the Participant's assets to the extent such liquidation would not itself cause severe financial hardship, or (c) by cessation of deferrals under the Plan. A distribution due to an Unforeseeable Emergency must be limited to the amount reasonably necessary to satisfy the emergency need and may include any amounts necessary

to pay any federal, state, local or foreign income taxes or penalties reasonably anticipated to result from the distribution. The distribution will be made in the form of a single lump sum cash payment. The distribution may be made from any nonqualified plan in which the Participant participates that provides for payment upon an Unforeseeable Emergency, provided that the nonqualified plan under which payment is to be made was designated at the time of payment. If permitted by Section 8.01(b) of the Adoption Agreement, a Participant's deferral elections for the remainder of the Plan Year will not be cancelled upon a withdrawal due to Unforeseeable Emergency. If the payment of all or any portion of the Participant's vested Account is being delayed in accordance with Section 9.6 at the time he experiences an Unforeseeable Emergency, the amount being delayed shall not be subject to the provisions of this Section 9.3 until the expiration of the 6-month period of delay required by Section 9.6.

9.4 Payment Election Overrides. If the Plan Sponsor has elected one or more payment election overrides in accordance with Section 6.01(d) of the Adoption Agreement, the following provisions apply. Upon the occurrence of the first event selected by the Plan Sponsor, the remaining vested amount credited to the Participant's Account shall be paid in the form designated to the Participant or his Beneficiary regardless of whether the Participant had made different elections of time and/or form of payment or whether the Participant was receiving installment payments at the time of the event.

9.5 Cashouts Of Amounts Not Exceeding Stated Limit. If the vested amount credited to the Participant's Account does not exceed the limit established for this purpose by the Plan Sponsor in Section 6.01(e) of the Adoption Agreement at the time he incurs a Separation from Service for any reason, the Employer shall distribute such amount to the Participant at the time specified in Section 6.01(a)(i)(B) of the Adoption Agreement in a single lump sum cash payment following such Separation from Service regardless of whether the Participant had made different elections of time or form of payment as to the vested amount credited to his Account or whether the Participant was receiving installments at the time of such termination. The cashout of any amounts described in Section 1.3 shall be determined in accordance with Appendix B of the Adoption Agreement.

9.6 Required Delay in Payment to Specified Employees. Except as otherwise provided in this Section 9.6, a distribution made on account of Separation from Service (or Retirement, if applicable) to a Participant who is a Specified Employee as of the date of his Separation from Service (or Retirement, if applicable) shall not be made before the date which is 6 months after the date of Separation from Service (or Retirement, if applicable) (the "6 month delay"). If the distribution of any amount is delayed as a result of the previous sentence, then each payment to which the Participant is otherwise entitled upon a Separation from Service shall be delayed by 6 months. Any remaining payments due under the Plan shall be paid as otherwise provided in the Plan.

(a) A Participant is treated as a Specified Employee if (i) he is employed by a Related Employer any of whose stock is publicly traded on an established securities market or otherwise, and (ii) he satisfies the requirements of Code Section 416(i)(1)(A)(i), (ii) or (iii), determined without regard to Code Section 416(i)(5), at any time during the 12-month period ending on the Identification Date, as determined in accordance with Code Section 409A(a)(2)(B)(i) and the final regulations thereunder.

(b) A Participant who meets the requirements of paragraph (a) on an Identification Date shall be treated as a Specified Employee for the 12-month period beginning on the first day of the 4th month following the Identification Date. The Identification Date and the effective date of the delay in distributions shall be determined in accordance with Section 1.06 of the Adoption Agreement.

(c) The 6 month delay does not apply to payments under the circumstances described in Reg. Sec. 1.409A-3(j)(4)(ii), (j)(4)(iii), or (j)(4)(vi), or to payments that occur after the death of the Participant. If the payment of all or any portion of the Participant's vested Account is being delayed in accordance with this Section 9.6 at the time he incurs a Disability which would otherwise require a distribution under the terms of the Plan, no amount shall be paid until the expiration of the 6-month period of delay required by this Section 9.6.

9.7 Change in Control. If the Plan Sponsor has elected to permit distributions upon a Change in Control, the following provisions shall apply. A distribution made upon a Change in Control will be made at the time specified in Section 6.01(a) of the Adoption Agreement in the form elected by the Participant in accordance with the procedures described in Article 4. Alternatively, if the Plan Sponsor has elected in accordance with Section 11.02 of the Adoption Agreement to require distributions upon a Change in Control, the Participant's remaining vested Account shall be paid to the Participant or the Participant's Beneficiary at the time specified in Section 6.01(a) of the Adoption Agreement as a single lump sum payment. A Change in Control, for purposes of the Plan, will occur upon a change in the ownership of the Plan Sponsor, a change in the effective control of the Plan Sponsor or a change in the ownership of a substantial portion of the assets of the Plan Sponsor, as determined in accordance with Code Section 409A(a)(2)(A)(v) and the final regulations thereunder, but only if elected by the Plan Sponsor in Section 11.03 of the Adoption Agreement. The Plan Sponsor, for this purpose, includes any corporation identified in this Section 9.7. All distributions made in accordance with this Section 9.7 are subject to the provisions of Section 9.6.

If a Participant continues to make deferrals in accordance with Article 4 after he has received a distribution due to a Change in Control, the residual amount payable to the Participant shall be paid at the time and in the form specified in the elections he makes in accordance with Article 4 or upon his death or Disability as provided in Article 8.

Whether a Change in Control has occurred will be determined by the Administrator in accordance with the rules and definitions set forth in this Section 9.7.

(a) Relevant Corporations. To constitute a Change in Control for purposes of the Plan, the event must relate to (i) the corporation for whom the Participant is performing services at the time of the Change in Control, (ii) the corporation that is liable for the payment of the Participant's benefits under the Plan (or all corporations liable if more than one corporation is liable) but only if either the deferred compensation is attributable to the performance of services by the Participant for such corporation (or corporations) or there is a bona fide business purpose for such corporation (or corporations) to be liable for such payment and, in either case, no significant purpose of making such corporation (or corporations) liable for such payment is the avoidance of federal income tax, or (iii) a corporation that is a majority shareholder of a corporation identified in (i) or (ii), or any corporation in a chain of corporations in which each corporation is a majority shareholder of another corporation in the chain, ending in a corporation identified in (i) or (ii). A majority shareholder is defined as a shareholder owning more than 50% of the total fair market value and voting power of such corporation.

(b) Stock Ownership. Code Section 318(a) applies for purposes of determining stock ownership. Stock underlying a vested option is considered owned by the individual who owns the vested option (and the stock underlying an unvested option is not considered owned by the individual who holds the unvested option). If, however, a vested option is exercisable for stock that is not substantially vested (as defined by Treasury Regulation Section 1.83-3(b) and (j)) the stock underlying the option is not treated as owned by the individual who holds the option.

(c) Change in the Ownership of a Corporation. A change in the ownership of a corporation occurs on the date that any one person or more than one person acting as a group, acquires ownership of stock of the corporation that, together with stock held by such person or group, constitutes more than 50% of the total fair market value or total voting power of the stock of such corporation. If any one person or more than one person acting as a group is considered to own more than 50% of the total fair market value or total voting power of the stock of a corporation, the acquisition of additional stock by the same person or persons is not considered to cause a change in the ownership of the corporation (or to cause a change in the effective control of the corporation as discussed below in Section 9.7(d)). An increase in the percentage of stock owned by any one person, or persons acting as a group, as a result of a transaction in which the corporation acquires its stock in exchange for property will be treated as an acquisition of stock. Section 9.7(c) applies only when there is a transfer of stock of a corporation (or issuance of stock of a corporation) and stock in such corporation remains outstanding after the transaction. For purposes of this

Section 9.7(c), persons will not be considered to be acting as a group solely because they purchase or own stock of the same corporation at the same time or as a result of the same public offering. Persons will, however, be considered to be acting as a group if they are owners of a corporation that enters into a merger, consolidation, purchase or acquisition of stock, or similar business transaction with the corporation. If a person, including an entity, owns stock in both corporations that enter into a merger, consolidation, purchase or acquisition of stock, or similar transaction, such shareholder is considered to be acting as a group with other shareholders only with respect to the ownership in that corporation before the transaction giving rise to the change and not with respect to the ownership interest in the other corporation.

(d) Change in the effective control of a corporation. A change in the effective control of a corporation occurs on the date that either (i) any one person, or more than one person acting as a group, acquires (or has acquired during the 12-month period ending on the date of the most recent acquisition by such person or persons) ownership of stock of the corporation possessing 30% or more of the total voting power of the stock of such corporation, or (ii) a majority of members of the corporation's board of directors is replaced during any 12-month period by directors whose appointment or election is not endorsed by a majority of the members of the corporation's board of directors prior to the date of the appointment or election, provided that for purposes of this paragraph (ii), the term corporation refers solely to the relevant corporation identified in Section 9.7(a) for which no other corporation is a majority shareholder for purposes of Section 9.7(a). In the absence of an event described in Section 9.7(d)(i) or (ii), a change in the effective control of a corporation will not have occurred. A change in effective control may also occur in any transaction in which either of the two corporations involved in the transaction has a change in the ownership of such corporation as described in Section 9.7(c) or a change in the ownership of a substantial portion of the assets of such corporation as described in Section 9.7(e). If any one person, or more than one person acting as a group, is considered to effectively control a corporation within the meaning of this Section 9.7(d), the acquisition of additional control of the corporation by the same person or persons is not considered to cause a change in the effective control of the corporation or to cause a change in the ownership of the corporation within the meaning of Section 9.7(c). For purposes of this Section 9.7(d), persons will or will not be considered to be acting as a group in accordance with rules similar to those set forth in Section 9.7(c).

(e) Change in the ownership of a substantial portion of a corporation's assets. A change in the ownership of a substantial portion of a corporation's assets occurs on the date that any one person, or more than one person acting as a group (as determined in accordance with rules similar to those set forth in Section 9.7(d)), acquires (or has acquired during the 12-month period

ending on the date of the most recent acquisition by such person or persons) assets from the corporation that have a total gross fair market value equal to or more than 40% of the total gross fair market value of all of the assets of the corporation immediately prior to such acquisition or acquisitions. For this purpose, gross fair market value means the value of the assets of the corporation of the value of the assets being disposed of determined without regard to any liabilities associated with such assets. There is no Change in Control event under this Section 9.7(e) when there is a transfer to an entity that is controlled by the shareholders of the transferring corporation immediately after the transfer. A transfer of assets by a corporation is not treated as a change in ownership of such assets if the assets are transferred to (i) a shareholder of the corporation (immediately before the asset transfer) in exchange for or with respect to its stock, (ii) an entity, 50% or more of the total value or voting power of which is owned, directly or indirectly, by the corporation, (iii) a person, or more than one person acting as a group, that owns, directly or indirectly, 50% or more of the total value or voting power of all the outstanding stock of the corporation, or (iv) an entity, at least 50% of the total value or voting power of which is owned, directly or indirectly, by a person described in Section 9.7(e)(iii). For purposes of the foregoing, and except as otherwise provided, a person's status is determined immediately after the transfer of assets. For purposes of this Section 9.7(e), persons will not be considered to be acting as a group solely because they purchase assets of the same corporation at the same time. Persons will, however, be considered to be acting as a group if they are owners of a corporation that enters into a merger, consolidation, purchase or acquisition of assets, or similar business transaction with the corporation. If a person, including an entity shareholder, owns stock in both corporations that enter into a merger, consolidation, purchase or acquisition of assets, or similar transaction, such shareholder is considered to be acting as a group with other shareholders in a corporation only to the extent of the ownership in that corporation before the transaction giving rise to the change and not with respect to the ownership interest in the other corporation.

9.8 Permissible Delays in Payment. Distributions may be delayed beyond the date payment would otherwise occur in accordance with the provisions of Articles 8 and 9 in any of the following circumstances as long as the Employer treats all payments to similarly situated Participants on a reasonably consistent basis, as determined in accordance with Reg. Sec. 1.409A-2(b)(7).

(a) The Employer may delay payment if it reasonably anticipates that its deduction with respect to such payment would be limited or eliminated by the application of Code Section 162(m). Payment must be made during the Participant's first taxable year in which the Employer reasonably anticipates, or should reasonably anticipate, that if the payment is made during such year the deduction of such payment will not be barred by the application of Code Section 162(m) or during the period beginning with the Participant's Separation from Service and ending on the later of the last day

of the Employer's taxable year in which the Participant separates from service or the 15th day of the third month following the Participant's Separation from Service. If a scheduled payment to a Participant is delayed in accordance with this Section 9.8(a), all scheduled payments to the Participant that could be delayed in accordance with this Section 9.8(a) will also be delayed. Where the payment is delayed to a date on or after the Participant's Separation from Service, the payment will be considered a payment upon a Separation from Service, subject to the provisions of Section 9.6.

(b) The Employer may also delay payment if it reasonably anticipates that the making of the payment will violate federal securities laws or other applicable laws provided payment is made at the earliest date on which the Employer reasonably anticipates that the making of the payment will not cause such violation.

(c) The Employer reserves the right to amend the Plan to provide for a delay in payment upon such other events and conditions as the Secretary of the Treasury may prescribe in generally applicable guidance published in the Internal Revenue Bulletin.

9.9 **Overpayments**. In the event of a payment in excess of the amount due under the terms of the Plan ("overpayment"), the overpayment must be returned to the Plan by the recipient. Furthermore, the Plan and its agents are authorized to (a) recoup overpayments plus any earnings or interest, and (b) if necessary, offset any overpayments that are not returned against other Plan benefits to which the recipient is or becomes entitled.

ARTICLE 10 – AMENDMENT AND TERMINATION

10.1 Amendment by Plan Sponsor. The Plan Sponsor reserves the right to amend the Plan (for itself and each Employer). The Plan Sponsor's Benefits Administrative Committee may adopt amendments to the Plan that result in an increase or decrease in the then current annual cost of the Plan by 50% or less. The Plan Sponsor's Chief Executive Officer, Chief Financial Officer and Chief Operations Officer (the "Specified Executives") may jointly adopt amendments to the Plan that increase the then current annual cost of the Plan by up to 100%. The Plan Sponsor's Human Resources Committee may adopt amendments to the Plan that decrease the annual cost of the Plan by more than 50% or increase the annual cost of the Plan by more than 100%. Such amendments shall be as set forth in an instrument in writing executed as follows. Amendments adopted by the Plan Sponsor's Benefits Administrative Committee shall be executed by a member of such Committee. Amendments adopted by the Specified Executives shall be executed by the Specified Executives. Amendments adopted by the Plan Sponsor's Human Resources Committee shall be executed by a member of such Committee. No amendment can directly or indirectly deprive any current or former Participant or Beneficiary of all or any portion of his Account which had accrued prior to the amendment.

10.2 Plan Termination Following Change in Control or Corporate Dissolution.

If so elected by the Plan Sponsor in 11.01 of the Adoption Agreement:

(a) The Related Employer reserves the right to terminate the Plan in accordance with Reg. Sec.1.409A-3(j)(4)(ix)(B), pursuant to the Related Employer's termination and liquidation of the Plan pursuant to irrevocable action taken by the Related Employer within the 30 days preceding or the 12 months following a Change in Control. This Section 10.2(a) will only apply to a payment under a plan if all agreements, methods, programs and other arrangements sponsored by the Related Employer immediately after the Change in Control with respect to which deferrals of compensation are treated as having been deferred under a single plan under Reg. Sec. 1.409A-1(c)(2) are terminated and liquidated with respect to each participant that experienced the Change in Control, so that under the terms of the termination and liquidation all such participants are required to receive all amounts of compensation deferred under the terminated agreements, methods, programs, and other arrangements within 12 months of the date the Related Employer irrevocably takes all necessary action to terminate and liquidate the agreements, methods, programs, and other arrangements. Solely for purposes of this Section 10.2(a), where the Change in Control results from an asset purchase transaction, the applicable Related Employer with the discretion to liquidate and terminate the agreements, methods, programs, and other arrangements is the Related Employer that is primarily liable immediately after the transaction for the payment of the deferred compensation.

(b) In addition, the Related Employer reserves the right to terminate the Plan, in accordance with Reg. Sec.1.409A-3(j)(4)(ix)(A), pursuant to the Related Employer's termination and liquidation of the Plan within 12 months of a corporate dissolution taxed under Code Section 331 or with the approval of a bankruptcy court pursuant to 11 U. S. C. Section 503(b)(1)(A), provided that amounts deferred under the Plan are included in the gross incomes of Participants in the latest of (a) the calendar year in which the Plan termination and liquidation occurs, (b) the first calendar year in which the amount is no longer subject to a substantial risk of forfeiture, or (c) the first calendar year in which payment is administratively practicable (or, if earlier, the taxable year in which the amount is actually or constructively received).

10.3 Other Plan Terminations. The Related Employer retains the discretion to terminate the Plan, in accordance with Reg. Sec.1.409A-3(j)(4)(ix)(C), pursuant to the Related Employer's termination and liquidation of the Plan if (a) the Related Employer terminates and liquidates all agreements, methods, programs, and other arrangements sponsored by the Related Employer that would be aggregated with any terminated and liquidated agreements, methods, programs, and other arrangements under Reg. Sec. 1.409A-1(c) if the same Related Employer had deferrals of compensation under all of the agreements, methods, programs, and other arrangements that are terminated and liquidated, (b) no payments in liquidation of the Plan are made within 12 months of the date the Related Employer takes all necessary action to irrevocably terminate and liquidate the Plan other than payments that would be payable under the terms of the Plan if the action to terminate and liquidate the Plan had not occurred, (c) all payments are made within 24 months of the date the Related Employer takes all necessary action to irrevocably terminate and liquidate the Plan, (d) the Related Employer does not adopt a new plan that would be aggregated with any terminated and liquidated plan under Reg. Sec. 1.409A-1(c) if the same participant participated in both plans, at any time within the 3-year period following the date the Related Employer takes all necessary action to irrevocably terminate and liquidated the Plan, and (e) the termination and liquidation does not occur proximate to a downturn in the financial health of the Related Employer. The Plan Sponsor also reserves the right to amend the Plan to provide that termination of the Plan will occur under such conditions and events as may be prescribed by the Secretary of the Treasury in generally applicable guidance published in the Internal Revenue Bulletin.

10.4 Code Section 409A Limitation. Notwithstanding any provision of the Plan to the contrary, in no event shall any amendment or termination of the Plan be effective unless one of the following is true: (i) the amendment or termination does not cause an acceleration or impermissible delay in payment of benefits under Code Section 409A, (ii) any acceleration or delay in payment is covered by an exception to the prohibition on accelerations or delays under Code Section 409A, or (iii) the Plan

Sponsor and the Participant acknowledge in writing that the amendment or termination accelerates or delays the payment of benefits and is likely to result in Code Section 409A penalties.

ARTICLE 11 – THE TRUST

11.1 **Establishment of Trust.** The Plan Sponsor may but is not required to establish a trust to hold amounts which the Plan Sponsor may contribute from time to time to correspond to some or all amounts credited to Participants under Section 6.2. If the Plan Sponsor elects to establish a trust in accordance with Section 10.01 of the Adoption Agreement, the provisions of Sections 11.2 and 11.3 shall become operative.

11.2 **Grantor Trust.** Any trust established by the Plan Sponsor shall be between the Plan Sponsor and a trustee pursuant to a separate written agreement under which assets are held, administered and managed, subject to the claims of the Plan Sponsor's creditors in the event of the Plan Sponsor's insolvency. The trust is intended to be treated as a grantor trust under the Code, and the establishment of the trust shall not cause the Participant to realize current income on amounts contributed thereto. The Plan Sponsor must notify the trustee in the event of a bankruptcy or insolvency.

11.3 **Investment of Trust Funds.** Any amounts contributed to the trust by the Plan Sponsor shall be invested by the trustee in accordance with the provisions of the trust and the instructions of the Administrator. Trust investments need not reflect the hypothetical investments selected by Participants under Section 7.1 for the purpose of adjusting Accounts and the earnings or investment results of the trust need not affect the hypothetical investment adjustments to Participant Accounts under the Plan.

ARTICLE 12 – PLAN ADMINISTRATION

12.1 Discretionary Powers and Responsibilities of the Administrator. The Administrator has the full discretionary power and the full responsibility to administer the Plan in all of its details, subject, however, to the applicable requirements of ERISA. The Administrator's discretionary powers and responsibilities include, but are not limited to, the following:

(a) To make and enforce such rules and procedures as it deems necessary or proper for the efficient administration of the Plan;

(b) To interpret the Plan, its interpretation thereof to be final, except as provided in Section 12.2, on all persons claiming benefits under the Plan;

(c) To decide all questions concerning the Plan and the eligibility of any person to participate in the Plan;

(d) To administer the claims and review procedures specified in Section 12.2;

(e) To compute the amount of benefits which will be payable to any Participant, former Participant or Beneficiary in accordance with the provisions of the Plan;

(f) To determine the person or persons to whom such benefits will be paid;

(g) To authorize the payment of benefits;

(h) To comply with the reporting and disclosure requirements of Part 1 of Subtitle B of Title I of ERISA;

(i) To appoint such agents (which may include officers and/or employees of the Plan Sponsor), counsel, accountants, and consultants as may be required to assist in administering the Plan; or

(j) By written instrument, to allocate and delegate its responsibilities, including the formation of an Administrative Committee to administer the Plan. Such responsibilities have been delegated to the Plan Sponsor's Benefits Administrative Committee. The authority to appoint new members of the Plan Sponsor's Benefits Administrative Committee has been delegated to the Plan Sponsor's Executive Vice President of Human Resources (or its equivalent if job titles are modified).

Any decision or action of the Administrator in respect of any question arising out of or in connection with the administration, interpretation and application of the Plan and the rules and regulations promulgated hereunder shall be final, conclusive and binding upon all persons having any interest in the Plan, unless found by a court of competent jurisdiction to be an abuse of discretion.

12.2 Claims and Review Procedures.

(a) Claims Procedure. If any person believes he is being denied any rights or benefits under the Plan, such person may file a claim in writing with the Administrator. If any such claim is wholly or partially denied, the Administrator will notify such person of its decision in writing. Such notification will contain (i) specific reasons for the denial, (ii) specific reference to pertinent Plan provisions, (iii) a description of any additional material or information necessary for such person to perfect such claim and an explanation of why such material or information is necessary, and (iv) a description of the Plan's review procedures and the time limits applicable to such procedures, including a statement of the person's right to bring a civil action following an adverse decision on review. Such notification will be given within 90 days (45 days in the case of a claim regarding Disability) after the claim is received by the Administrator. The Administrator may extend the period for providing the notification by 90 days (30 days in the case of a claim regarding Disability) if special circumstances require an extension of time for processing the claim and if written notice of such extension and circumstance is given to such person within the initial 90 day period (45 day period in the case of a claim regarding Disability). If such notification is not given within such period, the claim will be considered denied as of the last day of such period and such person may request a review of his claim.

(b) Review Procedure. Within 60 days (180 days in the case of a claim regarding Disability) after the date on which a person receives a written notification of denial of claim (or, if written notification is not provided, within 60 days (180 days in the case of a claim regarding Disability) of the date denial is considered to have occurred), such person (or his duly authorized representative) may (i) file a written request with the Administrator for a review of his denied claim and of pertinent documents and (ii) submit written issues and comments to the Administrator. The Administrator will notify such person of its decision in writing. Such notification will be written in a manner calculated to be understood by such person and will contain specific reasons for the decision as well as specific references to pertinent Plan provisions. The notification will explain that the person is entitled to receive, upon request and free of charge, reasonable access to and copies of all pertinent documents and has the right to bring a civil action following an adverse decision on review. The decision on review will be made within 60 days (45 days in the case of a claim regarding Disability). The Administrator may extend the period for making the decision on review by 60 days (45 days in the case of a claim regarding Disability) if special circumstances require an extension of time for processing the request such as an election by the Administrator to hold a hearing, and if written notice of such extension and circumstances is given to such person within the initial 60-day period (45 days in the case of a claim regarding Disability). If the decision on review is not made within such period, the claim will be considered denied.

(c) Exhaustion of Administrative Remedies/Limitations on Actions. The claims and review procedures set forth in this Section 12.2 shall be strictly adhered to by each person claiming benefits under this Plan and no judicial proceedings with respect to any claim for Plan benefits hereunder shall be commenced by any such person until the proceedings set forth herein have been exhausted in full. No action (whether at law, in equity or otherwise), including, but not limited to, a civil action under Section 502(a) of ERISA, shall be brought by or on behalf of any person for or with respect to benefits due under this Plan unless the person bringing such action has timely exhausted the Plan's claims and review procedures. Any action (whether at law, in equity or otherwise) must be filed and litigated in the U.S. District Court with jurisdiction over the claim, and must be commenced within one year. This one-year period shall be computed from the earliest of (a) the date a final determination denying such benefit, in whole or in part, is issued under the Plan's claims and review procedures, (b) one year after a claim for Plan benefits was initially filed, and (c) the date such person's cause of action first accrued. If a person does not bring such an action within such one-year period, the person will be barred from bringing such action. In the event a judicial proceeding is timely filed, the evidence presented by the person claiming Plan benefits shall be limited to the evidence presented by such person during the administrative claims and review process described herein. The claimant shall be prohibited from presenting in any legal action any evidence that was not timely presented to the Administrator as part of the Plan's administrative claims and review process.

12.3 Plan Administrative Costs. All reasonable costs and expenses (including legal, accounting, and employee communication fees) incurred by the Employer for the administration, management or operation of the Plan may be deducted from the Accounts of the Participants as determined by the Administrator.

ARTICLE 13 – MISCELLANEOUS

13.1 **Unsecured General Creditor of the Employer.** Participants and their Beneficiaries, heirs, successors and assigns shall have no legal or equitable rights, interests or claims in any property or assets of the Employer. For purposes of the payment of benefits under the Plan, any and all of the Employer's assets shall be, and shall remain, the general, unpledged, unrestricted assets of the Employer. Each Employer's obligation under the Plan shall be merely that of an unfunded and unsecured promise to pay money in the future.

13.2 **Employer's Liability.** Each Employer's liability for the payment of benefits under the Plan shall be defined only by the Plan and by the deferral forms entered into between a Participant and the Employer. An Employer shall have no obligation or liability to a Participant under the Plan except as provided by the Plan and a deferral form or forms. An Employer shall have no liability to Participants employed by other Employers.

13.3 **Limitation of Rights.** Neither the establishment of the Plan, nor any amendment thereof, nor the creation of any fund or account, nor the payment of any benefits, will be construed as giving to the Participant or any other person any legal or equitable right against the Employer, the Plan or the Administrator, except as provided herein; and in no event will the terms of employment or service of the Participant be modified or in any way affected hereby.

13.4 **Anti-Assignment.** Except as may be necessary to fulfill a qualified domestic relations order within the meaning of ERISA Section 206(d)(3)(B)(i), none of the benefits or rights of a Participant or any Beneficiary of a Participant shall be subject to the claim of any creditor. In particular, to the fullest extent permitted by law, all such benefits and rights shall be free from attachment, garnishment, or any other legal or equitable process available to any creditor of the Participant and his Beneficiary. Neither the Participant nor his Beneficiary shall have the right to alienate, anticipate, commute, pledge, encumber, or assign any of the payments which he may expect to receive, contingently or otherwise, under the Plan, except the right to designate a Beneficiary to receive death benefits provided hereunder. Notwithstanding the preceding, the benefit payable from a Participant's Account may be reduced, at the discretion of the administrator, to satisfy any debt or liability to the Employer; provided that such reduction does not result in a prohibited acceleration of payments under Reg. Sec. 1.409A-3(j). A domestic relations order shall not be treated as a qualified domestic relations order for purposes of this Plan, unless the following conditions are satisfied:

(a) Payments to the alternate payee must commence on either (i) the last business day of the month in which occurs the 60th day following the date the domestic relations order is furnished to the Plan Sponsor, or (ii) the last business day of January beginning in the calendar year following the date the domestic relations order is furnished to the Plan Sponsor.

(b) Payments to the alternate payee must be in the form of a lump sum distribution or an annual installment payment method available to Participants in the Plan.

(c) If the domestic relations order provides the alternate payee with an election with respect to the time of payment, but the alternate payee does not elect a time of payment using procedures established by the Plan prior to the last business day of the month in which occurs the 60th day following the date the domestic relations order is furnished to the Plan Sponsor, payment to the alternate payee shall be made or commence on the last business day of the month in which occurs the 60th day following the date the domestic relations order is furnished to the Plan Sponsor.

(d) If the domestic relations order provides the alternate payee with an election with respect to the form of payment, but the alternate payee does not elect a form of payment using procedures established by the Plan prior to the last business day of the month in which occurs the 60th day following the date the domestic relations order is furnished to the Plan Sponsor, payment to the alternate payee shall be in a lump sum distribution.

13.5 **Facility of Payment**. If the Administrator determines, on the basis of medical reports or other evidence satisfactory to the Administrator, that the recipient of any benefit payments under the Plan is incapable of handling his affairs by reason of minority, illness, infirmity or other incapacity, the Administrator may direct the Employer to disburse such payments to a person or institution designated by a court which has jurisdiction over such recipient or a person or institution otherwise having the legal authority under State law for the care and control of such recipient. The receipt by such person or institution of any such payments therefore, and any such payment to the extent thereof, shall discharge the liability of the Employer, the Plan and the Administrator for the payment of benefits hereunder to such recipient.

13.6 **Notices.** Any notice or other communication to the Employer or Administrator in connection with the Plan shall be deemed delivered in writing if addressed to the Plan Sponsor at the address specified in Section 1.03 of the Adoption Agreement and if either actually delivered at said address or, in the case of a letter, 5 business days shall have elapsed after the same shall have been deposited in the United States mails, first-class postage prepaid and registered or certified.

13.7 **Tax Withholding.** The Employer may withhold any Tax with respect to any deferral, contribution, allocation, earnings, or payment hereunder from any such amount or from any payment due the Participant or other recipient at any time permitted by law, or may otherwise make appropriate arrangements with the Participant or other recipient, or the trustee of the grantor trust referenced in Section 10.01 of the Adoption Agreement, for satisfaction of such obligation at any time permitted by law. Any Notice of Termination for Cause is required to include a copy of a resolution duly adopted by the affirmative vote of not less than three-quarters (3/4) of the entire membership of the Board at a meeting of the Board which was called and held for the purpose of considering such termination (after reasonable notice to the Participant and an opportunity for the Participant, together with the Participant's counsel, to be heard before the Board) finding that, in the good faith opinion of the Board, the Participant was guilty of conduct set forth in the definition of Cause herein, and specifying the particulars thereof in detail.

1.10. "Change in Control" shall mean the first of the following events to occur:

(a) During any twenty-four (24) month period, individuals who, as of the beginning of such period, constitute the Board (the "Incumbent Directors") cease for any reason to constitute at least a majority of the Board, provided that any person becoming a director subsequent to the beginning of such period whose election or nomination for election was approved by a vote of at least a majority of the Incumbent Directors then on the Board (either by a specific vote or by approval of the proxy statement of the Company in which such person is named as a nominee for director, without written objection to such nomination) shall be an Incumbent Director; provided, however, that no individual initially elected or nominated as a director of the Company as a result of an actual or threatened election contest with respect to directors or as a result of any other actual or threatened solicitation of proxies by or on behalf of any person other than the Board shall be deemed to be an Incumbent Director;

(b) Any "person" (as such term is defined in the Exchange Act and as used in Sections 13(d)(3) and 14(d)(2) of the Exchange Act) is or becomes a "beneficial owner" (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing 35% or more of the combined voting power of the Company's then outstanding securities eligible to vote for the election of the Board (the "Company Voting Securities"); provided, however, that the event described in this paragraph (b) shall not be deemed to be a Change in Control by virtue of any of the following acquisitions: (i) by the Company or any Subsidiary, (ii) by any employee benefit plan (or related trust) sponsored or maintained by the Company or any Subsidiary, (iii) by any underwriter temporarily holding securities pursuant to an offering of such securities, or (iv) pursuant to a Non-Qualifying Transaction, as defined in paragraph (c);

(c) The consummation of a merger, consolidation, statutory share exchange or similar form of corporate transaction involving the Company or any of its Subsidiaries that requires the approval of the Company's stockholders, whether for such transaction or the issuance of securities in the transaction (a "Business Combination"), unless immediately following such Business Combination: (i) more than 50% of the total voting power of (A) the corporation resulting from such Business Combination (the "Surviving Corporation"), or (B) if applicable, the ultimate parent corporation that directly or indirectly has beneficial ownership of 100% of the voting securities eligible to elect directors of the Surviving Corporation (the "Parent Corporation"), is represented by Company Voting Securities that were outstanding immediately prior to such Business Combination (or, if applicable, is represented by shares into which such Company Voting Securities were converted pursuant to such Business Combination), and such voting power among the holders thereof is in substantially the same proportion as the voting power of such Company Voting Securities among the holders thereof immediately prior to the Business Combination, (ii) no person (other than any employee benefit plan (or related trust) sponsored or maintained by the Surviving Corporation or the Parent Corporation), is or becomes the beneficial owner, directly or indirectly, of 35% or more of the total voting power of the outstanding voting securities eligible to elect directors of the Parent Corporation (or, if there is no Parent Corporation, the Surviving Corporation) and (iii) at least a majority of the members of the board of directors of the Parent Corporation (or, if there is no Parent Corporation, the Surviving Corporation) following the consummation of the Business Combination were Incumbent Directors at the time of the Board's approval of the execution of the initial agreement providing for such Business Combination (any Business Combination which satisfies all of the criteria specified in (i), (ii) and (iii) above shall be deemed to be a "Non-Qualifying Transaction"); or

(d) The stockholders of the Company approve a plan of complete liquidation or dissolution of the Company or the consummation of a sale of all or substantially all of the Company's assets.

Notwithstanding the foregoing, a Change in Control shall not be deemed to occur solely because any person acquires beneficial ownership of more than 35% of the Company Voting Securities as a result of the acquisition of Company Voting Securities by the Company which reduces the number of Company Voting Securities outstanding; provided, that if after such acquisition by the Company such person becomes the beneficial owner of additional Company Voting Securities that increases the percentage of outstanding Company Voting Securities beneficially owned by such person, a Change in Control of the Company shall then occur.

Further notwithstanding the foregoing, if a Change in Control constitutes a payment event with respect to any benefit payable under this Plan which provides for the deferral of compensation that is subject to Section 409A of the Code, to the extent required to avoid the imposition of additional taxes under Section 409A of the Code, the transaction or event described in this Section 1.10, with respect to such benefit shall only constitute a Change in Control for purposes of the payment timing of such benefit if such transaction also constitutes a "change in control event," as defined in Treasury Regulation §1.409A-3(i)(5).

(iii) a material diminution in the Participant's authority, duties, or responsibilities, or a material adverse change in the Participant's reporting relationship (e.g. for each Participant who reports directly to the Company's Chief Executive Officer, not reporting directly to the Company's Chief Executive Officer); (iv) any requirement of the Company, a Subsidiary, or Affiliate of the Company that the Participant be based anywhere more than fifty (50) miles from the Participant's primary office location and in a new office location that is a greater distance from the Participant's principal residence; or (v) the failure of any successor to expressly assume and agree to perform this Plan in accordance with Section 5.1 hereof. Notwithstanding the foregoing, a termination for Good Reason shall not have occurred unless the Participant gives written notice to the Company of the Participant's intention to terminate employment within ninety (90) days after the occurrence of the event constituting Good Reason, specifying in reasonable detail the circumstances constituting Good Reason, and the Company has failed within thirty (30) days after receipt of such notice to cure the circumstances constituting Good Reason and the Participant terminates employment within six (6) months of the end of such thirty (30) day period.

1.24. "Qualifying Termination" shall mean if a Participant's employment terminates during the Change in Control Period (i) by the Company, a Subsidiary or Affiliate other than for Cause or (ii) by the Participant with Good Reason; provided, however, that in order for such a termination of employment to constitute a Qualifying Termination during the six (6) month period prior to the consummation of a Change in Control, such termination (x) was at the request of a third party who had taken steps reasonably calculated or intended to effect a Change in Control or (y) otherwise arose in connection with or in anticipation of a Change in Control.

"Target Annual Bonus" shall mean the Participant's target annual cash bonus pursuant to any annual bonus or incentive plan maintained by the Company, or a Subsidiary or Affiliate of the Company, in respect of the fiscal year in which occurs the Date of Termination or, if higher, immediately prior to the fiscal year in which occurs the first event or circumstance constituting Good Reason; provided, that if the Participant is not eligible to receive a specified target annual cash bonus following the Change in Control, then Target Annual Bonus shall mean such target annual cash bonus in effect as of immediately prior to the date of the Change in Control. For the avoidance of doubt, the Target Annual Bonus shall be calculated using the Base Salary as in effect immediately prior to the Date of Termination or, if higher, in effect immediately prior to the first occurrence of an event or circumstance constituting Good Reason.

1.28. "Tax Counsel" shall have the meaning set forth in Section 9.3 hereof.

1.29. Section 2. SEVERANCE ELIGIBILITY AND PAYMENTS.

2.1. Benefits Upon Qualifying Termination. If a Participant incurs a Qualifying Termination during the Change in Control Period, then the Participant shall be entitled to receive (a) the Accrued Rights, and (b) provided that the Participant executes a general release of claims in a form acceptable to the Committee (the "Release") and all applicable revocation periods relating to the Release expire within fifty-five (55) days following the Date of Termination:

(i) A lump sum cash payment from Participant's Employer equal to the product of the Base Severance Payment and (A) two-and-one-half (2.5) for each Tier 1 Participant and (B) two (2.0) for each Tier 2 Participant;

(ii) A lump sum cash payment from Participant's Employer equal to the product of (A) the Target Annual Bonus and (B) a fraction, the numerator of which is the number of days elapsed in the fiscal year in which occurs the Date of Termination, through and including the Date of Termination, and the denominator of which is the aggregate number of days in such fiscal year;

(iii) A lump sum payment from Participant's Employer of an amount equal to one hundred percent (100%) of the premiums required for twelve (12) months of continuation of the Participant's (and his or her eligible dependents') health, dental, and vision coverage (as provided under the continuation health coverage rules of COBRA) (the sum of the amounts payable in subsections (i), (ii) and (iii), the "Cash Payment");

(iv) Outplacement services suitable to the Participant's position (but in no event will the aggregate cost of such services exceed $50,000) until the earlier of (A) the end of the calendar year following the calendar year in which occurs the Date of Termination and (B) the Participant's acceptance of an offer of full-time employment from a subsequent employer; and

(v) Any equity-based awards (other than performance-based awards as described below) granted to the Participant under equity plans maintained by the Company before, on or after the Participant first becomes eligible to participate in this Plan shall become immediately vested (any restricted stock or restricted stock units shall become immediately payable and any stock options shall become immediately exercisable), and the Participant shall have a period of two (2) years following the Date of Termination (but in no event past the expiration of the term of the option grant) to exercise any such stock options; provided, that to the extent any such amount relates to a restricted stock unit that is nonqualified deferred compensation subject to Section 409A of the Code and to the extent required to avoid accelerated taxation and/or tax penalties under Section 409A of the Code, the corresponding amounts shall be paid, without interest, at the earliest time permitted under the terms of the applicable agreement, plan or arrangement relating to the restricted stock unit without incurring such accelerated taxation and/or tax penalties under Section 409A of the Code. Any performance-based equity-awards granted to the Participant under equity plans maintained by the Company before, on or after the Participant first becomes eligible to participate in this Plan shall become immediately vested; provided, however, that the number of shares that vest or become earned shall be equal to the target number of shares unless otherwise provided for in the Participant's equity award agreements. Payment shall be in the form as provided for in the applicable equity plans. If at the Date of Termination of a Participant under this Plan no Change in Control shall have occurred within the previous twenty-four (24) months, any equity-based awards to the Participant under any plan of the Company shall not expire, terminate, or be forfeited or cancelled, solely by reason of the termination of the Participant's employment with the Employer, until six (6) months have passed from the Participant's Date of Termination without a Change in Control occurring, any provisions to the contrary in the Participant's relevant equity award grants notwithstanding.

2.2. Timing of Payments and Benefits. The Cash Payment shall be made to the Participant within sixty (60) days following the Date of Termination, but in no event later than five (5) days following the date on which the Release becomes irrevocable; provided, that if the 60-day period begins in one taxable year and ends in a second taxable year, the payment shall be made in the second taxable year. Any equity acceleration shall occur upon the Date of Termination; provided, however, that if the Date of Termination occurs in the six (6) month period prior to a Change in Control, then any equity acceleration that results from such Qualifying Termination shall be subject to the consummation of the Change in Control and will not occur unless and until the time such Change in Control transaction is consummated.

2.3. Other Severance Payments. The Cash Payment shall be in lieu of any severance benefit otherwise payable to the Participant; provided that if the Company, a Subsidiary or an Affiliate of the Company is obligated by law or contract to pay a Participant other severance pay, a termination indemnity, notice pay, or the like, or if the Company, a Subsidiary or an Affiliate of the Company is obligated by law to provide advance notice of separation ("Other Severance"), then the amount of the Cash Payment otherwise payable to such Participant shall be reduced by the amount of any such Other Severance actually paid to the Participant (but not below zero), and in the event that the amount of such Other Severance exceeds the full amount of the Cash Payment, the Cash Payment shall be reduced to zero (0) and the Participant shall be eligible to receive the full amount of the Other Severance. In no event shall the provisions of this Plan result in the duplication of payments or benefits payable or provided to a Participant.

2.4. Coordination of Benefits. Notwithstanding anything set forth herein to the contrary, to the extent that any severance payable under a plan or agreement covering a Participant as of the date such Participant becomes eligible to participate in the Plan constitutes deferred compensation under Section 409A of the Code, then to the extent required to avoid accelerated taxation and/or tax penalties under Section 409A of the Code, the portion of the Cash Payment equal to such other amount shall instead be paid in the form provided for in such other plan or agreement. Further, to the extent, if any, that provisions of the Plan affect the time or form of payment of any amount which constitutes deferred compensation under Section 409A of the Code, then to the extent required to avoid accelerated taxation and/or tax penalties under Section 409A of the Code, if the Change in Control does not constitute a change in control event under Section 409A of the Code, the time and form (but not the amount) of payment shall be the time and form that would have been applicable in absence of a Change in Control.

Section 3. TERMINATION PROCEDURES AND COMPENSATION DURING DISPUTE

3.1. Notice of Termination. During the Change in Control Period, any purported termination of the Participant's employment (other than by reason of death) shall be communicated by written Notice of Termination from one party hereto to the other party hereto in accordance with Section 6 hereof. For purposes of this Plan, a "Notice of Termination" shall mean a notice which shall (i) indicate the specific termination provision

in this Plan relied upon and (ii) set forth in reasonable detail the facts and circumstances claimed to provide a basis for termination of the Participant's employment under the provision so indicated.

3.2. Date of Termination. "Date of Termination," with respect to any purported Qualifying Termination shall mean the date specified in the Notice of Termination (which, in the case of a termination by the Company, a Subsidiary or an Affiliate of the Company, shall not be less than thirty (30) days (except in the case of a termination for Cause) and, in the case of a termination by the Participant, shall not be less than fifteen (15) days nor more than sixty (60) days, respectively, from the date such Notice of Termination is given).

3.3. Reimbursement of Expenses. The Company, a Subsidiary or an Affiliate of the Company shall reimburse a Participant for all expenses (including reasonable attorney's fees) incurred by the Participant in enforcing this Plan or any provision hereof or as a result of the Company contesting the validity or enforceability of this Plan or any provision hereof, regardless of the outcome thereof; provided, that the Company shall not be obligated to pay any such fees and expenses arising out of any action brought by a Participant if the finder of fact in such action determines that the Participant's position in such action was frivolous or maintained in bad faith. Such costs shall be paid to such Participant promptly upon presentation of expense statements or other supporting information evidencing the incurrence of such expenses; provided that no reimbursement shall be provided following the end of the third taxable year following the year in which the Participant's termination of employment occurred.

Section 4. NO MITIGATION. The Company agrees that, if the Participant's employment with the Company, a Subsidiary or an Affiliate of the Company terminates during the Term, the Participant is not required to seek other employment or to attempt in any way to reduce any amounts payable to the Participant by the Company, a Subsidiary or an Affiliate of the Company pursuant to Section 2 hereof. Further, the amount of any payment provided for in this Plan shall not be reduced by any compensation earned by the Participant as the result of employment by another employer, by retirement benefits, by offset against any amount claimed to be owed by the Participant to the Company, or otherwise.

Section 5. SUCCESSORS; BINDING AGREEMENT.

5.1. Successors. In addition to any obligations imposed by law upon any successor to the Company, the Company will require any successor (whether direct or indirect, by purchase, merger, consolidation or otherwise) to all or substantially all of the business and/or assets of the Company to expressly assume and agree to perform this Plan in the same manner and to the same extent that the Company would be required to perform it if no such succession had taken place.

5.2. Enforcement by Participant's Successors. The Company's obligations under this Plan shall inure to the benefit of and be enforceable by the Participant's personal or legal representatives, executors, administrators, successors, heirs, distributees, devisees and

legatees. If the Participant shall die while any amount would still be payable to the Participant hereunder (other than amounts which, by their terms, terminate upon the death of the Participant) if the Participant had continued to live, all such amounts, unless otherwise provided herein, shall be paid in accordance with the terms of this Plan to the executors, personal representatives or administrators of the Participant's estate.

Section 6. NOTICES. Notices and all other communications provided for hereunder shall be in writing and shall be deemed to have been duly given when delivered or mailed by United States registered mail, return receipt requested, postage prepaid, addressed, if to the Participant, to the most recent address shown in the personnel records of the Company and, if to the Company, to the address set forth below, or to such other address as either party may have furnished to the other in writing in accordance herewith, except that notice of change of address shall be effective only upon actual receipt:

Section 7. SETTLEMENT OF DISPUTES; ARBITRATION. In the event of a claim by a Participant as to the amount or timing of any payment, such Participant shall present the reason for his claim in writing to the Committee. The Committee shall, within sixty (60) days after receipt of such written claim, send a written notification to the Participant as to its disposition. In the event the claim is wholly or partially denied, such written notification shall (i) state the specific reason or reasons for the denial, (ii) make specific reference to pertinent Plan provisions on which the denial is based, (iii) provide a description of any additional material or information necessary for the Participant to perfect the claim and an explanation of why such material or information is necessary, and (iv) set forth the procedure by which the Participant may appeal the denial of his claim. In the event a Participant wishes to appeal the denial of his claim, he may request a review of such denial by making application in writing to the Committee within sixty (60) days after receipt of such denial. Such Participant (or his duly authorized legal representative) may, upon written request to the Committee, review any documents pertinent to his claim, and submit in writing issues and comments in support of his position. Within sixty (60) days after receipt of a written appeal (unless special circumstances, such as the need to hold a hearing, require an extension of time, but in no event more than one hundred twenty (120) days after such receipt), the Committee shall notify the Participant of the final decision. The final decision shall be in writing and shall include specific reasons for the decision, written in a manner calculated to be understood by the claimant, and specific references to the pertinent Plan provisions on which the decision is based.

Section 8. PLAN MODIFICATION OR TERMINATION. The Plan may be amended by the Committee at any time;provided, that any amendment made in respect of any Participant that is adverse to the Participant's rights under the Plan shall be effective as to

that Participant upon 12 months' notice or the Participant's consent, whichever is first occurring. The Committee may terminate the Plan at any time that it shall have no Participants. Notwithstanding the foregoing, the Plan may not be terminated in whole or in part, or otherwise amended or modified in any respect, for two (2) years following a Change in Control.

Section 9. SECTION 280G.

9.1. Treatment of Payments. Notwithstanding the provisions of this Plan, in the event that any payment or benefit received or to be received by the Participant in connection with a Change in Control or the termination of the Participant's employment or service (whether pursuant to the terms of this Plan or any other plan, arrangement or agreement with the Company, any Subsidiary, any Affiliate, any Person whose actions result in a Change in Control or any Person affiliated with the Company or such Person) (all such payments and benefits, "Total Payments") would be subject (in whole or part), to the Excise Tax, then, after taking into account any reduction in the Total Payments provided by reason of Section 280G of the Code in such other plan, arrangement or agreement, the payment or benefit to be received by the Participant upon a Change in Control shall be reduced to the extent necessary so that no portion of the Total Payments is subject to the Excise Tax but only if the net amount of such Total Payments, as so reduced (and after subtracting the net amount of federal, state and local income taxes on such reduced Total Payments) is greater than or equal to the net amount of such Total Payments without such reduction (but after subtracting the net amount of federal, state and local income taxes on such Total Payments and the amount of Excise Tax to which the Participant would be subject in respect of such unreduced Total Payments).

9.2. Ordering of Reduction. In the case of a reduction in the Total Payments pursuant to Section 9.1, the Total Payments will be reduced in the following order: (i) payments that are payable in cash that are valued at full value under Treasury Regulation Section 1.280G-1, Q&A 24(a) will be reduced (if necessary, to zero), with amounts that are payable last reduced first; (ii) payments and benefits due in respect of any equity valued at full value under Treasury Regulation Section 1.280G-1, Q&A 24(a), with the highest values reduced first (as such values are determined under Treasury Regulation Section 1.280G-1, Q&A 24) will next be reduced; (iii) payments that are payable in cash that are valued at less than full value under Treasury Regulation Section 1.280G-1, Q&A 24, with amounts that are payable last reduced first, will next be reduced; (iv) payments and benefits due in respect of any equity valued at less than full value under Treasury Regulation Section 1.280G-1, Q&A 24, with the highest values reduced first (as such values are determined under Treasury Regulation Section 1.280G-1, Q&A 24) will next be reduced; and (v) all othernon-cash benefits not otherwise described in clauses (ii) or (iv) will be next reduced pro-rata.

9.3. Certain Determinations. For purposes of determining whether and the extent to which the Total Payments will be subject to the Excise Tax: (i) no portion of the Total Payments the receipt or enjoyment of which the Participant shall have waived at such time and in such manner as not to constitute a "payment" within the meaning of Section 280G(b) of the Code will be taken into account; (ii) no portion of the Total Payments will be taken

into account which, in the opinion of tax counsel ("Tax Counsel") reasonably acceptable to the Participant and selected by a nationally recognized accounting firm designated by the Company immediately prior to the Change in Control (the "Accounting Firm"), does not constitute a "parachute payment" within the meaning of Section 280G(b)(2) of the Code (including by reason of Section 280G(b)(4)(A) of the Code) and, in calculating the Excise Tax, no portion of such Total Payments will be taken into account which, in the opinion of Tax Counsel, constitutes reasonable compensation for services actually rendered, within the meaning of Section 280G(b)(4)(B) of the Code, in excess of the "base amount" (as set forth in Section 280G(b)(3) of the Code) that is allocable to such reasonable compensation; and (iii) the value of any non-cash benefit or any deferred payment or benefit included in the Total Payments will be determined by the Accounting Firm in accordance with the principles of Sections 280G(d)(3) and (4) of the Code.

9.4. Written Statement. If any of the Total Payments are subject to reduction pursuant to Section 9.1, the Company will provide the Participant with a written statement setting forth the manner in which such reduction was calculated and the basis for such calculations, including any opinions or other advice the Company received from Tax Counsel, the Accounting Firm, or other advisors or consultants (and any such opinions or advice which are in writing will be attached to the statement). If the Participant objects to the Company's calculations, the Company will pay to the Participant such portion of the Total Payments (up to 100% thereof) as the Participant determines is necessary to result in the proper application of this Section 9. All determinations required by this Section 9 (or requested by either the Participant or the Company in connection with this Section 9) will be at the expense of the Company.

9.5. Additional Payments. If the Participant receives reduced payments and benefits by reason of this Section 9 and it is established pursuant to a determination of a court of competent jurisdiction which is not subject to review or as to which the time to appeal has expired, or pursuant to an Internal Revenue Service proceeding, that the Participant could have received a greater amount without resulting in any Excise Tax, then the Company shall thereafter pay the Participant the aggregate additional amount which could have been paid without resulting in any Excise Tax as soon as reasonably practicable.

Section 10. GENERAL PROVISIONS.

10.1. Administration. The Plan shall be interpreted, administered and operated by the Committee, which shall have complete authority, in its sole discretion subject to the express provisions of the Plan, to interpret the Plan, to prescribe, amend and rescind rules and regulations relating to it and to make all other determinations necessary or advisable for the administration of the Plan. All questions of any character whatsoever arising in connection with the interpretation of the Plan or its administration or operation shall be submitted to and settled and determined by the Committee in accordance with the procedure for claims and appeals described in Section 7 hereof. Any such settlement and determination shall be final and conclusive, and shall bind and may be relied upon by the Company, each of the Participants and all other parties in interest. The Committee may delegate any of its duties hereunder to such person or persons from time to time as it may designate. For the avoidance of doubt, the Board shall have the authority to take all actions under the Plan that the Committee is permitted to take.

10.2. Assignment. Except as otherwise provided herein or by law, no right or interest of any Participant under the Plan shall be assignable or transferable, in whole or in part, either directly or by operation of law or otherwise, including without limitation, by execution, levy, garnishment, attachment, pledge or in any manner; no attempted assignment or transfer thereof shall be effective; and no right or interest of any Participant under the Plan shall be subject to, any obligation or liability of such Participant. When a payment is due under the Plan to a Participant who is unable to care for his affairs, payment may be made directly to his legal guardian or personal representative.

10.3. Governing Law; Interpretation. The validity, interpretation, construction and performance of this Plan shall be governed by the laws of the State of Delaware. All references to sections of the Exchange Act or the Code shall be deemed also to refer to any successor provisions to such sections.

10.4. Withholding. Any payments provided for hereunder shall be paid net of any applicable withholding required under federal, state or local law.

10.5. Survival. The obligations of the Company and the Participant under this Plan which by their nature may require either partial or total performance after the expiration of the Term (including, without limitation, those under Sections 2 and 3 hereof) shall survive such expiration.

10.6. No Right to Continued Employment. Neither the establishment of the Plan, nor any modification thereof, nor the creation of any fund, trust or account, nor the payment of any benefits shall be construed as giving any Participant, or any person whomsoever, the right to be retained in the service of the Company, a Subsidiary or Affiliate of the Company, and all Participants shall remain subject to discharge to the same extent as if the Plan had never been adopted.

10.7. Headings; Gender. The headings and captions herein are provided for reference and convenience only, shall not be considered part of the Plan, and shall not be employed in the construction of the Plan. References in the Plan to any gender include references to all genders, and references to the singular include references to the plural and vice versa.

10.8. Benefits Unfunded. The Plan shall not be funded. No Participant shall have any right to, or interest in, any assets of the Company, a Subsidiary or an Affiliate of the Company which may be applied by the Company to the payment of benefits or other rights under this Plan.

10.9. Enforceability. The invalidity or unenforceability of any provision of this Plan shall not affect the validity or enforceability of any other provision of this Plan, which shall remain in full force and effect.

10.10. Section 409A. The intent of the parties is that payments and benefits under this Plan be exempt from, or comply with, Section 409A of the Code, and accordingly, to the maximum extent permitted, this Plan shall be interpreted and administered to be in accordance therewith. Notwithstanding anything contained herein to the contrary, the Participant shall not be considered to have terminated employment with their Employer for purposes of any payments under this Plan which are subject to Section 409A of the Code until the Participant would be considered to have incurred a "separation from service" from their Employer within the meaning of Section 409A of the Code. Each amount to be paid or benefit to be provided under this Plan shall be construed as a separate identified payment for purposes of Section 409A of the Code, and any payments described in this Plan that are due within the "short term deferral period" as defined in Section 409A of the Code shall not be treated as deferred compensation unless applicable law requires otherwise. Without limiting the foregoing and notwithstanding anything contained herein to the contrary, to the extent required in order to avoid accelerated taxation and/or tax penalties under Section 409A of the Code, amounts that would otherwise be payable and benefits that would otherwise be provided pursuant to this Plan during the six-month period immediately following a Participant's separation from service shall instead be paid on the first business day after the date that is six months following the Participant's separation from service (or, if earlier, death). To the extent required to avoid accelerated taxation and/or tax penalties under Section 409A of the Code, amounts reimbursable to the Participant under this Plan shall be paid to the Participant on or before the last day of the year following the year in which the expense was incurred and the amount of expenses eligible for reimbursement (and in-kind benefits provided) during any one year may not effect amounts reimbursable or provided in any subsequent year. The Company makes no representation that any or all of the payments described in this Plan will be exempt from or comply with Section 409A of the Code and makes no undertaking to preclude Section 409A of the Code from applying to any such payment. The Participant shall be solely responsible for the payment of any taxes and penalties incurred under Section 409A of the Code.

1.0 PURPOSE

Provide eligible executive officers of the Company continuing financial security in the event the Company terminates their employment without "cause." This policy sets forth the terms and conditions regarding the payment of severance benefits for eligible executive officers.

2.0 APPLICABILITY

This policy applies to (i) Ingram Micro's chief executive officer, (ii) executive officers of the Company elected by the Company's Board of Directors who report to either the chief executive officer or the chief operating officer of the Company, and (iii) such other executive officers elected by the Company's Board of Directors as the Human Resources Committee of the Board of Directors may determine from time to time in their discretion.

3.0 POLICY

3.1. **Eligibility -** Eligible executive officers are entitled to the severance benefits described in this policy if their employment is terminated by the Company without "cause". Eligible executive officers shall not be entitled to receive severance benefits if their employment with the Company is terminated (i) by the Company for "cause", (ii) due to their resignation for any reason; (iii) due to their disability; (iv) due to their retirement; or (v) as a result of their death.

3.2. **Benefits -** The following severance benefits will be provided to eligible executive officers meeting the eligibility criteria for severance set forth above:

3.2.1 The greater of:

3.2.1.1 The sum of: (i) the eligible executive officer's annualized Base Salary in effect on the effective date of the termination of employment with the Company ("Effective Date"); and (ii) the executive officer's Target Annual Bonus in effect on the Effective Date; OR

3.2.1.2 The product of $1/12^{th}$ times the sum of (i) the executive officer's Base Salary in effect on the Effective Date and (ii) the executive officer's Target Annual Bonus in effect on the Effective Date, multiplied by the number of full years of employment with the Company; *provided*, *however*, that no more than twenty-four (24) full years of the executive officer's employment with the Company shall apply for the purposes of this Section 3.2.1.2, with respect to the Chief Executive Officer of the Company; *provided*, *further*, that no more than eighteen (18) full years of the executive officer's employment with the Company shall apply for the purposes of this Section 3.2.1.2, with respect to any executive officer other than the Chief Executive Officer of the Company.

3.2.1.3 Subject to Section 3.11 below, such amounts shall be payable in alump-sum cash payment within 60 days after the Effective Date. Payment will be subject to applicable tax and related payroll withholding requirements.

3.2.2 An amount equal to the executive officer's unpaid annual bonus established for the bonus plan year in which the Effective Date occurs, multiplied by a fraction, the numerator of which is the number of days completed in the then existing fiscal year through the Effective Date, and the denominator of which is three hundred sixty-five (365). This amount will be calculated and paid after the close of the applicable fiscal year at such time and in the same manner as annual bonus payments are made to actively employed executive officers. This amount will be calculated based on actual performance achieved during the fiscal year relative to the performance objectives set forth in the applicable annual bonus plan.

3.2.3 The Company will provide the continuation of, and pay 100% of the premiums for, the Company-sponsored health and welfare benefits of medical insurance, dental insurance and vision insurance for the eligible executive officer and enrolled dependents during the period commencing on the Effective Date and ending on the earliest to occur of (a) the date which is twelve (12) months following the Effective Date or such greater number of months following the Effective Date equal to the number of full years of the executive officer's employment with the Company, (b) the date which is eighteen (18) months following the Effective Date, or (c) such date as the executive officer becomes eligible for coverage under the group health plan of another employer, *provided, however,* that if any plan pursuant to which such benefits are provided is not, or ceases prior to the expiration period of the period of continuation coverage to be, exempt from the application of Code Section 409A under Treasury Regulation Section 1.409A-1(a)(5), then an amount equal to each remaining premium subsidy shall thereafter be paid to the executive officer as currently taxable compensation in substantially equal monthly installments over the continuation coverage period (or remaining portion thereof). Following the expiration of such continuation period, any further continuation of such coverage under applicable law (if any) shall be at the executive officer's sole expense.

3.2.4 Participation in a Company paid outplacement program for up to one year following the Effective Date, up to a maximum cost to the Company of $20,000. The selection of the outplacement assistance firm shall be at the discretion of the Company. The executive officer may not select a cash payment in lieu of this benefit.

3.3. **Executive Physical Examination Program -** Participation in the Company's Executive Physical Examination Program will cease on the Effective Date.

3.4. **Retirement Plans -** Participation in the Company's retirement plan(s) and deferred compensation plan(s) will cease on the Effective Date. Payment of accrued benefits and account balances in these plans will be made in accordance with the plans' provisions and the executive officer's distribution election forms on file as of the Effective Date.

3.5. **Stock Awards -** Stock options, restricted stock awards, or other stock-based incentive compensation awards shall be governed by the terms of the plan(s) and award agreement(s) for each such award.

3.6. **Long-Term Executive Cash Incentive Award Program and Executive Long-Term Performance Share Program -** The executive officer's participation in the Company's Long-Term Executive Cash Incentive Award Program and Executive Long-Term Performance Share Program and the payment(s) of earned awards shall be made in accordance with the terms of the plan(s) and award agreement(s) for each such award.

3.7. **Mitigation of Benefits -** The executive officer will not be obligated to seek other employment in mitigation of the amounts payable or arrangements made under this policy. Obtaining any other employment will in no event affect any of the Company's obligations to make payments and arrangements referenced within this policy.

3.8. **Release and Covenant -** The entitlement of the executive officer to the severance benefits provided in this policy is contingent upon the executive officer's execution of a release and covenant agreement satisfactory to the Company which may include, but is not limited to, confidentiality, non-competition, non-solicitation, and no-raid provisions for a period equal to the Health Benefits Continuation Period.

3.9. **Effect of Other Arrangements -** This policy applies to certain terminations of an executive officer's employment with the Company, provided that such termination does not constitute a "Qualifying Termination" under the Company's Change in Control Policy for any executive officer who is a "Participant" under the Company's Change in Control Policy. If an executive officer has an employment agreement with the Company in force on the Effective Date, he or she may elect to receive the severance benefits and limitations provided for in such agreement or those provided by the terms of this policy, but not both. Any such election shall be in writing delivered to the Executive Vice President, Human Resources of the Company. In the absence of any such election, the terms of the executive officer's employment agreement shall control. No termination of an executive officer's employment shall be covered under both this policy and the Company's Change in Control Policy. In no event shall the provisions of this policy result in the duplication of payments or benefits payable or provided to an executive officer.

3.10. **Authority -** The provisions of this policy have been established by the Human Resources Committee of the Board of Directors of Ingram Micro Inc. The Committee maintains the right to modify or terminate this policy at any time, with or without prior notification.

3.11. **Section 409A -**Notwithstanding anything to the contrary in this policy, no compensation or benefits, including without limitation any severance payments or benefits payable under Section 3.2 hereof, shall be paid to the executive officer during the 6-month period following the executive officer's "separation from service" (within the meaning of Section 409A(a)(2)(A)(i) of the Internal Revenue Code of 1986, as amended (the "Code")) if the Company determines that paying such amounts at the time or times indicated in this policy would be a prohibited distribution under Section 409A(a)(2)(B)(i) of the Code. If the payment of any such amounts is delayed as a result of the previous sentence, then on the first business day following the end of such 6-month period (or such earlier date upon which such amount can be paid under Section 409A of the Code without resulting in a prohibited distribution, including as a result of the executive officer's death), the Company shall pay the executive officer a lump-sum amount equal to the cumulative amount that would have otherwise been payable to the executive officer during such period.

The payments and benefits under this policy are not intended to constitute "nonqualified deferred compensation" within the meaning of Section 409A of the Code. Notwithstanding any provision of this policy to the contrary, in the event that the Company determines that any payments or benefits payable hereunder may be subject to Section 409A of the Code, the Company may adopt such amendments to this policy or take any other actions that the Company determines are necessary or appropriate to (i) exempt such payments and benefits from Section 409A of the Code and/or preserve the intended tax treatment of such payments or benefits, or (ii) comply with the requirements of Section 409A of the Code and related Department of Treasury guidance and thereby avoid the application of penalty taxes under Section 409A of the Code.

3.12. **Return of Payment -** Notwithstanding anything to the contrary in this policy, if the executive officer receives any severance payments or other benefits under Section 3.2 hereof and the Company subsequently determines that the executive officer had engaged in conduct which constituted "cause" for the termination of his employment by the Company prior to the Effective Date, the executive officer shall reimburse the Company for all payments and the value of all benefits received by the executive officer which would not have been made if the executive officer's employment had been terminated by the Company for "cause" with interest at the US Prime Rate as published by Bloomberg Finance L.P., compounded annually, from the date such payments or benefits were made until the date of repayment.

3.13. **Arbitration -** With respect to any executive officer, any controversy or claim arising out of or relating to this policy shall be submitted to binding arbitration. By agreeing to arbitrate, the executive officer agrees to waive the executive officer's right to a jury trial. The arbitration will be conducted in accordance with this Policy, the Federal Arbitration Act and the Employment Arbitration Rules of the American Arbitration Association, as in effect at the time of any arbitration pursuant to this Policy (the "**AAA Rules**"). In the event of a conflict, the provisions of the AAA Rules will control, except where those AAA Rules conflict with this Policy, in which case this Policy will control. The arbitration shall be conducted before a single neutral arbitrator, regardless of the size of the dispute, to be selected as provided in the AAA Rules. The arbitration shall be commenced and held in Orange County, California. Any issue concerning the location of the arbitration, the extent to which any dispute is subject to arbitration, the applicability, interpretation, or enforceability of these procedures, including any contention that all or part of these procedures are invalid or unenforceable, and

any discovery disputes, shall be resolved by the arbitrator. No potential arbitrator may serve on the panel unless he or she has agreed in writing to be bound by these procedures. To the extent state law is applicable, the arbitrator shall apply the law of California. Each party will, upon the written request of the other party, promptly provide the other with copies of all documents on which the producing party may rely in support of or in opposition to any claim or defense and a report of any expert whom the producing party may call as a witness in the arbitration hearing. Additional discovery shall be conducted as permitted by the AAA Rules or as may be ordered by the arbitrator upon a showing of good cause. All aspects of the arbitration shall be treated as confidential and neither the parties nor the arbitrator may disclose the existence, content or results of the arbitration, except as necessary to comply with legal or regulatory requirements, or to enforce any ruling or award. Before making any such disclosure, a party shall give written notice to all other parties and shall afford such parties a reasonable opportunity to protect their interests. The parties shall share all fees and costs payable to the arbitrator or AAA equally, except that the Company will pay all fees and costs that are unique to arbitration and/or in excess of the costs that would be incurred if the action were filed in a court of competent jurisdiction. All attorneys' fees, witness fees and other costs shall be paid by the party that incurs those costs and expenses, except to the extent that a party is entitled to recover those costs or expenses under applicable law. The result of the arbitration shall be rendered in writing and shall be binding on the parties and judgment on the arbitrators' award may be entered in any court having jurisdiction.

Executives who participate in other cash-based short-term (i.e., one year or less) incentive and/or commission-based programs are not eligible to participate in the Program.

3.2 New Hire Participants

An associate hired by the Company Group on or prior to the last business day of November **("New Participant")** during a Program Year may be offered participation in the Program in accordance with Section 3.1. A New Participant shall be eligible to receive an Incentive Award determined according to his or her salary grade or career level. In the event the New Participant becomes eligible for the Program, the Salary is prorated for the time he or she is eligible to participate in the program and the prorated Salary is used to calculate the

Incentive Award.

3.3 Transfers In/Out of the Program

A previously non-eligible associate who becomes eligible to participate in the Program in accordance with Section 3.1 as a result of transferring into such position, shall be eligible to receive an Incentive Award based on the portion of the Program Year during which the Participant was eligible to participate in the Program. An associate who becomes ineligible to participate in the Program in accordance with Section 3.1 as a result of transferring into a non-eligible position which participates in another incentive program and/or commission-type program, shall be eligible to receive an Incentive Award prorated based on the portion of the Program Year during which the Participant was eligible to participate in the Program.

3.4 Promotions and Demotions of Program Participants

An associate who is a Participant in the Program pursuant to Section 3.1 and is promoted or demoted to a position with a different Incentive Award opportunity is eligible for a target incentive based on the prorated Salary, Target Incentive Percentage and bonus program in effect on the effective date of each such promotion and/or demotion for the applicable position, and otherwise subject to the terms of the Program.

3.5 Leave of Absence (LOA)

Awards will be reduced for time the Participant is on a leave of absence during the Performance Period by using the number of days greater than 30 the Participant was on a leave of absence.

4. Participating Units

Participation of any Unit in the Program will be determined in the discretion of the CEO.

5. Award Determinations

5.1 Generally

The Board shall approve the selection of the Financial Metric and the establishment of Performance Goals for each achievement level: threshold, target and maximum that establish the worldwide Incentive Award Pool. The CEO shall approve compliance training conditions and review financial and non-financial performance of each eligible Unit to determine each organization's achievement level and resulting share of the Incentive Pool. Generally, all achievement determinations shall be completed no later than three months following the end of the Performance Period, and, with respect to the Senior Executives, shall be approved and/or ratified by the Board.

5.2 Financial Metric - Target Setting

(a) Incentive Award Pool. At the start of each Performance Period, the Board approves the appropriate Financial Metric to be used for the new Program to establish the potential Incentive Award Pool that may be funded for the Performance Period; the Performance Goals for threshold, target and maximum achievement; and any adjustments that may be applied to the Performance Goals or in determining the Financial Metric (referred to as "special item adjustments"). Following the conclusion of the Performance Period, the Board

will review and approve the actual level of achievement of the Performance Goals and, following the application of any special item adjustments, as determined in its sole discretion, determine the Group Incentive Payout Percentage and the Incentive Award Pool.

(b) Incentive Award Pool Differentiation by Unit: The Incentive Award Pool may be allocated among each of the Units by the CEO based on financial and non-financial goals as he determines to be appropriate. Determinations will be based on achievement of annual business plan financials, including but not limited to: operating income, revenue, gross margin, working capital days, operating expense, profit before tax, return on invested capital and other financial results vs. budget, and performance in relation to pre-established objectives and key initiatives.

5.3 Individual Incentive Award Calculation

(a) Target Incentive Award Percentage. A Participant's Target Incentive Percentage shall be based on his or her salary grade or career level in effect during the Performance Period except as outlined under Section 3.2, 3.3, 3.4 and/or 3.5.

(b) Individual Incentive Award Calculation. A Participant's Individual Incentive Payout Percentage will range between 0% and 200% of the Target Incentive Percentage based on: Company Group performance; the overall performance of his or her Unit relative to the overall performance of the other Units and the Units' bonus pool allocation as determined by their supervisory organization (based on the individual's function, country or business unit); and individual performance during the Performance Period, each as determined by the CEO or his/her delegate. The assignment of an individual's Unit will be determined by the CEO or other Senior Executive's judgment between Units under his or her responsibility. However, the total of all Incentive Awards given within a Unit must total no more than 100% of the total bonus pool dollars allocated to that Unit.

(c) Individuals with MBO Metrics. Each of the Board or the CEO (as applicable) may approve the use of MBO metrics for certain Participants who are in eligible positions prior to June 1 of the Performance Period. With the approval by the CEO or Board, as applicable, the successful completion of these objectives can result in up to an additional twenty achievement percentage points applied to an individual's Target Incentive Percentage.

Standard MBO Calculation Example:

Target Incentive Percentage = 40% of Salary

Maximum MBO achievement percentage = 20% of the Target Incentive Award Percentage = 8% of Salary

Individual MBO achievement percentage (can range between 0% and 100%) = 90%

Individual EIP MBO Award Calculation = Salary x 8% (Maximum MBO achievement percentage) x 90% (individual MBO achievement percentage)

6. Incentive Award Payment

6.1 Amount of Payment

The amount of any Incentive Award payable to a Participant (not including the MBO portion)

shall be equal to the eligible Salary multiplied by the Target Incentive Percentage and by the Individual Incentive Payout Percentage.

No Incentive Award payment will be made, and such Incentive Award opportunity shall be forfeited, if the Participant is on a performance improvement plan or if the specific compliance training conditions as set by the CEO as per Section 5.1 have not been met.

6.2 Form and Timing of Payment

(a) Except as set forth in Section 7.1(b), a Participant must be employed by the Company Group through the last day of the Program Year, in order to be eligible to receive payment of any Incentive Award for the Performance Period. Participants in the Program must also have completed all compliance training required for the Performance Period by the last day of the Performance Period in order to be eligible to receive payment of any Incentive Award for the Program Year. Any Participant who has not completed all required online compliance training for the Performance Period by the last day of the Performance Period shall be ineligible to receive any payment in respect of any Incentive Award granted under the Program. Notwithstanding the foregoing, no Incentive Award payable pursuant to this Program shall be paid unless the Board or the CEO (or his/her delegate), as applicable, approves the extent to which the applicable Performance Goals have been achieved for the Performance Period pursuant to Section 5.1.

(b) Subject to Section 6.2(a), any payment of an Incentive Award for the Performance Period, less applicable tax withholdings, will be made to an eligible Participant as soon as practicable following Board approval of the Company Group's achievement against the Performance Goal and allocation of the Incentive Award Pool. Payment will occur in the calendar year following the Performance Period to which the Incentive Award relates (e.g., the payment for fiscal year 2025 will occur in calendar year 2026, regardless of whether such fiscal year ends in late December 2025 or early January 2026), and is generally expected to occur by the end of April following the end of the Performance Period. The Incentive Award payment may be made, in whole or in part, in cash, stock or other long-term based awards at the discretion of the Company Group, provided, that the medium of such payment may not serve to defer Participant's recognition of income for tax purposes.

6.3 Withholding of Taxes

The Company Group shall have the right to withhold taxes and other amounts, which, in the opinion of the Company Group, are required to be withheld with respect to any amount due or payable to any Participant under the Program.

7. Termination of Employment

7.1 Termination of Employment During Program Year

(a) Except as set forth in Section 7.1(b), in the event that a Participant's employment with the Company Group is terminated, and the Participant's Termination Date occurs prior to the end of the Program Year either (i) by the Participant for any reason, or (ii) by the Company Group for any reason, including with or without Cause or by reason of the sale of an operating unit, entity, or subsidiary of the Parent Company during the Program Year, such Participant shall not have any right, title or interest to payment of any Incentive Award for such Program Year.

(b) Death or Disability. In the event that the Participant's employment with the Company Group is terminated by reason of such Participant's death or Disability and the Participant's Termination Date occurs prior to the end of the Program Year by reason of such Participant's Death or Disability, the Participant (or the Participant's family, designee or estate) shall receive payment of any Incentive Award for the Program Year, pursuant to Section 6 above, in an amount equal to Salary multiplied by Target Incentive Percentage and by the applicable Group or Unit Incentive Payout Percentage. The amount of the award shall be prorated based on the Termination Date and paid at the same time bonuses are paid to other Participants in accordance with Section 6.2.

7.2 Termination of Employment After End of Program Year

(a) For Cause. In the event that a Participant's employment with the Company Group is terminated by the Company Group for Cause and the Participant's Termination Date occurs after the end of the Program Year but prior to the payment date of an Incentive Award, such Participant shall not have any right, title or interest to payment of any Incentive Award.

(b) Other. In the event that a Participant's employment with the Company Group is terminated for any reason not described in Section 7.2(a) and the Participant's Termination Date occurs after the end of the Program Year but prior to the payment date of an Incentive Award, the amount of any Incentive Award applicable to the Performance Period shall be paid to the Participant in accordance with Section 6.

(c) Post-Employment Misconduct. Notwithstanding any provision of this Program or any other agreement to the contrary, in the event that a Participant's post-employment conduct breaches any obligations owed to the Company Group (including, but not limited to, obligations regarding protection of trade secrets, non-disparagement, confidentiality, non-solicitation of customers and/or employees, or non-competition, as applicable), such Participant shall not be entitled to the payment of any Incentive Award which would otherwise be payable pursuant to Section 6 or 7, and all of the Participant's rights to such Incentive Award shall be forfeited.

8. Administration; Amendment and Termination

Notwithstanding anything to the contrary herein, the Program shall be administered by the Board with respect to the Senior Executives, including establishing all applicable Performance Metrics and Performance Goals, reviewing and approving the performance thereunder, making any applicable adjustments to Performance Goals or performance calculations, and approving the actual Incentive Award for each Senior Executive. With respect to any Participant who is not a Senior Executive, the CEO shall have the power and authority, including, without limitation, the authority to construe and interpret this Program, to prescribe, amend and rescind rules, regulations and procedures relating to its administration and to make all other determinations necessary or advisable for administration of this Program. The Board and the CEO, as applicable, may from time to time make such decisions and adopt such terms for implementing the Program as they deem appropriate for the Program or any applicable Participant under the Program. Any decision taken by the Board or the CEO, as applicable, arising out of or in connection with the construction, administration, interpretation and effect of the Program shall be final, conclusive and binding upon all Participants and any person claiming under or through any Participant. The CEO may delegate his or her power with respect to the Program from time to time as he or she so determines. Subject only to compliance with the express provisions hereof, the CEO may act in his or her sole and absolute discretion with respect to matters within his or her authority under this Program.

Notwithstanding anything herein to the contrary, the Board (or the CEO, with respect to Participants who are not Senior Executives) may, at any time, terminate, modify or suspend this Program, without prior notification to the Participants.

9. General Provisions

9.1 No Guarantee

Participation in the Program is no guarantee that an Incentive Award will be paid. The success of the Company Group and its Units as measured by the achievement of various Performance Goals in accordance with Section 5 shall determine the extent to which Participants are eligible to receive payment of an Incentive Award.

9.2 Expenses

All expenses and costs in connection with the adoption and administration of the Program shall be borne by the Company Group.

9.3 Section 409A (USA Participants)

To the extent applicable, the Program and all incentive award agreements and all other instruments evidencing amounts subject to the Program shall be interpreted and applied consistent and in accordance with Section 409A of the Code and Department of Treasury regulations and other interpretive guidance issued thereunder. Notwithstanding any provision of the Program, any incentive award agreement or any other instrument evidencing amounts subject to the Program to the contrary, if the Board determines that any compensation or benefits payable under this Program may not be either exempt from or compliant with Section 409A of the Code and related Department of Treasury guidance, the Board may in its sole discretion adopt such amendments to the Program, any incentive award agreements and any other instruments relating to the Program, or adopt other policies and procedures (including amendments, policies and procedures with retroactive effect), or take any other actions, that the Board determines are necessary or appropriate to (i) exempt the compensation and benefits payable under the Program from Section 409A of the Code and/or preserve the intended tax treatment of such compensation and benefits, or (ii) comply with the requirements of Section 409A of the Code and related Department of Treasury guidance; provided, however, that this Section shall not create an obligation on the part of the Board to adopt any such amendment, policy or procedure or take any such other action.

9.4 Limitations

(a) No Right to Continued Employment. Nothing contained in this Program or in any document related to this Program or to any Incentive Award shall confer upon any Participant any right to continue as an associate or in the employ of the Company Group or constitute any contract or agreement of employment for a specific term or interfere in any way with the right of the Company Group to reduce such person's compensation, to change the position held by such person or to terminate the employment of such person, with or without Cause.

(b) No Vested Rights. Except as expressly provided herein, no Participant or other person shall have any claim of right, title or interest (legal, equitable, or otherwise) to any Incentive Award or to any specific asset of the Company Group by reason of any Incentive Award. No officer or associate of the Company Group or any other person shall have any authority to make representations or agreements to the contrary.

(c) Non-transferability. No benefit payable under, or interest in, this Program shall be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance or charge to a third party and any such attempted action shall be void and no such benefit or interest shall be, in any manner, subject to, debts, contracts, or liabilities of any Participant or beneficiary; provided, however, that nothing in this Section shall prevent the Company Group from encumbering a Participant's Incentive Award to securitize a loan made to the Participant by the Company Group or prevent the Participant's transfer of an Incentive Award by will or by the laws of descent or distribution.

(d) Not Part of Other Benefits. The benefits provided in this Program shall not be deemed a part of any other benefit provided by Company Group to its associates.

(e) Other Programs. Nothing contained in the Program shall limit the Company Group's power to grant incentives to associates of the Company Group other than pursuant to this Program, whether such associates are Participants in this Program.

(f) No Accrued Interest. Under no circumstances will any interest accrue on the payment of any Incentive Award under the Program.

(g) No Fiduciary Relationship. Nothing contained in this Program (or in any document related thereto), nor the creation or adoption of this Program, nor any action taken pursuant to the provisions of this Program shall create, or be construed to create, a trust of any kind or a fiduciary relationship between the Company Group and any Participant, beneficiary or other person.

(h) Limitation on Rights. Except as expressly granted pursuant to the Program, nothing in the Program shall be deemed to give any associate any contractual or other right to participate in the benefits of the Program. No award to any such Participant in any Performance Period shall be deemed to create a right to receive any award or to participate in the benefits of the Program in any subsequent Program Year.

9.5 Compensation Recovery Policy

Notwithstanding provisions of this Program or any other agreement to the contrary, including without limitation Sections 6 and 7 of the Program, any Incentive Award granted to a Participant hereunder shall be subject to all of the terms and conditions set forth in the Ingram Micro Inc. Compensation Recovery Policy or any other clawback policy implemented by the Parent Company, as in effect from time to time, including, without limitation, any clawback policy adopted to comply with applicable law. No recovery of compensation under such a clawback policy will be an event giving rise to a right to resign for "good reason" or "constructive termination" (or similar term) under any agreement with any member of the Company Group.

Furthermore, the Company reserves the right to determine whether any Participant in this Program may have forfeited any unpaid Incentive Award or recover any Incentive Award paid to any Participant under this Program, to the extent permitted by applicable laws, in the event that a Participant engages in conduct that is detrimental to the Company Group, which includes: (i) the Participant's engagement in conduct that constitutes Cause for the termination of the Participant's employment; (ii) the Participant's engagement in fraudulent, intentional, willful, or grossly negligent misconduct, whether by commission or omission; (iii) either (a) the payment of any Incentive Award, or (b) the calculation of the magnitude of any such Incentive Award, which was based on materially inaccurate financial statements (including, without limitation,

statements of earnings, revenues, or gains) or any other materially inaccurate performance metric criteria, regardless of whether such material inaccuracies were subsequently the subject of an accounting restatement, or (iv) in the event that a Participant's post-employment conduct breaches any obligations owed to any member of the Company Group (including, but not limited to, misappropriation of trade secrets, non-disparagement, confidentiality, non-solicitation of customers and/or employees, or non-competition).

The Company's right to determine whether a Participant may have forfeited any unpaid Incentive Award or to recover any Incentive Award paid to a Participant shall start on the date of the initial occurrence of any event above and continuing thereafter until the date on which the Company determines that such event has occurred and shall in no case exceed the 36-month period preceding the date of such determination by the Company.

9.6 Effect on Benefit Calculations

An Incentive Award is to be excluded from a Participant's compensation for purposes of calculating benefits under any plan, program, policy or procedure of the Company Group (including, but not limited to, the Company's Executive Officer Severance Policy, long-term disability plan, and superannuation, leave entitlement and vehicle entitlement policies) unless specifically provided under the terms and conditions of such plan, program, policy or procedure.

9.7 Unfunded Program

All amounts payable under this Program shall be paid from the general assets of the Company or employing entity within the Company Group, as applicable, and no trust, separate fund or deposit of any kind shall be established and no segregation of assets shall be made to assure payment of such amounts. To the extent that a Participant, beneficiary or other person acquires a right to receive payment with respect to an Incentive Award hereunder, such right shall be no greater than the right of any unsecured general creditor of the Company or other employing entity within the Company Group, as applicable.

Ingram Micro

Plan Addendum

This is the Plan Addendum for the Ingram Micro Executive Incentive Program (the **"Program"**) for the Performance Period [month 20xx—month 20xx] (**"Fiscal Year [__]"**). Capitalized terms used in this Plan Addendum but not defined in this Plan Addendum will have the meaning ascribed to such term in the Program.

For Fiscal Year [__], the Performance Goals will be based on achievement of the Financial Metric [metric] (as defined below), measured on a consolidated basis based on the performance of the Company Group.

Incentive Award Pool Calculation.

For Fiscal Year [__], the Board approved [metric] (as defined below) to be used as the Financial Metric to determine overall Company performance for purposes of the Program. There will be no Incentive Award Pool, and Incentive Awards will not be paid, unless the Company achieves a threshold level of [metric] performance, as determined by the Board in its sole discretion following the application of any special item adjustments. If [metric] exceeds the threshold level, the Incentive Award Pool will equal (i) the aggregate amount that would be payable if all participants received Incentive Awards at the target level, multiplied by (ii) the bonus achievement determined based on the [metric] performance as set forth below.

	Threshold (50% Group Incentive Payout Percentage)	Target (100% Group Incentive Payout Percentage)	Maximum (200% Group Incentive Payout Percentage)
[metric] (% of budget plan for the Performance Period)	[__ %]	100%	[___%]

Incentive Award Pool funding will be interpolated on a straight-line basis between the applicable levels set forth above. In addition, each applicable Performance Goal may be equitably adjusted, as determined by the Board in its reasonable discretion, to reflect any transaction whereby the Company Group ceases to be a standalone Company Group and becomes a division or subsidiary of a consolidated group of companies.

For purposes of this Plan Addendum, "[metric]" is defined as [definition].
